OSHA Update – Val Whitmer reported. There are 74 first reports of injury and 18 OSHA cases as of March 14, 2013.

Claritynet Training – Linda Berg reported. All courses are reset for the 2013-2014 school year. New staff starting now can complete their Claritynet. The renewal period for Claritynet runs from March 1 to March 1. The price stayed the same this year at \$1.75 per course. All staff are required to take Blood Borne Pathogens – Fast Facts for Schools and Harassment: The Real Scene. New staff only will take the Bullying course. Other courses assigned as needed include: Defensive driving, hazcom for schools, HIPPA, lockout/tagout, PPE, and backsafety.

Linda Berg distributed minutes from the Health and Safety meeting at Metro ECSU.

Other

- Lockdown procedures was discussed. DCTC will not be able to lock all outside doors during a lockdown. We may have to discuss alternative procedures for in-building safe place assignments at some point.
- Icy parking lots at DCTC. It was noted that although DCTC keeps up on the sidewalks and walking areas, the actual parking lots are dangerous. There is no way to sand around all vehicles in the parking lots. Be careful.

Meeting adjourned at 3:25 PM.
