1100 DISTRICT ORGANIZATION

The Board of Education directs the establishment and implementation of an organizational plan for the management and control of school district operations. The plan will require the identification and resolution of problems at appropriate organizational levels. All references to school district administrators in policies or regulations shall be construed to mean that administrator or his/her designee.

All members and employees of this Board are directed to observe faithfully the chain of communications established by the district organizational plan. In general, a problem should be identified and its resolution attempted at the level most immediate to the problem's origin. When a resolution cannot be found at that level, remedy may be sought through appropriate resolution and remediation procedures.

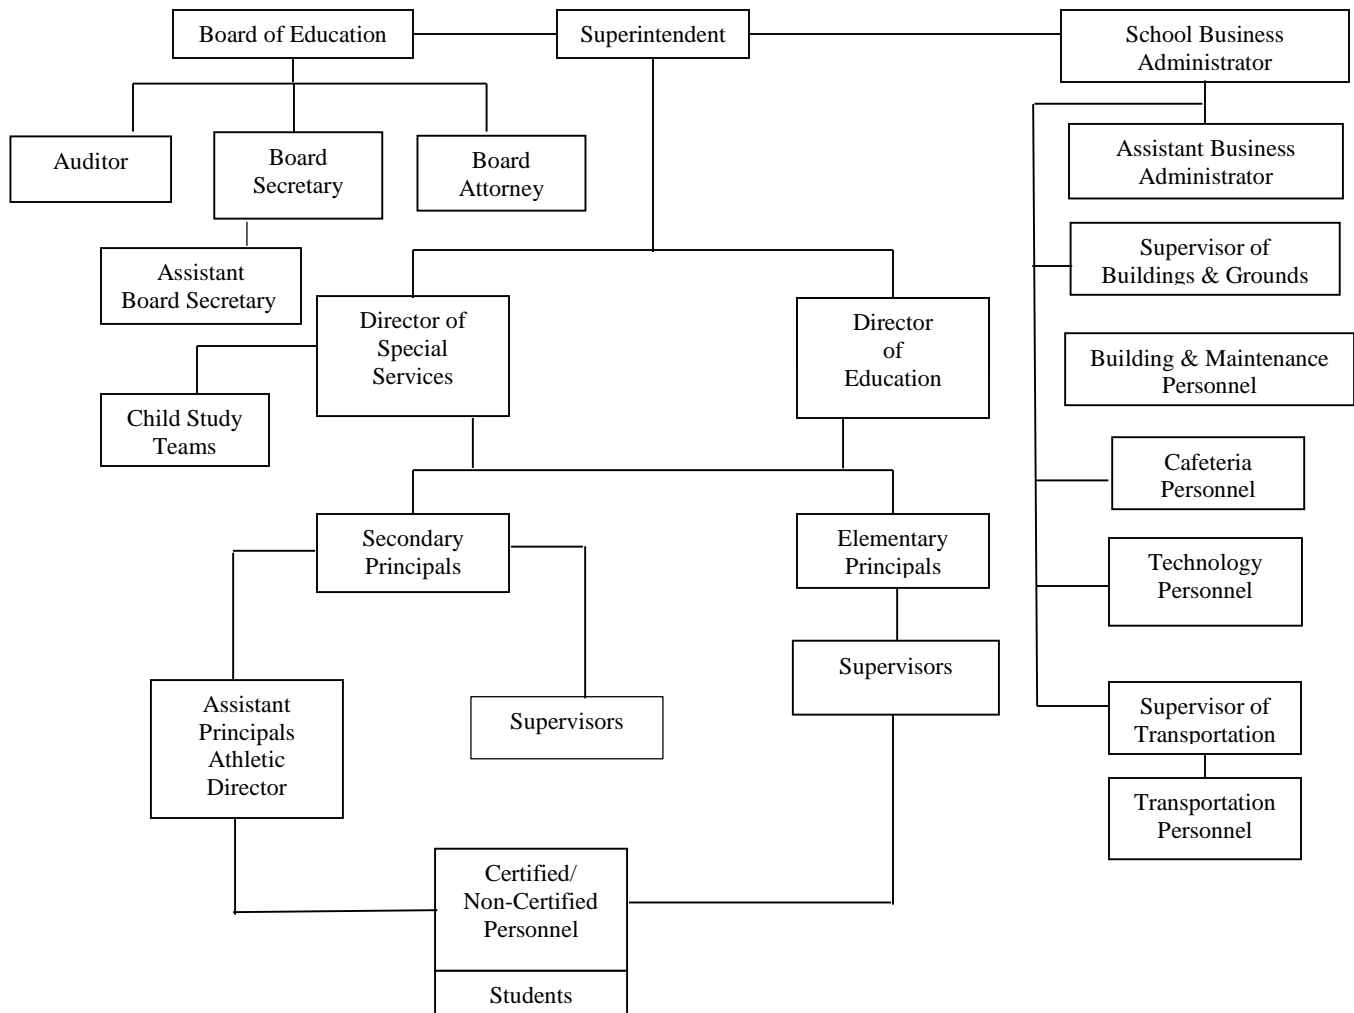

The Board expressly disapproves of any attempt to expedite the resolution of a problem by disregard of the organizational plan and the appropriate processes. A staff member's persistent disregard for the established management organization of this district in violation of this policy will be considered an act of insubordination subject to discipline.

No candidate will be discriminated against on the basis of a disability that is not directly related to the essential function of the position for which he/she has applied.

Reasonable accommodations, not directly affecting the educational and/or instructional program, will be made to accommodate employment conditions to the needs of qualified individuals with disabilities, such accommodations may include, but are not limited to: making existing facilities used by employees readily assessable to and usable by individuals with disabilities, job restructuring, part-time modified work schedules, reassignment to a vacant position, acquisition or modification of equipment or devices, appropriate adjustment or modifications of examinations, training materials or policies, the provision of qualified readers or interpreters, and other similar accommodations for individuals with disabilities.

The district will furnish appropriate auxiliary aids and services where necessary to afford individuals with disabilities an equal opportunity to participate in and enjoy the benefits of a service, program, or activity conducted by the district.

The district, with the assistance of interested persons, who may include individuals with disabilities or members of organizations representing individuals with disabilities, or other interested community members and staff, will evaluate its current services, policies, practices, and the effects thereof with regard to the requirements of the Act and make necessary modifications to meet the Act requirements. If such modifications would result in a fundamental alteration of the nature of the affected program or activity, or undue financial or administration burden, the district will provide access through means which would not result in a fundamental alteration or undue financial or administrative burden. 28 CFR §35.150(a)

For a period of at least three years following completion of the self-evaluation, the district will maintain on file, available for public inspection, a list of those interested persons consulted, a description of the areas examined and problems identified, and modifications made.

1511 BOARD OF EDUCATION WEBSITE ACCESSIBILITY

It is the goal of the Board of Education that the information on the school district's website is accessible to individuals with disabilities in compliance with the requirements of Section 504 of the Rehabilitation Act of 1973 and that statute's implementing regulations at 34 C.F.R. Part 104, and Title II of the Americans with Disabilities Act of 1990 and that statute's implementing regulations at 28 C.F.R. Part 35.

For the purposes of this Policy, "school district website" includes, but is not limited to, the internet home page, all subordinate pages, school or school district department pages, intranet pages and sites, and includes online content and functionality, developed by, maintained by, or offered through a third-party vendor or by using open sources.

The accessibility of online content and functionality will be measured according to the World Wide Web Consortium's (W3C) Web Content Accessibility Guidelines (WCAG) 2.0 Level AA and the Web Accessibility Initiative Accessible Rich Internet Application Suite (WAI-ARIA) 1.0 for web content (benchmarks for measuring accessibility).

By conforming to the benchmarks for measuring accessibility set forth above the Board of Education will ensure that people with disabilities have an opportunity equal to that of their nondisabled peers to access the information on the district's website, except where doing so would impose an undue burden or create a fundamental alteration of the district's website. When fundamental alteration or undue burden defenses apply, the district will make reasonable modifications/accommodations for individuals with disabilities in order to provide equally effective alternate access. In providing such access, the district will ensure that to the maximum extent possible individuals with disabilities receive the same benefits or services as their nondisabled peers. To provide equally effective alternate access, alternates are not required to produce the identical result or level of achievement for persons with and without disabilities, but must afford persons with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

To ensure that the district's website conforms with the above benchmarks for measuring accessibility, except where doing so would impose an undue burden or create a fundamental alteration of the district's website, the Superintendent of Schools will designate a school staff member to act as the Website Accessibility Coordinator. The Coordinator will:

1. Ensure that in-house staff and contractors responsible for webpages and webpage content development are properly trained on the Board of Education's website accessibility policy and procedures;
2. Ensure that all new, newly added, and modified online content and functionality is accessible to people with disabilities as measured by conformance to the above benchmarks by, among other things:
 - a. Checking the hypertext markup language (HTML) of all new webpages on the website to make sure that accessible elements are used, including "alt" tags, long descriptions, and captions, as needed;
 - b. Ensuring that webpages are designed in a manner that allows them to be displayed using a visitor's own settings for color and fonts, and can be navigated with a keyboard;
 - c. If images are used, including photos, graphics, scanned images, or image maps, making sure to include text equivalents for them, using "alt" tags and/or long descriptions for each and ensuring the text equivalents convey the meaningful information presented visually by the image;
 - d. If online forms and tables are used, making those elements accessible;
 - e. Ensuring that videos appearing on the website include appropriately synchronized audio description and captions, upon request;
 - f. Ensuring when posting new documents on the website, the documents shall be provided in HTML or another text-based format (even if they are provided in another format, such as portable document format (PDF)). If documents are provided in both formats, provide both formats at the same time so people with disabilities have the same degree of access as others;
 - g. Periodically enlisting people with a variety of disabilities to test the Board of Education's webpages for accessibility and ease of use and use this information to increase the Board's website accessibility;

- h. Periodically coordinating the audit of existing content and functionality of the website to identify online content or functionality that is inaccessible to persons with disabilities; and
 - i. Developing and carrying out a corrective action plan, when necessary, for making the district's existing web content accessible.
3. Ensure that alternative means are available for people with disabilities to access information, programs, and services that are normally provided on the Board's website.

This Policy establishes minimum standards for the accessibility of web-based information and services considered necessary to meet the district's goals and ensure compliance with applicable law.

1523 COMPREHENSIVE EQUITY PLAN

The Board of Education shall submit a Comprehensive Equity Plan based on an assessment of the district's needs for achieving equity in educational programs that includes a cohesive set of policies, programs, and practices that ensure high expectations and positive achievement patterns and equal access to education opportunity for all learners, including students and teachers.

The Board's obligation to be accountable for the requirements in N.J.A.C. 6A:7 is not precluded or alleviated by any rule or regulation of any organization, club, athletic association, or other league or group.

1. An assessment of the school district's needs for achieving equity in educational programs. The assessment shall include staffing practices, quality-of-program data, stakeholder-satisfaction data, and student assessment and behavioral data disaggregated by gender, race, ethnicity, limited English proficiency, special education, migrant, date of enrollment, student suspension, expulsion, Child Study Team referrals, preschool through grade twelve promotion/retention data, preschool through grade twelve completion rates, and re-examination and re-evaluation of classification and placement of students in special education programs if there is overrepresentation within a certain group;
2. A description of how other Federal, State, and district policies, programs, and practices are aligned to the Comprehensive Equity Plan;
3. Progress targets for closing the achievement gap;
4. Professional development targets regarding the knowledge and skills needed to provide a thorough and efficient education as defined by the New Jersey Student Learning Standards; differentiated instruction and formative assessments aligned to New Jersey Student Learning Standards; and high expectations for teaching and learning; and
5. Annual targets addressing district needs in equity in school and classroom practices that are aligned to professional development targets.

A Comprehensive Equity Plan shall be written every three years and the Board of Education shall initiate the Comprehensive Equity Plan within sixty days of its approval and shall implement the plan in accordance with the timelines approved by the New Jersey Department of Education.

In the event the Board of Education does not implement the Comprehensive Equity Plan within one hundred eighty days of its approval date, or fails to report its progress annually, sanctions deemed to be appropriate by the Commissioner of Education or his/her designee shall be imposed, and may include action to suspend, terminate, or refuse to award continued Federal or State financial assistance, pursuant to N.J.S.A. 18A:55-2.

The school district's employment applications and pre-employment inquiries conform to the guidelines of the New Jersey Division of Civil Rights.

The Board will use equitable practices that prevent imbalance and isolation based on race, color, creed, religion, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, socioeconomic status, or disability among the district's certificated and non-certificated staff and within every category of employment, including administration. Promotions and transfers will be monitored to ensure non-discrimination.

The Board shall not assign, transfer, promote or retain staff, or fail to assign, transfer, promote or retain staff, on the sole basis of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, religion, disability or socioeconomic status, pursuant to N.J.A.C. 6A:7-1.1.

The Board will target underutilized groups in every category of employment. The Board will provide among the faculty of each school role models of diverse racial and cultural backgrounds.

The Board shall not enter into a contract with a person, agency, or organization that discriminates in employment practices or in the provision of benefits or services, on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, socioeconomic status, or disability, either in employment practices or in the provision of benefits or services to students or employees, pursuant to N.J.A.C. 6A:7-1.1.

1570 INTERNAL CONTROLS

As a condition of receiving State aid, the school district shall establish specific policies and procedures on internal controls designed to provide management with reasonable assurance that the district's goals and objectives will be met and that meet the requirements of N.J.A.C. 6A:23A-6.5 through N.J.A.C. 6A:23A-6.13. Internal controls shall promote operational efficiency and effectiveness, provide reliable financial information, safeguard assets and records, encourage adherence to prescribed policies, and comply with law and regulation.

The specific internal controls contained in N.J.A.C. 6A:23A-6 shall be established together with other internal controls contained in N.J.A.C. 6A and other law and regulations, required by professional standards and as deemed necessary and appropriate by district management. The district may submit a written request to the Commissioner to approve an alternative system, approach, or process for implementing the internal controls required in N.J.A.C. 6A:23A-6. The application must include documented evidence that includes, but is not limited to, an independent, third-party written assessment that the alternative system, approach or process will achieve the same safeguards, efficiency, and other purposes as the specified internal control requirement(s).

The school district shall evaluate business processes annually and allocate available resources appropriately in an effort to establish a strong control environment pursuant to the requirements of N.J.A.C. 6A:23A-6.5. In accordance with the provisions of N.J.A.C. 6A:23A-6.5(b), the School Business Administrator/Board Secretary shall identify processes that, when performed by the same individuals, are a violation of sound segregation of duties and shall segregate the duties of all such processes among Business office staff based on available district resources, assessed vulnerability, and associated cost-benefit. The district shall include in the Comprehensive Annual Financial Report (CAFR) a detailed organizational chart for the Central office that tie to the district's position control logs, including but not limited to, the business, human resources, and information management functions.

The school district shall establish Standard Operating Procedures (SOPs) for each task or function of the business operations of the district by December 31, 2009. The SOP Manual shall include sections on each routine task or function as outlined in N.J.A.C. 6A:23A-6.6(b) and 6A:23A-6.6(c). A standard operating procedure shall be established that ensures office supplies are ordered in appropriate quantities, maintained in appropriate storage facilities, and monitored to keep track of inventory.

School districts with budgets in excess of \$25,000,000 or with more than three hundred employees shall maintain an Enterprise Resource Planning (ERP) System which integrates all data and processes of the school district into a unified system. The ERP system shall use multiple components of computer software and hardware and a unified database to store data for the various system modules to achieve the integration. Districts required to maintain an ERP System that do not have an ERP System in place on July 1, 2008 shall fully implement an ERP System by the 2010-2011 school year and maintain both the existing system(s) and run a beta test ERP System during the 2009-2010 school year. Whenever considering financial systems or the automation of other services or functions, the Superintendent of Schools or School Business Administrator/Board Secretary shall notify the Executive County Superintendent in writing to see if opportunities for a shared service system exist. Access controls shall be established for key elements of financial systems to ensure that a single person does not have the ability to make system edits that would violate segregation of duties controls.

The school district shall maintain an accurate, complete, and up-to-date automated position control roster to track the actual number and category of employees and the detailed information for each. Districts are required to maintain a position control roster by December 31, 2009. The position control roster shall share a common database and be integrated with the district's payroll system, agree to the account codes in the budget software, and ensure that the data within the position control roster system includes, at a minimum, the required information as required in N.J.A.C. 6A:23A-6.8(a)3.

Policy and Regulation 1581 – Section B. provides employment protection for employees of those employers as defined in N.J.S.A. 34:11C-2, who are victims of domestic violence or sexual violence in accordance with the provisions of the New Jersey Security and Financial Empowerment Act (NJ SAFE Act) - N.J.S.A. 34:11C-1 et seq.

A. Uniform Domestic Violence Policy (N.J.S.A. 11A:2-6a)

All New Jersey public employees are covered under N.J.S.A. 11A:2-6a and Policy and Regulation 1581 – Section A. All public employers shall designate a Human Resources Officer (HRO) or equivalent to assist employees who are victims of domestic violence. The name and contact information of the designated HRO must be provided to all employees. Managers and supervisors are required to refer any employee who is experiencing domestic violence or who report witnessing domestic violence to the designated HRO.

Employees who are victims of domestic violence are encouraged to seek immediate assistance from their HRO. Employees who have information about or witness an act of domestic violence against an employee are encouraged to report that information to the designated HRO, unless the employee is required to report the domestic violence pursuant to applicable laws, guidelines, standard operating procedures, internal affairs policies, or New Jersey Attorney General directives and guidelines that impose a duty to report, in which case the employee must report to the appropriate authority in addition to reporting to the designated HRO.

Nothing in the Uniform Domestic Violence Policy and Policy and Regulation 1581 – Section A. shall preclude an employee from contacting 911 in emergency situations. HROs shall remind employees to contact 911 if they feel they are in immediate danger.

Each designated HRO shall comply with the requirements outlined in Regulation 1581 – Section A.4.d. In responding to reports of domestic violence, the HRO shall seek to maintain confidentiality to protect an employee making a report of, witnessing, or experiencing domestic violence, to the extent practical and appropriate under the circumstances and allowed by law.

To ensure confidentiality and accuracy of information, the Uniform Domestic Violence Policy 1581 and Regulation 1581 – Section A.6. require the HRO to keep all documents and reports of domestic violence in a confidential personnel file separate from the employee's other personnel records.

Public employers in the State of New Jersey shall develop an action plan to identify, respond to, and correct employee performance issues that are caused by domestic violence, pursuant to N.J.S.A. 11A:2-6a, and in accordance with the guidelines outlined in Regulation 1581 - Section A.7.

Resources and program information will be readily available to assist victims of domestic violence.

A public employer may seek to modify Policy and Regulation 1581 to create additional protocols to protect victims of domestic violence, but may not modify in a way that reduces or compromises the safeguards and processes set in the Uniform Domestic Violence Policy.

- B. The New Jersey Security and Financial Empowerment Act – (N.J.S.A. 34:11C-1 et seq. - NJ SAFE Act)

The New Jersey Security and Financial Empowerment Act, N.J.S.A. 34:11C-1 et seq. (NJ SAFE Act), is a law that provides employment protection for victims of domestic or sexual violence. Any employee of an employer in the State of New Jersey as defined in N.J.S.A. 34:11C-2, who was a victim of an incident of domestic violence as defined in N.J.S.A. 2C:25-19, or a sexually violent offense as defined in N.J.S.A. 30:4-27.26, or whose parent-in-law, sibling, grandparent, grandchild, child, parent, spouse, domestic partner, or civil union partner individual, or any other individual related by blood to the employee, and any other individual that the employee shows to have a close association with the employee which is the equivalent of a family relationship, was a victim shall be entitled to unpaid leave of no more than twenty days in one twelve-month period, to be used in the twelve-month period next following any incident of domestic violence or any sexually violent offense as provided in N.J.S.A. 34:11C-3.

The unpaid leave may be taken intermittently in intervals of no less than one day, as needed for the purpose of engaging in the activities outlined in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3.a.(1)-(6) as they relate to the incident of domestic violence or sexually violent offense as outlined in Regulation 1581 - Section B.3.b.

An eligible employee may elect to use any accrued paid vacation leave, personal leave, or medical or sick leave of the employee, or any family temporary disability leave benefits provided pursuant to N.J.S.A. 43:21-27 during any part of the twenty-day period of unpaid leave provided under N.J.S.A. 34:11C-3.a.

Prior to taking the leave provided for in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B., an employee shall, if the necessity for the leave is foreseeable, provide the employer with written notice of the need for the leave, unless an emergency or other unforeseen circumstance precludes prior notice. The notice shall be provided to the employer as far in advance as is reasonable and practical under the circumstances.

Nothing contained in the NJ SAFE Act (N.J.S.A. 34:11C-1 et seq.) and Regulation 1581 - Section B., shall be construed to prohibit an employer from requiring that a period of leave provided pursuant to N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. be supported by the employee with documentation of the domestic violence or sexually violent offense which is the basis for the leave. If the employer requires documentation, the employee shall be regarded as having provided sufficient documentation if the employee provides supporting documentation outlined in N.J.S.A. 34:11C-3.c and Regulation 1581 – Section B.3.d.

An employer shall display conspicuous notice of its employees' rights and obligations pursuant to the provisions of the NJ SAFE Act.

An employer shall not discharge, harass, or otherwise discriminate, retaliate, or threaten to discharge, harass, or otherwise discriminate or retaliate against an employee with respect to the compensation, terms, conditions, or privileges of employment on the basis that the employee took or requested any leave to which the employee was entitled pursuant to N.J.S.A. 34:11C-3 of the NJ SAFE Act or on the basis that the employee refused to authorize the release of information deemed confidential pursuant to N.J.S.A. 34:11C-3.f of the NJ SAFE Act.

Upon a violation of any of the provisions N.J.S.A. 34:11C-3 or N.J.S.A. 34:11C-4, an employee or former employee may institute a civil action in the Superior Court for relief. All remedies available in common law tort actions shall be available to a prevailing plaintiff. The Court may also order any or all of the relief outlined in N.J.S.A. 34:11C-5. An action brought under N.J.S.A. 34:11C-5 shall be commenced within one year of the date of the alleged violation. A private cause of action provided for in N.J.S.A. 34:11C-5 shall be the sole remedy for a violation of the NJ SAFE Act.

Upon the hiring entity receiving and reviewing the information disclosed by the applicant's current and/or former employer(s), and finding an affirmative response to any of the inquiries required in N.J.S.A. 18A:7.7.b.(2), and if the hiring entity determines to continue with the applicant's job application process, the hiring entity shall make further inquiries of the applicant's current or former employer(s) to ascertain additional details regarding the information disclosed.

The failure of an employer to provide the information requested by the hiring entity pursuant to N.J.S.A. 18A:6-7.7.b. within a twenty-day timeframe may be grounds for the automatic disqualification of an applicant from employment with a hiring entity in accordance with N.J.S.A. 18A:6-7.9.c.

In accordance with the provisions of N.J.S.A. 18A:6-7.9.c., a hiring entity shall not be liable for any claims brought by an applicant who is not offered employment or whose employment is terminated because of any information received or due to the inability to conduct a full review of the applicant's employment history pursuant to N.J.S.A. 18A:6-7.7.

In accordance with the provisions of N.J.S.A. 18A:6-7.9.d., a hiring entity shall have the right to immediately terminate an individual's employment or rescind an offer of employment if the applicant is offered employment or commences employment following June 1, 2018 and information regarding the applicant's history of sexual misconduct or child abuse is subsequently discovered or obtained by the employer that the employer determines disqualifies the applicant or employee from employment under N.J.S.A. 18A:6-7.6 et seq. The termination of employment pursuant to N.J.S.A. 18A:6-7.9 shall not be subject to any grievance or appeals procedures or tenure proceedings pursuant to any collectively bargained or negotiated agreement or any law, rule, or regulation.

In accordance with N.J.A.C. 6A:23A-3.1(c)1, the public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 shall not apply to new contracts, including contracts that replace expired contracts for existing employees in one of these positions, whether tenured or not tenured. Nothing shall preclude a Board from issuing a public notice and/or holding a public hearing on new contracts, including new contracts that replace expired contracts for existing tenured and non-tenured employees.

The public notice and public hearing required pursuant to N.J.S.A. 18A:11-11 is also required in the event an existing contract for a Superintendent of Schools, Deputy Superintendent of Schools, Assistant Superintendent of Schools, or School Business Administrator is rescinded or terminated by the Board of Education before it is due to expire and the parties agree to new employment terms.

In connection with the Executive County Superintendent's review of the contract, the Board shall provide the Executive County Superintendent with a detailed statement setting forth the total cost of the contract for each applicable year, including salary, longevity (if applicable), benefits and all other emoluments.

The review and approval of the employment contracts of Superintendents of Schools, Deputy Superintendents of Schools, Assistant Superintendents of Schools, and School Business Administrators conducted by the Executive County Superintendent shall be consistent with the following additional standards outlined in N.J.S.A. 18A:7-8.1 and N.J.A.C. 6A:23A-3.1:

1631 RESIDENCY REQUIREMENT FOR PERSON HOLDING SCHOOL
DISTRICT OFFICE, EMPLOYMENT, OR POSITION

Every person holding an office, employment, or position in a school district shall have his or her principal residence in New Jersey in accordance with the provisions of N.J.S.A. 52:14-7.

For the purpose of this Policy, “school district” means any local or regional school district established pursuant to Chapter 8 or Chapter 13 of Title 18A of the New Jersey Statutes and any jointure commission, county vocational school, county special services district, educational services commission, educational research and demonstration center, environmental education center, and educational information and resource center.

For the purpose of this Policy, a person may have at most one principal residence and the State of a person's principal residence means the State where the person spends the majority of his or her nonworking time, which is most clearly the center of his or her domestic life, and which is designated as his or her legal address and legal residence for voting. Having a home in New Jersey is not significant enough by itself to meet the principal residence requirement of the law. The fact that a person is domiciled in New Jersey shall not by itself satisfy the requirement of principal residency.

A person, regardless of the office, employment, or position, who holds an office, employment, or position in the school district on September 1, 2011, but does not have his or her principal residence in New Jersey on September 1, 2011, shall not be subject to this residency requirement of N.J.S.A. 52:14-7 while the person continues to hold office, employment, or position without a break in public service of greater than seven days.

A person may request an exemption from the provisions of N.J.S.A. 52:14-7 on the basis of critical need or hardship. The request shall be made to a five-member committee established in accordance with the provisions of N.J.S.A. 52:14-7 to consider applications for such exemptions. The decision on whether to approve an application from any person shall be made by a majority vote of the members of the committee, and those voting in the affirmative shall so sign the approved application. If the committee fails to act on an application within thirty days after the receipt thereof, no exemption shall be granted and the residency requirement of N.J.S.A. 52:14-7 shall be operative.

Any person holding or attempting to hold an office, employment, or position in violation of N.J.S.A. 52:14-7 shall be considered as illegally holding or attempting to hold the office, employment, or position; however, the person shall have one year from the time of taking the office, employment, or position to satisfy the requirement of principal residency. If such person fails to satisfy the requirement of principal residency as defined in N.J.S.A. 52:14-7 after the

365-day period, that person shall be deemed unqualified for holding the office, employment, or position. The Superior Court shall, in a civil action in lieu of prerogative writ, give judgment of ouster against such person, upon the complaint of any officer or citizen of the State, provided that any such complaint shall be brought within one year of the alleged 365-day period of failure to have his or her principal residence in this State.

Notice of the residency requirements as outlined in N.J.S.A. 52:14-7 and this Policy should be provided to all existing persons holding office, employment, or a position in the school district and to candidates seeking to hold office, employment, or a position in the school district.

1642 EARNED SICK LEAVE LAW (M)

All persons holding any office, position, or employment in local school districts, regional school districts, or county vocational schools of the State who are steadily employed by the Board of Education or who are protected by tenure in their office, position, or employment under the provisions of N.J.S.A. 18A:30-2 or any other law, except persons in the classified service of the civil service under Title 11, Civil Service, of the Revised Statutes, shall be allowed sick leave with full pay for a minimum of ten school days in any school year in accordance with the provisions of N.J.S.A. 18A:30-2.

However, a Board of Education may determine some persons holding an office, position, or employment are not eligible for sick leave in accordance with N.J.S.A. 18A:30-2. These persons shall be covered under the provisions of the New Jersey Earned Sick Leave Law (Act), N.J.S.A. 34:11D-1 through 34:11D-11. Policy and Regulation 1642 outline the provisions of the Act for those persons the Board of Education determines are not eligible for sick leave in accordance with the provisions of N.J.S.A. 18A:30-2 or any rule or law of New Jersey other than the Act.

For the purposes of Policy and Regulation 1642, “employer” means a local school district, regional school district, county vocational school, or charter school of the State who does not provide sick leave with full pay to an employee pursuant to N.J.S.A. 18A:30-2 or any other law, rule, or regulation of New Jersey and is required to comply with the requirements of the Act.

For the purposes of Policy and Regulation 1642, “employee” means an individual engaged in service for compensation to a local school district, regional school district, county vocational school, or charter school of the State who is not provided sick leave with full pay pursuant to N.J.S.A. 18A:30-2 or any other law, rule, or regulation of New Jersey and is eligible to accrue earned sick leave in accordance with the requirements of the Act.

In accordance with the provisions of N.J.S.A. 34:11D-2, for every thirty hours worked, an employee eligible to accrue earned sick leave under the Act shall accrue one hour of earned sick leave commencing no later than October 29, 2018.

The employer **will not** provide an employee with the full complement of earned sick leave for a benefit year as required under N.J.S.A. 34:11D-2 on the first day of each benefit year in accordance with the provisions of N.J.S.A. 34:11D-2.a.

The employer **will** permit the employee to accrue or use in any benefit year, or carry forward from one benefit year to the next, more than forty hours of earned sick leave.

Unless the employee has accrued earned sick leave prior to October 29, 2018, the earned sick leave shall begin to accrue on October 29, 2018 for any employee who is hired and commences employment before October 29, 2018 and the employee shall be eligible to use the earned sick leave beginning February 26, 2019 after the employee commences employment.

If the employee's employment commences after October 29, 2018, the earned sick leave shall begin to accrue upon the date that employment commences. The employee shall be eligible to use the earned sick leave beginning on the 120th calendar day after the employee commences employment.

The employer shall be in compliance with N.J.S.A. 34:11D-2 if the employer offers paid time off to an employee, which is fully paid and shall include, but is not limited to personal days, vacation days, and sick days, and may be used for the purposes of N.J.S.A. 34:11D-3 in the manner provided by the Act, and is accrued at a rate equal to or greater than the rate described in N.J.S.A. 34:11D-2.

The employer shall pay the employee for earned sick leave at the same rate of pay with the same benefits as the employee normally earns, except that the pay rate shall not be less than the minimum wage required for the employee pursuant to N.J.S.A. 34:11-56a4.

The employer shall permit an employee to use the earned sick leave accrued pursuant to the Act for any of the reasons outlined in N.J.S.A. 34:11D-3.a.

No employer shall take retaliatory personnel action or discriminate against an employee who accrues sick leave under the Act because the employee requests or uses earned sick leave either in accordance with the Act or the employer's own earned sick leave policy for employees covered under the Act. Any complaints alleging a violation of the Act shall be filed in accordance with the provisions of N.J.S.A. 34:11D-4.

In accordance with N.J.S.A. 34:11D-5, failure of the employer to comply with the provisions of the Act shall be regarded as a failure to meet the wage payment requirements of the "New Jersey State Wage and Hour Law."

1643 FAMILY LEAVE

The Board of Education will provide family leave to staff members in accordance with the New Jersey Family Leave Act (NJFLA) and the Federal Family and Medical Leave Act (FMLA). These laws have similar and different provisions that provide different rights and obligations for a staff member and the Board.

If a staff member is eligible for leave for reasons recognized under both the FMLA and NJFLA, then the time taken shall run concurrently and be applied to both laws. The NJFLA provides twelve weeks leave in a twenty-four month period and the FMLA provides twelve weeks leave in a twelve month period

A. New Jersey Family Leave Act

1. Definitions Relative to New Jersey Family Leave Act

“Base Hours” means the hours of work for which a staff member receives compensation. Base hours shall include overtime hours for which a staff member is paid additional or overtime compensation, and hours for which a staff member receives workers’ compensation benefits. Base hours shall also include hours a staff member would have worked except for having been in military service. Base hours do not include hours for when a staff member receives other types of compensation, such as administrative, personal leave, vacation, or sick leave.

“Child” means a biological, adopted, foster child, or resource family child, stepchild, legal ward, or child of a parent, including a child who becomes the child of a parent pursuant to a valid written agreement between the parent and a gestational carrier.

“Eligible employee” means any individual employed by the same employer for twelve months or more, who has worked 1,000 or more base hours during the preceding twelve month period.

“Employer” includes the State, any political subdivision thereof, and all public offices, agencies, boards, or bodies.

“Family member” means a child, parent, parent-in-law, sibling, grandparent, grandchild, spouse, domestic partner, or one partner in a civil union couple, or any other individual related by blood to a staff member, and any other individual that a staff member shows to have a close association with a staff member which is the equivalent of a family relationship.

“Health care provider” means a duly licensed health care provider or other health care provider deemed appropriate by the Director of the Division on Civil Rights in the New Jersey Department of Law and Public Safety.

“Parent” means a person who is the biological parent, adoptive parent, foster parent, resource family parent, step-parent, parent-in-law, or legal guardian, having a “parent-child relationship” with a child as defined by law, or having sole or joint legal or physical custody, care, guardianship, or visitation with a child, or who became the parent of the child pursuant to a valid written agreement between the parent and a gestational carrier.

“Serious health condition” means an illness, injury, impairment, or physical or mental condition which requires:

- a. Inpatient care in a hospital, hospice, or residential medical care facility; or
- b. Continuing medical treatment or continuing supervision by a health care provider.

As used in the definition of a serious health condition, “continuing medical treatment or continuing supervision by a health care provider” means:

- a. A period of incapacity (that is, inability to work, attend school, or perform regular daily activities due to a serious health condition, treatment therefore, and recovery therefrom) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
 - (1) Treatment two or more times by a health care provider; or
 - (2) Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;
- b. Any period of incapacity due to pregnancy, or for prenatal care;

- c. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
- d. A period of incapacity, which is permanent or long-term, due to a condition for which treatment may not be effective (such as Alzheimer's disease, a severe stroke, or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or
- e. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

“Spouse” means a person to whom a staff member is lawfully married as defined by New Jersey law.

“State of emergency” means a natural or man-made disaster or emergency for which a state of emergency has been declared by the President of the United States or the Governor, or for which a state of emergency has been declared by a municipal emergency management coordinator.

2. Reasons for NJFLA Leave

- a. A staff member may take NJFLA leave to provide care made necessary by reason of:
 - (1) The birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and the gestational carrier;
 - (2) The placement of a child into foster care with the staff member or in connection with adoption of such child by a staff member;
 - (3) The serious health condition of a family member of the staff member; or

- (4) A state of emergency declared by the Governor of New Jersey, or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, an epidemic or communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of a communicable disease which:
 - (a) Requires in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency;
 - (b) Prompts the issuance by a public health authority of a determination, including by mandatory quarantine, requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by a staff member would jeopardize the health of others; or
 - (c) Results in the recommendation of a health care provider or public health authority, that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence in the community of that family member in need of care by a staff member, would jeopardize the health of others.
3. Staff Member Eligibility
 - a. NJFLA leave may be taken for up to twelve weeks within any twenty-four month period. The NJFLA leave shall be unpaid with benefits subject to contributions required to be made by the staff member.
 - b. A staff member is eligible for NJFLA leave if a staff member is employed by the same Board for twelve months or more, and has worked 1,000 or more base hours during the preceding twelve month period.

- c. The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs shall be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave under NJFLA.
- d. This Policy shall serve as notice to all staff members of the method chosen in A.3.c. above. This method shall be applied consistently and uniformly to all staff members.
 - (1) If the Board transitions to another method, the Board is required to give at least sixty days’ notice to all staff members and the transition must take place in such a way that staff members retain their full benefit of twelve weeks of NJFLA leave under whichever method affords the greatest benefit to a staff member.
- e. The Board shall grant NJFLA leave to more than one staff member from the same family (for example, a husband and a wife, or a brother and a sister) at the same time, provided such staff members are otherwise eligible for NJFLA leave.
- f. The fact that a holiday may occur within the week taken by a staff member as NJFLA leave has no effect and the week is counted as a week of NJFLA leave.
 - (1) However, if a staff member is out on NJFLA leave and the staff member is not regularly scheduled to work for one or more weeks, the weeks the staff member is not regularly scheduled to work do not count against their NJFLA leave entitlement.

4. Types of NJFLA Leave

- a. Staff members are required to provide notice in writing for any NJFLA leave requested. In emergent circumstances, a staff member may provide the Board with oral notice when written notice is impracticable.
 - (1) Staff members must provide the Board written notice after submitting oral notice in emergent circumstances.

- b. Consecutive NJFLA leave is NJFLA leave that is taken without interruption based upon a staff member's regular work schedule and does not include breaks in employment in which a staff member is not regularly scheduled to work.
 - (1) A staff member must provide the Board with notice of consecutive NJFLA leave no later than thirty days prior to the commencement of consecutive NJFLA leave, except where emergent circumstances warrant shorter notice.
 - (2) A staff member shall provide the Board with certification pursuant to A.5. below.

- c. Intermittent NJFLA leave is NJFLA leave due to a single qualifying reason, taken in separate periods of time, broken up by periods in which the staff member returns to work.
 - (1) A staff member is entitled to take NJFLA leave intermittently for the birth of a child of the staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member.
 - (a) The staff member shall provide the Board with prior notice of not less than fifteen calendar days before the first day on which NJFLI benefits are paid for the intermittent NJFLA leave, unless an emergency or other unforeseen circumstance precludes prior notice.
 - (b) The staff member shall make a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations of the Board and, if possible, provide the Board, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken.
 - (c) A staff member shall provide the Board with certification for intermittent NJFLA leave pursuant to A.5.b. below.

- (2) The staff member is entitled to take intermittent NJFLA leave for the serious health condition of a family member of the staff member when medically necessary if:
 - (a) The total time which the intermittent NJFLA leave is taken does not exceed twelve months if taken in connection with a single serious health condition. If the intermittent NJFLA leave is taken in connection with more than one serious health condition, the intermittent NJFLA leave must be taken within a consecutive twenty-four month period or until such time the twelve week NJFLA leave is exhausted, whichever is shorter;
 - (b) The staff member provides the Board with prior notice of not less than fifteen calendar days before the first day on which benefits are paid for the intermittent NJFLA leave.
 - (i) The staff member may provide notice less than fifteen days prior to the intermittent NJFLA leave if an emergency or other unforeseen circumstance precludes prior notice;
 - (c) The staff member makes a reasonable effort to schedule the intermittent NJFLA leave so as not to unduly disrupt the operations of the school district and, if possible, provide the school district, prior to the commencement of intermittent NJFLA leave, with a regular schedule of the days or days of the week on which the intermittent NJFLA leave will be taken; and
 - (d) The staff member provides the Board with a copy of the certification outlined in A.5.c. below.
- (3) In the case of NJFLA leave taken due to an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent spread of the communicable disease, the NJFLA leave may only be taken intermittently if:
 - (a) The staff member provides the Board with prior notice of the intermittent NJFLA leave as soon as practicable;

- (b) The staff member makes a reasonable effort to schedule the NJFLA leave so as not to unduly disrupt the operations of the school district and, if possible, provide the school district prior to the commencement of the intermittent NJFLA leave, with a regular schedule of the day or days of the week on which the intermittent NJFLA leave will be taken; and
 - (c) A staff member provides the Board with a copy of the certification outlined in A.5.d. below.
- (4) Intermittent leave taken on a reduced leave schedule is NJFLA leave due to a single qualifying reason, that is scheduled for fewer than a staff member's usual number of hours worked per workweek, but not for fewer than a staff member's usual number of hours worked per workday and may only be taken to care for the serious health condition of a family member of a staff member when medically necessary, except that:
- (a) A staff member shall not be entitled to intermittent NJFLA leave on a reduced leave schedule for a period exceeding twelve consecutive months for any one period of NJFLA leave;
 - (b) The staff member must provide the Board with prior notice of the intermittent NJFLA leave on a reduced leave schedule as soon as practicable;
 - (c) A staff member shall make a reasonable effort to schedule intermittent NJFLA leave on a reduced leave schedule so as not to disrupt unduly the operations of the school district. A staff member shall provide the school district with prior notice of the care, medical treatment, or continuing supervision by a health care provider necessary due to a serious health condition of a family member, in a manner which is reasonable and practicable; and
 - (d) A staff member must provide the Board with a copy of the certification outlined in A.5.c. below.

- d. NJFLA leave taken because of the birth or placement for adoption of a child of the staff member may commence at any time within a year after the date of the foster care placement, birth, or placement for adoption.
- e. A staff member shall not, during any period of NJFLA leave, perform services on a full-time basis for any person for whom a staff member did not provide those services immediately prior to commencement of the NJFLA leave.
 - (1) A staff member on NJFLA leave may not engage in other full-time employment during the term of the NJFLA leave, unless such employment commenced prior to the NJFLA leave and is not otherwise prohibited by law.
 - (2) During the term of NJFLA leave a staff member may commence part-time employment which shall not exceed half the regularly scheduled hours worked for the Board from whom a staff member requested NJFLA leave. A staff member may continue part-time employment which commenced prior to a staff member's NJFLA leave, at the same number of hours that a staff member was regularly scheduled prior to such NJFLA leave.
 - (3) The Board may not maintain a policy or practice which prohibits part-time employment during the course of a NJFLA leave.

5. Certification

- a. The Board shall require a staff member who requests NJFLA leave to sign a form of certification established by the Board attesting that such staff member is taking NJFLA leave in accordance with the law.
 - (1) The Board may not require a staff member to sign or otherwise submit a form of certification attesting to additional facts, including a staff member's eligibility for NJFLA leave.
 - (2) The Board may subject a staff member to reasonable disciplinary measures, depending on the circumstances, when a staff member intentionally misrepresents the reason that such staff member is taking NJFLA leave.

- (3) The form of certification established by the Board shall contain a statement warning a staff member of the consequences of refusing to sign the certification or falsely certifying. Any staff member who refuses to sign the certification established by the Board may be denied the requested NJFLA leave.
 - (4) The Board requires that any period of NJFLA leave be supported by certification issued by a health care provider.
- b. Where the certification, issued by the health care provider, is for the birth of a child of a staff member, including a child born pursuant to a valid written agreement between the staff member and a gestational carrier or the placement of a child into foster care with the staff member or in connection with adoption of such child by the staff member, the certification need only state the date of birth or date of placement, whichever is appropriate.
- c. Any period of NJFLA leave for the serious health condition of a family member of a staff member shall be supported by certification provided by a health care provider. The certification shall be sufficient if it states:
- (1) The date, if known, on which the serious health condition commenced;
 - (2) The probable duration of the condition;
 - (3) The medical facts within the knowledge of the provider of the certification regarding the condition;
 - (4) The serious health condition warrants the participation of the staff member in providing health care to the family member, as provided in the "Family Leave Act," P.L. 1989, c.261 (C.34:11B-1 et seq.) and regulations adopted pursuant to the NJFLA;
 - (5) An estimate of the amount of time the staff member is needed for participation in the care of the family member;
 - (6) If the NJFLA leave is intermittent, a statement of the medical necessity for the intermittent NJFLA leave and the expected duration of the intermittent NJFLA leave; and

- (7) If NJFLA leave is intermittent and for planned medical treatment, the dates of the treatment.
- d. In any case in which the Board has reason to doubt the validity of the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the Board. If the second opinion differs from the certification provided pursuant to A.5.c. above, the Board may require, at its own expense, that a staff member obtain the opinion of a third health care provider designated or approved jointly by the Board and a staff member concerning the serious health condition. The opinion of the third health care provider shall be considered to be final and shall be binding on the Board and a staff member.
- e. Where the certification is for an epidemic of a communicable disease, a known or suspected exposure to the communicable disease, or efforts to prevent the spread of the communicable disease, the certification shall be sufficient if it includes:
 - (1) For NJFLA leave taken to provide in-home care or treatment of a child due to the closure of the school or place of care of the child of a staff member, by order of a public official due to the epidemic or other public health emergency, the date on which the closure of the school or place of care of the child of a staff member commenced and the reason for such closure;
 - (2) For NJFLA leave taken due to a public health authority's issuance of a determination requiring or imposing responsive or prophylactic measures as a result of illness caused by an epidemic of a communicable disease or known or suspected exposure to the communicable disease because the presence in the community of a family member in need of care by a staff member would jeopardize the health of others, the date of issuance of the determination, and the probable duration of the determination; or
 - (3) For NJFLA leave taken because a health care provider or public health authority recommends that a family member in need of care by a staff member voluntarily undergo self-quarantine as a result of suspected exposure to a communicable disease because the presence

in the community of that family member in need of care by a staff member would jeopardize the health of others, the date of the recommendation, the probable duration of the condition, and the medical or other facts within the health care provider or public health authority's knowledge regarding the condition.

- f. The Board shall not use the certification requirements as outlined in A.5. to intimidate, harass, or otherwise discourage a staff member from requesting or taking NJFLA leave or asserting any of a staff member's rights to NJFLA leave.

6. Denial or Exemption of NJFLA Leave

a. Denial of NJFLA Leave

- (1) The Board may deny NJFLA leave to a staff member if:

- (a) A staff member is a salaried staff member who is among the highest paid 5% of the Board's staff members or the seven highest paid staff members of the Board, whichever is greater;
- (b) The denial is necessary to prevent substantial and grievous economic injury to the Board's operations; and
- (c) The Board notifies a staff member of its intent to deny the NJFLA leave at the time the Board determines that the denial is necessary.

- (2) The provisions of A.6.a.(1) above shall not apply when, in the event of a state of emergency declared by the Governor of New Jersey or when indicated to be needed by the Commissioner of Health – New Jersey Department of Health or other public health authority, the NJFLA leave is for an epidemic of a communicable disease, a known or suspected exposure to a communicable disease, or efforts to prevent spread of a communicable disease.

- (3) In any case in which NJFLA leave has already commenced at the time of the notification pursuant to A.6.a.(1)(c) above, a staff member shall return to work within ten working days of the date of notification.

7. Reinstatement from NJFLA Leave
 - a. Upon the expiration of a NJFLA leave, a staff member shall be restored to the position such staff member held immediately prior to the commencement of the NJFLA leave. If such position has been filled, the Board shall reinstate such staff member to an equivalent position of like seniority, status, employment benefits, pay, and other terms and conditions of employment.
 - b. If, during NJFLA leave, the Board experiences a reduction in force or layoff and a staff member would have lost their position had a staff member not been on NJFLA leave, as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under a collective bargaining agreement where applicable, a staff member shall not be entitled to reinstatement to the former or an equivalent position. A staff member shall retain all rights under any applicable layoff and recall system, including a system under a collective bargaining agreement, as if a staff member had not taken the NJFLA leave.
8. Notice to Staff Members
 - a. The Board shall display the official Family Leave Act poster of the Division on Civil Rights in the New Jersey Department of Law and Public Safety (Division) in accordance with N.J.A.C. 13:8-2.2. The poster is available for printing from the Division's website.
 - b. Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to N.J.A.C. 13:14-1.14.
9. Local Board of Education Practices
 - a. Accrued Paid NJFLA Leave
 - (1) Whether a staff member is required to use any other accrued leave time concurrent with NJFLA leave time will depend upon either the school district's practice or a provision in a collective bargaining agreement, if applicable.
 - (a) Sick leave may only be used concurrently with the NJFLA leave in accordance with the provisions of N.J.S.A. 18A:30-1 and N.J.S.A. 34:11B-3.

- b. Multiple Leaves of Absence
 - (1) Where a Board maintains leaves of absence which provide benefits, other than health benefits, that differ depending upon the type of leave taken, the Board shall provide those benefits to a staff member on NJFLA leave in the same manner as it provides benefits to staff members who are granted other leaves of absence which most closely resemble NJFLA leave.
10. New Jersey Family Leave Insurance Program (NJFLI)
- a. Board of Education staff members are eligible to apply for benefits under the NJFLI Program administered by the State of New Jersey Department of Labor and Workforce Development.
 - b. All applications for benefits under the NJFLI Program must be filed directly with the State of New Jersey Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI Program as administered by the State of New Jersey Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.
 - c. The NJFLI Program provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.
 - d. A printed notification of staff members' rights relative to the receipt of benefits under the NJFLI Program will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite.
 - e. Each staff member shall receive a copy of this notification in writing at the time of the staff member's hiring, whenever the staff member provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI Program, or at any time upon the first request of the staff member.

- (1) The written notification may be transmitted to the staff member in electronic form.
- (2) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights under the NJFLI Program.

B. Federal Family and Medical Leave Act

1. Definitions Relative to Federal Family and Medical Leave Act

“Covered Employer” means any public or private elementary or secondary school(s) regardless of the number of employees employed.

“Employee” means a staff member eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

“Hours of Service” means hours actually worked by the employee. It does not mean hours paid. Thus, non-working time – such as vacations, holidays, furloughs, sick leave, or other time-off (paid or otherwise) – does not count for purposes of calculating FMLA eligibility for the employee.

“Parent” means a biological, adoptive, step, or foster father or mother, or any other individual who stood in loco parentis to a staff member when a staff member has a son or daughter as defined below. This term does not include parents “in law.”

“Serious health condition” means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical facility or continuing treatment by a health care provider. “Serious health condition” may include treatment of substance abuse pursuant to 29 CFR §825.119.

“Son” or “daughter” means a biological, adopted, or foster child, stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age eighteen or age eighteen or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.

“Spouse” means a husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under State law in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the

marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex marriage or common law marriage.

“Week” or “Workweek” means the number of days a staff member normally works each calendar week.

2. Qualifying Reasons for FMLA Leave

- a. A staff member may take FMLA leave to provide care made necessary:
 - (1) For the birth of a son or daughter of a staff member and in order to care for such son or daughter;
 - (2) For the placement of a son or daughter with a staff member for adoption or foster care;
 - (3) In order to care for the spouse, son, daughter, or parent of a staff member if such spouse, son, daughter, or parent has a serious health condition;
 - (4) For a serious health condition that makes a staff member unable to perform the functions of the position of such staff member.
- b. FMLA leave taken in relation to military service shall be in accordance with 29 CFR §825.112.
- c. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with a staff member for adoption or foster care shall expire at the end of the twelve month period beginning on the date of such birth or placement.

3. Staff Member Eligibility

- a. A staff member is eligible for up to twelve weeks of FMLA leave in a twelve month period.
- b. A staff member shall become eligible for FMLA leave after the staff member has been employed at least twelve months by the Board and employed for at least 1,250 hours of service during the twelve month period immediately preceding the commencement of the FMLA leave.

- (1) The twelve months a staff member must have been employed need not be consecutive months pursuant to 29 CFR §825.110(b).
 - (2) The minimum 1,250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR §785.
 - (3) The Board shall not provide pay for FMLA leave.
- c. The method to determine the twelve month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve month period measured backward from the date a staff member uses any FMLA leave.
 - d. Pursuant to 29 CFR §825.201, a husband and wife both employed by the Board are limited to a combined total of twelve weeks of FMLA leave during the twelve month period if the FMLA leave is taken for the birth of a son or daughter of a staff member or to care for such son or daughter after birth; for placement of a son or daughter with a staff member for adoption or foster care or in order to care for the son or daughter after placement; or to care for a staff member’s parent with a serious health condition.
4. Types of FMLA leave
- a. Continuous FMLA leave is taken by staff members for a continuous period of time. Such FMLA leave is not broken up by a period of work and is continuous when a staff member is absent for three consecutive working days or more. Continuous FMLA leave may be taken for any qualifying reason.
 - b. Intermittent FMLA leave is FMLA leave taken in separate blocks of time due to a single qualifying reason. A reduced FMLA leave schedule is a FMLA leave schedule that reduces a staff member’s usual number of working hours per workweek, or hours per workday. A reduced FMLA leave schedule is a change in a staff member’s schedule for a period of time, normally from full-time to part-time.
 - (1) Intermittent or reduced FMLA leave may be taken for the following qualifying reasons:

- (a) For the serious health condition of the staff member or to care for a parent, son, or daughter with a serious health condition.
 - (i) For intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule taken for the reason outlined in B.4.b.(1)(a) above there must be a medical need for FMLA leave and it must be that such medical need can be best accommodated through an intermittent or reduced FMLA leave schedule.
 - (ii) The treatment regimen and other information described in the certification of a serious health condition and in the certification of a serious injury or illness, shall address the medical necessity of intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule.
 - (iii) Intermittent FMLA leave may be taken for a serious health condition of a parent, son, or daughter, for a staff member's own serious health condition, which requires treatment by a health care provider periodically, rather than for one continuous period of time, and may include FMLA leave of periods from an hour or more to several weeks.
- (b) For planned and/or unanticipated medical treatment of a serious health condition when medically necessary.
- (c) To provide care or psychological comfort to a covered family member with a serious health condition when medically necessary.
- (d) For absences where a staff member or family member is incapacitated or unable to perform the essential functions of the position because of a chronic serious health condition even if he or she does not receive treatment by a health care provider.

(e) For FMLA leave taken after the birth of a healthy child or placement of a healthy child for adoption or foster care, only if the Board agrees.

(i) The Board's agreement is not required; however, for FMLA leave during which the mother has a serious health condition in connection with the birth of her child or if the newborn child has a serious health condition.

(2) If a staff member needs FMLA leave intermittently or on a reduced FMLA leave schedule for planned medical treatment, then a staff member must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations.

(3) When a staff member takes FMLA leave on an intermittent or reduced FMLA leave schedule basis, the Board must account for the FMLA leave using an increment no greater than the shortest period of time that the Board uses to account for use of other forms of leave provided that it is not greater than one hour and provided further that a staff member's FMLA leave entitlement may not be reduced by more than the amount of FMLA leave actually taken.

(a) If the Board accounts for use of leave in varying increments at different times of the day or shift, the Board may not account for FMLA leave in a larger increment than the shortest period used to account for other leave during the period in which the FMLA leave is taken.

(b) If the Board accounts for other forms of leave use in increments greater than one hour, the Board must account for FMLA leave use in increments no greater than one hour.

5. Staff Member Notice Requirements

a. A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Superintendent or designee if the need for the FMLA leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of a staff member or a family member.

- (1) If thirty days is not practical, a staff member must provide notice “as soon as practicable” which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case.
- (2) Where it is not possible to give as much as thirty days’ notice, “as soon as practical” ordinarily would mean at least verbal notification to the Superintendent or designee within one or two business days or when the need for FMLA leave becomes known to a staff member.
- (3) The written notice shall include the reasons for the FMLA leave, the anticipated duration of the FMLA leave, and the anticipated start of the FMLA leave.
- (4) When planning medical treatment, a staff member must consult with the Superintendent or designee and make a reasonable effort to schedule the FMLA leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider.
 - (a) Staff members are ordinarily expected to consult with the Superintendent or designee prior to scheduling of treatment that would require FMLA leave for a schedule that best suits the needs of the Board and a staff member.
- (5) Intermittent FMLA leave or FMLA leave on a reduced FMLA leave schedule must be medically necessary due to a serious health condition or a serious injury or illness. A staff member shall advise the Board of the reasons why the intermittent/reduced FMLA leave schedule is necessary and of the schedule for treatment, if applicable.
 - (a) A staff member and the Board shall attempt to work out a schedule for such FMLA leave that meets a staff member’s needs without unduly disrupting the Board’s operations, subject to the approval of the health care provider.
- (6) Where a staff member does not comply with the Board’s usual notice and procedural requirements, and no unusual circumstances justify the failure to comply, FMLA-protected leave may be delayed or denied.

- b. When the approximate timing of the need for FMLA leave is not foreseeable, a staff member should give notice to the Superintendent or designee for FMLA leave as soon as practicable under the facts and circumstances of the particular case.
 - (1) It is expected a staff member will give notice to the Superintendent or designee within no more than one or two business days of learning of the need for FMLA leave, except in extraordinary circumstances where such notice is not foreseeable.
 - (2) A staff member should provide notice to the Board either in person, by telephone, telegraph, fax machine, email, or other electronic means.
- 6. Outside Employment During FMLA Leave
 - a. A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom a staff member did not provide services immediately prior to commencement of the FMLA leave.
 - (1) A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the Board.
 - (2) A staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that a staff member was regularly scheduled prior to such FMLA leave.
- 7. “Instructional Employees” Exceptions for FMLA Leave
 - a. “Instructional Employees” are those staff members whose principal function is to teach and instruct students in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired.

- (1) Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers, and/or bus drivers are not considered instructional staff members for the purposes of this Policy.
 - (2) For purposes of this Policy “Instructional Employees” shall be referred to as “Instructional Staff Members”.
- b. “Semester” means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. The Board can have no more than two semesters in a school year.
 - c. FMLA leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive FMLA leave.
 - d. Eligible instructional staff members that need intermittent or reduced FMLA leave to care for a family member or for a staff member’s own serious health condition which is foreseeable based on planned medical treatment and would be on FMLA leave more than twenty percent of the total number of working days over the period the FMLA leave would extend, the Board may:
 - (1) Require a staff member to take the FMLA leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
 - (2) Transfer a staff member temporarily to an available alternative position for which a staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of FMLA leave than does a staff member’s regular position.
 - e. If the instructional staff member does not give the required notice for FMLA leave that is foreseeable and desires the FMLA leave to be taken intermittently or on a reduced FMLA leave schedule, the Board may require a staff member to take FMLA leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the Board may require a staff member to delay taking the FMLA leave until the notice provision is met.

- f. If an instructional staff member begins FMLA leave more than five weeks before the end of the school year, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
 - (1) The FMLA leave will last three weeks; and
 - (2) A staff member would return to work during the three-week period before the end of the semester.
- g. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the five week period before the end of the semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if:
 - (1) The FMLA leave will last more than two weeks; and
 - (2) The staff member would return to work during the two week period before the end of the semester.
- h. If an instructional staff member begins FMLA leave for a purpose other than a staff member's own serious health condition during the three week period before the end of a semester, the Board may require a staff member to continue taking FMLA leave until the end of the semester if the FMLA leave will last more than five working days.
- i. An example of FMLA leave falling within the situations outlines in B.7.f., B.7.g., and B.7.h. above:
 - (1) If a staff member plans two weeks of FMLA leave to care for a family member which will begin three weeks before the end of the term, the Board could require a staff member to stay out on FMLA leave until the end of the term.
- j. In the case of a staff member who is required to take FMLA leave until the end of an academic term, only the period of FMLA leave until a staff member is ready and able to return to work shall be charged against a staff member's FMLA leave entitlement.
- k. The Board may require a staff member to stay on FMLA leave until the end of the school term. Any additional leave required by the Board to the end of the school term is not counted as FMLA leave; however:

- (1) The Board shall be required to maintain a staff member's group health insurance; and
 - (2) The Board shall be required to restore a staff member to the same or equivalent job including other benefits at the conclusion of the leave.
8. FMLA Leave Related to Military Service
 - a. Definitions for FMLA related to military service shall be in accordance with 29 CFR §§825.122; .126; .127; and .310.
 - b. The foreign deployment of the staff member's spouse, child, or parent in accordance with 29 CFR §§825.122 and .126:
 - (1) The district must grant an eligible staff member up to twelve work weeks of unpaid, job-protected FMLA leave during any twelve month period for qualifying exigencies that arise when the staff member's spouse, child, or parent is on covered active duty, or has been notified of an impending call or order to covered active duty.
 - c. Military caregiver FMLA leave provides care for a covered servicemember with a serious injury or illness in accordance with 29 CFR §§825.122 and .127:
 - (1) The district must grant up to a total of twenty-six workweeks of unpaid, job-protected FMLA leave during a "single twelve month period" to care for a covered servicemember with a serious injury or illness.
9. Verification
 - a. The Board shall require that a staff member's FMLA leave to care for a staff member's covered family member with a serious health condition, or due to a staff member's own serious health condition that makes a staff member unable to perform one or more of the essential functions of a staff member's position, be supported by a certification issued by the health care provider of a staff member or a staff member's family member.

- (1) The Board must give written notice of a requirement for certification each time a certification is required. The Board's oral request to a staff member to furnish any subsequent certification is sufficient.
- b. The Board shall require a staff member furnish certification at the time a staff member gives notice of the need for FMLA leave or within five business days thereafter, or, in the case of unforeseen FMLA leave, within five business days after the FMLA leave commences.
 - (1) The Board may request certification at some later date if the Board later has reason to question the appropriateness of the FMLA leave or its duration.
 - (2) A staff member must provide the requested certification to the Board within fifteen calendar days after the Board's request, unless it is not practicable under the particular circumstances to do so despite a staff member's diligent, good faith efforts or the Board provides more than fifteen calendar days to return the requested certification.
- c. When FMLA leave is taken because of a staff member's own serious health condition, or the serious health condition of a family member, the Board shall require a staff member to obtain a medical certification from a health care provider that sets forth the following information:
 - (1) The name, address, telephone number, and fax number of the health care provider and type of medical practice/specialization;
 - (2) The approximate date on which the serious health condition commenced, and its probable duration;
 - (3) A statement or description of appropriate medical facts regarding the patient's health condition for which FMLA leave is requested. The medical facts must be sufficient to support the need for FMLA leave.
 - (a) Such medical facts may include information on symptoms, diagnosis, hospitalization, doctor visits, whether medication has been prescribed, any referrals for evaluation or treatment (physical therapy, for example), or any other regimen of continuing treatment;

- (4) If a staff member is the patient, information sufficient to establish that a staff member cannot perform the essential functions of a staff member's job as well as the nature of any other work restrictions, and the likely duration of such inability;
 - (5) If the patient is a covered family member with a serious health condition, information sufficient to establish that the family member is in need of care, and an estimate of the frequency and duration of the FMLA leave required to care for the family member;
 - (6) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for planned medical treatment of a staff member's or a covered family member's serious health condition, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the dates and duration of such treatments and any periods of recovery;
 - (7) If a staff member requests FMLA leave on an intermittent or reduced schedule basis for a staff member's serious health condition, including pregnancy, that may result in unforeseeable episodes of incapacity, information sufficient to establish the medical necessity for such intermittent or reduced schedule FMLA leave and an estimate of the frequency and duration of the episodes of incapacity; and
 - (8) If a staff member requests FMLA leave on an intermittent or reduced schedule basis to care for a covered family member with a serious health condition, a statement that such FMLA leave is medically necessary to care for the family member, which can include assisting in the family member's recovery, and an estimate of the frequency and duration of the required FMLA leave.
- d. A staff member may choose to comply with the certification requirement by providing the Board with an authorization, release, or waiver allowing the Board to communicate directly with the health care provider of a staff member or his or her covered family member.
- (1) It is a staff member's responsibility to provide the Board with complete and sufficient certification and failure to do so may result in the denial of FMLA leave.

- e. If the Board has reason to doubt the validity of a medical certification, the Board may require a staff member to obtain a second opinion at the Board's expense.
 - (1) The Board may designate the health care provider to furnish the second opinion, but the selected health care provider may not be employed on a regular basis by the Board.
 - f. If the opinions of a staff member's and the Board's designated health care providers differ, the Board may require a staff member to obtain certification from a third health care provider, again at the Board's expense. This third opinion shall be final and binding. The third health care provider must be designated or approved jointly by the Board and the staff member.
10. Reinstatement Following FMLA Leave
- a. On return from FMLA leave a staff member is entitled to be returned to the same position a staff member held when FMLA leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
 - (1) A staff member is entitled to such reinstatement even if a staff member has been replaced or his or her position has been restructured to accommodate for a staff member's absence.
 - (2) The requirement that a staff member be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.
 - b. Denial of Reinstatement
 - (1) A staff member has no greater right to reinstatement or to other benefits and conditions of employment that if a staff member had been continuously employed during the FMLA leave period.
 - (a) The Board must be able to show that a staff member would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.

- (2) The Board may deny job restoration to “key employees”, if such denial is necessary to prevent substantial and grievous economic injury to the operations of the Board.
 - (a) A “key employee” is a salaried FMLA-eligible staff member who is among the highest paid ten percent of all staff members employed by the Board within seventy-five miles of a staff member's worksite.
 - (3) If a staff member is unable to perform an essential function of the position because of a physical or mental condition, including the continuation of a serious health condition or an injury or illness also covered by workers’ compensation, a staff member has no right to restoration to another position under the FMLA.
 - (a) The Board’s obligation may; however, be governed by the Americans with Disabilities Act, State leave law, or workers’ compensation laws.
 - (4) A staff member who fraudulently obtains FMLA leave from the Board is not protected by FMLA's job restoration or maintenance of health benefits provisions.
- c. Intent to Return to Work
- (1) The Board may require a staff member on FMLA leave to report periodically on a staff member's status and intent to return to work.
- d. Fitness for Duty Certification
- (1) As a condition of restoring a staff member whose FMLA leave was a result of a staff member's own serious health condition that made a staff member unable to perform a staff member's job, the Board shall require all similarly-situated staff members (i.e., same occupation, same serious health condition) who take FMLA leave for such conditions to obtain and present certification from a staff member's health care provider that a staff member is able to resume work.

- (2) A staff member has the same obligations to participate and cooperate in the fitness-for-duty certification process as in the initial certification process.

11. The Board of Education Notice

a. Notice of Staff Member Rights Under FMLA

- (1) The Board shall post and keep posted on its premises, in conspicuous places where staff members are employed, a notice explaining the FMLA's provisions and providing information concerning the procedures for filing complaints of violations of the FMLA with the Wage and Hour Division.
 - (a) The notice will be posted prominently where it can be readily seen by staff members and applicants for employment.
 - (b) The poster and the text will be large enough to be easily read and contain fully legible text.
 - (c) Electronic posting is sufficient to meet this posting requirement as long as it otherwise meets the requirements of B.11.
- (2) The Board shall also provide this general notice to each staff member by including the notice in staff members' handbooks or other written guidance to staff members concerning staff member benefits or FMLA leave rights, if such written materials exist, or by distributing a copy of the general notice to each new staff member upon hiring. In either case, distribution may be accomplished electronically.
- (3) Access to and/or distribution of this Policy shall serve as school district notice to staff members of their rights pursuant to 29 CFR §825 et seq.

b. Eligibility Notice

- (1) When a staff member's eligibility to take FMLA leave within five business days, absent extenuating circumstances.

c. Designation Notice

- (1) The Board is responsible in all circumstances for designating leave as FMLA-qualifying, and for giving notice of the designation to a staff member. The Board must notify a staff member whether the leave will be designated and will be counted as FMLA leave within five business days absent extenuating circumstances.
- (2) If the Board requires paid leave to be substituted for unpaid FMLA leave, or that paid leave taken under an existing leave plan be counted as FMLA leave, the Board must inform a staff member of this designation at the time of designating the FMLA leave.

12. Local Board of Education Practices

a. Substitution of Paid Leave

- (1) Whether a staff member is required to use sick time or any other accrued leave time concurrent with FMLA leave time will depend upon either the district's practice or a provision in the district's collective bargaining agreement, if applicable.

b. Maintenance of Staff Member Benefits

- (1) The Board must maintain a staff member's coverage under any group health plan on the same conditions as coverage would have been provided if a staff member had been continuously employed during the entire FMLA leave period.

C. Shared Provisions

1. Interference with Family Leave Rights

The NJFLA and the FMLA prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the NJFLA and the FMLA nor discouraged from the use of family leave.

2. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend a staff member's employment beyond the expiration of his/her employment contract.

3. Record Keeping

The Superintendent or designee shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave so a staff member's entitlement to NJFLA leave and FMLA leave can be properly determined.

4. Processing of Complaints

a. New Jersey Family Leave Act

- (1) Any complaint alleging a violation of the NJFLA shall be processed in the same manner as a complaint filed under the terms of N.J.S.A. 10:5-1 et seq. and N.J.A.C. 13:4 through the New Jersey Department of Law and Public Safety, Division on Civil Rights.

b. Federal Family and Medical Leave Act (FMLA)

- (1) If there is a dispute between the Board and a staff member as to whether leave qualifies as FMLA leave, it should be resolved through discussion between the staff member and the Superintendent or designee. Such discussions and the decision shall be documented by the Superintendent or designee.
- (2) A staff member also may file, or have another person file on his/her behalf, a complaint with the United States Secretary of Labor. A complaint may be filed in person, by mail, or by telephone with the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, at any local office of the Wage and Hour Division.
- (3) This Policy 1643 shall be posted on the school district website, in a manner accessible to all staff members and a hard copy shall be provided to all staff members annually prior to the beginning of the school year and upon initial employment in the school district during the school year.

1648 RESTART AND RECOVERY PLAN

On June 26, 2020, the New Jersey Department of Education (NJDOE) published “The Road Back – Restart and Recovery Plan for Education” (Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE required school districts in the State to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fits the district’s local needs.

The Guidance requires the Board of Education to adopt certain policies and the Board adopts Policy 1648 to address those policy requirements in the Guidance. Policy 1648 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

A. NJDOE Guidance – Key Subject Area 1 – Conditions for Learning

1. Transportation

- a. If the school district is providing transportation services on a school bus, a face covering must be worn by all students upon entering the school bus unless doing so would inhibit the student’s health. It is necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities. Exceptions to the face covering requirements shall be those outlined in A.2.d. below:
 - (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's particular need and in accordance with all applicable laws and regulations.
- b. The school district shall use best practices for cleaning and disinfecting district-owned school buses and other transportation vehicles in accordance with A.3. below.
- c. District-employed school bus drivers and aides on district-owned school buses shall practice all safety actions and protocols as indicated for other school staff.

- d. If the school district is using contracted transportation services, the contractor shall ensure all Board of Education safety actions and protocols are followed by the contractor and its employees and/or its agents.

[See Policy Guide 1648 – Appendix C for the protocols/procedures for “Transportation” which is also included in the school district’s Restart and Recovery Plan.]

2. Screening, Personal Protective Equipment (PPE), and Response to Students and Staff Presenting Symptoms
 - a. The school district shall screen students and employees upon arrival to a school building or work location for COVID-19 symptoms and a history of exposure.
 - (1) School staff must visually check students and employees for symptoms upon arrival (which may include temperature checks) and/or confirm with families that students are free of COVID-19 symptoms.
 - (2) Health checks must be conducted safely and respectfully, and in accordance with any applicable privacy laws and regulations.
 - (3) Results must be documented when signs/symptoms of COVID-19 are observed.
 - (4) The screening protocol will take into account students and employees with disabilities and accommodations that may be needed in the screening process for those students and employees.
 - (5) Students and employees with symptoms related to COVID-19 must be safely and respectfully isolated from others.
 - (6) If the school district becomes aware that an individual who has spent time in a school district facility tests positive for COVID-19, district officials must immediately notify local health officials, staff, and families of a confirmed case while maintaining confidentiality.

- b. School staff and visitors are required to wear face coverings unless doing so would inhibit the individual's health or the individual is under two years of age.
 - (1) If a visitor refuses to wear a face covering for non-medical reasons and if such covering cannot be provided to the individual at the point of entry, the visitor's entry to the school/district facility may be denied.
- c. Students are required to wear face coverings, unless doing so would inhibit the student's health. It is necessary to acknowledge that enforcing the use of face coverings may be impractical for young children or individuals with disabilities.
 - (1) Accommodations for students who are unable to wear a face covering should be addressed according to that student's need and in accordance with all applicable laws and regulations.
- d. Exceptions to the Requirement for Face Coverings
 - (1) Doing so would inhibit the individual's health.
 - (2) The individual is in extreme heat outdoors.
 - (3) The individual is in water.
 - (4) A student's documented medical condition, or disability as reflected in an Individualized Education Program (IEP), precludes the use of a face covering.
 - (5) The student is under the age of two, due to the risk of suffocation.
 - (6) During the period a student is eating or drinking.
 - (7) Face coverings should not be placed on anyone who has trouble breathing or is unconscious, or anyone who is incapacitated or otherwise unable to remove the face covering without assistance (e.g. face coverings should not be worn by Pre-K students during nap time).

- (8) The student is engaged in high intensity aerobic or anaerobic activities.
- (9) Face coverings may be removed during gym and music classes when individuals are in a well-ventilated location and able to maintain a physical distance of six feet apart.
- (10) When wearing a face covering creates an unsafe condition in which to operate equipment or execute a task.

[See Policy Guide 1648 – Appendix E for the protocols/procedures for “Screening, PPE, and Response to Students and Staff Presenting Symptoms” which is also included in the school district’s Restart and Recovery Plan.]

3. Facilities Cleaning Practices

- a. The school district must continue to adhere to existing required facilities cleaning practices and procedures and any new specific requirements of the local health department as they arise.
- b. A procedure manual must be developed to establish cleaning and disinfecting schedules for schools and school equipment, targeted areas to be cleaned, and methods and materials to be used.

[See Policy Guide 1648 – Appendix G for the protocols/procedures for – “Facilities Cleaning Practices” which is also included in the school district’s Restart and Recovery Plan.]

4. Wraparound Supports

- a. Mental Health Supports

The school district’s approach to student mental health supports will be affected by the learning environment in place at the beginning of the school year. If in-person instruction is not feasible, the district must find other ways to assess and monitor students’ mental health.

[See Policy Guide 1648 – Appendix K for the protocols/procedures for “Academic, Social, and Behavioral Supports” which is also included in the school district’s Restart and Recovery Plan.]

5. Contact Tracing
 - a. Upon notification that a resident has tested positive for COVID-19, the local health department will call the school district to determine close contacts to whom they may have spread the virus, where close contact is defined as being within six feet for a period of at least ten minutes.
 - b. The school district shall assist the local health department in conducting contact tracing activities, including ongoing communication with the identified individual and/or their contacts.
 - c. The school district shall ensure adequate information and training is provided to the staff as necessary to enable staff to carry out responsibilities assigned to them.
 - d. A staff liaison(s) shall be designated by the Superintendent or designee and shall be responsible for providing notifications and carrying out other components that could help ensure notifications are carried out in a prompt and responsible manner.
 - e. School districts shall allow staff, students, and families to self-report symptoms and/or suspected exposure.

[See Policy Guide 1648 – Appendix F for the protocols/procedures for “Contact Tracing” which is also included in the school district’s Restart and Recovery Plan.]

B. NJDOE Guidance – Key Subject Area 2 – Leadership and Planning

1. Scheduling
 - a. The school district’s Plan must account for resuming in-person instruction and shall provide steps to shift back to virtual learning models if circumstances change and in-person instruction guidelines can no longer be followed.
 - b. The school district’s Plan accommodates opportunities for both synchronous and asynchronous instruction, while ensuring requirements for a 180-day school year are met.

c. The school district recognizes special populations will require unique considerations to ensure the continuity of learning as well as the health and safety of students and staff within the least restrictive environment.

(b) The school district shall continue to ensure students receive individualized supports that meet the requirements of the IEP and 504 Plans.

[See Policy Guide 1648 – Appendix N for the protocols/procedures for “Scheduling of Students” which is also included in the school district’s Restart and Recovery Plan.]

2. Staffing

a. The school district shall comply with all applicable employment laws when making staffing and scheduling requirements, including, but not limited to, the Americans Disabilities Act (ADA), the Health Insurance Portability and Accountability Act (HIPPA), and all applicable State laws.

b. As the school district adjusts schedules, teaching staff members must maintain quality instruction for students pursuant to the minimum requirements set forth in NJDOE regulation.

[See Policy Guide 1648 – Appendix O for the protocols/procedures for “Staffing” which is also included in the school district’s Restart and Recovery Plan.]

C. NJDOE Guidance – Key Subject Area 3 – Policy and Funding

1. School Funding

a. Purchasing

The school district may likely need to purchase items not needed in the past and may experience increased demand for previously purchased goods and services to implement the Plan. The school district shall continue to comply with the provisions of the “Public School Contracts Law”, N.J.S.A. 18A:18A-1 et seq.

b. Use of Reserve Accounts, Transfers, and Cashflow

c. Costs and Contracting

The school district shall follow all New Jersey State laws and regulations applicable to local school districts for purchasing when procuring devices and connectivity or any technology related item.

New Jersey Department of Education “The Road Back – Restart and Recovery Plan for Education”

Memorandum – New Jersey Governor and Department of Education – Conditions for Learning – Health and Safety – August 3, 2020

Adopted: 17 November 2020

1648.02 REMOTE LEARNING OPTIONS FOR FAMILIES

On July 24, 2020, the New Jersey Governor and the Commissioner of Education published a supplemental guidance document titled “clarifying Expectations Regarding Fulltime Remote Learning Options for Families 2020-2021” as a result of the COVID-19 pandemic. This supplemental guidance includes an additional “anticipated minimum standard,” as this phrase is used throughout “The Road Back: Restart and Recovery Plan for Education” (NJDOE Guidance). This additional “anticipated minimum standard” provides that, in addition to the methods and considerations explicitly referenced in the NJDOE Guidance for scheduling students for in-person, remote, or hybrid learning, families/guardians (hereinafter referred to as “parents”) may submit, and school districts shall accommodate, requests for full-time remote learning.

Requests for full-time remote learning may include any service or combination of services that would otherwise be delivered to students on an in-person schedule, which may be a hybrid schedule, such as instruction, behavioral and support services, special education, and related services. A parent may request some services be delivered entirely remotely, while other services follow the same schedule they otherwise would according to the provisions in the school district’s Restart and Recovery Plan (Plan) and Policy 1648.

A parent may contact the Principal or designee of the building the student would attend with any questions on: a request to transition from in-person services to full-time remote learning; a request to transition from full-time remote learning to in-person services; the procedures of this Policy; and/or any other information regarding the school district’s Plan and Policy 1648.

To ensure clarity and consistency in implementation of full-time remote learning, the Board of Education adopts this Policy that addresses the following:

- A. Unconditional Eligibility for Full-time Remote Learning

Unconditional eligibility for full-time remote learning includes students with disabilities who attend in-district schools or receiving schools (county special services school districts, educational services commissions, jointure commissions, Katzenbach School for the Deaf, regional day schools, college operated programs, and approved private schools for students with disabilities).

B. Procedures for Submitting Full-time Remote Learning Requests

1. A parent may request a student receive full-time remote learning from the school district by submitting a written request to the Principal of the school building their child would attend. The written request shall be provided to the Principal at least 15 calendar days before the student is eligible to commence full-time remote learning in accordance with B.2. below.
2. The student may only begin full-time remote learning on the following dates:

 - d. For students with disabilities, the school district staff will determine if an Individualized Education Plan (IEP) meeting or an amendment to a student's IEP is needed for full-time remote learning; and

- e. Any additional information the Principal or designee requests to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.
 - (1) The documentation required by the school district to be provided in the parent's request for full-time remote learning shall not exclude any students from the school district's full-time remote learning option, but rather be limited to the minimum information needed to ensure proper recordkeeping and implementation of successful remote learning.
- 4. Upon receiving the written request, the Principal or designee may request additional information from the parent to assist the Principal or designee in providing the student the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs.
- 5. The Principal or designee will review the written request and upon satisfaction of the procedures outlined in this Policy, the Principal or designee will provide written approval of the parent's request for full-time remote learning.

- 6. The Principal's written approval of the request shall be provided to the parent within 5 calendar days of receiving the parent's written request.
 - a. The written approval will include the date the remote learning program will commence for the student in accordance with B.2. above.

Any additional information the Principal or designee determines is needed to ensure the student, when receiving remote learning, will receive the same quality and scope of instruction and other educational services as any other student otherwise participating in school district programs (i.e. students participating in a hybrid model).
 - (1) This includes, for example, access to standards-based instruction of the same quality and rigor as afforded all other students of the district, the district making its best effort to ensure that every student participating in remote learning has access to the requisite educational technology, and the provision of special education and related services to the greatest extent possible.
- d. The school district will endeavor to provide supports and resources to assist parents, particularly those of younger students, with meeting the expectations of the school district's remote learning option.

D. Procedures to Transition from Full-Time Remote Learning to In-Person Services

1. A parent may request their student transition from full-time remote learning to in-person services, if in-person services are being provided, by submitting a written request to the Principal of the building the student will attend. This request must be submitted at least 15 calendar days before the student is eligible for in-person services.
2. A student is only eligible to transition from full-time remote learning to in-person services commencing:

October 1 April 5
November 16 May 17

3. The written request from the parent for the student to transition from full-time remote learning to in-person services shall include:

- a. The student's name, school, and grade;
- b. The in-person program may only commence for a student transitioning from full-time remote learning to in-person services in accordance with D.2. above; and
- c. Any additional information the Principal or designee determines would be important on the student's transition from full-time remote learning to in-person services.

4. A student previously approved for remote learning wanting to transition into the school district's in-person program may do so on the following dates:

October 1 April 5
November 16 May 17
January 4
February 17

- a. This will allow parents to make the arrangements needed to effectively serve students' home learning needs and will support educators in ensuring continuity of instruction for the student.
5. The Principal or designee will review the request for compliance with this Policy, and upon satisfaction of the procedures in this Policy, will provide the parent of the student a written approval of the student entering the school district's in-person program.
- a. In the event the request does not satisfy the procedures outlined in this Policy, the Principal or designee will notify the parent in writing of the issues that need to be addressed by the parent to satisfy the procedures outlined in this Policy.

- E. Reporting
1. To evaluate full-time remote learning, and to continue providing meaningful guidance for school districts, it will be important for the New Jersey Department to Education (NJDOE) to understand the extent and nature of demand for full-time remote learning around the State.
 - a. The school district will be expected to report to the NJDOE data regarding participation in full-time remote learning. Data will include the number of students participating in full-time remote learning by each of the following subgroups: economically disadvantaged; major racial and ethnic groups; students with disabilities; and English learners.
- F. Procedures for Communicating District Policy with Families
1. The school district will have clear and frequent communication with parents, in their home language, to help ensure this important flexibility is as readily accessible as possible. Communication must include, at a minimum, information regarding:
 - a. Summaries of, and opportunities to review, the school district's full-time remote learning Policy/Plan;
 - b. Procedures for submitting full-time remote learning requests in accordance with B. above;
 - c. Scope and expectations of full-time remote learning in accordance with C. above;
 - d. The transition from full-time remote learning to in-person services and vice-versa in accordance with B. and D. above; and

- e. The school district's procedures for ongoing communication with families and for addressing families' questions or concerns.

G. Home or Out-of-School Instruction

- 1. No provision of this Policy supersedes the district's requirements to provide home or out-of-school instruction for the reasons outlined in N.J.S.A. 18A, N.J.A.C. 6A, or any applicable Board policy unless determined otherwise by the Superintendent or designee.

“Clarifying Expectations Regarding Fulltime Remote Learning
Options for Families 2020-2021”

Adopted: 17 November 2020

1648.03 RESTART AND RECOVERY PLAN – FULL-TIME
REMOTE INSTRUCTION

On June 26, 2020, the New Jersey Department of Education published “The Road Back - Restart and Recovery Plan for Education” (NJDOE Guidance), a guidance document for reopening New Jersey schools during the COVID-19 pandemic. The Guidance, including revisions, provided school officials with the information necessary to ensure that schools reopen safely and are prepared to accommodate staff and students’ unique needs during these unprecedented times. The NJDOE Guidance required school districts to develop, in collaboration with community stakeholders, a “Restart and Recovery Plan” (Plan) to reopen schools that best fit the district’s local needs.

The NJDOE Guidance requires the Board of Education to adopt certain policies and the Board previously adopted Policies 1648 and 1648.02 to address these policy requirements. Board policies related to Covid-19 shall only be effective through the current COVID-19 pandemic and will take precedence over any existing Policy on the same or similar subject, unless determined otherwise by the Superintendent.

On August 13, 2020, the Governor of New Jersey signed Executive Order 175 indicating public school districts shall resume partial or full-time in-person instruction during the fall of school year 2020-2021. However, Executive Order 175 also indicates public school districts that are or become unable to satisfy the health and safety requirements for in-person instruction delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, may provide full-time remote instruction to all students pursuant to N.J.S.A. 18A:7F-9.

Public school districts that determine they cannot provide in-person instruction must submit documentation to the Department of Education that identifies:

1. The school building(s) or grade level(s) within the district that will provide full-time remote instruction;
2. The specific health and safety standards delineated in the NJDOE’s “Checklist for Re-Opening of School 2020-2021,” and detailed in the “The Road Back - Restart and Recovery Plan for Education” Guidance, that the school is unable to satisfy;

3. The school's anticipated efforts to satisfy the identified health and safety standard(s); and
4. A date by which the school anticipates the resumption of in-person instruction.

Such documentation must be submitted to the Department of Education at minimum one week prior to the public school district's first day of school.

The NJDOE, by way of the Executive County Superintendent, shall request periodic updates from the Superintendent of Schools of a public school district offering only remote instruction to demonstrate the school district is actively engaged in good-faith efforts toward the resumption of in-person instruction.

All instruction, whether in-person instruction or remote instruction, for the 2020-2021 year, shall adhere to the following requirements, and any other requirements imposed by Order, statute, or regulation:

1. A school day, whether in-person or remote must consist of at least four (4) hours of active instruction to students by an appropriately certified teacher, except that one continuous session of two and one-half hours may be considered a full day in Kindergarten, pursuant to N.J.A.C. 6A:32-8.3.
2. District and school policies for attendance and instructional contact time will need to accommodate opportunities for both synchronous and asynchronous instruction, while ensuring the requirements for a 180-day school year are met pursuant to N.J.S.A. 18A:7F-9.
3. All instructional time shall be provided in accordance with the New Jersey Student Learning Standards (NJSLs).

All public school districts participating in the National School Lunch and Breakfast Programs, regardless of whether they are required to participate or voluntarily opt-in to the programs, must offer the required meals to all children, regardless of eligibility, when the school day involves at least four hours of in-person or remote instruction.

For the 2020-2021 school year, the use of student growth data based on standardized assessment or student growth percentile shall be waived and shall not be used as a measure of educator effectiveness in the overall evaluation of any educator in accordance with N.J.S.A. 18A:6-123(b)(2) and (4).

Remote Instruction

Paragraph 8 of Executive Order No. 107 (2020), which prohibits in-person dining at certain establishments that are open to the public, shall not apply to school district cafeterias provided that social distancing can be maintained and access is limited to staff and students and not available to the general public. Such cafeterias must adhere to infection control practices outlined for dining in the applicable reopening documents issued by the Department of Education.

Executive Order 175 – August 13, 2020

Adopted: 17 November 2020

1648.11 THE ROAD FORWARD COVID-19 – HEALTH AND SAFETY

The Board of Education plans to provide full-day, full-time, in-person instruction and operations for the 2021-2022 school year. In June 2021, the New Jersey Department of Health (NJDOH) and the New Jersey Department of Education (NJDOE) worked collaboratively to develop guidance, The Road Forward – Health and Safety Guidance for the 2021-2022 School Year (The Road Forward).

The Road Forward replaces the mandatory anticipated minimum standards outlined in the NJDOE’s “The Road Back – Restart and Recovery Plan for Education” (June 2020) and provides a range of recommendations rather than mandatory standards. These recommendations are meant to assist school districts in implementing protocols to reduce risks to students and staff from COVID-19 while still allowing for full-time learning.

The Board considered many factors as they prepared for the 2021-2022 school year, including the level of COVID-19 transmission in the community at large and in the school community, as well as vaccination coverage rates in both the community at large and the school community.

For the purpose of this Policy, “Order” shall mean any Governor of New Jersey Executive Order, New Jersey State Agency mandate, Centers for Disease Control and Prevention (CDC) guidance, New Jersey statute, or administrative code requiring compliance by the school district.

The Board considered the recommendations outlined in The Road Forward to develop health and safety protocols. The Board will consider all recommended Orders and comply with all mandatory Orders when developing health and safety protocols and reviewing them periodically.

The Board considered the recommendations outlined in The Road Forward to develop the school district’s COVID-19 protocols in the following areas and included in corresponding Appendices:

A. General Health and Safety Concerns of Students, Staff Members, and Visitors

1. Vaccination – See Appendix A.;
2. Communication with the Local Health Department – See Appendix B.;
3. Mask Wearing Protocol – See Appendix C.;

4. Physical Distancing and Cohorting Protocols – See Appendix D.;
 5. Hand Hygiene and Respiratory Etiquette Protocols – See Appendix E.;
 6. Provision of Meals – See Appendix F.; and
 7. Transportation Protocols – See Appendix G.
- B. Cleaning, Disinfection, and Airflow – See Appendix H.
- C. Screening, Exclusion, and Response to Symptomatic Students and Staff Members – See Appendix I.
- D. Contact Tracing – See Appendix J.
- E. Testing – See Appendix K.
- F. Student and Staff Member Travel – See Appendix L.

The absence of one or more of the recommendations outlined in The Road Forward and/or in the school district's health and safety protocols will not prevent the reopening of the school(s) in the district for full-day in-person operation with all enrolled students and staff members present.

Pursuant to N.J.S.A. 18A:7F-9, schools must be in session for 180 days to receive State Aid. The statute requires that school facilities be provided for at least 180 days during the school year. N.J.S.A. 18A:7F-9(b) indicates when a school district is required to close the schools of the district for more than three consecutive school days due to a declared state of emergency, declared public health emergency, or a directive and/or recommendation by the appropriate health agency or officer to institute a public health-related closure, days of virtual or remote instruction commensurate with in-person instruction will count toward the school district's 180-day requirement.

The school district may be confronted with the incidence of COVID-19 positive cases among staff and/or students. If the school district is required to exclude a student, group of students, a class, or multiple classes as a result of possible exposure to COVID-19, while the school itself remains open for in-person instruction, the school district may offer virtual or remote instruction to those students in a manner commensurate with in-person instruction to the extent possible. In circumstances when the school facilities remain open and in-person instruction continues in those

classrooms that are not required to quarantine, those days in session will also count toward the school district's 180-day requirement in accordance with N.J.S.A. 18A:7F-9.

The school district anticipates updates to The Road Forward and as such this Policy is subject to review by the Superintendent to ensure compliance with Orders that may arise after Board adoption of this Policy. All revisions to Orders affecting this Policy and corresponding Appendices shall be reviewed by the Superintendent with the Board Attorney, School Physician, and Board of Education, if appropriate. The Superintendent may revise the health and safety protocols included in any Appendix as necessary and appropriate. All students, parents, and staff members will be notified of any changes to school district-developed protocols implemented as a result of this Policy, as appropriate.

School Employee Vaccination Requirements

Aug 21

M

1648.13 SCHOOL EMPLOYEE VACCINATION REQUIREMENTS

In accordance with Executive Order No. 253 signed by the Governor of New Jersey on August 23, 2021, the Board shall adopt and maintain a policy that requires all covered workers to either provide adequate proof that they have been fully vaccinated or submit to COVID-19 testing at a minimum of one to two times each week.

This requirement shall take effect on October 18, 2021, at which time any covered workers that have not provided adequate proof to the school district that they are fully vaccinated must submit to COVID-19 testing at a minimum of one to two times each week on an ongoing basis until fully vaccinated.

For purposes of Executive Order 253 and this Policy, “covered workers” shall include all individuals employed by the Board of Education, both full and part-time, including, but not limited to, administrators; teachers; educational support professionals; individuals providing food, custodial, and administrative support services; substitute teachers, whether employed directly by the Board of Education or otherwise contracted; contractors; providers; and any other individuals performing work in the school district whose job duties require them to make regular visits to the school district, including volunteers. Covered workers do not include individuals who visit the school district only to provide one-time or limited duration repairs, services, or construction.

A covered worker shall be considered “fully vaccinated” for COVID-19 two weeks or more after they have received the second dose in a two-dose series or two weeks or more after they have received a single-dose vaccine. Individuals will only be considered fully vaccinated after they have received a COVID-19 vaccine that is currently authorized for Emergency Use Authorization (EUA) by the United States Food and Drug Administration (FDA) or the World Health Organization (WHO), or that are approved for use by the same.

Workers who are not fully vaccinated, or for whom vaccination status is unknown, or who have not provided sufficient proof of documentation, shall be considered unvaccinated in accordance with the provisions of Executive Order 253.

Covered workers shall demonstrate proof of full vaccination status by presenting any of the following documents if they list COVID-19 vaccines currently authorized for EUA by the FDA or the WHO, or that are approved for use by the same, along with an administration date for each dose:

1. The Centers for Disease Control and Prevention (CDC) COVID-19 Vaccination Card issued to the vaccine recipient by the vaccination site, or an electronic or physical copy of the same;
2. Official record from the New Jersey Immunization Information System (NJIS) or other State immunization registry;
3. A record from a health care provider's portal/medical record system on official letterhead signed by a licensed physician, nurse practitioner, physician's assistant, registered nurse, or pharmacist;
4. A military immunization or health record from the United States Armed Forces; or
5. Docket mobile phone application record or any State specific application that produces a digital health record.

The Board of Education's collection of vaccination information from covered workers shall comport with all Federal and State laws, including, but not limited to, the Americans with Disabilities Act, that regulate the collection and storage of that information.

To satisfy the testing requirement of Executive Order 253 and this Policy, an unvaccinated covered worker must undergo screening testing at a minimum of one to two times each week, to be determined by the Superintendent of Schools.

An unvaccinated covered worker is required to submit proof of a COVID-19 test. The unvaccinated covered worker may choose either antigen or molecular tests that have EUA by the FDA or are operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services.

Where a Board of Education provides the unvaccinated covered worker with on-site COVID-19 test(s), the school district may similarly elect to administer or provide access to either an antigen or molecular test.

If the covered worker is not working on-site in the school district during a week when testing would otherwise be required, the Superintendent or designee may not require the worker to submit to testing for that week. This requirement shall not supplant any requirement imposed by the Board of Education regarding diagnostic testing of symptomatic workers or screening testing of vaccinated workers.

The Board of Education shall track test results required by Executive Order 253 and must report those results to the local public health department.

Nothing in Executive Order 253 and this Policy shall prevent a Board of Education from revising this Policy to include additional or stricter requirements, as long as such revisions comport with the minimum requirements of Executive Order 253.

Executive Order 253 authorizes the Commissioner of the Department of Health (DOH) to issue a directive supplementing the requirements outlined in Executive Order 253, which may include, but not be limited to, any requirements for reporting vaccination and testing data to the DOH. Actions taken by the Commissioner of the DOH pursuant to Executive Order 253 shall not be subject to the requirements of the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq.

This Policy shall be supplemented by Policy 1648.11 – Appendix A, which shall include the school district’s protocols implementing the provisions of this Policy.

The Superintendent is authorized to implement revisions to provisions in this Policy based on any subsequent Executive Orders or any additional mandates that affect any provisions of this Policy. Any such revisions in this Policy shall be submitted by the Superintendent to the Board of Education for ratification if the Board cannot approve such revisions before the effective date.

Executive Order 253 – August 23, 2021

Adopted: 25 January 2022

1648.14 SAFETY PLAN FOR HEALTHCARE SETTINGS IN
SCHOOL BUILDINGS – COVID-19

A. Purpose and Scope

The Board of Education is committed to providing a safe and healthy workplace for all employees and has adopted this Policy that shall be the school district's COVID-19 Plan (Plan) that includes procedures to minimize the risk of transmission of COVID-19, in accordance with Occupational Safety and Health Act of 1970 (OSHA) COVID-19 Emergency Temporary Standard (ETS) published on June 21, 2021. The ETS, 29 CFR §1910 - Subpart U, applies to all settings where any school district employee or contracted service provider provides healthcare services or health care support services. Public Employees' Occupational Safety and Health (PEOSH), the agency with jurisdiction over public employers in New Jersey, has adopted the ETS in full. However, its applicability for school districts is primarily restricted to the nurse's office and any adjoining clinical areas and not the entire school building.

The Board, administration, and the COVID-19 Safety Coordinator(s) will work collaboratively with all employees in the development, implementation, monitoring, and updating of this Plan.

1. Definitions

- a. "Employee" means any district employee or contracted service provider working in a healthcare setting where people with suspected or confirmed COVID-19 are reasonably expected to be present.
 - (1) Therefore, the provisions of the ETS and this Policy only apply to employees or contracted service providers working in a nurse's office or any adjoining clinical areas.
- b. "Healthcare setting" means all settings in the school district where any employee or contracted service provider provides healthcare services or healthcare support services.

- (1) Where a healthcare setting is embedded within a non-healthcare setting (i.e. school nurse's office and any adjoining clinical areas in a school building), the ETS and this Policy only apply to the embedded healthcare setting and not to the remainder of a school building in accordance with 29 CFR §1910.502(a)(3)(i).
 - c. For the purpose of this Policy, additional definitions shall be those definitions listed in 29 CFR §1910.502(b).
 2. The school district has multiple healthcare settings that are substantially similar; therefore; has developed and adopted this single Plan for these substantially similar healthcare settings, with site-specific considerations included in this Plan. The healthcare settings in the school district are listed in Appendix 1.
 - a. Any school district health care settings that are not substantially similar, the school district shall develop and adopt separate COVID-19 Plans for each healthcare setting and list them in Appendix 1.
- B. Roles and Responsibilities for School District Employees
1. The school district's goal in adopting this Policy is to prevent the transmission of COVID-19 in the school district's healthcare settings. All staff members are responsible for supporting, complying with, and providing recommendations to further improve this Plan.
 2. The Superintendent will designate a COVID-19 Safety Coordinator(s) who shall implement and monitor this Plan. The COVID-19 Safety Coordinator(s) shall have the school district's full support in implementing and monitoring this Plan, and has authority to ensure compliance with all aspects of this Plan.
- C. Hazard Assessment and Worker Protections
1. The Superintendent of Schools or designee will conduct a specific hazard assessment of its healthcare settings to determine potential hazards related to COVID-19.
 - a. A hazard assessment will be conducted initially and whenever changes in a healthcare setting in the school district create a new potential risk of employee exposure to COVID-19 (e.g., new work activities in the healthcare setting).

2. The Superintendent has developed and the Board has adopted this Plan that includes the procedures the school district will use to determine an employee's vaccination status as outlined in Appendix 2.
 - a. In the event the Superintendent or designee cannot or does not determine or confirm the vaccination status of an employee, the employee shall be presumed to be unvaccinated.
3. All completed hazard assessment forms and results will be attached to this Plan in Appendix 3 and will be accessible to all employees at each school district facility.
4. The school district will address the hazards identified by the assessment, and have included in this Plan the procedures to minimize the risk of transmission of COVID-19 for each employee. These procedures are included in the following Appendices:
 - a. Patient Screening and Management
 - (1) In healthcare settings in the school district where direct patient care is provided, the school district will include protocols addressing patient screening and management in Appendix 4.
 - b. Standard and Transmission-Based Precautions
 - (1) The school district will develop and implement procedures to adhere to Standard and Transmission-Based Precautions in accordance with CDC's "Guidelines for Isolation Precautions" which are included in Appendix 5.
5. Personal Protective Equipment (PPE)
 - a. The school district will provide and ensure that employees wear approved facemasks or a higher level of respiratory protection.
 - b. The school district will include protocols to address PPE for healthcare settings in Appendix 6.

6. Physical Distancing
 - a. The school district will ensure that each employee is separated from all other people in the healthcare setting by at least six feet when indoors, unless it can be demonstrated that such physical distance is not feasible for a specific activity.
 - (1) Where maintaining six feet of physical distance is not feasible, the school district will ensure employees are as far apart from other people as possible.
 - b. Physical distancing will be implemented, along with the other provisions required by the ETS, as part of a multi-layered infection control approach for all healthcare settings.
 - c. The school district will include protocols to address physical distancing for healthcare settings in Appendix 7.
7. Physical Barriers
 - a. The school district will install physical barriers at each fixed work location outside of direct patient care areas where each employee is not separated from all other people by at least six feet of distance and spacing cannot be increased, unless it can be demonstrated that it is not feasible to install such physical barriers.
 - b. Physical barriers will be implemented, along with the other provisions required by the ETS, as part of a multi-layered infection control approach for all healthcare settings.
 - c. The school district will include protocols to address physical barriers for healthcare settings in Appendix 8.
8. Cleaning and Disinfecting in the Healthcare Setting
 - a. The school district will implement policies and procedures for cleaning, disinfecting, and hand hygiene, along with the other provisions required by the ETS, as part of a multi-layered infection control approach for all healthcare settings.

9. Ventilation

- a. The school district will implement procedures for each facility's heating, ventilation, and air conditioning (HVAC) system and include protocols addressing ventilation for healthcare settings in Appendix 10.
- b. Ventilation policies and procedures will be implemented, along with the other provisions required by the ETS, as part of a multi-layered infection control approach.
- c. The Superintendent or designee will identify the building manager, HVAC professional, or maintenance employee who can certify that the HVAC system(s) are operating in accordance with the ventilation provisions of the ETS and list the individual(s) in Appendix 10.

D. Health Screening and Medical Management

1. Health Screening

- a. "Screening" means, for the purpose of this Policy, asking questions to determine whether a person is COVID-19 positive or has symptoms of COVID-19.
- b. The school district will include protocols to address health screening for employees in Appendix 11.

2. Employee Notification to Employer of COVID-19 Illness or Symptoms

- a. The school district will include protocols to address employee notification to employer of COVID-19 illness or symptoms for employees in Appendix 11.

3. Employer Notification to Employees of COVID-19 Exposure in the Healthcare Setting

- a. The school district will include protocols to address employer notification of COVID-19 exposure to employees in Appendix 11.

4. Medical Removal from the Healthcare Setting
 - a. The school district will include protocols to address medical removal from the healthcare setting for employees in Appendix 11.
 5. Return to Work Criteria
 - a. The school district will include protocols to address return to work criteria for employees in Appendix 11.
 6. Medical Removal Protection Benefits
 - a. The school district will continue to pay employees who have been removed from the healthcare setting under the medical removal provisions of the ETS. When an employee has been removed from the healthcare setting and is not working remotely or in isolation, the school district shall pay and provide benefits in accordance with the Plan addressed in Appendix 12.
- E. Vaccinations
1. The school district encourages employees to receive the COVID-19 vaccination as a part of a multi-layered infection control approach. The school district will support COVID-19 vaccination for each employee by providing reasonable time and paid leave to each employee for vaccination and any side effects experienced following vaccination.
 2. The school district will include protocols to address vaccination for employees in Appendix 13.
- F. Training
1. The school district will implement policies and procedures for employee training, along with the other provisions required by the ETS, as part of a multi-layered infection control approach.
 2. The school district will include protocols to address training for employees in Appendix 14.

G. Anti-Retaliation

1. 2240 CONTROVERSIAL ISSUES

Free discussion of controversial issues - political, economic, social - shall be encouraged in the classroom whenever appropriate for the level of the group.

Issues may be considered controversial which arouse strong reactions, based either on personal conviction or allegiance to a group. School treatment of controversial issues shall be designed to instruct students in fair and objective study techniques. The decision on whether a particular controversial issue shall become a matter for school study shall be based on the timeliness of the question, the maturity and needs of the students and the purposes of the schools. Classroom discussions on controversial questions which arise unexpectedly shall be the responsibility of the teacher, who shall provide relevant information on both sides of the question. Such discussions shall be kept free from the assumption that there is one correct answer which should emerge from a discussion and be taught authoritatively to the students.

Students shall be taught to recognize each other's right to form an opinion on controversial issues, and shall be assured of their own right to do so without jeopardizing their relationship with the teacher or the school.

The Building Principal shall have the authority to limit or suspend discussion of controversial issues pending a review of the issue/materials. Instructional materials not previously approved must be reviewed by the Principal before being introduced into the classroom.

2270 RELIGION IN THE SCHOOLS

The Board of Education recognizes that religious belief and disbelief are matters of personal conviction rather than governmental authority and the students of this district are protected by the First Amendment of the United States Constitution and by Article I, Paragraph 4 of the New Jersey State Constitution from the establishment of religion in the schools. The First Amendment requires public school officials to show neither favoritism toward nor hostility against religious expression such as prayer.

The United States Department of Education's Guidance on Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools (USDEO Guidance) provides information on the current state of law concerning religious expression in public schools.

The following activities as outlined in the USDOE Guidance will be permitted upon applying the governing constitutional principles in particular contexts related to: prayer during non-instructional time; organized prayer groups and activities; teachers, administrators, and other school employees' activities; moments of silence; accommodations for prayer during instructional time; prayer in classroom assignments; student assemblies and noncurricular events; prayer at graduation; and/or baccalaureate ceremonies.

The following activities as outlined in the USDOE Guidance will be permitted upon applying the governing constitutional principles in particular contexts related to religious expression: religious literature; teaching about religion; student dress codes and policies; and/or religious excusals.

The Equal Access Act, 20 U.S.C. Section 4071, is designed to ensure that student religious activities are afforded the same access to Federally funded public secondary school facilities as are student secular activities. The United States Department of Justice has developed guidance for interpreting the Equal Access Act's requirements outlined in the USDOE Guidance in the area of general provisions, prayer service and worship exercises, means of publicized meetings, lunch-time and recess, and leadership of religious student groups.

Any issues regarding religion in the schools and the provisions of this Policy shall be referred to the Superintendent of Schools who may consult with the Board Attorney.

2310 STUDENT GROUPING

The Board of Education believes that each student should be provided with the instruction that will best suit his/her intellectual, physical, emotional, and social capabilities. The Board authorizes the Superintendent to develop a schedule and class organization that will provide for the placement of students in instructional groups that will offer them the greatest educational benefit.

The grouping of students should be flexible and should take into consideration the age, mental ability, past academic record, emotional needs, physical maturity, and interests of each student.

2312 CLASS SIZE

The Superintendent shall recommend for Board approval the number of class sections for each course or grade level. He/she shall take into consideration such factors as student needs, curriculum requirements, types of instructional setting, district finances and space or equipment limitations.

Particular attention shall be paid to space-per-student requirements of the State Department of Education.

Long-Range Needs Determination

The significance of providing school facilities that enhance the district's educational program is recognized by the Board. To assure a comprehensive approach, the following aspects of need will be considered:

- A. The expanding and changing educational program of the district;
- B. Relations with the total community, and projected developments in those relationships over the years;
- C. Plant and site aesthetics as they affect the education of students and feelings of people about their schools;
- D. Changing make-up of our population as to age distribution, educational levels, and the like;
- E. Community planning and zoning;
- F. Financial ability of the school district;
- G. Safety and welfare of students;
- H. Relationship between the projected new facilities and those already in existence; and
- I. Prudent spending reflecting full value for each tax dollar expended.

The Superintendent of Schools is directed to establish such administrative arrangements as he/she may consider necessary to determine such needs. In so doing, he/she may draw upon a wide range of resources including the area utility, commercial, industrial, and governmental entities, as well as the district staff and educational consultants.

General Specifications

- A. Administrative Structure - The present grade grouping of elementary schools, intermediate schools, and high schools, shall be used in planning new buildings.
- B. Location of Buildings - The concept of the neighborhood school for elementary children is acknowledged. New schools shall be located as near the centers of student population as is possible. Consideration shall be given to traffic arteries and hazards, and every effort shall be made to minimize transportation problems and expense.
- C. Size of Schools and Sites - New schools shall be large enough to provide a full educational program and small enough to provide for individuality.
- D. Class Size - The Board of Education in recognition of its responsibilities to students, teachers, and the taxpayers authorizes the Superintendent of Schools and his/her staff to plan classes or sections within the following guidelines:

<u>Grade or Subject</u>	<u>Minimum</u>	<u>Number of Students Desired</u>	<u>Maximum Range</u>
Kindergarten - 3	18	20-23	25*
4-6	20	20-25	28

2330 HOMEWORK

West Milford Public Schools believe that education is a continuous lifelong process, and that the daily education does not begin and end with the opening and closing of the schools. A close working relationship between home and school is necessary if all students are to achieve their fullest academic potential.

In keeping with this belief, it is the policy of the Board of Education that the assignment of meaningful, productive homework for students in the elementary and secondary schools is a necessary part of the total educational process.

The Board of Education believes that homework relevant to material presented in class provides an opportunity to broaden, deepen or reinforce the student's knowledge. Teachers must use discretion in deciding the number and length of assignments. The Board encourages the use of interrelated major homework assignments such as term papers, themes and creative art projects.

Homework shall not be used for punitive reasons.

Students absent for any reason must make up assignments, class work and tests within a reasonable length of time. In most cases, a reasonable length of time shall be the same number of school days as the days missed.

Students being excused for any reason must make arrangements with the teacher of the missed classes in order to make up the work missed. This must be done before the absence from class.

Incompletes

When a student does not complete work missed for absence or other reasons, he/she will receive an "incomplete" for the marking period.

If work critical to the student's understanding of the subject is not made up by the end of the next marking period, the grade for that subject area may be an "F."

If work is missing during the final marking period of the school year, the grade will be left to the discretion of the teacher. The teacher who has given an incomplete is responsible for reporting to the student the work he/she has missed and citing the consequences mentioned above.

2340 FIELD TRIPS

The Board of Education recognizes that field trips properly planned and integrated with the curriculum are an educationally sound and important part of the program of the schools that can supplement and enrich classroom instruction by providing learning experiences in an environment outside the schools.

For purposes of this policy, a field trip means any journey by a group of students away from the school premises, under the supervision of a teacher, and integrally related to an approved course of study.

The Board of Education shall approve annually a list of potential field trips. All proposed field trips not so listed must be individually approved by the Board.

The Board may authorize field trips for which all of the costs are borne by the students' parent(s) or legal guardian(s), except that no student in a special education class or student unable to pay the cost assessed shall be prohibited from attending a field trip. (N.J.S.A. 18A:36-21)

The determination of a student's inability to pay will be based upon the student's eligibility for free and reduced meals in accordance with Board Policy No. 8540.

Students on field trips remain under the supervision of this Board and are subject to its rules and regulations.

A student who violates rules or disregards the authority of supervisors on a field trip significantly endangers the safety of other students and may be summarily dismissed from the trip. The teaching staff member in charge will make arrangements for the dismissed student's transportation to home or school as appropriate. The cost of any such transportation will be borne by the parent(s) or legal guardian(s) of the student. The Board reserves the right to take further disciplinary measures in accordance with Policy No. 5600.

The Superintendent shall prepare regulations for the operation of field trips that ensure that the safety and well-being of students shall be protected at all times; that parental permission is sought and obtained before any student may be removed from the school for a field trip; that each field trip is properly planned, integrated with the curriculum, and followed up by appropriate activities that enhance its usefulness; that the effectiveness of field trip activities are monitored and continually evaluated; that teachers are allowed a considerable degree of flexibility and innovation in planning field trips; that no field trip will be approved unless it contributes to the achievement of specified instructional objectives; and that teachers are not permitted to make on-site alterations to a trip itinerary, except where the health, safety or welfare of students is imperiled or where changes or substitutions beyond the control of the teacher have frustrated the purpose of the trip.

Technology Coordination

The Board shall appoint a Supervisor or designee of Technology K-12 to assure the technology needs of the district are met in the most efficient manner possible in collaboration with the Superintendent and Director of Education in the most cost effective manner available to meet specified needs. The Supervisor or designee of Technology shall be accessible as determined by the school district and the needs mandated by the systems.

2361 ACCEPTABLE USE OF COMPUTER NETWORKS/COMPUTERS AND RESOURCES

The Board of Education recognizes as new technologies shift the manner in which information is accessed, communicated and transferred; these changes will alter the nature of teaching and learning. Access to technology will allow students to explore databases, libraries, Internet sites, and bulletin boards while exchanging information with individuals throughout the world. The Board supports access by students to these information sources but reserves the right to limit in school use to materials appropriate for educational purposes. The Board directs the Superintendent to effect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that technology allows students access to information sources that have not been pre-screened by educators using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer networks and declares unethical, unacceptable or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges and/or instituting legal action.

2362 MEDIA CENTER/LIBRARY

The district's media centers shall contain a wide range of materials on all levels of difficulty, appealing to diverse tastes, and presenting different points of view. Every student shall have access to a media collection containing materials appropriate to age level, interests and courses of study.

The Superintendent has final responsibility for the selection of media center materials by professionally trained personnel - media specialists, teachers, Principals and supervisors. Requests from faculty and students shall be given consideration.

In selecting materials to recommend for purchase, the media specialist shall evaluate the existing collection and consult reputable, unbiased, professionally prepared selection aids, and specialists from all departments and/or all grade levels as well as from their own professional organizations.

In addition to standard book materials, the Board shall provide for the use of a full range of technology to enhance the curriculum.

The media centers shall offer a continuous program of instruction in library and study skills, as well as technology instruction and integration, preparing students for independent use of learning resources and for development of reading, listening and viewing abilities and tastes.

The Superintendent shall develop and present for Board approval a media center/library program to provide necessary space, personnel, technology and materials to implement this policy.

Guidelines for the Evaluation and Selection of Media Center Materials

The West Milford Township Board of Education, in an effort to clearly set forth its philosophy and goals in regard to media center materials sets forth the following policies related to the selection and evaluations of media center materials.

A. Selection of Materials

1. Media specialists shall select materials that are keyed to young people's interest and needs and will open up possibilities in cultural, special and economic fields. In this task, the media specialists will be aided by suggestions from administrators, teachers, students and parent(s) or legal guardian(s). The media specialists shall follow generally accepted professional guidelines for selection of materials and utilize standard library selection aids to include: reviews, recommended lists, previewing, and standard bibliographic tools.

2. The collection should be balanced to meet the requirements of the various curricular areas and provide for the diverse learning skills of individuals representing all levels and types of ability.
3. Materials included should inspire and meet the personal (educational, recreational and informational) interests and needs of students and faculty.
4. The media collection should be rich in breadth and depth, in the subjects covered, in the types of material included, and in the forms of expression represented.
5. There shall be the fullest practical provision of material presenting all points of view concerning the problems and issues of our times; international, national, local and social. No book or other material shall be removed from library shelves because of partisan doctrinal approval or disapproval. No book shall be excluded because of the race, nationality, political, or religious views of the writer.

Each book or material should be considered as a whole; an isolated incident or an unsavory word should not be taken out of context.

B. Donation of Materials

All materials offered to the media centers as gifts must meet the same selection standards as those bought with school Board funds. In accepting gift books or periodicals, the Building Principal reserves the right to dispose of material not suitable for the collection. Generally, unacceptable items would be:

1. Materials whose content was inappropriate to the maturity level of the student body or inconsistent with standards of accuracy, fairness and literary quality;
2. Materials whose poor physical condition does not warrant the expense of processing it for circulation;
3. Outdated materials and those of insufficient research or circulating value; and
4. Unnecessary duplication of materials in existing collection.

C. Evaluation of Materials

In order to maintain a current collection of high quality materials, it is necessary to systematically remove and delete those materials which are worn, outdated, biased, inappropriate or superseded by new materials. Usually, library materials that have not circulated for a period of five years are deleted from the collection.

D. Affirmative Action Compliance (Title IX/Title VI)

In order to comply with the intent and spirit of Title IX and Title VI, the following policies shall be instituted in all school media centers:

1. Print and Non-print Material Selection and Acquisition

All media specialists will attempt to assure a quality collection which will eliminate discrimination and promote understanding and mutual respect between students of different races, color, creeds, religions, sexes, ancestries, national origins or social and economic status in all future acquisitions.

2. Existing Collections

2363 STUDENT USE OF PRIVATELY-OWNED TECHNOLOGY

The Board of Education recognizes technology is always changing and as a result of increased accessibility to technology many students possess technology devices for their use during non-school hours. These privately-owned devices may be beneficial to students during school hours for approved educational purposes. Therefore, the Board of Education will allow students to use their privately-owned technology devices under conditions outlined in this Policy.

For the purpose of this Policy, “technology” means hardware or software.

For the purpose of this Policy, “privately-owned” means technology hardware and software that is purchased, owned, and maintained by the student at no expense to the school or school district.

For the purpose of this Policy, “hardware” means any device that can store, access, retrieve, and/or communicate data or information. “Hardware” may include, but is not limited to, any type of computer device; wireless telephone; electronic reader; personal digital assistant (PDAs); video broadcasting and/or recording device; or camera.

For the purpose of this Policy, “software” means any computer program(s) or related data that provide instruction for telling a computer or other hardware device what to do and how to do it.

The use of privately-owned technology by a student in the educational program during the school day must be approved by the student’s parent or legal guardian and the school teaching staff member responsible for supervising and/or providing the student’s instructional program. A teaching staff member may approve a student’s use of privately-owned technology based on the assignment(s) to the student. The teaching staff member may also prohibit the use of privately-owned technology for an assignment(s).

Teaching staff members must get prior approval from their immediate supervisor or Principal before allowing students to use privately-owned technology during instructional time.

Students who use privately-owned technology in school will not be given access to the school district’s computer server(s) or network(s). In the event the teaching staff member approves the use of privately-owned technology to access the Internet, the access must be through the privately-owned technology without the use of any school district hardware or software. A teaching staff member who approves a student to use their privately-owned technology to access the Internet during instructional time will provide the student with a list of approved Internet sites the student is permitted to access. A student granted such permission must comply with school district policies and regulations regarding acceptable use of computers and technology. Any use of privately-owned technology by a student shall be in strict accordance with the teaching staff

member's specific approval(s) and Board policies and regulations. Any violation will subject the student to appropriate discipline and/or grading consequences.

The teaching staff member, in considering the use of privately-owned technology, will ensure such approval does not provide any advantage or benefit to the student who owns such technology over the student who does not own such technology. The teaching staff member will not approve the use of privately-owned technology if the teaching staff member determines the use would be advantageous or beneficial to the student who owns such technology over the student who does not own such technology.

The school district assumes no responsibility for any privately-owned technology brought to school by a student. The student shall be responsible for the proper operation and use of any privately-owned technology brought to school. School staff members shall not be responsible for the effective use and/or technical support for any privately-owned technology.

The school district shall assume no responsibility for the security of or damage to any privately-owned technology brought to school by a student. Students are encouraged to purchase private insurance for loss, damage, or theft of any privately-owned technology the student brings to school.

2364 STAFF USE OF PRIVATELY-OWNED TECHNOLOGY

Recognizing the need for heterogeneous application of technology integration for the purposes of instruction, interactivity, and collaboration, starting in the 2013-2014 school year, the West Milford School district will initiate the allowance for bringing your own device (BYOD) to work for faculty and staff.

This wireless access provided to the devices is designed to enhance the educational experience and increase authentic faculty to student engagement in academic activities. Connectivity also depends on a combination of technical innovation matched with ethical responsibility. Adherence to the policy does not guarantee connectivity of the device to the network, but ensures that standards of adherence are met and that there has been agreement to the terms outlined herein.

Connecting a device to the BYOD network may require investigation of the device by a trained technician to determine if the device meets security requirements necessary to ensure the ongoing security of the network. To that extent by agreeing to have a personal device connected to the BYOD network the faculty or staff member must agree to the following:

1. The Acceptable Use of Computer Network(s)/Computers and Resources by teaching staff members policy (P3321) and regulation (R3321) has been read and agreed to.
2. District technicians are allowed access to the personal device connecting to the BYOD network, in order to evaluate and potentially install security or vulnerability scanning software.
3. The technicians will not be held liable for damages to the personal device or data that are incidental to the technical support rendered.
4. That connectivity of the device connecting to the BYOD network is not assured, but subject to availability, performance, and supportability of the device.
5. That use of personal devices while connected to the BYOD network is limited to educational use as much as possible, and subject to the same standards of responsible use applied to district owned devices.

2415.06 UNSAFE SCHOOL CHOICE OPTION

The New Jersey Department of Education (NJDOE) is required to establish an Unsafe School Choice Option (USCO) Policy per the Elementary and Secondary Act (ESEA) of 1965, as reauthorized under the Federal Every Student Succeeds Act of 2015 (ESSA). The USCO Policy requires that students who attend a persistently dangerous public elementary or secondary school as determined by the NJDOE, or become victims of a violent criminal offense while in or on school grounds of a public school that they attend, be allowed to attend a safe public school within the district.

The USCO provision under the ESSA contains two provisions that apply to school districts that receive funds under ESSA: Provision I - Persistently Dangerous Schools and Provision II - Victims of Violent Criminal Offenses.

Effective the beginning of each school year, school districts receiving ESSA funds must be prepared to complete the transfer of students who choose to exercise Provision I and Provision II of this USCO Policy. Compliance with the Policy is a condition of receiving funds under any and all titles under ESSA. The Superintendent is required to certify compliance with this USCO Policy to the NJDOE in the application for ESSA funds.

USCO Policy Provision I - Persistently Dangerous Schools (PDS)

1. Criteria for Determining PDS

A persistently dangerous school is a public elementary or secondary school building (except for Regional Day Schools, Educational Services Commissions and Special Services School Districts) that meets the objective criteria determined by the NJDOE for three consecutive years and is part of a school district that receives funds under ESSA. The NJDOE will use the most current available data from the Student Safety Data System (SSDS) to identify PDS on or before July 31 of each year.

2. Procedures and Guidelines for Schools Determined to be Persistently Dangerous.

A school district will be notified by the NJDOE on or before July 31 of each year if a school(s) in the school district has been identified as a PDS. Once the district receives notification a school is identified as persistently dangerous, the district must inform all parents of enrolled students in the school of the designation within fifteen calendar days of the date of the notice and offer them the option for their

children to transfer to a safe public school within the district by the beginning of the respective school year. The district must complete all transfers by the beginning of the school year following the July notification.

Students are not required to accept the transfer option, but they must be afforded the opportunity to do so. Parental notice regarding the status of the school and the offer to transfer students should be made simultaneously. Parents of enrolled students must be notified of the persistently dangerous designation whether or not there is another school within the district for the transferring students.

To the extent possible, the district will allow transferring students to transfer to schools that have not been identified as low performing, under the State's ESSA accountability system. When a transfer school is not available within the school district the district may seek arrangements for students to transfer to the nearest charter school or neighboring district; however, this is not required. The district may take into account the needs and preferences of the affected students and parents.

3. Corrective Action Plan for a School Identified as Persistently Dangerous.

If a school in the district is identified by the NJDOE as persistently dangerous, the district will submit to the NJDOE documentation of compliance with the parent notification requirement and actions taken to complete the transfer arrangements for all students exercising the option by the first day of the school year. Additionally, the district is required to develop and submit for approval a corrective action plan to the NJDOE on or before September 30 of the same year, which will apply to the respective school year. The corrective action plan, which must be completed in the format provided by the NJDOE, will describe how the school will reduce the number of incidents of violence as determined by the SSDS. The NJDOE will provide the schools with guidance for its corrective action plan, as well as monitor the school district's timely completion of the approved plans.

In the spring of each following year, the NJDOE will re-evaluate the status of a school identified as persistently dangerous. The NJDOE will review the school's progress towards completing their corrective action plan and compare the current year's incidents of violence, as reported on the SSDS, to the criteria for determining PDS. A school identified as maintaining the persistently dangerous designation will be notified by the NJDOE on or before July 31 of the respective year and will be required to submit for approval a revised corrective action plan by September 30 of that year, which will apply to the respective school year. The

school district must inform all parents of enrolled students in the school of the designation within fifteen calendar days of the date of notice and offer them the option for their children to transfer to a safe public school by the beginning of the respective school year in accordance with 2. above.

A school no longer designated persistently dangerous will be notified on or before July 31 of the respective year. The persistently dangerous designation will be removed after one or more years contingent upon successful fulfillment of the criteria for removal, as determined by evidence of the school's progress toward successfully completing the approved corrective action plan and evidence of incidents that no longer meet the criteria for determining PDS, described above, for one school year, the year in which the corrective action plan was in effect.

4. Procedures and Guidelines for Early Warning of Schools.

When a school meets the criteria set forth in this Policy for one year, the district will be informed of the types of offenses reported that have led to an early notification. This notification, on or before August 15 of each year, will be informational only. A school that no longer meets the criteria for PDS for one year will no longer be considered in early notification status. A school that meets the criteria for two consecutive years will move into early warning status outlined below.

If a school meets the criteria set forth in this Policy for two consecutive years, the district will be notified of their pattern of offenses on or before August 15 of each year. If notified, the district will develop and submit for approval a school safety plan to the NJDOE on or before September 30 of the same year, which will apply to the respective school year. The school safety plan, which must be completed in the format provided by the NJDOE, will describe how the school will reduce the number of incidents of violence as determined by the SSDS. The NJDOE will provide an early warning school with guidance for its school safety plan, as well as monitor the school's timely completion of the approved plan. A school receiving an "early warning" notice is not required to provide the transfer option to students.

In the spring of each following year, the NJDOE will reevaluate the school's progress towards completing its school safety plan and compare the current year's incidents of violence, as reported on the SSDS, to the criteria for determining PDS. The school will be notified of its status on or before July 31 of the respective year.

A school that no longer meets the criteria for PDS for one school year, the year in which the school safety plan was in effect, will no longer be required to submit a school safety plan.

A school that meets the criteria for PDS for a third consecutive year will be designated persistently dangerous and will be required to submit for approval a corrective action plan on or before September 30 of that year, which will apply to the respective school year and provide the transfer option to students in the school designated as persistently dangerous.

5. Schools Not Receiving ESSA Funds, but Meeting the Criteria for PDS.

School buildings and districts that do not receive Federal funds under ESSA, but meet any one of the criteria for PDS, will be contacted by the NJDOE and be required to develop and submit for approval a school safety plan on or before September 30 of the respective year. The school safety plan must be completed in the format provided by the NJDOE and describe how the school will reduce the number of incidents of violence as determined by the SSDS. The NJDOE will provide the school with guidance for its school safety plan, as well as monitor the school's timely completion of the approved plan.

USCO Policy Provision II - Victims of Violent Criminal Offenses

The Unsafe School Choice Option provision under the ESSA requires a student who becomes a victim of a violent criminal offense, as determined by State law, while in or on the grounds of a public elementary or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the district, including a public charter school.

The individual victim provision of this Policy attempts to fulfill the requirement for the school district to provide relief to students who have been victimized, while providing a school with a practical means for making determinations on incidents of victimization that are within the purview of the school district. The individual victim section of this Policy has been crafted to enable school staff to make reasonable determinations and actions regarding this Policy. The Superintendent will consult with the Board attorney and communicate with designated local and/or county law enforcement authorities, per the provisions of the *Uniform State Memorandum of Agreement Between Education and Law Enforcement Officials and N.J.A.C. 6A:16-6.2(b)13*, on questions and issues that arise in the implementation of the individual victims of violent criminal offenses section of this Policy.

1. Criteria for Determining Victims of Violent Criminal Offenses

The following criteria must be used to determine when an enrolled student has become a victim of a violent criminal offense while in or on the grounds of a public elementary or secondary school that the student attends. These criteria only apply to a student who has become a victim of one or more of the violent criminal offenses enumerated below:

A student is considered a victim of a violent criminal offense when:

- a. A referral has been made to law enforcement officials for suspicion that one of the violent criminal offenses enumerated below has occurred; and
- b. One or more of the following applies:
 - (1) Law enforcement officials have filed formal charges against the offender(s) for commission of the violent crime; or
 - (2) The offender(s) has received sanctions in accordance with the Board of Education's Code of Student Conduct; or
 - (3) The offender(s) either has not been identified or is not an enrolled student(s), but it is clear that the student (victim) has become a victim of a violent criminal offense based on objective indicators such as physical evidence, eyewitness testimony, and/or circumstantial evidence; or
 - (4) The pre-existence of a restraining order against the offender(s).

2. Procedures and Guidelines

Effective the first day of each school year, the district must be prepared to begin the transfer of any student who chooses to exercise the individual choice option provision. The district must offer, within fourteen calendar days of the incident, an opportunity to transfer to a safe public school within the district to any student who has become a victim of a violent criminal offense while in or on the grounds of a public school that the student attends. While the student must be offered the opportunity to transfer, the student may elect to remain at the school.

To the extent possible, the district will allow any transferring student to transfer to a school that has not been identified as low performing, under the State's ESSA accountability system. The district may take into account the needs and preferences of the affected student and his or her parent(s). Transfers must occur within thirty days of the determination that the student was a victim of a violent criminal offense.

3. Violent Criminal Offenses

The violent criminal offenses under New Jersey statutes that apply to the individual victim provision of this Policy are identified and explained below. The offenses apply to completed offenses, as well as attempts to commit the offenses. The offenses and attempts to commit the offenses apply only when they occur in or on the school grounds, as defined in N.J.A.C. 6A:16-1.3, of the school that the student attends. The offenses apply whether they occur wholly or in part in or on the grounds of the school that the student attends. The offenses apply only to acts or attempts that are directed at a person (victim) or a group of specified individuals (victims), rather than acts that indiscriminately affect the entire school population or non-specified individuals or groups.

4. Applicable Violent Criminal Offenses

Below is a description of each applicable violent criminal offense that is based upon New Jersey statutes and references to statutory citations that provide complete explanations of each designated offense. The descriptions provided below are not intended to be a complete explanation of each offense or a substitute for the actual provisions of the authorizing statutes. Instead, the descriptions are provided as an aid in facilitating understanding of the general intent and practical applications of the violent criminal offenses that pertain to this Policy.

- a. Homicide [N.J.S.A. 2C:11-2] - A student is a victim of a homicide when he or she is the child, sibling or other relative of a decedent, resulting from someone purposely, knowingly or recklessly causing the death of the student's parent, sibling or relative in or on school grounds.

- c. - (1) The victim is less than thirteen years old.
 - (2) The victim is at least thirteen, but less than sixteen years old; and the actor is at least four years older than the victim.
 - (3) The victim is at least sixteen years old, but less than eighteen years old; and the actor has supervisory or disciplinary power over the victim.
 - (4) The actor uses physical force or coercion.
 - (5) The victim is one whom the actor knew or should have known was physically helpless, mentally defective, or mentally incapacitated.
- d. Bias Intimidation [N.J.S.A. 2C:16-1(A)] - A person is a victim of the crime of bias intimidation when an actor commits, attempts to commit, conspires with another to commit or threatens the immediate commission of an offense specified in Chapters 11 through 18 of Title 2C of the New Jersey Statutes; N.J.S.A. 2C:33-4; N.J.S.A. 2C:39-3; N.J.S.A. 2C:39-4 or N.J.S.A. 2C:39-5 in the following circumstances:
- (1) With a purpose to intimidate a victim or a group of specified victims because of race, color, religion, gender, handicap, sexual orientation or ethnicity; or
 - (2) Knowing that the conduct constituting the offense would cause a victim or a group of specified victims to be intimidated because of race, color, religion, gender, handicap, sexual orientation or ethnicity; or
 - (3) Under circumstances that caused any victim of the underlying offense to be intimidated and the victim, considering the manner in which the offense was committed, reasonably believed either that:

- (a) The offense was committed with a purpose to intimidate the victim or any person or entity in whose welfare the victim is interested because of race, color, religion, gender, handicap, sexual orientation or ethnicity; or
 - (b) The victim or the victim's property was selected to be the target of the offense because of race, color, religion, gender, handicap, sexual orientation or ethnicity.
- e. Terroristic Threat [N.J.S.A. 2C:12-3(A) and 2C:12-3(B)] - A person is a victim of a terroristic threat when the actor threatens to commit one of the violent criminal offenses enumerated under this Policy against the victim with the purpose to put the student in imminent fear of one of the violent crimes enumerated in this Policy Provision II under circumstances reasonably causing the victim to believe the immediacy of the threat and the likelihood that it will be carried out. The definition of terroristic threat applies to N.J.S.A. 2C:12-3(a) insofar as the threat was directed at a person (victim) or a group of specified individuals (victims).
- f. Robbery [N.J.S.A. 2C:15-1] - A person is a victim of a robbery when the actor, in the course of committing a theft, inflicts bodily injury; or uses force upon the victim; or threatens the victim with or purposely puts the victim in fear of immediate bodily injury.

- h. Arson [N.J.S.A. 2C:17-1] - A person is a victim of arson when the actor purposely or knowingly starts a fire or causes an explosion in or on the grounds of a school whereby the victim or group of specified victims are in danger of death or bodily injury; or with the purpose of destroying or damaging the victim's or group of specified victim's property that is in the school or on school grounds.

Miscellaneous Provisions of USCO

1. Transfer Time Period – PDS

The transfer will be temporary and will be in effect as long as the student’s original school is identified as persistently dangerous.

The transfer may be in effect longer and the district will consider the educational needs of the student, as well as other factors affecting the student’s ability to succeed if returned to the transferring school. (i.e. The school district may allow a student to complete his or her education through the highest grade level at the receiving school if the student would otherwise be required to return to their original school.)

2. Charter School Transfer Option

While ESSA permits affected students to be afforded the opportunity to attend a public charter school, in addition to a safe public elementary school or secondary school within the school district, the application of this provision in New Jersey is limited. Transfers to a charter school can only occur as a part of the charter school’s “equal opportunity” selection process and among charter schools administered under the same managing authority (i.e., charter schools within the charter school district).

Since charter schools in New Jersey are considered public local education agencies pursuant to N.J.S.A. 18A:36A-3, operated independently of a local board of education, transfers may only take place among charter schools within the LEA. Therefore, students may be permitted to transfer to another charter school that is administered under the same managing authority of the charter school, but are not permitted to transfer to a school in the local public school district administered by a local board of education.

However, pursuant to N.J.S.A. 18A:36A-7, a charter school must be open to all students on a space available basis and may not discriminate in its admission policies or practices (although it may establish reasonable criteria to evaluate prospective students), and in accordance with N.J.S.A. 18A:36A-8, if there are more applications to enroll in the charter school than there are spaces available, the charter school must select students to attend using a random selection process for enrollment.

3. Funding Sources for USCO

The USCO statute does not authorize resources specifically to help cover USCO costs associated with the transferring a student from a PDS. However, under certain circumstances Federal funds may be used. For example, ESEA Title IV, Part A [Section 4115(b)(2)(E)(v)] funds under SDFSCA (Title IV, Part A of the NCLB) may be used to establish safe zones of passage to and from school to ensure that students travel safely on their way to school and on their way home. In addition, ESEA Title IV, Part A [Sections 5121(8) and 5131(12) and (25)] funds may be used to help cover costs such as tuition or transportation related to the USCO or expansion of public school choice.

4. Special Education Students

The district will provide transferred special education students with the program required by the student's Individualized Education Program (IEP).

5. Transfer Schools

In the event there is not another school within the school district for a transferring student, the district is not required to transfer the student to a school outside the school district..

6. The district will offer students the transfer option if they do not meet the criteria for determining victims of violent criminal offenses under the USCO Policy Provision II as one response for providing relief to students whose victimization has affected their safety and ability to learn.

The district will use the school choice option as one response to incidents of victimization. Additionally, the district will develop and implement appropriate strategies for addressing the circumstances that contribute to or support victimization, as well as consistently and proactively manage individuals who have victimized students. The district will promote the importance of school safety and respond to the needs of students and staff. Pursuant to the law, the district will provide an opportunity for students, parents and school district and law enforcement personnel to discuss methods for keeping schools safe from violence; to create school safety plans; and to recognize students in need of help. The district will organize activities to prevent school violence, including, but not limited to, age-appropriate opportunities for student discussion on conflict resolution, issues of student diversity and tolerance. Law enforcement personnel will be invited to join members of the teaching staff in the discussions. Programs shall also be provided for school district employees that are designated to help school district employees recognize warning signs

of school violence and to instruct school district employees on recommended conduct during an incident of school violence.

In accordance with the provisions of N.J.S.A. 18A:17-46, two times each school year, between September 1 and January 1 and between January 1 and June 30, at a public hearing, the Superintendent shall report to the Board of Education all acts of violence; vandalism; and harassment, intimidation, and bullying which occurred during the previous reporting period.

2415.20 EVERY STUDENT SUCCEEDS ACT
COMPLAINTS

The Every Student Succeeds Act (ESSA) reauthorized the Elementary and Secondary Education Act of 1965 (ESEA). A Board of Education shall adopt a policy and written procedures for resolving a written complaint presented by an individual or organization that alleges violations in the administration of the ESSA programs as identified by the New Jersey Department of Education (NJDOE).

Policy and Regulation 2415.20 set forth the requirements for resolving complaints presented by any individual or organization that:

1. A school, school district, other agency authorized by the school district, or by the NJDOE violated the administration of education programs authorized by the ESEA as amended by the ESSA ; and/or
2. The NJDOE violated the administration of education programs required by the ESEA as amended by ESSA.

Complaints regarding nonpublic school officials alleging school district noncompliance must pertain to at least one of the following three specific reasons:

1. The school district did not engage in consultation that was meaningful and timely;
2. The school district did not give due consideration to the views of the nonpublic school officials; or
3. The school district did not make a decision that treats the nonpublic school or its students equitable and in accordance with ESEA Section 1117 or Section 8501.

A complaint shall be written and must identify, at a minimum, the alleged ESEA violation; a description of previous steps taken to resolve the matter; the facts supporting the alleged violation as understood by the complainant at the time of submission; and any supporting documentation.

A complaint alleging a school in the district, school district, or other agency authorized by the school district, or the NJDOE violated the administration of a program must be submitted to the Director of Education. The Director of Education shall be responsible to coordinate the investigation of the Complaint. The Director of Education shall submit a written report regarding the outcome of the investigation to the complainant.

If the complainant is not satisfied with the outcome of the investigation by the school district, the complainant must submit a written complaint to the Executive County Superintendent for the county where the school district is located. This process does not apply to alleged violations concerning participation of nonpublic school children.

The Executive County Superintendent will coordinate the investigation of a complaint. When the investigation is complete, the Executive County Superintendent will notify the complainant in writing regarding the outcome of the investigation. If it is determined a violation has occurred, the Executive County Superintendent will identify and impose the appropriate consequences or corrective action in accordance with statute and/or regulation to resolve the complaint. If the complainant is not satisfied with the determination that is made by the Executive County Superintendent, the complainant may submit a written request for review of that determination to the Assistant Commissioner .

A complaint alleging the NJDOE violated the administration of a program must be submitted to the designated New Jersey Department of Education Assistant Commissioner. The appropriate NJDOE Office assigned by the Assistant Commissioner will coordinate the investigation of a complaint. When the investigation is complete, the Assistant Commissioner will notify the complainant in writing regarding the outcome of the investigation. If it is determined a violation has occurred, the Assistant Commissioner will identify and impose the appropriate consequences or corrective actions as required by statute and/or regulation to resolve the complaint. If a complainant does not agree with the NJDOE's decision, the complainant may appeal to the Secretary of the United States Department of Education.

To initiate a complaint regarding participation of nonpublic school children, a complainant must submit a written complaint to the NJDOE Nonpublic Ombudsman in accordance with NJDOE procedures.

2415.30 TITLE I – EDUCATIONAL STABILITY FOR
CHILDREN IN FOSTER CARE

The Federal Every Student Succeeds Act (ESSA), which reauthorized the Elementary and Secondary Education Act (ESEA), initiated protections for children in foster care that further enhanced the requirements of the Fostering Connections to Success and Increasing Adoptions Act of 2008 (Fostering Connections Act). These provisions require school districts to work with child welfare agencies to ensure the educational stability of children in foster care. New Jersey statutes support and implement Federal legislation and require New Jersey’s child welfare agencies and school districts to collaborate and to keep children placed in foster care in the same school when their living placements change if remaining in that school is in the child’s best interest. The educational stability of children in foster care is the joint responsibility of both the educational and child welfare systems.

The Superintendent of Schools shall be designated as the Board of Education’s point of contact person for all matters related to the educational stability for children in foster care. The point of contact person for the school district shall not be the same person designated as the school district liaison for the education of homeless children.

For the purpose of this Policy, “child welfare agency” shall be the New Jersey Department of Children and Families.

For the purpose of this Policy, “foster care” means twenty-four hour substitute care for children placed away from their parents and for whom the child welfare agency has placement and care responsibility. This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and pre-adoptive homes.

For the purpose of this Policy, “school of origin” is the school district in which the child is enrolled at the time of placement in foster care or the school district of residence as per N.J.S.A. 30:4C-26 and N.J.S.A. 18A:7B-12.

A child in foster care shall remain in his/her school of origin if it is determined to be in the best interest of the child for the duration of time in foster care.

Title I – Educational Stability for Children in Foster Care

If a student attending the school district in accordance with the provisions of N.J.S.A. 18A:38-1 et seq. is placed in foster care, the school district contact person will collaborate with child welfare agencies to determine whether it is in the child's best interest to remain in the school district taking into consideration all factors relating to the child's best interest. These factors shall include the appropriateness of the current educational setting and proximity of placement (ESEA Section 1111(g)(1)(E)(i)). These factors may include, but are not limited to:

1. Preferences of the child;
2. Preferences of the child's parent(s) or educational decision maker(s);
3. The child's attachment to the school, including meaningful relationships with staff and peers;
4. The proximity of the resource family home to the child's present school;
5. The age and grade level of the child as it relates to the other best-interest factors;
6. The needs of the child, including social adjustment and well-being;
7. The child's performance, continuity of education, and engagement in the school the child presently attends;
8. The child's special education programming if the child is classified;
9. The point of time in the school year;
10. The child's permanency goal and likelihood of reunification;
11. The anticipated duration of the placement;
12. Placement of the child's sibling(s);
13. Influence of the school climate on the child, including safety;
14. The availability and quality of the services in the school to meet the child's educational and socioemotional needs;
15. History of school transfers and how they have impacted the child;

16. How the length of the commute would impact the child, based on the child's developmental stage;
17. Whether the child is a student with a disability under the Individuals with Disabilities Act (IDEA) who is receiving special education and related services or a student with a disability under Section 504 who is receiving special education or related aids and services and, if so, the availability of those required services in a school other than the school of origin; and
18. Whether the child is an English language learner (ELL) and is receiving language services, and, if so, the availability of those required services in a school other than the school of origin, consistent with Title VI and the Equal Educational Opportunities Act of 1974 (EEOA).

The school district's contact person will discuss these factors and will make every effort to gather meaningful input and participation from the relevant parties, including appropriate school personnel, in the best-interest determination.

Eligible students with disabilities retain their right to receive a free appropriate public education in the least restrictive environment. When making a best-interest determination regarding the educational placement of a student with a disability under IDEA and Section 504, the Board must ensure that all required special education and related services are provided in the least restrictive placement where the child's unique needs, as described in the student's Individualized Education Program (IEP) or Section 504 Plan, can be met. The school district will identify and assess all potential ELL students and provide all ELL students, including ELL students in foster care, with a language assistance program that is educationally sound and proven successful. When a best-interest determination is made for an ELL student in foster care, the Board of Education will comply with its obligations under Title VI and the EEOA.

To the extent feasible, a child shall remain in his/her school of origin until a final best-interest determination is made. The child welfare agency will notify the school district of origin of the child's school placement after collaboration with the Board of Education's point of contact person and after the child's best-interest determination has been made. If a change of school is recommended by the child welfare agency, the new school shall immediately contact the school of origin to obtain relevant academic and other records of the foster care child. The financial responsibility for the payment of tuition for a foster care child placed outside the school district of origin and attending school outside the school district of origin shall be determined by the Commissioner of Education in accordance with N.J.S.A. 18A:7B-12 – Determination of District of Residence.

Title I – Educational Stability for Children in Foster Care

A foster care child who has been placed in this district and exits foster care during the school year will be permitted to continue in this school district for the remainder of the school year.

In the event there is a disagreement regarding school placement for a child in foster care, the school district will comply with the legal requirements for resolving the dispute. A parent can appeal a best-interest determination whenever the child changes schools.

Children placed in foster care outside the school district of origin, attending a school in that district, will be provided transportation to and from school in accordance with N.J.A.C. 6A:27-6.1 et seq. and the Transportation Policy of that district. The district of origin is financially responsible for transportation costs to and from school.

Children placed in foster care outside the school district of origin, but remaining in a school within the school district of origin, shall receive transportation to and from school on a “cost-efficient” manner and in accordance with Section 475(4)(A) of the Social Security Act for the duration of the time the child is in foster care. The district of origin is financially responsible for transportation costs to and from school.

The cost of transportation shall not be considered when determining the best interest of the child.

Section 475(4)(A) of the Social Security Act provides guidance on “cost-effective” transportation as it relates to the cost of reasonable travel for foster care children placed outside the school district of origin to their school of origin indicating: the child may be dropped off at a bus stop just within the school district of origin to be transported to a school in the district of origin; the school district may offer a public transportation option; the foster care parents or other families may be willing to drive the child to school in the school district of origin; the school district may utilize pre-existing bus routes or stops close to the out-of-district foster care placement that cross school district boundaries; or the foster care child may be eligible for transportation under other Federal or State requirements.

In the event there is a disagreement regarding transportation for a child in foster care, the school district will comply with the New Jersey Department of Education requirements for resolving the dispute. The Board of Education shall provide or arrange for adequate and appropriate transportation for foster care children while any disputes are being resolved.

In all cases regarding student data and records, the Board of Education will comply with all statutory requirements to protect student privacy, including Family Education Rights and Privacy Act (FERPA), and all other privacy requirements under Federal laws, State statutes, and administrative codes.

2423 BILINGUAL AND ELL EDUCATION

The Board of Education will provide programs of bilingual education, English language learner (ELL), and English language services for English language learners (ELLs) as required by law and rules of the State Board of Education. ELL's are those students whose native language is other than English and who have varying degrees of English language proficiency in any one of the domains of speaking, reading, writing, or listening and is synonymous with limited English speaking ability pursuant to N.J.S.A. 18:35-15 to 26.

Identification of ELL's

The Board will conduct a screening process to determine the native language of each ELL at the time of enrollment in the school district. A census shall be maintained of all identified students whose native language is other than English. The English language proficiency of each student whose native language is not English shall be determined by a screening process that includes the administration of a New Jersey Department of Education approved English language proficiency test, an assessment of the student's level of reading in English, a review of the student's previous academic performance including their performance on standardized tests in English, and a review of the input of teaching staff members responsible for the educational program for ELLs.

Program Implementation

The district shall provide the following programs:

1. An English language services program to improve the English language proficiency of ELLs whenever there are at least one, but fewer than ten ELL's enrolled in the schools district. English language services shall be provided in addition to the regular school program;
2. An ELL program that provides at least one period of ELL instruction based on student language proficiency whenever there are ten or more ELL's enrolled in the schools district; and
3. A bilingual education program whenever there are twenty or more ELL's in any one-language classification enrolled in the school district pursuant to N.J.S.A. 18A:35-18. Where the age range, grade span, and/or geographical location of eligible students makes a full-time bilingual program impractical, the Board may annually offer an instructional program alternative, provided a waiver for the alternative program has been requested and approval has been granted by the Department of Education. The Board may establish a program in bilingual education for any language classification with fewer than twenty students.

All teachers in these programs shall be appropriately certified in accordance with the requirements as outlined in N.J.A.C. 6A:15-1.9. Every student participating in a bilingual, ELL, or English language services program shall be entitled to continue such participation for a period of three years pursuant to N.J.S.A. 18A:35-19.

Bilingual, English Language Learner, and English Language Services Program Enrollment, Assessment, Exit, and Re-entry

Students enrolled in a bilingual, ELL, or English language services program shall be assessed annually using a New Jersey Department of Education approved English language proficiency test to determine their progress in achieving English language proficiency goals and readiness for exiting the program. ELL's enrolled in a bilingual, ELL, or English language services program shall be placed in a monolingual English program when they have demonstrated readiness to function successfully in the English-only program. The process to determine the readiness or inability of the individual student to function successfully in the English-only program shall be initiated by the student's level of English proficiency as measured by a New Jersey Department of Education established standard on an English language proficiency test. The readiness of the student shall be further assessed on the basis of multiple indicators that shall include, at a minimum: classroom performance; the student's reading level in English; the judgment of the teaching staff member or members responsible for the educational program of the student; and performance on achievement tests in English.

In accordance with provisions of N.J.S.A. 18A:35-22.1, a parent(s) or legal guardian(s) may remove a student who is enrolled in a bilingual education program at any time; except that during the first three years of a student's participation in a bilingual education program, the parent(s) or legal guardian(s) may only remove the student at the end of each school year. If during the first three years of a student's participation in a bilingual education program, a parent(s) or legal guardian(s) wishes to remove the student prior to the end of each school year, the removal must be approved by the Executive County Superintendent of Schools. The parent(s) or legal guardian(s) may appeal the Executive County Superintendent's decision to the Commissioner of Education.

Newly exited students who are not progressing in the mainstream English program may be considered for re-entry to bilingual and ELL programs in accordance with the provisions of N.J.A.C. 6A:15-1.10(e)1 through (e)5.

When the review process for exiting a student from a bilingual, ELL, or English language services program has been completed, the student's parent(s) or legal guardian(s) shall be informed by mail of the placement determination. A parent(s) or legal guardian(s) or teaching staff member who disagrees with the proposed placement may appeal the decision in writing to the Superintendent

or designee, who will provide a written explanation for the decision within seven working days. The complainant may appeal this decision in writing to the Board within seven calendar days of receiving the Superintendent's or designee's written explanation of the decision. The Board will review the appeal and respond in writing to the parent within forty-five calendar days of the Board's receipt of the parent's written appeal to the Board. A complainant not satisfied with the Board's determination of the appeal may appeal to the Commissioner of Education.

The parent(s) or legal guardian(s) of ELL's will be notified in accordance with the provisions of N.J.A.C. 6A:15-1.13 that their child has been identified as eligible for enrollment in a bilingual, ELL or English language services program. Notice shall be in writing and in the language in which the parent(s) possesses a primary speaking ability, and in English. 2425 EMERGENCY VIRTUAL OR REMOTE
INSTRUCTION PROGRAM

The Board of Education is committed to providing a high quality educational program, virtually or remotely, in the event a school or the schools of the district are required to close for more than three consecutive school days due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure. The district's virtual or remote program of instruction shall be in accordance with N.J.S.A. 18A:7F-9.

In the event the school district is required to close a school or the schools of the district for more than three consecutive school days due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure, the Commissioner of Education shall allow the district to apply to the 180-day requirement established pursuant to N.J.S.A. 18A:7F-9, one or more days of virtual or remote instruction provided to students on the day or days the schools of the district were closed if the program of virtual or remote instruction meets such criteria as may be established by the Commissioner Education.

The Superintendent of Schools shall submit, with Board approval, the school district's program of virtual or remote instruction to the Commissioner of Education by no later than October 29, 2021 and annually thereafter.

A day of virtual or remote instruction, if instituted under the district's Commissioner of Education's approved program of virtual or remote instruction, shall be considered the equivalent of a full day of school attendance for the purposes of meeting State and local graduation requirements, the awarding of course credit, and other such matters as determined by the Commissioner of Education.

Any district program of virtual or remote instruction implemented for the general education students shall provide the same educational opportunities to students with disabilities. Special education and related services, including speech language services, counseling services, physical therapy, occupational therapy, and behavioral services, may be delivered to students with disabilities through the use of electronic communication or a virtual or online platform and as required by the student's Individualized Education Program (IEP), to the greatest extent practicable.

In the event the State or local health department determines it is advisable to close or mandates closure of the schools of the district due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure, the Superintendent shall have the authority to implement the school district's program of virtual or remote instruction. The Superintendent shall consult with the Board prior to such decision, if practicable. The Superintendent shall ensure that students, parents, staff, and the Board are informed promptly of the Superintendent's decision.

Nothing in N.J.S.A. 18A:7F-9 and this Policy shall be construed to limit, supersede or preempt rights, privileges, compensation, remedies, and procedures afforded to public employees or a collective bargaining unit under Federal or State law or any provision of a collective bargaining agreement entered into by the school district.

In the event of the closure of a school or the schools of the district due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure for a period longer than three consecutive school days:

1. District employees shall be entitled to compensation, benefits, and emoluments pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(1) and (2).
2. The district shall continue to make payments of benefits, compensation, and emoluments pursuant to the terms of a contract with a contracted service provider in effect on the date of the closure as if the services for such benefits, compensation, and emoluments had been provided, and as if the school facilities had remained open pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(3).
3. The district shall be obligated to make payments for benefits, compensation, and emoluments and all payments required pursuant to N.J.S.A. 18A:6-51 et seq., to an educational services commission, county special services school district, and a jointure commission, and under any shared services agreement and cooperative contract entered into with any other public entity pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(4).
4. An educational services commission, county special services school district, and a jointure commission shall continue to make payments of benefits, compensation, and emoluments pursuant to the terms of a contract with a contracted service provider or a shared services agreement in effect on the date of the closure as if the

services for such benefits, compensation, and emoluments had been provided, and as if the school facilities had remained open pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(4).

The provisions of N.J.S.A. 18A:7F-9.e.(1) through (4) shall not apply to any employee whose weekly hours of work are reduced, and to whom unemployment benefits are provided, pursuant to a shared work program approved pursuant to the provisions of N.J.S.A. 43:21-20.3 et seq. A contracted service provider, educational services commission, county special services school district, or jointure commission shall notify the district with which it has entered into a contract to provide services of its intent to reduce the hours of work of its employees pursuant to a shared work program approved pursuant to the provisions of N.J.S.A. 43:21-20.3 et seq.

1. Notwithstanding the provisions of N.J.S.A. 18A:7F-9.e.(3), if a contracted service provider reduces the amount that it pays to its employees providing services to a school district, and that reduction is the result of a reduction of workhours of those employees made pursuant to a shared work program approved pursuant to the provisions of N.J.S.A. 43:21-20.3 et seq., then the amount paid by the district to the contracted service provider shall be reduced by the same amount.
2. This Policy may be revised as necessary by the Superintendent in accordance with N.J.S.A. 18A:7F-9. The school district's emergency virtual or remote instruction program shall be available on the school district's website.

 - a. Small learning communities in free-standing facilities or within larger facilities;
 - b. Ninth grade academies where freshman students remain together and are provided with a supportive environment to enhance their successful transition to high school;
 - c. Student support systems where students are assigned an adult mentor or team of adults who know(s) them and can support student efforts in achieving goals and solving problems;
 - d. Academies with a career focus;
 - e. Multi-grade academies where students at various grade levels may remain with a core group of teachers for multiple years in an academy-type format which may be organized around a particular theme and involve interdisciplinary teaming; or
 - f. Other practices for personalizing learning environments that strengthen relationships among students, teachers, staff members, families, and the larger community.

The school district shall implement academic coursework aligned to N.J.A.C. 6A:8-5.1 that prepares all students for success in postsecondary education and/or careers after graduation, including the development of academic skills integral to success in rigorous high school courses.

Beginning in 2008-2009, all students entering grade nine shall complete by the end of their high school education, at a minimum, coursework in language arts literacy, mathematics, and science. These shall include college level preparatory English I, II, III and IV, Algebra I, Lab Biology or the equivalent content taught in an integrated or career-based format, and other coursework as specified in N.J.A.C. 6A:8.

2430 CO-CURRICULAR ACTIVITIES

The Board of Education believes that the goals and objectives of this district are best achieved by a diversity of learning experiences, some of which are more appropriately conducted outside the regular instructional program of the school. The purpose of such co-curricular activities shall be to develop leadership capacities and good organizational skills, to aid in the socialization of students, and to enable students to explore a wider range of individual interests than might be available in the regular curricular program.

The Board shall make school facilities, supplies, and equipment available and assign staff members for the support of a program of co-curricular activities for students in grades five through twelve. The Board shall maintain the program of co-curricular activities at no cost to participating students, except that students may be required to provide supplies in accordance with Board Policy No. 2520 on instructional supplies and students may be required to assume all or part of the costs of travel and attendance at co-curricular events and trips.

For purposes of this policy, co-curricular activities are those activities conducted on or off school premises by clubs, associations, and organizations of students sponsored by the Board and do not include athletic competitions and practices. Co-curricular activities must be related to the curriculum but are not offered for credit toward promotion or graduation and are ordinarily conducted wholly or partly outside the regular school day.

The Board will permit the use of school facilities by organizations of students during student activity periods. No group of students, regardless of the size of the group, will be denied an opportunity to meet on the basis of the religious, political, philosophical, or other content of the speech at their meeting.

No co-curricular activity shall be considered to be under the sponsorship of this Board unless it has been approved by the Board on recommendation of the Superintendent.

Students shall be fully informed of the co-curricular activities available to them and of the eligibility standards established for participation in co-curricular activities. Co-curricular activities shall be available to all students who voluntarily elect to participate.

The Superintendent shall prepare procedures to implement a co-curricular program and shall assess the needs and interests of the students of this district and provide for the continuing evaluation of the co-curricular program.

For the purpose of this Policy, program of athletic competition includes all activities relating to competitive sports contests, games, events, or sports exhibitions involving individual students or teams of students when such events occur within or between schools within this district or with any schools outside this district. The programs of athletic competition shall include, but are not limited to, high school interscholastic athletic programs where school teams or squads play teams or squads from other school districts, intramural athletic programs within a school or among schools in the district and any cheerleading program and dance club or activity in the school district.

Eligibility Standards

Home schooled children are eligible to participate in the high school interscholastic athletic program of this district only if the school district, the parent, and the home schooled child comply with the Guidelines, Constitution, Bylaws, Rules and Regulations of NJSIAA, and the policies and regulations of the Board of Education.

2. A student in any grade must maintain a satisfactory record of attendance to be eligible for participation in school district sponsored programs of athletic competition. An attendance record is unsatisfactory if the number of unexcused absences exceed 18 school days in the (18 school year, 4 marking period, 9 semester) prior to the student commencing participation in school district sponsored programs of athletic competition. Exceptions may be made at the discretion of the Superintendent for extenuating circumstances, such as family emergencies.

A student who is absent with an unexcused absence for a school day may not participate in school district sponsored programs of athletic competition the afternoon or evening of that school day.

A student who is serving an in-school or out-of-school suspension may not participate in school district sponsored programs of athletic competition while serving the suspension.

4. A student in any grade who fails to observe school rules for student conduct may forfeit his/her eligibility for participation in school district sponsored programs of athletic competition.

Notice of the school district's eligibility requirements shall be available to students.

Required Examinations – Interscholastic or Intramural Team or Squad

Students enrolled in grades six to twelve must receive a medical examination, in accordance with the provisions of N.J.S.A. 18A:40-41.7, prior to participation on a school-sponsored interscholastic or intramural team or squad and any cheerleading program, marching band and dance club activity.

The examination shall be conducted within 365 days prior to the first day of official practice in an athletic season with examinations being conducted at the medical home of the student. The "medical home" is defined as a health care provider and that provider's practice site chosen by the student's parent for the provision of health care pursuant to N.J.A.C. 6A:16-1.3. If a student does not have a medical home, the school district shall provide the examination at the school physician's office or other comparably equipped facility. The parent may choose either the school physician or their own private physician to provide this medical examination. The medical examination required prior to participation shall be in accordance with the requirements as outlined in N.J.A.C. 6A:16-2.2(h)1 and Regulation 2431.2 and shall be documented using the Preparticipation Physical Evaluation form required by the Department of Education.

The school district shall distribute the Commissioner of Education developed sudden cardiac arrest pamphlet to a student participating in or desiring to participate in an athletic activity, as defined in N.J.S.A. 18A:40-41.e., and the student's parent(s) shall each year and prior to participation by the student in an athletic activity comply with the requirements of N.J.S.A. 18A:40-41.d.

Information concerning a student's HIV/AIDS status shall not be required as part of the medical examination or health history pursuant to N.J.S.A. 26:5C-1 et seq. The health findings of this medical examination shall be maintained as part of the student's health record.

Emergency Procedures

Athletic coaches shall be trained in first aid to include sports-related concussion and head injuries, the use of a defibrillator, the identification of student athletes who are injured or disabled in the course of any athletic program or activity, and any other first aid procedures or other health related trainings required by law or the Superintendent.

The Superintendent or designee shall establish and implement an emergency action plan for responding to a serious or potentially life-threatening sports-related injury in accordance with N.J.S.A. 18A:40-41.11. The plan shall document the proper procedures to be followed when a student sustains a serious injury while participating in sports or other athletic activity in accordance with N.J.S.A. 18A:40-41.11.

The emergency action plan shall be reviewed annually and updated as necessary. The plan shall be rehearsed annually in each school by the individuals who will be responsible for executing the plan in an emergency pursuant to N.J.S.A. 18A:40-41.11.

The Superintendent or designee shall prepare procedures for responding to a non-serious or non-life-threatening injury sustained by a student while participating in sports or other athletic activity. These procedures shall be reviewed annually, updated as necessary, and disseminated to appropriate staff members.

Interscholastic Standards

The Board shall approve annually a program of interscholastic athletics and shall require that all facilities utilized in that program, whether or not the property of this Board, properly safeguard both players and spectators and are kept free from hazardous conditions.

The Board adopts the Constitution, Bylaws, Rules, and Regulations of the New Jersey State Interscholastic Athletic Association as Board policy and shall review such rules on a regular basis to ascertain they continue to be in conformity with the objectives of this Board.

The Superintendent shall annually prepare, approve, and present to the Board for its consideration a program of interscholastic athletics that includes a complete schedule of athletic events and may inform the Board of changes in that schedule.

2431.3 HEAT PARTICIPATION POLICY FOR STUDENT-ATHLETE SAFETY

The Board of Education adopts this Policy as a measure to protect the safety, health, and welfare of students participating in school-sponsored athletic programs and extra-curricular activities. The Board believes practice and pre-season heat-acclimation guidelines for students will minimize injury and enhance a student's health, performance, and well-being.

In accordance with the provisions of N.J.S.A. 18A:11-3.10, a school district which is a member of any voluntary association, pursuant to N.J.S.A. 18A:11-3, which oversees activities associated with Statewide interscholastic sports programs shall adopt and implement the most current "Heat Participation Policy" required by the New Jersey State Interscholastic Athletic Association (NJSIAA) for conducting practice or games in all sports during times of high heat or humidity.

The NJSIAA Policy shall address:

1. The scheduling of practice or games during times of various heat and humidity levels;
2. The ratio of time devoted to workouts to time allotted for rest and hydration during various heat and humidity levels; and
3. The heat and humidity levels at which practice or games will be canceled.

The guidelines included in the NJSIAA Heat Participation Policy shall provide a default Policy to those responsible or sharing duties for making decisions concerning the implementation of modifications or cancellation of practices or games based on the presence of heat and humidity.

The Board of Education shall purchase a WetBulb Globe Temperature (WBGT) tool to measure the heat stress in direct sunlight at the practice or game site. Heat stress consists of temperature, humidity, wind speed, the angle of the sun, and cloud coverage.

The Board of Education shall adopt and implement the provisions of the NJSIAA Heat Participation Policy concerning the frequency and recording of WBGT measurements.

The provisions and requirements of this Policy and of the NJSIAA current Heat Participation Policy, which shall be utilized in conjunction with the current NJSIAA Pre-Season Heat Acclimatization Policy, shall be carried out by the Athletic Trainer, certified designee, or individual as appointed by the school staff member designated by the Superintendent to supervise athletics, which may include a coach or individual responsible for sharing duties for making decisions concerning the implementation of modifications or cancellation of practices and games based on WBGT measurements.

A copy of this Policy and NJSIAA's current Heat Participation Policy and Pre-Season Heat Acclimatization Policy shall be provided to each coach, as appropriate, and reviewed with all coaches by the Principal or designee which may include, but not be limited to, the Athletic Trainer or staff member supervising athletics as designated by the Superintendent prior to the first practice session of the season for each team. The Superintendent shall designate the staff member responsible to ensure compliance with this Policy and NJSIAA's current Heat Participation Policy and Pre-Season Heat Acclimatization Policy.

This Policy and the requirements outlined in this Policy shall apply to all student-athletes in grades nine through twelve participating in Statewide high school interscholastic athletic programs.

2431.4 PREVENTION AND TREATMENT OF SPORTS-RELATED CONCUSSIONS AND HEAD INJURIES

A concussion is a traumatic brain injury caused by a blow or motion to the head or body that disrupts the normal functioning of the brain and can cause significant and sustained neuropsychological impairments including, but not limited to, problem solving, planning, memory, and behavioral problems. In order to ensure safety, it is imperative that students participating in athletic competition, coaches, and parents are educated about the nature and treatment of sports-related concussions and other head injuries. Allowing a student to return to athletic competition before recovering from a concussion increases the chance of a more serious brain injury.

For the purpose of this Policy and Regulation 2431.4, programs of athletic competition shall include high school interscholastic athletic programs, middle school interscholastic athletic programs where school teams or squads play teams or squads from other school districts, intramural athletic programs within a school or among schools in the district, and any cheerleading program or activity in the school district.

The school district shall adopt an athletic head injury safety training program. The program shall be completed by the school physician, any individual who coaches in an athletic competition, an athletic trainer involved in any athletic competition, and the school nurse. The training program shall be in accordance with guidance provided by the New Jersey Department of Education (NJDOE) and the requirements of N.J.S.A. 18A:40-41.2.

The school district shall annually distribute the NJDOE-developed educational fact sheet regarding sports-related concussions and other head injuries to all parents of students participating in any athletic competition or practice and shall obtain a signed acknowledgement of the receipt of the fact sheet by the student and their parent in accordance with N.J.S.A. 18A:40-41.2(c).

A student who participates in an athletic competition or practice and who sustains or is suspected of sustaining a concussion or other head injury shall be immediately removed from athletic competition or practice. A student removed from athletic competition or practice shall not participate in further athletic competition or practice until they are evaluated by a physician or other licensed healthcare provider trained in the evaluation and management of concussions and receives written clearance from a physician trained in the evaluation and management of concussions to return to athletic competition or practice; and the student returns to regular school activities and is no longer experiencing symptoms of the injury when conducting those activities in accordance with N.J.S.A. 18A:40-41.4.

The return of a student to athletic competition or practice shall also be in accordance with the graduated, six-step “Return to Play Progression” recommendations and any subsequent changes or other updates to these recommendations as developed by the Centers for Disease Control and Prevention (CDC). The Board shall revise this Policy and Regulation 2431.4 whenever the CDC changes or otherwise updates the “Return to Play Progression” recommendations.

The school district shall provide a copy of this Policy and Regulation 2431.4 to all youth sports team organizations that operate on school grounds. In accordance with the provisions of N.J.S.A. 18A:40-41.5, the school district shall not be liable for the injury or death of a person due to the action or inaction of persons employed by, or under contract with, a youth sports team organization that operates on school grounds, if the youth sports team organization provides the school district proof of an insurance policy of an amount of not less than \$50,000 per person, per occurrence insuring the youth sports team organization against liability for any bodily injury suffered by a person and a statement of compliance with this Policy and Regulation 2431.4.

Pursuant to N.J.S.A. 18A:40-41.5 and for the purpose of this Policy, a “youth sports team organization” means one or more sports teams organized pursuant to a nonprofit or similar charter or which are member teams in a league organized by or affiliated with a county or municipal recreation department.

This Policy and Regulation 2431.4 shall be reviewed and approved by the school physician annually and updated as necessary to ensure it reflects the most current information available on the prevention, risk, and treatment of sports-related concussions and other head injuries in accordance with N.J.S.A. 18A:40-41.3.

2432 SCHOOL SPONSORED PUBLICATIONS

The Board of Education sponsors student publications as important elements of the instructional program. Students are encouraged to develop skills of written and verbal communication and to exercise the right to express their opinions freely and responsibly.

The rights of free speech, and free expression of students in public schools pursuant to the First Amendment, are not automatically coextensive with the rights of adults in other settings and shall be applied in light of the special characteristics of the school environment. The Board of Education reserves the right to exercise prepublication control over school-sponsored publications through administrative staff and faculty. Students shall have the right to appeal the exercise of censorship by school district staff to the Board of Education.

Student expression may be restricted, if it can be determined that such expression is inconsistent with the basic educational mission of the school district and when censorship action is reasonably related to legitimate educational concerns.

Students who violate this policy by expression, publication or distribution of any materials which are biased or prejudiced, vulgar or profane, unsuitable for immature audiences, or which do not meet the school district's high standards of learning and propriety consistent with its educational goals and objectives may be subject to appropriate discipline.

This policy shall be implemented in accordance with regulations to be developed by the Superintendent. The regulations shall:

- A. Identify school district staff responsible for student publications;
- B. Establish procedures for prepublication review; and
- C. Specify procedures for appeal by students to the Board of Education with provisions for prompt decisions to be made at each level.

2436 ACTIVITY PARTICIPATION FEE PROGRAM-PAY TO PARTICIPATE

The Board of Education recognizes the value of athletic competition and co-curricular activities outside the regular instructional program. However, with reduced or limited revenue and increased expenses, the Board must consider alternative revenue options to support these school-sponsored activities. Therefore, the Board of Education authorizes the establishment of an activity participation fee program as a supplemental revenue source contributing to a percentage of the school district's total costs for operating school-sponsored activities.

The Pay-to-Participate Program will require each High School student participating in a school-sponsored athletic or co-curricular activity to pay a once-a-year fee for unlimited participation. The specific activities and fee amounts, including late fees, will be recommended by the Superintendent of Schools and approved annually at the April Board of Education meeting.

The activity fee shall be capped with a maximum total activity fee per student, and with a per family maximum fee, regardless of the number of activities the student/family elects to participate in throughout the school year. This per student annual fee shall be paid to the Athletic Office with the activity's permission slip when the student registers/signs-up for his/her first activity of the school year. Payments of fee would be part of the clearance procedure to participate. If a student is not cleared, he/she cannot participate. Parents and students should understand that this fee simply entitles the participant to participate in the activity. It does not guarantee playing time in games, lead roles in performances, etc. nor does it ensure specific positions on a team. Those decisions will remain with the coaches and advisors.

Students that only participate in activity that is currently paid for in total by parents/booster club; i.e., Community School Clubs, Ice Hockey Team, would not be subject to the activity fee. For example, if a student only participated in ice hockey, he/she would not pay. If a student participated in ice hockey and baseball, he/she would pay.

The activity fee will be waived on financial hardship using the New Jersey eligibility standards established for free and reduced price meals. To be eligible for this waiver, the parent shall submit, along with the permission slip for the activity, either a district authorized free/reduced lunch card or a completed Free and Reduced Price School Meals Household Application. Unapproved applications will be reviewed for eligibility prior to the student stating the activity.

A refund of the activity fee will only be made in the event the student is not accepted into the activity due to the lack of available space or opportunity within the activity (i.e. the student does not receive a part in a drama program production, the student is cut from an athletic team, it is determined the student is ineligible for participation in the activity due to any reason prior to participation in the activity etc.). A refund of the activity fee will also be provided in the event the district does not offer the activity subsequent to the registration/sign-up process. A refund will not be provided in the event the student quits during the course of the activity, or is removed from the team for disciplinary reasons or violations of school and activity procedures, policies or training rules. The Superintendent of Schools shall be authorized to approve an activity fee refund to a student for a reason(s) not listed above in extenuating circumstances.

Programs for gifted and talented students will be periodically evaluated for their continuing efficacy and adjusted accordingly.

The parent of any student identified as gifted or talented shall be consulted regarding any program designed to address the student's particular needs.

An individual who believes that the district has not complied with the provisions of N.J.S.A. 18A:35-34et seq. may file a complaint with the Board of Education. 2466 NEEDLESS PUBLIC LABELING OF STUDENTS WITH DISABILITIES

The Board of Education guarantees the privacy provided by law that no student with a disability be labeled publicly. Therefore, any reference to a student with a disability brought to the attention of the Board and/or any other potential public reference to a student with a disability will be through the use of a district-developed method of coding that would ensure a student's name or other labeling would not identify the student as a student with a disability. Examples where public labeling of students with disabilities shall be avoided include, but are not limited to, Board meeting agenda information, public address announcements, building/classroom signs, public school documents, and/or any other school publication identifying a student with a disability or class/program of students with disabilities.

This applies to schedules, class lists, transportation lists, public address announcements, and any other form of communication that has any potential for any exposure other than for the use by appropriately authorized school staff.

2467 SURROGATE PARENTS AND RESOURCE
FAMILY PARENTS

Federal and State laws require the Board ensure the rights of a student are protected through the provision of an individual to act as surrogate for the parent and assume all parental rights under N.J.A.C. 6A:14-2.2 when:

1. The parent cannot be identified;
2. The parent cannot be located after reasonable efforts;
3. An agency of the State of New Jersey has guardianship of the student or the student is determined a ward of the State and, if the student is placed with a resource family parent, the resource family parent declines to serve as the student's parent; or
4. The student is an unaccompanied youth as that term is defined in section 725(b) of the McKinney-Vento Homeless Assistance Act (42 USC §11434.(a)6) and N.J.A.C. 6A:17-1.2.

Qualifications and Selection

The district shall make reasonable efforts to appoint a surrogate parent within thirty days of the determination that a surrogate parent is needed for a student. If the district fails to appoint a surrogate parent for a ward of the State, a judge may appoint a surrogate parent if the judge determines a surrogate parent is necessary for such a student.

The district shall establish a method for selecting and training surrogate parents.

The person serving as a surrogate parent shall:

1. Have no interest that conflicts with the interest of the student they represent;
2. Possess the knowledge and skills that ensure adequate representation of the student;
3. Not be replaced without cause;
4. Be at least eighteen years of age; and

5. Complete a criminal history review pursuant to N.J.S.A. 18A:6-7.1 if the person serving as the surrogate parent is compensated.

The person(s) serving as a surrogate parent may not be an employee of the New Jersey Department of Education, this district, or a public or nonpublic agency that is involved in the education or care of the child.

The Director of Special Services shall serve as Surrogate Parent Coordinator and will: determine whether there is a need for a surrogate parent for a student, contact any State agency that is involved with the student to determine whether the State has a surrogate parent appointed for the student; and make reasonable efforts to appoint a surrogate parent for the student within thirty days of determining that there is a need for a surrogate parent for the student.

When a student who is or may be a student with a disability is in the care of a resource family parent, and the resource family parent is not the parent of the student, the district where the resource family parent resides shall contact the student's case manager at the Division of Child Protection and Permanency (DCP&P) in the Department of Children and Families to determine whether the parent retains the right to make educational decisions and determine the whereabouts of the parent.

If the parent retains the right to make educational decisions and the parent's whereabouts are known to the school district, the Superintendent or designee shall obtain all required consent from and provide written notices to the parent.

If the district cannot ascertain the whereabouts of the parent, the resource family parent shall serve as the parent unless that person is unwilling to do so. If there is no resource family parent, or if the resource family parent is unwilling to serve as the student's parent, the Surrogate Parent Coordinator shall consult with the student's case manager at DCP&P to assist in identifying an individual to serve as a surrogate parent, appointing a surrogate parent, and obtaining all required consent from and providing written notices to the surrogate parent.

2468 INDEPENDENT EDUCATIONAL EVALUATIONS

Special education law permits a parent to request an independent educational evaluation (IEE) for their child if there is disagreement with any evaluation provided by the Board of Education. An “independent educational evaluation” is an evaluation conducted by a qualified examiner who is not an employee of the public school district responsible for the education of the child in question. Such IEEs shall be provided at no cost to the parent unless the school district initiates a due process hearing in accordance with the provisions of N.J.A.C. 6A:14-2.7 et seq. to show that its evaluation is appropriate and a final determination to that effect is made following the hearing. If it is determined the school district’s evaluation is appropriate, the parent still has the right to an IEE, but not at the school district’s expense.

Upon receipt of a parental request for an IEE, the school district shall provide the parent with information about where an IEE may be obtained and the criteria for IEEs according to N.J.A.C. 6A:14-2.5(c)3 and (c)4 and the additional criteria outlined below in this Policy:

1. Any IEE paid for with public funds shall:
 - a. Be conducted according to the provisions of N.J.A.C. 6A:14-3.4; and
 - b. Be obtained from another public school district, educational services commission, jointure commission, a clinic or agency approved under N.J.A.C. 6A:14-5, or private practitioner, who is appropriately certified and/or licensed, where a license is required.
2. An independent medical evaluation may be obtained according to N.J.A.C. 6A:14-5.1(e).

Additional criteria for an IEE shall be as follows:

1. The Board will not pay for an IEE unless it complies with the following criteria unless the parent can show that unique circumstances warrant deviation from same:
 - a. The independent evaluator must be appropriately certified and/or licensed in the State of New Jersey. In instances where no applicable certification/license exists, the evaluator must provide the Board with documentation of extensive and recent training and experience related to the assessment of the known or suspected disability;

- b. The independent evaluator may only charge fees for educational evaluation services that, in the judgment of the Board, are reasonable in accordance with 2. below;
 - c. The independent evaluator must be free from any conflict of interest;
 - d. The independent evaluator and members of the Child Study Team must be permitted to directly communicate and share information with each other. The independent evaluator must also agree to release the assessment information, results, and report(s) to the school district prior to receipt of payment for services;
 - e. For any independent evaluation, whether paid for with public or private funds, the school district shall permit the evaluator to observe the student in the classroom or other educational setting, as applicable; and
 - f. The independent evaluator shall make at least one contact with the student's case manager for the purpose of determining how the student is progressing in his/her current programming.
2. The maximum allowable cost for an independent evaluation will be limited to the reasonable and customary rate, as determined and approved by the Board annually. This rate shall be in the range of what it would cost the Board to provide the same type of assessment through either another public school district, educational services commission, jointure commission, a clinic or agency approved under N.J.A.C. 6A:14-5, or private practitioner, who is appropriately certified and/or licensed, where a license is required. This Board-approved rate shall be provided to the parent upon their request for an IEE. The Board shall not be responsible for any costs beyond the IEE, such as transportation, lodging, food, etc.
- a. The parent may provide documentation to the Board demonstrating unique circumstances to justify an IEE that exceeds the maximum allowable cost established by the Board. If, in the Board's judgment, there is no justification for the excess cost, the Board may agree to fund the IEE up to the school district's maximum allowable cost with the parent responsible for any remaining costs. In the alternative, the Board may request a due process hearing to enforce its established maximum allowable cost.

Independent Educational Evaluations

Upon receipt of a parental request for an IEE, the school district shall take steps to ensure the IEE is provided without undue delay or not later than twenty calendar days after receipt of the parental request, the school district shall request a due process hearing in accordance with the provisions of N.J.A.C. 6A:14-2.7 et seq. to show that its evaluation is appropriate.

If a parent requests an IEE, the school district may ask the parent to explain why he or she objects to the school district's evaluation. However, the school district shall not require such an explanation and shall not delay either providing the IEE or initiating a due process hearing to defend the school district's evaluation.

Any IEE submitted to the district, including an IEE obtained by the parent at private expense, shall be considered in making decisions regarding special education and related services.

If an Administrative Law Judge orders that an IEE be conducted, the IEE shall be obtained by the district in accordance with the decision or Order of the Administrative Law Judge, and the Board of Education shall pay the cost of the IEE in accordance with the provisions of this Policy.

A parent is entitled to only one IEE paid for by the Board each time the school district conducts an evaluation with which the parent disagrees.

2631 NEW JERSEY QUALITY SINGLE ACCOUNTABILITY CONTINUUM
(QSAC)

The Board of Education and Superintendent of Schools will work with the New Jersey Department of Education to comply with the requirements of the New Jersey Quality Single Accountability Continuum (QSAC) system in accordance with the provisions of N.J.A.C. 6A:30-1.1 et seq. QSAC is the New Jersey Department of Education monitoring and evaluating system for public school districts. Public school districts in New Jersey are evaluated in five key component areas of school effectiveness – instruction and program, personnel, fiscal management, operations, and governance – to determine the extent to which the school district is providing a thorough and efficient education.

Weighted quality performance indicators established by the Department of Education shall be used by the Commissioner of Education to assess school district performance and capacity during the comprehensive reviews pursuant to N.J.A.C. 6A:30-3.1 through 3.4, the in-depth evaluation pursuant to N.J.A.C. 6A:30-5.3, and monitoring of an approved QSAC district improvement plan pursuant to N.J.A.C. 6A:30-5.6. The weighted quality performance indicators shall also be used by the Commissioner in determining whether to initiate intervention activities pursuant to N.J.A.C. 6A:30-6.2, withdrawal from intervention pursuant to N.J.A.C. 6A:30-7.1, and initial placement of Level II, Level III, and State-Operated School Districts on the performance continuum pursuant to N.J.A.C. 6A:30-8.3.

The Commissioner shall conduct a comprehensive review of each public school district every three years. In the intervening years, the Commissioner shall assess the school district's performance to determine whether conditions exist in the school district that significantly and negatively impact the educational program or operations of the school district.

The Superintendent shall be responsible for completing the District Performance Review in accordance with the requirements as outlined in N.J.A.C. 6A:30-3.2. The District Performance Review and a Statement of Assurance prepared in accordance with N.J.A.C. 6A:30-3.2(e) shall be approved by the Board of Education by resolution and submitted to the County Superintendent of Schools in accordance with the provisions of N.J.A.C. 6A:30-3.2(f) and (g). The district's District Performance Review and the Statement of Assurance will be reviewed and evaluated in accordance with the requirements of N.J.A.C. 6A:30-3.3. The Commissioner shall issue a final determination of the school district's performance and initial placement on the performance continuum in accordance with N.J.A.C. 6A:30-4.1.

The district will be required to commence improvement activities as set forth in N.J.A.C. 6A:30-5.3 through 5.7 in the event it satisfies less than eighty percent of the weighted quality performance indicators in one or more key components of school district effectiveness. Where appropriate, pursuant to the factors as outlined in N.J.A.C. 6A:30-6.2, the Commissioner may seek forms of partial or full intervention in a school district as outlined in N.J.A.C. 6A:30-6.1 et seq. Withdrawal from partial or full State intervention shall be in accordance with the provisions of N.J.A.C. 6A:30-7 et seq.

No provision of N.J.A.C. 6A:30 – Evaluation of the Performance of School Districts, shall limit the ability of the Department to monitor public school districts’ practices by, among other things, conducting on-site visits to observe instructional practices and school facilities or take other such action as in the judgment of the Commissioner or his/her designee that may be warranted to ensure the satisfaction of any statutory or constitutional obligation.

3125 EMPLOYMENT OF TEACHING STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the school district that teaching staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every teaching staff member employed by this district.

No teaching staff member shall be employed unless he/she is a holder of a valid certificate in accordance with the New Jersey Department of Education and applicable statutes and administrative codes. The Board will employ substitutes for absent teachers in order to ensure continuity in the instructional program and will annually approve a list of substitutes and rate of pay. The Superintendent or designee shall select substitutes from the list approved by the Board to serve in the place of an absent teaching staff member.

In accordance with the provisions of N.J.S.A. 18A:16-1.1, the Board of Education will provide written notice to a teaching staff member, other than a per diem substitute, of his/her designation as a replacement when the teaching staff member has been designated or appointed by the Board to act in place of any officer or employee during an absence, disability, or disqualification of any such officer or employee subject to the provisions of N.J.S.A. 18A:17-13. Per diem substitutes shall also be informed in their notice of approval that their employment is as a replacement staff member.

The Board may use a private contractor to secure a substitute teacher in accordance with N.J.A.C. 6A:9B-7.1(f).

The Board shall approve the employment, fix the compensation, and set the term of employment for each person employed in a summer school program. The Board will employ only those candidates recommended by the Superintendent. Service as a summer school teacher will not count toward the accrual of tenure or seniority.

The Superintendent shall recommend to the Board the employment of qualified coaches for the district's interscholastic and/or intramural athletic programs. The Board will employ as athletic coaches only those persons who have experience in and knowledge of the specific sport, are properly certified, and possess the personal characteristics that qualify them to serve as role models to students.

In accordance with the provisions of N.J.A.C. 6A:9B-5.16(a), any teaching staff member in the employ of the Board of Education shall be permitted to organize public school students for purposes of coaching or for conducting games, events, or contests in physical education or athletics. The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c.

In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

If the teacher, Principal, Assistant Principal, or Vice Principal is rated partially effective in two consecutive annual summative evaluations or is rated ineffective in an annual summative evaluation and the following year is rated partially effective in the annual summative evaluation, the Superintendent shall promptly file with the Secretary of the Board of Education a charge of inefficiency, except that the Superintendent upon a written finding of exceptional circumstances may defer the filing of tenure charges until after the next annual summative evaluation. If the employee is not rated effective or highly effective on this next annual summative evaluation, the Superintendent shall promptly file a charge of inefficiency.

Within thirty days of the filing, the Board of Education shall forward a written charge to the Commissioner of Education, unless the Board of Education determines the evaluation process has not been followed.

3146 CONDUCT OF REDUCTION IN FORCE

The West Milford Board of Education has the right under State law to abolish unilaterally any existing position in whole or in part and to reduce the number of employees in any category for reasons of economy, reduction in the number of students, change in the administrative or supervisory organization, change in the educational program or other good cause.

Should it become necessary to reduce the number of employees in the district, the laws and regulations of the State shall be the controlling guides. If, in the case of such reduction, candidates for termination are non-tenured personnel only, the primary basis for selection for termination or reduction shall be the needs of the district's educational program and the individual's contribution toward achievement of that program based on properly completed observations and evaluations.

If, in the case of such reduction, candidates for termination or reduction in grade are tenured in this district, the State regulations regarding seniority shall be the primary basis for decision. In the event that there should be equal applicable seniority among staff members, the decision for reduction or termination shall be based on the needs of the district's educational program and the individual's contribution toward achievement of that program based on properly completed observations and evaluations.

In no case shall any choice be based on arbitrary, capricious or discriminatory reasons.

The Superintendent of Schools shall prepare guidelines for restructuring positions and for determining objectively which employees are to be dismissed as a result, and shall present his/her recommendations to the Board for action.

3152 WITHHOLDING AN INCREMENT

Advancements on the salary guide, including annual employment and adjustment increments, are not automatically granted and must be earned by satisfactory performance. Advancements require favorable evaluations of the employee's performance of assigned duties, a satisfactory attendance record, and adherence to the rules of this district and high standards of professional conduct.

The Board of Education may determine, by recorded roll call majority vote of the full membership and at any time prior to the commencement of the school year or contract year in which the employee's salary will vest, to withhold any or all of the increments indicated by the salary guide or by Board policy. In no case will the Board withhold a portion of an increment.

The Board shall, within ten days of its formal action to withhold an increment, give written notice to the affected employee of both the action and the reason or reasons for which it was taken.

The purpose of the Board in withholding increments is to improve the educational program and encourage the highest possible professional performance of its employees. Accordingly, all reasonable efforts will be made to inform employees of any deficiencies that may result in the withholding of an increment and to assist them in the correction of those deficiencies.

An increment withheld may be restored only by action of the Board. Nothing in this policy shall limit the right of a successor Board to restore an employee from whom an increment or increments have been withheld to that place on the salary guide he/she would have achieved had the increment or increments not been withheld.

3159 TEACHING STAFF MEMBER/SCHOOL DISTRICT REPORTING RESPONSIBILITIES

The Board of Education and all certificate holders shall adhere to the reporting requirements outlined in N.J.A.C. 6A:9B-4.3 and N.J.S.A. 18A:16-1.3. For the purposes of this Policy, “certificate holders” shall include all individuals who hold certificates, credentials, certificates of eligibility (CEs), and certificates of eligibility with advance standing (CEASs) issued by the New Jersey State Board of Examiners. For purposes of this policy, the term “certificate” shall include all standard, emergency and provisional certificates, all credentials, and all CEAs and CEASs issued by the New Jersey State Board of Examiners.

All certificate holders shall report an arrest or indictment for any crime or offense to the Superintendent within fourteen calendar days of their arrest or indictment in accordance with the provisions of N.J.A.C. 6A:9B-4.3. The report submitted to the Superintendent shall include the date of arrest or indictment and charge(s) lodged against the certificate holder. Such certificate holders shall also report to the Superintendent the disposition of any charges within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed “just cause” for revocation or suspension of certification pursuant to N.J.A.C. 6A:9B-4. The school district shall make these reporting requirements known to all new employees upon initial employment and to all employees on an annual basis.

The Superintendent shall notify the New Jersey State Board of Examiners when:

1. Tenured teaching staff members who are accused of criminal offenses or unbecoming conduct resign or retire from their positions;
2. Nontenured teaching staff members, including substitute teachers, who are accused of criminal offenses or unbecoming conduct resign, retire, or are removed from their positions;
3. A certificate holder fails to maintain any license, certificate, or authorization that is mandated pursuant to N.J.A.C. 6A:9B for the holder to serve in a position;
4. The Superintendent becomes aware that a certificate holder has been convicted of a crime or criminal offense while in the district’s employ; or

5. The Superintendent has received a report from the Department of Children and Families substantiating allegations of abuse or neglect or establishing “concerns” regarding a certificated teaching staff member.

The school district shall cooperate with the New Jersey State Board of Examiners in any proceeding arising from an order to show cause issued by the New Jersey State Board of Examiners and based on information about the certificate holder that the school district provided.

The Superintendent shall also notify the New Jersey State Board of Examiners, in accordance with the provisions of N.J.S.A. 18A:16-1.3, whenever a nontenured, certificated employee is dismissed prior to the end of the school year for just cause as a result of misconduct in office. This notification requirement shall not apply in instances where the employee’s contract is not renewed. The Superintendent will comply with the additional notice requirements to the New Jersey State Board of Examiners in the event it is subsequently determined by a disciplinary grievance arbitration, a court, or an administrative tribunal of competent jurisdiction that the basis for the dismissal did not constitute misconduct in office. In addition, whenever the Superintendent notifies the New Jersey State Board of Examiners of an employee’s dismissal for reasons of misconduct in accordance with the provisions of N.J.S.A. 18A:16-1.3, the employee shall receive a simultaneous copy of the notifying correspondence.

In the event the Board of Education determines, pursuant to a tenure charge finding under N.J.S.A. 18A:6-10 or a disorderly person conviction under N.J.S.A. 9:6-8.14, that a teaching staff member has failed to report an allegation of child abuse in accordance with State law or regulations, the Board shall submit a report to the New Jersey State Board of Examiners that outlines its findings. The New Jersey State Board of Examiners shall review the certification of the teaching staff member to determine if the teaching staff member’s failure to report warrants the revocation or suspension of his/her certificate. In accordance with N.J.S.A. 9:6-8.14, any person failing to report an act of child abuse, having reasonable cause to believe that an act of child abuse has been committed, may be deemed a disorderly person.

This testing will be completed in accordance with New Jersey Department of Health and Department of Education guidelines. Testing for the usage of controlled or dangerous substances, if required by the Board, will be required for all candidates for employment who have received a conditional offer of employment.

Pursuant to N.J.S.A. 18A:16-3, the Board shall bear the cost of physical examinations required by this Policy performed by a physician or institution designated by the Board. However, the candidate shall bear the cost if the examination is performed by a physician or institution designated by the candidate with approval of the Board. In such instances, the staff member may also choose to share with the staff member's Building Principal and, if desired, with the certified school nurse, information regarding current health status to assure ready access in a medical emergency.

Additional individual psychiatric or physical examinations of any staff member may be required by the Board whenever, in the judgment of the Board, a staff member shows evidence of deviation from normal physical or mental health. In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards to promote a climate that encourages the exercise of professional judgment, to achieve conditions which attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation to the profession, the educator--

3211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that teaching staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from teaching staff members from other school districts, agencies and other entities, the Board supports sharing of its teaching staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a teaching staff member's attendance in another school district, agency or other entity without additional remuneration to the teaching staff member or school district, upon a written request from the agency or from the teaching staff member.

The Board of Education recognizes teaching staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a teaching staff member serves as a paid consultant, the teaching staff member is not permitted to use normal work hours for any paid consulting activities. The teaching staff member must complete any paid consulting activities on their own time to include vacation days, evenings, weekends, and/or school holidays.

The teaching staff member must comply with the New Jersey School Ethics Act N.J.S.A. 18A:12-21 et seq. and, if required, must comply with financial disclosure requirements of N.J.S.A. 18A:12-24 and 12-25.

N.J.S.A. 18A:12-21 et seq.

Adopted: 25 April 2012

3212 ATTENDANCE

The regular and prompt attendance of teaching staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a staff member's job performance.

A teaching staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences may be subject to appropriate consequences, which may include the withholding of a salary increment, dismissal, and/or certification of tenure charges.

In accordance with N.J.S.A. 18A:30-1, sick leave is defined to mean the absence from work because of a personal disability due to injury or illness because the staff member has been excluded from school by the school medical authorities on account of contagious disease or of being quarantined for such a disease in the staff member's immediate household. No teaching staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the collective bargaining agreement negotiated with the member's majority representative, in an individual employment contract, or provided in the policies of the Board. In accordance with N.J.S.A. 18A:30-4, the Superintendent or Board of Education may require a physician's certificate to be filed with the Secretary of the Board in order to obtain sick leave.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among the staff members. The review will include the collection and analysis of attendance data, the training of teaching staff members in their attendance responsibilities, and the counseling of teaching staff members for whom regular and prompt attendance is a problem.

3214 CONFLICT OF INTEREST

No teaching staff member of the Board of Education shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity which is in conflict with the proper discharge of the teaching staff member's duties.

No teaching staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No teaching staff member of the Board shall act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest.

No teaching staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the teaching staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to teaching staff members by students and their parent(s) or legal guardian(s), because it may embarrass students with limited means and give the appearance of currying favor.

The Board directs that teaching staff members instruct their students to express their appreciation by means other than gifts.

Teaching staff members may receive gifts of only nominal value from students or their parent(s) or legal guardian(s).

The Superintendent may approve an act or gift of appreciation to an individual teaching staff member when special circumstances warrant.

3216 DRESS AND GROOMING

Teachers are expected to maintain a professional appearance at all times. The way teachers dress is a reflection of our staff and our school, and should set a standard that would encourage appropriate student dress.

Adopted: 25 April 2012

3217 USE OF CORPORAL PUNISHMENT

The Board of Education cannot condone an employee's resort to force or fear in the treatment of students, even those students whose conduct appears to be open defiance of authority. Each student is protected by law from bodily harm and from offensive bodily touching.

Teaching staff members shall not use physical force or the threat of physical force to maintain discipline or compel obedience except as permitted by law, but may remove students from the classroom or school by the lawful procedures established for the suspension and expulsion of students.

A teaching staff member who:

1. Uses force or fear to discipline a student except as such force or fear may be necessary to quell a disturbance threatening physical injury to others, to obtain possession of weapons or other dangerous objects upon the person or within the control of a student, to act in self-defense, or to protect persons or property;
2. Touches a student in an offensive way even though no physical harm is intended;
3. Permits students to harm one another by fighting; or
4. Punishes students by means that are cruel or unusual;

will be subject to discipline by this Board and may be dismissed.

3218 USE, POSSESSION OR DISTRIBUTION OF SUBSTANCES

The Board of Education recognizes a teaching staff member who reports to work under the influence of a substance poses a significant threat to their health, safety, and welfare and the health, safety, and welfare of others, including students and other staff members. The Board strongly advises any teaching staff member that has a dependency on a substance as defined in this Policy to seek appropriate treatment. The Board has an obligation and the right to maintain a safe and healthy work environment and adopts this Policy as an important component toward maintaining a safe environment in the school district.

For the purposes of this Policy, “substance” or “substances” as defined in N.J.S.A. 18a:40A-9 and N.J.A.C. 6A:16-4.1(a) means alcoholic beverages, any controlled dangerous substances, including anabolic steroids as defined in N.J.S.A. 24:21-2 and N.J.S.A. 2C:35-2, or any chemical or chemical compound which releases vapors or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes as defined in N.J.S.A. 2C:35-10.4; and over-the-counter and prescription medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.

A teaching staff member shall be required to submit to an immediate medical examination to include a substance test if the Principal or designee has reasonable suspicion to believe a teaching staff member is under the influence of a substance during work hours or at a school-sponsored function where the teaching staff member has been assigned job responsibilities. Refusal by a teaching staff member to consent to the medical examination including a substance test will be deemed a positive test result for substances. In the event the results of the medical examination and substance test are not provided to the Superintendent, within twenty-four hours or as soon as the test results are available, it will be deemed a positive test result for substances and the teaching staff member shall be subject to appropriate discipline. Any required medical examination and testing shall be paid for by the Board.

In the event the Board physician determines the teaching staff member was under the influence of a substance, the determination shall be reported to the Superintendent and the teaching staff member will be subject to appropriate discipline. Appropriate discipline may include, but not be limited to, withholding an increment, terminating a non-tenured teaching staff member, and/or filing tenure charges for a tenured teaching staff member in accordance with law. The teaching staff member will be afforded the opportunity to have positive test results confirmed using acceptable confirmation test practices. This confirmation test shall be paid for by the teaching staff member.

In the event a teaching staff member's medical examination and substance test results are negative for a substance or if the Board physician determines the teaching staff member was not under the influence of a substance, the results or determination shall be reported to the Superintendent and the teaching staff member shall be returned to their position unless the Superintendent has a reason the teaching staff member should not be returned to their position.

In accordance with the requirements of N.J.A.C. 6A:16-6.3(a), any staff member who, in the course of their employment, has reason to believe a staff member has unlawfully possessed or in any way been involved in the distribution of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia shall report the matter as soon as possible to the Principal, or in the absence of the Principal, the Principal's designee responsible at the time of the alleged violation. Either the Principal or designee shall notify the Superintendent who shall notify, as soon as possible, the County Prosecutor or other law enforcement official designated by the County Prosecutor to receive such information. The Superintendent or designee shall provide to the County Prosecutor or designee all known information concerning the matter, including the identity of the staff member involved.

In accordance with the provisions of N.J.A.C. 6A:16-6.3(a)3, the Superintendent or designee shall not disclose the identity of a staff member who has voluntarily sought and participated in an appropriate treatment or counseling program for an alcohol or drug abuse problem, provided the staff member is not reasonably believed to be involved or implicated in drug-distribution activities. An admission by a staff member in response to questioning initiated by the Principal or designee or following the discovery by the Principal or designee of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia, shall not constitute a voluntary, self-initiated request for counseling and treatment.

A staff member who unlawfully possessed or in any way has been involved in the distribution of a controlled dangerous substance, including anabolic steroids or drug paraphernalia, pursuant to N.J.A.C. 6A:16-6.3, shall be subject to appropriate discipline which may include, but not be limited to, termination of a non-tenured teaching staff member or the filing of tenure charges for a tenured teaching staff member in accordance with law.

A teaching staff member who has been determined by the Board physician to be under the influence of a substance during work hours or at a school-sponsored function where the teaching staff member has been assigned job responsibilities may be offered a Last Chance Agreement upon the recommendation of the Superintendent and approval by the Board. A written Last Chance Agreement must be approved by the Board.

3230 OUTSIDE ACTIVITIES

The Board of Education recognizes that teaching staff members enjoy a private life outside their job responsibilities in the school district. The Board believes the role of the teaching profession is such that teachers exert a continuing influence away from the school district. Accordingly, the Board reserves the right to determine if activities outside the teaching staff member's job responsibilities interfere with their professional performance and the discharge of the member's responsibilities to the students of this district.

All teaching staff members are advised to be governed in the conduct of personal activities by the following guidelines:

1. Teaching staff members shall not devote time during their work day to an outside private enterprise, business, or business organization. They shall not solicit or accept customers for a private enterprise, business, and/or business organization on school grounds during their work day without the express permission of the Superintendent;
2. 3281 INAPPROPRIATE STAFF CONDUCT

The Board of Education recognizes its responsibility to protect the health, safety and welfare of all students within this school district. Furthermore, the Board recognizes there exists a professional responsibility for all school staff to protect a student's health, safety and welfare. The Board strongly believes that school staff members have the public's trust and confidence to protect the well-being of all students attending the school district.

In support of this Board's strong commitment to the public's trust and confidence of school staff, the Board of Education holds all school staff to the highest level of professional responsibility in their conduct with all students. Inappropriate conduct and conduct unbecoming a school staff member will not be tolerated in this school district.

The Board recognizes and appreciates the staff-student professional relationship that exists in a school district's educational environment. This Policy has been developed and adopted by this Board to provide guidance and direction to avoid actual and/or the appearance of inappropriate staff conduct and conduct unbecoming a school staff member toward students.

School staff's conduct in completing their professional responsibilities shall be appropriate at all times. School staff shall not make inappropriate comments to students or about students and shall not engage in inappropriate language or expression in the presence of students. School staff shall not engage in inappropriate conduct toward or with students. School staff shall not engage or seek to be in the presence of a student beyond the staff member's professional responsibilities. Inappropriate Staff Conduct

School personnel, compensated and uncompensated (volunteers), are required to report to their immediate supervisor or Building Principal any possible violations of this Policy. In the event the report alleges conduct by the Building Principal or the immediate supervisor, the school staff member may report directly to the District Affirmative Action Officer or Superintendent of Schools. In addition, school personnel having reasonable cause to believe a student has been subjected to child abuse or neglect or acts of child abuse or neglect as defined under N.J.S.A. 9:6-8.10 are required to immediately report to the New Jersey Department of Children and Families in accordance with N.J.A.C. 6A:16-11.1 and inform the Building Principal or immediate supervisor after making such report. 3282 USE OF SOCIAL NETWORKING SITES

The Board of Education has a strong commitment to quality education and the well-being of all students, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all students attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to students or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, students, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on harassment, student relationships, conduct, professional communication, and confidentiality.

When using personal social networking sites, school staff members:

1. Should not make statements that would violate any of the district's policies, including its policies concerning discrimination or harassment;
2. Must uphold the district's value of respect for the individual and avoid making defamatory statements about the school district, employees, students, or their families;
3. May not disclose any confidential information about the school district or confidential information obtained during the course of his/her employment, about any individual(s) or organization, including students and/or their families;
4. Shall not use social networking sites to post any materials of a sexually graphic nature;
5. Shall not use social networking sites to post any materials which promote violence;
6. Shall not use social networking sites which would be detrimental to the mission and function of the district;
7. Are prohibited from using their school district title as well as adding references to the district in any correspondence including, but not limited to, e-mails, postings, blogs, and social networking sites unless the communication is of an official nature and is serving the mission of the district. This prohibition also includes signature lines and personal e-mail accounts;
8. Shall not post updates to their status on any social networking sites during normal working hours including posting of statements or comments on the social networking sites of others during school time unless it involves a school project. Employees must seek approval from the Superintendent of Schools for such use; and
9. Shall not post or publish any information the Commissioner of Education would deem to be inappropriate conduct by a school staff member.

The Policy of this district is to maintain a level of professionalism both during and after the school day. Any publication through any means of electronic communication which is potentially adverse to the operation, morale, or efficiency of the district, will be deemed a violation of this Policy. Depending on the severity of the incident, the staff member may be subject to disciplinary action.

3283 ELECTRONIC COMMUNICATIONS BETWEEN TEACHING STAFF MEMBERS AND STUDENTS

The Board of Education recognizes electronic communications and the use of social media outlets create new options for extending and enhancing the educational program of the school district. Electronic communications and the use of social media can help students and teaching staff members communicate regarding: questions during non-school hours regarding homework or other assignments; scheduling issues for school-related co-curricular and interscholastic athletic activities; school work to be completed during a student's extended absence; distance learning opportunities; and other professional communications that can enhance teaching and learning opportunities between teaching staff members and students. However, the Board of Education recognizes teaching staff members can be vulnerable in electronic communications with students.

In accordance with the provisions of N.J.S.A. 18A:36-40, the Board of Education adopts this Policy to provide guidance and direction to teaching staff members to prevent improper electronic communications between teaching staff members and students.

The Commissioner of Education and arbitrators, appointed by the Commissioner, have determined inappropriate conduct may determine a teaching staff member unfit to discharge the duties and functions of their position. Improper electronic communications by teaching staff members may be determined to be inappropriate conduct.

For the purposes of this Policy, "electronic communication" means a communication transmitted by means of an electronic device including, but not limited to, a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. 7. Communications related to personal or confidential information regarding another school staff member or student; and
8. Communications between the teaching staff member and a student that the Commissioner of Education or an arbitrator would determine to be inappropriate in determining the teaching staff member is unfit to discharge the duties and functions of their position.

The following acceptable protocols for all electronic communications between a teaching staff member and a student shall be followed:

1. E-Mail Electronic Communications Between a Teaching Staff Member and a Student

3310 ACADEMIC FREEDOM

The curriculum adopted by the Board of Education is designed to address the educational goals established for this school district and to meet the needs of students. The course guides prepared for each course of study describe the material to be covered in each course and, in general, the approach to be employed by the teaching staff member responsible for the course.

The Board recognizes that some deviation from the course guide is necessary to the free exchange of ideas within the classroom. Exposure to a wide range of ideas encourages the spirit of inquiry that is essential to the learning process; the thorough examination of those ideas aids students in developing powers of reasoning and in acquiring habits of academic discipline.

The Board directs that the discussion of any issue not specifically covered by the course guide be conducted in an unprejudiced and dispassionate manner. The Board will not condone classroom discussion that is unrelated to the educational goals of this district or to the subject of the course of study, disrupts the educational process, does not match the maturity level of the students, neglects to inform students of various responsible points of view on the subject under discussion, or fails to take into account the sensibilities of the community.

3321 ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND
RESOURCES BY TEACHING STAFF MEMBERS

The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow teaching staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by teaching staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Superintendent to effect training of teaching staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that telecommunications will allow teaching staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Board retains the right to restrict or terminate teaching staff member's access to the computer network(s)/computers at any time, for any reason. The Board retains the right to have the Superintendent or designee monitor network activity, in any form necessary, to maintain the integrity of the network(s) and ensure its proper use.

Standards for Use of Computer Network(s)

Any individual engaging in the following actions declared unethical, unacceptable or illegal when using computer network(s)/computers shall be subject to discipline or legal action:

3322 STAFF MEMBER'S USE OF CELLULAR TELEPHONES

The West Milford Board of Education recognizes a teaching staff member may need to electronically communicate on a non-school related, personal manner using a personal cellular telephone or other personal communication device. Electronic communications include, but are not limited to: voice conversations, text-messaging, accessing social networking or other internet sites, or any other type of electronic communication.

In the event the teaching staff member needs to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device during their workday, the teaching staff member may do so provided the communication is made during the teaching staff member's duty free lunch or break periods and/or preparation periods for teaching staff and is made outside the presence of students.

An electronic communication by a teaching staff member on a non-school related, personal matter using a personal cellular telephone or other personal communication device shall not be made while the staff member is performing assigned school district responsibilities.

In the event the teaching staff member has an emergency requiring immediate attention that requires such a communication while performing assigned school district responsibilities, the teaching staff member shall inform their Principal or immediate supervisor before or immediately after the communication, depending on the nature of the emergency. The Board of Education is not responsible if a teaching staff member's personal cellular telephone or other communication device is lost, stolen, or missing.

3324 RIGHT OF PRIVACY

The Board of Education will provide facilities and school district-owned property to assist staff members in their job responsibilities or for the staff members' convenience. These facilities or district-owned property may include, but are not limited to, an office, a storage closet, a filing cabinet, a locker, and/or a desk. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal papers and effects in these facilities or school district-owned property.

3340 GRIEVANCE

The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of teaching staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Superintendent; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

A grievant may use personal leave time when it becomes necessary to process a grievance during school hours. A grievance that arises late in the school term will be submitted to an expedited process in order that the grievance may be resolved as soon after the school term as possible. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

Level One

Within five working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's Principal or immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

Within three working days the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

Level Two

A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Superintendent within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal will include a copy of the original grievance; the decision rendered, if any; the name of the grievant's representative, if any; and a clear, concise statement of the reasons for the appeal of the decision.

The Superintendent shall present a decision to the grievant within seven working days. If no decision is rendered within that time limit, the grievant may appeal to the next level.

Level Three

A grievant not satisfied with the Superintendent's decision may appeal that decision in writing to the Board within five working days after the receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Board will include copies of the original grievance, the appeal of that grievance at Level Two, and the decisions, if any.

The Board shall schedule the grievance for hearing to be held within forty calendar days of the presentation of the appeal. The grievant shall be present at the hearing.

Within ten calendar days of the hearing, the Board shall submit its decision in writing together with reasons that support the decision to the grievant. A copy of the decision shall be given to the Superintendent and to any other party to the grievance.

The decision of the Board shall be final.

3351 HEALTHY WORKPLACE ENVIRONMENT

The Board of Education recognizes a healthy workplace environment enables school district administrative and teaching staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district's programs provided to students in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Superintendent of Schools. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Superintendent or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Superintendent or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Superintendent or designee.

Healthy Workplace Environment

If the investigation determines conduct prohibited by this policy has taken place, the Superintendent or designee will meet with the offender(s) and the victim(s) to review the investigation results and to implement remedial measures to ensure such conduct does not continue or reoccur. Appropriate disciplinary action may be taken depending on the severity of conduct.

There shall be no reprisals or retaliation against any person(s) who reports conduct prohibited by this policy.

3362 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the United States Equal Employment Opportunity Commission or the New Jersey Division of Civil Rights. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation No. 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees and agents of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

Adopted: 25 April 2012

3370 TEACHING STAFF MEMBER TENURE

The Board of Education recognizes that the benefit of tenure is conferred by law on teaching staff members who have completed the requisite period of probationary service in this school district. The Board also recognizes that certain service does not qualify the teaching staff member who performs that service for the grant of tenure.

Tenure in any administrative or supervisory position as listed in N.J.S.A. 18A:28-5 shall accrue only by employment in that administrative or supervisory position. Tenure so accrued will not extend to any other administrative or supervisory position and nothing shall limit or restrict tenure rights which were or may be acquired pursuant to N.J.S.A. 18A:28-6.

The Board specifically directs that service in the following positions will not accrue toward the tenure status and will be performed only under contract renewable at the discretion of the Board:

1. Substitute teacher acting in the absence of another employee;
2. Summer school teacher;
3. Co-curricular advisor;
4. Athletic coach; and
5. Department chairperson other than a supervisor.

Nothing in this policy will be deemed to confer tenure on any employee who serves in a position not listed above and for whom tenure is not provided by law.

2. Provided information to a public body or governmental entity or agency conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer or employee of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of policy, law or rule, fraudulent, criminal, or incompatible with district policy or a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.
4. Disclosed or threatened to disclose to a supervisor, the Superintendent and/or Board Trustee(s) any act, pattern of conduct, practice or condition that threatens the health, mental or emotional welfare or safety of any student(s).
5. Disclosed or threatened to disclose to a supervisor, the Superintendent and/or Board Trustee(s) any instance of misconduct, improper practice(s) or violation of any policy, rule or law within the school district or the misconduct of any district officer or employee.

An employee who has reason to believe that the Board or any employee of or volunteer for the district has engaged in an illegal activity or an activity contrary to district or public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

3421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes teaching staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a teaching staff member entitled to overtime pay is designated as "non-exempt." A teaching staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt teaching staff members to express breast milk for their nursing child. The non-exempt teaching staff member shall coordinate such breaks with their immediate supervisor. The non-exempt teaching staff member will not receive compensation during this break time unless the break time is during a non-exempt teaching staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt teaching staff members. However, exempt teaching staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt teaching staff member's duty free lunch period or duty free break period during the workday, the exempt teaching staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to

the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

Worker's Compensation

Workers' compensation laws provide lost wages and medical expenses to an employee who has an injury as a result of an on-the-job accident, injury, or occupational disease. Program – Teaching Staff Members

3425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – TEACHING STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the School Business Administrator/Board Secretary, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district's ability to assign modified duties and responsibilities.

3432 SICK LEAVE

The Board of Education shall grant sick leave, in accordance with law, to teaching staff members absent from work because of personal disability or quarantine. Each steadily employed employee eligible for sick leave will be entitled annually to the number of paid sick leave days negotiated with the employee's majority representative or provided in this policy or in an individual contract with the Board.

The Board reserves the right to require of any employee who claims sick leave, sufficient proof, including a physician's certification, of the employee's illness or disability. As a minimum, no day will be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, has participated in a work stoppage, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request.

The Superintendent will prepare rules for the administration of the Board's policy on sick leave, which shall be binding on all employees.

The Superintendent will submit to the Board the names of those employees absent for non-compensable cause or whose claim for sick leave pay cannot be justified. The willful misuse of sick leave will be considered a serious infraction and is subject to discipline.

3433 VACATIONS

The Board of Education believes that the school district benefits when teaching staff members employed to work twelve months a year are given periodic relief from the responsibilities of their positions without loss of compensation.

The Board reserves the right to determine the conditions under which vacation time may be taken when not otherwise covered by the terms of a negotiated agreement or in an individual contract with the Board.

N.J.S.A. 18A:30-7

Adopted: 25 April 2012

3435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not covered by the terms of a negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at birth, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after birth, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in the educational program in accordance with Policy No. 3431. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.

3436 PERSONAL LEAVE

The Board of Education will provide compensated absence for reasons of personal necessity for teaching staff members not covered by the terms of a negotiated agreement or in an individual contract with the Board.

Any leave of absence for such duty in excess of ninety work days shall be without pay, but without loss of time. Such leave shall be in addition to the regular vacation or other accrued leave provided to the officer or employee. A full-time temporary officer or employee who has served under such temporary appointment for less than one year in the district shall receive this leave without pay, but without loss of time.

A permanent or full-time temporary officer or employee of the school district who is a member of the organized reserve of the Army of the United States, United States Naval Reserve, United States Air Force Reserve or United States Marine Corps Reserve, or other organization affiliated therewith, including the National Guard of other states, shall be entitled, in addition to pay received, if any, as a member of a reserve component of the Armed Forces of the United States, to a leave of absence from his or her respective duty without loss of pay or time on all work days on which he or she shall be engaged in any period of Federal active duty, provided, however, that such leave of absence shall not exceed thirty work days in any calendar year. Such leave shall be in addition to the regular vacation or other accrued leave provided to the officer or employee. Any leave of absence for such duty in excess of thirty work days shall be without pay, but without loss of time. A full-time temporary officer or employee who has served under such temporary appointment for less than one year in the district shall receive this leave without pay, but without loss of time.

3439 JURY DUTY

The Board of Education will indemnify any teaching staff member against loss of pay incurred by a call to jury duty. No such employee will be penalized in any way for an absence caused by service on a panel of grand or petit jurors. The time any such employee is absent on jury duty will not be charged against personal leave and will count as school district service.

Teaching staff members scheduled for jury service during the school term for whom the administration indicates a replacement cannot reasonably be found shall seek from the Assignment Judge an excusal or deferment of service. 4111 CREATING POSITIONS

The Board of Education recognizes its authority to establish support staff positions that, when filled by qualified employees, will assist the district in the achievement of educational goals set by the Board.

The Board will create new positions as required, approve a job title appropriate to the position, and determine the number of persons required to staff adequately each such position.

The Superintendent shall recommend to the Board such new positions or additional staffing in existing positions as may be required by student enrollments and the operational needs of the district.

Adopted: 25 April 2012

4124 EMPLOYMENT CONTRACT

The Board of Education requires every nontenured support staff member sign an employment contract for a term of not more than one year.

The employment contract shall include the date; name of the employee; the beginning and ending dates of service (fixed term appointment); the salary to be paid and the manner of payment; an authorization for salary deductions as applicable; and such other terms and conditions as may be necessary to a complete statement of the employment relationship.

The contract may include a provision for a probationary employment period with a provision providing the Board the right to terminate the employment of the nontenured support staff member at the completion of the probationary employment period. The contract will include a provision for the termination of the nontenured support member's contract on 60 days notice duly given by either party.

In the event the salary entered on the written contract differs from that formally approved by the Board, the salary approved by the Board shall be the salary paid.

4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the school district that support staff member positions be filled with highly qualified and competent professionals.

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district.

The Board may employ substitutes and/or contract for substitutes for absent support staff members in order to ensure continuity in a program. The Board will annually approve a list of substitutes and rate of pay and/or the Board will approve a contract for a contracted service provider to provide substitute support staff members.

The Board of Education shall not employ for pay or contract for the paid services of any support staff member or any other person serving in a position which involves regular contact with students unless the Board has first determined consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq. that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

An individual employed by the Board or a school bus contractor holding a contract with the Board, in the capacity of a school bus driver, shall be required to meet the criminal history record requirements as outlined in N.J.S.A. 18A:39-19.1.

The Board will employ paraprofessional school aides and/or classroom aides to assist in the supervision of student activities under the direction of a Principal, teacher, or other designated certified professional personnel. Aides will serve the needs of students by performing nonprofessional duties and may work only under the direct supervision of a teaching staff member(s).

In accordance with the requirements of the Every Student Succeeds Act (ESSA), paraprofessionals hired after January 8, 2002, who work in a program supported with Title I, Part A funds, with certain exceptions, must meet one of the following criteria:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and be able to demonstrate, through a formal State or local academic assessment, knowledge of and the ability to assist in instructing, reading, writing, and mathematics (or, as appropriate, reading readiness, writing readiness, and mathematics readiness).

Paraprofessional staff working in a Title I school, and whose salary is paid for in whole or in part with Title I funds, must meet one of the criteria listed above. The Superintendent or designee will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements.

An individual employed by the Board in any substitute capacity or position shall be required to undergo a criminal history record check in accordance with the provisions of N.J.S.A. 18A:6-7.1b.

An individual, except as provided in N.J.S.A. 18A:6-7.1g, shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for any crime or offense as defined in N.J.S.A. 18A:6-7.1 et seq.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history record check if the Board or contracted service provider demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be performed unless the applicant shall have furnished written consent to such a check. The applicant shall bear the cost for the criminal history record check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history record check.

The Board of Education prohibits any relative of a Board member or the Superintendent of Schools from being employed in an office or position in the school district in accordance with the provisions of N.J.A.C. 6A:23A-6.2 and Board Policy 0142.1 – Nepotism.

A support staff member's misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

4140 TERMINATION

The Board of Education will enter a contract with each non-tenured support staff member providing, in part, for the termination of employment by either party. The Board may terminate the employment of an employee for incompetence, immorality, unfitness for service, insubordination, reduction in force, or other good cause. Any notification of termination for cause will include a full statement of the reasons for the dismissal on notice duly given a nonprobationary employee.

The Board may terminate an employment contract with a non-tenured support staff member only upon the recommendation of the Superintendent and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. N.J.S.A. 18A:27-4.1.

4146 NONRENEWAL OF NONTENURED SUPPORT STAFF MEMBER

The Board will renew the employment contract of a nontenured support staff member only upon the recommendation of the Superintendent and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. A nontenured support staff member who is not recommended for renewal by the Superintendent is deemed nonrenewed.

When the nontenured support staff member's performance does not meet the standards of the school district, the Superintendent shall recommend not to renew the nontenured support staff member's contract. Prior to notifying the nontenured support staff member of the nonrenewal, the Superintendent will notify the Board of the recommendation not to renew the nontenured support staff member's contract and the reasons for the recommendation. The Superintendent may notify the Board in a written notice or in executive session at a full Board meeting. In the event the Board is notified in executive session, the Superintendent will comply with the requirements of the Open Public Meetings Act and provide reasonable notice to the nontenured support staff member their employment will be discussed in executive session in order for the nontenured support staff member to exercise their statutory right to request a public discussion.

The Superintendent shall provide written notification to each nontenured support staff member to whom reemployment will not be offered in accordance with the terms of any collective bargaining agreement, individual contract, or any other agreement between the parties. Paraprofessionals continuously employed since the preceding September 30 as a school aide or classroom aid in a school district that receives funding under Title I of the Federal Elementary and Secondary Education Act of 1965 shall be notified of renewal or nonrenewal on or before May 15 in each year in accordance with the provisions of N.J.S.A. 18A:27-10.2.

Any nontenured support staff member receiving notice that a contract for the succeeding year will not be offered, may within fifteen calendar days, request in writing a statement of the reasons for such nonemployment which shall be given to the nontenured support staff member in writing within thirty calendar days after the receipt of such request.

Whenever a nontenured support staff member has requested in writing and received a written statement of reasons for non-reemployment pursuant to N.J.S.A. 18A:27-3.2, the nontenured support staff member may request in writing an informal appearance before the Board. The written request shall be submitted to the Board within ten calendar days of the nontenured support staff member's receipt of the Board's statement of reasons. The informal appearance shall be scheduled within thirty calendar days from the nontenured support staff member's receipt of the Board's statement of reasons.

The Board is not required to offer reemployment or vote on reemployment after an informal appearance with a nontenured support staff member who was not recommended for reemployment by the Superintendent. The Board may, with a majority vote of its full membership in public session and without the recommendation of the Superintendent, offer the nontenured support staff member reemployment after the informal appearance before the Board. Within three working days following the informal appearance, the Board shall notify the affected nontenured support staff member, in writing, of its final determination.

The provisions as outlined in Policy and Regulation 4146 may be revised or adjusted by the Superintendent of Schools to be in accordance with the terms and timelines of any applicable collective bargaining agreement, individual contract, or any other agreement between the parties provided the terms are not contrary to any statute, administrative code, or any management rights of the Board.

This Policy does not apply to the contract renewal of the Treasurer of School Moneys, Board Auditor, Board Attorney or Board Secretary, except a Board Secretary who performs business administration functions.

In the event disciplinary action is contemplated, notice will be given to the employee in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based; the text of the statute, policy, rule, or regulation that the employee is alleged to have violated; a date when the employee may be heard and the administrator who will hear the matter; and the penalty that may be imposed.

Advancement on any salary schedule shall require favorable reports covering the employee's competence and thoroughness in the performance of assigned duties as well as the employee's record of attendance and compliance with district regulations.

The Superintendent shall base a recommendation for withholding an increment on evaluations of the employee's performance and conduct. The Superintendent must also show to the satisfaction of the Board that the standards by which an employee has been evaluated are not exceptional or unusual and are expected of all employees in a similar classification.

4159 SUPPORT STAFF MEMBER/SCHOOL DISTRICT
REPORTING RESPONSIBILITIES

All support staff members shall be required to report their arrest or indictment for any crime or offense to the Superintendent of Schools within fourteen calendar days of the arrest or indictment. The report submitted to the Superintendent shall include the date of arrest or indictment and charge(s) lodged against the support staff member. Such support staff members shall also report to the Superintendent the disposition of any charges within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed “just cause” for disciplinary action, which may include termination or non-renewal of employment in accordance with law.

Teaching staff members are required to report their arrest or indictment for any crime or offense in accordance with Policy 3159 and N.J.A.C. 6A:9B-4.3.

The school district shall make these reporting requirements known to all new support staff members upon initial employment and to all employees on an annual basis.

4160 PHYSICAL EXAMINATION

The Board of Education requires each candidate for employment who receives a conditional offer of employment to undergo a physical examination(s) to determine whether the candidate is able to perform with reasonable accommodation job-related functions pursuant to P.L. 101-336, Americans with Disabilities Act of 1990 (ADA).

If upon completing an examination(s) it is determined a candidate for employment who received a conditional offer of employment is unable to perform with reasonable accommodation job-related functions pursuant to the provisions of the ADA, the conditional offer of employment will be rescinded either by the Superintendent of Schools, if the Board has not yet approved the appointment, or by the Board, if the Board had approved the appointment at a Board meeting.

The physical examination shall include, but is not limited to, a health history to include past serious illnesses and injuries; current health problems; allergies; and a record of immunizations. The physical examination shall also include a health screening to include, but not limited to: height and weight; blood pressure; pulse and respiratory rate; vision screening; controlled dangerous substances and hearing screening

Candidates for employment who have received a conditional offer of employment will be required to be tested for the usage of controlled dangerous substances as they are defined in N.J.S.A. 2C:35-2. This testing will be completed in accordance with New Jersey Department of Health and Department of Education guidelines. Testing for the usage of controlled or dangerous substances, if required by the Board, will be required for all candidates for employment who have received a conditional offer of employment.

Pursuant to N.J.S.A. 18A:16-3, the Board shall bear the cost of physical examinations required by this Policy performed by a physician or institution designated by the Board. However, the candidate shall bear the cost if the examination is performed by a physician or institution designated by the candidate with approval of the Board. In the event the Board approves the physician or institution designated by the candidate to complete an examination required by this Policy, the candidate will be provided with the detailed requirements of the examination.

School employee physicals, examinations, and/or annual medical updates do not require screening or disclosure of HIV status.

A Mantoux tuberculosis test shall be given to all student teachers, school bus drivers on contract with the district, and contractors or volunteers who have contact with students.

All staff members' medical and health records, including computerized records, will be secured, stored, and maintained separately from other personnel files. The information contained in medical records will be kept confidential. Only the staff member, the Superintendent, and the school medical inspector shall have access to medical information regarding an individual employee. Health records may be shared only with authorized individuals in accordance with N.J.S.A. 18A:16-5. The staff member may provide health-status information, including medications that may be of value to medical personnel in the event of an emergency requiring treatment. In such instances, the staff member may also choose to share with the staff member's Building Principal and, if desired, with the certified school nurse, information regarding current health status to assure ready access in a medical emergency.

Additional individual psychiatric or physical examinations of any staff member may be required by the Board whenever, in the judgment of the Board, a staff member shows evidence of deviation from normal physical or mental health. Any additional individual examinations will be pursuant to the requirements of N.J.A.C. 6A:32-6.3. Additional examinations and/or certifications may be required to verify fitness in accordance with Policy 3161 or disability in accordance with Policies 3425 and 3435.

4161 EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any support staff member who shows evidence of deviation from normal physical or mental health.

The Superintendent shall recommend to the Board the examination of any support staff member whose physical or mental condition so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A support staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The support staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the support staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a support staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the support staff member.

If the support staff member's request is denied, or if the support staff member does not request the Board to consider a physician or institution, the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the support staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

4211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that support staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from support staff members from other school districts, agencies and other entities, the Board supports sharing of its support staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Superintendent may recommend to the Board a support staff member's attendance in another school district, agency or other entity without additional remuneration to the support staff member or school district, upon a written request from the agency or from the support staff member.

The Board of Education recognizes support staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a support staff member serves as a paid consultant, the support staff member is not permitted to use normal work hours for any paid consulting activities. The support staff member must complete any paid consulting activities on their own time to include vacation days, evenings, weekends, and/or school holidays.

The support staff member must comply with the New Jersey School Ethics Act N.J.S.A. 18A:12-21 et seq. and, if required, must comply with financial disclosure requirements of N.J.S.A. 18A:12-24 and 12-25.

N.J.S.A. 18A:12-21 et seq.

4212 ATTENDANCE

The regular and prompt attendance of support staff members is an essential element in the efficient operation of the school district and the effective conduct of the educational program. Staff member absenteeism disrupts the educational program and the Board of Education considers attendance an important component of a staff member's job performance.

A support staff member who fails to give prompt notice of an absence, misuses sick leave, fails to verify an absence in accordance with Board policy, falsifies the reason for an absence, is absent without authorization, is repeatedly tardy, or accumulates an excessive number of absences may be subject to appropriate consequences, which may include the withholding of a salary increment, dismissal, and/or certification of tenure charges.

In accordance with N.J.S.A. 18A:30-1, sick leave is defined to mean the absence from work because of a personal disability due to injury or illness or because the support staff member has been excluded from school by the school medical authorities on account of contagious disease or of being quarantined for such a disease in the staff member's immediate household. No support staff member will be discouraged from the prudent, necessary use of sick leave and any other leave provided for in the collective bargaining agreement negotiated with the member's majority representative, in an individual employment contract, or provided in the policies of the Board. In accordance with N.J.S.A. 18A:30-4, the Superintendent or Board of Education may require a physician's certificate to be filed with the Secretary of the Board in order to obtain sick leave.

The Superintendent, in consultation with administrative staff members, will review the rate of absence among the staff members. The review will include the collection and analysis of attendance data, the training of support staff members in their attendance responsibilities, and the counseling of support staff members for whom regular and prompt attendance is a problem.

4214 CONFLICT OF INTEREST

No support staff member of the Board of Education shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity which is in conflict with the proper discharge of the support staff member's duties.

No support staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No support staff member of the Board shall act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest.

No support staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the support staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to support staff members by students and their parent(s) or legal guardian(s), because it may embarrass students with limited means and give the appearance of currying favor.

The Board directs that support staff members instruct students to express their appreciation by means other than gifts.

Support staff members may receive gifts of only nominal value from students or their parent(s) or legal guardian(s).

The Superintendent may approve an act or gift of appreciation to an individual support staff member when special circumstances warrant.

Adopted: 25 April 2012

4218 USE, POSSESSION, OR DISTRIBUTION OF SUBSTANCES

The Board of Education recognizes a support staff member who reports to work under the influence of a substance poses a significant threat to their health, safety, and welfare and the health, safety, and welfare of others, including students and other staff members. The Board strongly advises any support staff member that has a dependency on a substance as defined in this Policy to seek appropriate treatment. The Board has an obligation and the right to maintain a safe and healthy work environment and adopts this Policy as an important component toward maintaining a safe environment in the school district.

For the purposes of this Policy, “substance” or “substances” as defined in N.J.S.A. 18A:40A-9 and N.J.A.C. 6A:16-4.1(a) means alcoholic beverages; any controlled dangerous substances, including anabolic steroids as defined in N.J.S.A. 24:21-2 and N.J.S.A. 2C:35-2; or any chemical or chemical compound which releases vapors or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including, but not limited to, glue containing a solvent having the property of releasing toxic vapors or fumes as defined in N.J.S.A. 2C:35-10.4; and over-the-counter and prescription medications that are improperly used to cause intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system.

A support staff member shall be required to submit to an immediate medical examination to include a substance test if the support staff member’s supervisor has reasonable suspicion to believe a support staff member is under the influence of a substance during work hours or at a school-sponsored function where the support staff member has been assigned job responsibilities. Refusal by a support staff member to consent to the medical examination including a substance test will be deemed a positive result for substances. In the event the results of the medical examination and substance test are not provided to the Superintendent, within twenty-four hours or as soon as the test results are available, it will be deemed a positive result for substances and the support staff member shall be subject to appropriate discipline. Any required medical examination and testing shall be paid for by the Board.

In the event the Board physician determines the support staff member was under the influence of a substance, the determination shall be reported to the Superintendent and the support staff member will be subject to appropriate discipline. Appropriate discipline may include, but not be limited to, withholding an increment, terminating a non-tenured support staff member, and/or filing tenure charges for a tenured support staff member in accordance with law. The support staff member will be afforded the opportunity to have positive test results confirmed using acceptable confirmation test practices. This confirmation test shall be paid for by the support staff member.

In the event a support staff member's medical examination and substance test results are negative for a substance or if the Board physician determines the support staff member was not under the influence of a substance, the results or determination shall be reported to the Superintendent and the support staff member shall be returned to their position unless the Superintendent has a reason the support staff member should not be returned to their position.

In accordance with the requirements of N.J.A.C. 6A:16-6.3(a), any staff member who, in the course of their employment, has reason to believe a staff member has unlawfully possessed or in any way been involved in the distribution of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia shall report the matter as soon as possible to the Principal, or in the absence of the Principal, to the staff member's supervisor responsible at the time of the alleged violation. Either the Principal or the staff member's supervisor responsible at the time of the alleged violation shall notify the Superintendent who shall notify, as soon as possible, the County Prosecutor or other law enforcement official designated by the County Prosecutor to receive such information. The Superintendent or designee shall provide to the County Prosecutor or designee all known information concerning the matter, including the identity of the staff member involved.

In accordance with the provisions of N.J.A.C. 6A:16-6.3(a)3, the Superintendent or designee shall not disclose the identity of a staff member who has voluntarily sought and participated in an appropriate treatment or counseling program for an alcohol or drug abuse problem, provided the staff member is not reasonably believed to be involved or implicated in drug-distribution activities. An admission by a staff member in response to questioning initiated by the Principal or Superintendent's designee or following the discovery by the Principal or Superintendent's designee of a controlled dangerous substance, including anabolic steroids, or drug paraphernalia, shall not constitute a voluntary, self-initiated request for counseling and treatment.

A staff member who unlawfully possessed or in any way has been involved in the distribution of a controlled dangerous substance, including anabolic steroids or drug paraphernalia, pursuant to N.J.A.C. 6A:16-6.3, shall be subject to appropriate discipline which may include, but not be limited to, termination of a non-tenured support staff member or the filing of tenure charges for a tenured support staff member in accordance with law.

A support staff member who has been determined by the Board physician to be under the influence of a substance during work hours or at a school-sponsored function where the support staff member has been assigned job responsibilities may be offered a Last Chance Agreement upon the recommendation of the Superintendent and approval by the Board. A written Last Chance Agreement must be approved by the Board.

4219 COMMERCIAL DRIVER'S LICENSE CONTROLLED SUBSTANCE AND ALCOHOL USE TESTING

The Board of Education is committed to a safe, efficient, alcohol and drug-free workplace that protects the district's students as well as the health and safety of its employees and the general public. The Board requires all employees of the Board performing any safety-sensitive function to be free of drugs and alcohol and will test those employees who operate a commercial motor vehicle in accordance with 49 CFR 382 et seq. and 49 CFR 40 et seq. For the purpose of this Policy "employee" means a person required to have a Commercial Driver's License (CDL) in the performance of their job responsibilities. Safety-sensitive functions as defined by 49 CFR 382.107 means any time from the time an employee begins to work or is required to be in readiness to work until the time the employee is relieved from work and all responsibility for performing work. Safety-sensitive functions shall include:

1. All time at the terminal, facility, other property, or on any public property waiting to be dispatched unless relieved from duty;
2. All time inspecting equipment as required by Federal law or otherwise inspecting, servicing, or conditioning any commercial motor vehicle, at any time;
3. All time spent at the driving controls of a commercial motor vehicle in operation;
4. All time other than driving time in or upon the commercial motor vehicle except time spent resting in an area defined as a sleeping berth;
5. All time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle or in giving or receiving receipts for shipments loaded and unloaded; and
6. All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

The Omnibus Transportation Employee Testing Act of 1991 requires all operators of commercial motor vehicles subject to the CDL requirements to be tested for controlled substances and alcohol. Federal regulations of the U. S. Department of Transportation require that any employee using a CDL be required to submit to alcohol and controlled substance testing in accordance with 49 CFR 40. The Board designates the Supervisor of Transportation as the Designated Employer Representative (DER) of the Board of Education. The Board may contract with a service agent to provide the testing services as required by Federal law. In the event the Board contracts with a service provider for transportation, the Board designee will ensure all transportation contractors comply with the drug and alcohol testing requirements of Policy 4219 pursuant to 49 CFR 382 et seq. and 49 CFR 40 et seq.

No employee at any work site will possess, manufacture, use, sell, or distribute any quantity of any controlled substance, lawful or unlawful, which in sufficient quantity could result in impaired performance, with the exception of substances administered by or under the instructions of a physician. No employee shall perform safety-sensitive functions within four hours after using alcohol and the district will not permit an employee that used alcohol within four hours of performing safety-sensitive functions to perform such functions if the district has actual knowledge of the use, in accordance with 49 CFR 392.5.

Violations

Any violation of this Policy may result in discipline, up to and including termination.

Prohibited Substances

The presence of any of the controlled substances, listed in 49 CFR 40.87, in the body, as evidenced by the results of the initial screening and subsequent confirmatory analysis provided in this Policy, is prohibited for any employee assigned to a classification covered by this Policy. All cutoff concentrations shall be in accordance with 49 CFR 40.87. All test results shall be measured against the cutoff concentrations outlined in 49 CRF 40.87.

Testing Procedures

All testing for controlled dangerous substances will be conducted in accordance with 49 CFR 40, Subparts A, B, C, D, E, F, G, H and I. The district will only test for drugs or classes of drugs in accordance with 49 CFR 40.85. Testing for alcohol will be conducted in accordance with as 49 CFR 40, Subparts J, K, L, M and N.

Categories of Testing

For the purpose of this Policy, the occurrence of the following circumstances/instances shall require an employee to submit to a controlled substance and alcohol screening:

1. Pre-Employment Testing

An individual who has applied for and has been selected to operate a Board vehicle shall, before beginning employment with the Board, submit to a controlled substance screening in conjunction with any required physical examination as per Policy 4160. Such screening shall be conducted in accordance with the procedures set forth in this Policy and 49 CFR 40. No individual receiving a positive confirmed test result will be employed by the Board.

An employer is not required to administer a controlled substances test required by 49 CFR 382.301(a) if :

- a. The employee has participated in a controlled substances testing program that met the requirements of 49 CFR 382 et seq. within the previous thirty days; and
- b. The employee while participating in that program either:
 - (1) Was tested for controlled substances within the past six months (from the date of application with the employer); or
 - (2) Participated in the random controlled substances testing program for the previous twelve months (from the date of application with the employer).
- c. The DER must ensure that no prior employer, to the DER's knowledge, has records of a violation of a controlled substance testing program within the previous six months.

If an individual is so exempted, the DER shall contact the controlled substances testing programs in which the individual participated and shall obtain and retain from the testing program(s) the following information in accordance with 49 CFR 382.301(c):

- a. Name and address of the program;
- b. Verification of the individual's participation;
- c. Verification that the program conforms to Federal guidelines;
- d. Verification the individual qualified under the law and did not refuse to be tested for controlled substances;
- e. The date the individual was last tested for controlled substances; and
- f. The results of any tests taken within the previous six months and any other violations.

In accordance with 49 CFR 382.301(d), the Board will conduct pre-employment alcohol tests before the first performance of safety-sensitive functions by a new employee or someone who has transferred to a position involving the performance of safety-sensitive functions. The alcohol test will be conducted after making a contingent offer of employment or transfer, subject to the employee passing the pre-employment alcohol test. All alcohol testing will be completed in accordance with 49 CFR 40 et seq. An employee will:

Not begin working unless the result of the test indicates an alcohol concentration of less than 0.02.

An employee who has applied for and has been selected to operate a Board vehicle or any existing employee transferring into a new position requiring the employee to operate a Board vehicle, shall submit a written consent authorizing the Board to obtain the following information from other employers who have employed the employee during any period during the two years before the date of the employee's application or transfer into the new position. The written consent from the employee will permit the DER to obtain the following information from previous Division of Transportation (DOT)-regulated employers:

- a. Alcohol tests with a result of 0.02 or higher alcohol concentration;
- b. Verified positive drug tests;
- c. Refusals to be tested (including verified adulterated or substituted drug test results);
- d. Other violations of DOT agency drug and alcohol testing regulations; and
- e. With respect to any employee who violated a DOT drug and alcohol regulation, documentation of the employee's successful completion of DOT return-to-duty requirements (including follow-up tests). If this information is not available from the previous employer, the DER must seek to obtain this information from the employee.

The DER will obtain and review this information before the employee first performs safety-sensitive functions. If this is not feasible, the DER will not permit the employee to perform safety-sensitive functions after thirty days from the date the employee first performed safety-sensitive functions, unless the DER has obtained or made and documented a good faith effort to obtain this information.

2. Random Testing

Every employee shall submit to random alcohol and controlled substance testing on an unannounced and random basis resulting from the selection by a random generation methodology in accordance with 49 CFR 383.305(i). Random testing will be spread reasonable throughout any given calendar year.

The minimum annual percentage rate for random alcohol testing shall be ten percent of the average number of driver positions. The minimum annual percentage rate for random controlled substances testing shall be twenty-five percent of the average number of driver positions. The minimum annual percentage rates may be adjusted as determined by the FMCSA Administrator in accordance with 49 CFR 382.305.

Employees shall only be random tested when performing safety-sensitive functions or immediately prior to or immediately following the performance of safety-sensitive functions.

3. Post-Accident Testing

The involvement by an employee in a motor vehicle collision while operating a Board vehicle when such accident results in property damage or personal injury, may trigger a post-accident drug and alcohol test.

As soon as practical following an occurrence, the DER will require post-accident alcohol screening for each of the surviving drivers:

- a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or
- b. Who receives a citation within eight hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
 - (1) Bodily injury to any person, who, as a result of the injury immediately receives medical treatment away from the scene of the accident; or
 - (2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

- c. If the alcohol test is not administered within two hours following the accident, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the accident, the DER shall cease attempts to administer the alcohol test and shall prepare and maintain the same record. Records shall be submitted to the FMCSA upon request.

As soon as possible following an occurrence, the district will require post-accident controlled substance screening for each of the surviving drivers:

- a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or
- b. Who receives a citation with thirty-two hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:
 - (1) Bodily injury to any person, who, as a result of the injury immediately receives medical treatment away from the scene of the accident; or
 - (2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.
- c. If the controlled substance test is not administered within thirty-two hours following the accident, the DER shall cease attempts to administer the controlled substance test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered. Records shall be submitted to the FMCSA upon request.

An employee who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the employer to have refused to submit for testing. (An employee who is injured in an accident and requires medical care, shall submit to post-accident drug and controlled substance testing by the medical care facility providing the treatment or a designee of the Board if the facility is unable to provide the testing.) Nothing herein shall be construed to prevent the employee from leaving the scene of the accident for the period required to obtain necessary assistance or to obtain emergency medical care.

4. Reasonable Suspicion Testing

The DER shall require an employee to submit to an alcohol and/or controlled substance test when the employee is observed by a supervisor or school official who is trained in accordance with 49 CFR 382.603 and causes the observer to have reasonable suspicion to believe the employee has violated 49 CFR 382 et seq. Reasonable suspicion must exist to require the employee to undergo a test and must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Reasonable suspicion alcohol testing is authorized only if the required observations are made during, just preceding, or just after the period of the work day the employee is required to be in compliance with the testing requirements of 49 CFR 382 et seq.

Reasonable suspicion testing may be required of an employee while the employee is performing, just before the employee will perform or just after the employee has ceased performing safety-sensitive functions. If the alcohol test is not administered within two hours following the determination a reasonable suspicion test is required, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the determination, the DER shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test.

No employee shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the employee is under the influence of or impaired by alcohol, as shown by the behavioral, speech and performance indicators of alcohol misuse. The employee will also not be able to perform or continue to perform safety-sensitive functions until an alcohol test is administered and the employee's concentration measures 0.02 or twenty-four hours have elapsed following the determination that reasonable suspicion existed to require an alcohol test.

A written record of the observations leading to a reasonable suspicion test shall be made and signed by the supervisor and/or school official that made the observations. This record shall be made within twenty-four hours of the observed behavior or before the results of the test are released, whichever is earlier.

5. Return to Duty Testing

The district is not required to return an employee to a safety-sensitive position upon receipt of a confirmed drug and/or alcohol test. The DER may recommend to the Superintendent of Schools the employee's employment be terminated depending on the circumstances.

The DER shall ensure that before an employee returns to duty requiring the performance of a safety-sensitive function, the employee shall undergo a return to duty alcohol test indicating a breath alcohol concentration of 0.02 and a controlled-substances test with a result indicating a verified negative result for controlled-substances use as required in 49 CFR 40.305.

Employees permitted to return to duty are required to take return-to-duty tests and shall be evaluated by a SAP. These employees must participate in an assistance program prescribed by the SAP and as required in 49 CFR 40 Subpart O.

The SAP will determine a written follow-up testing plan for any employee who has been permitted to return to work and has successfully complied with the SAP's recommendations for education and/or treatment. Such employees are subject to a minimum of six (6) unannounced, follow-up drug screening and alcohol tests over the following twelve (12) months. The testing shall not exceed forty-eight additional months. Alcohol follow-up testing shall be performed only when the employee is performing safety-sensitive functions or immediately prior to performing or immediately after performing safety-sensitive functions. All follow-up testing will be completed in accordance with 49 CFR 40.307. The SAP will comply with all reporting requirements of 49 CFR 40.311.

The Board shall make the ultimate determination to return or not return an employee to a safety-sensitive position subject to any collective bargaining agreements, if any, or other legal requirements.

Medical Review Officer (MRO) Notifications

The Board shall employ or contract with a MRO who is a licensed physician (M.D. or D.O.) and shall designate the MRO as the individual responsible for receiving laboratory results generated by the testing program. The MRO shall have knowledge of controlled substances abuse disorders and have appropriate medical training to interpret and evaluate the employee's confirmed drug test results together with his/her medical history and other biomedical data. The MRO will perform all functions and responsibilities as required in 49 CFR 40.121 .

Employer Notification

The MRO may report controlled substances test results to the DER by any means of communication; however, a signed, written notification must be forwarded within three business days of the completion of the MRO's evaluation. The MRO must report all drug test results to the employer. The MRO may use a signed or stamped and dated legible photocopy of Copy 2 of the CCF to report test results or a written report that must include, at a minimum, the information required in 49 CFR 40.163.

Split Specimen Tests

Split specimen testing will be conducted in accordance with 49 CFR 40 Subpart H. The MRO will notify the Superintendent of Schools or designee if split specimen testing is requested by the employee.

Designated Collection Facility

The Board shall designate the facility to be used for the collection of the specimen; provided, however, that the designated facility shall possess all required licenses and permits. The collection site will take place in a facility meeting the requirements of 49 CFR 40 Subpart D. The DER will ensure the collection site meets the security requirements of 49 CFR 40.43.

Designated Screening Laboratory

The Board shall designate the laboratory to which collected fluid samples will be forwarded for drug/alcohol screening. Drug testing laboratories must be certified by the Department of Health and Human Services (HHS) under the National Laboratory Certification Program (NLCP) for all testing required under 49 CFR 40. The laboratory will perform all responsibilities as required in accordance with 49 CFR 40 Subpart F.

Specimens

The normal screening methodology for controlled substances shall be urinalysis, collected by a trained representative of the Board with appropriate documentation at a site designated and approved by the Board. The presence of alcohol will be determined by an Alcohol Screening Device (ASD) or an Evidential Breath Testing Device administered by an individual certified in accordance with 49 CFR 40.211 and 49 CFR 40.213.

Refusal to Submit

An employee will be deemed as refusing to take a drug test as described in with 49 CFR 40.191. As per 49 CFR 40.191, an employee refuses to take a drug test if he/she:

1. Fails to appear for any test (except a pre-employment test) within a reasonable time, as determined by the DER, consistent with applicable DOT agency regulations, after being directed to do so by the DER;
2. Fails to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
3. Fails to provide a urine specimen for any drug test required by this Policy. An employee who does not provide a urine specimen because he or she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;
4. Fails to permit the observation or monitoring of providing a specimen. In the case of a directly observed or monitored collection in a drug test;
5. Fails to provide a sufficient amount of urine when directed, and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;
6. Fails or declines to take an additional drug test the DER or collector has directed the employee to take;
7. Fails to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under 49 CFR 40.193(d). In the case of a pre-employment drug test, the employee is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment;
8. Fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process, fails to wash hands after being directed to do so by the collector);

10. Possesses or wears a prosthetic or other device that could be used to interfere with the collection process; or
11. Admits to the collector or MRO he/she has adulterated or substituted the specimen.

If the MRO reports the employee had a verified adulterated or substituted test result, the result will be deemed refusal to take a drug test.

If an employee refuses to participate in a part of the testing process, the collector or MRO, must terminate the portion of the testing process, document the refusal on the CCF (including in the case of the collector, printing the employee's name on Copy 2 of the CCF), immediately notify the DER by any means (e.g., telephone or secure fax machine) that ensures that the refusal notification is immediately received. A referral physician (e.g., physician evaluating a "shy bladder" condition or a claim of a legitimate medical explanation in a validity testing situation), must notify the MRO, who in turn will notify the DER. In addition, the collector must note the refusal in the "Remarks" line (Step 2), and sign and date the CCF. The MRO must note the refusal by checking the "Refused to Test" box (Step 6) on Copy 2 of the CCF, and add the reason on the "Remarks" line. The MRO must then sign and date the CCF. When the employee refuses to take a non-DOT test or to sign a non-DOT form, the employee has not refused to take a DOT test. There are no consequences under DOT agency regulations for refusing to take a non-DOT test.

Record of Negative Screening

An employee required to submit to an alcohol and/or controlled substance screening as provided in this Policy and whose screening results are negative may, at their option, have their personnel file documented to reflect the negative result.

Prescription Drugs

All bus drivers shall notify the DER of the use of any prescription drugs. The Board may require certification from the prescribing physician that the use of the prescription drug will not have an adverse effect on the driver's ability to properly perform safety-sensitive functions.

Consequences to Employees Engaging in Prohibited Conduct

1. Shall not be permitted to perform safety-sensitive functions;

3. Shall be evaluated by a SAP who shall determine what assistance, if any, is needed to resolve problems with alcohol or controlled substance use;
4. Undergo, before returning to duty, a return to duty alcohol test indicating a breath level of less than 0.02 if the conduct involved alcohol or a controlled substance test with a verified negative result;

6. Be subject to unannounced follow up alcohol and/or controlled substance abuse testing;

4282 USE OF SOCIAL NETWORKING SITES

The Board of Education has a strong commitment to quality education and the well-being of all students, as well as the preservation of the school district's reputation. The Board believes staff members must establish and maintain public trust and confidence and be committed to protecting all students attending the school district. In support of the Board's strong commitment to the public's trust and confidence, the Board holds all staff members to the highest level of professional responsibility.

The Commissioner of Education has determined inappropriate conduct outside a staff member's professional responsibilities may determine them as unfit to discharge the duties and functions of their position. Staff members should be advised communications, publications, photographs, and other information appearing on social networking sites deemed inappropriate by the Board could be cause for dismissal of a non-tenured staff member or to certify tenure charges against a tenured staff member to the Commissioner of Education.

Staff members are advised to be concerned and aware such conduct deemed inappropriate may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other form of electronic communication that is directed and/or available to students or for public display or publication.

While the Board respects the right of staff members to use social networking sites, staff members should recognize they are held to a higher standard than the general public with regard to standards of conduct and ethics. It is important that a staff member's use of these sites does not damage the reputation of the school district, employees, students, or their families. Staff members who utilize, post or publish images, photographs, or comments on social networking sites, blogs, or other forms of electronic communication outside their professional responsibilities shall ensure their use, postings, or publications are done with an appropriate level of professionalism and are appropriate conduct for a school staff member. Staff members should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent.

The school district strongly encourages all staff members to carefully review the privacy settings on social networking sites they use and exercise care and good judgment when posting content and information on such sites. Staff members should adhere to the following guidelines, which are consistent with the district's workplace standards on harassment, student relationships, conduct, professional communication, and confidentiality.

When using personal social networking sites, school staff members:

This prohibition also includes signature lines and personal e-mail accounts;
8. Shall not post updates to their status on any social networking sites during normal working hours including posting of statements or comments on the social networking sites of others during school time unless it involves a school project. Employees must seek approval from the Superintendent of Schools for such use; and

4321 ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND
RESOURCES BY SUPPORT STAFF MEMBERS

The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow support staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by support staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Superintendent to effect training of support staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that telecommunications will allow support staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Board retains the right to restrict or terminate support staff members' access to the computer network(s)/computers at any time, for any reason. The Board retains the right to have the Superintendent or designee monitor network activity, in any form necessary, to maintain the integrity of the network(s) and ensure its proper use.

Standards for Use of Computer Network(s)

Any individual engaging in the following actions declared unethical, unacceptable or illegal when using computer network(s)/computers shall be subject to discipline or legal action:

- A. Using the computer network(s)/computers for illegal, inappropriate or obscene purposes, or in support of such activities. Obscene activities shall be defined as a violation of generally accepted social standards for use of publicly owned and operated communication vehicles.
- B. Using the computer network(s)/computers to violate copyrights, institutional or third party copyrights, license agreements or other contracts.

- C. Using the computer network(s) in a manner that:

4322 STAFF MEMBER'S USE OF CELLULAR TELEPHONES

The West Milford Board of Education recognizes a support staff member may need to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device during their workday. Electronic communications include, but are not limited to: voice conversations, text-messaging, accessing social networking or other internet sites, or any other type of electronic communication.

In the event the support staff member needs to electronically communicate on a non-school related, personal matter using a personal cellular telephone or other personal communication device the support staff member may do so provided the communication is made during the support staff member's free lunch/break periods and is made outside the presence of students.

An electronic communication by a support staff member on a non-school related, personal matter using a personal cellular telephone or other personal communication device shall not be made while the support staff member is performing assigned school district responsibilities.

In the event the support staff member has an emergency requiring immediate attention that requires such a communication while performing assigned school district responsibilities, the support staff member shall inform their Principal or immediate supervisor before or immediately after the communication, depending on the nature of the emergency. The Board of Education is not responsible if a support staff member's personal cellular telephone or other communication device is lost, stolen, or missing.

4324 RIGHT OF PRIVACY

The Board of Education will provide facilities and school district-owned property to assist staff members in their job responsibilities or for the staff members' convenience. These facilities or district-owned property may include, but are not limited to, an office, a storage closet, a filing cabinet, a locker, and/or a desk. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee, or immediate supervisor.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal papers and effects in these facilities or school district-owned property.

4340 GRIEVANCE

The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of support staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Superintendent; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

A grievant may use personal leave time when it becomes necessary to process a grievance during the working day. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

Level One

Within three working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's Principal or immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

Within seven working days the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

Level Two

A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Superintendent within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal will include a copy of the original grievance; the decision rendered, if any; the name of the grievant's representative, if any; and a clear, concise statement of the reasons for the appeal of the decision.

The Superintendent shall present a decision to the grievant within seven working days. If no decision is rendered within that time limit, the grievant may appeal to the next level.

Level Three

A grievant not satisfied with the Superintendent's decision may appeal that decision in writing to the Board within three working days after the receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Board will include copies of the original grievance, the appeal of that grievance at Level Two, and the decisions, if any.

The Board shall schedule the grievance for hearing to be held within forty-five calendar days of the presentation of the appeal. The grievant shall be present at the hearing.

Within ten calendar days of the hearing, the Board shall submit its decision in writing together with reasons that support the decision to the grievant. A copy of the decision shall be given to the Superintendent and to any other party to the grievance.

The decision of the Board shall be final.

4351 HEALTHY WORKPLACE ENVIRONMENT

The Board of Education recognizes a healthy workplace environment enables school support staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district's programs provided to students in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Superintendent of Schools. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Superintendent or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Superintendent or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Superintendent or designee.

If the investigation determines conduct prohibited by this policy has taken place, the Superintendent or designee will meet with the offender(s) and the victim(s) to review the investigation results and to implement remedial measures to ensure such conduct does not continue or reoccur. Appropriate disciplinary action may be taken depending on the severity of conduct.

There shall be no reprisals or retaliation against any person(s) who reports conduct prohibited by this policy.

4352 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline, which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the New Jersey Division on Civil Rights or to the United States Equal Employment Opportunity Commission. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

4360 SUPPORT STAFF MEMBER TENURE

The Board of Education directs that the tenure status of support staff members be determined only in accordance with law and this policy and such contractual terms as may have been negotiated with the employee's majority representative.

Persons employed as janitors, custodians, and maintenance personnel including supervisory personnel will be employed on fixed term contracts and will not acquire tenure in their positions.

The Board will not grant tenure to any employee for whom such tenure has not been provided in law.

4381 PROTECTION AGAINST RETALIATION

The Board of Education, District Administrators and School Administrators will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor, Board of Education Trustee(s) or public body an activity, policy, or practice of this Board, a district officer or district employee, that the employee reasonably believes to be in violation of policy, law or rule;
2. Provided information to a public body or governmental entity or agency conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or any officer or employee of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of policy, law or rule, fraudulent, criminal, or incompatible with district policy or a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.
4. Disclosed or threatened to disclose to a supervisor, the Superintendent and/or Board Trustee(s) any act, pattern of conduct, practice or condition that threatens the health, mental or emotional welfare or safety of any student(s).
5. Disclosed or threatened to disclose to a supervisor, the Superintendent and/or Board Trustee(s) any instance of misconduct, improper practice(s) or violation of any policy, rule or law within the school district or the misconduct of any district officer or employee.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to district or public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

4421.13 POSTNATAL ACCOMMODATIONS

The Board of Education recognizes support staff members may be returning to work shortly after their child's birth and may need to express breast milk during the workday. The Patient Protection and Affordable Care Act (PPACA) amended Section 7 of the Federal Fair Labor Standards Act (FLSA) for nursing mothers to be permitted reasonable break times and a private location to express breast milk for their nursing child for one year after the child's birth.

Every employee position in the school district is designated as either "non-exempt" or "exempt" by the provisions of the FLSA. Generally, a support staff member entitled to overtime pay is designated as "non-exempt." A support staff member that performs duties that are executive, administrative, or professional in nature and not entitled to overtime pay is designated "exempt." The school district administration shall refer to the comprehensive definitions of "exempt" and "non-exempt" as outlined in 29 C.F.R. 541 et seq. in determining an employee's designation.

A Board of Education is required to provide reasonable break times to non-exempt support staff members to express breast milk for their nursing child. The non-exempt support staff member shall coordinate such breaks with their immediate supervisor. The non-exempt support staff member will not receive compensation during this break time unless the break time is during a non-exempt support staff member's compensated break time.

A Board of Education is not required under the FLSA to provide such breaks to exempt support staff members. However, exempt support staff members may take such breaks provided the breaks are coordinated with their immediate supervisor. If this break is taken during the exempt support staff member's duty free lunch period or duty free break period during the workday, the exempt support staff member will not be reduced in compensation.

The Principal or the nursing mother's immediate supervisor, in consultation with the school nurse, will designate a lactation room that is shielded from view and free from intrusion from co-workers and the public. The location must be functional as a space for expressing breast milk and shall include an electrical outlet, a chair, and nearby access to running water. If the space is not dedicated to the nursing mother's use, it must be available when needed. A space temporarily converted into a lactation room or made available when needed by a nursing mother is sufficient; however, a bathroom, even if private, is not a permissible location under the FLSA.

All exempt and non-exempt support staff members are required to sign-out of work to begin the break to express breast milk and shall sign-in when they return to work after the break. The break shall be for a reasonable amount of time. For compensation purposes, the immediate supervisor shall forward all sign-in and sign-out information relative to break times for nursing mothers under the FLSA to the School Business Administrator/Board Secretary.

Program – Support Staff Members

4425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – SUPPORT STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the School Business Administrator/Board Secretary, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district's ability to assign modified duties and responsibilities.

4432 SICK LEAVE

The Board of Education shall grant sick leave, in accordance with law, to support staff members absent from work because of personal disability or quarantine. Each steadily employed employee eligible for sick leave will be entitled annually to the number of paid sick leave days negotiated with the employee's majority representative or provided in this policy or in an individual contract with the Board.

The Board reserves the right to require of any employee who claims sick leave sufficient proof, including a physician's certification, of the employee's illness or disability. As a minimum, no day will be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, has participated in a work stoppage, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request.

The Superintendent will prepare rules for the administration of the Board's policy on sick leave, which shall be binding on all employees.

The Superintendent will submit to the Board the names of those employees absent for non-compensable cause or whose claim for sick leave pay cannot be justified. The willful misuse of sick leave will be considered a serious infraction and is subject to discipline.

4435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not otherwise covered by the terms of the negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at parturition, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after parturition, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in district operations. Whenever possible, partial year leaves of absence will begin and end at divisions in the academic calendar and will cause not more than one interruption in employment continuity during the school year in which the leave is taken. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.

Any leave of absence for such duty in excess of ninety work days shall be without pay, but without loss of time. Such leave shall be in addition to the regular vacation or other accrued leave provided to the officer or employee. A full-time temporary officer or employee who has served under such temporary appointment for less than one year in the district shall receive this leave without pay, but without loss of time.

A permanent or full-time temporary officer or employee of the school district who is a member of the organized reserve of the Army of the United States, United States Naval Reserve, United States Air Force Reserve or United States Marine Corps Reserve, or other organization affiliated therewith, including the National Guard of other states, shall be entitled, in addition to pay received, if any, as a member of a reserve component of the Armed Forces of the United States, to a leave of absence from his or her respective duty without loss of pay or time on all work days on which he or she shall be engaged in any period of Federal active duty, provided, however, that such leave of absence shall not exceed thirty work days in any calendar year. 5111 ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS

The West Milford Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education.

Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child's parent or guardian from active military service, the child's eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student's parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student's parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she: is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a tenant, or a sworn landlord's statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner. Pursuant to N.J.S.A. 18A:38-1.c, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another district commits a disorderly persons offense.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.b if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian, and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian's return from active military duty.

A student is eligible to attend school free of charge pursuant to N.J.S.A. 18A:38-1.d if the student's parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student's parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a)1.i.

A student is eligible to attend this school in the district free of charge:

1. If the student's parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;
2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3.b. The school district shall not be obligated for transportation costs; and
4. If the student resides on Federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the

remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A. 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student's eligibility to attend this school shall not be affected by the physical condition of an applicant's housing, an applicant's compliance with local housing ordinances, or terms of lease.

Except as set forth in N.J.A.C. 6A:22-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student's immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or subset of documents without regard to other evidence presented.

The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.

In the case of a dispute between the school district and the parent of a student in regard to the student's eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission (NJMVC) the parent or guardian's name and address for use in verifying a student's eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1.3. The NJMVC shall disclose to a school district the information requested in accordance with procedures established by the NJMVC. However, the school district shall not condition enrollment in the district on immigration status or on the fact that the NJMVC does not have the name or address of the parent on file.

Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised that they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families a potential instance of "neglect" for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and that there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be

implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of student's birth certificate or other proof of a student's identity required within thirty days of initial enrollment pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.1 et seq.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22, or the student's initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student's removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an "affidavit student" (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an "affidavit student" does not respond within the

designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district's determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of "affidavit student" eligibility determinations shall be filed by the resident keeping the student.

Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board of Education may assess tuition for up to one year of a student's ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student's right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner's finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board. No student otherwise eligible shall be denied admission on the basis of the student's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The continued enrollment of any nonresident student shall be contingent upon the student's maintenance of good standards of citizenship and discipline.

Children Who Anticipate Moving to or from the District

A nonresident student otherwise eligible for attendance whose parent or guardian anticipates school district residency and has entered a contract to buy build, or rent a residence in this school district may be enrolled without payment of tuition for a period of time not greater than twelve weeks prior to the anticipated date of residency. If any such student does not become a resident of the school district within twelve weeks after admission to school, tuition will be charged for attendance commencing the beginning of the thirteenth week and until such time as the student becomes a resident or withdraws from school.

Students whose parent or guardian have moved away from the school district on or after February 1 and twelfth grade students whose parent or guardian have moved away from the school district on or after September 1 will be permitted to finish the school year in this school district without payment of tuition.

Children of District Employees

Children of Board of Education employees who do not reside in this school district may be admitted to school in this district with payment of tuition, provided that the educational program of such children can be provided within school district facilities.

Other Nonresident Students

Other nonresident students, otherwise eligible for attendance, may be admitted to this school district with payment of tuition and Board approval.

F-1 Visa Students

F-1 Visa students will not be admitted to this school district.

J-1 Visa Students

The school district is not required to, but may permit the attendance of J-1 Visa students into the school district. The host family must be domiciled in the school district and shall submit a request to the Superintendent of Schools with supporting documentation as determined by the Superintendent or designee. A student with a J-1 Visa must be approved by the Board for attendance in the school district and shall not pay tuition. The student's continued attendance in the school district shall be conditioned on a satisfactory attendance and disciplinary record.

5116 EDUCATION OF HOMELESS CHILDREN

The Board of Education will admit and enroll homeless children in accordance with Federal and State laws and New Jersey Administrative Code. The Board of Education adopts this Policy to be in compliance with law and administrative code to ensure the enrollment of homeless children in school and to respond to appeals made by parents or other parties related to the enrollment of homeless children.

The Board of Education shall determine that a child is homeless when he or she resides in a publicly or privately operated shelter designed to provide temporary living accommodations, including: hotels or motels; congregate shelters, including domestic violence and runaway shelters; transitional housing; and homes for adolescent mothers. A child is also determined homeless when he or she resides in a public or private place not designated for or ordinarily used as a regular sleeping accommodation, including: cars or other vehicles including mobile homes; tents or other temporary shelters; parks; abandoned buildings; bus or train stations; temporary shelters provided to migrant workers and their children on farm sites; and the residence of relatives or friends where the homeless child resides out of necessity because his or her family lacks a regular or permanent residence of its own. A child is also determined homeless when he or she resides in substandard housing.

The school district of residence for a homeless child is responsible for the education of the child and shall assume all responsibilities as required in N.J.A.C. 6A:17-2.3. The school district of residence for a homeless child means the school district in which the parent of a homeless child resided prior to becoming homeless.

The school district liaison designated by the Superintendent of Schools for the education of homeless children is the Director of Special Services. The liaison will facilitate communication and cooperation between the school district of residence and the school district where the homeless child resides and shall assume all responsibilities as outlined in N.J.A.C. 6A:17-2.4(a).

When a homeless child resides in a school district, the school district liaison shall notify the liaison of the school district of residence within twenty-four hours of receiving notification from the parent, the Department of Human Services or the Department of Children and Families, a shelter director, an involved agency, or a case manager. Upon notification of the need for enrollment of a homeless child, the liaison in the school district of residence shall coordinate enrollment procedures immediately based upon the best interest of the child pursuant to N.J.A.C. 6A:17-2.5(b).

The Superintendent of the school district of residence or designee shall decide in which school district the homeless child shall be enrolled in accordance with the provisions of N.J.A.C. 17-2.5.

Unless parental rights have been terminated by a court of competent jurisdiction, the parent retains all rights under N.J.A.C. 6A:17-2.1 et seq.

When a dispute occurs regarding the determination of homelessness or the determination of the school district of enrollment made by the school district of residence, the Superintendent(s) or the designee(s) of the involved district(s) or the child's parent(s) shall immediately notify the Executive County Superintendent of Schools, who, in consultation with the Department of Education's McKinney-Vento Homeless Education Coordinator or designee, shall immediately decide the child's status. If a dispute remains between the parent and the involved school district(s) following the Executive County Superintendent's determination, the parent or the involved district Board(s) of Education may appeal to the Commissioner of Education for determination pursuant to N.J.A.C. 6A:3, Controversies and Disputes.

When a school district is designated as the school district of residence disputes its designation as the school district of residence, or where no designation can be agreed upon by the involved school districts, the Superintendent(s) or designee(s) of the involved school districts shall immediately notify the Executive County Superintendent of Schools, who shall immediately make a determination, if possible, but no later than within forty-eight hours.

If the dispute regarding determination of district of residence does not involve the determination of homelessness and/or district enrollment, the school district disputing the Executive County Superintendent's determination may appeal to the Department of Education pursuant to N.J.A.C. 6A:23A-19.2(d), (e) and (f) and request a determination from the Division of Administration and Finance. If an appeal of a determination of district of residence also includes an appeal of the determination of homelessness and/or school district of enrollment, the appeal shall be submitted to the Commissioner of Education pursuant to N.J.A.C. 6A:3, Controversies and Disputes.

Any dispute or appeal shall not delay the homeless child's immediate enrollment or continued enrollment in the school district. The homeless child shall be enrolled in the school district in which enrollment or continued enrollment is sought by the parent, pending resolution of the dispute or appeal. Disputes and appeals involving the services provided to a homeless child with a disability shall be made pursuant to N.J.A.C. 6A:14.

Financial responsibility, including the payment of tuition for the homeless child, will be in accordance with N.J.A.C. 6A:17-2.8 et seq. At that time, the school district of residence shall no longer list the student on its ASSA. The State shall assume fiscal responsibility for the tuition of the child pursuant to N.J.S.A. 18A:7B-12.1 and shall pay the tuition to the school district in which the child is currently enrolled until the parent establishes a permanent residence or is deemed domiciled in another jurisdiction pursuant to N.J.S.A. 18A:38-1.d. under the circumstances outlined in N.J.A.C. 6A:17-2.8(c).

On or before December 31 of each year, the district shall report to the Office of Homelessness Prevention in the Department of Community Affairs an accounting of each instance in which the district is made aware that a student enrolled in the district because the student's parent moved to the district as a result of being homeless.

5120 ASSIGNMENT OF STUDENTS

The Board of Education directs the assignment of students to the schools, programs, and classes of this district consistent with the best interests of students and the best uses of the resources of this district.

Students shall generally attend the school located in the attendance area of their residence. The Superintendent may assign a student to a school other than that designated by the attendance area when such an exception is justified by circumstances and/or is in the best interests of the student. Every effort will be made to continue a student in the same elementary school once the student has been enrolled in that elementary school.

The Superintendent shall assign an incoming transfer students to the school in their attendance area of their residence provided the district's school or class size requirements can accommodate the student's enrollment. The Building Principal may assign students in his/her school to grades, classes, and groups on the basis of the needs of the student as well as the sound administration of the school.

In accordance with the provisions of N.J.S.A. 18A:36-38.a.(1), a parent of twins or higher order multiples enrolled in the same Kindergarten through eighth grade level at the same public school may request, in writing, the children be placed in the same classroom or in separate classrooms. The Principal shall make the classroom placement requested in accordance with the provisions of N.J.S.A. 18A:36-38.a.(1).

In accordance with the provisions of N.J.S.A. 18A:36-38a.(2), a parent of twins or higher order multiples enrolled in the same ninth through twelfth grade level at the same public school may request, in writing, the children be placed in the same classroom or in separate classrooms. The placement of such children shall be made at the discretion of the Principal in the best interest of the school and its students. The parent may appeal the Principal's classroom placement decision to the Board of Education, which shall make a final determination on the placement.

The written request must be submitted to the Principal no later than fourteen days after the first day of each school year. Parents of twins or higher order multiples enrolling after the school year commences shall request the classroom placement in writing no later than fourteen days after the first day of attendance.

In accordance with the provisions of N.J.S.A. 18A:36-38.(2)(b), a Principal may, after consultation with the students' parent and teachers at the end of the initial grading period, request the Board make a different classroom placement determination for the twins or higher order multiples if the initial classroom placement is determined to be disruptive to any of the students in the class or classes, or if the Principal concludes the initial placement does not sufficiently support the students' academic or social development. Upon receiving such request, the Board shall make a final classroom placement determination.

"Higher order multiples" means triplets, quadruplets, quintuplets, or larger group siblings born at one birth. Provisions of N.J.S.A. 18A:36-38 do not apply to a school district which maintains only a single classroom for the grade level in which twins or higher order multiples are enrolled. The parent shall be responsible for any additional student transportation costs that are incurred by the district as a result of providing the requested classroom placement, unless the district is in agreement with the placement. In the event one of the twins or higher order multiples receives special education services, the requested placement shall not be accommodated if the placement is inconsistent with a student's Individualized Education Plan.

5130 WITHDRAWAL FROM SCHOOL

The Board of Education believes that the educational goals of this district are best implemented by a student's exposure to the entire educational program and that every student enrolled in this district should be encouraged to complete the program of instruction appropriate to his/her needs. No student below the age of sixteen will be permitted to withdraw from school.

The Superintendent shall alert teaching staff members to identify those students who may consider eighth grade graduation the termination of their education. Any student who indicates that he/she may drop out of school before entry to the ninth grade should be reported to the Building Principal and be provided with counseling.

The Board directs that efforts be made to determine the underlying reason for a student's decision to withdraw from school before the completion of the instructional program. A potential dropout student will be offered counseling and an opportunity to plan an instructional program appropriate to his/her career goals. No student under the age of eighteen will be permitted to withdraw without the written consent of the student's parent(s) or legal guardian(s).

Counseling services and information regarding high school equivalency programs will be made available to any student sixteen years of age or older who decides to withdraw from school before completion of the requirements for a diploma. A student who has withdrawn from school may apply for readmission at any time prior to his/her twentieth birthday, provided application for readmission is made at the beginning of a school term.

Adopted: 25 April 2012

5200 ATTENDANCE

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent, guardian, or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires the students enrolled in the school district attend school regularly in accordance with the laws of the State.

Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of expectations and consequences regarding truancy, student conduct, promotion, and the award of course credit is a local Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200. In accordance with the provisions of N.J.A.C. 6A:16-7.6, and for the purposes of Policy and Regulation 5200, a student’s absence from school will either be excused or unexcused. Unexcused absences will count toward truancy.

A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. In accordance with N.J.S.A. 18A:36-14, a student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive the student of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit toward the high school diploma in accordance with policies of this Board.

Students shall be subjected to the school district’s response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4 and Regulation 5200.

Unexcused absences from school or from classes within the school day shall subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of the Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements, the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2.

5230 LATE ARRIVAL AND EARLY DISMISSAL

The Board of Education requires that students be in attendance for the full school day in order to benefit from the instructional program. That requirement will be waived only when compelling circumstances require that a student be late to school or dismissed from school before the end of the school day.

The Principal may excuse for cause the late arrival and early dismissal of a student on the prior written request of the student's parent(s) or legal guardian(s). Good cause may include, but need not be limited to, medical and dental appointments that cannot be scheduled outside the school day, medical disability, a motor vehicle driver's test, interviews for college entrance or employment, and court appearances.

No student will be permitted to leave the school before the end of the school day except in the presence of the student's parent(s) or legal guardian(s), or an agent of the parent(s) or legal guardian(s) who has written authorization, or in the custody of agents of the State acting in their legal capacity.

The Principal shall maintain a record of the parent(s) or legal guardian(s) of each student. If one parent has been assigned custody of the student by court order or separation agreement and wishes to limit the noncustodial parent's access to the student, the parent in custody must inform the Principal of any such limitation and may request that his/her authorization be required before the noncustodial parent is granted access. In the absence of such notice, the Principal will presume that a student may be released into the care of either parent.

A student who suffers an incapacitating medical disability will be released from school only in the presence of an adult.

Adopted: 25 April 2012

5240 TARDINESS

The Board of Education believes that promptness is an important element of school attendance. Students who are late to school or to class miss essential portions of the instructional program and create disruptions in the academic process for themselves and other students.

Tardiness to school or class that is caused by a student's illness, an emergency in the student's family, the observance of a religious holiday, a death in the student's family, or by the student's compliance with a request or directive of an administrator will be considered justified and is excused. All other incidents of tardiness will be considered unexcused.

A student who develops a pattern of tardiness, excused or unexcused, will be offered counseling with an appropriate staff member to determine the cause of the tardiness.

5250 EXCUSAL FROM CLASS OR PROGRAM

The Board of Education directs that a student be excused from any part of the instructions in health education, family life education, sex education, or instruction that includes dissection of animals that the parent(s) or legal guardian(s) of the student or the adult student finds morally, conscientiously, or religiously offensive. A request for excusal must be presented in a signed statement and submitted to the Principal.

An excused student shall be assigned to an alternate program of independent study on a substitute topic within the health education, family life education, or sex education program. The parent's or legal guardian's right of excusal applies to any alternate program as well.

No excused student will be penalized by loss of credit as a result of his/her excusal, but a student will be held accountable for successful completion of any alternate program assigned.

5300 AUTOMATED EXTERNAL DEFIBRILLATORS (AEDS)

The American Heart Association estimates many lives could be saved if defibrillators were more widely available. Due to technological advances, automated external defibrillators (AEDs) may be used by lay persons without any training to provide defibrillation within the first minutes of cardiac arrest thereby increasing the victim's chances of survival. In accordance with N.J.S.A. 18A:40-41.a, the Board of Education shall ensure every school in the school district has an AED as defined in N.J.S.A. 2A:62A-24. The AED shall be made available in an unlocked location on school property with an appropriate identifying sign. The AED shall be accessible during the school day and any other time when a school-sponsored athletic event or team practice is taking place in which students of the school district are participating. The AED shall be within reasonable proximity of the school athletic field or gymnasium, as applicable.

A team coach, licensed athletic trainer, or other designated staff member if there is no coach or licensed athletic trainer, who is present during athletic events or team practices, shall be trained in cardio-pulmonary resuscitation and the use of the AED in accordance with the provisions of N.J.S.A. 2A:62A-25.a. The school district shall be deemed to be in compliance with N.J.S.A. 2A:62A-25.a, if a State-certified emergency services provider or other certified first responder is on site at the event or practice.

Each AED in the school district shall be tested and maintained according to the manufacturer's operational guidelines. Notification shall be provided to the appropriate first aid, ambulance, rescue squad, or other appropriate emergency medical services provider regarding the AED, the type acquired, and its location in accordance with N.J.S.A. 2A:62A-25.b and c.

The school district and its employees shall be immune from civil liability in the acquisition and use of AEDs pursuant to the provisions of N.J.S.A. 2A:62A-27.

In accordance with the provisions of N.J.S.A. 18A:40-41.b, the Superintendent of Schools or designee shall establish and implement an Emergency Action Plan applicable to each school in the school district for responding to a sudden cardiac event including, but not limited to, an event in which the use of an AED may be necessary. The Emergency Action Plan shall be consistent with the provisions of N.J.S.A. 18A:40-41.a and, at a minimum, shall include a list of no less than five school employees, team coaches, or licensed athletic trainers who hold current certifications from the American Red Cross, American Heart Association, or other training programs recognized by the Department of Health and Senior Services in cardio-pulmonary resuscitation and in the use of an AED. This list shall be updated, if necessary, at least once in each semester of the school year. The Emergency Action Plan shall also include detailed procedures on responding to a sudden cardiac event including, but not limited to, the identification of the persons in the school who will be responsible for responding to the person

N.J.S.A. 18A:40-12.24.a requires schools to adopt a Policy for the emergency administration of an opioid antidote to a student, staff member, or other person who is experiencing an opioid overdose.

N.J.S.A. 18A:40-12.24.a.(1) requires schools with any of the grades nine through twelve to comply with the provisions of the law.

Extend Provisions of N.J.S.A. 18A:40-12.23 et seq. to Schools with Other Grades and permits schools with students in other grades to comply with the provisions of N.J.S.A. 18A:40-12.24.a.(1). Therefore, the Board extends the provisions of N.J.S.A. 18A:40-12.23 through 12.27 to schools with any of the grades 6 through 12.

N.J.S.A. 18A:40-12.24 requires a school to obtain a standing order for opioid antidotes pursuant to the “Overdose Prevention Act” - N.J.S.A. 24:6J-1 et seq. The school shall maintain a supply of opioid antidotes under the standing order in a secure, but unlocked and easily accessible location. The opioid antidotes shall be accessible in the school during regular school hours and during school-sponsored functions that take place in the school or on school grounds adjacent to the school building. The Board may, in its discretion, make an opioid antidote accessible during school-sponsored functions that take place off school grounds.

The school nurse and a designated employee who volunteers to administer an opioid antidote pursuant to N.J.S.A. 18A:40-12.24.c. are required to be trained for the administration of an opioid antidote in accordance with N.J.S.A. 18A:40-12.25.b. In accordance with N.J.S.A. 24:6J-4.a.(1)(f), a prescriber or other health care practitioner, as appropriate, may prescribe or dispense an opioid antidote directly or through a standing order to a school, school district, or school nurse. In accordance with N.J.S.A. 24:6J-4.a.(2)(c), whenever the law expressly authorizes or requires a school or school district to obtain a standing order for opioid antidotes, the school nurse(s) employed or engaged by the school or school district shall be presumed by the prescribing or dispensing health care practitioner to be capable of administering the opioid antidote, consistent with the express statutory requirement.

Notwithstanding the provisions of N.J.S.A. 24:6J-4.a.(3)(b) to the contrary, if the law expressly authorizes or requires a school, school district, or school nurse to administer or dispense opioid antidotes pursuant to a standing order under N.J.S.A. 24:6J-4 et seq., the standing order issued shall be deemed to grant the authority specified by the law, even if such authority is not specifically indicated on the face of the standing order.

Good faith shall not include willful misconduct, gross negligence, or recklessness.

Any school, school district, school nurse, school employee, or any other officer or agent of a Board of Education or charter school who administers or permits the administration of an opioid antidote in good faith in accordance with the provisions of N.J.S.A. 18A:40-12.24 and pursuant to a standing order issued under N.J.S.A. 24:6J-4 shall not, as a result of any acts or omissions, be subject to any criminal or civil liability or any disciplinary action for administering, or permitting the administration of, the opioid antidote in accordance with N.J.S.A. 24:6J-1 et seq. Nothing in this Policy shall be interpreted to prohibit the administration of an opioid antidote to a student, staff member, or other person in an emergency during school hours or during on-site school-sponsored activities by an emergency medical responder or other person authorized by law to administer an opioid antidote, in accordance with N.J.S.A. 24:6J-1 et seq.

The Overdose Prevention Act provides that when a person, in good faith, seeks medical assistance for an individual believed to be experiencing a drug overdose, whether the person is seeking assistance for himself/herself or another, the person calling for help and the person experiencing the overdose shall not be arrested, charged, prosecuted, or convicted for certain criminal offenses enumerated in N.J.S.A. 2C:35-30(a)(1-6) and N.J.S.A. 2C:35-31(a)(1-6).

Notwithstanding the provisions of any law, rule, regulation, ordinance, or institutional or organizational directive to the contrary, any person or entity authorized to administer an opioid antidote pursuant to N.J.S.A. 24:6J-4, may administer to an overdose victim, with full immunity: a single dose of any type of opioid antidote that has been approved by the United States Food and Drug Administration for use in the treatment of opioid overdoses; and up to three doses of an opioid antidote that is administered through an intranasal application, or through an intramuscular auto-injector, as may be necessary to revive the overdose victim. Prior consultation with, or approval by, a third-party physician or other medical personnel shall not be required before an authorized person or entity may administer up to three doses of an opioid antidote, as provided in N.J.S.A. 24:6J-4, to the same overdose victim.

A school district may enter into a shared services arrangement with another school district for the provision of opioid antidotes pursuant to N.J.S.A. 18A:40-12.27 if the arrangement will result in cost savings for the districts.

This Policy and Regulation 5330.04 shall be reviewed and approved by the school physician prior to Board adoption and whenever this Policy is revised. This Policy shall be made available to school staff members, parents, and students in handbooks, on the school district's website, or through any other appropriate means of publication.

All school bus drivers, contracted and district-employed, shall be provided notice and information if they are transporting a student with epilepsy or a seizure disorder pursuant to N.J.S.A. 18A:40-12.36. The school nurse shall obtain a release from the parent of the student to authorize the sharing of medical information in accordance with N.J.S.A. 18A:40-12.37.

No school employee, including a school nurse, school bus driver, school bus aid, or any other officer or agent of the Board, shall be held liable for any good faith act or omission consistent with the provisions of N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38, nor shall an action before the New Jersey State Board of Nursing lie against a school nurse for any such action taken by a person trained in good faith by the school nurse pursuant to N.J.S.A. 18A:40-12.34 through N.J.S.A. 18A:40-12.38. Good faith shall not include willful misconduct, gross negligence, or recklessness.

5331 MANAGEMENT OF LIFE-THREATENING ALLERGIES IN SCHOOLS

The Board of Education recognizes students may have allergies to certain foods and other substances and may be at risk for anaphylaxis. Anaphylaxis is a sudden, severe, serious, systemic allergic reaction that can involve various areas of the body (such as the skin, respiratory tract, gastrointestinal tract, and cardiovascular system). Anaphylaxis is a serious allergic reaction that may be rapid in onset and may cause death. Policy 5331 has been developed in accordance with the Guidelines for the Management of Life-Threatening Food Allergies in Schools developed by the New Jersey Department of Education.

An Individualized Healthcare Plan (IHP) and an Individualized Emergency Healthcare Plan (IEHP) will be developed for each student at risk for a life-threatening allergic reaction. Self-administration of medication, the placement and the accessibility of epinephrine, and the recruitment and training of designees who volunteer to administer epinephrine during school and at school-sponsored functions when the school nurse or designee is not available shall be in accordance with N.J.S.A. 18A:40-12 and Board Policy and Regulation 5330. School staff will be appropriately trained by the school nurse or designee to understand the school's general emergency procedures and steps to take should a life-threatening allergic reaction occur.

The school district will develop and implement appropriate strategies and prevention measures for the reduction of risk of exposure to food allergens throughout the school day, during before- and after-school programs, at all school-sponsored activities, in the cafeteria, or wherever food is present.

A description of the roles and responsibilities of parent(s) or legal guardian(s), staff, and students to prevent allergic reactions and during allergic reactions are outlined in Regulation 5331.

Every incident involving a life-threatening allergic reaction and/or whenever epinephrine is administered throughout the school day, during before- and after-school programs, and/or at all school-sponsored activities shall be reported to the school nurse or designee. The school nurse or designee shall be responsible to notify emergency responders, the Principal or designee, the school physician, and the Superintendent of Schools. The Superintendent shall inform the Board of Education after every incident including a life-threatening allergic reaction or whenever epinephrine is administered by the school nurse or designee. In addition, in accordance with the provisions of N.J.S.A. 18A:40-12.5.e.(3), the school nurse or designee shall arrange for the transportation of a student to the hospital emergency room by emergency services personnel after the administration of epinephrine, even if the student's symptoms appear to have resolved.

There will be occasions where food and/or beverages will be served as part of a classroom experience, field trip, and/or celebration. Because the ingredients of these food and beverage products may be unknown to the food preparation person and/or server, a student with anaphylaxis to food should not consume any food products that he/she is unsure of the ingredients. The teacher will provide, whenever possible, advance notice of the classroom experience, field trip, or celebration in order for the student to bring a food or beverage product from their home so they may participate in the activity.

When a parent(s) or legal guardian(s) informs the Building Principal and the school nurse the student may have an anaphylactic reaction to a substance other than food, the Building Principal will work with school staff to determine if these substances are on school grounds. The Building Principal will inform and work with the parent(s) or legal guardian(s) and the student to avoid the student's exposure to these substances if present on school grounds.

School staff will be appropriately trained by the school nurse or designee to understand the school's general emergency procedures and steps to take should a life-threatening allergic reaction occur. The school nurse or designee will provide appropriate training to school staff to understand allergies to food and other substances, to recognize symptoms of an allergic reaction, and to know the school's general emergency procedures and steps to take should a life-threatening allergic reaction occur. The school nurse will work with appropriate school staff to eliminate or substitute the use of allergens in the allergic student's meals, educational/instructional tools and materials, arts and crafts projects, or incentives.

Policy and Regulation 5331 should be annually reviewed, evaluated, and updated where needed. Policy and Regulation 5331 will be disseminated and communicated to all parent(s) or legal guardian(s) of students in the school in the beginning of each school year and when a student enters the school after the beginning of the school year.

5332 DO NOT RESUSCITATE ORDERS

Federal and State legislation entitles every student to a free, appropriate public education in the least restrictive environment. Due to the high risk of medically fragile students and students with chronic illnesses, who in the past would not have survived to be able to attend school, families, professionals, and school personnel are challenged with new issues in caring for these students in the school setting. Some families may wish not to pursue life-saving medical protocols for their child due to the lack of benefit to the student's condition or quality of life that is likely to result from following these protocols. In accordance with N.J.A.C. 6A:16-2.1(a)3, all Do Not Resuscitate (DNR) orders received for a student will be thoroughly and carefully reviewed.

“Do Not Resuscitate order” or “DNR order” means a written directive signed by the parent or legal guardian of a student who, after consultation with the student's pediatrician and other advisors, declines emergency administration of cardiopulmonary resuscitation (CPR) and automatic external defibrillator (AED) to the student. “Written order” means a directive and protocol written by the student's medical home to address a healthcare need or provide a medical service for a specific student. “Medical home” means a health care provider and that provider's practice site chosen by the student's parent or legal guardian for the provision of health care.

A family desiring to pursue a DNR order must submit a written order, which should be developed after a meeting with the parent(s) or legal guardian(s), the student, if appropriate, the school physician, the school nurse, the student's family healthcare provider, and the local emergency medical services provider. The written order shall include specific written emergency orders and shall specifically meet the goals for the student. Community emergency medical services protocols must be clearly defined in the written order.

The school nurse is responsible for providing an appropriate response to DNR orders. The school nurse will coordinate the school district's review of the written order with the Building Principal or designee, the school physician, and the Superintendent of Schools or designee. The Superintendent of Schools or designee will review the written order with the Board of Education and the school Board Attorney. The school physician shall be responsible for instructing school staff in DNR orders.

The existence of a DNR written order and plan shall be referenced on the student's health form that is approved for use by the Commissioner of Education. A copy of the DNR written order shall be placed with the student's individualized health record and a copy should be kept with the local emergency medical services provider. The DNR written order shall be reviewed whenever a change occurs in the student's condition and at least once every six months.

5335 TREATMENT OF ASTHMA

The Board of Education recognizes the primary goal for children with asthma is to allow the child to live as normal a life as possible. The child should be able to participate in normal childhood activities, experience exercise tolerance similar to peers, and attend school to grow intellectually and develop socially. In accordance with N.J.A.C. 6A:16-2.1(a)5, the Board adopts this Policy that includes procedures for the treatment of asthma in the school setting.

Every school in the district shall have and maintain for the use of students at least one nebulizer in the office of the school nurse or a similar location. Each school nurse in the district shall receive training in airway management and in the use of nebulizers and inhalers consistent with nationally recognized standards including, but not limited to, those of the National Institutes of Health and the American Academy of Allergy, Asthma and Immunology pursuant to N.J.S.A. 18A:40-12.8(a). The school nurse, upon receiving this training, is authorized to administer asthma medication through the use of a nebulizer pursuant to N.J.S.A. 18A:40-12.8(a).

Each student authorized to use self-administered asthma medication pursuant to N.J.S.A. 18A:40-12.3 and Policy 5330 or a nebulizer shall have an Asthma Action Plan (AAP) prepared by the student's medical home and submitted to the certified school nurse. The AAP shall identify, at a minimum, asthma triggers and information to be included in the individualized healthcare plan and individualized emergency healthcare plan, pursuant to N.J.A.C. 6A:16-2.3(b) for meeting the medical needs of the student while attending school or a school-sponsored function.

In compliance with Title II of the Americans with Disabilities Act (ADA) as amended by the ADA Amendments Act of 2008, it is the Policy of the Board to permit use of a service animal by an individual with a disability in all areas of the district where the public is normally permitted: in district buildings; on district property; and on vehicles owned, leased, or controlled by the district. (28 CFR §35.136)

A. Definitions

1. “Act” means the Americans with Disabilities Act (ADA) as amended by the ADA Amendments Act of 2008.
2. “Designated administrator” means Principal or person designated by the Principal to coordinate these activities.
3. “District” means this school district.
4. “Handler” means the animal’s owner who is an individual with a disability or a person, such as a trainer, assisting the owner with control of the service animal.
5. “Service animal” means a dog individually trained to do work or perform a specific job or task for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. (28 CFR §36.104)

 - c. Work or tasks for the purposes of this definition do not include the provision of emotional support, well-being, comfort, therapy, companionship, or crime deterrence.

B. Generally

1. The district shall permit the use of a service animal by an individual with a disability unless:

- a. The animal is out of control and the animal's handler does not take effective action to control it;
 - b. The animal is not housebroken.
2. A service animal shall have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control (e.g. voice control, signals, or other effective means). (28 CFR §35.136(d))
3. If an animal is properly excluded, the district shall give the individual with a disability the opportunity to participate in the service, program, or activity without having the service animal on the premises. (28 CFR §35.136(b))
4. If there are places in the district where it is determined to be unsafe for a handler and service animal, reasonable accommodations will be provided to assure the individual with a disability has equal access to the activity.
5. Unless the need for a service animal is readily apparent, the individual with a disability or his/her parent will be required to provide the district with information that:
 - a. The service animal is required because of a disability; and
 - b. What work or task the animal has been trained to perform.
6. The district may not require documentation, including proof that the animal has been certified, trained, or licensed as a service animal; nor that the dog demonstrates its ability to perform the work or task. (28 CFR §35.136(f))
7. Individuals with a disability who have service animals are not exempt from local animal control or public health requirements.
8. Service animals must be licensed and registered in accordance with State and local laws.

C. Delegation of Responsibility

1. The district is not responsible for the care or supervision of a service animal, in accordance with 28 CFR §35.136(e).
 - a. The district is not responsible to pay for or provide a handler to aid the individual with a disability in the control of the service animal.
 - b. The district is responsible to provide assistance to an individual with a disability in performing the tasks required of the individual for the care and maintenance of the service animal.
2. If the district normally charges individuals for damage they cause, an individual with a disability may be charged for damage caused by his or her service animal. (28 CFR §35.136(h))
3. The district will designate relief areas for the service animal which will be included in mobility training and orientation of students and animals new to the school.

D. Notification and Responsibilities

1. In the event a service animal will be introduced as part of the school community, the designated administrator will develop a comprehensive implementation plan prior to introduction of the service animal into the school to include:
 - a. Notification to parents of students who may be in contact with the service animal;
 - b. Appropriate accommodations:
 - (1) For students who are allergic to the service animal; and/or

 - c. Appropriate etiquette regarding service animals to include:
 - (1) Never pet a service animal while it is working;

- (2) Never feed a working service animal;
 - (3) Do not deliberately startle, tease, or taunt a service animal;
 - (4) Do not hesitate to ask the handler if he or she would like assistance regarding directions for navigating the facility.
 2. The use of a service animal introduced as part of the school community will require inclusion into the student's Individualized Education Plan (IEP) or the student's Section 504 Accommodation Plan.
 3. The district may request, but cannot require, the owner of a service animal introduced as part of the school community and, as included in the student's IEP or Section 504 Accommodation Plan, maintain liability insurance for the service animal. The School Business Administrator/Board Secretary will ensure the school district has appropriate insurance in the event a service animal is introduced as part of the school community.
- E. Miniature Horses
1. Miniature horses, although not included in the Act under the definition of "service animal," may only be permitted if individually trained to do work or perform tasks for the benefit of the individual with a disability and if they meet the assessment factors outlined in 3. below. (28 CFR §35.136(i))
 2. Ponies and full size horses are not considered miniature horses.
 3. Assessment factors to determine whether the district can reasonably modify its policies, practices, and procedures to allow for the use of miniature horses on its property, facilities, or vehicles include:
 - a. Type, size, and weight of the miniature horse and whether the facility can accommodate those features;
 - b. Whether the handler has sufficient control of the miniature horse;

5338 DIABETES MANAGEMENT

Diabetes is a serious chronic disease and must be managed twenty-four hours a day in order to avoid the potentially life-threatening short-term consequences of blood sugar levels that are either too high or too low and the serious long-term complications of high blood sugar levels. In order to manage their diabetes, students must have access to the means to balance food, medications, and physical activity level while at school and at school-related activities.

The parent or legal guardian of a student with diabetes who seeks diabetes care for the student while at school shall inform the school nurse who shall develop an individualized health care plan and an individualized emergency health care plan for the student. The individualized health care plan and individualized emergency health care plan shall be updated by the school nurse prior to the beginning of each school year and as necessary in the event there is a change in the health status of the student.

The school nurse assigned to a particular school shall coordinate the provision of diabetes care at that school and ensure that appropriate staff members are trained in the care of students with diabetes, including staff members working with school-sponsored programs outside of the regular school day, as provided in the individualized health care plan and the individualized emergency health care plan. The school nurse shall have the primary responsibility for the emergency administration of glucagon to a student with diabetes who is experiencing severe hypoglycemia.

The school nurse shall designate, in consultation with the Superintendent of Schools or designee, additional employees of the school district who volunteer to administer glucagon to a student with diabetes who is experiencing severe hypoglycemia. The designated employees shall only be authorized to administer glucagon, following training by the school nurse or other qualified health care professional, when a school nurse is not physically present at the scene.

Upon the written request of the parent or legal guardian and as provided in a student's individualized health care plan, the student will be permitted to manage and care for his/her diabetes as needed in the classroom, in any area of the school or school grounds, or at any school-related activity provided the student has been evaluated and determined to be capable of doing so as reflected in the student's individualized health care plan.

The Principal or school nurse shall, for each student with diabetes whom a school bus driver transports, provide the driver with a notice of the student's condition, how to treat hypoglycemia, who to contact in an emergency, and parent(s) or legal guardian(s) contact information. Designated areas of the school building shall have posted, in plain view, a reference sheet identifying signs and symptoms of hypoglycemia in students with diabetes.

A student's school choice, if there is a choice option, shall not be restricted due to the fact the student has diabetes.

5339 SCREENING FOR DYSLEXIA

In accordance with the provisions of N.J.S.A. 18A:40-5.1 et seq., the Board of Education shall ensure each student enrolled in the school district who has exhibited one or more potential indicators of dyslexia or other reading disabilities is screened for dyslexia and other reading disabilities using a screening instrument selected pursuant to the provisions of N.J.S.A. 18A:40-5.2. This screening shall be administered no later than the student's completion of the first semester of the second grade.

In the event a student enrolls in the district in Kindergarten through grade six and has no record of being previously screened for dyslexia or other reading disabilities, pursuant to N.J.S.A. 18A:40-5.2, the Board shall ensure the newly-enrolled student is screened for dyslexia and other reading disabilities using a screening instrument selected pursuant to N.J.S.A. 18A:40-5.2. This screening shall be administered at the same time other students enrolled in the student's grade are screened for dyslexia and other reading disabilities, or if other students enrolled in the student's grade have previously been screened, within ninety calendar days of the date the student is enrolled in the district. The screenings shall be administered by a teacher or other teaching staff member properly trained in the screening process for dyslexia and other reading disabilities.

For the purposes of this Policy, "dyslexia" means a specific learning disability that is neurobiological in origin. It is characterized by difficulties with accurate and/or fluent word recognition and by poor spelling and decoding abilities. These difficulties typically result from a deficit in the phonological component of language that is often unexpected in relation to other cognitive abilities and the provision of effective classroom instruction. Secondary consequences may include problems in reading comprehension and reduced reading experience that can impede growth of vocabulary and background knowledge.

For the purposes of this Policy, "potential indicators of dyslexia or other reading disabilities" means indicators that include, but shall not be limited to, difficulty in acquiring language skills; inability to comprehend oral or written language; difficulty in rhyming words; difficulty in naming letters, recognizing letters, matching letters to sounds, and blending sounds when speaking and reading words; difficulty recognizing and remembering sight words; consistent transposition of number sequences, letter reversals, inversions, and substitutions; and trouble in replication of content.

In accordance with the provisions of N.J.S.A. 18A:40-5.2(a), the Commissioner of Education shall distribute to each Board of Education information on screening instruments available to identify students who possess one or more potential indicators of dyslexia or other reading disabilities. The Commissioner shall provide information on the screening instruments appropriate for Kindergarten through grade two students and on screening instruments that may be suitably used for older students. The Board shall select and implement age-appropriate screening instruments for the early diagnosis of dyslexia and other reading disabilities.

In accordance with provisions of N.J.S.A. 18A:40-5.2(b), the Commissioner shall also develop and distribute to each Board of Education guidance on appropriate intervention strategies for students diagnosed with dyslexia or other reading disabilities.

In the event a student is determined, through the screening conducted in accordance with N.J.S.A. 18A:40-5.3, to possess one or more potential indicators of dyslexia or other reading disabilities pursuant to the provisions of N.J.S.A. 18A:40-5.1 et seq., the Board shall ensure the student receives a comprehensive assessment for the learning disorder. In the event a diagnosis of dyslexia or other reading disability is confirmed by the comprehensive assessment, the Board shall provide appropriate evidence-based intervention strategies to the student, including intense instruction on phonemic awareness, phonics and fluency, vocabulary, and reading comprehension.

In accordance with the provisions of N.J.S.A. 18A:6-131, general education teachers in grades Kindergarten through three, special education teachers, basic skills teachers, English as a second language teachers, reading specialists, learning disabilities teacher consultants, and speech-language specialists are required to complete at least two hours of professional development each year on the screening, intervention, accommodation, and use of technology for students with reading disabilities, including dyslexia. The Board may make these professional development opportunities available to other instructional or support staff members as the Board deems appropriate. This requirement for professional development in reading disabilities may be part of the twenty hours of annual professional development required by N.J.A.C. 6A:9C et seq. Documentation of teachers' fulfillment of this professional development requirement shall be maintained in the district.

N.J.S.A. 18A:40-5.1; 18A:40-5.2; 18A:40-5.3; 18A:40-5.4; 18A:6-131

5350 STUDENT SUICIDE PREVENTION

The Board of Education recognizes that depression and self-destruction are problems of increasing severity among students . Students under severe stress cannot benefit fully from the educational program and may pose a threat to themselves or others.

The Board directs all school district staff to be alert to a student who exhibits warning signs of self-destruction or who threatens or attempts suicide. Any such warning signs or the report of such warning signs from another student or staff member shall be taken with the utmost seriousness and reported immediately to the Principal or designee.

The Principal or designee shall immediately contact the parent(s) of the student exhibiting warning signs of suicide to inform the parent(s) the student will be referred to the Child Study Team or a Suicide Intervention Team, appointed by the Superintendent or designee, for a preliminary assessment. Upon completion of the preliminary assessment, the Principal or designee shall meet with the parent(s) to review the assessment. Based on the preliminary assessment, the parent(s) may be required to obtain medical or psychiatric services for the student. In the event the parent objects to the recommendation or indicates an unwillingness to cooperate in the best interests of the student, the Principal or designee will contact the New Jersey Department of Children and Families, Division of Child Protection and Permanency to request intervention on the student's behalf.

In the event the student is required to obtain medical or psychiatric services, the parent(s) will be required to submit to the Superintendent a written medical clearance from a licensed medical professional, selected by the parent(s) and approved by the Superintendent, indicating the student has received medical services, does not present a risk to themselves or others, and is cleared to return to school. The written medical clearance may be reviewed by a Board of Education healthcare professional before the student is permitted to return to school. The parent(s) shall be required to authorize their healthcare professional(s) to release relevant medical information to the school district's healthcare professional, if requested.

Any school district staff member, volunteer, or intern with reasonable cause to suspect or believe that a student has attempted or completed suicide, shall immediately report the information to the Principal or designee or their immediate supervisor who will immediately report it to the Superintendent or designee. The Superintendent or designee shall promptly report it online to the New Jersey Department of Children and Families, or as otherwise required by the Department of Children and Families in accordance with N.J.S.A. 30:9A-24. In accordance with N.J.S.A. 30:9A-24i, any person who reports an attempted or completed suicide shall have immunity from any civil or criminal liability on account of the report, unless the person has acted in bad faith or with malicious purpose.

.In accordance with the provisions of N.J.S.A. 18A:6-111 and 18A:6-112, as part of the required professional development for teachers as outlined in N.J.A.C. 6A:9C-3 et seq., every teaching staff member must complete at least two hours of instruction in suicide prevention, to be provided by a licensed health care professional with training and experience in mental health issues, in each professional development period. The instruction in suicide prevention shall include information on the relationship between the risk of suicide and incidents of harassment, intimidation, and bullying and information on reducing the risk of suicide in students who are members of communities identified as having members at high risk of suicide.

The Superintendent shall prepare and disseminate guidelines to assist school district staff members in recognizing the warning signs of a student who may be contemplating suicide, to respond to a threat or attempted suicide, and to prevent contagion when a student commits suicide.

5411 PROMOTION FROM EIGHTH GRADE

The Board of Education will recognize with fitting ceremonies a student's completion of the program of studies offered by this district in elementary school and the student's entrance to secondary school.

Successful completion of the program of studies in elementary school requires achievement of the instructional objectives set for each course of study, demonstration of mastery of the proficiencies established for each course, and a satisfactory attendance record. The parent(s) or legal guardian(s) of a student who may be prevented from graduating shall be so notified in advance and no later than six weeks prior to the close of the school year. Every effort shall be made to remediate a student's deficiencies before graduation is denied.

The requirements for promotion from elementary school of a disabled student shall be set forth in the student's individualized education program. Completion of those specialized requirements shall qualify the student for graduation and entry to secondary school.

To acquaint parent(s) or legal guardian(s) and others of the progress and productivity of students, school Principals, teachers, and instructional supervisors are encouraged to praise and exhibit accomplishments of students.

The school system maintains a comprehensive method of formalized reporting to parent(s) or legal guardian(s) including progress reports, report cards, and parent-teacher conferences. Conferences are encouraged and may be initiated at any time by the parent(s) or legal guardian(s), teacher, counselor, or Principal and shall be arranged at a mutually agreeable time.

5430 STUDENT RECOGNITION

The Board of Education believes that positive encouragement is a much more powerful motivator than negative criticism, and that positive recognition will do more to motivate students to strive for higher personal performance than criticism of negative results. While recognition of high achievement is important, it is covered by policy 5440. Under this policy, the Board seeks to 'inclusively' recognize students for their efforts and notable experiences in all aspects of their scholastic experience. High or outstanding performance shall not be required for this recognition, but should be included in recognition whenever the opportunity arises.

The Superintendent of Schools, together with the Principals, shall proactively plan for and execute programs of individual recognition of notable student participation and achievement through formal recognition letters on District letterhead and signed by the applicable principal, supervisor, or superintendent, as well as annual or bi-annual recognition events. Principals shall enlist the assistance and cooperation of teachers and other staff as may promote this goal of student recognition.

The Board directs that the contemplated recognition should include, but not be limited to, student participation in notable academic endeavors, athletic activity, the arts, charitable efforts, community service, for citizenship and other notable achievements.

Notable Endeavors include, but shall not be limited to:

Academic Endeavors:

- Completion of Honors and Advanced Placement Courses
- Academic Competitions or Contests
- Participation in Academic Organizations/Clubs

5460.02 BRIDGE YEAR PILOT PROGRAM

The New Jersey Commissioner of Education has established a three-year "Bridge Year Pilot Program," under which each school district with a high school shall offer students in the graduating classes of 2021 and 2022 the opportunity to pursue a Bridge Year during the year immediately following their senior year of high school, in accordance with the provisions of P.L. 2020 c.41. The purpose of the Bridge Year Pilot Program shall be to provide participating students an additional year to address learning loss and missed opportunities in extracurricular activities, including spring sports programs, as a result of the public health state of emergency caused by the COVID-19 pandemic.

For the purpose of this Policy, "host high school" means the high school that a student, who pursues a Bridge Year pursuant to the provisions of P.L. 2020 c.41, attended as a junior in high school.

Under the Bridge Year Pilot Program, each high school in a school district shall designate a school staff member as a Bridge Year Liaison to serve as the school's central point of contact for students interested in pursuing a Bridge Year and for students participating in a Bridge Year. Nothing in P.L. 2020 c.41 shall be construed to require a school district to hire an individual to serve as a Bridge Year Liaison.

To be eligible to participate in the Bridge Year Pilot Program, a student shall be nineteen years of age or younger and shall not turn twenty years of age at any time during the Bridge Year, except that a classified student shall be eligible to participate if the student will turn twenty years of age during the Bridge Year due to services provided pursuant to the student's individualized education program. To participate in the Bridge Year Pilot Program, eligible students must notify their host high school's Bridge Year Liaison by February 15 of their senior year.

The Bridge Year Liaison shall develop, in consultation with Bridge Year students, an Individual Learning Plan (ILP) for each student. To ensure ample time to plan for the implementation of services outlined in the ILP, each Bridge Year student's ILP shall be completed by May 15, but no later than June 1 of the student's senior year.

During the fall semester of the student's Bridge Year, the student shall take between nine and twelve credits at the host high school, the county college that serves the county of the host high school, or a combination thereof. During the spring semester of the student's Bridge Year, the student shall take between nine and twelve credits at the county college that serves the county of the host high school. During either semester of the Bridge Year, a student may also take up to three credits offered by a four-year institution of higher education at any high school in the State or at any other location to fulfill the student's credit requirement. At the conclusion of each

semester of the Bridge Year, the host high school shall update the student's high school transcript to reflect any high school credits earned during the Bridge Year.

In the event that a student initially decides to pursue a Bridge Year in the fall semester, but does not continue the Bridge Year in the spring semester, the student's host high school shall release all final transcripts and other records as necessary and as may be requested. A student who decides not to continue the Bridge Year in the spring semester shall not be eligible to participate in a spring sports program or extracurricular activities pursuant to P.L. 2020 c.41.

The State Board of Education shall promulgate regulations pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B -1 et seq.), necessary to effectuate the provisions of P.L. 2020 c.41.

The Higher Education Student Assistance Authority shall promulgate regulations, pursuant to the "Administrative Procedure Act," P.L.1968, c.410 (C.52:14B -1 et seq.), necessary to effectuate the provisions of subsection d. of section 2 of this Act.

5460.1 COMMENCEMENT ACTIVITIES

The West Milford Board of Education endorses graduation and promotion activities and ceremonies. The date of graduation shall be recommended annually by the Superintendent of Schools and approved by the Board of Education.

Graduation shall not occur prior to the completion of the required one hundred eighty days of student instruction.

Guidelines for Graduation Year Activities

Student participation in special graduation year activities will require conduct of the highest caliber in all school situations.

Criteria for exclusion from these activities shall include, but not be limited to:

- A. Consistent involvement in disciplinary action(s);
- B. Suspension; and
- C. Collaborative evaluation by the staff.

The final decision shall be made by the Superintendent of Schools, based on recommendation of the Building Principal.

Students and parent(s) or legal guardian(s) shall be given advance notification of these criteria.

Graduation Procedures and Ceremonies

No student shall be barred from participation in graduation ceremonies for arbitrary or discriminatory reasons. A student who may be prevented from participation and his/her parent(s) or legal guardian(s) shall be notified in advance and no later than three days prior to the ceremony. Exceptions to this three-day notification may be made in urgent or unique situations.

The West Milford Board of Education reserves the right to deny participation in graduation activities when extreme circumstances warrant it. Such denial shall be treated in the same manner as a suspension, and the student so affected shall be afforded the rights of review provided in policies of this Board.

The West Milford Board of Education reserves the right to withhold a diploma and transcripts until all fines are paid.

When a student or his/her parent(s) or legal guardian(s) experience financial hardship and is unable to pay the costs of participation in graduation ceremonies, the Board of Education shall assume the costs of the following items:

- A. Rental or purchase of cap and gown;
- B. One yearbook; and
- C. Other, as may be determined by the Board.

Financial hardship shall be defined by eligibility standards for free and reduced price meals under the State school lunch program.

Awarding of Diplomas

A Board member shall present a copy of the Declaration of Independence, the Constitution of the United States, and the amendments thereto, and the Constitution of the State of New Jersey and the amendments thereto to each student upon promotion from elementary school.

The President of the Board of Education and/or another designated member of the Board shall award the diplomas. Board members and former Board members shall be afforded the opportunity to award diplomas to their own children with the approval of the Board President.

5466 GRADUATION AND YEARBOOK FEES

The Board of Education recognizes that the cost of graduation ceremonies, if any, directly paid by graduating students and the cost of a yearbook directly paid by the graduating student may create a financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

The Board of Education will not exclude from the graduation ceremony any student who is unable to pay the fees required of the graduating student to participate in the graduation ceremony because of financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

Furthermore, the Board will pay the cost for a graduating student to purchase a yearbook if the graduating student is unable to pay the fees required of the graduating student to participate in the graduation ceremony because of financial hardship for the parent(s), legal guardian(s) or other person having legal custody of the graduating student.

In determining financial hardship, the criteria will be the same as the Statewide eligibility standards established by the State Board of Education for free and reduced price meals under the State School Lunch Program.

5500 EXPECTATIONS FOR STUDENT CONDUCT

The Board of Education believes that students should commit themselves to learning and to the development of their unique potential. Students should know that their attitudes and acts affect both their own and their classmates' learning and should accept responsibility for helping to create a positive school environment. With the support and assistance of school staff members and parent(s) or legal guardian(s), all students can contribute to the effectiveness of the schools and the value of their education.

The Board expects all students in this school district, commensurate with their age and ability, to:

1. Prepare themselves mentally and physically for the process of learning;
2. Respect the person, property, and intellectual and creative products of others;
3. Take responsibility for their own behavior;
4. Use time and other resources responsibly;
5. Share responsibilities when working with others;
6. Meet the requirements of each course of study;
7. Monitor their own progress toward school objectives; and
8. Communicate with parent(s) or legal guardian(s) and appropriate school staff members.

The Superintendent shall, in consultation with staff members, parent(s) or legal guardian(s), and, where appropriate, students, develop a statement of specific student behaviors that exemplify these expectations and shall publish both this policy and the statement of behaviors to all students, parent(s) or legal guardian(s), and professional staff members.

A. Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Harassment, intimidation, or bullying is unwanted, aggressive behavior that may involve a real or perceived power imbalance. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s) or adoptive parent(s), legal guardian(s), foster parent(s), or parent surrogate(s) of a student. Where parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided such parental rights have not been terminated by a court of appropriate jurisdiction.

B. Harassment, Intimidation, and Bullying Definition

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or by any other distinguishing characteristic;
2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3; that
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property;
or

- b. Has the effect of insulting or demeaning any student or group of students;
or
- c. Creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical or emotional harm to the student.

Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).

“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to, a telephone, cellular phone, computer, or pager.

C. Student Expectations

The Board expects students to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages student to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities to help students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students' abilities to grow in self-discipline.

The Board expects that students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, students, instructional staff, student support services staff, school administrators, and school volunteers, as well as community organizations, such as faith-based, health and human service, business and law enforcement, in the development of this Policy. Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a)2, the Board must develop guidelines for student conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for student conduct will take into consideration the developmental ages of students, the severity of the offenses and students' histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent must annually provide to students and their parents or guardians the rules of the district regarding student conduct. Provisions shall be made for informing parents or guardians whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Students are encouraged to support other students who:

1. Walk away from acts of harassment, intimidation, and bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;

3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

D. Consequences and Appropriate Remedial Actions

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for students who commit one or more acts of harassment, intimidation, or bullying, consistent with the Code of Student Conduct. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by students. Appropriate remedial action for a student who commits an act of harassment, intimidation, or bullying that takes into account the nature of the behavior; the nature of the student's disability, if any, and to the extent relevant; the developmental age of the student; and the student's history of problem behaviors and performance. Target/Victim Support

Districts should identify a range of strategies and resources that will be available to individual victims of harassment, intimidation, and bullying, and respond in a manner that provides relief to victims and does not stigmatize victims or further their sense of persecution. The type, diversity, location, and degree of support are directly related to the student's perception of safety.

E. Harassment, Intimidation, and Bullying Reporting Procedure

All Board members, school employees, and volunteers and contracted service providers who have contact with students are required to verbally report alleged violations of this Policy to the Principal or the Principal's designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with students, also shall submit a report in writing to the Principal within two school days of the verbal report. The Principal or designee will inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal or designee shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident. A person may report, verbally or in writing, an act of harassment, intimidation, or bullying committed by an adult or youth against a student anonymously. The Board will not take formal disciplinary action based solely on the anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, and bullying from a district employee, and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action.

- g. Execute such other duties related to harassment, intimidation, or bullying as requested by the Principal or district Anti-Bullying Coordinator.

G. Harassment, Intimidation, and Bullying Investigation

The Board requires a thorough and complete investigation to be conducted for each report

of violations and complaints which either identify harassment, intimidation, or bullying or describe behaviors that indicate harassment, intimidation, or bullying.

However, prior to initiating the investigation, the Principal or designee, in consultation with the Anti-Bullying Specialist, may make a preliminary determination as to whether the reported incident or complaint, assuming all facts presented are true, is a report within the scope of the definition of harassment, intimidation, and bullying under the Anti-Bullying Bill of Rights Act, N.J.S.A. 18A:37-14. The Superintendent or designee may sign-off on the preliminary determination.

The Principal or designee, upon making a preliminary determination the incident or complaint is not within the scope of the definition of harassment, intimidation, and bullying, shall inform the parents of the parties involved, who may appeal the preliminary determination to the Board of Education and thereafter to the Commissioner of Education in accordance with N.J.A.C. 6A:3.

If the preliminary determination, upon review of the facts presented in the reported incident or complaint, is to continue with the harassment, intimidation, and bullying investigation, the investigation shall be completed in accordance with N.J.S.A. 18A:37-15.b.(6) and this Policy.

The investigation shall be initiated by the Principal or the Principal's designee within one school day of the verbal report of the incident. The investigation shall be conducted by the school Anti-Bullying Specialist in coordination with the Principal. The Principal or designee, in consultation with the Superintendent or designee, will appoint a staff member to complete these investigations.

The investigation shall be completed and the written findings submitted to the Principal as soon as possible, but not later than ten school days from the date of the written report of the incident. Should information regarding the reported incident and the investigation be received after the end of the ten-day period, the school Anti-Bullying Specialist shall amend the original report of the results of the investigation to ensure there is an accurate and current record of the facts and activities concerning the reported incident.

The Principal shall proceed in accordance with the Code of Student Conduct, as appropriate, based on the investigation findings. The Principal shall submit the report to the Superintendent within two school days of the completion of the investigation and in accordance with the Administrative Procedures Act (N.J.S.A. 52:14B-1 et seq.). As appropriate to the findings from the investigation, the Superintendent shall ensure the Code of Student Conduct has been implemented and may decide to provide intervention services, order counseling, establish training programs to reduce harassment, intimidation, or bullying and enhance school climate, impose discipline, or take or recommend other appropriate action, as necessary.

The Superintendent shall report the results of each investigation to the Board of Education no later than the date of the regularly scheduled Board of Education meeting following the completion of the investigation. The Superintendent's report shall include information on any consequences imposed under the Code of Student Conduct, any services provided, training established, or other action taken or recommended by the Superintendent.

Parents of involved student offenders and targets/victims shall be provided with information about the investigation, in accordance with Federal and State law and regulation. The information to be provided to parents shall include the nature of the investigation, whether the district found evidence of harassment, intimidation, or bullying, and whether consequences were imposed or services provided to address the incident of harassment, intimidation, or bullying. This information shall be provided in writing within five school days after the results of the investigation are reported to the Board of Education.

A parent may request a hearing before the Board of Education after receiving the information about the investigation. Any request for such a hearing shall be filed with the Board Secretary no later than sixty calendar days after the written information is provided to the parents. The hearing shall be held within ten business days of the request. The Board of Education shall conduct the hearing in executive session, pursuant to the Open Public Meetings Act (N.J.S.A. 10:4-1 et seq.), to protect the confidentiality of the students. At the hearing, the Board may hear testimony from and consider information provided by the school Anti-Bullying Specialist and others, as appropriate, regarding the incident, the findings from the investigation of the alleged incident, recommendations for consequences or services, and any programs instituted to reduce such incidents, prior to rendering a determination.

At the regularly scheduled Board of Education meeting following its receipt of the Superintendent's report on the results of the investigations to the Board or following a hearing in executive session, the Board shall issue a decision, in writing, to affirm, reject, or modify the Superintendent's decision. The Board's decision may be appealed to the Commissioner of Education, in accordance with N.J.A.C. 6A:3, Controversies and Disputes, no later than ninety days after issuance of the Board of Education's decision.

The Board shall establish a range of responses to harassment, intimidation, and bullying incidents and the Principal and the Anti-Bullying Specialist shall appropriately apply these responses once an incident of harassment, intimidation, or bullying is confirmed. The Superintendent shall respond to confirmed harassment, intimidation, and bullying, according to the parameters described in this Policy. The range of ways in which school staff will respond shall include an appropriate combination of counseling, support services, intervention services, and other programs. The Board recognizes that some acts of harassment, intimidation, or bullying may be isolated incidents requiring the school officials respond appropriately to the individual(s) committing the acts. Other acts may be so serious or parts of a larger pattern of harassment, intimidation, or bullying that they require a response either at the classroom, school building or school district level or by law enforcement officials.

For every incident of harassment, intimidation, or bullying, the school officials must respond appropriately to the individual who committed the act. The range of responses to confirmed harassment, intimidation, or bullying acts should include individual, classroom, school, or district responses, as appropriate to the findings from each incident. Examples of responses that apply to each of these categories are provided below:

1. Individual responses can include consistent and appropriate positive behavioral interventions (e.g., peer mentoring, short-term counseling, life skills groups) intended to remediate the problem behaviors.
2. Classroom responses can include class discussions about an incident of harassment, intimidation or bullying, role plays (when implemented with sensitivity to a student's situation or involvement with harassment, intimidation, and bullying),

research projects, observing and discussing audio-visual materials on these subjects, and skill-building lessons in courtesy, tolerance, assertiveness, and conflict management.

3. School responses can include theme days, learning station programs, parent programs, “acts of kindness” programs or awards, use of student survey data to plan prevention and intervention programs and activities, social norms campaigns, posters, public service announcements, “natural helper” or peer leadership programs, “upstander” programs, parent programs, the dissemination of information to students and parents explaining acceptable uses of electronic and wireless communication devices, and harassment, intimidation, and bullying prevention curricula or campaigns.
 4. District-wide responses can comprise of adoption of school-wide programs, including enhancing the school climate, involving the community in policy review and development, providing professional development, coordinating with community-based organizations (e.g., mental health, health services, health facilities, law enforcement, faith-based organizations), launching harassment, intimidation, and bullying prevention campaigns.
- I. Reprisal or Retaliation Prohibited

The Board prohibits a Board member, school employee, contracted service provider who has contact with students, school volunteer, or student from engaging in reprisal,

5514 STUDENT USE OF VEHICLES ON SCHOOL GROUNDS

The safety of students, staff members, school visitors, and others while on school grounds is of significant importance to the Board of Education. A student's use of a vehicle and/or other modes of transportation on school grounds has the potential to present a safety hazard for the student operator and to other students, staff members, school visitors and others while on school grounds.

Students in grade 12 are permitted to drive their automobile to and from school and park in the area designated for student parking.

The student must register their automobile with the Principal or designee who will provide the student with school rules for driving and parking on school grounds. The school's rules may require a permit that must be affixed on a window or be clearly visible from outside the automobile when the automobile is parked on school grounds.

Students are permitted to ride bicycles only to the following schools in the school district:

Macopin Middle School
West Milford High School

Students riding bicycles to school must comply with all applicable State and local laws for operating a bicycle. The Principal of each school may develop school rules for the operation of the student's bicycle on school grounds. Students must park and lock their bicycles in an area outside the school building designated by the Principal. A bicycle may not be brought into the school building without the Principal's permission.

Students are not permitted to bring non-motorized skateboards, scooters, roller skates, or any other non-motorized mode of transportation on school grounds during the school day.

Students are not permitted to bring any motorized bicycle, skateboard, scooter, roller skates, hoverboard, or any other motorized mode of transportation on school grounds during the school day.

The Principal of each school building may revoke the privilege of a student's use of any vehicle or mode of transportation permitted by this Policy for the student's failure to follow the provisions of this Policy and any requirements of State or local law or any school rule. The Board of Education assumes no responsibility for the loss, damage, or theft of any vehicle or any mode of transportation permitted on school grounds in accordance with this Policy.

5516 USE OF ELECTRONIC COMMUNICATION AND RECORDING DEVICES (ECRD)

The Board of Education believes students and/or school staff members should not be subject to having a video or audio recording taken of any student(s) or school staff member(s) for any purpose without the consent of the student, the student's parent or guardian, and/or the school staff member. In addition to protecting the privacy rights of students and school staff members, the Board recognizes such recordings can be disruptive to the educational program. In addition, inappropriate recordings of educational material, student assessment instruments, and/or student assessment reviews can be used to compromise the integrity of the district's educational program or lead to academic dishonesty in the event such recordings are stored and/or transmitted to other students. Therefore, the Board of Education adopts this Policy regarding student use of electronic communication and recording devices.

"Electronic communication and recording device (ECRD)" includes any device with the capability to audio or video record or is capable of receiving or transmitting any type of communication between persons. An ECRD includes, but is not limited to, cameras, cellular and wireless telephones, pagers/beepers, laptop computers, electronic readers, personal digital assistants (PDAs), two-way radios, portable fax machines, video broadcasting devices, and any other device that allows a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information.

A student is not permitted to have turned on or use an ECRD on school grounds during the school day or when the student is participating in a curricular or school-sponsored co-curricular activity. A student's personal ECRD may only be used on school grounds in an emergency situation or before and after the school day or with the permission of a school staff member supervising the student in a curricular or school-sponsored co-curricular activity. Any audio and/or video recording by a student using their personal ECRD with permission of a school staff member while participating in a curricular or school-sponsored activity where other students or staff members are present shall require the permission for such recording from any other student and their parent or guardians and/or staff members whose voice or image is to be recorded. This Policy is not intended to prohibit appropriate use of electronic devices for authorized or approved official curricular or school-sponsored co-curricular activities such as yearbook photographs, staff member/teacher-directed and approved activities, classroom presentations, athletic events, and drama production filming. A student authorized or approved to use an ECRD may not use an ECRD to access internet sites or view information or internet-based material that is inappropriate or would be blocked from student access by the school district's acceptable use of computers and networks policy. Nothing in this Policy is intended to prevent a student from

using their personal ECRD and recording school-sponsored co-curricular activities as a non-participant when the activity is open to the general public.

For the purposes of this policy, “school grounds” means and includes land, portions of land, structures, buildings, and structures that support these buildings, including, but not limited to, administrative buildings, kitchens, maintenance shops, and garages. “School grounds” also includes other facilities as defined in N.J.A.C. 6A:26-1.2, playgrounds, and other recreational places owned by the local municipalities, private entities, or other individuals during those times when the school district has exclusive use of a portion of such land.

An ECRD used in violation of this Policy will be confiscated by a school staff member or Principal or designee and the student will be subject to appropriate disciplinary action.

A student shall not knowingly bring or possess any remotely activated paging device on any school grounds, including on a school bus or at a school-sponsored function, at any time and regardless of whether school is in session or other persons are present.

A student who is an active member in good standing of a volunteer fire company, first aid, ambulance or rescue squad may bring or possess a remotely activated paging device on school property only if the student is required to respond to an emergency and the student provides a statement to the Principal from the chief executive officer of the volunteer fire company, first aid, ambulance or rescue squad authorizing the possession of the device by the student at all times and that the student is required to respond to an emergency.

The use of medical devices shall be permitted.

The Principal or designee will confiscate the remotely activated paging device, take appropriate disciplinary action and shall immediately notify the Superintendent of Schools and the appropriate criminal justice or juvenile justice agency if a student brings or possesses a remotely activated paging device in violation of N.J.S.A. 2C:33-19 and this Policy.

5516.01 STUDENT TRACKING DEVICES

The Board of Education recognizes students may have in their possession while in school, at a school-sponsored activity, or on a school bus an electronic tracking device that uses a global positioning system (GPS) or any other similar system. A tracking unit is a device, normally carried by a moving vehicle or person, that uses a GPS or similar system to determine and track its precise location, and hence that of its carrier, at intervals. The recorded location data can be stored within the tracking unit or it may be transmitted to another location, including, but not limited to, a central location database or an Internet-connected computer, using a cellular, radio, or satellite modem embedded in the unit. This allows the tracking unit's location to be displayed against a map backdrop either in real time or when analyzing the tracking path later, using tracking software. A tracking unit may be a device designed just for tracking or may be an application installed on any other electronic device.

A tracking unit may also have the ability to transmit in real time or through taping electronic communications to another location. These electronic communications may be one-way or two-way audio or video communications between the student and a person with a device at another location or an audio and/or video feature that enables a person remote from the student, with or without the permission of the student, to listen-in or have voice communications with the student and/or access video through the unit either in real time or by taping such communications.

The Board of Education permits the use of a tracking unit or an application on an electronic device that can track the location of the student while in school, at a school-sponsored event, or on a school bus. However, to protect the privacy rights of all students and to maintain the school district's legal obligation to maintain confidential student information in accordance with Federal and State law and regulations, the use of a tracking device or an application on an electronic device that enables any type of one-way or two-way audio and/or video communications or taping is not permitted.

A violation of the provisions of this Policy will result in a violation of the Student Code of Conduct Policy and appropriate discipline will be imposed.

5517 SCHOOL DISTRICT ISSUED STUDENT IDENTIFICATION CARDS

The Board of Education recognizes school building security measures are important for the safety and welfare of all students, staff, parents and community members in school buildings. In recognizing this important responsibility, the Principal or designee may require students to carry school district issued identification cards (Identification Card).

An Identification Card will be issued to all students in middle school and high school. The Principal or designee may require a student to present their Identification Card at any time during the school day or at any time during a school-sponsored activity on school grounds.

Notwithstanding any provision of this Policy, the Principal or designee may also require students carry an Identification Card at any school-sponsored, off-campus activity, including but not limited to, field trips or interscholastic sports programs pursuant to N.J.S.A. 18A:36-43a. The provisions of this Policy shall not be construed to require a student to carry the Identification Card while participating in an athletic contest or competition, an activity involving fine arts or performing arts, or any other activity that the Commissioner of Education determines does not require the physical possession of an Identification Card. An Identification Card used in accordance with N.J.S.A. 18A:36-43a shall include, but need not be limited to, the following information: the student's name; an up-to-date photograph; and the current school year.

Any student who fails to have the Identification Card in their possession or fails to present it when required may be denied access to an event or activity and may be subject to appropriate discipline.

An Identification Card issued in accordance with this Policy shall not be considered a government record pursuant to P.L. 1963, c.73 (N.J.S.A. 47:1A-1 et seq.), P.L. 2001, c.404 (N.J.S.A. 47:1A-5), or the common law concerning access to government records.

5519 DATING VIOLENCE AT SCHOOL

The Board of Education believes a safe and civil environment in school is necessary for children to learn. A student who is a victim of dating violence suffers academically and the student's safety at school is jeopardized. Acts or incidents of dating violence at school whether they are verbal, sexual, physical, or emotional will not be tolerated and will be dealt with in accordance with the school's student code of conduct.

All school staff members (administrative staff, instructional staff, support staff, and volunteers) shall take all reasonable measures to prevent acts or incidents of dating violence at school involving a student. All acts or incidents of dating violence at school shall be reported to the Principal or designee in accordance with the provisions outlined in Regulation 5519. A verbal report shall be made to the Principal or designee as soon as possible, but no later than the end of the student's school day when the staff member witnesses or learns of an act or incident of dating violence at school. A written report regarding the act or incident shall be submitted to the Principal or designee by the reporting staff member no later than one day after the act or incident occurred.

School staff members are required to report all acts or incidents of dating violence at school they witness or upon receiving reliable information concerning acts or incidents of dating violence at school. Acts or incidents may include, but are not limited to: those characterized by physical, emotional, verbal, or sexual abuse; digital or electronic acts or incidents of dating violence; and/or patterns of behavior which are threatening or controlling.

The Board of Education, upon the recommendation of the Superintendent of Schools, shall adopt the guidelines and procedures outlined in Regulation 5519 for responding to acts or incidents of dating violence at school. The protocols outlined in Regulation 5519 have been established for any school staff member who witnesses or learns of an act or incident of dating violence at school and for school administrators to work with the victim and the aggressor of an act or incident of dating violence.

Dating violence statements and investigations shall be kept in files separate from student academic and discipline records to prevent the inadvertent disclosure of confidential information. Every act or incident of dating violence at school that is reported shall be documented in an appropriate manner. This should include statements, planning actions, and disciplinary measures as well as counseling and other support resources that are offered and prescribed to the victim or aggressor.

School administrators shall implement discipline and remedial procedures to address acts or incidents of dating violence at school consistent with the school's student code of conduct. The policies and procedures specific to acts or incidents of dating violence at school shall be used to address the act or incident as well as serve as remediation, intervention, education, and prevention for all individuals involved. The responses shall be tiered with consideration given to the seriousness and the number of previous occurrences of acts or incidents in which both the victim and alleged aggressor have been involved.

Consequences may include, but are not limited to: admonishment, temporary removal from the classroom, classroom or administrative detention, in-school suspension, out-of-school suspension, reports to law enforcement, and/or expulsion. Retaliation towards the victim of any act or incident of dating violence shall be considered when administering consequences to the alleged aggressor based on the severity of the act or incident.

Remediation/intervention may include, but is not limited to: parent conferences, student counseling (all students involved in the act or incident), peer support groups, corrective instruction or other relevant learning or service experiences, supportive student interventions (Intervention and Referral Services - I&RS), behavioral management plans, and/or alternative placements.

A pattern of behaviors may be an important sign a student is involved in an unhealthy or abusive dating relationship. The warning signs listed in Regulation 5519 shall educate the school community on the characteristics that a student in an unhealthy or abusive relationship may exhibit. Many of these warning signs make a connection to one student in the relationship asserting control and power over the other. Recognizing one or more signs of teen dating violence plays an important role in preventing, educating, and intervening in acts or incidents of dating violence.

The Board of Education shall make available to students and their families information on safe, appropriate school, family, peer, and community resources available to address dating violence.

The Board of Education shall incorporate age-appropriate dating violence education in grades seven through twelve through the health education curriculum in alignment with the New Jersey Student Learning Standards for Comprehensive Health and Physical Education. The educational program shall include, but is not limited to, a definition of dating violence, recognizing the warning signs of dating violence, and the characteristics of healthy relationships.

Upon written request to the school Principal, a parent/legal guardian of a student less than eighteen years of age shall be permitted, within a reasonable period of time after the request is made, to examine the dating violence education instruction materials developed by the school district.

Notice of Policy and Regulation 5519 shall appear in all district publications that set forth the comprehensive rules, procedures, and standards of conduct for students within the district and in any handbook.

Students will not be disturbed in the exercise of their constitutionally guaranteed rights to assemble peaceably and to express ideas and opinions, privately or publicly, provided that their activities do not infringe on the rights of others and do not interfere with the operation of the educational program.

The Board will not permit the conduct on school premises of any willful activity engaged in by an individual acting alone or by a group of individuals that interferes with the orderly operation of the educational program or offends the rights of others. The Board specifically prohibits any assembly or expression that materially disrupts instruction; is obscene, slanderous, or grossly prejudicial; advocates the use of dangerous or harmful materials; advocates the use of force or the violation of law or school rules; or advertises goods or services for unauthorized commercial gain.

Disorderly students will be disciplined in accordance with law and Board Policy No. 5600; staff members who assist students in disorderly conduct may be subject to disciplinary measures.

The Board directs all staff members to attempt to resolve student conflict and dissent by reason and arbitration. Students who express dissent should be made aware of the lawful procedures available to them for the resolution of their grievances.

The Superintendent shall establish procedures for the prompt resolution of any disorder that occurs on school premises. The Building Principal shall be responsible for the identification and resolution of disorders in any school building and may summon law enforcement officers as necessary.

5530 SUBSTANCE ABUSE

The Board is committed to the prevention of substance abuse and the rehabilitation of substance abusers by educational means, but will take the necessary and appropriate steps to protect the school community from harm and from exposure to harmful substances. Accordingly, the Board will establish policies and procedures in operating programs to support the social, emotional, and physical development of students in accordance with the provisions of N.J.S.A. 18A:40A-1 et seq. and N.J.A.C. 6A:16-4.1 et seq. The Board of Education will maintain a comprehensive substance abuse intervention, prevention, and treatment referral program in the schools of this district.

5535 PASSIVE BREATH ALCOHOL SENSOR DEVICE

The Board of Education recognizes a student's abuse of harmful substances seriously impedes a student's education and threatens the welfare of the entire school community. The Board is committed to the prevention of substance abuse and the rehabilitation of substance abusers by educational means, but will take additional necessary and appropriate steps to protect the school community from harm and from exposure to harmful substances.

In keeping with its commitment to protect all students and the school community from the harm of alcohol use, the Board of Education authorizes the use of a passive breath alcohol sensor device (PBASD) in certain circumstances. A PBASD enables school district staff to check an approximate alcohol level quickly and efficiently without requiring the student's active participation. A PBASD may be used in certain circumstances as defined in this Policy and as determined by the Principal or designee or the staff member(s) in charge of a school-related or school-sponsored event or activity. The purpose for using a PBASD is to protect students who may be under the influence of alcohol, other students, staff, and community members attending such events and to deter the use of alcohol by students.

The Board authorizes PBASD screening before, during, and after school activities/events including, but not limited to: dances, athletic events, proms, class trips, drama productions, graduation ceremonies, or school assemblies when the Principal or designee has reason to believe the use of alcohol by students may be present. When it is determined a PBASD will be used, a random number sequence will be selected by the Principal or designee prior to the event to determine which students in line for entrance will be screened. For example, if the number five is selected every fifth student in line for entrance into the activity/event shall be screened. In the alternative, the Principal or designee may determine to screen every student in line for entrance into the activity/event.

Written notice indicating the use of a PBASD may be displayed at the point of sale of a ticket for the activity/event or at the entrance of the activity. Upon the purchase of a ticket to gain entry into an activity/event or upon the entry of a student into an activity/event that does not require the purchase of a ticket, a student shall be considered under the supervision of school district staff and shall be subject to the provisions of this Policy.

If the PBASD screening indicates the presence of alcohol on a student, additional PBASD screenings will be conducted. If additional PBASD screenings confirm the presence of alcohol on a student, the matter shall be reported to the Principal or designee and the certified or noncertified school nurse, or the school physician according to the reporting, notification, and examination requirements of N.J.S.A. 18A:40A-12, N.J.A.C. 6A:16-4.3, and Policy and Regulation 5530 - Substance Abuse.

A PBASD will only be used in accordance with the guidelines of this Policy. The Principal or designee shall be responsible for the proper training of school staff members in the use of the PBASD in accordance with the manufacturer's specifications.

5536 STUDENT RANDOM ALCOHOL AND OTHER DRUG TESTING

It is the responsibility of the Board of Education to safeguard the safety of the students in the school and to promote an orderly learning environment. It is recognized that the use of drugs and unlawful possession and use of alcohol is wrong and harmful. The illegal use of alcohol and other drugs, including steroids and performance enhancing substances threatens the safety of students and the orderly learning environment of the entire school community. The Board of Education is committed to the prevention of any such use.

The Board of Education recognizes that the problem of illegal drug and alcohol use presents a continuing challenge to the school district and a clear danger to the student population, individually and as a whole. The district's commitment to maintaining athletics, co-curricular activities, and parking in a safe and secure environment requires a clear policy and supportive programs relating to the deterrence of substance abuse.

Participation in athletics, co-curricular activities, and parking on campus is a privilege. Student participants, by virtue of their voluntary decision to participate in these co-curricular and athletic activities, and because of their position as representatives of the school community, and as school leaders and role models in the school community, have a heightened responsibility to be alcohol and drug free. The district is committed to being proactive in ensuring the safety of all students participating in athletics, co-curricular activities and parking.

Following New Jersey Code: C.18A:40A-22 to 25, and consistent with the U.S. Supreme Court Ruling, Board of Education of Independent School District No. 92 of Pottawatomie County et al v. Earls et al., 536 U.S. 822 (2002); and the New Jersey Supreme Court Ruling in Joye v. Hunterdon Central Regional High School Board of Education, 176 N.J. 568 (2203):

The West Milford School District Board of Education directs the Superintendent to implement and conduct a program of random drug testing of student participants in athletics, co-curricular activities, students granted parking permits for on-campus parking, and students who voluntarily elect to participate in the program with parental consent. The program shall apply to the entire academic year and any other time when there is participation in a sport or activity.

Design of the program shall be consistent with the Board of Education's objectives, which are to:

- Promote safety;

- Deter alcohol and other drug use;
- Promote an orderly learning environment, and
- Encourage and invite voluntary testing.

Primary emphasis in administering this program shall be directed toward deterrence and remediation rather than the punishment of students who test positive for alcohol, non-prescribed medications, illegal drugs, or their metabolites. Consequences and corrective action shall be designed accordingly.

This policy and its implementing regulations shall be made available, at the beginning of each school year to all school employees, students and parents. This policy is not intended to be disciplinary or punitive in nature. No student shall be expelled or suspended from the school as a sole result of any verified positive test conducted by the school under the Random Alcohol and Other Drug Testing Program.

5541 ANTI-HAZING

A safe and civil environment in school is necessary for students to learn and achieve high academic standards. N.J.S.A. 2C:40-3.a. indicates hazing may also include, but is not limited to, the conduct outlined below:

1. An individual(s) causes, coerces, or otherwise induces a student to commit an act that violates Federal or State criminal law;

5. An individual(s) subjects a student to abuse, mistreatment, harassment, or degradation of a sexual nature; or

6. An individual(s) subjects a student to any other activity that creates a reasonable likelihood of bodily injury to the student.

Board of Education members, school employees, and contracted service providers are required to report an alleged incident of hazing that may take place or has taken place on or off school grounds to the Principal or designee on the same day when the individual witnessed or received reliable information regarding such an incident. Students, parents, volunteers, or visitors are encouraged to report an alleged incident of hazing that may take place or has taken place on or off school grounds to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident.

Any report of an alleged incident of hazing shall be immediately investigated by the Principal or designee in accordance with procedures used to investigate alleged violations of the Student Discipline/Code of Conduct and Policy and Regulation 5600. A Principal or designee who receives a report of an alleged incident of hazing and fails to initiate or conduct an investigation and fails to minimize or eliminate the hazing may be subject to disciplinary action.

The Principal or designee may identify behavior when investigating an alleged incident of hazing indicating harassment, intimidation, or bullying (HIB) pursuant to N.J.S.A. 18A:37-14 et seq. – the New Jersey Anti-Bullying Bill of Rights Act (ABR). If the Principal or designee identifies behavior indicating HIB, the Principal or designee shall ensure a separate investigation is conducted in accordance with the ABR and Policy 5512.

5561 USE OF PHYSICAL RESTRAINT AND SECLUSION
TECHNIQUES FOR STUDENTS WITH DISABILITIES

The Board of Education strives to provide a safe, caring atmosphere that supports all students in the least restrictive environment. On occasion, during an emergency, a situation may arise making it necessary to temporarily restrain or seclude a student with a disability in accordance with N.J.S.A. 18A:46-13.4 through 13.7.

A school district, an educational services commission, or an approved private school for students with disabilities (APSSD) that utilizes physical restraint on students with disabilities shall ensure that:

1. Physical restraint is used only in an emergency in which the student is exhibiting behavior that places the student or others in immediate physical danger;
2. A student is not restrained in the prone position, unless the student's primary care physician authorizes, in writing, the use of this restraint technique;
3. Staff members who are involved in the restraint of a student receive training in safe techniques for physical restraint from an entity determined by the Board of Education to be qualified to provide such training, and that the training is updated at least annually;
4. The parent of a student is immediately notified when physical restraint is used on the student. This notification may be by telephone or electronic communication. A post-incident written notification report of the incident of physical restraint shall be provided to the parent within forty-eight hours of the occurrence of the incident;
5. Each incident in which physical restraint is used is carefully and continuously visually monitored to ensure it was used in accordance with established procedures set forth in Policy and Regulation 5561 – Use of Physical Restraint and Seclusion Techniques for Students with Disabilities, developed in conjunction with the entity that trains staff in safe techniques for physical restraint, in order to protect the safety of the child and others; and

6. Each incident in which physical restraint is used is documented in writing in sufficient detail to enable staff to use this information to develop or improve the behavior intervention plan at the next individualized education plan (IEP) meeting.

A school district, an educational services commission, and an APSSD shall attempt to minimize the use of physical restraints through inclusion of positive behavior supports in the student's behavior intervention plans developed by the IEP team.

A school district, an educational services commission, or an APSSD that utilizes seclusion techniques on students with disabilities shall ensure that:

1. A seclusion technique is used on a student with disabilities only in an emergency in which the student is exhibiting behavior that places the student or others in immediate physical danger;
2. Each incident in which a seclusion technique is used is carefully and continuously visually monitored to ensure it was used in accordance with established procedures set forth in Policy and Regulation 5561 – Use of Physical Restraint and Seclusion Techniques for Students with Disabilities, developed in conjunction with the entity that trains staff in safe techniques for physical restraint, in order to protect the safety of the child and others; and
3. Each incident in which a seclusion technique is used is documented in writing in sufficient detail to enable the staff to use this information to develop or improve the behavior intervention plan at the next IEP meeting.

A school district, an educational services commission, and an APSSD shall attempt to minimize the use of seclusion techniques through inclusion of positive behavior supports in the student's behavior intervention plans developed by the IEP team.

The New Jersey Department of Education shall establish guidelines for school districts, educational services commissions, and APSSDs to ensure a review process is in place to examine the use of physical restraints or seclusion techniques in emergency situations, and for the repeated use of these methods for an individual child, within the same classroom, or by a single individual. The review process shall include educational, clinical, and administrative personnel. Pursuant to the review process the student's IEP team may, as deemed appropriate, determine to revise the behavior intervention plan or classroom supports, and a school district, educational services commission, or APSSD may determine to revise a staff member's professional development plan pursuant to N.J.S.A. 18A:46-13.7.

The Superintendent or designee may gather input from school staff members and parents of student with disabilities on this Policy and Regulation. 5615 SUSPECTED GANG ACTIVITY

Students that initiate, advocate, or promote unacceptable activities or conduct, openly or otherwise, and/or threaten the safety or well-being of others disrupt the school environment and are harmful to the educational process in this school district. This unacceptable conduct, including but not limited to, physical or verbal harassing, intimidating, or bullying conduct; unlawful use of force; threats; violence; or other violations of the school district's student code of conduct by a student or group of students directed toward any school staff member or any other student or group of students anywhere on school grounds, at any school related or sponsored activity, on school buses, at school bus stops, and any other place where students are supervised by school district staff will not be tolerated.

In the event the Principal or designee believes any unacceptable activities or conduct was, or is being committed, for the benefit of, at the direction of, or in association with a group of three or more persons, the school staff will investigate further to determine if the conduct was committed by students representing a criminal street gang (hereinafter referred to as a "gang") as defined in N.J.S.A. 2C:33-29.

In accordance with N.J.S.A 2C:33-29, "criminal street gang" means three or more persons associated in fact. Individuals are associated in fact if: (1) two of the following seven criteria that indicate criminal street gang membership apply: (a) self-proclamation; (b) witness testimony or official statement; (c) written or electronic correspondence; (d) paraphernalia or photographs; (e) tattoos; (f) clothing or colors; (g) any other indicia of street gang activity; and (2) individually or in combination with other members of a criminal street gang, while engaging in gang-related activity, have committed or conspired or attempted to commit, within the preceding five years from the date of the present offense, excluding any period of imprisonment, one or more offenses on separate occasions of robbery, carjacking, aggravated assault, assault, aggravated sexual assault, sexual assault, arson, burglary, kidnapping, extortion, tampering with witnesses and informants or a violation of Chapter 11, Section 3, 4, 5, 6, or 7 of Chapter 35, or Chapter 39 of Title 2C of the New Jersey Statutes.

If it is determined unacceptable activities or conduct was committed by students representing a gang, the Principal or designee will assign appropriate disciplinary action and will notify the parent of the victim(s) and the offender(s). The Principal or designee will also inform the Superintendent of Schools and local law enforcement.

To further ensure the safety and well-being of all students in the district and to increase awareness within the school community regarding potential gang activity, students are prohibited from wearing while on school grounds, at any school related or sponsored activity, on school buses, and any other place where students are supervised by school district staff, any type of

clothing or accessory that would indicate a student has membership in, or affiliation with, any gang associated with criminal activities pursuant to N.J.S.A. 18A:11-9.

The parent of any student identified as being potentially involved in gang-related activities shall be notified by the Principal or designee. A student identified as being potentially involved in gang-related activities shall be offered appropriate counseling by school district staff.

The Superintendent of Schools, Assistant Superintendent, Principal, or other administrator employed by the school district shall attend a gang education seminar program pursuant to N.J.S.A. 52:17B-4.7 within the first year of initial employment as an administrator in the district. The Superintendent of Schools, Assistant Superintendent, Principal, or other administrator shall be exempt from this requirement if the administrator has successfully completed a gang education seminar conducted by a public school district which is substantially equivalent to the seminar required pursuant to N.J.S.A. 52:17B-4.7. Other school staff members shall be provided in-service training on gangs and gang related conduct and activities including, but not limited to, recruitment procedures; threats/intimidation; clothing; insignia; hand signs; symbols; graffiti; terminology; or other indicia of gang association.

Information regarding gangs shall be shared by school district staff to local law enforcement officials and the school district's administrative staff members will encourage local law enforcement to share gang related information with school officials.

The Board of Education recognizes that expulsion from this district is the most severe sanction that can be imposed upon a student.

The Board may expel a general education student from school, pursuant to N.J.S.A. 18A:37-2, only after the Board has provided the following:

1. The procedural due process rights set forth in N.J.A.C. 6A:16-7.1(c)3 and 7.3 and as outlined in Policy and Regulation 5610, subsequent to a long-term suspension pursuant to N.J.A.C. 6A:16-7.3; and

The Board shall continue to provide an appropriate educational program or service in accordance with N.J.A.C. 6A:16-7.4(a)2 until a final determination has been made on the appeal of the Board's action to expel a student.

In accordance with the provisions of N.J.S.A. 18A:37-2a, a student in Kindergarten through grade two shall not be expelled from school, except as provided pursuant to the "Zero Tolerance for Guns Act," N.J.S.A. 18A:37-7 et seq. Students in preschool shall not be expelled, except as provided pursuant to the Zero Tolerance for Guns Act," N.J.S.A. 18A:37-7 et seq.

The district shall implement an early detection and prevention program to: identify students in preschool through grade two who are experiencing behavioral or disciplinary problems; and provide behavioral supports for these students which may include, but not be limited to, remediation of problem behaviors, positive reinforcements, supportive interventions, and referral services. The purpose of the meeting shall be to identify any behavior or health difficulties experienced by the student and, where appropriate, to provide supportive interventions or referrals to school or community resources that may assist the student in addressing the identified difficulties.

The requirements of N.J.S.A. 18A:37-2c shall not apply when a student's immediate removal or suspension from the school's regular education program is required pursuant to: the provisions of the "Zero Tolerance for Guns Act," (N.J.S.A. 18A:37-7 et seq.); N.J.S.A. 18A:37-2.1 – Assault by Pupil Upon Teacher, etc; Suspension; Expulsion Proceedings; N.J.S.A. 18A:37-2.2 – Offense by Pupil Involving Assault, Removal from Schools Regular Education Program; or in any other instance in which the safety and security of other students or school staff requires the student's immediate removal from school. In these instances, the meeting required pursuant to N.J.S.A. 18A:37-2c shall take place as soon as practicable following the student's removal from the school's regular education program.

5700 STUDENT RIGHTS

The Board of Education recognizes that students possess both the right to a free public education and the rights of citizenship. In granting students the educational opportunities to which they are entitled, the Board shall provide them with the nurture, counsel, and custodial care appropriate to students' ages and maturity. At the same time, the Board will respect the right of each student to equal treatment and equal access to the educational program, the due process of law, freedom of expression and association, and the privacy of his/her own thoughts.

Attendant on the rights guaranteed to each student are certain responsibilities, which include respect for the rights of others, obedience to properly constituted school authority, and compliance with the policies and regulations of this district.

As students differ in age and maturity, so they differ in the ability to assume both the rights and the concomitant responsibilities of citizenship. Accordingly, the exercise of each right will be granted with due regard for the degree of responsibility possessed by the student and the student's need for continuing guidance and control.

A student who has reached the age of majority possesses the full rights of an adult and may issue authorizations previously delegated to his/her parent(s) or legal guardian(s). The adult student is fully responsible for his/her educational performance, attendance, compliance with district regulations, and care of school property. The parent(s) or legal guardian(s) of each adult student will be informed of the rights of the student and will continue to be informed of the student's progress in school.

5701 PLAGIARISM

- A. Students are expected to be honest in all of their academic work. This means that they will not engage in any of the following acts:
1. Cheating on examinations, including but not limited to, the non-authorized use of books or notes, the use of crib sheets, copying from other students' papers, exchanging information with other students orally, in writing, or by signals, obtaining copies of the examination illegally and other similar activities.
 2. Plagiarism is not permitted in term papers, themes, essays, reports, images, take-home examinations, and other academic work. Plagiarism is defined as stealing or use without acknowledgment of the ideas, words, formulas, textual materials, on line services, computer programs, etc. of another person, or in any way presenting the work of another person as one's own.
 3. Falsifications, including forging signatures, altering answers after they have been graded, the insertion of answers after the fact, the erasure of grader's markings, and other acts that allow for falsely taking credit.
- B. A student found guilty of academic dishonesty may be subjected to a full range of penalties including, but not limited to, reprimand and loss of credit for all of the work that is plagiarized.
- C. A teacher who believes that a student has been academically dishonest in his/her class should resolve the matter in the following manner:
1. Reprimand the student orally and/or in writing. The teacher is also authorized to withhold credit in the work tainted by the academic dishonesty.
 2. If warranted, the teacher shall file a written complaint against the student with the Building Principal, requesting a more stringent form of discipline. The complaint must describe in detail the academic dishonesty that is alleged to have taken place, and must request that the matter be reviewed by the Building Principal.
 3. The Building Principal will determine if further discipline of the student is appropriate, and will determine the nature of the discipline on a case-by-case basis.
 4. If the student is not in agreement with the disciplinary action of the Building Principal, he/she may appeal the action to the Superintendent. If the student is dissatisfied with the Superintendent's disposition of the case, he/she may grieve the action in accordance with Policy No. 5710, Student Grievance.

Adopted: 25 April 2012

5710 STUDENT GRIEVANCE

The Board of Education believes that students are citizens who possess the right to request redress of grievances and that students should be encouraged to respect lawful procedures for the resolution of disputes. Accordingly, the Board will establish and observe procedures by which the grievances of students will be heard.

For the purposes of this policy, a student grievance means any complaint that arises out of the acts or policies of this Board or the acts of its employees.

A student grievance will be heard in the following manner:

It shall be the basic intent of the student/parent grievance procedure to encourage students/parents to discuss their grievance(s) informally with the faculty member(s) and/or administrators against whom the grievance is directed prior to utilizing the more formal grievance procedure outlined below. It is expected that the majority of grievances will be settled in this manner. If not, the following procedure shall apply.

Student/parent grievances generally involve one of three categories: academic matters, disciplinary action, and student social, physical or operational conditions.

A. Academic

If a student or parent/legal guardian believes he/she or his/her child is not being treated fairly with respect to academic matters including but not limited to scheduling, examinations, grades, etc., and if the student cannot resolve the question himself/herself with the faculty member or administrator(s) involved, the student may ask his/her parents/legal guardians to come to school to attempt to resolve the matter.

1. If a teacher is involved, the parent/legal guardian shall arrange a conference with the teacher through the guidance office or through the Principal.
2. If the decision is still unsatisfactory to the parent/legal guardian, the parent/legal guardian, together with the student, may appeal within five school days in writing (see 4.A. herein below) to the Principal.
3. If the Principal's decision is still unsatisfactory to the parent/legal guardian, the parent/legal guardian together with the student may appeal step-by-step to the:
 - a. Superintendent;

- b. Board of Education;
- c. Commissioner of Education.

- 4. Whenever an appeal is made at or beyond the Principal's level, it shall be made in writing (see D.1. herein below) within five school days of notification of a written decision unsatisfactory to a parent/legal guardian.
- 5. Should an appeal be made to the Board of Education level or beyond, the student and his/her parent/legal guardian may exercise their right to attorney representation during the appeals process, provided a minimum of 10 school days' prior notification is made to the school authorities.

B. Disciplinary

Except as may otherwise be provided in state law, Board of Education policy and regulation 5600 (Student Code of Conduct) or 5610 (Suspension) if a student or parent/legal guardian believes that disciplinary action applied to him/her is unfair, the student may file a written request with the Principal, requesting a review of the action.

- 1. If the decision is unsatisfactory to the student, he/she may ask his/her parent/legal guardian to come to school to attempt to resolve the matter directly with the principal.
- 2. If the Principal's decision is still unsatisfactory to the parent/legal guardian, the parent/legal guardian may follow the steps or appeal designated in paragraph A above.
- 3. Notwithstanding the above, disciplinary issues and appeals involving long-term out-of-school suspensions (more than 10 days) shall be handled in accordance with state law and regulation.

C. Social, Physical or Operational

If a student or parent/legal guardian believes that a particular social, physical or operational condition in the school should be modified or provided, and if consultation with the teacher is unsuccessful in resolving the issue, he/she may contact the school Principal. If a health or safety issues is involved, the school principal shall also be notified immediately, then provided a written copy of the complaint.

1. The student's suggestion or complaint shall be in writing. He/she may request or be requested to attend a student council meeting to present the problem in person. Any matter shall be discussed and appropriate action taken by the student council.
 2. If the matter is felt by the student not to have been satisfactorily resolved the student may refer the item, in writing, to the Superintendent for a decision or recommendation by the Superintendent. At this step, the Principal may be asked to present his/her summary of the question in writing. The Superintendent's replay shall be in writing.
 3. If the student is still dissatisfied, a further appeal may be made within five school days, in writing, to the Board of Education. The Board's decision, which shall be in writing, shall be final, except in those matters where state law permits appeal to a higher authority. At any point in the discussion and/or appeals, either the student council or the school authorities may draw on parents/legal guardians or staff members for advise and suggestions for resolution of the problem.
 4. While it is intended that all such appeals be addressed as swiftly as is practicable at the school and Administration level, a time limit of no more than ten (10) calendar days shall be applied to each step in the grievance procedure.
- D. Additional Procedural Guidance:
1. At any time that a grievance is reduced to writing, the preferred format and content shall be to set forth the specific nature of the grievance, the facts that gave rise to it, the relief sought, and the reasons why that relief is appropriate.
 2. At each step in the appeal process contemplated by this policy:
 - a. The student will have the opportunity to be heard personally.
 - b. School authorities may require the presence of a parent or guardian of the student. However, this will recognize that if a student's parent is not available, or is indifferent/apathetic to this process, the student may, with proper courtesy to school officials, pursue the process contemplated herein without parental support.

- c. Above Principal level, with the student's appeal, copies of the original written-grievance and Principal's decision, with any attachments or other documentation submitted in previous step(s) shall be provided to the Superintendent or Board of Education, as may be applicable.
3. While it is expected that a decision will be verbally communicated to the parent/guardian and student fairly swiftly, the party to whom the appeal is being made (whether Teacher, Principal, or Superintendent) shall provide a written version of his/her decision including the reasoning behind said decision, no later than ten (10) school days after the meeting/discussion of the student's appeal, except when circumstances, such as the need to investigate the facts giving rise to a complaint or to implement a response thereto, warrant a reasonable extension of time to respond.
4. A student grievance that proceeds to the Board level will be determined at the next scheduled meeting with time in the agenda, but within the time period contemplated above, and will be issued a written decision within ten (10) calendar days thereafter. Said decision shall include a statement informing the student of the right to appeal a decision of the Board to the commissioner of Education.
5. The failure of the Administration to respond, in writing, to any complaint in accordance with the parameters set forth herein shall be deemed a denial of the complaint and the student and/or guardian may, at their option, choose to move the appeal forward to the next level in the process.
6. The Superintendent shall direct all staff members to respect the right of students to seek redress of grievances by lawful procedures without fear of reprisal.

This policy shall be published as part of any student handbook.

5712 PROTECTION AGAINST RETALIATION

Neither the Board of Education nor any District Administrator(s), School Administrator(s) or Teacher(s) will take retaliatory action against any student:

1. For exercise of a student's rights under any district policy, including but not limited to Policy 5710 governing Student Grievances;
2. For disclosure or threatened disclosure of any act, conduct, activity, policy, or practice of a district employee or other student within the school district that the student reasonably believes to be in violation of policy, rule or law;
3. For objection or refusal to participate in an activity, policy, or practice that a reasonable person of like developmental age would believe is in violation of district policy, law or rule.
4. For disclosure or threatened disclosure of any act conduct, activity, policy, or practice or condition that threatens the health, mental or emotional welfare or safety of any student(s).

Any employee who engages in an act of retaliation against a student shall be subject to discipline and, if tenured, may be subject to tenure charges.

This policy shall be made a part of the student handbook.

Adopted: 25 April 2017

5721 INDEPENDENT PUBLICATIONS

The Board of Education respects the right of students to express themselves in written word or picture, or video image or computer generated illustrations, and to distribute printed materials as part of that expression; at the same time, the Board recognizes that the exercise of that right is limited by the rights of other members of the school community.

For the purposes of this policy, “printed materials” include any written or printed cards, letters, circulars, books, pamphlets, notices, newspapers, and similar materials but do not include any publication that is sponsored by this Board.

Certain printed materials are not protected by a student’s right of free expression because they violate the rights of others. The Board may identify and prohibit the distribution on school premises of printed materials that are grossly prejudicial to an ethnic, national, religious, or racial group or to either gender; libel any person or persons; seek to establish the supremacy of a particular religious denomination, sect, or point of view over any other; advocate the use or advertise the availability of any substance or material that constitutes a direct and substantial danger to the health of students; contain obscenity or material otherwise deemed to be harmful to impressionable students; incite violence, advocate the use of force, or urge the violation of law or school regulations; advertise goods or services for the benefit of profit-making organizations; fail to identify the student responsible for distribution and the agent responsible for reproduction; solicit funds for nonschool organizations when such solicitations have not been approved by the Board; or promote, favor, or oppose any candidate for election to the Board or the adoption of any bond issue, proposal, or questions submitted at any election.

The Board requires that the distribution of printed material take place only at the places and during the times established by rule in order not to disrupt the orderly operation of the educational program.

2. Courses of study, including Physical Education;

Students who experience less than equal educational opportunities or experience discrimination shall use the procedure established by Regulation 5750 to report and appeal any harassment or discriminatory practice.

The conduct of teaching staff members shall exemplify the highest principles of equality and democracy. 5751 SEXUAL HARASSMENT OF STUDENTS

The Board of Education will not tolerate sexual harassment of students by school employees, other students, or third parties. Sexual harassment of students is a form of prohibited sex discrimination. In accordance with Title IX of the Education Amendments of 1972 and the Code of Federal Regulations (CFR), 34 CFR §106, the school district adopts this Policy and implement practices to investigate and resolve allegations of sexual harassment of students engaged in by school employees, other students, or third parties pursuant to 34 CFR §106.3(c). In addition, reports of sexual harassment shall also be investigated in accordance with the requirements of New Jersey's Anti-Bullying Bill of Rights Act and Policy 5512.

For the purposes of Policy 5751 and in accordance with 34 CFR §106:

1. "Sexual harassment" (34 CFR §106.30(a)) means conduct on the basis of sex that satisfies one or more of the following:
 - a. An employee of the school district conditioning the provision of an aid, benefit, or service of the school district on a student's participation in unwelcome sexual conduct;
 - b. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the school district's education program or activity; or
 - c. "Sexual assault" as defined in 20 U.S.C. §1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. §12291(a)(10), "domestic violence" as defined in 34 U.S.C. §12291(a)(8), or "stalking" as defined in 34 U.S.C. §12291(a)(30).

Sexual harassment may take place electronically or on an online platform used by the school, including, but not limited to, computer and internet networks; digital platforms; and computer hardware or software owned or operated by, or used in the operations of the school.

In accordance with 34 CFR §106.8(a), any person may report sex discrimination, including sexual harassment using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report.

A school district with "actual knowledge" of sexual harassment in the educational program or activity of the school district against a student, must respond promptly in a manner that is not "deliberately indifferent".

Any school employee who receives a complaint of sexual harassment or is aware of behavior that could constitute sexual harassment is required to report that information to the Title IX Coordinator in accordance with the provisions of 34 CFR §106.8(a) and B.1. of Regulation 5751. The district must report any potential child abuse in accordance with N.J.S.A. 18A:36-24; N.J.S.A. 18A:36-25; N.J.A.C. 6A:16-11.1; and Policy and Regulation 8462.

The Title IX Coordinator shall notify persons entitled to a notification pursuant to 34 CFR §106.8(a)(1) that the school district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX and Policy and Regulation 5751 not to discriminate in such a manner in accordance with 34 CFR §106.8(b)(1).

The Title IX Coordinator shall prominently display the contact information required to be listed for the Title IX Coordinator pursuant to 34 CFR §106.8(b)(2)(i) on the school district's website and in each handbook or catalog the school district makes available to persons entitled to a notification in accordance with 34 CFR §106.8(a). Policy and Regulation 5751 shall be prominently displayed on the district's website and accessible to anyone.

Supportive measures shall be available to the Complainant, Respondent, and as appropriate, witnesses or other impacted individuals.

The school district shall use the grievance process outlined in 34 CFR §106.45 and Regulation 5751 to address formal complaints of sexual harassment. The school district shall offer both parties an appeal process as outlined in 34 CFR §106.45 and Regulation 5751 from a determination regarding responsibility for sexual harassment and from the Title IX Coordinator's dismissal of a formal complaint or any allegations of sexual harassment.

The Title IX Coordinator shall be responsible for effective implementation of any remedies in accordance with 34 CFR §106.45(b)(7)(iv). The appropriate school official designated by the Superintendent, after consultation with the Title IX Coordinator, will determine sanctions imposed and remedies provided, if any.

Consistent with the laws of New Jersey a student's parent must be permitted to exercise the rights granted to their child under this Policy, whether such rights involve requesting supportive measures, filing a formal complaint, or participating in a grievance process.

The Superintendent or designee shall ensure that Title IX Coordinators, investigators, decision-makers, appeal officer, and any person who facilitates an informal resolution process, receive training in accordance with 34 CFR §106.45(b)(1)(iii).

The school district or any employee of the school district shall not intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or Policy 5751, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy, in accordance with 34 CFR §106.71(a).

For each school district response to sexual harassment required under 34 CFR §106.44, the school district shall create and maintain for a period of seven years, records in accordance with 34 CFR §106.45(b)(10).

The Superintendent or designee shall consult with the Board Attorney to ensure the school district's response to allegations of sexual harassment and the school district's grievance process are in accordance with 34 CFR §106.44 and 34 CFR §106.45.

Any time a report is made to the Title IX Coordinator or formal complaint is filed pursuant to this Policy and in accordance with 34 CFR §106, the Title IX Coordinator shall forward the report or complaint to the Principal of the school building attended by the alleged victim for the Principal to follow the requirements of New Jersey's Anti-Bullying Bill of Rights Act and Policy 5512.

5752 MARITAL STATUS AND PREGNANCY

The Board of Education will not discriminate among students on the basis of their marital status or parenthood. No student, male or female, who is married or a parent shall be denied access to or benefit from any educational, co-curricular, or athletic program or activity on the basis of his/her marital status or parenthood.

A pregnant student shall not be excluded from any educational program or activity because of her pregnancy or pregnancy-related condition unless the student so requests or a physician certifies that her exclusion is necessary for the student's physical, mental, or emotional well-being. An excluded pregnant student will be provided with adequate and timely opportunity for instruction to continue or make up her schoolwork without prejudice or penalty. Pregnant students will be provided a special instructional program in accordance with Policy No. 2416.

5755 EQUITY IN EDUCATIONAL PROGRAMS AND SERVICES

Equity In Student Access

It is the policy of the Board of Education to ensure equal and bias-free access to all school facilities, courses, programs, activities, and services, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation, gender, gender identity or expression, socioeconomic status, or disability.

The school district administration will ensure: that all students will have equal and barrier-free access to all school and classroom facilities, that minority and female students are not under-represented in gifted and talented or accelerated/advanced courses and that minority and male students are not over-represented in detentions, suspensions, expulsions, dropouts, or special needs classifications. Support services will be available to all students and that all limited English-proficient students and students with disabilities will have equal and bias-free access to all school programs and activities. The school district will ensure equal and bias-free access for all students to computers, computer classes, vocational education classes, and technologically-advanced instructional assistance, regardless of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation, gender, gender identity or expression, socioeconomic status, or disability.

The Board of Education will refrain from locating new facilities in areas that will contribute to imbalanced, isolated, or racially identifiable school enrollments. The school district administration will assign students to ensure that the racial/national origin composition of each school's enrollment reflects the composition of the district-wide enrollment and so that school and classroom enrollments are not identifiable on the basis of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation, gender, gender identity or expression, socioeconomic status, or disability.

Students will not be separated or isolated by race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation, gender, gender identity or expression, socioeconomic status, or disability within schools, courses, classes, programs, or extracurricular activities. Bias-free multiple measures for determining the special needs of language-minority students and students with disabilities will be utilized. Pregnant students will be permitted to remain in the regular school program and activities and if not permitted to attend school by her doctor, the student will be provided equivalent instruction.

Equity in Guidance Programs and Support Services

The school district will ensure the guidance program and support services provide access to adequate and appropriate counseling services for all students, including, but not limited to, minority students, limited English-proficient students, non-college bound students, and students with disabilities. A full range of possible career, professional, and/or vocational choices will be presented to all students.

Equity in Physical Education Training

All school district physical education programs will be co-educational with any exceptions to be in accordance with Federal and State laws and regulations.

Equity in Athletic Programs

The school district's athletic program will provide equitable opportunities for female and male students to participate in athletics and equitable support for cheerleading programs and comparable facilities for male and female teams. The athletic program will have relatively equal numbers of varsity and sub-varsity teams for male and female teams and equitable scheduling of night games, practice times, and numbers of games for male and female teams.

Appeal Procedure

Any student or their parent(s) or guardian may appeal school practices involving equity through the procedure established in Regulation 5750.

5756 TRANSGENDER STUDENTS

The Board of Education is committed to providing a safe, supportive, and inclusive learning environment for all students. The New Jersey Law Against Discrimination (NJLAD), N.J.S.A. 10:5-12(11)(f), generally makes it unlawful for schools to subject individuals to differential treatment based on gender identity or expression. Title IX of the Education Amendments of 1972 (“Title IX”) specifically prohibits discrimination on the basis of sex in Federally-funded education programs and activities [20 U.S.C. § 1681(a)].

N.J.S.A. 18A:36-41 directs the Commissioner of Education to establish guidelines outlined in this Policy to provide direction for schools in addressing common issues concerning the needs of transgender students, and to assist schools in establishing policies and procedures that ensure a supportive and nondiscriminatory environment for transgender students.

Definitions/Terms

A safe and supportive environment within a school begins with understanding and respect. The Board believes students, teachers, and administrators should be provided with common terminology associated with gender identity. The terms listed below are commonly used by advocacy and human rights groups, however students may prefer other terms to describe their gender identity, appearance, or behavior. It is recommended school personnel discuss with the student the terminology and pronouns each student has chosen.

“Gender identity” means a person’s internal, deeply held sense of gender. All people have a gender identity, not just transgender people. For transgender people, the individual’s internal gender identity is not the same as the gender assigned at birth.

“Gender expression” means external manifestations of gender, expressed through a person’s name, pronouns, clothing, haircut, behavior, voice, and/or body characteristics. Society identifies these cues as masculine and feminine, although what is considered masculine or feminine changes over time and varies by culture.

“Assigned sex at birth (ASAB)” refers to the biological sex designation recorded on a person’s birth certificate upon the initial issuance of that certificate, should such a record be provided at birth.

“Gender assigned at birth” refers to the gender a child is assigned at birth or assumed to be, based on their biological sex assigned at birth.

“Sexual orientation” describes a person’s enduring physical, romantic, and/or emotional attraction to another person. Gender identity and sexual orientation are not the same. A transgender person may be straight, lesbian, gay, bisexual, or asexual. For example, a person who transitions from male to female and is attracted solely to men may identify as a straight woman.

“Transgender” is a term for an individual whose gender identity and/or gender expression differs from those typically associated with the sex and gender assigned at birth.

“Transition” is the process by which a transgender person recognizes that their authentic gender identity is not the same as the gender assigned at birth, and develops a more affirming gender expression that feels authentic. Some individuals socially transition, for example, through dress, use of names and/or pronouns. Some individuals may undergo physical transition, which might include hormone treatments and surgery. School district personnel should avoid the phrase “sex change,” as it is an inaccurate description of the transition process; the process is more accurately described as “gender-confirming.”

“LGBTQ” is an acronym for “lesbian, gay, bisexual, transgender, and queer/questioning.”

“Gender nonconforming” describes a person whose gender expression does not conform to the gender expectations of their family or community. Gender nonconformity is not necessarily an indication that a youth is transgender; many non-transgender youth do not conform to stereotypical expectations.

“Gender expansive, Gender diverse, Gender fluid, Gender non-binary, A gender, Gender queer” are terms that convey a wider, more flexible range of gender identity and/or expression than typically associated with the binary gender system. For example, students who identify as gender queer or gender fluid might not identify as boys or girls; for these students, the non-binary gender identity functions as the student’s gender identity.

“Cisgender” refers to individuals whose gender identity, expression, or behavior conforms with those typically associated with their sex assigned at birth.

Student-Centered Approach

The school district shall accept a student’s asserted gender identity; parental consent is not required. A student need not meet any threshold diagnosis or treatment requirements to have his or her gender identity recognized and respected by the school district, school, or school staff members. In addition, a legal or court-ordered name change is not required. There is no affirmative duty for any school district staff member to notify a student’s parent of the student’s gender identity or expression.

There may be instances where a parent of a minor student disagrees with the student regarding the name and pronoun to be used at school and in the student's education records. In the event a parent objects to the minor student's name change request, the Superintendent or designee should consult the Board Attorney regarding the minor student's civil rights and protections under the NJLAD. School staff members should continue to refer to the student in accordance with the student's chosen name and pronoun at school and may consider providing resource information regarding family counseling and support services outside of the school district.

School districts should be mindful of disputes between minor students and parents concerning the student's gender identity or expression. Many support resources are available through advocacy groups and resources from the New Jersey Department of Children and Families and New Jersey Department of Education's "Child Abuse, Neglect, and Missing Children" webpage.

The Principal or designee should have an open, but confidential discussion with the student to ascertain the student's preference on matters such as chosen name, chosen pronoun to use, and parental communications. A transgender student shall be addressed at school by the name and pronoun chosen by the student, regardless of whether a legal name change or change in official school records has occurred. The school shall issue school documentation for a transgender student, such as student identification cards, in the name chosen by the student. A transgender student shall be allowed to dress in accordance with the student's gender identity.

The Principal or designee should also discuss with the student, and any other individuals at the student's request, the risks associated with the student's transgender status being inadvertently disclosed. For example, the Principal or designee should inform the student the transgender status may be revealed due to other students' discussions at home. The Principal or designee should work with the transgender student to ensure awareness of activities and events that may inadvertently disclose the transgender student's status.

Safe and Supportive Environment

The Board developed and adopted this Policy to ensure that its schools provide a safe and supportive learning environment that is free from discrimination and harassment for transgender students, including students going through a gender transition. Gender-based policies, rules, and practices can have the effect of marginalizing, stigmatizing, and excluding students, whether they are gender nonconforming or not.

The Superintendent or designee shall review and update existing policies and procedures, including those regarding classroom activities, school ceremonies, school photographs, and dress codes, to verify transgender students are not excluded. In addition, the school district shall take the following steps to establish and maintain a nondiscriminatory environment for all students, including transgender and transitioning students:

- The school district must comply with N.J.S.A. 18A:37-15 and N.J.A.C. 6A:16-7.7, which prohibit harassment, intimidation, and bullying. The Board is required to develop, adopt, and implement a Policy in accordance with N.J.S.A. 18A:37-15 and N.J.A.C. 6A:16-7.7 that prohibits harassment, intimidation, or bullying on school property, at a school-sponsored function, or on a school bus. If harassment, intimidation, or bullying based on gender identity creates a hostile environment, the school must take prompt and effective steps to end the harassment, intimidation, or bullying, prevent its recurrence, and, as appropriate, remedy its effects.
- The Superintendent or designee should ensure training is provided to school staff members on sensitivity and respect towards transgender students.
- Social and Emotional Learning (SEL) concepts should be incorporated into school culture and curricula.
- The school district may seek a variety of professionals, including counselors and school psychologists, to provide emotional supports for all students who demonstrate a need. The Superintendent or designee shall ensure school counselors are knowledgeable regarding issues and concerns relevant to transgender students, students facing other gender identity issues, or students who may be transitioning.
- Student dress codes should not be enforced more strictly for transgender and gender nonconforming students than for other students.
- The school district shall honor and recognize a student's asserted gender identity, and shall not require any documentation or evidence in any form, including diagnosis, treatment, or legal name change.
- A school's obligation to ensure nondiscrimination on the basis of gender identity requires schools to provide transgender students equal access to educational programs and activities, even in circumstances in which other students, parents, or community members raise objections or concerns.

Confidentiality and Privacy

School staff members may not disclose information that may reveal a student's transgender status except as allowed by law. The Principal or designee is advised to work with the student to create an appropriate confidentiality plan regarding the student's transgender or transitioning status.

The school district shall keep confidential a current, new, or prospective student's transgender status. Schools should address the student using a chosen name and the student's birth name should be kept confidential by school and school staff members.

Due to a specific and compelling need, such as the health and safety of a student or an incident of bias-related crime, the school district may be obligated to disclose a student's status. In this event, the Principal or designee should inform the student the school or school district intends to disclose the student's transgender status for the student's protection and well-being. Prior to disclosure, the student should be given the opportunity to personally disclose that information. The school district should make every effort to ensure any disclosure is made in a way that reduces or eliminates the risk of re-disclosure and protects the transgender student from further harassment. Those measures may include the facilitation of counseling for the student and the student's family to facilitate the family's acceptance and support of the student's transgender status.

During a harassment, intimidation, or bullying investigation the school district is obligated to develop a procedure to report, verbally and in writing, an act of harassment, intimidation, and bullying committed by an adult or youth against a student, pursuant to N.J.A.C. 6A:16-7.7(a)2viii. In this instance, the Principal or designee should inform the student of the school's obligation to report the findings of the harassment, intimidation, and bullying investigation pursuant to N.J.S.A. 18A:37-15(d), which permits the parents of the students who are parties to the investigation to receive information about the investigation in accordance with Federal and State law and regulation. Under harassment, intimidation, and bullying legal requirements, parents are entitled to know the nature of the investigation; whether the district found evidence of harassment, intimidation, or bullying; or whether disciplinary action was imposed or services provided to address the incident of harassment, intimidation, or bullying.

The Principal or designee shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense, pursuant to N.J.A.C. 6A:16-7.7(a)2viii(2).

Disclosure of personally identifiable information from a student's education record to other school officials within the school district, whom the school district has determined have a legitimate educational interest in the information, may be permissible under Family Educational Rights and Privacy Act (FERPA) (34 C.F.R. § 99.31(a)(1)). The school district shall make a concerted effort to ensure school officials obtain access to only those education records in which they have legitimate educational interests.

The school district shall comply with all laws and regulations regarding the confidentiality of student records and student privacy, including the requirements set forth at 20 U.S.C. § 1232g, Family Educational Rights and Privacy Act; 34 CFR Part 99, Family Educational Rights and Privacy; 20 U.S.C. § 1232h, Protection of Pupil Rights; 34 CFR Part 98, Student Rights in Research, Experimental Programs, and Testing; P.L. 104-191, Health Insurance Portability and Accountability Act; 45 CFR Part 160, General Administrative Requirements; 20 U.S.C. § 7917, Transfer of school disciplinary records; 42 CFR Part 2, Confidentiality of Alcohol and Drug Abuse Patient Records; N.J.S.A. 18A:40A-7.1, Confidentiality of certain information provided by pupils, exceptions; N.J.A.C. 6A:16-3.2, Confidentiality of student alcohol and other drug information; N.J.S.A. 18A:36-19, Pupil Records, creation, maintenance and retention, security and access, regulations, nonliability; N.J.S.A. 2A:4A-60, Disclosure of juvenile information, penalties for disclosure; N.J.A.C. 6A:32-7, Student Records; N.J.A.C. 6A:14-2.9, Student records; as well as all other existing Federal and State laws and rules pertaining to student records and confidentiality.

School Records

If a student has expressed a preference to be called by a name other than their birth name, permanent student records containing the student's birth name should be kept in a separate, confidential file. This file should only be shared with appropriate school staff members after consultation with a student. A separate file containing records bearing the student's chosen name may also be kept. If the student has previously been known at school or in school records by a birth name, the Principal or designee should direct school staff members to use the student's chosen name and not the student's birth name.

To ensure consistency among teachers, school administrators, substitute teachers, and other school staff members, every effort should be made to immediately update student education records (for example, attendance records, transcripts, Individualized Education Programs (IEP), etc.) with the student's chosen name and gender pronouns, consistent with the student's gender identity and expression, and not circulate records with the student's birth name, unless directed by the student.

- The school district shall report to the New Jersey Department of Education (NJDOE) through NJ SMART a student's name or gender based upon that student's chosen name and corresponding gender identity. Changing the name or gender identity from what was reported in previous years will not affect the reliability of the data reported.
- If the school district changes a student's name or gender identity, it must also maintain locally a separate record reflecting the student's legal name and sex assigned at birth until receipt of documentation of a legal change of name or gender.

Activities

With respect to gender-segregated classes or athletic activities, including intramural and interscholastic athletics, all students must be allowed to participate in a manner consistent with their gender identity.

The school district shall:

- Provide transgender students with the same opportunities to participate in physical education as other students in accordance with their gender identity;
- Permit a transgender student to participate in gender-segregated school activities in accordance with the student's gender identity;
- Permit and support the formation of student clubs or programs regarding issues related to lesbian, gay, bisexual, transgender, and queer/questioning (LGBTQ) youth; and
- Offer support in the creation of peer led educational groups.

Use of Facilities

All students are entitled to have access to restrooms, locker rooms, and changing facilities in accordance with their gender identity to allow for involvement in various school programs and activities.

In all cases, the Principal or designee must work with the student and school staff members so all parties are aware of facility policies and understand the student may access the restroom, locker room, and changing facility that corresponds to the student's gender identity. While some transgender students will want this arrangement, others may be uncomfortable with it. Transgender students who are uncomfortable using a sex-segregated restroom should be provided with a safe and adequate alternative, such as a single "unisex" restroom or the nurse's restroom. Similarly, some transgender students may be uncomfortable using the changing facilities that correspond to the student's gender identity. Non-transgender students should also be afforded the option to use a private facility, such as a unisex facility or the nurse's restroom, should they feel uncomfortable.

- The school district shall allow a transgender student to use a restroom or locker room based on the student's gender identity.

- Reasonable alternative arrangements shall be made if needed to ensure a student's safety and comfort. This direction for accommodations should come from the student.

The Superintendent or designee will make available to school staff members a variety of resources regarding professional development opportunities as sourced by the NJDOE as well as developmentally appropriate information for students regarding LGBTQ issues.

The Board adopts this Policy to help school and district administrators take steps to create an inclusive environment in which transgender and gender nonconforming students feel safe and supported, and to ensure each school provides equal educational opportunities for all students, in compliance with N.J.A.C. 6A:7-1.1 et seq.

5770 STUDENT RIGHT OF PRIVACY

A student's person and possessions may be searched by a school official provided that the official has reasonable grounds to suspect that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school. Searches may not be conducted based solely upon an anonymous tip and/or a rumor that contraband is present. The extent or scope of the search shall be reasonably related to the objectives of the search and not excessively intrusive in light of the age and gender of the student and the nature of the infraction. Before instituting such a search, except in cases of emergency, the Principal shall try to inform the parent(s) or legal guardian(s) and request their presence.

Student Lockers

School lockers remain the property of the district even when used by students. The Principal or other official designated by the local Board of Education may inspect lockers or other storage facilities in the interest of school safety, sanitation, discipline and enforcement of school regulations pursuant to Public Law, Chapter 198, adopted June 26, 1985.

Students shall be informed of this policy at the beginning of the school year.

5820 STUDENT GOVERNMENT

The Board of Education recognizes the importance of offering students the opportunity to participate in representative self-government and to develop leadership skills. Students shall have the right to organize, conduct meetings, elect officers and representatives, and petition the Board of Education.

The Board recognizes the Student Council as the official voice of the student body for students, provided the constitution and bylaws of that organization have been duly approved by the students it represents and by the Board and provided that all students have equal access to their student government and an equal opportunity to vote and hold office.

The Board shall appoint a qualified teaching staff member to serve as advisor to student government activities.

The Board directs that decisions made and actions duly taken by the official student government, in accordance with and within the scope of its constitution and bylaws, may not be voided or vetoed by any staff member.

5830 STUDENT FUND RAISING

The West Milford Board of Education recognizes the value of having students participate in fund-raising activities, both as individuals and as groups, in order to help defray the cost of certain non-curricular field trips, or other worthwhile programs, or in support of a Board-approved charitable cause.

For purposes of this policy, "student fund raising" shall include the solicitation and collection of money from students for any purpose and shall include the collection of money in exchange for tickets, papers, or any other goods or services except those goods and services which are part of a Board-approved program of the schools.

The West Milford Board of Education prohibits the collection of money in school or on school property or at any school-sponsored event by a student for personal benefit. Collection of money by school organizations approved by the Board shall be approved by the Principal. Collections by organizations outside the schools or by students on behalf of such organizations shall be approved by the Superintendent of Schools or designee.

The Board shall not be responsible for the protection of or the accounting of funds collected from students by organizations outside the schools, by teaching staff members when not required to collect money for a Board-approved purpose, and by school-connected organizations. Funds raised by school-sponsored activities shall be deposited in the proper district accounts.

The Board prohibits fund-raising activities by school-sponsored groups or outside organizations that encourage or require door-to-door solicitation by students.

Distribution of any materials or solicitations by students or student organizations shall occur only with the Principal's approval:

1. Before or after the school day;
2. Before and during homeroom period; and
3. Lunch periods, and is restricted to the following locations:
 - a. Cafeteria;
 - b. Student lounge;
 - c. Entrance lobby; and
 - d. Ticket windows, without hindering the normal flow of traffic.

5841 SECRET SOCIETIES

The Board of Education affirms the legislative prohibition of student organizations with closed membership practices as hostile to the democratic ideals of public education.

No social organization of students will be granted the use of school facilities or permitted the use of the name of the school or this school district unless that organization has first been approved by the Principal. The application for such approval will set forth the purposes, constitution, and bylaws of the organization; its membership qualifications; and the process by which a person becomes a member.

No organization will be approved if its purposes conflict with the authority and goals of this Board or the best interests of the students of this district; if membership is drawn from outside the currently enrolled student body; if membership qualifications are based on considerations of race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, disability or political beliefs, or any other consideration not appropriate to the purpose of the organization; or if any qualifying student who applies may be denied membership.

Nothing in this policy shall prevent or otherwise deny participation in constitutionally protected prayer consistent with protections of the First Amendment of the United States Constitution.

A student who seeks to form or is a member of a fraternity, sorority, or other secret organization formed in whole or in part of students enrolled in this district may be disciplined by this Board. The Board reserves the right to require that any student attest as to his/her membership in a secret organization.

5842 EQUAL ACCESS OF STUDENT ORGANIZATIONS

The Board of Education will permit the use of school facilities by student-initiated organizations for non-curricular student activities. A student-initiated organization, regardless of the size of the group, will not be denied an opportunity to meet and use school facilities on the basis of the religious, political, philosophical, or other content of the speech at their meeting.

An application for permission to meet on school premises shall be made to the Principal, who shall grant permission provided that he/she determines that:

1. The activity has been initiated by students;
2. Attendance at the meeting is voluntary;
3. No agent or employee of the district will promote, lead, or participate in the meeting;
4. The meeting is for a lawful purpose;
5. The meeting does not materially and substantially interfere with the orderly conduct of instructional activities in the school;
6. Nonschool persons do not direct, conduct, control, or regularly attend the activity; and
7. The activity is adequately supervised by appropriately certified school district staff.

A student-initiated group granted permission to meet on school premises shall be subject to the same rules and regulations that govern the meetings of student organizations sponsored by this Board, except as provided by this policy. Participation in a student-initiated meeting must be available to all students who wish to attend and cannot be denied on the basis of a student's race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The Board will not permit the organization of a fraternity, sorority, or secret society. A student-initiated meeting may be attended by no more than two outside resource persons.

Access to school facilities by student organizations will be provided within the governing principles of the First Amendment of the Constitution of the United States.

An appropriately certified staff member shall be assigned to attend a student-initiated meeting in a custodial capacity and shall not participate in the activity while serving in this custodial capacity. No teaching staff member shall be compelled to attend a student-initiated meeting if the content of the speech at the meeting is contrary to his/her beliefs.

The Building Principal may take such actions as may be necessary to maintain order and discipline on school premises and to protect the safety and well-being of students and staff members.

5850 SOCIAL EVENTS AND CLASS TRIPS

The Board of Education recognizes the value of social events and class trips that will enhance and enrich the school experience for the students of this district.

For purposes of this policy, a "social event" is a party, celebration, or dance organized for the participation of students, and "class trips" are trips taken by students in a single graduating class, students who share a particular interest in an activity, or students who are enrolled in a particular subject area. Social events and class trips are not related or are only indirectly related to the curriculum.

The Board will make school facilities available and assign staff members as appropriate for the conduct of social events on school premises that have been approved by the Principal and for social events and class trips away from school premises that have been approved by the Principal. A social event or class trip may be considered to have been approved by this Board only when the Board has duly assigned one or more chaperones to supervise participating students. The Board will assume no responsibility for a student social event or trip that has not been approved in accordance with this policy.

The Board will not approve a social event or class trip that has the effect of reducing the school year for participating students to fewer than one hundred eighty days.

The Board reserves the right to cancel any scheduled trip.

Social events or class trips are not part of the thorough and efficient system of education provided by the Board. Participation in them is therefore not a right and may be denied to any student without the due process of notice and an opportunity to be heard. A student who demonstrates disregard for school rules may summarily be denied participation in social events and class trips.

Students who participate in approved social events and class trips are subject to district rules for student conduct and must submit to the authority of assigned chaperones. Infractions of the rules will be subject to discipline in the same manner as are infractions of rules during the regular school program.

A student who possesses or consumes alcohol or drugs in the course of an approved social event or class trip will be deemed to have placed all other participating students at risk and shall be immediately dismissed from the event or trip. Any such student will be returned home by appropriate and safe means of transportation in the company of a chaperone, the student's parent(s) or legal guardian(s), or a representative of the student's parent(s) or legal guardian(s). Any expenses incurred by the dismissal will be the responsibility of the student and/or the student's parent(s) or legal guardian(s).

The Board will permit persons not enrolled in this district to participate in social events as guests of students, provided the Principal or designee has approved the participation of guests in advance. Guests are subject to the same rules of conduct as are students enrolled in this district and may be removed from the social event or trip for persistent or flagrant disregard of those rules.

The Superintendent will develop regulations governing the conduct and safety of all participants in social events and class trips and will distribute them to student and adult participants.

Adopted: 25 April 2012

5860 SAFETY PATROL

The West Milford Board of Education believes that student safety patrols can contribute greatly to the development of good traffic habits and can provide opportunities for growth in leadership skills.

Therefore, the Superintendent of Schools shall develop regulations for the formation of safety patrols.

These regulations shall include but not be limited to provision for:

- A. Appointment of a faculty advisor to select, instruct, and discipline members of the safety patrol;
- B. Informing candidates and their parent(s) or legal guardian(s) of the purpose and activities of the patrol and the possible hazards;
- C. An outline of duties suitable to each school building; and
- D. Cooperation with the police.

5880 PUBLIC PERFORMANCES BY STUDENTS

The Board of Education recognizes the value to students and to the community of the demonstration of student talents and skills in performances of student organizations in public events. The Board endorses such performances when they contribute to the instructional program, do not interfere with scheduled school activities, and do not exploit or endanger participating students.

Public performances of student organizations must be approved in advance by the Principal. The members of a student organization invited to perform shall be polled for their willingness to perform. No student may be compelled to participate in an elective public performance or penalized for his/her failure to participate. Approval for a public performance will not be granted unless the staff advisor determines that the number of students who agree to participate is sufficient to represent the school fairly.

When public performances are scheduled as a regular part of a course of study taken for credit, students shall be informed in advance of their obligation to participate; they will be excused from participation only in accordance with Board policy on student attendance.

No student, student organization, or employee of this Board shall receive compensation for the performance in public of students organized for a school activity.

6111 SPECIAL EDUCATION MEDICAID INITIATIVE (SEMI) PROGRAM

Every New Jersey school district, with the exception of any district that obtains a waiver of the requirements of N.J.A.C. 6A:23A-5.3 pursuant to the procedures set forth at N.J.A.C. 6A:23A-5.3(b), shall take appropriate steps to maximize its revenue from the Special Education Medicaid Initiative (SEMI) Program by following policies and procedures to maximize participation in the program as set forth in N.J.A.C. 6A:23A-5.3(d) and to comply with all program requirements as set forth in N.J.A.C. 6A:23A-5.3(e).

The school district may seek, in the prebudget year, a waiver of the requirements of N.J.A.C. 6A:23A-5.3 in accordance with the procedures as outlined in N.J.A.C. 6A:23A-5.3(b). As part of the annual budget information, the Department of Education shall provide each school district with a projection of available SEMI reimbursement for the budget year, as determined by the State Department of Treasury's third party administrator for SEMI.

Beginning with the 2009-2010 school year, the school district shall recognize as revenue in its annual school district budget no less than ninety percent of the projection provided by the Department of Education. The district may seek approval from the Executive County Superintendent to use its own projection of SEMI reimbursement upon demonstration that the numbers it used in calculating the projection are more accurate than the projection provided.

The school district shall strive to achieve maximum participation in the SEMI program. "Maximum participation" means obtaining a ninety percent return rate of parental consent forms for all SEMI eligible students. Districts shall enter all students following their evaluations into the third-party system to identify the district's universe of eligible students. This can be done without parental consent.

Districts participating in the SEMI reimbursement program shall comply with program requirements as outlined in N.J.A.C. 6A:23A-5.3(e).

A school district that has less than ninety percent participation of SEMI eligible students in the prebudget year or that has failed to comply with all program requirements set forth in N.J.A.C. 6A:23A-5.3(e) shall submit a SEMI action plan to the Executive County Superintendent for review and approval as part of the school district's proposed budget submission. The district's SEMI action plan shall include the components as outlined in N.J.A.C. 6A:23A:5.3(g).

Districts that did not achieve ninety percent participation or achieve their approved benchmarks in the SEMI program for a given budget year and cannot demonstrate that they fully implemented their Department of Education approved SEMI action plan, shall be subject to review for the withholding of State aid by the Commissioner pursuant to N.J.S.A. 18A:55-3 in an amount equal to the SEMI revenue projection based on their approved benchmark for the budget year, if applicable, less actual SEMI reimbursements for the budget year. The State aid deduction shall be made in the second subsequent year after the budget year.

N.J.A.C. 6A:23A-5.3

Adopted: 25 April 2012

6112 REIMBURSEMENT OF FEDERAL AND OTHER GRANT EXPENDITURES

The Cash Management Improvement Act (CMIA) and related Federal regulations require a State to minimize the time elapsing between the transfer of funds from the United States Treasury and the expenditure of funds for program purposes. This requirement applies to grantees such as the State of New Jersey and their subgrantees, such as a school district. The State of New Jersey and school districts must assure funds have been, or will be, spent within a minimal amount of time after having been drawn from the Federal government.

In accordance with this requirement, the New Jersey Department of Education (NJDOE) has implemented a reimbursement request system of payment. The procedures as outlined in the New Jersey Department of Education Policies and Procedures for Reimbursement of Federal and Other Grant Expenditures shall be followed by school districts in submitting reimbursement requests. Reimbursement requests for entitlement grant awards under the Every Student Succeeds Act (ESSA) the Individuals with Disabilities Education Act (IDEA), the Carl D. Perkins Career and Technical Education Improvement Act of 2006, and any other program designated by the NJDOE shall be made using the NJDOE's Electronic Web-Enabled Grant (EWEG) System.

Reimbursement requests by the School Business Administrator/Board Secretary or designee shall be made for individual titles and awards using the payment functionality of the EWEG system. Only one reimbursement request per month may be submitted for an individual title, award, or subgrant. Reimbursement requests may only be for expenditures that have already occurred or will occur within three business days of receipt of funds .

The submission of a reimbursement request constitutes a certification by the School Business Administrator/Board Secretary that the school district has previously made the appropriate expenditures and/or will make the expenditures within three business days of receipt of funds and that the expenditures are allowable and appropriate to the cost objective(s) of the subgrant.

The Superintendent or designee is responsible for submitting an amendment application to the NJDOE for approval if a new budget category for which no funds were previously budgeted or approved has been created. The Superintendent or designee is responsible for submitting an amendment application to the NJDOE for approval if cumulative transfers among expenditure categories exceed ten percent of the total award. The Superintendent or designee is responsible for monitoring the cumulative ten percent level of fiscal change.

Reimbursement requests must be in accordance with approved grant applications. A reimbursement request may be submitted at any time after the subgrant has received final NJDOE approval. Reimbursement requests submitted at least ten business days before the end of the month but no later than the fifteenth day of the month will be reviewed and, if approved, processed for payment the first business day of the following month. School districts will normally receive payment by the fifth business day of the month and will be able to track the grant's payment history in EWEG through the payments link of the grant application.

Reimbursement requests must contain a brief description of the expenditures for which reimbursement is being requested. Individual line items need not be detailed. Expenditures must be supported by documentation at the school district level but should not be submitted to the NJDOE with a reimbursement request. The Superintendent or designee is responsible to maintain supporting documentation for seven years and for making it available to the NJDOE, the United States Department of Education, and/or their authorized representatives upon request. Documentation for salary expenditures is subject to the requirements of the Federal Uniform Grant Guidance . Documentation for all other expenditures must include evidence that the expenditures are allowable costs and of the relationship of the expenditure to the subgrant's cost objectives.

The NJDOE staff will review reimbursement requests to determine that they meet the subgrant's criteria. When a reimbursement request is approved or denied, the school district will receive an email notification through the EWEG system. Approval of a reimbursement request by NJDOE does not imply approval of the expenditures as allowable or appropriate to the subgrant's cost objectives as the approval of expenditures will continue to be processed through the final report. The School Business Administrator/Board Secretary or designee assumes responsibility for assuring that all funds requested through the EWEG system either have already been expended, or will be expended within three business days of receipt of funds .

6113 E-RATE

The Telecommunications Act of 1996 provides for a Federal funded program called the Universal Service Fund (USF) or E-Rate that is designed to provide affordable access to telecommunications services for all eligible schools and libraries in the United States. The program provides discounts on telecommunications services, Internet access and internal connections, and provides discounts of up to ninety percent to assist most schools and libraries in the United States to obtain affordable telecommunications and Internet access. The purpose of this Policy is to provide guidance and direction so the West Milford School District can participate in the E-Rate program and this Policy assigns E-Rate responsibilities to school staff members to ensure the school district is in compliance with Federal Communications Commission and E-Rate participation requirements.

Full access to telecommunications and information resources makes possible the rich teaching and learning that take place in schools and libraries. For these institutions to provide the high level of service necessary for their students and patrons to participate fully in American society, the costs can be great. Telecommunications and Internet access, the hardware needed for assembling local networks, and maintenance of systems and machines can stretch budgets that are already under stress.

Universal Service Administrative Company (USAC) is responsible for processing applications for support, confirming eligibility, and reimbursing telecommunications companies and Internet access providers for discounted services delivered to eligible schools and libraries. USAC reviews applications, invoices, and other program information to ensure that applicants and service providers follow rules for the program set by the Federal Communications Commission (FCC). USAC also conducts Schools and Libraries Program beneficiary audits to ensure program compliance.

Eligible participants include public and most non-profit Kindergarten through grade twelve schools as well as all public and many private libraries. All program participants must carry out a competitive bidding process to select the most cost-effective companies to provide the goods and/or services requested.

Once eligible school districts complete the competitive bidding process, applicants submit to USAC all information required to demonstrate compliance with the rules required for receiving support. After approving applications, USAC notifies applicants of a commitment to fund the acquisition of services. When applicants start receiving services, USAC makes payments to the companies selected to provide those services.

Funding may be requested under five categories of service: Telecommunications, Telecommunications Services, Internet Access, Internal Connections, and Basic Maintenance of Internal Connections. Discounts for support depend on the level of poverty and the urban/rural status of the population served and range from twenty percent to ninety percent of the costs of eligible services.

Eligible participants include public and most non-profit Kindergarten through grade twelve schools as well as all public and many private libraries. Guidance on the eligibility requirements to participate in the E-Rate Program is available on the USAC website at www.usac.org.

This Policy provides the steps to be used by this school district to receive E-Rate discounts.

Technology Plan

A Technology Plan is a plan prepared by the school district that explains how telecommunications and information technology will be used to achieve educational goals, curriculum reforms, or library service improvements. School districts applying for Priority 2 services (Internal Connections and Basic Maintenance) must prepare a technology plan.

In general, Technology Plans should not cover more than three years. Technology Plans should be written (at least in draft form) before an FCC Form 470 is posted to the USAC website in order to support the requests for services featured on that form, cover all twelve months of the funding year, and be approved by a USAC-certified Technology Plan Approver (TPA) before an FCC Form 486 is filed and before services start.

Technology Plans must, at a minimum, contain: clear goals and a realistic strategy for using telecommunications and information technology to improve education or library services; a professional development strategy to ensure that members of the staff know how to use these new technologies to improve education or library services; a needs assessment of the telecommunication services, hardware, software, and other services that will be needed to improve education or library services; and an evaluation process that enables the school district to monitor progress toward the specified goals and make mid-course corrections in response to new developments and opportunities as they arise.

In order to be eligible for E-Rate funding, the school district must have its Technology Plan approved for E-Rate use by the New Jersey Department of Education.

The Systems Operation Manager shall be responsible for developing the school district's technology plans and submitting the plans for approval to the Passaic County Coordinating Council who will submit the approved plan to the New Jersey Department of Education, Office of Educational Technology.

Competitive Bidding Process

A competitive bidding process is a formal process to identify and request the products and services a school district needs so potential service providers can review these requests and submit bids. To open the process, the school district must post an FCC Form 470 to the USAC website and, if the school district chooses to or if required by the New Jersey Public School Contracts Law, N.J.S.A. 18A:18A-1 et seq., issue a Request for Proposals or prepare bid specifications.

The school district will determine eligible E-Rate funding products and services based on the needs as outlined in the school district's approved New Jersey Department of Education Technology Plan or as identified by the Superintendent, in consultation with school district administrative and technology staff members.

The entity that will run the competitive bidding process (which may be the school district, a State procurement agency, or another entity that the district has authorized to negotiate on its behalf with a Letter of Agency (LOA) or similar document) must file the FCC Form 470 (Description of Services Requested and Certification) and must be prepared to receive and evaluate bids and negotiate with service providers.

The FCC Form 470 for the upcoming funding year is generally available online on the USAC website a year before the start of the funding year. FCC Form 470 can be filed for a particular funding year as soon as it becomes available online. The entity filing the FCC Form 470 must wait at least twenty-eight days after the date that the FCC Form 470 is posted and the date the RFP is issued, whichever is later, before closing the competitive bidding process. Services provided under tariff or on a month-to-month basis require an FCC Form 470 to be posted each year. If, however, a multi-year contract results from the competitive bidding process, it is not necessary to post a new FCC Form 470 until a new contract is required.

After the FCC Form 470 is posted to the USAC website, USAC will issue an FCC Form 470 Receipt Notification Letter (RNL). This letter includes much of the information featured on the form, provides a means to correct certain errors, and discusses the next steps in the application process. The Business Administrator, or designee, will review the RNL to ensure the products and services included in the RNL are accurate and will notify USAC within fifteen days of the postmark date of the RNL if there are any required revisions. If an unallowable correction on the

Form 470 is identified, the district must post and certify a new Form 470 within the filing window. A new Form 470 must be posted at least twenty-eight days prior to signing a contract or selecting a service provider.

The entity filing an FCC Form 470 can issue a Request for Proposals (RFP) in addition to the FCC Form 470. For the purposes of this Policy, an RFP is a formal bidding document that describes the project and requested services in sufficient detail so that potential bidders understand the scope, location, and any other requirements. The district's formal bidding documents must indicate the district will accept bids on equal and/or equivalent goods or services. The district is not required to issue an RFP unless the State or local procurement rules or regulations require the district to do so. If the district issued or intends to issue an RFP, that information must be included on the FCC Form 470 along with information on how to obtain a copy of the RFP.

The entity filing the FCC Form 470 must ensure the competitive bidding process is open and fair. All bidders must be treated the same and no bidder can have advance knowledge of the project information. There shall be no secrets in the bidding process, such as information shared with one bidder but not with others. All bidders shall know what is required of them.

Service providers and potential service providers cannot offer or provide gifts to applicants and no school district employee or official shall solicit or accept a gift of any value from a service provider or potential service provider. These prohibitions are in effect during the entire funding year. In addition, the value of free services (e.g., price reductions, promotional offers, "free" products) must generally be deducted from the pre-discount cost of funding requests.

The competitive bidding process and the FCC 470 RNL process shall be coordinated and supervised by the School Business Administrator, or designee, in accordance with Policy No. 6350.

Selecting Service Providers

After the close of the competitive bidding process, the school district shall evaluate the bids received and choose the bid that is the most cost-effective with the price of the E-Rate eligible products and services as the primary factor. The district may consider as many factors in this evaluation as it wants, but the price of the E-Rate eligible products and services must be included as a factor and must be weighted more heavily than any other single factor. The FCC Form 470 and the Request for Proposals (RFP), if issued, must both have been publicly available for a twenty-eight day period, whichever is later, before the district can close its competitive bidding process. Any evaluation of bids shall be in accordance with the New Jersey Public School Contracts Law, N.J.S.A. 18A:18A-1 et seq. and FCC Competitive Bidding Rules.

Preparing a Bid Evaluation Matrix helps evaluate bids and also provides documentation of the process followed to select a service provider. The Bid Evaluation Matrix shall be completed by the School Business Administrator, or designee. All copies of bids (successful and unsuccessful), evaluation criteria, vendor contact information, and the signed contract shall be retained in accordance with the document retention guidance outlined in this Policy. The district can receive services:

1. Under tariff or on a month-to-month basis - Services such as basic telephone service or Internet access may not require a contract. The district must post an FCC Form 470 and open a competitive bidding process for these services each year.
2. Under a contract - Tariffed or month-to-month services provided under a contract are considered to be contracted services. Also, internal connections and basic maintenance products and services are generally provided under a contract. If the district posts an FCC Form 470 and signs a multi-year contract resulting from that posting, the district does not have to post an FCC Form 470 or open a competitive bidding process again for the life of that contract.

If the district intends to receive services under contract, the contract must have been preceded by the filing of an FCC Form 470 (NOTE: If the district has an existing contract that was not signed as a result of posting an FCC Form 470, the district can post an FCC Form 470 for the next funding year and consider its existing contract as a bid response. The district must evaluate any other bids received as well, as the district's existing contract may not be the most cost-effective solution.). The entity that filed the FCC Form 470 must also have followed the Schools and Libraries Program's competitive bidding rules and all applicable State and local contract and procurement rules and regulations.

The Board shall approve all contracts for products or services if the products or services were bid in accordance with N.J.S.A. 18A:18A-1 et seq., where an RFP was used to obtain proposals, or any contract to be awarded in excess of \$36,000.

The district may sign a contract, which may be for one or more years and may include the option of voluntary extensions. If the district is eligible, it can purchase services from a State master contract; however, the district must file their own FCC Form 470 and use the State master contract pricing as a bid to consider in evaluating all potential bids. If the district is eligible to purchase from a State master contract, but that contract will expire before or during the upcoming funding year, the district and the State of New Jersey should follow the guidance for State replacement contracts (See State Master Contracts section on USAC website at www.usac.org).

The evaluation of bids and the selection of service providers or recommending service providers to the Board of Education, if required, shall be the responsibility of the School Business Administrator or designee.

Applying for Discounts

To apply for Schools and Libraries Program discounts, the district must file an FCC Form 471 to provide USAC with information about the services being requested and the eligible discount(s). USAC will review the request, may ask for additional information, and will then issue a funding decision.

All contracts, if contracts are required, must be signed and dated before the FCC Form 471 is submitted to USAC.

The FCC Form 471 must be filed during a specific application window each year. In general, the application filing window opens about six months before the start of the funding year and is open for about two and a half months. All applications received or postmarked before the close of the filing window are considered as having arrived on the same day, and have priority over those submitted after the filing window has closed. The specific opening and closing dates of the filing window are published in advance on the USAC website.

After the FCC Form 471 is certified online or on paper, USAC will issue an FCC Form 471 Receipt Acknowledgment Letter (RAL). The RAL shall be reviewed by the School Business Administrator, or designee, within twenty calendar days of the school district's receipt of the RAL. This letter includes much of the information featured on the form, provides a means to correct certain errors, and discusses the next steps in the application process. The information the district must provide on the FCC Form 471 includes the following:

1. Entity numbers (also called Billed Entity Numbers (BENs)) for all entities receiving service (recipients of service), together with specific information for each entity (Block 4 of the form).
2. NCES and/or FSCS codes for entities receiving service (Block 4).
3. Information on telephone and Internet access connections and speeds (Block 2).

For each funding request (a service or set of services specific to both a category of service and a service provider) the district must also provide:

1. Either an actual count of students eligible for the National School Lunch Program or Federally-approved alternative mechanisms to determine the level of poverty for purposes of the universal service discount program. The district may obtain additional guidance on alternative mechanisms on the USAC website at www.usac.org.

School districts that choose not to use an actual count of students eligible for the National School Lunch Program may use only the Federally-approved alternative mechanisms contained in Title I of the Improving America's School Act, which equates one measure of poverty with another (See FCC 97-157 - paragraph 510). In the event the district elects to use a Federally-approved alternative mechanism, the details will be provided.

The School Business Administrator, or designee, will verify the student data used to calculate discounts in accordance with the eligibility requirements of the National School Lunch Program and the New Jersey Department of Agriculture.

2. Specific information on each service or set of services the district is requesting, including:
 - a. Name and Service Provider Identification Number (SPIN) of the service provider;
 - b. Cost of the service;
 - c. Contract number and other contract details (if there is a contract);
 - d. Start and end dates of service;
 - e. Worksheet(s) identifying the entity or set of entities receiving each service; and
 - f. A detailed description of products and services, referred to as an Item 21 attachment. These products and services shall be reviewed by the School Business Administrator, or designee, to ensure they are eligible for E-Rate funding according to the current Eligible Service List as published on the USAC website.

The district's certified FCC Form 471 and Item 21 attachment(s) are due on or before the close of the application filing window.

The school district is only able to receive support for internal connections in two of every five funding years. This applies to individual recipients (individual schools, libraries, or non-instructional facilities). For each eligible entity, the five-year period begins in any year in which that entity receives support for internal connections. Entities can use two years within any five-year period, looking back and looking forward from that year. FY 2007 was the first year that entities were ineligible for internal connections funding based on this rule (for 5115 entities that received funding for both FY 2005 and FY 2006 internal connections requests). USAC provides a Two-in-Five Tool that provides information on the school district's eligibility for funding of internal connections requests for multiple funding years. This rule does not apply to telecommunications and Internet access services or to basic maintenance of internal connections services categorized as Priority 2. Basic maintenance services are eligible for support each year if they are necessary to the operation of the internal connections network. The school district will be considered to have used a year if it has been specified in the FCC Form 471 Block 4 worksheet cited on one or more approved internal connections funding requests in that year.

The School Business Administrator, or designee, shall be responsible for applying for discounts from the School and Libraries Program.

Application Review

After the district files an FCC Form 471 and the associated Item 21 attachment(s) within the filing window, Program Integrity Assurance (PIA) reviewers at USAC will check the information on the form for completeness and accuracy and may have additional questions for the district to answer. All applications go through an initial review and a final review, which may involve questions from PIA reviewers on one or more of the following topics:

1. Eligibility of the entities receiving service (this review step generally occurs for entities that have not appeared on a previous application);
2. Eligibility of the services requested;
3. Discount calculations;
4. Contracts;
5. The competitive bidding process; and/or

6. Any discrepancies between the information on the funding request and the associated Item 21 attachment.

The district must indicate the preferred mode of contact on FCC Form 471 Item 6c (telephone), 6d (fax), or 6e (email). Because PIA reviewers send written questions by fax or email, they will call the district and ask for a fax number or email address if the district indicated telephone as the preferred mode of contact. The district will have fifteen days to respond to PIA questions. The district can ask for more time, if needed, but a request for additional time will add more time to the review process.

Some applications undergo additional review - Selective Review is one example - where PIA reviewers may request more detailed responses that can include:

1. Documentation of the competitive bidding and service provider (vendor) selection processes;
2. Documentation of the district's ability to pay the non-discount share (the portion of the cost of eligible products and services not reimbursed by USAC); and/or
3. Proof the district has obtained necessary resources (i.e., hardware, software, staff training, electrical capacity, retrofitting) that are not eligible for Schools and Libraries Program discounts, but that must be in place to make effective use of the discounted services.

As part of the review process, PIA reviewers may be required to change the category of service on a Funding Request Number (FRN). If PIA reviewers discover there are ineligible services in a funding request, the district will be able to remove them or move them to a separate request to avoid denial under the thirty percent rule. After the PIA review process has been completed, USAC issues a Funding Commitment Decision Letter (FCDL) containing USAC's decisions on the district's funding requests. The district should review this letter carefully, as it contains important information both for planning the start of the receipt of services and for completing the additional steps in the application process. If the district disagrees with one or more of the decisions in the FCDL, the district can appeal to USAC or to the Federal Communications Commission (FCC).

The School Business Administrator, or designee, shall be responsible for preparing and providing the requested documentation for the application review(s).

Starting Services

After the district receives the Funding Commitment Decision Letter (FCDL) and the delivery of services has started, the School Business Administrator, or designee, shall be responsible for: filing a FCC Form 486 to inform USAC that services for which the district has been approved for discounts have started and invoicing can begin; assuring the district's Technology Plan, if required, has been approved by a USAC-certified Technology Plan Approver and the district is in compliance with the Children's Internet Protection Act (CIPA), 47 CFR 54.520, or CIPA does not apply because the district's application is only for Telecommunications Services and/or Interconnected Voice over Internet Protocol (VoIP) services. CIPA requirements include an internet safety policy, a technology protection measure, a public notice hearing or meeting, the monitoring of online activities of minors, and providing education to minors on appropriate online behavior.

The School Business Administrator shall be responsible for reviewing the originating purchase order and/or contract to ensure the products and services on the purchase order or contract have been received in the district, and the invoice from the provider is consistent with the purchase order/contract and products and services received.

In advance of the start of services, the district and its service provider(s) should have a conversation about the details of the services the district will be receiving. The district should also review the contract, if there is a contract. In addition, the district should determine whether the district or its service provider will invoice USAC for the discounted amount of the cost of the services. Under certain circumstances, advanced installation of some Priority 1 components can occur before July 1 of the funding year.

The district can file an FCC Form 486 early (before services have started) if the district:

1. Received its FCDL; and
2. Services will start in the month of July; and
3. The district can truthfully make all of the certifications in Block 4, which include compliance with the technology plan and CIPA requirements; and
4. The district is filing the form on or before July 31.

NOTE: Early filing using Item 6a on the FCC Form 486 is an option if and only if services will start within the month of July of the relevant funding year, all relevant certifications in Block 4 can be accurately made, and the FCC Form 486 is postmarked on or before July 31 of the Funding Year.

The district must be in compliance with the Schools and Libraries Program's technology plan requirements and the requirements of CIPA before services start. USAC cannot pay discounts on services received during a period of time when the district was not in compliance. USAC may review the district's compliance with these requirements either before or after the district's FCC Form 486 is processed.

The FCC Form 486 must be certified no later than one hundred twenty days after the service start date or one hundred twenty days after the date of the FCDL, whichever is later. Filing late can result in a reduction in funding; the later the filing date, the greater the reduction.

After USAC completes the processing of the district's FCC Form 486, USAC will issue an FCC Form 486 Notification Letter. This letter features the information the district provided on the form and outlines the next steps in the application process. If USAC was required to adjust the service start date for a funding request due to a compliance issue, the service start date in the letter will be marked with an asterisk and followed by an explanation of the reason for the adjustment.

To be eligible for program support, eligible services must be received during a specific period of time related to the particular funding year for which discounts are requested. Recurring services must be delivered during the relevant funding year (July 1 through June 30). In general, non-recurring services must be delivered and installed between July 1 of the relevant funding year and September 30, following the June 30 close of that funding year (i.e., fifteen months after the beginning of the funding year). However, certain recipients have received or may receive extensions of the deadline for delivery and installation of non-recurring services. Such extensions can occur for various reasons, including:

1. A Funding Commitment Decision Letter (FCDL) was issued by USAC on or after March 1 of the funding year for which support was authorized.
2. Operational SPIN changes or service substitutions were approved by USAC on or after March 1 of the funding year.
3. The school district or service provider requested an extension because the service provider was unable to complete delivery and installation for reasons beyond the service provider's control.
4. The school district or service provider requested an extension because the service provider has been unwilling to complete delivery and installation after USAC withheld payment for those services on a properly-submitted invoice for more than sixty days after submission of the invoice.

USAC will automatically extend the service delivery deadline in situations where criteria (1) or (2) listed above are met. Recipients of non-recurring services that wish to satisfy criterion (3) must submit documentation to USAC on or before September 30 following the close of the funding year. A recipient of service that meets criterion (4) must certify to USAC on or before September 30 following the close of the funding year that its service provider was unwilling to deliver or install non-recurring services before the expiration of the deadline after USAC had withheld payment for those services on a properly submitted invoice for more than sixty days after the submission of the invoice.

The School Business Administrator, or designee, shall be responsible to coordinate the filing of the FCC Form 486.

Invoicing

After USAC has processed the district's FCC Form 486, the district or its service provider can begin the process of invoicing USAC for the discount share of the approved eligible services. The School Business Administrator, in consultation with the school business office staff member responsible for authorizing the payment of invoices, shall be responsible for reviewing the originating purchase order and/or contract, the products or services on the purchase order or contract have been received by district, and the invoice from the service provider is consistent with the purchase order or contract. The School Business Administrator, or designee, shall only submit reimbursement requests to USAC for eligible products and services once the district's non-discounted portion is paid.

There are two methods that can be used to invoice USAC. Once USAC has processed an invoice for a funding request, that method of invoicing must be used for that particular funding request for the remainder of the invoicing process.

1. Invoice Method #1

Applicants file FCC Form 472, Billed Entity Applicant Reimbursement (BEAR) Form if the district paid the service provider in full for the services and want to be reimbursed for the discount amount. The service provider must approve the form before it is submitted to USAC. USAC will review the invoice and process a payment to the service provider if payment is approved. The service provider then passes the reimbursement on to the applicant.

2. Invoice Method #2

Service providers file FCC Form 474, Service Provider Invoice (SPI) Form if they have provided discounted bills to their customer and want to be reimbursed for the discount amount.

Under both invoice methods, USAC will review the invoice and process a payment to the service provider if payment is approved. Applicants are required to pay the non-discount portion of the cost of the services.

The district can file a BEAR Form after all of the following have occurred:

1. The district received a Funding Commitment Decision Letter (FCDL); and
2. The district has filed, and USAC has processed, an FCC Form 486; and
3. The district's service provider has filed an FCC Form 473, Service Provider Annual Certification (SPAC) Form (disbursements cannot be made until the SPAC has been filed with USAC); and
4. The district paid for the service in full; and
5. In general, the services must have been delivered (an exception can be made for progress payments specified in a contract).

The district must file, and the service provider must approve, BEAR Forms no later than one hundred twenty days after the last day to receive service or one hundred twenty days after the FCC Form 486 Notification Letter date, whichever is later. If the deadline is missed the district can request an invoice deadline extension.

After processing the district's BEAR Form, USAC will issue a BEAR Notification Letter with information about the processing of the district's form. If the district needs more information about a reduction or denial of payment, the district should refer to the invoice error code(s) featured on the letter.

After the end of each calendar quarter, USAC issues a Quarterly Disbursement Report that details all invoicing activity, BEAR Forms, and SPI Forms processed during that quarter for all funding years. This report allows the district to track all of the invoicing activity related to the district's Billed Entity Number (BEN). The district can initiate an invoice check if it would like to be notified each time the district's service provider submits a SPI Form.

The School Business Administrator, or designee, shall be responsible to ensure that all eligible E-Rate goods and services have been received, the service provider invoices are correct and the district's non-discounted portion of the invoice has been paid before submitting invoices to USAC. The School Business Administrator and designee shall review the eligible reimbursements that are made to any service provider to ensure the amounts being billed to USAC and the school district equal 100% of the invoiced amount. The School Business Administrator will notify USAC and the provider in the event there are any problems with this reconciliation.

Annual Policy Review

The Superintendent of Schools shall be responsible to ensure this Policy is reviewed annually and make recommendation for any revisions to this Policy as needed.

Document Retention

All documents related to the E-rate Program, including but not limited to, the application process, the competitive bidding/vender selection process, and the invoicing process shall be retained for at least five years after the last date of service delivered for a particular funding year or in accordance with the New Jersey Division of Archives and Records Management Schedules of Record Retention, whichever is longer.

ALLOWABILITY OF COSTS

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (UGG), 2 CFR §200.302(b)(7) requires written procedures for determining the allowability of costs in accordance with 2 CFR §200 – Cost Principles. 3. Be consistent with policies and procedures that apply uniformly to both Federally-financed and other activities of the non-Federal entity.

In the event the School Business Administrator/Board Secretary or designee is not sure if a cost is allowable under 2 CFR Subpart E - §200.403, the School Business Administrator/Board Secretary or designee will contact the New Jersey Department of Education or the United States Department of Education for assistance.

MANDATORY DISCLOSURES

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (UGG), 2 CFR §200.113 – Mandatory disclosures requires a non-Federal entity or applicant (a New Jersey Board of Education) for a Federal award must disclose, in a timely manner, in writing to the Federal awarding agency or to the New Jersey Department of Education all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

If the Board of Education receives a Federal award including the terms and conditions outlined below as per 2 CFR §200 – Appendix XII – Award Term and Condition for Recipient Integrity and Performance Matters shall report certain civil, criminal, or administrative proceedings to the System for Award Management (SAM). Failure to make required disclosures can result in any of the remedies described in 2 CFR §200.338 - Remedies for noncompliance, including suspension or debarment. (See also 2 CFR §180, 31 USC 3321, and 41 USC 2313)

A. General Reporting Requirement

1. If the total value of all Board of Education currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then the Superintendent or designee, on behalf of the Board of Education as the recipient during that period of time, must maintain the currency of information reported to the SAM that is made available in the designated integrity and performance system about civil, criminal, or administrative proceedings described in B. below.

3. As required by section 3010 of Public Law 111-212, all information posted in designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

B. Proceedings About Which the Board of Education Must Report

1. The Superintendent or designee must disclose to the Federal awarding agency or to the New Jersey Department of Education information required about each proceeding that:
 - a. Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
 - b. Reached its final disposition during the most recent five-year period; and
 - c. Is one of the following:

 - (a) It could have led to an outcome described in B.1.c.(1), (2), or (3) above of this award term and condition;
 - (b) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on the school district's part; and
 - (c) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

C. Reporting Procedures

1. The Superintendent or designee shall enter in the SAM Entity Management area the information that the SAM requires about each proceeding described in B. above.
2. The Superintendent or designee does not need to submit the information a second time under assistance awards the Board of Education received if the Superintendent or designee already provided the information through the SAM because the Board of Education was required to do so under Federal procurement contracts the Board of Education was awarded.

D. Reporting Frequency

1. During any period of time when the Board of Education is subject to the requirement in A. above, the Superintendent or designee must report proceedings information through the SAM for the most recent five year period, either to report new information about any proceeding(s) the Board of Education has not reported previously or affirm that there is no new information to report.
2. If the Board of Education has Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than \$10,000,000, the Board of Education must disclose semiannually any information about the criminal, civil, and administrative proceedings.

E. Definitions

1. For purposes of this Policy:

 - b. “Conviction” for the purposes of 2 CFR §200 - Appendix XII and this Policy, means a judgment or conviction of a criminal offense by any court of competent jurisdiction, whether entered upon a verdict or a plea, and includes a conviction entered upon a plea of nolo contendere.

- c. Total value of currently active grants, cooperative agreements, and procurement contracts includes:

6115.03 FEDERAL AWARDS/FUNDS INTERNAL CONTROLS –
CONFLICT OF INTEREST

The Uniform Administrative Requirements, Cost Principals, and Audit Requirements for Federal Awards (UGG), 2 CFR §200.318 – General Procurement Standards addresses standards of conduct covering conflict of interest and governs the actions of school district employees, officers, and agents in the selection, award, and administration of contracts supported by a Federal award.

The Board of Education must use its own documented procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to the applicable Federal law and the standards identified in 2 CFR §200.

The Board of Education must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

The Board of Education must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts supported by a Federal award.

1. No employee, officer, or agent of the Board of Education may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest.
 - a. Such a conflict of interest would arise when a Board of Education employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
2. The Board of Education officers, employees, and agents must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.
3. However, a Board of Education may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value.

4. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity.

The Board of Education's procedures must avoid acquisition of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the Federal government, the Board of Education is encouraged to enter into State and local intergovernmental agreements or inter-entity agreements where appropriate for procurement of use of common or shared goods and services.

The Board of Education is encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

The Board of Education is encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

The Board of Education must award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources. (See also 2 CFR §200.213 – Suspension and Debarment).

The Board of Education must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

The Board of Education may use a time and materials type contract only after a determination that no other contract is suitable and if the contract includes a ceiling price that the contractor exceeds at its own risk. Time and materials type contract means a contract whose cost to a Board of Education is the sum of:

1. The actual cost of materials; and
2. Direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit.

Since the time and material formula generates an open-ended contract price, a time-and-materials contract provides no positive profit incentive to the contractor for cost control or labor efficiency. Therefore, each contract must set a ceiling price that the contractor exceeds at its own risk. Further, the Board of Education awarding such a contract must assert a high degree of oversight in order to obtain reasonable assurance that the contractor is using efficient methods and effective cost controls.

The Board of Education alone must be responsible, in accordance with good administrative practice and sound business judgement, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the Board of Education of any contractual responsibilities under its contracts. The Federal awarding agency will not substitute its judgement for that of the Board of Education unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

The Board of Education and its employees shall be required to comply with all New Jersey statutes and administrative codes regarding school ethics and internal controls.

2 CFR §200.318

Adopted: 19 October 2021

6141 TAX REVENUES

The Board of Education believes that the interests of district taxpayers as well as the interests of the educational program are best served by the orderly, planned transfer of tax revenues to the school district as such funds are required to pay the debts of the district.

The Board Secretary shall request the Municipal Treasurer to transfer tax revenues in anticipation of district expenditures in accordance with law and as approved by this Board of Education.

A receiving public school district Board and a sending public school district Board will establish a written contractual agreement for the ensuing school year with a tentative tuition charge multiplied by the estimated average daily enrollment in accordance with N.J.A.C. 6A:23A-17.1(f). The sending district is required in the contractual agreement to pay ten percent of the tentative tuition charge no later than the first of each month from September through June of the contract year. Adjustments will be made in accordance with N.J.A.C. 6A:23A-17.1(f).

The Board will, with the consent of the Board upon such terms, admit nonresident students on a tuition basis pursuant to N.J.S.A. 18A:38-3.

The School Business Administrator/Board Secretary shall be responsible for the assessment and collection of tuition.

The Executive County Superintendent in the county in which the receiving district is located should be consulted to mediate disputes that arise from tuition matters as defined in N.J.A.C. 6A:23A-17.1(f)5.

The Board of Education encourages the development of proposals to private foundations and other sources of financial aid to subsidize such activities as innovative projects, feasibility studies, long-range planning, and research and development. Any such activity must:

1. Be based on a specific set of project objectives that relate to the established goals of the district;
2. Provide measures for evaluating whether or not project objectives are being achieved; and
3. Conform to applicable State and Federal laws and to Board policies.

All grant proposals must be approved by the Board before being submitted to the funding agency. The Superintendent shall establish regulations for the processing of proposal ideas throughout the district.

6163 ADVERTISING ON SCHOOL PROPERTY

The Board of Education recognizes and appreciates the financial support received from Federal and State funding sources and from local taxpayers. The Board desires to expand revenue sources for the financial needs of the school district and authorizes advertising on school property consistent with applicable State and local laws, codes, and ordinances. "School property" for the purposes of this Policy includes, but is not limited to: school district owned real estate; school district owned or leased buildings; school district owned or leased vehicles, excluding school buses; school district electronic communication medium including the school district's website, school district electronic communications, school district television, and media productions; school district sponsored content on mass media outlets; and any other method of electronic or print communications published or used by the school district.

The Board of Education may enter into a contract for the sale of:

1. signage on school district property which may also include, but is not limited to, areas in and around athletic fields and grounds, on fences, on school vehicles, and in and on school buildings;
2. advertising space in school district publications and print media;
3. advertising space on the school district's website; and
4. advertisements to be included in school district productions and programs that are aired on media outlets such as television stations, internet, radio, etc.

The New Jersey Public School Contracts Law, N.J.S.A. 18A:18A-1 et seq., shall apply to any contract or agreement entered into by the Board for the purpose of advertising on school property. The Board will award a contract for advertising on school property after advertising for bids and bidding in accordance with the provisions of N.J.S.A. 18A:18A-4 or through the use of requests for proposals and competitive contracting in accordance with the provisions of N.J.S.A. 18A:18A-4.1 through N.J.S.A. 18A:18A-4.5. The Board may award advertising contracts that are under the bid threshold in accordance with the provisions of N.J.S.A. 18A:18A-1 et seq. All contracts for advertising on school property must be approved by the Board.

All bid specifications shall be in accordance with the provisions of N.J.S.A. 18A:18A-4 and all requests for proposals shall be in accordance with the provisions of N.J.S.A. 18A:18A-4.4 and shall be approved by the Board prior to advertising for bids or providing a request for proposals to potential vendors.

The bid specifications or requests for proposals for advertising on school property will include detailed requirements regarding advertising opportunities on school property.

Limitations on the content of advertisements on school property shall be consistent with the limitation provisions of N.J.A.C. 6A:27-7.11 – Limitations on Content of Advertisement on School Buses. The Board will not approve specifications or award an advertisement on school property contract if the advertisement or information contained in the advertisement:

1. Is false, misleading, deceptive, disrespectful, fraudulent, or libelous;
2. Contains material or language that is obscene, profane, vulgar, offensive, or reasonably determined not to be in good taste;
3. Promotes unlawful or illegal goods, services, or activities;
4. Promotes gambling, the sale or use of tobacco or tobacco-related products, or the sale or use of alcoholic beverages;
5. Promotes the sale or use of products designed for use in connection with sexual activity;
6. Depicts or glamorizes violent or antisocial behavior, or sexual conduct;
7. Declares or implies an endorsement by the Board of Education; or
8. Is political, religious, issue-related, controversial in nature, or not age appropriate.

The Board of Education will not allow any advertising on school property to become a public forum for dissemination, debate, or discussion of public issues. The Board has the authority to reject any and all bids or proposals for advertising on school property that it deems to be inappropriate or not in the best interest of the Board of Education, the school district, or students.

An advertiser will be considered an independent contractor and shall not be deemed to be an agent, servant, employee, or representative of the Board. In the event an advertiser fails to provide service in accordance with the bid specifications and contract for advertisements, the advertiser shall be considered in breach of contract. Cancellation of the advertisement and/or enforcement of advertiser's performance bond may result.

The Board reserves the right, at its discretion and at any time, to reject any advertising copy, whether or not it has previously acknowledged and/or advertised the exact or similar copy. No advertising space may be used or re-sold by the advertiser for the promotion, either directly or indirectly, of any business, organization, or enterprise other than the one defined in the original contract for advertisement.

The advertiser will protect, defend, and save harmless the Board of Education from any suits or actions of every nature and description brought against it by reason of the advertisement.

6210 FISCAL PLANNING

The Board of Education shall collect and assemble the information necessary to discharge its responsibility for the fiscal management of the school district and to plan for the financial needs of the educational program. The Board will strive toward maintaining both short and long range perspectives of district financial requirements.

Accordingly, the Board directs the School Business Administrator/Board Secretary to include cost estimates in all ongoing district studies of the educational program, to prepare a long range year-by-year plan for the maintenance and replacement of facilities and equipment, to forecast an estimated expenditure budget for one year in the future, to maintain a plan of anticipated State and Federal revenues, to meet periodically with the municipal governing board to review planned expenditures and the joint effect of school and community costs on tax rates, and to report to the Board any serious financial forecast that emerges from the district's fiscal planning.

Adopted: 25 April 2012

6220 BUDGET PREPARATION

The annual budget is the financial plan for the effectuation of the educational plan for the district; its preparation is, therefore, one of the most important functions performed by the Board of Education. The budget shall be designed to carry out that plan in a thorough and efficient manner, to maintain school district facilities, and to honor continuing obligations of the district.

A proposed budget requires the critical analysis of every member of the Board during its preparation. The administration shall work with the Board to ensure Board members have a thorough understanding of the budget appropriations, budget revenue, the proposed educational program and the budget's impact to the local tax levy. The Board shall also provide for community input during the budget development process.

The annual school district budget and supporting documentation shall be prepared in accordance with the provisions of N.J.S.A. 18A:7F et seq. and N.J.A.C. 6A:23A-8.1 et seq. The Board will obtain approval of the local funding for a non-referendum capital project (school facility project or other capital project) in accordance with the provisions of N.J.A.C. 6A:23A-8.4.

The Board will submit its proposed budget and supporting documentation as prescribed by the Commissioner to the Executive County Superintendent for approval.

The budget will be presented to the Board of Education to allow adequate time for review and adoption. The budget should evolve primarily from the needs of the individual schools as expressed by the Building Principals and the district educational program as expressed by the central administrative staff and be compatible with approved district plans.

The Board shall include in the budget application to the Executive County Superintendent a complete reporting of revenues and appropriations and other requirements pursuant to N.J.S.A. 18A:22-8 and N.J.S.A. 18A:7F-5 through 63.

The Board, upon submission of its budget application to the Executive County Superintendent or by the statutory submission date, whichever is earlier, shall make available upon request for public inspection all budget and supporting documentation contained in the budget application and all other documents listed in N.J.A.C. 6A:23A-8.1 once the budget application has been submitted to the Executive County Superintendent for approval.

The budget as adopted for the school year pursuant to N.J.S.A. 18A:7F-5 shall be provided for public inspection on the district's Internet site, if one exists, and made available in print in a "user-friendly" plain language budget summary format in accordance with the provisions of N.J.A.C. 6A:23A-8.1(c).

All budgetary and accounting systems used in the school district must be in accordance with double entry bookkeeping and Generally Accepted Accounting Principles as required in N.J.A.C. 6A:23A-16.1 et seq.

6230 BUDGET HEARING

The annual budget adopted by the Board of Education and approved by the County Superintendent represents the Board's position on the allocation of resources required to operate a thorough and efficient system of education. All reasonable means shall be employed by the Board to present and explain that position to residents and taxpayers of the community. A public budget hearing will be conducted in accordance with law. Each member of the Board and each district administrator shall be sufficiently acquainted with the budget and its underlying purposes to answer questions from members of the public.

The approved budget will be made available to the public in the form and at the places required by law. A simplified form of the budget may also be prepared annually and may be sent to each district resident, each parent(s) or legal guardian(s) of a student in public school, and representative of community organizations and distributed to each person attending the annual budget hearing.

The simplified budget may include the expenditure in each major category of current expense, capital items, and debt service; any anticipated change in tax rates; a summary of anticipated receipts; information that voters may use in comparing budget provisions in this school district with those in comparable districts; brief explanations of significant increases and decreases from the preceding budget and important transfers of expenditures from one classification to another; and a letter of transmittal from the Board.

**6311 CONTRACTS FOR GOODS OR SERVICES FUNDED BY
FEDERAL GRANTS**

Any vendor providing goods or services to the school district to be funded by a Federal grant must be cleared for contract in accordance with the provisions of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (UGG), 2 CFR §200.213 – Suspension and Debarment.

The School Business Administrator/Board Secretary shall be responsible to check the web-based System for Award Management (SAM) maintained by the United States government - the General Services Administration (GSA). The purpose of the SAM is to provide a single comprehensive list of individuals and firms excluded by Federal government agencies from receiving Federal contracts or Federally approved contracts or Federally approved subcontracts and from certain types of Federal financial and nonfinancial assistance and benefits.

The School Business Administrator/Board Secretary, upon opening of bids or upon receipt of proposals for goods or services to be funded by a Federal grant shall access the SAM to determine if the vendor has been disbarred, suspended, or proposed for disbarment. The School Business Administrator/Board Secretary shall also access the SAM list immediately prior to the award of a bid or contract to ensure that no award is made to a vendor on the list.

In the event a vendor under consideration to be awarded a bid or contract for goods or services to be funded by a Federal grant is on the SAM list or proposed for disbarment, the School Business Administrator/Board Secretary shall comply with the contracting restrictions as outlined in 2 CFR §200.

Continuation of current contracts and restrictions on subcontracting with vendors who are on the SAM list or proposed for disbarment shall be in accordance with the limitations as outlined in 2 CFR §200.

Any rejection of a bid or disqualification of a vendor who has been disbarred, suspended, or proposed for disbarment shall be consistent with the requirements as outlined in N.J.S.A. 18A:18A – Public School Contracts Law and all applicable State laws.

2 CFR §200

Adopted: 25 April 2012

Revised: 19 October 2021

6320 PURCHASES SUBJECT TO BID

The Board of Education directs the establishment and conduct of bidding procedures that serve the public interest and provide each qualified vendor an equal opportunity to furnish goods and services to the district.

Every contract for the performance of work or the purchase or lease of materials or supplies not exempted by law will be subject to public bidding whenever the aggregate value of such a contract within one contract year exceeds the bid threshold established by law and in accordance with N.J.S.A. 18A:18A-3.(a). Whenever possible, purchases will be aggregated; purchases may not intentionally be divided to avoid the requirements for competitive bidding as required in N.J.S.A. 18A:18A-8. The purchase of textbooks and materials that exceed the bid threshold and are approved by the Board pursuant to N.J.S.A. 18A:34-1 shall not require the further adoption of a resolution for purchase.

Bid specifications will be prepared and/or are coordinated by the School Business Administrator/Board Secretary. Each bid specification will offer a common standard of competition and will assert the Board's right to accept reasonable equivalents and to reject all bids and re-advertise. The School Business Administrator/Board Secretary is authorized to advertise for bids in accordance with N.J.S.A. 18A:18A-21 without the prior approval of the Board, but shall inform the Board of any such advertisement at the Board meeting next following. Records of advertisements will be kept in detail sufficient to show that a reasonable number of qualified vendors were invited to bid.

Bids shall be opened publicly by the School Business Administrator/Board Secretary before one or more witnesses at a previously designated time and place. Contracts will be awarded, on a resolution duly adopted by the Board, to the lowest responsible bidder who submits the lowest responsible bid, except that the Board may choose to reject all bids, to re-advertise, or to purchase under a State contract. The Board may disqualify a bidder who would otherwise be determined to be the lowest responsible bidder in accordance with N.J.S.A. 18A:18A-4. Whenever two or more bids are the lowest bids submitted by responsible bidders, the Board shall determine to which bidder the contract will be awarded.

The bid of a vendor who claims, before bids are opened, a mistake or omission in its preparation will be returned unopened. A bidder who discovers a mistake or omission after bids have been opened may withdraw the erroneous bid provided he or she gives immediate written notice of the mistake or omission and certification, supported by clear evidence, that he or she exercised reasonable care in the examination of the specifications and preparation of the bid. Any bidder who withdraws an opened bid shall forfeit any bid security deposited with the bid in accordance with law.

In accordance with the provisions of N.J.A.C. 6A:23A-5.4, pursuant to the authority granted the Commissioner of Education under N.J.S.A. 18A:55-2 and N.J.S.A. 18A:7F-60, the Commissioner shall subject to review for the withholding of State funds any school district that fails to obey the provisions of the Public Contract law, N.J.S.A. 18A:18A-1 et seq. The amount of funds to be withheld shall equal the amount of the contract awarded in violation of the provisions of N.J.S.A. 18A:18A-1 et seq. except for violations related to the award of contracts under the extraordinary unspecifiable services (EUS) provision which shall be governed by the provisions of N.J.S.A. 18A:18A-46.1.

6340 MULTIPLE YEAR CONTRACTS

The Board of Education may enter a multiple year contract for goods and services permitted by law whenever the extended contract will serve the needs of the district and yield greater return for the expenditure.

The School Business Administrator/Board Secretary is directed to investigate the advantage to the district of multiple year contracts. Investigation should include, but need not be limited to, a comparison of the costs of multiple year and single year contracts, an analysis of trends in the costs and availability of the goods or services to be provided, the projected needs of the district, and an inquiry into the reliability and stability of the vendor.

Except for those contracts exempted from the requirement by law, all multiple year contracts will contain a cancellation clause or a clause conditioning annual extension of the contract on the appropriation of sufficient funds to meet the Board's obligation.

All multiple year contracts must be approved by the Board. When the estimated annual cost of a multiple year contract exceeds the bid threshold established by law and the subject of the contract is not exempt from bidding, the contract shall be advertised in accordance with law and the bidding procedures of this district.

N.J.S.A. 18A:18A-5; 18A:18A-42

Adopted: 25 April 2012

6350 COMPETITIVE CONTRACTING

Competitive contracting may be used in lieu of public bidding for specialized goods or services that exceed the bid threshold provided the process is administered by a purchasing agent, by legal counsel of the Board of Education, or by the School Business Administrator and pursuant to N.J.S.A. 18A:18A-4.1. et seq. Competitive contracting may only be used for the purposes provided in N.J.S.A. 18A:18A-4.1. Unless an exception is provided for under N.J.S.A. 18A:18A-42 permitting a longer contract duration, contracts awarded under competitive contracting may be for a term not to exceed five years.

The purchasing agent will prepare a request for proposal documentation, which will include all requirements deemed appropriate and necessary to allow for full and free competition between vendors, information necessary for potential vendors to submit a proposal, and a methodology by which the Board will evaluate and rank proposals received from vendors. The methodology for the awarding of competitive contracts will be based on an evaluation and ranking and will be developed in a way that is intended to meet the specific needs of the district and where such criteria will not unfairly or illegally discriminate against or exclude otherwise capable vendors. The methodology for awarding competitive contracts will comply with such rules and regulations as the Director of the Division of Local Government Services in the Department of Community Affairs may adopt in accordance with N.J.S.A. 18A-4.4.

Request for Proposal documentation will be published in an official newspaper of the Board at least twenty days prior to the date established for the submission of proposals. The Board may charge a fee for the proposal documentation that will not exceed \$50.00 or the cost of reproducing the documentation, whichever is greater.

Each interested vendor will be required to submit a proposal which will include all the information required by the request for proposals. Failure to meet the requirements of the request for proposals may result in the Board disqualifying the vendor from further consideration. Under no circumstances will the provisions of a proposal be subject to negotiation by the Board.

If the Board, at the time of solicitation, utilizes its own employees to provide the goods or perform the services, or both considered for competitive contracting, the Board will, at any time prior to, but no later than the time of solicitation for competitive contracting proposals, notify affected employees of the Board's intention to solicit competitive contracting proposals pursuant to N.J.S.A. 18A:18A-4.5.c. Employees or their representatives will be permitted to submit recommendations and proposals affecting wages, hours, and terms and conditions of employment in such a manner as to meet the goals of the competitive contract. If employees are represented by an organization that has negotiated a contract with the Board, only the bargaining unit will be authorized to submit such recommendations or proposals. When requested by such

employees, the Board will provide such information regarding budgets and the costs of performing the services by such employees as may be available. Nothing will prevent such employees from making recommendations that may include modifications to existing labor agreements in order to reduce such costs in lieu of award of a competitive contract, and agreements implementing such recommendations may be considered as cause for rejecting all other proposals.

The purchasing agent will evaluate all proposals only in accordance with the methodology described in the request for proposals. After proposals have been evaluated, the purchasing agent will prepare a report evaluating and recommending the award of a contract or contracts. The report will be prepared pursuant to N.J.S.A. 18A:18A-4.5.d. The report will be made available to the public at least 48 hours prior to the awarding of the contract, or when made available to the Board, whichever is sooner. The Board will have the right to reject all proposals for any of the reasons set forth in N.J.S.A. 18A:18A-22.

Award of a contract will be made by resolution of the Board within sixty days of the receipt of the proposals, except that the proposals of any vendors who consent thereto, may, at the request of the Board, be held for consideration for such longer period as may be agreed.

The report prepared pursuant to this Policy and Regulation No. 6350 will become part of the public record and will reflect the final action of the Board. Contracts will be executed pursuant to N.J.S.A. 18A:18A-40.

The Secretary of the Board will publish a notice in the official newspaper of the Board summarizing the award of a contract pursuant to N.J.S.A. 18A:18A-4.5g.

6360 POLITICAL CONTRIBUTIONS

Political Contribution Disclosure Requirements

In accordance with the requirements of Section 2 of P.L. 2005, Chapter 271 (N.J.S.A. 19:44A-20.26), the Board of Education shall have on file, to be maintained with other documents related to a contract, the following documents to award a contract to any business entity receiving a contract with an anticipated value in excess of \$17,500, regardless of the basis upon which the contract is awarded:

1. A Political Contribution Disclosure (PCD) form submitted by the business entity (at least ten days prior to award); and
2. A Business Registration Certificate (any time prior to award).

“Business entity” means a for-profit entity that is a natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other State or foreign jurisdiction.

The \$17,500 contract amount is not related to the Board’s bid threshold and does not exempt the district from the requirements of the Public School Contracts Law or other applicable purchasing statutes.

The \$17,500 contract amount threshold is subject to the principle of aggregation rules in accordance with the Division of Local Government Services guidance. Unlike the Public School Contracts Law, aggregation thresholds for this Policy and Chapter 271 purposes shall be calculated at the vendor level – meaning, when a vendor receives more than \$17,500 in a school district’s fiscal year, a PCD form shall be required.

The disclosure provisions of N.J.S.A. 19:44A-20.26 do not apply in cases where there is a “public emergency” that requires the immediate delivery of goods or services.

Insurance companies and banks are prohibited under State law from making political contributions. However, because the PCD form reflects contributions made by partners, Boards of Directors, spouses, etc., PCD forms are required ten days prior to the approval of a depository designation resolution or insurance company contract awarded by the Board. A PCD form is also required when a contract in excess of \$17,500 is made to an insurance broker. A PCD form is required from the company receiving the contract, regardless of the entity issuing an insurance policy.

PCD forms are required for Board of Education contracts in excess of \$17,500 with a New Jersey Department of Education “Approved In-State Private School for the Disabled.” Chapter 271 also applies to in-State private special education schools, educational services under any Federally funded program, early childhood school providers – DHS approved, and other similar programs.

If the school district spends more than \$17,500 in a school year with a newspaper, the selection of the newspaper is subject to the provisions of Chapter 271.

PCD forms are not required for regulated public utility services, as the Board is required by the Board of Public Utilities to use a specific utility. This exception does not apply to non-regulated public utility services, such as generated energy (not tariffed), or long-distance telephone services where other procurement practices are used.

PCD forms are not required for membership to the New Jersey School Boards Association.

A non-profit organization having proper documentation from the Internal Revenue Service (IRS) showing it is registered with the IRS as a 501(c) type corporation is not required to file a PCD form.

A PCD form is not required for contracts with governmental agencies, including State colleges and universities.

If the original contract provided for the possibility of an extension(s), Chapter 271 compliance is not required if the extension/continuation is based on that original contract.

6362 CONTRIBUTIONS TO BOARD MEMBERS AND CONTRACT AWARDS

As a condition of receiving State aid, the school district shall comply with the provisions of N.J.A.C. 6A:23A-6.3 to ensure the school district maintains honest and ethical relations with vendors and shall guard against favoritism, improvidence, extravagance, and corruption in its contracting processes and practices.

For the purposes of this Policy, “business” means any corporation, partnership, firm, enterprise, franchise, trust, association, sole proprietorship, union, political organization, or other legal entity but shall not include a local public school district or any other public entity. “Business entity” means any natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of this State or of any other State or foreign jurisdiction. “Interest” means the ownership or control of more than ten percent of the profits or assets of a business entity or ten percent of the stock in the case of a business entity that is a corporation for profit, as appropriate.

In accordance with the provisions of N.J.A.C. 6A:23A-6.3:

1. No Board of Education will vote upon or award any contract in the amount of \$17,500 or greater to any business entity which has made a contribution reportable by the recipient under P.L. 1973, c. 83 (N.J.S.A. 19:44A-1 et seq.) to a member of the Board of Education during the preceding one-year period.
2. Contributions reportable by the recipient under P.L. 1973, c. 83 (N.J.S.A. 19:44A-1 et seq.) to any member of the Board of Education from any business entity doing business with the school district are prohibited during the term of a contract.
3. When a business entity referred to in 2. above is a natural person, a contribution by that person’s spouse or child that resides therewith shall be deemed to be a contribution by the business entity. Where a business entity is other than a natural person, a contribution by any person or other business entity having an interest therein shall be deemed to be a contribution by the business entity.
4. The disclosure requirement set forth in section 2 of P.L. 2005, c. 271 (N.J.S.A. 19:44A-20.26) also shall apply when the contract is required by law to be publicly advertised for bids.

A Business Entity Disclosure Certification (BED-C) shall be submitted by the business entity for all contracts of \$17,500 or greater in order to facilitate disclosure of contributions to Board members by a business entity. The BED-C shall be reviewed prior to the award of any contract in excess of \$17,500 to ensure the Board of Education's compliance with N.J.A.C. 6A:23A-6.3(a).

The requirements of N.J.A.C. 6A:23A-6.3 shall not apply to a contract when a district emergency requires the immediate delivery of goods or services. With the exception of districts previously subject to the requirements of N.J.A.C. 6A:10-2.1(e), N.J.A.C. 6A:23A-6.3 shall not apply to contributions made prior to its effective date.

N.J.A.C. 6A:23A-6.3

6421 PURCHASES BUDGETED

The Board of Education directs the establishment of procedures for the purchase of budgeted goods and services that will make prudent use of district resources and yield the maximum value for the school district. The Superintendent and School Business Administrator/Board Secretary shall authorize all purchases that are within a budget line item and are consistent with the purpose for which the funds were appropriated.

No purchase order may be placed until the School Business Administrator/Board Secretary or designee has determined whether the proposed purchase is subject to bid, whether sufficient funds exist in the line item, and whether the goods are available elsewhere in the district.

Whenever the estimated value of a purchase or contract for goods or services other than professional services N.J.S.A. 18A:18A-5(1) and work by employees of the Board N.J.S.A. 18A:18A-5(3) is fifteen percent or more of the bid threshold established in accordance with N.J.S.A. 18A:18A-3 and N.J.S.A. 18A:18A-37 and is not made under a State contract, the purchasing agent shall, whenever practicable, solicit at least two quotations from independent vendors. All quotations received will be attached to and retained with a copy of the voucher used to pay the vendor.

The purchase or contract may be awarded on the basis of the lowest responsible quotation received or to the vendor who submits the quotation most advantageous to the Board on the basis of price and other factors. If it is determined that it is impractical to seek quotations for an extraordinary, unspecifiable service or that the purchase or contract for which quotations were sought should not be awarded on the basis of the lowest quotation received, the reasons for that determination will be set forth in writing and attached to the resulting purchase order or contract.

Supplies commonly used in the various schools will be standardized to the extent that it is educationally feasible to do so. Alternate suggestions will be made to a requisitioner if better service, delivery, economy, or utility can be achieved by a change in the proposed order.

When a purchase order is placed or a contract entered, the School Business Administrator/Board Secretary or designee shall commit the expenditure against a specific budget line item or project category in order to guard against the creation of liabilities in excess of appropriations.

6422 BUDGET TRANSFERS

Except as otherwise provided pursuant to N.J.S.A. 18A:22-8.1 and N.J.A.C. 6A:23A-13.1 et seq., whenever the school district desires to transfer amounts among line items and program categories, the transfers shall be by resolution of the Board approved by a two-thirds affirmative vote of the authorized membership of the Board. Each resolution shall indicate the exact amount of the transfers and from the applicable accounts or fund balance.

However, this Board of Education in accordance with the provisions of N.J.S.A. 18A:22-8.1 and this Policy as adopted by the Board, designates the Superintendent of Schools to approve such transfers as are necessary between meetings of the Board. Transfers approved by the Superintendent shall be reported to the Board, ratified and duly recorded in the minutes at a subsequent meeting of the Board, but not less than monthly.

Transfers from line accounts that include waiver amounts approved by the Commissioner and expenditures and/or reallocations directed by the Commissioner are prohibited unless approved in writing by the Executive County Superintendent and in accordance with the provisions of N.J.S.A. 18A:22-8.1. The Board shall submit written requests for transfers including the amount to be transferred, the account(s) to be reduced, the account(s) to be increased, the purpose, and justification. These transfers shall not be requested or made prior to December 1 of the applicable budget year and shall only be approved for an emergent circumstance(s).

Where actual audited undesignated general fund balance at the fiscal year-end exceeds the estimated amount reflected in the school district's originally approved budget that contained an adjustment to the tax levy limitation approved by the Commissioner, any excess amount shall be reserved for the offset of the Commissioner's waiver requests, if any, in the second subsequent year's budget and reflected as such in the CAFR for the budget year.

Whenever the Executive County Superintendent shall, pursuant to N.J.S.A. 18A:7-8, disapprove a portion of the school district's proposed budget because the district has not implemented all potential efficiencies in its administrative operations or because the budget includes excessive non-instructional expenses, the school district shall not transfer funds back into those accounts during the budget year.

Transfers of surplus amounts or any other unbudgeted or under-budgeted revenue to line items and program categories shall require the approval of the Commissioner of Education and shall only be approved between April 1 and June 30 for line items and program categories necessary to achieve the thoroughness standards established pursuant to section 4 of P.L.2007, c.260 (N.J.S.A. 18A:7F-46); except that upon a two-thirds affirmative vote of the authorized membership of the Board, the Board may petition the Commissioner of Education for authority to transfer such revenue prior to April 1 due to an emergent circumstance and the Commissioner may authorize the transfer if he determines that the transfer is necessary to meet such emergency.

Transfers from any general fund appropriation account that, on a cumulative basis, exceed 10% of the amount of the account included in the school district's budget as certified for taxes shall require the approval of the Commissioner of Education. In a school district wherein the Commissioner of Education has directed an in-depth evaluation pursuant to N.J.S.A. 18A:7A-14, the Board shall obtain the written approval of the Executive County Superintendent of Schools prior to implementing any Board authorized transfer of funds.

No transfer may be made under N.J.S.A 18A:22-8.1 from appropriations or surplus accounts for interest and debt redemption charges, capital reserve account or items classified as general fund expenses except to other items so classified, or to the capital projects fund to supplement the proceeds from a bond authorization or lease purchase agreement upon application to and a formal finding by the Commissioner that the transfer is in the best interest of both the students and taxpayers of the district after consideration of alternative corrective actions.

6423 EXPENDITURES FOR NON-EMPLOYEE ACTIVITIES, MEALS
AND REFRESHMENTS

There may be school district activities where expenditures for non-employee activities, meals, and refreshments may occur. Expenditures for non-employee activities, meals, and refreshments for school district activities are allowed provided the expenses are in accordance with the provisions of N.J.A.C. 6A:23A-5.8. For the purposes of this Policy, unless the context clearly indicates otherwise, “activities” means events or functions provided or held for the benefit of students, dignitaries, and other “non-district” employees (e.g. parents) which are paid from public funds. “Dignitary” means a notable or prominent public figure; a high level official; or one who holds a position of honor. A dignitary, for purposes of this Policy, is not a school district employee or Board of Education member.

Allowable expenditures for non-employee school district activities shall include:

1. All reasonable costs, including light meals and refreshments, directly related to activities that benefit students and are part of the instructional program including expenditures for field trips and extracurricular programs that are not solely for entertainment. Nothing in this Policy or N.J.A.C. 6A:23A-5.8 shall preclude the district from using student activity funds or accepting donations to support student activities that are solely for student entertainment;
2. All reasonable costs directly related to activities of dignitaries and other “non-district” employees (e.g. parents), including light meals and refreshments and any other directly related expense. Expenditures for this purpose shall be minimal and infrequent;
3. All reasonable costs of commencement and convocation activities for students; and
4. Expenditures related to district employees to the extent such employees are essential to the conduct of the activity.

The Board shall, at a minimum, take actions regarding student activities as follows:

1. Pre-approve field trip destinations;
2. Establish dollar thresholds for awards to recognize special accomplishments; and

3. Establish a budget supported by general fund revenues for each category of activity in a non-discriminatory manner (e.g. football, boys soccer, girls soccer, photography club). Student activity funds are excluded.

Pursuant to N.J.S.A. 18A:11-12 and State of New Jersey Department of Treasury, Office of Management and Budget Circular 08-19-OMB and 06-14-OMB, the following costs shall not be permitted using public funding:

1. Receptions, dinners, or other social functions held for or honoring any employee or group of employees of the district (e.g. breakfast, luncheon, dinner, or reception for retirees or award recipients). This does not prohibit the district from honoring employees without a social function or using public funds to support reasonable costs of employee recognition awards (e.g. teacher of the year awards, years of service awards). Use of public funds for reasonable costs of employee awards is a local discretionary expenditure;
2. Meals or refreshments served to guests at any athletic event or other games or contests; and/or
3. Expenses for alcoholic beverages.

The School Business Administrator/Board Secretary and/or designee shall maintain documentation to support activities, meals, and refreshments at district events. 6424 EMERGENCY CONTRACTS

Any contract may be negotiated or awarded for a Board of Education without public advertising for bids and bidding notwithstanding that the contract price will exceed the bid threshold when an emergency affecting the health or safety of occupants of school property requires the immediate delivery of goods or the performance of services.

An actual or imminent emergency must exist requiring the immediate delivery of the goods or the performance of the service. Emergency contracts may not be used unless the need for the goods or services could not have been reasonably foreseen or the need for such goods or services has arisen notwithstanding a good faith effort on the school district to plan for the purchase of any goods or services required by the school district. Under no circumstance shall emergency purchasing procedures be used to enter into a multi-year contract.

If the School Business Administrator/Board Secretary is satisfied that an emergency exists, he/she shall be authorized to award a contract or contracts for such purposes as may be necessary to respond to the emergent needs pursuant to the provisions of N.J.S.A. 18A:18A-7 et seq.

If conditions permit, the School Business Administrator/Board Secretary shall seek quotations from more than one source. If the expenditures are expected to be in excess of the bid threshold, the School Business Administrator/Board Secretary shall attempt to obtain no fewer than three quotations.

As soon as possible, but within three days of declaring the emergency, the Superintendent of Schools shall notify the Executive County Superintendent of the nature of the emergency and the estimated need for goods or services necessary to respond to it.

When emergency conditions have eased, the School Business Administrator/Board Secretary shall utilize the regular purchasing system to obtain estimates from suppliers, vendors, and contractors for materials and/or services that will eliminate the circumstances that created the emergency.

The School Business Administrator/Board Secretary shall prepare and submit a final report to the Board on every occasion an emergency contract is negotiated or awarded in accordance with the provisions of N.J.S.A. 18A:18A-7.

6440 COOPERATIVE PURCHASING

The Board of Education recognizes that centralized, cooperative purchasing may maximize the value received for each dollar spent. The Board of Education is encouraged to seek savings that may accrue to the school district by means of joint agreements for the purchase of goods or services with the governing body of any municipality or county.

For the purpose of this Policy, “cooperative pricing system” means a purchasing system in which the lead agency advertises for bids, awards a master contract to the vendor providing for its own quantities and the estimated quantities submitted by the individual registered members.

For the purpose of this Policy, “cooperative purchasing system” means a cooperative pricing system, joint purchasing system, commodity resale system, county cooperative contract purchasing system, or regional cooperative pricing system which has been approved and registered subject to N.J.A.C. 5:34-7.1 et seq.

For the purpose of this Policy, “electronic data processing” means the storage, retrieval, combination, or collation of items of information by means of electronic equipment involving the translation of words, numbers, and other symbolic elements into electrical impulses or currents.

For the purpose of this Policy, “joint purchasing system” means a cooperative purchasing system in which the lead agency serves as the purchasing agent for the membership of the system with all of the duties and responsibilities attendant. The lead agency advertises for bids and awards a single contract to a vendor providing for the payment to the contractor for its own needs and for the needs of the participating registered members of the system. The only contractual relationship is between the lead agency and the vendor.

For the purpose of this Policy, “lead agency” means the contracting unit which is responsible for the management of the cooperative purchasing system.

For the purpose of this Policy, “registered members” means Boards of Education who have been approved by the Director of the New Jersey Department of Community Affairs for participation in the cooperative purchasing system.

When the lead agency is a Board of Education or Educational Service Commission and the entire membership of the cooperative purchasing system established and properly registered with the New Jersey Division of Local Government Services in the Department of Community Affairs are Boards of Education, the provision and performance of goods or services shall be conducted pursuant to the Public Schools Contract Law (N.J.S.A. 18A:18A-11 et seq.)

The School Business Administrator/Board Secretary is hereby authorized to negotiate such joint agreements for goods and services which the Board may determine to be required and which the Board may otherwise lawfully purchase for itself with such approved contracting units as may be appropriate in accordance with State law, the policies of this Board, and the dictates of sound purchasing procedures.

In accordance with the provisions of N.J.S.A. 18A:18A-12, a cooperative or joint purchase agreement(s) shall be entered into by resolution adopted by each participating Board of Education, municipality, or county, and shall set forth the categories of goods or services to be provided or performed the manner of advertising for bids and the awarding of contracts; the method of payment by each participating Board of Education, municipality or county, and other matters deemed necessary to carry out the purposes of the agreement. Agreements for cooperative and joint purchasing will be subject to all bidding requirements imposed by law. Purchases made through the State Treasury Department may be made without bid.

Each participant's share of expenditures for purchases under any such agreement shall be appropriated and paid in the manner set forth in the agreement and in the same manner as for other expenses of the participant.

In accordance with the provisions of N.J.S.A. 18A:18A:14.2, the Board may by contract or lease provide electronic data processing services for the Board of Education of another school district; and may undertake with such other Board, the joint operation of electronic data processing of their official records and other information relative to their official activities, services and responsibilities. The records and other information originating with any Board participating in such contract or lease may be combined, compiled, and conjoined with the records and other information of any and all participating local units for the purposes of such electronic data processing; and any provisions of law requiring such records to be kept confidential or to be retained by any Board or any officer or agency thereof shall be deemed to be isolated thereby.

A contract or lease to provide electronic data processing services shall set forth the charge for all services provided, or in the case of a joint undertaking the proportion of the cost each party thereto shall assume and specify all the details of the management of the joint undertaking, and any other matters that may be deemed necessary for insertion therein, and may be amended from time to time by the contracting parties in accordance with N.J.S.A. 18A:18A-14.3.

For the purpose of carrying into execution a contract for lease for a joint enterprise under N.J.S.A. 18A:18A-14.4, a party to such contract may act as agent for any or all parties in acquiring, by lease, purchase or otherwise, any property, facilities or services, in appointing such officers and employees as may be necessary and directing its activities, to the same extent as a Board of Education is authorized to do separately.

In the event that any controversy or dispute shall arise among the parties (except a municipality or county) to any such contract , the same shall be referred to the Executive County Superintendent of the county in which the districts are situated for determination and the determination shall be binding, subject to appeal to the Commissioner of Education pursuant to law. In the event the districts are in more than one county, the controversy or dispute shall be referred to the Executive County Superintendents of the counties for joint determination, and if they shall be unable to agree upon a joint determination within thirty days, the controversy or dispute shall be referred to the Commissioner of Education for determination.

6450 CHOICE OF VENDOR

The Board of Education recognizes its position as a major purchaser of goods and services in the community served by the school district. It is the intention of the Board to purchase goods and services of the requisite quality at the lowest possible cost and to invite widespread competition in order to achieve this end. Where all other considerations are equal, however, the Board will exercise a preference for dealing with established local merchants and service providers from within the boundaries of the school district.

The School Business Administrator/Board Secretary is authorized to place purchase orders with local merchants and providers when their prices and terms are competitive with other vendors. Nothing in this policy shall be deemed to circumvent the requirements of law regarding public purchasing.

All vendors shall supply assurances that they do not practice discrimination as described in the administrative code. All vendors shall be informed that harassment of any kind, of district students or employees by their representatives is prohibited.

When an invoice is received, the School Business Administrator/Board Secretary or designee shall verify the voucher is properly submitted, acceptable goods were received or satisfactory services rendered, the expenditure is included in the Board's budget and funds are available for its payment, and the amount of the invoice is correct.

The School Business Administrator/Board Secretary shall identify and investigate, if necessary, the reason for any increase to a purchase order. If it is found by the School Business Administrator/Board Secretary that an increase to a purchase order is warranted, the School Business Administrator/Board Secretary shall either approve a revision to the original purchase order with the reason noted, approve the issuance of a supplemental purchase order for the difference, or cancel the original purchase order and issue a new purchase order. If it is found an increase is not warranted, the purchase order shall be cancelled and the goods returned. In no instance shall an adjustment be made to a purchase order that changes the purpose or vendor of the original purchase order or a bid award price.

1. Limit system access so that only appropriate Business office staff may make purchase order adjustments;
2. Reject adjustments in excess of any established approval thresholds;

4. Reject payments where the sum of the invoice amount plus any previous invoices charged to the purchase order exceeds the sum of the original purchase order amount plus any authorized adjustments;

7. Prepare an edit/change report listing all payments made in excess of the originally approved purchase order amount.

The School Business Administrator/Board Secretary shall review on a monthly basis edit/change reports listing all payments made in excess of the originally approved purchase order amount to ensure that all payments made are properly authorized.

If funds are not available in the budget line account to which the expenditure will be charged, funds may be transferred in accordance with Policy 6422.

The Board must approve all claims for payment, except such payments that are to be paid from funds derived from athletic events or other activities of student organizations.

All claims shall be fully itemized, verified, and shall be submitted for Board review and approval or ratification. Claims must be submitted to the Board in the form of a list that includes the number, amount, and date of the warrant; the payee; the reason for the expenditure; and the account charged. All claims that equal or exceed fifteen percent of the bid threshold amount established pursuant to N.J.S.A. 18A:18A-3, except for payrolls and debt service, shall be verified by affidavit or by signed declaration in writing in accordance with the provisions of N.J.S.A. 18A:19-3.

The list of claims must be accompanied by the original records that include copies of the purchase order, the receiving report, the vendor's invoice, and the purchase requisition. The list of approved warrants will be included in the minutes of the Board meeting.

When a claim for payment is duly approved in accordance with this policy, the School Business Administrator/Board Secretary and/or a designated staff member shall promptly prepare a warrant for payment, cancel the commitment placed against the appropriate account, and post the actual expenditure. The accepted picture identification shall be in the form of a district-issued identification card, valid drivers' license, official passport, or other picture identification issued by a State, county, or other local government agency.

The Superintendent of Schools shall designate an appropriately qualified staff member to match the picture identification to the position control roster maintained by the office of personnel or human resources prior to release of the pay check or direct deposit voucher. If the district elects to conduct this payroll verification prior to the district's required implementation of the position control roster pursuant to N.J.A.C. 6A:23A-6.8, the district may use similar and suitable office of personnel or human resources generated listing of employees. Where no appropriate identification can be produced, the School Business Administrator/Board Secretary shall withhold paychecks or stop direct deposits until such time the payee/district employee can produce appropriate identification or until an investigation and corrective action is concluded, as appropriate to the circumstances.

Upon completion of the payroll check distribution verification procedures set forth in this Policy and N.J.A.C. 6A:23A-5.7, the Superintendent of Schools shall submit a certification of compliance, in a form prescribed by the Department of Education, to the Executive County Superintendent. Verification of the district's compliance with the provisions of N.J.A.C. 6A:23A-5.7 will be required as part of the annual audit.

6740 RESERVE ACCOUNTS

The Board of Education or Board of School Estimate, as appropriate, may at any time establish by Board resolution a capital reserve account, pursuant to N.J.S.A. 18A:21-2 and 3, and 18A:7G-31.

Funds in the capital reserve account shall not be used for current expenses, pursuant to N.J.S.A. 18A:22-8.2, and shall only be used for purposes as outlined in N.J.A.C. 6A:23A-14.1(b). The Board of Education may increase the balance in the capital reserve account by appropriating funds in the annual general fund budget certified for taxes to meet the needs of the Long-Range Facilities Plan (LRFP) that are not met by State support. The balance in the account may also be increased by requesting approval from the Executive County Superintendent, as the Commissioner's designee, to appropriate any excess unreserved general fund balance as calculated in the supporting documentation of the proposed budget into capital reserve in the proposed budget pursuant to N.J.S.A. 18A:7F-7b only when the Board of Education has formally established a capital reserve account and obtained an approved LRFP in accordance with N.J.A.C. 6A:26-2. The Board of Education, at its option, may satisfy the withdrawal approval requirements set forth in N.J.A.C. 6A:23A-14.1(h) in accordance with the procedures as outlined in N.J.A.C. 6A:23A-14.1(d).

The Board of Education may request express approval of the voters for appropriation of additional amounts into the capital reserve in accordance with the procedures as outlined in N.J.A.C. 6A:23A-14.1(e). The Board of Education shall not deposit into a capital reserve account audited excess undesignated, unreserved general fund balance. The Board of Education shall reserve and designate such funds in the subsequent year's budget pursuant to N.J.A.C. 6A:23A-8.5(b). The Board of Education shall maintain an amount of funds in the capital reserve account that does not exceed the amount needed to implement capital projects in a school district's LRFP that are not met by State support.

The Board of Education may withdraw funds from the capital reserve account at any time in accordance with the provisions of N.J.A.C. 6A:23A-14.1(h). However, the Board of Education or Board of School Estimate, as appropriate, may at any time, apply to the Commissioner for approval to withdraw funds from its capital reserve account for uses authorized in N.J.A.C. 6A:23A-14.1(b). The Board of Education or Board of School Estimate, as appropriate, may make a withdrawal pursuant to N.J.A.C. 6A:23A-14.1(i) only upon receipt of written approval of the Commissioner and the Board of Education shall establish to the satisfaction of the Commissioner that an emergent condition exists necessitating an immediate withdrawal of capital reserve account funds.

The Board of Education shall administer and account for the capital reserve account in accordance with the requirements of N.J.A.C. 6A:23A-14.1(j). Funds in capital reserve accounts in existence prior to July 18, 2000 are subject to the Educational Facilities Construction and Financing Act (EFCFA), P.L. 2000, c. 72, and N.J.A.C. 6A:23A-14, and the Board of Education shall only use such funds for the original purpose for which the funds were deposited and as outlined in N.J.A.C. 6A:23A-14.1(k)1. and (k)2.

The Board of Education shall establish, by resolution, a maintenance reserve account in accordance with the provisions of N.J.A.C. 6A:23A-14.2 to be used to implement required maintenance of the school district's facilities. The Board of Education is prohibited from using such funds for routine or capital maintenance and the account shall be established and maintained in accordance with Generally Accepted Accounting Principles (GAAP) and shall be subject to annual audit pursuant to N.J.S.A. 18A:23-1 et seq. The balance in the maintenance reserve account may be increased by appropriating funds in the annual general fund budget certified for taxes. Funds may be withdrawn from the maintenance reserve account and appropriated into the required maintenance account lines at budget time or any time during the year for use on required maintenance activities for a school facility as reported in the comprehensive maintenance plan pursuant to N.J.A.C. 6A:26A-4 in accordance with the provisions of N.J.A.C. 6A:23A-14.2(d). In any year that maintenance reserve account funds are withdrawn, the Board of Education shall restore any unexpended required maintenance appropriations, up to the amount of maintenance reserve account funds withdrawn, to the maintenance reserve account at year-end.

The Board of Education shall, by resolution, transfer to the general fund on an annual basis any interest earned on the investments in the maintenance reserve account. Such interest may be transferred on a more frequent basis at the discretion of the Board of Education. The Board of Education shall ensure the maintenance reserve account balance does not, at any time, exceed four percent of the replacement cost of the school district's school facilities for the current year. If the account exceeds this maximum amount at June 30, the Board of Education shall reserve and designate such excess in the subsequent year's budget.

The Board of Education or Board of School Estimate, as appropriate, may supplement a capital reserve account in accordance with requirements as outlined in N.J.A.C. 6A:23A-14.3. The Board of Education or a Board of School Estimate, as appropriate, may through the adoption of a Board resolution, establish a current expense emergency reserve account, a debt service reserve account, and a tuition adjustment reserve account in accordance with requirements as outlined in N.J.A.C. 6A:23A-14.4.

All reserve accounts shall be recorded in accordance with GAAP and subject to annual audit. Any capital gains or interest earned shall become part of the reserve account. A separate bank account is not required; however, a separate identity for each reserve account shall be maintained.

If a violation has occurred, corrective action as outlined in N.J.A.C. 6A:23A-16.10(c)3.i shall be taken by the Board

The Board of Education, after review of the monthly financial reports and upon consultation with the appropriate district officials, shall certify in the minutes of the Board each month that no fund has been overexpended in violation of N.J.A.C. 6A:23A-16.10(b) and that sufficient funds are available to meet the district's financial obligations for the remainder of the fiscal year. If the Board is unable to make such a certification, the Superintendent of Schools shall initiate the steps outlined in N.J.A.C. 6A:23A-16.10(b) and shall reflect such directive in the minutes of the Board. Nothing shall preclude the Commissioner from immediately and summarily withholding State aid, consistent with N.J.S.A. 18A:55-2, if, at any time, it is determined that the fiscal practices, actions, or expenditures of a school official, Board member, Board, or any other party under the Commissioner's jurisdiction are in violation of any statute, regulation, rule, or directive of the State Board of Education or Commissioner of Education.

7100 LONG-RANGE FACILITIES PLANNING

The Board of Education recognizes that sound planning based on accurate information is essential to the provision of suitable educational facilities. In order to ensure that future district construction is planned on the basis of need, the Board, in accordance with N.J.S.A. 18A:7G-4 and N.J.A.C. 6A:26-2.1 et seq., will maintain and submit a Long-Range Facilities Plan (LRFP) to the New Jersey Department of Education. Except as provided in N.J.A.C. 6A:26-3.14, no school facilities project will be considered or approved unless the district's LRFP has been submitted to and approved by the Commissioner of Education.

Long-range facilities planning by the school district shall be in accordance with the provisions of N.J.A.C. 6A:26-2 et seq.

7101 EDUCATIONAL ADEQUACY OF CAPITAL PROJECTS

Capital projects that affect any of the criteria for educational adequacy shall be reviewed and approved by the Division of Administration and Finance (Division) in accordance with N.J.A.C. 6A:26-5 et seq. The criteria are the number, configuration, size, location or use of educational spaces within a school facility. The review for educational adequacy shall take into consideration the suitability of the number, configuration, size, location, and use of educational spaces; built-in furniture and equipment; and provisions for the disabled.

Projects requiring approval for educational adequacy, as defined in N.J.A.C. 6A:26-5.1 are: new school facilities including pre-fabricated facilities; additions to existing school facilities; alterations to the total number, dimension in volume and/or area, configuration or location of educational spaces or the number of any one kind of educational space; and installation of temporary facilities.

New Jersey Schools Development Authority (Development Authority), Regular Operating District (ROD), along with other capital projects, are subject to educational adequacy reviews pursuant to N.J.A.C. 6A:26-5.1(b). The Executive County Superintendent shall approve any change of use of instructional space that is not a capital project.

Educational specifications for educational adequacy reviews shall be prepared and submitted in accordance with N.J.A.C. 6A:26-5.2. Educational specifications shall detail the educational program activities and requirements for each space proposed in the capital project, and shall refer to the New Jersey Student Learning Standards wherever appropriate. The educational specifications shall include an itemized list of furniture, equipment, and support spaces required to conduct the educational program specified for each space, together with their net areas in square feet, as well the net of the total room area required for each space. The educational specifications shall also include specific technical and environmental criteria, adjacencies and other requirements for the educational program and a building space program that indicates the number and net area in square feet of each instructional, specialized instructional, administrative and support space in each existing or proposed building included in the capital project and/or temporary facility.

Schematic plans and other related project documents will be prepared and submitted in accordance with N.J.A.C. 6A:26-5.3.

A project cost estimate on a form provided by the Commissioner of Education, a project schedule, a copy of the dated transmittal letter to the Executive County Superintendent indicating project document submission to the Division, and a copy of the transmittal letter indicating the date of plan submission to the local planning board shall be submitted in accordance with N.J.A.C. 6A:26-5.3(b)4.

In the case of a Development Authority school facilities project, upon completion of detailed plans and specifications, the Development Authority on behalf of the district shall apply, upon completion of detailed plans and specifications, for final approval of the project's educational adequacy of the project in accordance with N.J.A.C.6A:26-5.4(a). In the case of a ROD school facilities project or another capital project, the school district shall apply upon the completion of final plans and specifications for final approval of the educational adequacy of the project in accordance with N.J.A.C. 6A:26-5.4(b). In the case of a temporary facility, the school district or the Development Authority on behalf of the school district for Development Authority school facilities projects, shall apply upon the completion of detailed plans and educational specifications for approval of the temporary facility's adequacy in accordance with N.J.A.C. 6A:26-5.4(c).

The Division shall collect fees for its reviews according to N.J.A.C. 6A:26-5.5.

For a Development Authority school facilities project not subject to educational adequacy review, the Division shall issue a preliminary project report and shall forward the report to the Department of Community Affairs in accordance with N.J.A.C. 6A:26-5.6(a). The review shall require the documentation required by the Uniform Construction Code (UCC) in accordance with N.J.A.C. 5:23-2.15.

For a ROD school facilities project or other capital project, not subject to educational-adequacy review, the Division shall make a determination of the project's final eligible costs and shall forward their determination to the Department of Community Affairs in accordance with N.J.A.C. 6A:26-5.6(b). The review shall include the documentation required by the UCC in accordance with N.J.A.C. 5:23-2.15.

7102 SITE SELECTION AND ACQUISITION

The District may need to select and acquire new sites for school district facilities. Site acquisition for school purposes and every acquisition of land will be made pursuant to N.J.A.C. 6A:26-3.12 and N.J.A.C. 6A:26-7.1 through 7.3.

Every acquisition of land, whether by purchase, condemnation, or by gift or grant, to be used as a school site shall comply with the requirements of N.J.A.C. 6A:26-7.1 et seq. The school district, or the New Jersey Schools Development Authority (Development Authority) on behalf of the district, shall submit information to the Division of Administration and Finance (Division) to obtain approval for land in connection with a school facilities project in accordance with the provisions of N.J.A.C. 6A:7.1(b).

In the event the school district intends to acquire land not in connection with a school facilities project, the district shall submit all of the information required under N.J.A.C. 6A:26-7.1(b) except N.J.A.C. 6A:26-7.1(b)1.ii and N.J.A.C. 6A:26-7.1(b)1.iii, and shall further be excepted from the requirements of N.J.A.C. 6A:26-7.1(d) and N.J.A.C. 6A:26-7.1(e). If the school district later intends to change the use of the land and use as a school site, the school district shall be required to submit all of the information required under N.J.A.C. 6A:26-7.1 and the exceptions outlined above shall no longer apply.

In accordance with the provisions of N.J.A.C. 6A:26-7.1(d), school site sizes shall be directly related to the acreage required for the structures and activities to be situated thereon. Except where specifically noted for multiple or shared use, the acreage shall be considered for single use.

All school sites shall have sufficient acreage for the placement of the school facility; expansion of the building to its maximum potential enrollment; the placement of all other structures such as greenhouses, storage buildings, school bus maintenance buildings or garages, and any other above or below ground structure, which is to be placed thereon; multi-purpose physical education fields and, for preschool through grade five school facilities, a playground required to support the achievement of the New Jersey Student Learning Standards as defined by the number of physical education teaching stations applicable to the school facility pursuant to the facilities efficiency standards and the approved programmatic model; disabled-accessible pedestrian walkways, roadways, and parking areas on which people and vehicles access the building; public and service access roads onto the site including, where warranted, a one-way school bus road of thirty foot width and a two-way road of thirty-six foot width; a school bus drop-off area; and eighteen foot wide posted fire lanes for fire apparatus; and a thirty-foot wide access around the entire building.

Land owned by the Board of Education that does not meet the standards of N.J.A.C. 6A:26-7.1 may be supplemented pursuant to the requirements of N.J.A.C. 6A:26-7.1(f).

Pursuant to N.J.A.C. 6A:26-7.1(g), the Division's approval shall remain effective for three years, after which time Division approval shall again be required to be obtained prior to acquiring land.

The Development Authority may acquire land on behalf of a school district eligible for one hundred percent State support of final eligible costs for school facilities projects that are consistent with the school district's approved Long Range Facilities Plan (LRFP). For such school districts, the New Jersey Department of Education shall require submission of all information set forth in N.J.A.C. 6A:26-7.1(b) to demonstrate compliance with N.J.A.C. 6A:26-7. The Development Authority may submit the required information on behalf of such school districts.

In accordance with N.J.A.C. 6A:7.3, the Board of Education may acquire an existing facility through purchase, gift, lease, or otherwise provided the Board complies with all procedures and rules pertaining to the appropriation and use of capital funds as required by N.J.S.A. 18A:20-4 and 4.2 and the Board has the facility approved in accordance with N.J.A.C. 6A:26-3, which applies to the acquisition of a school site and for the construction of a new facility. Facilities to be procured for temporary use shall comply with N.J.A.C. 6A:26-8 if subject to educational-adequacy review pursuant to N.J.A.C. 6A:26-5.4(c) because the facilities will house students.

7103 FIVE-YEAR CAPITAL MAINTENANCE AND ASSET INVENTORY PLAN

The Board recognizes the importance of predictive as opposed to reactive capital planning regarding capital asset management. An efficient and focused means of maintenance will prolong asset life. Also, the Board sees this form of planning as important to sustaining critical infrastructure and improving responses to infrastructure emergencies.

For the purposes of this policy, a capital asset is defined as property and equipment with a replacement value at over \$2,000. A building system is defined as a set of related building components that work to perform a major function and will include structural, mechanical, plumbing, and HVAC systems.

A capital asset maintenance plan will enable the Board and administration to make informed determinations concerning the appropriate time to rehabilitate, repair, and replace aging assets with finite resources, changes in population, updates in regulatory requirements, and other varying factors.

A proper capital maintenance plan will include an audit containing the inventory of all assets (brands, size, location, current asset value, current asset function, repair history, and upkeep requirements), a list organizing these assets according to how critical they are to building system operations, an assessment of remaining useful life, and a determination of replacement costs. With this information, a five-year capital maintenance plan will be established and the ability to forecast future needs will be organized and referred to, especially for budget determinations and the prioritization of capital projects based on strategic objectives.

Therefore, the administration shall prepare a five-year capital maintenance plan, which shall be updated and/or revised on an annual basis. The Superintendent shall provide an annual report of the capital maintenance plan's annual update to the Board beginning September 2018.

Additionally, each building principal, in conjunction with a building maintenance employee, shall conduct a physical inspection of the building on a periodic basis, but no less than twice per school year, and return a written report to the Superintendent or designee as to the findings of that inspection. The inspection reports shall be designed uniformly to reflect the needs of the capital maintenance plan.

N.J.A.C. 6A:26-20.3(a) will be used as a guideline for required maintenance activities.

7130 SCHOOL CLOSING

The Board of Education recognizes its responsibility to provide a thorough and efficient program of free public education and appropriate facilities to house that program. The Board further recognizes that declining enrollments, diminished resources, district reorganization, and/or other good cause may require that the use of one or more district facilities for educational purposes be abandoned.

To receive approval for the closing of a school the Board shall provide the Division of Administration and Finance (Division) and the Executive County Superintendent with the following assurances:

1. The proposed closing is consistent with the district's approved LRFP because:
 - a. The school district has demonstrated that sufficient school building capacity exists to house students for the five years following the closing; or
 - b. The school district has demonstrated through a feasibility study that the benefits of undertaking new construction outweigh those of rehabilitating the school proposed for closure.
2. The use of temporary facilities in the remaining schools does not result or increase from an overall facilities storage caused by the school closing; and
3. The re-assignment of students to other schools in the district does not produce, sustain nor contribute to unlawful segregation, separation, or isolation of student populations on the basis of race or national origin.

A request for approval from the Division for the school closing shall include the recommendation of the Executive County Superintendent. A letter of approval from the Division based on the information in N.J.A.C. 6A:26-7.5(a) and as listed above shall be required before the school's closing.

The Division shall notify the school district in writing of its determination with respect to the requested school closing, with a copy provided to the Executive County Superintendent.

7230 GIFTS, GRANTS AND DONATIONS

The Board of Education accepts its responsibility to provide from public funds sufficient supplies and equipment for an effective instructional program. The Board recognizes, however, that from time to time individuals or organizations in the community may wish to contribute additional supplies or equipment to enhance or extend the instructional program.

The Board may accept by resolution duly passed at a public meeting any gift or grant of land, with or without improvement, and of money or other personal property, except that the Superintendent may accept on behalf of the Board any such gift less than \$500 in value. Grants of land are subject to the appropriate legal limitations and approvals.

The Board reserves the right to refuse to accept any gift that does not contribute toward the achievement of the goals of this district or any gift the ownership of which would tend to deplete the resources of the district. The Board shall not provide public moneys for the purchase of any school property on a matching fund basis.

Any gift accepted by the Board shall become the property of the Board, may not be returned without the approval of the Board, and shall be subject to the same controls and regulations as are other properties of the Board. The Board shall be responsible for the maintenance of any gift it accepts, subject to any joint agreement with another governmental body.

The Board will respect the intent of the donor in its use of a gift, but reserves the right to utilize any gift it accepts in the best interests of the students and the educational program of the district. In no case shall acceptance of a gift be considered to be an endorsement by the Board of a commercial product or business enterprise or institution of learning.

The Superintendent shall:

1. Counsel potential donors on the appropriateness of contemplated gifts and encourage such donors to choose as gifts supplies or equipment not likely to be purchased with public funds;
2. Encourage individuals and organizations considering a contribution to the schools to consult with the Principal or Superintendent before appropriating funds to that end;

3. Report to the Board all gifts that have been accepted on behalf of the Board;
4. Acknowledge the receipt of any gift accepted by the Board; and
5. Prepare fitting means for recognizing or memorializing gifts to the school district.

All gifts shall be given to the school district as a whole and not to a particular school. At the discretion of the Superintendent or designee the gift may be used in a particular school or program.

To be acceptable, a gift must satisfy the following criteria:

1. Has a purpose consistent with that of the school district;
2. Is offered by a donor who is acceptable to the Board;
3. Will not begin a program which the Board would be unwilling or unable to support when the gift or grant funds are exhausted;
4. Will not bring unwarranted or unanticipated costs to the school district;
5. Will not be inappropriate or harmful to students or staff;
6. Will not imply endorsement of any business product; and
7. Will not be in conflict with any provision of the school code, public law, or Board policy.

7243 SUPERVISION OF CONSTRUCTION

The Board of Education directs that the Supervisor of Buildings & Grounds be responsible for the supervision of all building construction in this district. Supervision shall include field inspection of the construction contractor's operations, administrative review of the activities of the architect relating to the construction, and any other construction matters relating to the interests of the school district.

The School Business Administrator/Board Secretary shall report periodically to the Board on the progress of the work of the construction contractor(s).

The Board shall not employ for pay or contract for the paid services of any person serving in a position which involves regular contact with students unless the Board has first determined, consistent with the requirements and standards of N.J.S.A. 18A:6-7.1 et seq., that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

The Superintendent shall direct the School Business Administrator/Board Secretary or designee to act as liaison to all construction contractors for school facility and construction projects to obtain a list of the individuals who will have regular contact with students and will be employed by or working for the contractor on a school district project that will be undergoing a criminal history record check pursuant to the requirements of N.J.S.A. 18A:6-7.1 et seq. The liaison shall provide the list of those contracted employees to the Superintendent or designee and the Human Resources Director. The Superintendent or designee and the Human Resources Director who receive any adverse action correspondence from the New Jersey Department of Education (NJDOE) related to the criminal history record check process shall review the contracted company list in order to determine if the subject of that correspondence is either a school employee or an employee of any contract service provider and take appropriate action. No employee of a contracted service provider shall commence work at a school facility without having first obtained an approval for employment from the NJDOE. Approvals for employment of these contracted employees shall be maintained with the liaison and copies forwarded to the Superintendent's office.

A change order involving additional cost will be submitted to the Board for review and approval.

A change order not involving monetary considerations may be acted upon solely by the Business Administrator/Board Secretary and reported to the Board.

Upon completion of a building project and a final inspection of all its aspects by the architect, contractors, and school officials, a recommendation for acceptance shall be made to the Board by the Business Administrator/Board Secretary.

7250 SCHOOL AND FACILITY NAMES

The West Milford Board of Education shall have sole authority to name or rename district facilities, which include, but is not limited to, buildings, athletic fields, stadiums, gymnasiums, libraries, fields, tracks, auditoriums, all-purpose rooms, media centers, and multipurpose rooms. The following guidelines shall apply to requests for naming facilities:

1. Procedure

All requests for naming facilities shall be submitted to the district Superintendent at the district office. Requests shall include reasons the facility should be named after the proposed individual, a biography of the individual to be honored, a letter of permission from the family, if applicable, and other information, such as funding and design plans for signage.

2. District Naming Committee

The Board directs the Superintendent to establish a Naming Committee composed of diverse membership from the community (two), school staff (two), and student population (one). The Naming Committee shall consider all naming proposals, come up with a reasonable and fair process for evaluation, review, and consideration of all requests. The Naming Committee shall then decide whether to recommend a naming or renaming to the Board. The Naming Committee, under the direction of the Superintendent, shall set its own rules and procedures for meetings.

3. Criteria for Facility Names

The Naming Committee and the Board of Education shall consider the following questions when deciding on a naming request:

- a. What is the individual's character and contribution to education?
- b. What is the individual's connection to the facility? In order to be meaningful for all, there should be a real or symbolic connection between the individual and the facility.
- c. What is the reaction of the district community, based on input from community members, including school staff, PTA/PTO/PTSO members, and other sources?

- d. Is it the right time for the individual to be honored by naming the facility after him or her? For past staff and Board members, the Committee should consider whether a sufficient time has passed since employment. For an individual who has passed away, it should be considered whether sufficient time has passed, such as a year, since the individual's death.

4. Signage Plans

The district's facilities department, under the supervision of the Superintendent, must approve all signage design plans for the facility. Final plans will then be submitted to the Board of Education for final ratification.

Adopted: 25 April 2012

7300 DISPOSITION OF PROPERTY

The Board of Education believes the efficient administration of the district requires the disposition of property and goods no longer necessary for school purposes. The Board directs the periodic review of all district property and authorizes the disposition by sale, donation, or discard of any property no longer required for the maintenance of the educational program or the efficient management of the school district. The disposition of any school property will be in accordance with this Policy and applicable laws.

Real estate property will be disposed of by sale or otherwise, in accordance with N.J.S.A. 18A:20-5 through 18A:20-7 and N.J.A.C. 6A:26-7.4. If an approved site, or interest therein, is to be altered or disposed of through sale, transfer or exchange of all or part of the total acreage, including facilities, if applicable, a written request for approval of the disposal will be made to the Division of Administration and Finance (Division) in accordance with the requirements of N.J.A.C. 6A:26-7.4. The Division will notify the district of its approval or disapproval.

The Board may, by resolution and by sealed bid or public auction, authorize the sale of its personal property not needed for school purposes, and disposal of any property declared scrap or waste. If the estimated fair value of the property to be sold exceeds fifteen percent of the bid threshold in any one sale and it is neither livestock nor perishable goods, it shall be sold at public sale, together with a description of the items to be sold and the conditions of sale, shall be published once in an official newspaper. By resolution of the Board, the purchasing agent may include the sale of personal property no longer needed for school purposes as part of specifications to offset the price of a new purchase. In the event no bids are received for personal property or the personal property is not sold at private sale pursuant to N.J.S.A. 18A:18A-45, the Board may declare the personal property as scrap or waste and dispose of it locally.

Personal property may be sold to the United States, the State of New Jersey, or to any body politic in the State of New Jersey, or any foreign nation which has diplomatic relations with these United States by private sale without advertising for bids.

Notwithstanding anything to the contrary in this Policy, property acquired with Federal funds for use in a Federally funded program will be disposed of in accordance with applicable law and guidelines.

The Superintendent shall develop regulations for the disposition of district property that provide for the review of the continued usefulness of all property in conjunction with the periodic inventory of property; the recommendation for Board designation of property for sale, donation, or discard; and the disposition of property in a fair and open manner consistent with the public interest and applicable laws.

7320 LEASE OF SCHOOL PREMISES

The Board of Education will consider leasing premises owned by this Board and not presently used in the instructional program of the school district, provided that any such lease does not interfere in any way with the attainment of educational goals.

No lease shall be entered except by the resolution of the Board duly adopted, which authorizes the President of the Board to enter a lease contract and states the premises to be leased, the name and address of the lessee, the purposes for which the lessee intends to use the premises, the rental fee, the term of the lease, and such other terms and conditions as may be recommended by the Board Attorney and accepted by the Board. Any lease entered by this Board shall be in writing; a lease the term of which will extend beyond the life of this Board shall include the conditions that it will terminate unless ratified by the successor Board and any succeeding Boards.

7410 MAINTENANCE AND REPAIR

The Board of Education recognizes that the fixed assets of this district represent a significant investment of this community; their maintenance is, therefore, of prime concern to the Board.

The Board will develop, approve, and implement a comprehensive maintenance plan in accordance with the requirements of N.J.A.C. 6A:26A-3.1 and 6A:26A-3.2. A “comprehensive maintenance plan” means a multi-year maintenance plan developed by a school district covering required maintenance activities for each school facility in the school district pursuant to N.J.A.C. 6A:26A-1.1 et seq.

Required maintenance activities, in accordance with N.J.A.C. 6A:26A-2.1, are those specific activities necessary for the purpose of keeping a school facility open and safe for the use or in its original condition, and for keeping its constituent building systems fully and efficiently functional and for keeping their warranties valid. The activities address interior and exterior conditions; include preventative and corrective measures; and prevent premature breakdown or failure of the school facility and its building systems.

Expenditures for required maintenance activities set forth in N.J.A.C. 6A:26A-2.1 shall be accounted for in accordance with the requirements of N.J.A.C. 6A:26A-2.2.

The required annual maintenance budget amount in the comprehensive maintenance plan shall be included in the district’s annual budget certified for taxes in accordance with the provisions of N.J.A.C. 6A:26A-4.1(a). The required annual maintenance budget amount shall be calculated and adjusted in accordance with the provisions of N.J.A.C. 6A:26A:4.1(b). The Executive County Superintendent, in accordance with the provisions of N.J.A.C. 6A:26A:4.1(c), may not approve the school district’s budget if the required annual maintenance budget is not included in the budget certified for taxes.

Facilities maintenance, repair scheduling and accounting shall be in accordance with the provisions of N.J.A.C. 6A:23A-6.9 and Regulation 7410.01.

7420 HYGIENIC MANAGEMENT

The Board of Education recognizes that the health and physical well-being of the students and staff of this district depend in large measure upon the cleanliness and sanitary management of the schools.

The Board directs that a program of hygienic management be instituted in the schools and explained annually to all staff members. Each school shall be inspected for cleanliness and sanitation by the Principal and Supervisor of Operations not less than once each year.

The Board will cooperate with the local board of health in the sanitary inspection of the schools' toilets, washrooms, food vending machines, water supply, and sewage disposal systems.

The Superintendent shall prepare, in consultation with the school medical inspector, regulations, first aid and emergency medical procedures that utilize universal precautions in the handling and disposal of blood and body fluids, whether or not students or staff members with HIV infection are present. School staff members and volunteers shall be provided the supplies for implementing the procedures. In particular, school nurses, custodians, and teachers shall be trained in proper handling procedures. These regulations and procedures will comply with the regulations of the State Department of Health and State Department of Labor (OSHA Standards for Occupational Exposure to Bloodborne Pathogens) and recommendations of the Centers for Disease Control and Prevention.

Bloodborne Pathogens

The Board recognizes that school employees may in the performance of their duties reasonably anticipate contact with human blood or other potentially infectious body fluids that may expose them to bloodborne pathogens such as Hepatitis B Virus (HBV) and Human Immunodeficiency Virus (HIV). In accordance with Federal OSHA regulations, the Board will establish a written Exposure Control Plan designed to eliminate or minimize employee exposure to such infection. The plan shall list all job classifications and tasks in which exposure occurs; describe and require the implementation of workplace controls to eliminate or minimize exposure; require the provision of hepatitis B vaccination to employees who have occupational exposure; and require the provision of a training program for employees who have occupational exposure. The plan shall be updated annually and as required to include new or revised employee positions with occupational exposure. A copy of the plan shall be made accessible to employees.

Disposal of Medical Waste

The Superintendent shall prepare, in consultation with the school medical inspector, a medical waste disposal program to ensure all medical waste, including needles and sharps, are disposed of in accordance with the rules and regulations of the New Jersey Department of Health.

Chemical Hygiene

The Board also recognizes that certain school employees who work in laboratories may be exposed to hazardous chemicals in the course of their duties. The plan shall contain the locations of hazardous chemicals and shall enunciate a plan capable of protecting employees from associated health hazards and keeping exposure of employees below specified limits. The Chemical Hygiene Plan shall be readily available to employees and shall contain at least the following elements:

1. Standard operating procedures for using hazardous chemicals in laboratory work;
2. Criteria that the Board will use to determine and implement control measures to reduce employee exposure;
3. The requirement that fume hoods and other protective equipment are functioning properly and that measures are taken to ensure adequate performance of such equipment;
4. Provision for employee information and training;

7422 SCHOOL INTEGRATED PEST MANAGEMENT PLAN

The New Jersey School Integrated Pest Management Act of 2002 requires school districts to implement a school integrated pest management policy that includes an Integrated Pest Management Plan. In accordance with the requirements of the Act, the Board shall ensure implementation of Integrated Pest Management (IPM) procedures to control pests and minimize exposure of children, faculty, and staff to pesticides. These procedures shall be applicable to all school property in the West Milford School District.

IPM Coordinator (IPMC)

The Principal and Supervisor of Operations shall be designated as the district's Integrated Pest Management Coordinators (IPMC) and are responsible for the implementation of the school integrated pest management policy.

Integrated Pest Management Procedures in Schools

Implementation of Integrated Pest Management (IPM) procedures will determine when to control pests and whether to use mechanical, physical, cultural, biological, or chemical methods. Applying IPM principles prevents unacceptable levels of pest damage by the most economical means and with the least possible hazard to people, property, and the environment.

The Integrated Pest Management Coordinator (IPMC) shall consider the full range of management options, including no action at all. Non-pesticide pest management methods are to be used whenever possible. The choice of using a pesticide shall be based on a review of all other available options and a determination that these options are not effective or not reasonable. When it is determined that a pesticide must be used, low impact pesticides and methods are preferred and shall be considered for use first.

Development of IPM plans

The Superintendent, in collaboration with the school Building Principal(s) and the IPMC, shall be responsible for the development of the IPM Plan for the school district. The school district's Integrated Pest Management (IPM) Plan is a blueprint of how the school district will manage pests through IPM methods. The school district's IPM Plan will state the school district's goals regarding the management of pests and the use of pesticides for all school district property. The Plan will reflect the school district's site-specific needs and a description of how each component of the school district's Integrated Pest Management Policy and Regulation will be implemented for all school property.

Education/Training

The school community will be educated about potential pest problems and IPM methods used to achieve the pest management objectives.

The IPMC, other school staff, and pesticide applicators involved with implementation of the district's IPM policy will be trained in appropriate components of IPM as it pertains to the school environment.

Students and parents/legal guardians will be provided information on this policy and instructed on how they can contribute to the success of the IPM program.

Recordkeeping

Records of pesticide use shall be maintained on site to meet the requirements of the State regulatory agency and the Board.

Records shall also include, but are not limited to, pest surveillance data sheets and other non-pesticide pest management methods and practices utilized.

Notification/Posting

The Building Principal of each school, working with the IPMC, is responsible for timely notification to students, parents or legal guardians and the school staff of pesticide treatments pursuant to the School Integrated Pest Management Act.

Re-entry

Re-entry to a pesticide treated area shall conform to the requirements of the School Integrated Pest Management Act.

Pesticide Applicators

The IPMC shall ensure that applicators follow State regulations, including licensing requirements and label precautions, and must comply with all components of the School Integrated Pest Management Policy.

Evaluation

The Superintendent will report annually to the Board on the effectiveness of the IPM Plan and make recommendations for improvement as needed.

7424 BED BUGS

The Board of Education is concerned for students who may have bed bugs in their home with the potential for these students to bring bed bugs into the school building. Bed bugs can be transmitted from one location to another in backpacks, clothing, books, and other items. A bed bug infestation is unlikely in a school and the Board adopts this Policy as a proactive action to prevent infestation and to stop bed bugs from spreading within the school setting if a bed bug is transmitted into a school.

Bed bugs are parasitic insects that feed exclusively on blood and are mainly active at night, but are not exclusively nocturnal. A common bed bug prefers human blood and typically feeds on their hosts without being noticed. Bed bugs are not known to transmit disease, but cause reasonable distress and health concerns for many people. The presence of bed bugs in a home does not mean the home is unclean, bed bugs can be found in any home.

Bed bugs typically do not infest people as they hide during the day and come out during the night. Bed bugs are attracted to humans primarily by carbon dioxide, warmth, and by some chemicals. Bed bugs prefer exposed skin, preferably the face, neck, and arms of a sleeping person. Bed bug bites may lead to a range of skin manifestations from no visible effects to prominent blisters. The bite usually produces a swelling with no red spots, but when many bugs feed on a small area, reddish spots may appear after the swelling subsides. Effects also may include skin rashes, psychological effects, and allergic symptoms.

Any staff member who observes what may be bed bug bites on a student shall send the student to the school nurse. The school nurse shall examine the student to determine if there are any bed bugs present on the student or if the bites may be bed bug bites. The school nurse will inform the Principal and contact the student's parent on the results of the examination.

In the event the school nurse observes what appears to be a bed bug on the student or on the student's possessions, the school nurse will inform the Principal who will arrange for a licensed pest management professional to complete an inspection of the student's classroom(s) to determine if bed bugs are present in the classroom area. If a licensed pest management professional cannot complete an inspection within twenty-four hours of the request from the school district, the district custodial staff will vacuum the student's classroom(s) with a vacuum cleaner using a new vacuum cleaner bag and when finished the staff member shall seal the bag and discard it in a receptacle

outside the school building. If the vacuum does not have a bag, the contents of the vacuum shall be emptied into a secure plastic bag, sealed, and discarded into a receptacle outside the school building. The Principal shall determine if the classroom(s) should be occupied by staff and students until the inspection by a licensed pest management professional is conducted.

In the event the inspection determines bed bugs are in the school, the area(s) where bed bugs have been found or could be found will be treated by a licensed pest management professional.

The parent of any student who is found to have a live bed bug on them will be contacted by the school nurse and the parent will be required to pick-up their child to arrange for the child to return home to change clothes and to inspect any items the student brings to school. Upon the student's return to school, the student will be required to report to the school nurse who will examine the child and the child's possessions. If there are no signs of bed bugs on the student or in or on the student's possessions, the student will be able to resume their school day. The school nurse may determine to examine the child subsequent to their initial return to school to ensure the student and possessions are free of bed bugs. In the event the nurse finds live bed bugs on the student or in or on the student's possessions upon the student's initial return to school, or upon any subsequent examination by the school nurse, the school nurse will contact the parent and require the parent to pick-up the student from school.

The Principal, in consultation with the school nurse, will determine if the parents of other students should be informed of the presence of bed bugs in an area of the school where their child may have been or is during the school day. This determination will be made on a case-by-case basis. Parents of other students may not be informed if bed bugs are found on a student or in or on the student's possessions, and are not found in the school building. The school district will comply with all notification requirements and other requirements of the New Jersey Pest Management Act, the district's Pest Management Plan, and any other applicable law.

Any student suspected of having bed bugs in their home or on or in their possessions will be treated with discretion, dignity, and respect. The district will offer the student counseling, if needed. The Principal or designee will work sensitively with parents of any student living in an infested home to develop strategies for preventing the further spread of bed bugs.

7425 LEAD TESTING OF WATER IN SCHOOLS

The health, safety, and welfare of the children in the school district are of utmost importance to the Board of Education. The potential exposure to lead-contaminated drinking water poses serious health problems, particularly for children, as well as for teachers and school personnel, since the risk of lead contamination can come from pipe and plumbing fixtures in school facilities or on school grounds. The Board shall assure the availability of potable drinking water through sanitary means in school facilities or on school grounds. The Board of Education shall provide, in accordance with N.J.A.C. 6A:26-12.4, testing for lead in all district sources of drinking water.

The Board shall conduct lead sampling and analysis in all drinking water outlets to which a student or staff member has or may have access in each school facility, other facility, or temporary facility, as soon as practicable, but no later than July 13, 2017, unless the district qualifies for an exemption in accordance with N.J.A.C. 6A:26-12.4(j). This lead sampling and analysis shall be conducted with a lead sampling plan in accordance with N.J.A.C. 6A:26-12.4(d)1, 2, and 3, and shall be in accordance with the Safe Drinking Water Act, N.J.S.A. 58:12A-1.

The Superintendent of Schools or designee shall complete a review of the final laboratory results within seventy-two hours of receipt. Within twenty-four hours after the Superintendent or designee has completed a review of final laboratory results in accordance with the provisions of N.J.A.C. 6A:26-12.4(e), the test results shall be made publicly available at the school facility and on the Board of Education's website. If any results exceed the permissible lead action level, the Board shall provide written notification to the parents of all students attending the facility, facility staff, and the New Jersey Department of Education. This written notification shall include: a description of the measures taken by the Superintendent or designee to immediately end the use of each drinking water outlet where the water quality exceeded the permissible lead action level; any additional remedial action taken or planned by the Board of Education; the measures taken to ensure that alternate drinking water has been made available to all students and staff members; where the water outlet(s) is located; and information regarding the health effects of lead in accordance with N.J.A.C. 6A:26-12.4(e)1 and 2.

Notwithstanding the results or date of any prior testing, the Board shall continue to test drinking water outlets in the designated Statewide required testing year, which shall be every third school year beginning with the 2021-2022 school year and subsequently occurring in the 2024-2025 school year. By no later than June 30 of the designated Statewide required testing year, the Board shall test all drinking water outlets in accordance with N.J.A.C. 6A:26-12.4(g)1. The Board shall sample for lead after the replacement of any drinking water outlet or any other alteration to plumbing or service lines that may impact lead levels at the outlet, in accordance with N.J.A.C. 6A:26-12.4(g)2.

The Board shall submit to the New Jersey Department of Education by June 30 of each year a statement of assurance, that the school district completed lead testing in accordance with N.J.A.C. 6A:26-12.4; that notifications were provided consistent with N.J.A.C. 6A:26-12.4; and that alternative drinking water continues to be made available to all students and staff, if necessary, pursuant to N.J.A.C. 6A:26-12.4(i).

The Board may apply for reimbursement for the costs of any water supply testing and analysis conducted, in accordance with N.J.A.C. 6A:26-12.4(k).

Each classroom, shop, laboratory, and other area of the school in which students or staff members are exposed to caustic materials that can cause damage to the eyes shall be equipped with an emergency eye wash fountain in accordance with standards established by the New Jersey Department of Education.

The Building Principal or designee shall ensure that each area in the school identified as housing an activity hazardous to the eyes shall be posted with conspicuous signs that warn participants that an appropriate eye protective device must be worn during the activity. Staff members of such activities are responsible for instructing students in appropriate eye safety practices and for serving as exemplary models in the implementation of such practices.

The Board authorizes each staff member responsible for an activity or process hazardous to the eyes to compile and maintain, for the duration of the course of study, a list of students in the course who wear contact lenses.

7441 ELECTRONIC SURVEILLANCE IN SCHOOL BUILDINGS
AND ON SCHOOL GROUNDS

The Board of Education authorizes the use of electronic surveillance systems in school buildings and on school grounds to enhance the safety and security for school district staff, students, community members, and other building occupants and to protect the school district's buildings and grounds.

The content produced by the surveillance system under certain circumstances may be considered a student record and if so it will be subject to the Board of Education policy and regulations regarding confidential student records. If the content of the surveillance system becomes the subject of a disciplinary proceeding, it shall be treated like other evidence in the proceeding.

In accordance with the provisions of N.J.S.A. 18A:41-9, if at least one school building of the school district is equipped with video surveillance equipment that is capable of streaming live video wirelessly to a remote location, the Board of Education shall enter into a Memorandum of Understanding (MOU) with local law enforcement authorities providing the authorities with the capacity to activate the equipment and view live streaming video. The MOU shall include the provisions of N.J.S.A. 18A:41-9 and any additional information required by law enforcement officials. In the event the parties to the MOU are unable to reach an agreement regarding any provision required to be included in the MOU as per N.J.S.A. 18A:41-9a, the County Prosecutor shall make the final determination regarding that provision. Nothing in N.J.S.A. 18A:41-9 shall be construed as to require the installation of video surveillance equipment capable of streaming live video wirelessly to a remote site from a school building that does not have the ability to have live streaming video.

The Board of Education shall post signage in a prominent, public place in buildings and on school grounds where electronic surveillance equipment may be used.

In addition to posting, the district shall notify school staff members, parent(s) and students that electronic surveillance may be used in school buildings and on school grounds through publication in student and staff handbooks, school calendars, notice sent home with students, or any other effective means to publish the district's use of electronic surveillance equipment in school buildings and on school grounds.

7446 SCHOOL SECURITY PROGRAM

The safety of students, staff members, and visitors on school grounds is an important concern for the Board of Education.

School District Employed Security Officers – (Unarmed)

The Board of Education authorizes the employment of school district security officers. The district's security officers will be required to wear Board-approved uniforms and shall work in cooperation with the school administration to provide security services on school grounds. The security officers will be provided the necessary equipment to perform the security functions assigned by the administration. The district's security officers will not carry a gun. The Superintendent of Schools will ensure all school district security officers receive appropriate training for the responsibilities of the position.

7450 PROPERTY INVENTORY

The Board of Education recognizes that efficient management and the replacement of lost, damaged, or stolen property depend upon an accurate inventory and properly maintained property records.

The district shall maintain a complete inventory by physical count of all district-owned equipment.

For the purpose of this Policy, “equipment” shall mean any instrument, machine, apparatus, or set of articles which meets all of the following criteria and the cost is above \$2,000:

1. It retains its original shape, appearance, and character with use;
2. It does not lose its identity through fabrication or incorporation into a different more complex unit or substance;
3. It is nonexpendable; that is, if the item is damaged or some of its parts are lost or worn out, it is more feasible to repair the item than to replace it with an entirely new unit; and
4. Under normal conditions of use, including reasonable care and maintenance, it can be expected to serve its principal purpose for at least one year.

Unless otherwise bound by Federal, State, or local law, the school district will use the criteria above for their equipment classification decisions.

The School Business Administrator/Board Secretary or designee shall ensure that inventories are systematically and accurately recorded and that property records of equipment are adjusted annually. Major items of equipment shall be subject to annual spot check inventory. A major loss shall be reported to the Board.

Property records of supplies shall be maintained on a continuous inventory basis. An item should be classified as a “supply” if it does not meet all state equipment criteria outlined above and the cost is not more than the capitalization threshold of \$2,000.

The School Business Administrator/Board Secretary or designee shall maintain a system of property records that show, as appropriate to the item recorded, description and identification, manufacturer, year of purchase, initial cost, location, condition and depreciation, and current evaluation in conformity with insurance requirements.

The Board prohibits the use or presence of any motor vehicle, including motorcycles, all-terrain vehicles, snow mobiles, and mopeds, for any purpose on any part of the school property owned by the Board other than the driving and parking areas established by the Board except as expressly permitted by the Superintendent or School Business Administrator/Board Secretary.

The Board directs the Superintendent to have conspicuous notices posted forbidding the parking of motor vehicles in undesignated areas of the school grounds.

The Board reserves the right to prosecute in a court of competent jurisdiction any person whose violation of this rule results in damage to the property of this district.

7481 UNMANNED AIRCRAFT SYSTEMS (UAS also known as DRONES)

The Board of Education is concerned for the safety of all staff members, students, parents, community members, and visitors while on school grounds. The Board of Education recognizes the operation of an unmanned aircraft system (UAS) on school grounds or flying an unmanned aircraft on or over school grounds presents a public safety issue as school grounds are populated many hours of the day by students, staff members, parents, and community members.

An unmanned aircraft system is the unmanned aircraft and all the associated support equipment, control station, data links, telemetry, communications and navigation equipment, etc. necessary to operate the unmanned aircraft. The unmanned aircraft is the flying portion of the system by a pilot via a ground control system, or autonomously through the use of an on-board computer, communication links and any additional equipment that is necessary for the unmanned aircraft to operate safely. A model aircraft is considered an unmanned aircraft.

The Board of Education prohibits the operation of an unmanned aircraft system on school grounds, the launching or landing of an unmanned aircraft on school grounds, or the flying of an unmanned aircraft over school grounds at all times.

The Board of Education may post signage on school grounds indicating the operation of an unmanned aircraft system or flying an unmanned aircraft over school grounds without Board of Education approval is prohibited at all times.

The Board of Education will take appropriate action in accordance with Federal Aviation Administration regulations and/or any State and local laws against any violations of the provisions of this Policy.

7490 ANIMALS ON SCHOOL PROPERTY

The Board of Education will make every reasonable effort to maintain school grounds in a condition appropriate for the activities of school students.

Pet animals are not permitted on school district grounds, except by the express permission of the Building Principal. Without such permission, a pet owner who brings or permits his/her animal on school grounds has committed an act of trespass. If an animal is found running at large on school grounds, its owner will be deemed to have permitted the animal to enter school property.

The Board directs the Building Principal to give notice regarding the prohibition of pets by posting appropriate signs on school property. The Principal shall report to the appropriate municipal authorities any pet that runs at large on school property and any pet owner whose animal is present on school property is in violation of this policy.

7510 USE OF SCHOOL FACILITIES

The Board of Education believes the school facilities of this district should be made available for community purposes, provided that such use does not interfere with the educational and co-curricular programs of the school district. For the purpose of this policy, “school facilities” also includes school grounds.

The Board will permit the use of school facilities when such permission has been requested in writing and has been approved by the Superintendent. The Board reserves the right to withdraw permission after it has been granted in the event circumstances change requiring such school facilities or school grounds will be needed for a school district purpose or due to a school closing due to weather or other emergency.

In weighing competing requests for the use of school facilities, the Board will give priority to the following uses, in the descending order given:

1. Uses and groups directly related to the schools and the operations of the schools, including teacher groups;
2. Uses and organizations indirectly related to the schools, including the P.T.A., P.T.O., Home-School Association, and other school-parent related organizations;
3. Departments and agencies of the municipal government;
4. Governmental agencies;
5. Community organizations formed for charitable, civic, social, or educational purposes.
6. Community church groups;
7. Private groups and organizations.

The use of school facilities will not be granted for any purpose that is prohibited by law.

Each user shall present evidence of the purchase of organizational liability insurance to the limit as prescribed by district regulations. Each user shall inspect any facility or school grounds to be used prior to such use and shall notify a district representative of any existing safety or dangerous conditions. In the event such conditions exist, the district may cancel or modify the user's access to the school facility until such conditions are addressed. Users shall be financially liable for damage to the facilities and for proper chaperonage as required by the school district administration.

Use of school equipment in conjunction with the use of school facilities must be specifically requested in writing and may be granted in accordance with Policy No. 7520. The users of school equipment must accept liability for any damage or loss to such equipment that occurs while it is in their use, regardless of any assignment of negligence. Where rules so specify, certain items of equipment may only be used by a qualified operator approved by the school district administration.

The Board shall approve annually a schedule of fees for the use of school facilities as listed in Regulation 7510:

1. The use of school facilities for activities directly related to the educational program and district operations; and
2. All other organizations or persons granted the use of school shall pay in advance the scheduled fee and the cost of any additional staff services required by the use.

The school district shall provide a copy of Policy and Regulation 2431.4 – Prevention and Treatment of Sports-Related Concussions and Head Injuries to all youth sports team organizations that operate on school grounds or in school facilities. In accordance with the provisions of N.J.S.A. 18A:40-41.5, the school district shall not be liable for the injury or death of a person due to the action or inaction of persons employed by, or under contract with, a youth sports team organization that uses school facilities or operates on school grounds if the youth sports team organization provides the school district proof of an insurance policy in the amount of not less than \$50,000 per person, per occurrence; insuring the youth sports team organization against liability for any bodily injury suffered by a person. The youth sports team organization must also provide a statement of compliance with the school district's Policy and Regulation 2431.4 - Prevention and Treatment of Sports-Related Concussions and Head Injuries.

For the purpose of this Policy, a “youth sports team organization” means one or more sports teams organized pursuant to a nonprofit or similar charter or which are member teams in a league organized by or affiliated with a county or municipal recreation department.

The Board shall provide to all persons who supervise youth programs that are not sponsored by the school district, but operate a program in a district building before or after school hours, on the weekend, or during a period when school is not in session, information on the district’s school practices and procedures in the event of a school safety or security incident at a school including non-confidential information on evacuation procedures, emergency response protocols, and emergency contact information in accordance with the provisions of N.J.S.A. 18A:41-7.

The Superintendent shall develop regulations for the use of school facilities; such regulations shall be distributed to every user of the facilities and every applicant for the use of school facilities. Permission to use school facilities shall be granted only to persons and organizations that agree to the terms of Policy and Regulation 7510, the requirements as outlined in the use of school facilities application, and in accordance with the terms outlined in the approval granted by the school district.

7513 RECREATIONAL USE OF PLAYGROUNDS

The Board of Education requires that the playground of the school affords residents with a recreational area when school is not in session. The Board reserves the right to determine, in the interest of the safety of district residents and the integrity of the school facility, the uses to which the playground may be put and the hours when it may be used.

The Board will publish rules of conduct, which shall govern all persons who use the facilities of this district. Students and employees of this district who violate those rules will be subject to discipline. The Board directs that any other person who violates a rule of this Board be requested to leave the school premises.

Because of its potential for hazard, no object that is powered by fuel or battery shall be brought onto the school grounds for any purpose that is primarily recreational without the express permission of the Principal. Such objects include, but are not limited to, mini-bikes, mopeds, motorized model airplanes, and rockets.

7520 LOAN OF SCHOOL EQUIPMENT

The Board of Education believes that district owned equipment is a valuable resource that may be loaned for community use under certain conditions and when such use does not interfere with the educational program of the school.

The Board may lend specific items of equipment on the written request of the user when approval has been granted by the Superintendent or School Business Administrator/Board Secretary and when such equipment is unobtainable elsewhere.

School equipment may be removed from school property by students or staff members only when such equipment is necessary to accomplish a task arising from their school or job responsibilities. The consent of the Principal is required for such removal. The removal of school equipment from school property by students or employees for personal use is prohibited.

The user of school owned equipment shall be fully liable for any damage or loss occurring to the equipment during the period of its use, regardless of any assignment of negligence, and shall be responsible for its safe return. When equipment authorized for loan requires the services of a qualified operator, the user shall employ the services of a person designated by this district and shall pay such costs as may have been set for such services.

4. Technology devices provided by the school district to staff members may include the school district's software image and pre-loaded software for specific tasks. The installation of other software images or software on such technology devices may only be done by school district authorized staff members;

7. A staff member must contact the district designated staff member in the event the technology device is not functioning properly or for repairs and/or required maintenance;

8. The Board of Education is under no legal, financial, or other obligation to provide a replacement technology device to any employee whose device is lost, stolen, or damaged;
9. Any technology device provided to a staff member is the property of the Board of Education. As such, the staff member shall have no expectation of privacy in the use of such device. 7523 SCHOOL DISTRICT PROVIDED TECHNOLOGY DEVICES TO STUDENTS

The Board of Education may provide technology devices to students in the district for school district authorized use only. The purpose of this Policy is to establish general guidelines for the issuance and utilization of any school district technology device provided to students of this district. For the purposes of this Policy, "technology device" or "device" shall include, but not be limited to, portable devices such as computers, laptops, tablets, cellular telephones, or any other computing or electronic devices the school district provides to students to be used as part of their educational program.

A technology device made available to students will not be considered a textbook or supply, as defined in N.J.S.A. 18A:34-1, mandatory to a successful completion of the classroom curriculum. Therefore, because a technology device defined in this Policy is not mandatory to a successful completion of a student's classroom curriculum, a student will not be required to obtain a technology device provided by the school district as defined in this Policy. In the event the school district provides a technology device that is deemed mandatory to a successful completion of the classroom curriculum, the district will provide students with such a technology device consistent with its textbook or supply policies. Nothing in this Policy prohibits a student from using their personal technology device in accordance with school rules and regulations.

A technology device provided by the school district may include pre-loaded software. A student is prevented from downloading additional software onto the technology device or tampering with software installed on the technology device. Only school district authorized staff members may load or download software onto a school district provided technology device.

To receive a school district provided technology device, the parent and student must sign a School District Provided Technology Device Form requiring the parent and the student to comply with certain provisions. These provisions may include, but are not limited to:

1. A school district provided technology device must be used only by the student for school district authorized use;
2. A student shall comply with the school district's acceptable use of technology policies, which shall be attached to the School District Provided Technology Device Form, in their use of any school district provided technology device;
3. Any school district provided technology device loaned to a student must be returned to the school district in the condition it was initially provided to the student considering reasonable use and care by the student;

School District Provided Technology Devices to Students

4. The parent or student shall be responsible to reimburse the school district the cost of any technology device that is lost, damaged beyond reasonable use or beyond its value, abandoned, missing, stolen, or cannot be returned to the district in accordance with the terms of the School District Provided Technology Device Form;
5. The district may require, or offer as an option, depending on the type of technology device provided to the student, an insurance policy to be purchased by the parent or student that would cover certain losses or damage to a technology device during the time period the student has possession of the device. The parent or the student shall pay any insurance policy required deductibles in the event of a loss;
6. In the event the school district does not require the purchase of an insurance policy for a technology device or the parent or student elects not to purchase optional insurance, the parent and/or student shall be responsible for any loss or damage to the technology device in accordance with the terms of the School District Provided Technology Device Form;
7. A student will be required to report any hardware or software problems in the operation of the device to the school district staff member, designated on the School District Provided Technology Device Form, within two school days of the commencement of the problem;
8. A student must report to the school district staff member designated on the School District Provided Technology Device Form within two school days in the event the technology device has been damaged or is missing;
9. A parent or student is required to immediately file a police report in the event it is believed the technology device has been stolen. Within one school day after filing a police report, a parent or student shall complete the School District Provided Technology Device Loss Form and submit the completed Loss Form and a copy of the police report to the Principal or designee;
10. A student shall be required to provide routine cleaning and care of the device in accordance with school district cleaning and care guidelines;
11. The student shall have the technology device in their possession in school as required; and

12. Any other provisions the Superintendent of Schools determines should be included on the School District Provided Technology Device Form.

The school district will provide the student and parent with written or electronic notification that the technology device provided by the school district may record or collect information on the student's activity or the student's use of the technology device if the device is equipped with a camera, global positioning system, or other feature capable of recording or collecting information on the student's activity or use of the device. This notification shall also include a statement that the school district shall not use any of the capabilities in a manner that would violate the privacy rights of the student or any individual residing with the student. The parent shall be required to acknowledge receipt of this notification and the parent acknowledgement shall be retained by the Principal or designee for as long as the student retains the use of the school district provided technology device. The parent acknowledgement and a signed School District Provided Technology Device Form shall be required before the issuance of a technology device to a student. In accordance with the provisions of P.L. 2013, Chapter 44, a school district failing to provide this notification shall be subject to a fine of \$250 per student, per incident. The fine shall be remitted to the New Jersey Department of Education, and shall be deposited in a fund that shall be used to provide laptop or other portable computer equipment to at-risk students as defined in N.J.S.A. 18A:7F-45.

Students shall comply with all school district policies for the use of a school district provided technology device. A student shall be subject to consequences in the event the student violates any school district policy, including the district's acceptable use policies; student code of conduct; any provision of this Policy; or any provision of the School District Provided Technology Device Form.

A person convicted of an offense that involves an act of graffiti will be required to reimburse the school district the cost of damages and may be required to perform community service, which may include removing the graffiti from the property, in accordance with the law. 7650 SCHOOL VEHICLE ASSIGNMENT, USE, TRACKING, MAINTENANCE,
AND ACCOUNTING

The Board of Education adopts this Policy concerning the assignment, use, tracking, maintenance, and accounting of school district vehicles in accordance with the provisions of N.J.A.C. 6A:23A-6.11 and 6A:23A-6.12. For the purposes of this Policy, a “school district vehicle” means a vehicle purchased, leased, leased-purchased, or acquired without cost by gift, donation, or other method by the school district regardless of funding source.

School district vehicle assignment and use shall be in compliance with N.J.A.C. 6A:23A-6.12 and in accordance with OMB Circular 08-16-ADM or any superseding circulars. The Board of Education, upon the recommendation of the Superintendent, may authorize, at its discretion, by an affirmative vote of the Board’s full membership, the lease, lease-purchase, or purchase and assignment of school district vehicles for the conduct of official school district business.

The vehicles may be assigned either to individuals or to units within the school district for pool use according to classifications as outlined in N.J.A.C. 6A:23A-6.12(b). No individual assignment shall be made for the primary purpose of commuting. Vehicle use logs shall be maintained for all individual and pool assignments in order to accurately record all usage of each vehicle, including the driver, mileage, and starting and destination points. All changes to vehicle assignment, whether pool or individual, shall require prior written approval of the Superintendent and the authorization of an affirmative majority vote of the full Board.

A school district vehicle shall only be used for business purposes. However during normal work hours, the vehicle may be used for authorized lunch and break periods. The need for emergency medical treatment in an urgent situation, would not be considered as unauthorized use.

8140 STUDENT ENROLLMENTS

The Board of Education recognizes that efficient district operations require an accurate and up to date accounting of the number of students resident in this district and enrolled in district classes and programs.

Student attendance shall be recorded in the school register during school hours on each day the school is in session. Separate registers shall be kept for students attending preschool, Kindergarten, grades one through five, grades six through eight, grades nine through twelve, each preschool class for the disabled, each class for the disabled, shared-time classes for regular students, shared-time classes for students with disabilities, full-time bilingual education programs and vocational day programs, summer schools operated by the district, and any other programs as required by the New Jersey Department of Education and N.J.A.C. 6A:32-8.1(d).

A student who has been placed on home instruction shall have his or her attendance status recorded on the regular register attendance pages for the program in which the student is enrolled. For the period beginning the first day the student is unable to attend school and ending the day before the first instructional day at the student's place of confinement, the student shall be marked absent. No absences will be recorded for the student while on home instruction, providing the hours of instruction are no less than required by N.J.A.C. 6A:14-4.8 and 4.9. The number of possible days of enrollment for a student on home instruction shall be the same as for other students in the program in which the student is enrolled.

Such records shall be made and maintained as will enable the Board to plan program and facilities development, to make appropriate allocation of district resources, and receive the district's maximum amount of State and Federal aid.

The Superintendent or designee shall annually and in accordance with the timelines established by the Commissioner, file a report with the Commissioner stating the school district's enrollment.

The Board of Education recognizes that the preparation of a school calendar is essential to orderly educational planning and to the efficient operation of the school district.

The Board shall determine annually approve the days when the schools will be in session for instructional purposes. The school calendar will provide no fewer than one hundred eighty days of instruction in accordance with N.J.S.A. 18A:7F-9. Days on which school is closed for holidays, teachers' institutes, and inclement weather shall not be considered as days in session.

A half-day class or shortened school day shall be considered the equivalent of a full day only if school is in session for four or more hours, exclusive of recess periods or lunch periods.

A school day shall consist of not less than four hours, except that one continuous session of two and one half hours may be considered a full day for Kindergarten in accordance with N.J.A.C. 6A:32-8.3(b).

An approved Kindergarten shall meet the requirements set forth in N.J.A.C. 6A:32-8.3(c).

The Commissioner of Education shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse students for religious observance upon the written request signed by the parent or person standing in loco parentis. Staff members shall avoid, whenever possible, scheduling a test on a religious holiday commonly observed by residents of the district.

The Board reserves the right to alter the school calendar when such alteration is feasible and serves the best interests of the students of this district.

The Superintendent shall in consultation with various local associations and the Executive County Superintendent annually prepare and submit to the Board a school calendar for the next school year no later than May 1. The Board reserves the right to alter the school calendar when: such alteration is feasible and serves the best interests of the students of this district; the number of school closings during the school year extend the school year past a reasonable closing date in June; there is an extended school closing during the school year due to an unforeseen circumstance; and/or due to any reason deemed in the best interest of students.

8310 PUBLIC RECORDS

The Board of Education recognizes its responsibility to maintain the public records of this district and to make such records available to residents of New Jersey for inspection and reproduction. The Board designates the School Business Administrator/Board Secretary as the custodian of government records for the district.

Government Record or Record (N.J.S.A. 47:1A-1.1)

“Government records” or “records” pursuant to N.J.S.A. 47:1A-1.1 include any record that has been required by law to be made, maintained, or kept on file by the Board, its officials, or its employees. Except as such records that may be exempted by law or this policy, a “government record” or “record” means any paper, written or printed book, document, drawing, map, plan, photograph, microfilm, data processed or image processed document, information stored or maintained electronically or by sound-recording or in a similar device, or any copy thereof, that has been made, maintained or kept on file in the course of the official business of the Board of Education or that has been received in the course of the official business of the Board of Education.

Board meeting minutes may be inspected and copied as soon as they are prepared; unapproved minutes will be so labeled. Minutes of executive/closed session Board meetings conducted in accordance with the Open Public Meetings Act will be preserved separately and will not be available for immediate public inspection. These minutes will be integrated with minutes of public meetings only after the matter discussed at the executive/closed session meeting has been made public.

A “government record” or “record” does not include inter-agency or intra-agency advisory, consultative, or deliberative material.

A “government record” or “record” does not include excluded information as outlined in N.J.S.A. 47:1A-1.1. The excluded information includes, but is not limited to, information which is deemed to be confidential as per N.J.S.A. 47:1A-1 et seq. Victims’ records; trade secrets and proprietary commercial or financial information; any record within the attorney-client privilege; administrative or technical information regarding computer hardware, software and networks which, if disclosed, would jeopardize computer security; emergency or security information or procedures for any buildings or facility which, if disclosed, would jeopardize security; security measures and surveillance techniques and information which, if disclosed, would give an advantage to competitors or bidders are examples of excluded government records.

Information generated by or on behalf of the Board or Board employees in connection with any sexual harassment complaint filed within the Board or with any grievance filed by or against an individual or in connection with collective negotiations, including documents and statements of strategy or negotiating position; information which is a communication between the district and its insurance carrier, administrative service organization or risk management office; information which is to be kept confidential pursuant to court order and that portion of any most documents which discloses the social security number, credit card number, unlisted telephone number or driver license number of any person; and personnel and pension records of an individual, except the individual's name, title of position, salary, payroll record, length of service, date of separation and the reason therefore, the amount and type of pension he/she receives, and data, other than detailed medical or psychological information, that shows conformity with qualifications for employment and pensions are examples of excluded government records.

Test questions, scoring keys, and other examination data pertaining to the administration of an examination for employment or academic examination; information concerning individual student records; grievance or disciplinary proceedings against a student to the extent disclosure would reveal the identity of the student; and all other information defined as not being a government record in N.J.S.A. 47:1A-1 et seq. are not government records.

Records of Investigation In Progress (N.J.S.A. 47:1A-3 et seq.)

Records which are sought to be inspected, copied, or examined pertain to an investigation in progress by the Board and/or administration will be inspected, copied and/or examined pursuant to N.J.S.A. 47:1A-3.

Inspection, Examination and Copying (N.J.S.A. 47:1A-5 et seq.)

The custodian will permit the government record to be inspected, examined, and copied pursuant to N.J.S.A. 47:1A-5 et seq. by any person during regular business hours. In the case of a Board of Education having a total district enrollment of 500 or fewer, the custodian will permit the records to be inspected, examined and copied during not less than six regular business hours over not less than three business days per week or the entity's regularly-scheduled business hours, whichever is less, unless the government record is exempt from public access as per N.J.S.A. 47:1A-1 et seq.

Copy Purchase (N.J.S.A. 47:1A-5 et seq.)

Except as otherwise provided by law or regulation, the fee assessed for the duplication of a government record embodied in the form of printed matter shall be \$.05 per letter size page or smaller, and \$.07 per legal size page or larger. If the school district can demonstrate that its actual costs for duplication of a government record exceed the per page rates, the district shall be permitted to charge the actual cost of duplicating the record. The actual cost of duplicating the record, upon which all copy fees are based, shall be the cost of materials and supplies used to make a copy of the record, but shall not include the cost of labor or overhead expenses associated with making the copy except as provided for in N.J.S.A. 47:1A-5.c.

Actual copy costs for special copies, such as color printing or blueprints copied within the school district, shall be calculated separately. Access to electronic records and non-printed materials shall be provided free of charge, but the district may charge for the actual costs of any needed supplies such as computer discs.

If the district's calculated per copy actual cost exceeds the enumerated rates set forth in N.J.S.A. 47:1A-5.b. the school district, if challenged, must demonstrate its actual costs are indeed higher than those enumerated rates and are therefore justified.

Whenever the nature, format, manner of collation, or volume of a government record embodied in the form of printed matter to be inspected, examined, or copied pursuant to this policy is such that the record cannot be reproduced by ordinary document copying equipment in ordinary business size or involves an extraordinary expenditure of time and effort to accommodate the request, the district will charge, in addition to the actual cost of duplicating the record, a special service charge that will be reasonable and will be based upon the actual direct cost of providing the copy or copies. The custodian will provide the requestor an opportunity to review and object to the charge prior to it being incurred.

A custodian will permit access to a government record and provide a copy thereof in the medium requested if the district maintains the record in that medium. If the district does not maintain the record in the medium requested, the custodian will either convert the record to the medium requested or provide a copy in some other meaningful medium. If a request is for a record in a medium not routinely used by the district; not routinely developed or maintained by the district or requiring a substantial amount of manipulation or programming of information technology, the district will charge, in addition to the actual cost of duplication, a special charge that will be reasonable and based on the cost for any extensive use of information technology, or for the labor cost of personnel providing the service, that is actually incurred by the district or attributable to the district for the programming, clerical, and supervisory assistance required, or both.

Immediate access ordinarily will be granted to budgets, bills, vouchers, contracts, including collective negotiations agreements and individual employment contracts, and public employee salary and overtime information.

The custodian will adopt a form for the use of any person who requests access to a government record held or controlled by the district. The request form will include information in accordance with the requirements of N.J.S.A. 47:1A-5.f. Requests for access to a government record shall be in writing and hand-delivered or mailed to the custodian. The custodian will promptly comply with a request in accordance with N.J.S.A. 47:1A-5.g.

Any officer or employee of the district who receives a request for access to a government record will forward the request to the custodian of the record or direct the requestor to the custodian of the record.

The custodian will grant access to a government record or deny a request for access to a government record in accordance with N.J.S.A. 47:1A-5.i and as soon as possible, but not later than seven business days after receiving the request, provided that the record is currently available and not in storage or archived.

A custodian will post prominently in public view in the part of the office of the custodian that is open to or frequented by the public a statement that sets forth in clear, concise and specific terms the right to appeal a denial of, or failure to provide, access to a government record by any person for inspection, examination, or copying or for purchase of copies thereof and the procedure by which an appeal may be filed.

Challenge to Access Upon Denial (N.J.S.A. 47:1A-6)

A person who is denied access to a government record by the custodian, at the option of the requestor, may institute a proceeding to challenge the custodian's decision by filing an action in Superior Court or in lieu of filing an action in Superior Court, file a complaint with the Government Records Council established pursuant to Section 8 of P.L.2001, c. 404 (C.47:1A-7). If it is determined that access was improperly denied, the court or agency head shall order that access be allowed. A requestor who prevails in any proceeding shall be entitled to a reasonable attorney's fee. A public official, officer, employee, or custodian who knowingly and willfully violates N.J.S.A. 47:1A-1 et seq. and is found to have unreasonably denied access under the totality of the circumstances, shall be subject to the penalties and disciplinary proceedings in accordance with N.J.S.A. 47:1A-11.

Government Records Council (N.J.S.A. 47:1A-7 et seq.)

The Board and the custodian of records will comply with the requirements and guidelines from the Government Records Council in accordance with N.J.S.A. 47:1A-7.

Common Right Law Right of Access (N.J.S.A. 47:1A-8)

Nothing contained in N.J.S.A. 47:1A-1 et seq. will be construed as limiting the common law right of access to a government record, including criminal investigative records of a law enforcement agency.

Construction with Other Laws (N.J.S.A. 47-1A-9 et seq.)

The provisions of this policy and N.J.S.A. 47:1A-1 et seq. shall not abrogate any exemption of a public or government record from public access heretofore made pursuant to N.J.S.A. 47:1A-1 et seq.; any other statute; resolution of either or both Houses of the Legislature; regulation promulgated under the authority of any statute or Executive Order of the Governor; Executive Order of the Governor; Rules of Court; any Federal law; Federal regulation; or Federal order.

The provisions of this policy and N.J.S.A. 47:1A-1 et seq. shall not abrogate or erode any executive or legislative privilege or grant of confidentiality heretofore established or recognized by the Constitution of this State, statute, court rule or judicial case law, which privilege or grant of confidentiality may duly be claimed to restrict public access to a public or government record.

N.J.S.A. 10:4-14

8311 MANAGING ELECTRONIC MAIL

School district e-mail messages, like paper records, must be retained and destroyed according to established records management procedures as required by New Jersey's Division of Archives & Records Management (NJDARM). E-mail messages are electronic documents created and sent or received by a computer system. This definition applies equally to the contents of the communication, the transactional information, and any attachments associated with such communication. Thus, e-mail messages are similar to other forms of communicated messages, such as correspondence and memoranda.

N.J.S.A. 47:3-16, as amended, defines public records as follows:

“Public records” mean any paper, written or printed book, document or drawing, map or plan, photograph, microfilm, data processed or image processed document, sound recording or in a similar device, or any copy thereof, that has been made or required by law to be received for filing, indexing, or reproducing by any officer, commission agency, or authority of the State or any political subdivision thereof, including any subordinate boards thereof, or that has been received in the course of his/her or its official business by such officer, commission, agency, or authority of the State or of any political subdivision thereof, including subordinate boards thereof, in connection with the transaction of public business and has been retained by such recipient or its successor as evidence of its activities or because of the information contained therein.

An e-mail message that meets the criteria of the definition of public records per N.J.S.A. 47:3-16, as amended, whether it is subject to access by the general public or not, must be retained according to records retention and disposition schedules approved by the State Records Committee. No public record e-mail may be destroyed without prior consent of the NJDARM and the State Records Committee, even if the retention period for a record has expired.

Retention or disposition of e-mail messages must be related to the information they contain or the purpose they serve. The content of e-mail messages may vary considerably and therefore, the content must be evaluated to determine the length of time the message must be retained.

For the purposes of this Policy, there are non-record e-mail messages and public record e-mail messages.

Non-record e-mail messages are personal correspondence that do not meet the criteria of public records as per N.J.S.A. 47:3-16, as amended, and may be deleted at any time unless they become part of some official record as a result of a special circumstance. These types of messages may include personal correspondence not received or created in the course of school district business and may be deleted at any time since it is not an official public record. Non-record e-mail messages are also non-governmental publications that are publications, promotional material from vendors, and similar materials that are publicly available to anyone. These e-mail messages are not public records as defined by N.J.S.A. 47:3-16, as amended, unless specifically incorporated into other official public records, and may also be deleted at any time. However, if an e-mail message is used to justify an expenditure or is included in a proposal, the e-mail message becomes an official public record and must be retained according to records retention and disposition schedules in accordance with the appropriate retention schedules.

All public record e-mail messages shall be maintained by the individual who sends the e-mail message and the primary recipient. The sender and primary recipient are encouraged to print a hard copy of a public record e-mail and file the e-mail in school district files for continued access. The district may establish a district-wide system to facilitate public record e-mail management for continued access and retention. All public record e-mails shall be retained according to records retention and disposition schedules approved by the State Records Committee and no public record e-mail may be destroyed without prior consent of the NJDARM and the State Records Committee, even if the retention period for a record has expired.

An e-mail message that meets the criteria of the definition of a “government record” per N.J.S.A. 47:1A-1.1 must be made available to the public upon request under New Jersey’s Open Public Records Act during the required retention period, unless the content of the message falls under one of the exceptions contained in the Act or any other statute, regulation, Executive Order by the Governor, rule of Court, or Federal law, regulation or order.

8320 PERSONNEL RECORDS

The Board of Education believes that the orderly operation of the school district requires the retention of all records bearing upon an employee's qualifications for employment and employment history.

The Board requires that sufficient records be compiled and maintained to demonstrate an employee's qualifications for the position assigned; compliance with Federal, State, and local benefit programs; conformity to district rules; the proper conduct of evaluations; and the employee's entitlement, as appropriate, to tenure and seniority.

Only that information pertaining to the professional role of the employee and submitted by duly authorized school administrative personnel or the Board may be entered in an employee's personnel file.

The Superintendent shall be responsible for the custody and maintenance of personnel records. A single, central file of documents shall be maintained; temporary, subsidiary records will be permitted for ease in data gathering only. An employee's personnel file shall be maintained for six years following his/her termination of district service, provided the employment history record card is maintained a minimum of eighty years.

A Board of Education and private agencies that provide educational services by means of public funds shall make employee records and information available for public access pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act, but in accordance with N.J.S.A. 18A:6-120.(d) and 121.(d), and as provided in Policy and Regulation 8320 - Section H.

Personnel records may be inspected by school administrators to the extent that such inspection is required in the performance of the inspector's duties.

Board members may have access to confidential information in the personnel files of only those employees recommended for or subjected to an employment action requiring a vote of the Board or where access to the information is essential for the performance of the Board member's duties. Board member access to personnel files is limited to the relevant portion of the file and is available only through the Superintendent. Board members may freely inspect employment applications filed by candidates for district positions.

An employee may inspect his/her personnel file provided that the employee requests such access in writing, reviews the record in the presence of the administrator or designee designated to maintain the file, makes no alteration or addition to the file nor removes any material from it, and signs a log attached to the file indicating the date on which it was inspected.

An employee may appeal to the Superintendent the inclusion or exclusion of records or for appropriate administrative review of the accuracy of any record in his/her personnel file.

The Superintendent shall prepare rules enumerating the records to be maintained for each employee of this district, including, as a minimum and as appropriate to the position, the completed application form, employment contract(s), a copy of the employee's qualifying certification, transcripts, report of an employment physical examination, oath of allegiance, criminal background check, income tax forms, retirement registration, hospitalization forms, annuity forms, rate of compensation, attendance record, assignments to positions, completed evaluations, reports of disciplinary incidents, records of special awards or distinctions, and reports of annual or special physical and mental examinations.

8330 STUDENT RECORDS

The Board of Education believes that information about individual students must be compiled and maintained in the interest of the student's educational welfare and advancement. The Board will strive to balance the student's right to privacy against the district's need to collect, retain, and use information about individual students and groups of students. The Board authorizes the establishment and maintenance of student files that include only those records mandated by law, rules of the State Board of Education, authorized administrative directive, and those records permitted by this Board.

The Superintendent shall prepare, present to the Board for approval, and distribute regulations that implement this Policy and conform to applicable State and Federal law and rules of the State Board of Education.

General Considerations

The Board shall compile and maintain student records and regulate access, disclosure, or communication of information contained in educational records in a manner that assures the security of such records in accordance with the provisions of N.J.A.C. 6A:32-7.1 et seq. Student records shall contain only such information as is relevant to the education of the student and is objectively based on the personal observations or knowledge of the certified school personnel who originate(s) the record. The school district shall provide annual, written notification to parents, adult students, and emancipated minors of their rights in regard to student records and student participation in educational, occupational, and military recruitment programs. Copies of the applicable State and Federal laws and local policies shall be made available upon request. The school district shall make every effort to notify parents and adult students in their dominant language.

A nonadult student may assert rights of access only through his or her parent(s). However, nothing in N.J.A.C. 6A:32-7 shall be construed to prohibit certified school personnel from disclosing at their discretion student records to non-adult students or to appropriate persons in connection with an emergency, if such knowledge is necessary to protect the health or safety of the student or other persons.

No liability shall be attached to any member, officer, or employee of the Board permitting access or furnishing student records in accordance with N.J.A.C. 6A:32-7.1 et seq.

Student Information Directory

A student information directory is a publication of the Board that includes information relating to a student as defined in N.J.A.C. 6A:32-2.1. This information includes: name; grade level; date and place of birth; dates of school attendance; major field of study; participation in officially recognized activities; weight and height relating to athletic team membership; degrees; awards; the most recent educational agency attended by the student; and other similar information. The student information directory shall be used only by authorized school district personnel and for designated official use by judicial, law enforcement, and medical personnel and not for general public consumption. In the event the school district publishes a student information directory, the Superintendent or designee will provide a parent or adult student a ten-day period to submit to the Superintendent a written statement prohibiting the school district from including any or all types of information about the student in any student information directory before allowing access to such directory to educational, occupational, and military recruiters pursuant to N.J.S.A. 18A:36-19.1 and 20 U.S.C. §8528 - Armed Forces Recruiter Access to Students and Student Recruiting Information of the Elementary and Secondary Education Act (ESEA) of 1965 . In accordance with N.J.S.A. 18A:36-19.1, military recruiters will be provided the same access to a student information directory that is provided to educational and occupational recruiters.

School Contact Directory for Official Use

A school contact directory for official use is a compilation by the school district that includes the following information for each student: name; address; telephone number; date of birth; and school enrollment. The district shall compile and maintain a school contact directory for official use, that is separate and distinct from the student information directory. The student contact directory may be provided for official use only to judicial and law enforcement personnel, and to medical personnel currently providing services to the student in question. To exclude any information from the school contact directory for official use, the parent, adult student, or emancipated minor shall notify the Superintendent or designee in writing.

Mandated and Permitted Student Records

Mandated student records are those records school districts have been directed to compile by State statute, regulations, or authorized administrative directive in accordance with N.J.A.C. 6A:32-7.3.

Permitted student records are those student records not mandated pursuant to N.J.A.C. 6A:32-7.3, but authorized by the Board to promote the student's educational welfare. The Board shall authorize the permitted records to be collected by adopting Policy and Regulation 8330, which will list such permitted records.

Maintenance and Security of Student Records

The Superintendent or designee shall be responsible for the security of student records maintained in the school district. Policy and Regulation 8330 assure that access to such records is limited to authorized persons.

Records for each individual student may be stored electronically or in paper format. When student records are stored electronically, proper security and back-up procedures shall be administered.

Student health records, whether stored on paper or electronically, shall be maintained separately from other student records, until such time as graduation or termination, whereupon the health history and immunization record shall be removed from the student's health record and placed in the student's mandated record. Records shall be accessible during the hours in which the school program is in operation.

Any district internet website shall not disclose any personally identifiable information about a student without receiving prior written consent from the student's parent, in accordance with the provisions of N.J.S.A. 18A:36-35. Personally identifiable information means student names; student photos; student addresses; student e-mail addresses; student phone numbers; and locations and times of class trips.

Access to Student Records

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records. Access to student records shall be provided to persons authorized such access under N.J.A.C. 6A:32-7.1 et seq. within ten days of a request, but prior to any review or hearing conducted in accordance with N.J.A.C. 6A.

The district shall control access to, disclosure of, and communication regarding information contained in student health records to assure access only to people permitted by Federal and State statute and regulations in accordance with N.J.A.C. 6A:32-7.5.

The district may charge a reasonable fee for reproduction of student records, not to exceed the schedule of costs set forth in N.J.S.A. 47:1A-5, provided that the cost does not effectively prevent the parents or adult students from exercising their rights under N.J.A.C. 6A:32-7 or other Federal and State rules and regulations regarding students with disabilities, including N.J.A.C. 6A:14.

Access to and disclosure of a student's health record shall meet the requirements of the Family Education Rights and Privacy Act, 34 C.F.R. Part 99 (FERPA).

Only authorized organizations, agencies, or persons as defined in N.J.A.C. 6A:32-7.5 shall have access to student records, including student health records.

Nothing in N.J.A.C. 6A:32-7.1 et seq. or in Policy and Regulation 8330 shall be construed to prohibit school personnel from disclosing information contained in the student health record to students or adults in connection with an emergency, if such knowledge is necessary to protect the immediate health or safety of the student or other persons.

In complying with N.J.A.C. 6A:32-7 – Student Records, individuals shall adhere to requirements pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act (OPRA) and 34 CFR Part 99, the Family Educational Rights and Privacy Act (FERPA).

Conditions for Access to Student Records

All authorized organizations, agencies, and persons defined in N.J.A.C. 6A:32-7.1 et seq. shall have access to the records of a student subject to conditions outlined in N.J.A.C. 6A:32-7.6(a).

Rights of Appeal for Parents and Adult Students

Student records are subject to challenge by parents and adult students on the grounds of inaccuracy, irrelevancy, impermissible disclosure, inclusion of improper information or denial of access to organizations, agencies, and persons in accordance with N.J.A.C. 6A:32-7.7(a).

To request a change in the record or to request a stay of disclosure pending final determination of the challenged procedure, the parent or adult student shall follow the procedures pursuant to N.J.A.C. 6A:32-7.7(b).

Appeals relating to student records for students with disabilities shall be processed in accordance with the requirements of N.J.A.C. 6A:32-7.7(b).

Regardless of the outcome of any appeal, a parent or adult student shall be permitted to place in the student record a statement commenting upon the information in the student record or setting forth any reasons for disagreement with the decision made in the appeal. Such statements shall be maintained as part of the student's record as long as the contested portion of the record is maintained. If the contested portion of the record is disclosed to any party, the statement commenting upon the information shall also be disclosed to that party.

Retention and Disposal of Student Records

A student's record is considered to be incomplete and not subject to the provisions of the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq., while the student is enrolled in the school district. The school district shall retain the student health record and the health history and immunization record according to the School District Records Retention Schedule, as determined by the New Jersey State Records Committee.

Student records of currently enrolled students, other than that described N.J.A.C. 6A:32-7.8(e) may be disposed of after the information is no longer necessary to provide educational services to a student and in accordance with the provisions of N.J.A.C. 6A:32-7.8(b).

Upon graduation or permanent departure of a student from the school district, the parent or adult student shall be notified in writing that a copy of the entire student's record will be provided to them upon request. Information in student records, other than that described in N.J.A.C. 6A:32-7.8(e) may be disposed of, but only in accordance with the Destruction of Public Records Law, N.J.S.A. 47:3-15 et seq. Such disposition shall be in accordance with the provisions of N.J.A.C. 6A:32-7.8(c)2.

No additions shall be made to the record after graduation or permanent departure without the prior written consent of the parent or adult student.

In accordance with N.J.A.C. 6A:32-7.8(e), the New Jersey public school district of last enrollment, graduation, or permanent departure of the student from the school district shall keep for 100 years a mandated record of a student's name, date of birth, name of parents, gender, health history and immunization, standardized assessment results, grades, attendance, classes attended, grade level completed, year completed, and years of attendance.

8335 FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Board of Education policies and regulations will be in compliance with the requirements of the Family Educational Rights and Privacy Act (FERPA). FERPA affords parents and adult students certain rights with respect to the student's education records. FERPA requires the district to provide parents and adult students the right to inspect and review the student's education records within forty-five days of the day the school district receives a request for access, to request an amendment(s) of the student's education records the parent or adult student believes are inaccurate, and to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

FERPA permits disclosure of student records without consent if the disclosure is to school officials with legitimate educational interests. FERPA permits the school district to disclose education records without a parent's or adult student's consent to officials of another school district in which a student seeks or intends to enroll. FERPA requires a school district to make a reasonable attempt to notify the parent or adult student of the records request unless it states in its annual notification that it intends to forward records on request.

The parent or adult student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

The New Jersey Administrative Code 6A:32-7 – Student Records adopted by the New Jersey Department of Education incorporates the requirements of FERPA and Board of Education Policy 8330 ensures parents and adult students are afforded certain rights with respect to the student's education records as required by FERPA.

8350 RECORDS RETENTION

The New Jersey Department of the Treasury - Records Management Services places all public records on Records Retention Schedules that list the minimum legal and fiscal time periods public records must be retained by State and local governmental and educational agencies. Records Management Services determines these retention periods in conformance with State and Federal codes, regulations, and statutes of limitation. Final approval of the schedules comes from the State Records Committee, which is comprised of representatives of the Attorney General, State Treasurer, State Auditor, Director of Local Government Services, and the director of the division.

Part and parcel to a good records management program is the timely destruction of records once their retention period has expired. This pertains to the destruction of paper records as well as those that are microfilmed, have been imaged, or are electronic. Unique records disposal request (such as the disposal of fire damaged records which have not yet outlived their retention period) require specific authorization from the State Records Committee.

As per the Destruction of Public Records Act of 1953 (P.L. 1953, c. 410), the Board of Education must receive prior written authorization from Records Management Services to dispose of their public records regardless of the medium in which the information is maintained. Authorization to dispose public records shall be submitted electronically by the school district custodian of such records to Records Management Services. Records must be retained in accordance with the Records Retention Schedules and shall not be disposed until approval for such disposal is obtained from Records Management Services.

8420 EMERGENCY AND CRISIS SITUATIONS

The Board of Education recognizes its responsibility to provide for the safety and security in each school building in the district. The district will develop and implement comprehensive written plans, procedures, and mechanisms to provide for the protection of health, safety, security, and welfare of the school population; the prevention of, intervention in, response to and recovery from emergency and crisis situations; the establishment and maintenance of a climate of civility; and supportive services for staff, students, and their families.

“School security drill” means an exercise, other than a fire drill, to practice procedures that respond to an emergency situation including, but not limited to, a bomb threat, non-fire evacuation, lockdown, or active shooter situation and that is similar in duration to a fire drill.

The Superintendent of Schools or designee shall consult with law enforcement agencies, health and social services provider agencies, emergency management planners, and school and community resources, as appropriate, in the development of the school district’s plans, procedures, and mechanisms for school safety and security. The plans, procedures, and mechanisms shall be consistent with the provisions of N.J.A.C. 6A:16-5.1 and the format and content established by the Domestic Security Preparedness Task Force, pursuant to N.J.S.A. App. A:9-64 et seq., and the Commissioner of Education and shall be reviewed annually, and updated as appropriate.

A copy of the school district’s school safety and security plan shall be disseminated to all school district employees. New employees shall receive a copy of the school district’s safety and security plan, as appropriate, within sixty days of the effective date of their employment. All employees shall be notified in writing, as appropriate, regarding updates and changes to the school safety and security plan.

The school district shall develop and provide an in-service training program for all school district employees to enable them to recognize and appropriately respond to safety and security concerns, including emergencies and crisis, consistent with the school district’s plans, procedures, and mechanisms for school safety and security and the provisions of N.J.A.C. 6A:16-5.1. New employees shall receive this in-service training, as appropriate, within sixty days of the effective date of their employment. This in-service training program shall be reviewed annually and updated, as appropriate.

The Board shall ensure individuals employed in the district in a substitute capacity are provided with information and training on the district's practices and procedures on school safety and security including instruction on school security drills, evacuation procedures, and emergency response protocols in the district and the school building where the individuals are employed in accordance with the provisions of N.J.S.A. 18A:41-7.

Every Principal of a school of two or more rooms, or of a school of one room, when located above the first story of a building, shall have at least one fire drill and one school security drill each month within the school hours, including any summer months during which the school is open for instructional programs, and shall require all teachers of all schools, whether occupying buildings of one or more stories, to keep all doors and exits of their respective rooms and buildings unlocked during the school hours, except during an emergency lockdown or an emergency lockdown drill. Where school buildings have been provided with fire escapes, they shall be used by a part or all of the students performing every fire drill. An actual fire or school security emergency that occurs at a school during the month and that includes activities which are the equivalent of a drill shall be considered a drill for the purposes of meeting the requirements of N.J.S.A. 18A:41-1.

Every school in the district shall conduct a school security drill within the first fifteen days of the beginning of the school year.

The Principal or designee will provide local law enforcement or other emergency responders, as appropriate, with a friendly notification at least forty-eight hours prior to holding a school security drill. A law enforcement officer shall be present at a minimum of one school security drill in each school year in order to make recommendations on any improvements or changes to school security drill procedures that the officer may deem advisable in accordance with N.J.S.A. 18A:41-1.

Such drills and in-service training programs shall be conducted in accordance with a building security drill guide and training materials that educate school employees on proper evacuation and lockdown procedures in a variety of emergency situations on school grounds in accordance with N.J.A.C. 6A:16-5.1.

The school district will be required to annually submit a security drill statement of assurance to the New Jersey Department of Education by June 30 of each school year. Each school in the district will be required to complete a security drill record form as required by the New Jersey Department of Education.

8431 PREPAREDNESS FOR TOXIC HAZARD

The Board of Education is concerned for the safety of the students and staff members assigned to district schools and will take reasonable steps to protect students and staff members from hazards that may result from industrial accidents beyond the control of school officials.

The Board will appoint an employee to serve as Toxic Hazard Preparedness (THP) Officer. The THP Officer will, in accordance with procedures prepared by the Superintendent, identify potential sources of toxic hazard and develop a plan that includes preventive and remedial measures to be followed in the event students and staff members are exposed to a toxic hazard. The plan will also include a system for the periodic evaluation of school environments.

The THP Officer will enlist the aid of county and municipal authorities and, if possible, the owners or operators of identified potential sources of toxic hazard. The Board may, in its discretion, appoint and charge an ad hoc committee of community representatives to assist the THP Officer.

The plan for toxic hazard preparedness developed by the THP Officer and approved by this Board will be disseminated to the public. Teaching staff members will be instructed in the specific measures to be taken when toxic hazard is present and in the recognition of toxic hazards in the environment. A teaching staff member who detects a toxic hazard in school shall immediately notify the school Principal and the school nurse or, in the absence of either, the person authorized to perform that office.

Nothing in this policy should be construed in any way as an assumption of liability by the Board of Education for any death, injury, or illness that is the consequence of an accident or equipment failure or negligent or deliberate act beyond the control of the Board or its officers and employees.

8441 CARE OF INJURED AND ILL PERSONS

The Board of Education will provide the prompt and appropriate medical attention for students, staff members, or visitors who are injured or become ill on school grounds or during a school sponsored event, activity, or field trip.

Any injury or illness shall be reported immediately to the school nurse or, in the absence of the school nurse, the Building Principal or designee. Immediate steps may be taken as necessary to remove the injured or ill person from danger and/or to prevent exacerbation of the injury or illness. Basic first aid may be administered by district personnel to ensure the safety and comfort of the injured or ill person until the school nurse or other medical professional arrives on the scene.

The parent of an injured or ill student and, if necessary, the family of an injured or ill staff member or visitor will be notified promptly of the injury or illness and the ongoing health status of the injured or ill person. If the school nurse or school physician or, in the absence of both, the Principal or designee determines the injured or ill person should receive a medical examination from their medical professional, the parent or family member will be required to remove the injured or ill person from the school or school event or activity. In the event a serious health emergency occurs on school grounds or during a school sponsored event, activity, or field trip, emergency medical assistance will be contacted.

In the event it is determined by the school nurse and/or a medical professional that a student shall be immediately transported to a hospital or other emergency medical facility, a school staff member, if a parent or their designee is not on the scene, shall accompany the student to a hospital or other emergency medical facility.

The school nurse(s), in consultation with the school physician, will develop basic emergency first aid procedures for the emergency treatment of an injury or illness in the event a school staff member may be in the position to provide emergency first aid until the school nurse or other medical professional arrives on the scene.

Injuries and disabilities that occur in the course of the athletic program are subject to the provisions of Policy 2431 and implementing regulations. Student disabilities attributable to substance abuse will be handled in accordance with Policy 5530. Injuries that occur in the course of school bus transportation will be handled in accordance with regulations implementing Policy 8630.

8442 REPORTING ACCIDENTS

The Board of Education directs that all reasonable efforts be made to ensure a safe learning and working environment for the students and employees of this district. To that end and to the end that legitimate employee claims for worker's compensation be expedited, the Board requires that accidents be reported and evaluated. Any accident that results in an injury, however slight, to a student, an employee of the Board, or a visitor to the schools must be reported promptly and in writing to the district business office. Injured persons shall be referred immediately to the school nurse for such medical attention as may be appropriate.

The injured employee or visitor or the staff member responsible for an injured student shall complete a form, available in the office of the Building Principal, that includes the date, time and place of the incident; the names of persons involved; the nature of the injury, to the extent that it is known; and a description of all relevant circumstances.

A copy shall be retained by the Building Principal and a copy shall be sent to the business office.

Any employee of the Board who suffers a job-related injury must report the injury and its circumstances to the Building Principal or job supervisor, as appropriate, no later than twenty-four hours following the occurrence of the injury. The failure of an employee to comply with this mandate may result in disciplinary action.

8451 CONTROL OF COMMUNICABLE DISEASE

The Board of Education recognizes that control of the spread of communicable disease is essential to the well-being of the school community and to the efficient operation of the schools.

The Board shall be bound by the statutes and by rules of the State Board of Education for the exclusion and readmission of students who have contracted a communicable disease and of teachers and students who have been exposed to a communicable disease and for the instruction of teachers in health and the prevention of disease. The Board shall comply with regulations of the New Jersey Department of Health and the Passaic County Board of Health governing the prevention, control, and reporting of communicable disease.

The teacher may exclude from the classroom and the Principal may exclude from the school building any student who appears to be ill or has been exposed to a communicable disease. A student may be isolated in school to await the arrival of or instructions from an adult member of his/her family. If the school medical inspector or the school nurse is present in the building, his/her recommendation shall be sought before any such exclusion or isolation is ordered.

Any student retained at home or excluded from school by reason of having or being suspected of having a communicable disease shall not be readmitted to his/her classroom until he/she presents written evidence of being free of communicable disease. That evidence may be supplied by the school medical inspector or another qualified physician who has examined the student.

Any student or adult who has weeping skin lesions that cannot be covered shall be excluded from school.

The Superintendent shall develop procedures for the control of communicable disease that include the instruction of teaching staff members in the detection of disease and measures for its prevention and control; the removal from school premises to the care of a responsible adult for students identified and excluded in accordance with this policy; the preparation of standards for the readmission of students who have recovered from communicable disease; the provision of appropriate home instruction to excluded students in accordance with law; and the filing of reports as required by law.

8453 HIV/AIDS

The Board of Education will comply with rules of the State Board of Education and the State Department of Health and Senior Services with regard to the admission and employment of persons who may be diagnosed with Acquired Immune Deficiency Syndrome (AIDS) or infected with Human Immunodeficiency Virus (HIV). "AIDS" means a condition affecting a person who has a reliably diagnosed disease that meets the criteria for AIDS specified by the Center for Disease Control of the United States Public Health Services. "HIV infection" means infection with the human immunodeficiency virus or any other related virus identified as a probable causative agent of AIDS. Laboratory results indicative of infection with HIV shall mean laboratory results showing the presence of HIV or components of HIV, or laboratory results showing the presence of antibodies to HIV, or results from laboratory tests conducted to measure the presence of HIV RNA (viral load tests), such as quantitative PCR tests.

AIDS or HIV infection shall not be considered a communicable disease for purposes of admission to or attendance in a school or for eligibility for educational transportation.

In accordance with N.J.A.C. 6A:16-1.4(a)8, no person, student or employee, will be excluded from school solely because he/she is infected with HIV or lives with or is related to a person infected with HIV. Students infected with HIV, including those who may be symptomatic or diagnosed with AIDS, may be excluded from school only as a student not infected with HIV or diagnosed with AIDS may be excluded from school. A school employee infected with HIV may be restricted in his/her employment only if the employee has another illness that would affect his/her employment.

Any student excluded from the regular school program will be provided with home instruction in accordance with rules of the State Board of Education and Policy No. 2412.

No student, staff member, or visitor may attend or visit school if he/she has an un-coverable and/or uncovered weeping skin lesion, whether or not the person has been screened for HIV.

It is not required that anyone in the school be especially notified that an HIV-infected student or employee is present. School employee physicals, student physicals and athletic physicals do not require disclosure of HIV status. Records of health and medical examinations should not include information about an individual's infection with HIV. Therefore, HIV/AIDS status is an exception to records required pursuant to student physical examinations, N.J.A.C. 6A:16-2.2, and school employee physical examinations, N.J.A.C. 6A:32-6.1 et seq. In the event the school nurse or a school official is apprised that a student or employee is HIV-infected, the fact of the infection will be held in strict confidence and will not be classified as a communicable disease for admission, local health reporting or educational transportation.

Information that identifies a student as having an HIV infection or AIDS shall be shared only with prior written informed consent of the student age twelve or greater, or of the student's parent(s)/legal guardian(s) as required by N.J.S.A. 26:5C-1 et seq. and only for the purpose of determining an appropriate educational program for the student. The person who receives such information shall not reveal it to any other person without the express written consent of the minor student's parent(s) or legal guardian(s), or the adult student.

The Board shall annually provide students, parent(s) or legal guardian(s), staff members, school volunteers, and members of the community with information intended to increase awareness of HIV and AIDS, including information regarding the nature of the disease and its prevention. The Board will cooperate with other agencies to provide HIV/AIDS awareness information to the community.

8454 MANAGEMENT OF PEDICULOSIS

The Board of Education and the Superintendent are committed to ensuring a safe and healthy environment for all students and staff members in order to maximize academic achievement. Furthermore, the district values effective collaboration, critical thinking, thoughtful reflection, ethical responses to all challenges and fluent and precise communication between learners, educators, and the wider community.

It is recognized by the Board of Education and the Superintendent that head lice do not cause disease, but their presence is the cause of much emotion and unnecessary absences from school. The district recognizes that head lice infestations are not a sign of uncleanliness, they are not the source of disease, and they pose no hazards to health.

Head lice do not signify an infection, but rather an infestation and while infestations may not be a health threat, they often become a social issue. Misinformation about head lice is often the source of anxiety and sometimes anger in school and parent communities. In addition, outdated “no nit” policies are the cause for unnecessary absences from school which may negatively affect academic performance.

The goal of the district in managing cases of head lice is to provide a safe and healthy environment for learning, one in which adults collaborate to:

1. Establish evidence-based management protocols for students with head lice;
2. Educate students, staff, and parents in the management of head lice in accordance with up-to-date scientific research.

Through this approach, thoughtful, confidential, and evidence-based care will be delivered by school personnel. Moreover, academic performance will be maximized and unnecessary absences due to the exclusion of students with head lice will be minimized.

8461 REPORTING VIOLENCE, VANDALISM, HARASSMENT,
INTIMIDATION, BULLYING, ALCOHOL,
AND OTHER DRUG OFFENSES

The Board of Education shall observe “School Violence Awareness Week” during the week beginning with the third Monday in October of each year by organizing activities to prevent school violence. Activities shall include, but are not limited to, age-appropriate opportunities for student discussion on conflict resolution, issues of student diversity, and tolerance. The Board shall invite law enforcement personnel to join members of the teaching staff in the discussions and provide programs for school employees that are designed to help them recognize warning signs of school violence and to instruct them on recommended conduct during an incident of school violence. The Board of Education shall disseminate to students’ parents an informational pamphlet prepared by the New Jersey Department of Education (NJDOE) on how a parent can limit a child’s exposure to violence on television, cell phones, computers, and other electronic devices, on an annual basis pursuant to N.J.S.A. 18A:40-44.

In accordance with N.J.A.C. 6A:16-5.3, any school employee who observes or has direct knowledge from a participant or victim of an act of violence; including harassment, intimidation, and bullying; or the possession or distribution of alcohol or other drugs on school grounds, and any school employee who reports a student for being under the influence of alcohol or other drugs, according to the requirements of N.J.S.A. 18A:40A-12 and N.J.A.C. 6A:16-4.3, shall file a report describing the incident to the school Principal, in accordance with N.J.S.A. 18A:17-46. The report shall be on a form adopted by the Board to include all of the incident detail and offender and victim information that are reported on the Student Safety Data System (SSDS).

A report alleging an incident of harassment, intimidation, or bullying shall be made in accordance with the provisions of N.J.S.A. 18A:37-13.1 and Policy 5512.

The Building Principal, for each incident of violence; including harassment, intimidation, and bullying, vandalism, and alcohol and other drug offenses shall review the incident report for accuracy; forward a copy of the incident report to the Superintendent; and notify the Superintendent of the action taken regarding the incident. The Board shall not discharge or subject to any manner of discrimination any school employee who files a report pursuant to N.J.A.C. 6A:16-5.3.

The majority representative of the school employees' bargaining units shall have access monthly to the number and disposition of all reported acts of school violence, including harassment, intimidation, and bullying, and vandalism, pursuant to N.J.S.A. 18A:17-46. Personally identifying information may be provided to the majority representative of the school employees' bargaining units only in instances when school administrators have reason to believe that the safety of a school staff member is at risk.

Twice each school year, once between September 1 and January 1 and once between January 1 and June 30, the Superintendent shall report to the Board at a public meeting all acts of violence, including harassment, intimidation, and bullying, vandalism, and alcohol and other drug offenses that occurred during the previous reporting period, according to the provisions of N.J.S.A. 18A:17-46 and N.J.A.C. 6A:16-5.3. The report shall include the number of reports of harassment, intimidation, or bullying, the status of all investigations, the nature of the bullying based on one of the protected categories identified in section 2 of P.L.2002, c.83 (C.18A:37-14), the names of the investigators, the type and nature of any discipline imposed on any student engaged in harassment, intimidation, or bullying, and any other measures imposed, training conducted, or programs implemented, to reduce harassment, intimidation, or bullying. The information shall also be reported once during each reporting period to the NJDOE . The report must include data broken down by the enumerated categories as listed in section 2 of P.L.2002, c.83 (C.18A:37-14), and data broken down by each school in the district, in addition to district-wide data. It shall be a violation to improperly release any confidential information not authorized by Federal or State law for public release.

The report shall be used to grade each school for the purpose of assessing its effort to implement policies and programs consistent with the provisions of P.L. 2002, c.83 (C.18A:37-13 et seq.). The district shall receive a grade determined by averaging the grades of all the schools in the district. The Commissioner shall promulgate guidelines for a program to grade schools for the purposes of N.J.S.A. 18A:17-46. The grade received by a school and the district shall be posted on the homepage of the school's website. The grade for the district and each school of the district shall be posted on the homepage of the district's website. A link to the report shall be available on the district's website. The information shall be posted on the websites within ten days of the receipt of a grade by the school and district.

Whenever it is alleged a school employee has knowingly falsified reported information on acts of violence or vandalism, or any incident included in the annual report on violence and vandalism required under N.J.S.A. 18A:17-46, the Board shall make a determination regarding whether the employee committed the act. The Board shall provide written notice of the allegations to the employee and the employee shall be entitled to a hearing

before the Board in accordance with the provisions of N.J.A.C. 6A:16-5.3(f). Upon a determination by the Board that an employee has knowingly falsified reported information, the Board may take appropriate action .

8465 BIAS CRIMES AND BIAS-RELATED ACTS

The Board of Education is committed to providing a safe and healthy environment for all children in the school district. Bias crimes and bias-related acts involving students can lead to further violence and retaliation. Bias crimes and bias-related acts, by their nature are confrontational, inflame tensions, and promote social hostility and will not be tolerated by the school district. The school district employees will work closely with local law enforcement and the county prosecutor's office to report or eliminate the commission of bias crimes and bias-related acts.

Definitions

A "bias crime" means any criminal offense where the person or persons committing the offense acted with a purpose to intimidate an individual or group of individuals because of race; color; religion; gender; disability; sexual orientation; gender identity or expression; national origin; or ethnicity.

A "bias-related act" means an act directed at a person, group of persons, private property, or public property that is motivated in whole or in part by racial; gender; disability; religion; sexual orientation; gender identity or expression; national origin; or ethnic prejudice. A bias-related act need not involve conduct that constitutes a criminal offense.

All bias crimes are also bias-related acts, but not all bias-related acts will constitute a bias crime.

Required Actions

School employees shall immediately notify the Principal and the Superintendent or designee when in the course of their employment they develop reason to believe a bias crime or bias-related act has been committed or is about to be committed in accordance with N.J.A.C. 6A:16-6.3(e).

The Superintendent or designee shall promptly notify the local police department and the bias investigation officer for the county prosecutor's office when a bias crime or bias-related act has been committed or is about to be committed in accordance with N.J.A.C. 6A:16-6.3(e)1.

The Superintendent or designee shall promptly notify the local police department and the bias investigation officer for the county prosecutor's office where there is reason to believe that a bias crime or bias-related act that involves an act of violence has been or is about to be physically committed against a student or there is otherwise reason to believe that a life has been or will be threatened in accordance with N.J.A.C. 6A:16-6.3(e)2.

It is understood a referral to the local police department or county prosecutor's office pursuant to the Memorandum of Agreement between Education and Law Enforcement Officials is only a transmittal of information that might be pertinent to a law enforcement investigation and is not an accusation or formal charge.

Unless the local police department or the county prosecutor's office request otherwise, the school district may continue to investigate a suspected bias crime or bias-related act occurring on school grounds and may take such actions as necessary and appropriate to redress and remediate any such acts.

School officials will secure and preserve any such graffiti or other evidence of a suspected bias crime or bias-related act pending the arrival of the local police department or the county prosecutor's office. The school officials, where feasible, will cover or conceal such evidence until the arrival of the local police department or county prosecutor's office.

- Grains (including optional meat/meat alternate)
- Milk

Students are allowed to decline one of the four food items offered, but must select at least a half cup of either fruit or half cup of vegetable or half cup of a fruit/vegetable combination.

After taking the half cup fruit or half cup of vegetable or half cup of a fruit/vegetable combination, students must select at least two additional food items in the full amounts (per grade group requirements) to count toward the reimbursable offer versus serve meal.

A student's decision to accept all four food items or to decline one food item shall not affect the price charged for the meal as the breakfast is priced as a unit. If students do not choose enough food items to comprise a reimbursable meal, a la carte prices will be charged.

School staff members cannot make exceptions to the Policy, such as requiring every student to take a particular food component. It is the student's choice to select any three or all four food items of the reimbursable meal.

At each school implementing this OVS Policy, school food service staff members will be trained annually on the provisions of the district's Breakfast OVS Policy.

A parent may request a household application and instructions from the Principal of their child's school. A household application must be completed before eligibility is determined. Where necessary, the Principal or designee shall assist the applicant in the preparation of the household application.

8550 MEAL CHARGES/OUTSTANDING
FOOD SERVICE BILL

The Board of Education shall establish a meal charge program to permit students in the district to charge for breakfast or lunch. Collection of any payment for a meal charge program account that is in arrears shall be addressed in accordance with provisions of this Policy.

The Board of Education recognizes a student may forget to bring breakfast or lunch (meal), as applicable, or money to purchase a meal to school on a school day. In this circumstance, the food service program will provide the student a meal and will inform the Principal or designee. The Principal or designee will contact the student's parent to provide notice of an outstanding meal bill and will provide the parent with a period of ten school days to pay the amount due. If the student's parent has not made full payment by the end of the ten school days, the Principal or designee shall again contact the parent with a second notice informing the parent of any action to be taken by the school district in response to a student's school breakfast or school lunch bill being in arrears. Such action may include denying the student school breakfast or lunch. A school district shall report at least biannually to the New Jersey Department of Agriculture the number of students who are denied school breakfast or school lunch in accordance with N.J.S.A. 18A:33-21a. and this Policy.

The school district shall not:

1. Publicly identify or stigmatize a student who cannot pay for a meal or whose school meal bill is in arrears. (For example, by requiring the student to sit at a separate table or wear a wristband, hand stamp, or identifying mark or by serving the student an alternative meal);
2. Require a student who cannot pay for a school meal or whose school meal bill is in arrears to do chores or other work to pay for the school meal; or
3. Require a student to discard a school meal after it has been served because of the student's inability to pay for a school meal or because money is owed for previously provided meals.

If a student owes money for the equivalent of five or more school meals at any time during the school year, the Principal or designee shall:

1. Determine if the student is eligible for a free or reduced-price school meal;
2. Make at least two attempts, not including the application or instructions provided to the parent each school year pursuant to N.J.S.A. 18A:33-21b.; to contact the student's parent and have the parent fill out an application for the school lunch program and school breakfast program; and
3. Contact the student's parent to offer assistance with the application for the school lunch and school breakfast program; determine if there are other issues within the household that have caused the child to have insufficient funds to purchase a school breakfast or school lunch; and offer any other appropriate assistance.

The school district shall direct communications about a student's school meal bill being in arrears to the parent and not the student. The school district's contact with the parent may be via email or telephone call. Nothing in N.J.S.A. 18A:33-21 shall prohibit the school district from sending a student home with a letter addressed to a parent.

If the student's meal bill is in arrears, but the student has the money to purchase a meal on a subsequent school day, the student will be provided a meal with payment and the food service program will not use the student's payment to repay previously unpaid charges if the student intended to use the money to purchase that school day's meal.

A parent who has received a second notice their child's meal bill is in arrears and who has not made payment in full within one week from the date of the second notice will be requested to meet with the Principal or designee to discuss and resolve the matter.

A parent's refusal to meet with the Principal or designee or take other steps to resolve the matter may be indicative of more serious issues in the family or household. However, when a parent's routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child abuse or neglect, the Principal or designee shall immediately report such suspicion to the Department of Children and Families, Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent's meeting with the Principal or designee.

Students receiving free meals will not be denied a meal even if they accrued a negative balance from other purchases in the cafeteria.

In accordance with N.J.S.A 18A:33-21b., at the beginning of each school year, and upon initial enrollment in the case of a student enrolling during the school year, the school district shall provide to the parent of each student:

1. Information on the National School Lunch Program and the Federal School Breakfast Program;
2. An application to apply for the school lunch and school breakfast programs and instructions for completing the application; and
3. Information on the rights of students and their families under N.J.S.A. 18A:22-21 et seq.

The school district may provide the application and information electronically through the means by which the school district communicates with parents electronically. The application and information shall be in a language the parent understands.

The school district's liaison for the education of homeless children shall coordinate with school district personnel to ensure that a homeless student receives free school meals and is monitored according to the school district policies pursuant to N.J.S.A. 18A:33-21c.

The school district may post this Policy on the school district's website provided there is a method in place to ensure this Policy reaches all households without access to a computer or the Internet.

The Board of Education is ultimately responsible for ensuring all procurement procedures for any purchases by the Board of Education and/or a food service management company (FSMC) comply with all Federal regulations, including but not limited to: 7 CFR Parts 210, 220, 225, 226, 245, 250; 2 CFR 200; State procurement statutes and administrative codes and regulations; local Board of Education procurement policies; and any other applicable State and local laws.

The procurement procedures contained in this Policy will be implemented beginning immediately, until amended. All procurements must maximize full and open competition. The Board of Education intentionally seeks to prohibit conflicts of interest in all procurement of goods and services.

A. General Procurement

The procurement procedures will maximize full and open competition, transparency in transactions, comparability, and documentation of all procurement activities. The school district's plan for procuring items for use in the School Nutrition Programs is as follows:

8601 STUDENT SUPERVISION AFTER SCHOOL DISMISSAL

The Board of Education adopts this Student Supervision After School Dismissal Policy as a result of the New Jersey Supreme Court's decision in *Joseph Jerkins, an infant by his Guardian Ad Litem, Charles Jerkins; Charles Jerkins and Toni Jerkins, individually, v. Soweto Anderson; Kemba N. Anderson; John Does 1-10 (fictitious individuals) and ABC Corporations 1-10 (fictitious entities), and Board of Education of Pleasantville Public Schools and Rosemary Clarke*.

The New Jersey Supreme Court, in *Jerkins*, indicated dangers exist for younger students at dismissal as children are susceptible to numerous risks, including negligent conduct, when leaving school property. Because of these risks, the Board of Education adopts and requires the implementation of Policy 8601 for the supervision of younger students after dismissal. The supervision provisions of Policy Guide 8601 are applicable to parents or legal guardians of students attending district-operated schools or programs in grades Kindergarten to six who are not eligible for district-provided transportation after dismissal or are eligible and elect not to use district-provided transportation after dismissal.

Any parent(s) or legal guardian(s) of a student attending a district-operated school or program in grades Kindergarten to six, where the student is not eligible for district-provided transportation or is eligible and elects not to use district-provided transportation after dismissal may request the school or program not release the student to walk home after dismissal unless the student is released to the parent(s) or legal guardian(s) or escort(s) designated by the parent(s) or legal guardian(s). The parent(s) or legal guardian(s) designated escort(s) must be at least eighteen years old. The parent(s) or legal guardian(s) may designate up to two escorts. The parent(s) or legal guardian(s) requesting their child(ren) only be released to a parent(s) or legal guardian(s) or parent(s) or legal guardian(s)-designated escort after dismissal must submit a completed Request for Supervision at Dismissal from School Form to the Principal or designee, or program administrator.

The Form shall be made available to parent(s) or legal guardian(s) in the beginning of the school year.

Only those parents or legal guardians requesting the school or program not release their child(ren) to walk home after school dismissal unless the child(ren) is released to the parent(s) or legal guardian(s) or designated escort need to complete the Request Form.

In order for the school administration to effectively implement the requirements of this Policy and to ensure the safety and security of students that will be released to a parent(s) or legal guardian(s) or designated escort, the parental request shall be applicable for every school day and shall apply for a duration period of the entire school year. The Request Form must be re-submitted at the end of the duration period. In addition, a parent(s) or legal guardian(s) may rescind their Request by submitting a written request to the Principal or program administrator indicating the date in which the parent(s) or legal guardian(s) no longer requests the school provide supervision of their child(ren) after school dismissal. The child(ren) will be dismissed in accordance with typical dismissal protocol effective the date indicated in the rescinding request.

The Principal or designee, or program administrator upon receiving the Request for Supervision at Dismissal from School Form, shall notify the appropriate school staff member(s) who has supervision of the student at dismissal time at the end of the school day of the parent's or legal guardian's request. The supervising staff member that receives such notice shall retain supervision of the student when other students are dismissed from school at the end of the school day.

Each Principal or program administrator will develop and implement a written Student Supervision After School Dismissal Plan for their school building or program location. This Plan shall include the school building's or program's supervision procedures for students at the end of the school day to the designated area in the school building or program and the location of the designated area in the school building or program. The Plan shall be based on the school's or program's ability to provide supervision, the accessibility for the parent(s) or legal guardian(s) or designated escort to pick-up the child without disrupting dismissal of the remaining school population, and other considerations unique to the school building or program location. The school's or program's Student Supervision After School Dismissal Plan shall be provided to all parent(s) or legal guardian(s) that have submitted a Request Form.

In the event the parent(s) or legal guardian(s) or designated escort does not arrive to pick up their child(ren) after the dismissal time of school, the Principal or designee will attempt to contact the parent(s) or legal guardian(s) using the district's emergency call procedures.

The student(s) shall be supervised by school staff in the designated area of the building and will only be released when the parent(s) or legal guardian(s) or designated escort arrives to pick up the student and signs the student out of school.

In order to ensure the safety of other students being dismissed from school in accordance with typical school dismissal protocol, to limit interaction of parent(s) or legal guardian(s) or designated escorts with other students within the building, and to avoid traffic and vehicular safety problems outside the school building, the Principal or program administrator may prohibit the parent(s) or legal guardian(s) or designated escort from entering the school building until a time period after school has dismissed or until school buses and other vehicular traffic have cleared the school site. This determination shall be made by each Principal or program administrator after considering the unique circumstances at the school building and the building's typical dismissal protocol.

In the event of an emergency such that, when an unforeseen event prevents a parent or legal guardian or designated escort from arriving for the child(ren) at dismissal within the time period designated by the Principal or program administrator, the student will remain in the same location supervised by school staff in the school building until the parent(s) or legal guardian(s) or designated escort arrives and signs the student out of school.

The school will provide parent(s) or legal guardian(s) information regarding any supervised after-school services, if any, that may be available to students at the school's facilities after formal school dismissal.

This Policy shall be published in student/school handbooks. In addition, the school district shall provide to parent(s) or legal guardian(s) in the beginning of the school year, the school's calendar to include the starting and dismissal times for full session, half-session, and early dismissal days due to weather or other emergencies. Parent(s) or legal guardian(s) shall be required to return to the school a signed acknowledgement of receipt of the student/school handbook, which shall include this Policy and the school calendar. In addition, any changes to the school's calendar made during the school year shall also be provided to parent(s) or legal guardian(s).

8613 WAIVER OF STUDENT TRANSPORTATION

The Board of Education is required to provide transportation services for the school year to an elementary student living more than two miles from the public school of attendance or to a secondary school student living more than two and one-half miles from the public school of attendance in accordance with the provisions of N.J.S.A. 18A:39-1 et seq.

The Board shall determine student transportation needs and approve student transportation routes based on all students eligible for transportation in accordance with the provisions of N.J.S.A. 18A:39-1 et seq. and any less than remote, courtesy busing, and/or hazardous route transportation determined by the Board of Education. However, while providing school bus seats for those students eligible for transportation each school year, the Board recognizes certain students eligible for transportation services voluntarily elect not to use the transportation services offered by the Board resulting in empty seats on school buses going to and from school. To assist the Board in operating the school district's transportation system in the most cost-effective manner, the Board may provide a student's parent/guardian the option of waiving transportation services for that school year in accordance with the provisions of N.J.S.A. 18A:39-1c. In the event the Board provides this option, a student's parent/guardian will be required to sign a written statement indicating the student waives transportation services for that school year. The written statement shall be in such form as determined by the New Jersey Department of Education.

In the event a parent/guardian of a student eligible for transportation services waives transportation services for that school year and circumstances change during that school year due to a family or economic hardship, the school district will reinstate the student's eligibility for transportation to and from school.

8635 STUDENT TRANSPORTATION VEHICLES AND SCHOOL BUSES

All student transportation vehicles and school buses will be scheduled to maximize their use while ensuring all routes are scheduled in a safe manner for drivers and passengers.

Student transportation vehicles and school buses will have time periods during the day between scheduled bus routes when they are not in use. These time periods may vary from route to route and vehicle to vehicle depending on issues such as a school's opening and ending times and the location of students transported to and from the school. Based on scheduling issues and the amount of time between transportation routes, the school bus driver may be required to return the school vehicle/bus to the school district transportation facility during the school day. In the event the schedule does not provide adequate time or it is not practical for the vehicle/bus to be returned to the school district's transportation facility between routes during the school day, the school bus driver may be required to park the vehicle/bus at another school building or location in the school district designated by the Supervisor of Transportation.

If the transportation route is for student transportation to and from a school building out-of-district, the driver may be required to return the transportation vehicle/bus to the district's transportation facility or to a school building or location designated by the Supervisor of Transportation for the time period between routes. In the event there is not adequate time or it is not practical for a vehicle/bus to return to the school district between out-of-district transportation routes, the Supervisor of Transportation will authorize the vehicle/bus remain at an approved location between such routes. The Supervisor of Transportation, in consultation with the driver and the out-of-district school, will designate a location for the driver to maintain the vehicle/bus in between the scheduled routes.

The safety and security of the transportation staff and the school vehicle/bus will be the most important consideration in designating an out-of-district location for vehicles that may not return to the transportation facility during the school day.

8651 COMMUNITY USE OF TRANSPORTATION

The West Milford Board of Education has made the buildings and grounds of the West Milford School District available for nonprofit use, provided that in the opinion of the Superintendent of Schools such use would not conflict with, impede or negatively affect the operation of any school-related activities. The Board may also make school-owned vehicles available to transport groups of qualified senior or handicapped citizens to civic, social, cultural, educational, recreational, nutritional and health programs and activities within the district, or in the immediately surrounding districts, provided the distance does not exceed twenty-five miles. "Qualified" senior citizens are persons over sixty residing in the area served by this school district and their spouses of less than sixty if they are accompanying them.

Further, the Board may make district buses available to groups of children and adults for transportation to and from municipal programs or events.

To maintain a cooperative working relationship with West Milford Township and neighboring districts, the Board may make district vehicles available to those groups provided such use would not conflict or negatively affect the operation of any school activity.

The Superintendent shall formulate administrative regulations in conformity with New Jersey Administrative Code and all other pertinent law. These regulations shall provide for payment by the group of all costs incurred by the district in such use of its vehicles. The regulations will also refer to, without duplicating, all current regulations governing conduct of the public on and/or using school facilities.

The Board shall approve the use of buses for all non-school purposes. The Superintendent is authorized to approve said use in consultation with the Board President or Vice President if the use is prior to a meeting of the Board.

8760 STUDENT ACCIDENT INSURANCE

The Board of Education recognizes injuries to students may occur from accidents occurring in the course of attendance at school and participation in the athletic and co-curricular programs of the school district.

In accordance with the provisions of N.J.S.A. 18A:43-1, the Board is not required to, but may arrange for, maintain, and may pay the premiums for insurance coverage by a qualified insurer for loss sustained by students through accidental means while participating in those school activities insured by the Board's insurance provider. This insurance coverage, if purchased by the Board, will not cover all school activities and will be secondary insurance requiring all claims be submitted to the student's parent's or legal guardian's insurance provider before being submitted to the school district's insurance provider. All claim decisions and payment amounts will be made by the school district's insurance provider in accordance with the terms of the insurance policy purchased by the Board. The insurance coverage provided under this program will be based on a payment schedule and may not provide for full payment of such claims.

The Board, if such insurance is provided, may require payment to the Board by students to whom the benefit of such insurance is extended, of a proportional share of premiums or any part thereof in accordance with the provisions of N.J.S.A. 18A:43-2. In the event the Board requires such payment, the amount to be paid by students shall be established by a schedule determined by the Board, but no student electing not to participate in the accident insurance coverage shall be required to make any payment toward the cost of the premiums.

The Board may provide parent(s) or legal guardian(s) the opportunity to purchase insurance coverage, at no cost to the Board, for injury resulting from accidents sustained by students occurring in the course of attendance at school and participation in the athletic and co-curricular programs of the school district.

The Superintendent and/or designee will recommend suitable and qualified insurance providers for Board consideration and approval. Parent(s) or legal guardian(s) of students who may be eligible for such insurance coverage will be notified of its availability.

In accordance with the provisions of N.J.S.A. 18A:43-3, in the event the Board elects to provide this student accident insurance, it shall not be construed to impose any liability on the part of the Board for an injury sustained by a student as a result of or in connection with any activities outlined in N.J.S.A. 18A:43-1 or as a result of or in connection with the conduct of the physical education program of the school district.

The Board of Education recognizes the acknowledgment of religious holidays in the public school may be a source of community concern. It is a goal of the district educational program to teach mutual understanding and brotherhood and respect for group differences. In pursuing this goal, the educational program may recognize that various religious groups celebrate different holidays with different practices.

In the acknowledgment or observance of any religious holiday, the Superintendent shall ensure the school and/or school officials do not mandate, organize, participate in an official capacity, endorse, persuade, compel, prevent or deny participation in constitutionally protected prayer or religion in violation of the governing principles of the First Amendment of the United States Constitution. Consistent with these principles, the Superintendent shall ensure:

1. No worship or religious service of any kind is sponsored by the school district and conducted during the school day, whether or not conducted by a clergyman;
2. Religious exhibits or displays include only materials that are a necessary or integral part of the curriculum;

9100 PUBLIC RELATIONS

The Board of Education directs the implementation of a public relations program to foster the continuing and constructive cooperation of this school district with parent(s) or legal guardian(s), community organizations and institutions, representatives of business and industry, and other members of the community served by the school district.

The Superintendent shall consult with representatives of the community in the development of educational goals for the district, objectives and standards for the educational program, and the family life education curriculum. The Board encourages the involvement of community members in the governance of the district through advisory committees, in accordance with Policy No. 9140.

The Board respects the contributions to community life made by business, industry, labor, charitable organizations, cultural institutions, volunteer associations, and other community groups that enrich the educational potential of the community. The Superintendent shall be alert to opportunities for an educational program expanded and enriched by utilization, both within and without the schools, of a diversity of community resources. A file of community resources shall be maintained in each school building.

The Board directs all district employees to acquaint residents with the work of the schools; to give thoughtful and courteous consideration to all inquiries and suggestions and carefully investigate all complaints; to make parent(s) or legal guardian(s) feel welcome in the school and in the classroom; to cooperate with parent organizations and other groups of residents seeking information or offering assistance to the schools; to treat all students with firmness, sensitivity, intelligence, and fairness so as to command their respect and enlist the cooperation of their parent(s) or legal guardian(s); and to work with others in a manner conducive to high morale and meriting the respect of the community.

Adopted: 25 April 2012

9120 PUBLIC RELATIONS PROGRAM

The Board of Education believes all reasonable means should be employed to keep the community served by the school district informed on matters of importance regarding district programs, finances, personnel, policies, and operations.

The Board will determine which of its official actions have sufficient community impact and interest to warrant special release; the Board alone will release to the news media information about those matters of importance. The Board President may release information regarding Board actions of lesser importance as they have been recorded in the minutes of the Board meetings and upon the request of media representatives. The release of all other publications, photographs, and documents depicting the accomplishments of the students and staff of the district shall be approved by the Superintendent of Schools or designee.

The school district will not release or publish photographs or release other personal identifying information of an individual district student without the prior written permission of the parent(s) or legal guardian(s) or from the adult student. Written permission slips for such release from each parent(s) or legal guardian(s) or adult student will be obtained by the Principal or designee for the students in their school building or by the Program Administrator for students in programs where a Principal is not assigned. These written permission forms shall be maintained by the Principal or Program Administrator. Group photographs may be released by the district without permission, but in no event will an individual student in a group photograph be identified by name and/or by other personal identifier without written permission from the parent(s) or legal guardian(s) or adult student.

The Superintendent of Schools shall direct an information program designed to acquaint residents of the community and the public generally with the achievements and the needs of the schools. As a minimum, information shall be disseminated regarding the district's educational goals; the district's guarantee of equal educational opportunity; the district's programs for basic skills improvement, special education, bilingual education, and English as a second language; and summary reports of the administration of Statewide assessment tests. Every effort shall be made to foresee and avoid problems caused by misunderstanding or lack of information.

The public information program may include the publication and distribution of a district newsletter, meetings with parent(s) or legal guardian(s) and interested residents, a presentation and interpretation of the proposed annual budget, periodically distributed calendars and notices of events, the Superintendent's annual report, and a student handbook, as well as the release of news and photographs of school activities for publication. Notices, publications, and other written materials may be prepared in languages other than English when necessary and appropriate for understanding.

The Board of Education adopts the following strategies to minimize the cost of public relations as defined in N.J.A.C. 6A:23A-9.3(c)14 in accordance with N.J.A.C. 6A:23A-5.2.

School district publications shall be produced and distributed in the most cost-efficient manner possible that will enable the school district to inform and educate the target community. The use of expensive materials or production techniques where lower cost methods are available and appropriate, such as the use of multi-color glossy publications instead of suitable, less expensive alternatives, is prohibited.

The school district will not distribute, via mass mailings or other means to the district community at large, publications that include the picture(s) of any members of the Board of Education within ninety days before any election in which any Board member is seeking any elective office or any election relating to school district operations held in the district. Any publication(s) distributed by the Board via mass mailings or other means to the district community at large within sixty days before any election in which any Board member is seeking any elective office or any election relating to school district operations held in the district must be submitted to the Executive County Superintendent for review prior to distribution to ensure that the public funds are being expended in a reasonable and cost-effective manner.

Public relations activities, such as booths at Statewide conferences, marketing activities and celebrations for opening schools and community events, and TV productions that are not part of the instructional program or do not provide information about district or Board operations to the public, that are excessive in nature are prohibited. All activities involving promotional efforts to advance a particular position on school elections or any referenda are prohibited.

Nothing in N.J.A.C. 6A:23A-5.2 and this Policy shall preclude the school district from accepting donations or volunteer services from community members, local private education foundations and local business owners to conduct or assist in public relations services. Examples include, but are not limited to: providing school district flyers, newsletters, or other materials containing school-related information of public concern to local businesses, public meeting places, or other local organizations to display or make available for dissemination; making school district related information of public concern available to local newspapers to publish related articles; and utilizing volunteered services of local community members, district employees, members of parent organizations or local businesses with expertise in related areas such as printing, advertising, publishing, or journalism.

The Board of Education will establish annually prior to budget preparation, a maximum dollar limit for public relations, as defined in N.J.A.C. 6A:23A-9.3(c)14. In the event it becomes necessary to exceed the established maximum dollar limit for public relations, the Superintendent of Schools shall recommend to the Board of Education an increase in the maximum dollar amount for public relations. Any increase in the maximum dollar amount shall require formal Board action.

9130 PUBLIC COMPLAINTS AND GRIEVANCES

Any person or group having a legitimate interest in the schools of this district may present a request, suggestion, or complaint concerning district personnel, the educational program, instructional or resource materials, or the operations of the district. The Board directs the establishment of procedures for the hearing and settlement of requests and complaints that provide a means for resolving them fairly and impartially, permit appropriate redress, and protect district personnel from unnecessary harassment.

When a Board member is confronted with an issue, he/she will withhold comment, commitment and/or opinion and refer the complaint or inquiry to the Superintendent, who shall review the complaint according to established procedures.

Only in those cases where satisfactory adjustment cannot be made by the Superintendent and the staff shall communications and complaints be referred to the Board for resolution.

Any misunderstandings or disputes between the public and school district staff should, whenever possible, be settled by direct, informal discussions among the interested parties. It is only when such informal meetings fail to resolve differences that more formal procedures shall be employed. A complaint about a school program or personnel should be addressed to the Building Principal; a complaint about instructional or resource materials should be addressed to the Superintendent.

The Superintendent shall establish procedures for the hearing of requests and complaints regarding district personnel, the educational program, instructional and resource materials, and the operation of the school district. Procedures will be governed by the following guidelines:

1. The matter will be resolved initially, wherever possible, by informal discussions between or among the interested parties.
2. A matter that cannot be resolved informally may be appealed at successive levels of authority, up to and including the Board of Education.
3. The complaint and its immediate resolution will be reduced to writing at the first and at each successive level of appeal.
4. A reasonable period of time, not to exceed three working days, will be permitted for the filing of an appeal in writing at each successive level. A decision at each level of appeal must be rendered in writing no later than seven working days after the appeal is filed, except that the Board shall have forty-five calendar days to make its decision.

5. In the case of complaints about instructional or resource materials, the initial complaint must set forth in writing the author, title, and publisher of the materials as well as those specific portions of the material or the work to which objection is taken; the complainant's familiarity with the work; the reasons for the objection; and the use of the work in the schools. The Superintendent shall appoint a committee of professional staff members and community representatives to review the challenged material against the standards for the selection of resource materials established by Board policy. The committee will report its findings to the Board. No challenged material may be removed from the curriculum or from a collection of resource materials except by action of the Board of Education, and no challenged material may be removed solely because it presents ideas that may be unpopular or offensive to some. Any Board action to remove material will be accompanied by the Board's statement of its reasons for the removal.
6. A complainant shall be notified that a decision of the Board may be appealed to the Commissioner of Education.

9140 CITIZENS ADVISORY COMMITTEES

The West Milford Board of Education believes that community advisory committees are useful both in keeping the Board and administration informed with regard to community opinion and in representing the community in the study of specific school issues. The Board shall, when required by law or when it finds it beneficial, appoint advisory committees to assist in research projects, long-range studies, program evaluations and development of policies or educational goals/programs. Each committee shall be appointed for a specific purpose and time. The Board may dissolve any Board-appointed committee at its sole discretion.

Such committees shall be representative of the community in relation to the tasks delegated to them and may include staff and students when appropriate. Appointees shall serve only as individuals and shall not represent an organization, geographic area, religious group, or any other subdivision of the community in an official capacity.

When appropriate, programs shall draw on the assistance from business, labor, and other organizations to develop vocational, technical and enrichment programs and provide students with practical work experience.

The Board shall adopt the committee structure and organization it deems appropriate to the assignment at hand except for funded programs where requirements are set by law. The Board is responsible for approving all members of a committee and the method of their selection in consultation with the Superintendent. Staff members shall not constitute a majority of any general community advisory committee.

Recommendations from the committee shall not reduce the responsibility of the Board, which shall be free to accept or reject the recommendations as it sees fit. Only the Board has the power to act. The chosen chairperson shall ensure that the members of the committee are informed as to the final decision of the Board.

Any publicity concerning the organization, membership, operations, findings or recommendations of any committee shall be released only by the Board designee.

In district-initiated advisory committees, the Superintendent shall draft procedures for instructing committees as to the length of time each member is asked to serve, the services the Board wishes them to render, the resources the Board intends to provide and the approximate date on which the Board wishes to dissolve the committee. Furthermore, the committee shall be instructed as to the relationship it has to the Board, to the individual Board members, to the Secretary of the Board, to the Superintendent, and to the rest of the professional staff.

The West Milford Board of Education welcomes visits to school by parent(s) or legal guardian(s), other adult residents of the community and interested educators, so long as such visits do not disrupt the classroom or school routine. Board members may visit school with approval of Board of Education President and Superintendent. In order for the educational program to continue undisturbed when visitors are present, and to prevent the intrusion of disruptive persons into the schools, the Superintendent shall devise regulations controlling visitors.

All visitors shall be required to report to the Principal's office upon entering the building.

A "visitor" is anyone other than a student enrolled in or a staff member employed in the particular school. Visitors may not consult with the teaching staff or students during class time without the Principal's permission.

When the parental rights of a parent have been terminated by court order, the legal guardian must inform the school so that the administration may apply appropriate regulations. The Principal shall obtain confirmation of legal custodianship where necessary.

The Board may bar the attendance of any person at a school event whose conduct may constitute a disruption. The Board prohibits the possession and consumption of alcoholic beverages at any function sponsored by the district, and, further, prohibits wagering on school premises. There will be no smoking at any public function held in a school building and on school grounds.

Fees for school events shall be approved by the Principal or designee.

9161 CROWD CONTROL

The Board of Education believes in order to achieve its goals for interscholastic competition, the student body and the general public attending an interscholastic event conduct themselves in such a manner as to make a positive contribution toward the educational objectives of this district.

The Board directs the Superintendent to prepare regulations for student and public behavior at interscholastic events and to publicly post such regulations and to devise procedures for the control of crowds.

The Board authorizes school officials to have expelled from any district event by the law enforcement officers on duty, any spectator who willfully violates the rules and regulations of the district or whose behavior jeopardizes the safe conduct of the event. Further, any spectator involved in continual violations of the rules and regulations shall be prohibited from attending further school events.

9181 VOLUNTEER ATHLETIC COACHES AND CO-CURRICULAR ACTIVITY
ADVISORS/ASSISTANTS

The Board of Education recognizes the services of volunteer athletic coaches and co-curricular activity advisors/assistants bring unique skills to the district, enrich the athletic and co-curricular program, assist district coaching and co-curricular staff members in the performance of their duties, and enhance the relationship between the school district and the community. Therefore, the Board authorizes a program for the utilization of volunteer athletic coaches and co-curricular activity advisors/assistants in the district.

For the purposes of this Policy, “volunteer athletic coach and co-curricular activity advisor/assistant” is a person who is not paid by the Board of Education, assisting under the direct supervision of an appropriately certified or licensed school district employee, and provides assistance for the school activity.

The Principal and Athletic Director will be responsible for the recruitment and screening of volunteer athletic coaches and co-curricular activity advisors/assistants and their assignment. The district is not obligated to utilize the proffered services of a volunteer whose abilities or interests do not serve the needs of the school district as determined by the Superintendent.

These volunteers must be persons of known character, responsibility, and integrity and must be recommended by the Superintendent and approved by the Board of Education prior to assuming any responsibilities.

The Principal and Athletic Director will prepare and promulgate rules of conduct for volunteer athletic coaches and volunteer co-curricular activity advisors/assistants. Each volunteer athletic coach and co-curricular activity advisor/assistant will be given a copy of this Policy.

The following guidelines shall govern the service of a volunteer athletic coach and volunteer co-curricular activity advisor/assistant:

1. Volunteer athletic coaches and volunteer co-curricular activity advisors/assistants may serve only under the direction and immediate supervision of a head and/or assistant coach or activity advisor or assistant employed by the Board;
2. Volunteer athletic coaches and volunteer co-curricular activity advisors/assistants must clearly understand their duties and responsibilities, and perform no services outside those duties without the presence of a certified or licensed staff member;

5. Volunteer athletic coaches and volunteer co-curricular activity advisors/assistants are not permitted access to student records;

The Board will draw on the knowledge and opinions of the community in developing mandated policies and programs in compliance with statute and administrative code, and to aid in meeting the district's identified needs.

The Board of Education encourages local businesses and individual residents who are especially qualified because of training, experience or interest to take an active part in the district's educational programs. Those persons and representatives of businesses identified by the Superintendent and the staff and approved by the Board may be invited to act as advisors in groups or individually in appropriate circumstances and situations.

The district shall also take advantage of the physical and financial resources of the community and of organizations including business when such facilities or locations provide learning and enrichment opportunities not otherwise available to our students. Student safety shall be a primary concern in making use of such resources.

In accordance with law, the administration shall identify and establish working relationships with community agencies which are involved in evaluation and treatment of drug/alcohol problems.

9200 COOPERATION BETWEEN PARENTS AND SCHOOL

Effective school research has demonstrated that children learn more when their parent(s) or legal guardian(s) are involved in their education. The West Milford Board of Education believes that its staff should recognize the importance of reaching out to the parent(s) or legal guardian(s) in the school district.

The Board believes that its commitment is an absolute essential for effecting parent involvement. It seeks to form a partnership with parent(s) or legal guardian(s), not just through the formal parent/teacher organizations, but by a policy of inclusion that establishes two-way communication between the school district and the family. Where parent(s) or legal guardian(s) are unsure or uncomfortable with involvement, the Board shall provide education on how the system operates and where and how their input is appropriate and important. Parent(s) or legal guardian(s) shall be given opportunities to be involved in their children's schools. The Board shall provide training for its staff on how to develop and implement activities that will bring parent(s) or legal guardian(s) into the schools.

The West Milford Board of Education directs the Superintendent to develop guidelines to encourage parent involvement.

Adopted: 25 April 2012

9210 PARENT ORGANIZATIONS

The Board of Education will encourage and support parent organizations whose objectives are to promote the educational interests of district students.

Parent organizations are organizations independent from the Board of Education. Therefore, parent organizations shall not make any representations their organization or activities are sponsored or endorsed by the Board of Education without prior approval of the Board of Education. A parent organization shall submit a request for sponsorship or endorsement of a specific activity to the Board of Education.

A parent organization may not organize students, sponsor school activities, or solicit money in the name of this school district or of any school in the district without the prior approval of the Superintendent or designee. Such approval must be sought by written application to the Superintendent or designee.

Representatives of recognized parent organizations shall be treated by district employees as interested friends of the schools and as supporters of public education in the school district. Representatives of recognized parent organizations shall comply with all applicable Board policies.

The Board relies upon parent organizations to operate in a manner consistent with public expectations for the schools and reserves the right to withdraw recognition from any parent organization, at will, whose actions are inimical to the interests of the school district and the students of this district.

9230 PARENTAL RESPONSIBILITIES

Effective school research has proven that children learn more when their parent(s) or legal guardian(s) are involved in their education. The West Milford Board of Education believes that its staff should recognize the importance of reaching out to the parent(s) or legal guardian(s) in the school district.

The Board believes that its commitment is an absolute essential for effecting parent involvement. It seeks to form a partnership with parent(s) or legal guardian(s), not just through the formal parent/teacher organizations, but by a policy of inclusion that establishes two-way communication between the school district and the family. The Board believes that, where parent(s) or legal guardian(s) are unsure or uncomfortable with involvement, the Board should provide training to teach them how the system operates and where and how their input is desirable and important. Parents need to be given opportunities to be involved in their children's schools. The Board believes it is equally important to provide training for its staff on how to develop and implement activities that will bring parent(s) or legal guardian(s) into the schools.

The Board believes that the following should be part of the district's program to encourage parent involvement:

1. Opportunities for parent involvement should be available both in the individual school their child attends and in the school system as a whole.
2. When needed and appropriate, training should be provided for parent(s) or legal guardian(s) on the governance and educational structure of the district and how parent(s) or legal guardian(s) can become involved.
3. In-service should be given to building administrators and teachers on how to involve parent(s) or legal guardian(s) to improve student achievement and increase feelings of partnership between staff and parent(s) or legal guardian(s).
4. Evaluation of the administrators and supervisors should include the amount and extent of parent involvement in the district and schools.
5. A process of two-way communication should be developed between the Board and parent(s) or legal guardian(s). It should be year round, on-going, and re-evaluated on a regular basis.
6. Agendas for Board meetings should be freely available. Minutes of Board meetings should be made available and disseminated in the schools and on district website.

7. Schools should develop specific programs to inform parent(s) or legal guardian(s) each year about what their child is expected to learn and to inform them as to what they can do to help their children achieve. Back-to-school nights and school newsletters are two suggested means.
8. Parent(s) or legal guardian(s) involvement activities should be scheduled, whenever possible, at the convenience of parent(s) or legal guardian(s).
9. Adequate funding to support parent(s) or legal guardian(s) involvement activities should be included in the district's budget.
10. The administration should share information and assist with programs that instruct parent(s) or legal guardian(s) on how to help their children be successful in school.
11. Administrators should develop a means to communicate annually to parent(s) or legal guardian(s) regarding the opportunity for parent(s) or legal guardian(s) involvement in the schools.

Parent(s) or legal guardian(s) are requested to keep the school apprised of changes in factors in the home situation which may affect student conduct or performance. Parent(s) or legal guardian(s) are specifically required to inform the school of any changes in legal custody of the child.

Parent(s) or legal guardian(s) are responsible for their child's punctuality, attendance, cleanliness, and propriety of dress.

The Superintendent of Schools shall develop procedures and regulations to implement this policy. These regulations shall include use of the parent(s) or legal guardian(s)' native language when necessary.

Adopted: 25 April 2012

9240 RIGHTS OF PARENTS

The Board of Education recognizes that the parent(s) or legal guardian(s) of each child are ultimately responsible for the care and custody of that child, and that both parent(s) or legal guardian(s) share that responsibility equally. The Board recognizes as well that, where only one parent has legal custody of a child, the rights and responsibilities of the other parent may be limited. The Board believes that the interests of the child are best served by the continuing involvement of both parents in the child's life and well-being.

The Board will presume that each natural or adoptive parent(s) or legal guardian(s) of a student enrolled in this district possesses full parental rights of access to the student and to information about the student, notwithstanding any separation of the parent(s) or legal guardian(s) or dissolution of their marriage. Accordingly, and in the absence of notice to the contrary, the Board directs that school administrators accommodate the needs of both parent(s) or legal guardian(s) for access to their child, to their child's teachers, and to information about their child.

Every parent, except as prohibited by Federal and State law, shall have access to records and information pertaining to his/her unemancipated child, including, but not limited to, medical, dental, insurance, child care and educational records, whether or not the child resides with the parent, unless that access is found by the court to be not in the best interest of the child or the access is found by the court to be sought for the purpose of causing detriment to the other parent.

The place of residence of either parent shall not appear on any records or information released pursuant to the provisions of this section.

A child's parent(s), guardian(s) or legal custodian(s) may petition the court to have a parent's access to the records limited. If the court, after a hearing, finds that the parent's access to the record is not in the best interest of the child or that the access sought is for the purpose of causing detriment to the other parent, the court may order that access to the records be limited. Proper notice of court action consists of the custodial parent's sworn affidavit or certification supported by a copy of the pertinent portion of a legal agreement or court order that awards custody and establishes the rights and limitation of the noncustodial parent or terminates the parental rights of the noncustodial parent.

Nothing in this policy shall be construed as limiting in any way the rights of the noncustodial parent whose parental rights have not been terminated to full access to his/her child's records.

9242 USE OF ELECTRONIC SIGNATURES

The New Jersey Uniform Electronic Transactions Act (UETA) authorizes a Board of Education to use electronic forms, filings, and signatures to conduct official business with the public. The use of electronic forms, filings, and signatures may save school district resources and will provide a convenient and cost-efficient option for parents to receive, review, and acknowledge receipt of information from the school district. Therefore, the Board of Education authorizes the use of electronic forms, filings, and signatures in communications between the school district and parents pursuant to the UETA.

For the purposes of this Policy, “electronic” means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities.

For the purposes of this Policy, “electronic record” means a record created, generated, sent, communicated, received, or stored by electronic means.

For the purposes of this Policy, “electronic signature” means an electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record.

For the purposes of this Policy, “information processing system” means an electronic system for creating, generating, sending, receiving, storing, displaying, or processing information.

The school district may electronically send documents to parents of students enrolled in the school district. These documents may include, but are not limited to: informational notices; school or school related events or activities; periodic updates on a student’s progress; school district forms; requests for information; and any other communications between the school district and home. Some documents electronically sent to parents may require the parent to: acknowledge receipt of a document; provide parental consent for such matters as student compliance with the district’s acceptable use of school district computers and administration of surveys; and/or acknowledge receipt and acceptance of terms of a Board of Education policy, regulation, or practice. Any document sent to parents of students enrolled in the school district must be capable of retention by the recipient. To be capable of retention, the recipient at the time of receipt, must be able to retain and accurately reproduce the document for later reference by all persons who are entitled to retain the record. A record is not capable of retention by the recipient if the sender of its information processing system inhibits the ability of the recipient to print or store the electronic record.

The Board of Education authorizes documents may be electronically sent to parents of students enrolled in the school district only with the approval of the Superintendent of Schools. The Superintendent shall establish an information processing system to include a process for parents to electronically send, sign, and return documents to the school district. The school district shall make accommodations for a parent who is unable or unwilling to conduct business electronically. In addition, a parent may refuse to conduct business electronically for any reason and at any time. In this event, the school district shall make available a hard copy of the document(s) to the parent to review, maintain, and any document(s) requiring signatures to be returned to the district. The Superintendent will only implement an information processing system in accordance with the provisions of the UETA.

Documents that are electronically signed and returned to the school district may be maintained by the school district in electronic or non-electronic form. Documents returned to the district that are not electronically signed shall be maintained by the district in non-electronic form. However, nothing shall prevent the school district from converting a non-electronic document to an electronic document and for such document to be stored in electronic form. All electronic or non-electronic documents returned to the school district shall be maintained by the school district in accordance with the New Jersey Department of the Treasury - Records Management Services - Records Retention Schedules and in accordance with N.J.S.A. 12A:12-12.

9260 PARENTAL LIABILITY FOR VANDALISM

The school property held in trust by this Board of Education represents a substantial investment of the taxpayers of the school district; liability for the willful and malicious destruction of that property should be borne by those directly and indirectly responsible.

The Board further believes that parent(s) or legal guardian(s) are ultimately responsible for the supervision and discipline of students and that the knowledge that they are vicariously liable for the acts of their children and wards will encourage parent(s) or legal guardian(s) to exercise that responsibility more vigorously.

Where any property, real or personal, owned by this Board has been willfully and maliciously damaged by any minor, whether or not the person is enrolled in this district, the Board shall bring civil action against the parent(s) or legal guardian(s) having legal custody and control of the person at the time the damage was caused, for the full amount of the damage.

N.J.S.A. 18A:37-3

Adopted: 25 April 2012

9270 HOME SCHOOLING AND EQUIVALENT EDUCATION OUTSIDE THE SCHOOLS

The Board of Education encourages the enrollment of all children of school age resident in the district in public schools or in approved private schools so that they may enjoy the benefits of a well-planned educational program and the socialization possible in a group environment.

Every parent, legal guardian or other person having custody and control of a child between the ages of six and sixteen years shall cause such child regularly to attend the public school or a day school in which there is given instruction equivalent to that provided in the public schools for children of similar grades and attainments or to receive equivalent instruction elsewhere than at school. The Board recognizes its responsibility for assuring that every child of school age resident in the district is enrolled in a public or private school or is offered an equivalent thorough and efficient education elsewhere than at school. The Board acknowledges that a parent, guardian, or other person having custody and control of a child has a constitutional right to choose the type and character of education they feel is best suited for their children, be it secular or sectarian. Home schooling is an option and when chosen this option will be carried out in the student's home rather than the school.

In the event the Superintendent determines there is credible evidence the parent, legal guardian, or other person having custody and control of a school-aged child is not causing the child to receive equivalent instruction elsewhere than at school, the superintendent may request a letter of intent from the parent, legal guardian, or other person confirming the child is receiving equivalent instruction elsewhere than at school. The Superintendent may report to the appropriate municipal authorities children whom he/she has reason to believe are not receiving an education in accordance with N.J.S.A. 18A:38-25. The New Jersey Department of Education encourages the parent, legal guardian, or other person having custody and control of a school-aged child to notify the Superintendent of the intent to educate the child elsewhere than at school to avoid questions with respect to compliance with the compulsory education laws.

The parent or legal guardian or other person having custody and control of a child between the ages of six and sixteen, who fails to comply with any of the compulsory education provisions of N.J.S.A. 18A:38 et seq. relating to his/her duties, shall be deemed to be a disorderly person and shall be subject to a fine.

If a child seeks admission to this school district from a program of home schooling, the school district will evaluate the work of the child to determine his/her appropriate grade placement. The Superintendent or designee will objectively evaluate the child's skill and achievement levels, as

it would with any transfer student, before making a determination as to the acceptability of credits and/or the appropriate grade level placement.

When children are home schooled and are not enrolled in a school, the school district is not required to provide any of the entitlements or privileges of students enrolled in the school district unless an entitlement or privilege is specifically provided in Board Policy or required by Federal law, or State statute or administrative code. The school district's curriculum and other public record information will be provided to the parent, legal guardian, or other person having custody and control of a child upon request in accordance with the Open Public Records Act and Policy and Regulation 8310.

A child educated at home shall not receive a State endorsed high school diploma from the Board of Education.

9280 PARENT CONFERENCES

The Board of Education endorses the parent-teacher conference as an effective means of permitting parent(s) or legal guardian(s) and teachers to share information about students and the educational program in a constructive setting.

The Superintendent is directed to schedule parent-teacher conferences at such times as will permit the maximum attendance of parent(s) or legal guardian(s), including working parent(s) or legal guardian(s); to encourage the participation of parent(s) or legal guardian(s); and to provide in-service training to teachers to assist them in making most effective use of the conference.

The Board believes that the information exchanged in parent-teacher conferences can be of great importance to the student's ability to profit educationally; such conferences are, therefore, an essential part of the instructional program and an integral part of a teacher's professional responsibility. Accordingly, all teachers are required to attend the parent conferences scheduled for the children assigned to them. A teacher's failure to observe this policy may be cause for discipline.

The Board regards parent-teacher conferences as non-adversarial meetings in which all persons present are united in a common interest in the educational well-being of the student. The parent(s) or legal guardian(s) of the student may bring to the conference additional persons who share that interest and wish to aid the parent(s) or legal guardian(s) and the teacher. When a parent(s) or legal guardian(s) desires the representation of legal counsel at the conference, however, the Board may wish to be similarly represented. Accordingly, the parent(s) or legal guardian(s) who plans to bring legal counsel to a parent-teacher conference shall notify the school Principal of that intention no later than three working days in advance of the conference in order that the Superintendent may secure such legal representation as he/she may deem advisable.

The purposes of the parent-teacher conference are best served when all persons present share freely and candidly their knowledge of the student's educational progress and information relating to that progress. Any person present may make and preserve notes, for his/her benefit, of the information shared and may, if permitted, make a tape recording of the conference as an aid to memory or to share with an absent parent or legal guardian. Because the presence of the tape recorder may act to impede the free exchange necessary to an effective conference, however, either the parent(s) or legal guardian(s) or the teacher may refuse the other's request that a tape recorder be used.

9320 COOPERATION WITH LAW ENFORCEMENT AGENCIES

The Board of Education acknowledges the law compelling school attendance vests in the Board a custodial responsibility for the children in its charge and a duty to protect those children from persons not associated with the school district.

The Board further recognizes that its interest in helping children understand and respect the law is best served by a close and cooperative relationship with local law enforcement. The Board adopts Policy and Regulation 9320 in accordance with N.J.A.C. 6A:16-6.1 et seq. to ensure cooperation between school staff and law enforcement officials in all matters relating to the unlawful possession, distribution and disposition of controlled dangerous substances, as defined in N.J.S.A. 24:21-2, including anabolic steroids, drug paraphernalia, alcoholic beverages and/or firearms as defined in subsection f. of N.J.S.A. 2C:39-1.(f); and other deadly weapons as defined in N.J.S.A. 2C:39-1.(r) and in the planning and conduct of law enforcement activities and operations occurring on school property, including arrest procedures and undercover school operations. The Board directs the Superintendent to institute a program of such communication and cooperation.

Policy and Regulation 9320, as adopted by the Board, will be submitted for approval to the County Superintendent of Schools in accordance with N.J.A.C. 6A:16-6.2(a)2.

Policy and Regulation 9320 have been developed and approved by the Board to protect the interests of students and serve the legitimate needs of law enforcement in accordance with N.J.A.C. 6A:16-6.1 et seq.

9324 SEX OFFENDER REGISTRATION AND NOTIFICATION

The Board of Education and administration will comply with the guidelines developed by the New Jersey Attorney General's Office and will work cooperatively with the County Prosecutor's Office and the West Milford Police Department regarding the requirements of N.J.S.A. 2C:7-1 et seq. (Megan's Law).

The Megan's Law notification statute applies to all sex offenders who are required to register pursuant to N.J.S.A. 2C:7-1 et seq. The offenses requiring registration by persons convicted, an adjudicated delinquent or a person acquitted by reason of insanity are as indicated in New Jersey Statutes Annotated.

Definitions

- A. Tier One offenders encompass those that are a "low risk of re-offense", thus constituting a low risk of harm to the community. This offender is one who, because of the type of crime, the lack of violence in his/her behavior, the lack of a substantial criminal history and the existence of ties to the community presents no more than a possible risk of re-offense.
- B. Tier Two offenders encompass those who are a "moderate risk of re-offense", thus constituting a moderate risk of harm to the community in that the pertinent documents demonstrate that they are reasonably likely to re-offend, warranting limited notice for the protection of the public.
- C. Tier Three offenders encompass those who are a "high risk of re-offense" in that the available record demonstrates that there is a probable risk of re-offense, warranting notice to the community likely to encounter the offender.

The County Prosecutors Office determines the specific schools, community organizations and residences to receive notification.

The School District is automatically included on the notification list and is not required to register to be notified under Tier Two or Tier Three notifications. The Superintendent should not notify the target school(s), but may contact the Prosecutor's Office if the Superintendent thinks that a

school in the notification area has been inadvertently omitted. The school district and/or any school staff member shall keep all sex offender notification information confidential. In the event the school district is notified a student is a Tier One or Two sex offender, the school district will cooperate with the local law enforcement and the County Prosecutor's Office on community notification consistent with the law and guidelines of the New Jersey Attorney General's Office.

The County Prosecutor's Office will be asked to provide guidance to the school district staff members. The Board of Education, working in conjunction with the County Prosecutor's Office and/or a local law enforcement office, will hold meetings and other educational programs at a particular school for staff regarding the safeguarding of the school district's children. There will be a strong emphasis on providing pertinent information, constructive knowledge and guidance to the community, as well as advice concerning the consequences of vigilante activity.

The Building Principal of each school notified by the Prosecutor's Office will have the discretion to make the determination as to which employees within the school should be informed of the notification. The Building Principal should share the notice with any person who in the course of the duties of his/her employment or assignment is regularly in a position to observe unauthorized persons in or near the property of the notified school. If any persons to be notified by the Building Principal are employees of private contractors, the Principal or the Superintendent will notify the private vendor who will provide notice to the employees. The Principal shall only notify school appropriate district staff of Tier Two or Tier Three notifications and not to provide notification to the community at large. Guidance to the school district in providing this information to staff members will be obtainable from the County Prosecutor's Office.
