

Minutes
January 16, 2014
3:00 – 4:00 PM
917 Board Room - DCTC
Health, Wellness and Safety Committee

Present: Linda Berg, Melissa Schaller, Scott Zehnder, Joan Asmus, Lynda Hurt, Sayrajayne Maberry, Val Whitmer, Paul Landwehr

Absent: John Christiansen, Mike Choinski, Don Budach, Tracie Randall, Emily Mateo, Mary Weiland, Ann Staples

OSHA, Work Compensation Update – Val Whitmer reported. Val passed around a six year comparison on workers compensation. For the year 2013, there were 167 incidents only and 46 recordable OSHA cases. For comparison, in the year 2012, there were 130 incidents only and 52 recordable OSHA cases. A copy is available in the Health and Safety files in the Superintendent's office.

Claritynet. Linda Berg reported. As of March 1, 2014, there will be a new online course program implemented to replace Claritynet. The name of the program is SafeSchools. The price is very comparable to Claritynet but you are able to use all their courses throughout the year. There is no charge to add new courses throughout the year. New staff will start using this program on March 1, 2014. Sayrajayne and Joan would like to preview some courses to see if this could take the place of their training sessions for some staff. Linda will send them the link to view courses.

Annual Classroom Checklists. Linda Berg reported. All indoor air quality checklists from teachers were returned, assigned a supervisor, and reviewed, reported or fixed the issue.

Building Specific Issues:

None at this time.

Reminder to get your minutes and points in to TRIG for the weekly goals!

Meeting adjourned at 3:16 PM.
