November 2022

**Principal’s Greeting**

Dear Rodgers Forge Families,

October was another BUSY month at the Forge! The highlight for many was hosting 390 “special guests” for Generations Day! This wonderful tradition returned to being an in-person event after having to be virtual over the past two years. It was so heartwarming to watch our students interacting with their special guest! We were also fortunate that Mother Nature cooperated on Halloween, and we were able to have our Halloween Parade outside! Many thanks to all the families and neighbors who watched along the parade route. Our students really enjoyed all the cheering and putting their “parade wave” to use!

American Education Week is November 14th-18th from 9:15-11:30 am

- **Monday, November 14th:** Kindergarten
- **Tuesday, November 15th:** Grade 2 and Grade 4
- **Wednesday, November 16th:** Grade 1 and Grade 3
- **Thursday, November 17th:** Grade 5

During American Education Week, parents are invited to visit classrooms to see their student hard at work. Due to BCPS safety protocols in place, all guests must be registered. To avoid any backups in the office on the day of visitation, please pre-register for the day by returning the pink flyer that was sent home last week with the needed information. Our monthly Coffee and Connect with the Administration will be on Friday, November 18th at 10:00 am. This is a hybrid event where you can “connect” and share feedback with the administration either in-person or virtually. If you are interested in attending virtually, please contact me at mrowland@bcps.org so that I can send you a link to the Google Meet.

Report cards will be distributed on Monday, November 14th. Please note that in accordance with the BCPS Grading and Reporting Policy, 1st and 4th quarter report cards will NOT have comments and special area grades will only be reported for 2nd and 4th quarter. Monday, November 21st is Elementary Conference Day. There will be no school for students this day to provide an opportunity for parents to meet with teachers to discuss their child’s progress, strengths and needs. Kindergarten student do not receive report cards. Information from the Kindergarten Progress Report will be shared with parents during parent conferences in the fall and spring.

As we approach the Thanksgiving holiday, it is the perfect time to stop and reflect on what we are thankful for at Rodgers Forge. I am so GRATEFUL for our dedicated teachers, your amazing children and all of YOUR support! Enjoy the time with your family this Thanksgiving season!

#RFESStrong,
Michele Rowland
News from the Counselor’s Corner

WE ARE PEACEMAKERS!
Our virtue for the month of November is trustworthiness. “Trustworthiness is being worthy of trust. People can count on you to do your best to keep your word and to follow through on your commitments. You do what you say you will do. Trustworthiness is a key to success in anything you do.”

MAGNET SCHOOLS
- Reminder: Applications for BCPS Magnet schools are available online until November 4, at 1 p.m. After that date BCPS will not be accepting applications for magnet programs.

NOVEMBER LESSONS
During November, classroom lessons will address the topic of relationship skills. Students will focus on communication skills that will enrich their close relationships with family and friends. Please see the letter below that provides more information about our counseling lessons.

PRIVATE SCHOOLS REFERRAL PROCESS — PLEASE READ CAREFULLY
I wanted to provide some information on private school referrals. For those of you who are interested in having your child apply to a private school, I will be responsible for processing records and referrals for our students. The procedures below must be adhered to in order for the application process to be most efficient. These steps will also help expedite the application process for you and your child.

- Please submit Release of Records form giving us permission to release student records and the teacher recommendation form to Mrs. Ludwig for processing (do not give the form directly to your child’s teacher). The Common Referral Form is not to be completed by our staff until after the 1st Quarter of the school year. This referral form is sent with your student’s academic transcript so that the private school receives one complete packet of information. The Release of Records form is provided by the private schools to which your child is applying to. Nothing can be completed or processed without this form for each of the schools to which you are applying.
- After 1st Quarter (after mid-November) your student’s teachers will complete the Common Referral Form, which is a confidential document used by most private schools. This form requests information about academic ability, classroom performance, school behavior, and personal abilities.
- Please include a $5.00 check made payable to Rodgers Forge Elementary. This fee will cover the cost of duplicating records, the large mailing envelope, and postage to mail the completed application (please do not send stamped envelopes.)
- Please be patient. Allow at least two weeks for our staff to process your application package.
- In order to ensure that your application is to the private school by the appropriate deadline (for most schools that is January 9th or 15th), please send in your request by December 12th. All requests that are turned in after December 12th cannot be guaranteed to be sent out by January 15th.

Lisa Ludwig, NCC
Dear Parents and Guardians,

As part of our School Counseling Program, your child’s class will have the opportunity to engage in a counseling core curriculum lesson during the month of November. The theme for this month is Relationship Skills. Students in both primary and intermediate grades will identify and reflect upon concrete social and communication skills that will enrich their close relationships with family and friends. 5th grade will incorporate a discussion around peer pressure and how to respond to being peer pressured.

It is our hope that the core curriculum counseling lessons will help to promote the social emotional, academic, and career development of our students. We hope that you can help your child reflect on these lessons by discussing their content together. Please feel free to contact me with any questions about the program. I can be reached via phone at 443-809-2854 or via email at lludwig2@bcps.org.

Sincerely,

Lisa Ludwig, NCC

Updates from the Math Committee:

It was wonderful to see so many parents at our recent Fall Parent Workshops! We hope you learned a lot and enjoyed the time to gain information that will help you as you work with your child! We understand that because of busy schedules many parents could not be present for the event. The math committee values your feedback to help improve the event for next year. Whether or not you were able to attend, please take a few minutes to complete the survey below so we can begin to plan for next year!

https://forms.gle/HQh6jJpWpPdbR9F49

Thanks,
The RFES Math Committee
The Reading (and Writing) Corner

We’ve had an exciting month of writing at Rodgers Forge Elementary School!

The October Writing Contest encouraged over 100 young authors, from kindergarten to 5th grade, to compose both mysteries and spooky stories. The cauldron outside of Ms. Day’s room was overflowing with stories. Our students are incredibly talented writers and continue to show growth in their writing skills. This year, we were lucky enough to have our very own “retired” Witchy-Poo fly in for a celebratory donut breakfast with the grade level winners of the Spooky Story Contest.

Congratulations to our spookiest authors this year!

Kindergarten: Jack Schwartz (Mrs. Carney)
First Grade: Grace Pyzik (Mrs. Dippel)
Second Grade: Remy Reilly (Mrs. Osgood)
Third Grade: Leo Meacham (Mrs. Rickels)
Fourth Grade: Violet Moreland (Mrs. Traynor)
Fifth Grade: Penny Board (Mrs. Burgner-Hannum)

Sincerely, Ms. Day ~ Reading Specialist ~
Hello From the Health Suite

Please check with your pediatrician about the best time for your child to get the flu vaccine. The CDC is reporting early increases in seasonal flu activity as of October 14, 2022. Please go to the CDC website, https://www.cdc.gov. There is an excellent article on Flu Vaccine for Children – Flu Vaccine Safe and Effective.

Parents please remember, if your child vomits, they should not return to school for 24 hours from the last time it happened. Also, if your child has a fever of 100 degrees or more, they should remain home from school for 24 hours and should not return to school until their temperature has returned to normal.

Please reinforce handwashing and coughing into their sleeve for all children, as I do every time a child comes to the health suite. We work hard to keep the children healthy at school, just as you do at home, and stop the spread of germs.

Halloween at Rodgers Forge was wonderful. The children were a delight to see in all their splendid and interesting costumes! It brought back so many memories for me, since my little ones are grown up! Treasure these special days!

I hope everyone is enjoying these beautiful fall days filled with sunshine, moderate temperatures and gorgeous leaves, but PLEASE be careful of the wet leaves. Wet leaves can be very slippery. I can’t believe it is almost Turkey Day!

Kindest regards to all,

Nurse Mary 😊
Musical Greetings,

The year is flying by. We have started chorus club on Tuesday mornings. It is a great way to start my day. All the students at RFES have been busy working on many new music skills.

Kindergarteners have been singing and moving to our music. We have practiced steady beat using our rhythm instruments. One of our favorite songs is The Apple Song.

First graders have been exploring opposites found in our music, long and short, forte and piano, presto and largo. We have listened to “In the Hall of the Mountain King,” from the “Peer Gynt Suite”, in order to identify musical characteristics such as tempo and dynamics.

Second graders have been reviewing note values and have begun to read and perform half notes. We have explored instrument timbres by accompanying our music with sound effect type instruments.

Third graders are learning to follow music signposts so that we can find our way through our music using repeat signs, first and second endings and our favorite, D.S. al Coda! Next, we will be learning the names of the notes on the treble clef staff.

Fourth graders have been playing recorders and earning more “belts”! We have been creating harmony by singing rounds and performing ostinati in songs.

Fifth grade has been focused on rhythms, including syncopation. It will be concert time before we know it, so we are diving into our concert music. You will have an opportunity to hear the Chorus Club and 5th Grade Chorus sing as part of the winter concert on December 13th.

If you have not done so yet consider downloading the free Box Tops for Education app and scan your receipts to earn money for the RFES music program. So far this year we have earned $44.60.

At this time of year, it seems appropriate to say thanks to all of you for supporting your students in their personal musical growth. Your encouragement as they explore music, take lessons, practice, listen to music and go to live musical performances is so important in their development.

Sing-cerely,
Mrs. Lisa Tierney
ltierney@bcps.org
Save these Date: Concert Connections

Fifth graders will participate in our Winter and Spring Concerts. The chorus, band and orchestra will be featured at both events. Concert attire will be white shirts and dark pants or skirts. More information will be sent home before the concert dates.

Winter Concert: December 13, 2022 @ 6:30 (Chorus Club members will be participating in this concert)
Spring Concert: May 16, 2023 @ 6:30

March 28, 2023 will be our school STEAM Night. 4th and 5th graders have the opportunity to share their talents at the Coffeehouse.

Third Graders will be learning to play the recorder. As part of our Recorder Karate program, we will celebrate our accomplishments with a concert on April 18, 2023. Our concert attire will be casual. School colors, red and/or white shirts, with jeans and comfortable shoes.

Any day can be a Box Tops day!

Our music department and all Rodgers Forge students benefit from the Box Tops program. This year we will be using our funds for Orff instruments, and ukulele and recorder music!

Please download the free Box Tops app and scan your receipts from the grocery store, Target, and Walmart...wherever you buy Box Tops products!

Get the App - Box Tops for Education (boxtops4education.com)

Keep Scanning!
Hello everyone, from the place where we are thankful for great books, the Rodgers Forge library! Welcome to one of the most fun and exciting months of the school year, and one filled with more great library units and lessons in our awesome library!

These are some pictures of our “puzzle-themed” library displays as we “put the pieces together” into a new year! Each week, your student will attend library media class, as we explore different types of literature and “put together the puzzle” in the search for information from books and online sources! They will enjoy read-aloud stories, and get a chance to check out books! Kindergarteners and 1st Graders check out 1 book, 2nd – 4th graders take home 2, and 5th graders have the ability to check out 3!
November Lesson Focus – Reading Online

In October, our library units are in the middle of a focus on Reading Online! We will take a look at reading skills when using databases, as well as online literature databases like Ebooks and Tumblebooks. We’ll also talk about the tools available to help them comprehend what they read. These are just a few of the topics we are covering!

EBOOKS!!! READ ALL ABOUT IT!

What are ebooks? They are books you can read and check out on your computer right from BCPSOne!!! They have features like an on-screen reader, electronic bookmarks, and even the ability to take notes. Thanks to the generosity of the Follett Corporation, we were gifted $935 for an ebook online order last school year!

Here is a direct link to the Library site!
https://baltimore.follettdestiny.com/common/welcome.jsp?context=saas007_1993744

STAYING IN TOUCH

Remember, if you have any questions, or need to contact me for any reason, you can email me at pholden@bcps.org! Let’s put the pieces of the puzzle of a great school year together!!!!
The Equity Committee is very excited to share our Multicultural Spotlight with you for November! November is such a special month where families from various cultural traditions get together with loved ones and spend time cooking, eating, and spending time together. The month of November is Native American Heritage month. During November we celebrate the rich histories, diverse cultures, and important contributions of our nation’s first people.

You can learn more about Native American history and culture here. https://kids.nationalgeographic.com/history/topic/native-americans

Local events!

November Green School Minute
RFES is Keeping It Green!

In the month of October, students were challenged to pick up Trick or Treat wrappers around the neighborhood and collect them from home. We will be weighing and recording our collection as we work toward our Clean Green 15 Challenge through Baltimore County.

In November, we often think of upcoming holidays and special foods we enjoy. Did you know that all of household waste can end up containing 20 – 50% food waste? There are a few ways you can help make this number better and “reduce” waste. If you have neighbors or friends in need, share some of your holiday food with them. This will help you meet someone else’s needs while sharing your bounty. Composting is another great way to lessen household food waste. You can get a bin and add to it. If this wouldn’t work for your family, there are local businesses that will come to your home weekly and pick up your composting for you! What a great way to reduce landfill waste. For more information: https://www.litterless.com/where-to-compost/maryland

To prepare for upcoming holidays, another great family project is going through toys and clothes that are gently used to donate to those in need. This not only helps you with more space, but it can also meet the needs of those who may not have the means to provide for their families. This is a great way to “reuse” items, instead of adding to landfills.

As cooler weather approaches, a project you can do with your child at home is to create a Bee House. Simply use a paper towel tube. Fill it with rolled paper, paper straws, and sticks. The spaces provide bees with a winter home. What a great way to help support pollinators. You will find more information about this project here: https://nurturestore.co.uk/how-to-make-a-simple-bee-house-for-mason-bees

Thanks for helping RFES Keep it Green!

Don’t forget about our efforts towards the Baltimore County Clean Green 15 Initiative. https://www.baltimorecountymd.gov/departments/environment/cleangreen/cleangreen15.html
This month in....

**Exploratory Music**

Students are exploring the violin by learning the parts of the instrument, how to hold the bow, and how to play pizzicato and arco! We are also learning about string instruments from different cultures.

**Instrumental Music**

Students in 5th grade are making great progress on their instruments! The band students have learned 5 notes (Concert Bb Major Scale) and the string students have learned 8 notes (the D Major Scale). Students are practicing their music for the Winter Concert on December 13th. We will have our first full band and orchestra rehearsals on the stage in the cafeteria this month. Students should bring their instruments to school on these days for their stage rehearsals.

- **Monday, 11/7** - 2:50-3:30 (BAND)
- **Friday, 11/11** - 2:50-3:30 (ORCHESTRA)

Ms. Dickerson            adickerson3@bcps.org
Happy Thanksgiving!
Grades 5 learned all about Abstract Expressionism and the Process Art Movement (many featured artists such as Lee Krasner, Jackson Pollock, Mark Rothko, Elaine & Willem de Kooning, Joan Mitchell, etc.) as they created a series of 4 compositions that they will be using in their Amazing Animal Collages.

Grade 4 is learning about Relief Sculptures as they use wood to construct their monochromatic Bas-relief Sculpture (featured artists are Louise Nevelson from the USA and Pablo Reinosa from Argentina). Your 4th grade artist had to bring in 3 small trinkets from home that symbolize something about themselves. Some examples may be a small pencil that symbolizes their love of writing or drawing, small, inexpensive toys, sticks or acorns symbolizing their appreciation for nature, etc.
Grade 3 artists are learning all about Abstract Cubism (feature artists are Georges Braque and Pablo Picasso) as they apply some Cubist techniques to their Abstract Cubist Self Portrait. Grade 3 artists are also learning all about Monochromatic color schemes as they begin creating tints, shades and tones of their chosen color. They are really working hard to develop their fine motor skills as they practice neatly painting in their created shapes!

Grade 2 artists are learning all about the 8 planets in our solar system as they create their Outer Space Compositions. The painting techniques they are learning about, such as “spray painting,” and texture painting with plastic wrap, are out of this world! Ask your 2nd grade artist how an artist can make a 2D circle look like it is 3D? By adding value in the form of shading these amazing 2nd grade artists are making their planets look like spheres.

Grade 1 students are learning all about artist, Piet Mondrian, the Dutch painter who painted Nonobjective compositions. Wow!
These talented first grade artists first used a ruler as a straight edge to create both “horizontal” and “vertical” lines. Grade 1 artists discovered that they created both rectangles and squares when using these two types of lines. First grade artists learned all about the primary colors as they painted their Nonobjective paintings.

The Kindergarten students are inspired by the art element of line as they repeated their chosen lines to create four amazing patterns! They then learned all about the wax-resist painting technique to paint over their line patterns. The word, Symmetrical will be introduced in this art unit as they create a Symmetrical Vase of flowers.

Ms. Kotapish
kkotapish@bcps.org
Physical Education News

We are continuing to move and groove in PE while working on respecting personal space, cooperating with others, and being actively engaged. We will continue to go outside for P.E. in grades 3, 4, and 5 as we begin our Cross-Country Unit to develop and monitor our S.M.A.R.T. goal. Please dress for the appropriate weather temperatures. 1st and 2nd graders will begin a unit focused on the skill of the throwing (overhand and underhand) and catching. Kindergarten will continue to explore movement with body control and work on throwing underhand and overhand.

We are lucky to have another P.E. teacher with us until December 16, Mr. Costello. He is a student intern from Towson University, who is completing his elementary student teaching requirement with us. Mr. Costello has been very eager to get to know the students and experience elementary P.E.

A reminder students should wear tennis shoes and bring water bottle, hair pulled back/up to not interfere with vision and wear comfortable clothing for climbing, tumbling, and moving each day they have P.E. Also, please make sure that shoes fit properly and have good traction. I love my Crocs too, but these shoes are not safe for P.E. During recess wearing flips flops, Crocs and open-toed shoes are not recommended for the playground equipment.

Upcoming Events

- R.F.E.S. Pie Run (details below) November 23, 2022
- Dancing through the Decades (5th grade)- Jan. 31, 2022-Feb. 4
- R.F.E.S. Winter Olympics- February 4, 2022
- Jump Rope for Heart February 25, 2022
- Movement Education Equipment April 2022
- Sports Day June 2, 2022- grades K,1,2
  June 3, 2022- grades 3,4,5
R.F.E.S. Pie Run

On the morning of November 23, all students, who are interested will participate in our 1-mile fun run. Every student, who participates in the event will have their name entered to win a pie dessert that day. We are looking to make this an annual event and possibly a family fun run! Mrs. Celenza is looking for donations of store-bought pies to support this event. If you or a business you know would be interested in donating a pie or two, please contact Mrs. Celenza at bcelenza@bcps.org. If you are a business sponsor, we will include your signs at the event, which will be showcased on school media and school website in addition to our monthly school newsletter.

DON’T FORGET!!!

Please continue to submit the Coke Rewards Points from product like Dasani Water, POWERADE and other Coke products at

https://us.coca-cola.com/give/schools/.

These points will allow our Physical Education Department to earn new equipment. Thanks for your support!

Have a healthy and an active holiday season! Mrs. Celenza
SAVE THE DATE! Family Paint Night by Amazing Glaze will be held on December 2nd from 6-8 p.m. This will be a drop-in event, come anytime between 6-8 p.m. to paint and enjoy pizza for dinner. The cost is $15/person for 1 winter craft and a pizza dinner (additional winter crafts will be available for purchase that night for $10.50/craft). Watch for a flyer to come home with the details!

Winter Greens are on sale now! Orders are due NO LATER than November 7th. Distribution will be WEDNESDAY, November 23rd from 12:00-3:30pm in the bus loop. Please email Hailey Harvey at wintergreens@rodgersforgepta.org with any questions. The order form is attached!

The next Diversity, Equity, and Inclusion (DEI) meeting will be November 17th at 6:00 p.m. in the library. All are welcome! The DEI committee meets monthly on the third Thursday of each month.

Congratulations to the kindergartners in Mrs. Lohr’s and Mrs. Carney’s classes! They got to enjoy popsicles on the lawn courtesy of the PTA because each class has 75% PTA Membership participation! It's never too late to join the PTA. Email execvp@rodgersforgepta.org for more information.

Thank you to all the volunteers for Generations Day and A Wicked Good Time! We couldn't do it without you.
2022 Winter Greens Sale

Order your RFES Fresh Holiday Greens now through November 7th!

Orders will be available for pick-up on Wednesday November 23, 2022, from 12:30-3:00pm in the bus loop OR delivery (for a $5 fee ONLY in RFES school boundaries) from 4-6pm

Please fill out the form below to purchase your items. Send the order form and payment (cash/check) back to school in your child’s red folder ATTN: Winter Greens. Checks should be made out to RFES PTA.

If you have any questions, please email Hailey Harvey at wintergreens@rodgersforgepta.org
