OSHA Update – Val Whitmer reported. There are 67 first reports of injury and 19 OSHA cases with the new insurance company since July 1, 2012.

917 is now working with a consultant for workers compensation. We are in a high risk pool for our insurance and we will see where we are at [near](#) the end of the year.

Claritynet Training – Linda Berg reported. We are at about 90% completion. This is due mostly to the fact that new staff are always starting. Some current staff still have to complete their courses also.

Annual Classroom Checklists – Linda Berg reported. The annual checklists for problems relating to indoor air quality in the classrooms was distributed and reviewed. Problems will be handled by the supervisors of the area.

There were no building specific issues discussion.

Other – Patty LaBeau and Cherry Cramer will be serving some “healthy” festivities coming up. Look for more information soon.

Life Services has had a couple meetings and the committee is working on some ideas for staff to try out.

Meeting adjourned at 3:23 PM.
