SMMS' Code of Conduct 2022-2023 School Year

A. GENERAL PRINCIPLES OF SUDBROOK'S CODE OF CONDUCT

Sudbrook Magnet Middle School's Code of Conduct has two main goals: (1) to ensure the safety of staff and students, and (2) to create an environment conducive to learning. Our School Code of Conduct is aligned with the Baltimore Public Schools Policies and Regulations, specifically "Student Conduct" policy #5500.

Our School Code of Conduct is part of a philosophy of discipline based on the premise of educating students about appropriate behavior, recognizing and rewarding appropriate behavior, having clear and predictable consequences that are applied consistently by staff, and making restitution and restoring relationships when misbehavior has occurred.

Code of Conduct Belief Statement

We at Sudbrook Magnet Middle School, in partnership with home and community, dedicate ourselves to the goal of academic, artistic, and athletic success for all students. The faculty at Sudbrook Magnet Middle School welcomes the challenge of developing the Adolescent Child into a more independent, confident, and productive individual.

B. EXPECTATIONS FOR BEHAVIOR

Our Code of Conduct is based on the three principles of Safety, Responsibility, and Respect. If students act in accordance with these principles, students will be within the rules of the school, and more importantly, students will increase their likelihood of experiencing personal success and satisfaction at Sudbrook. Again, it's all about: Safety, Responsibility, and Respect!

Students are expected to follow these expectations within the Code of Conduct. If students learn and follow the "SUDBROOK Expectations: Safety, Responsibility, and Respect", students will have the secrets on how to be successful at our school and in society. Below we have organized our Sudbrook expectations into four primary school environments with specific expectations for each environment. Each year students will be taught these expectations in the natural environment. These expectations will be reviewed periodically throughout the school year.

SMMS Mission Statement:

Sudbrook Magnet Middle School will create an academic environment where all stakeholders promote and embrace diversity and high expectations, while developing 21st century skills that encourage the use of critical thinking, collaboration, communication, and creativity in academic excellence to meet the challenges of the 21st century's global society.

If students violate the rules of Sudbrook Magnet Middle School, certain consequences will follow. The selection of the appropriate consequence is solely at the discretion of the grade level administrator or principal. Students' parents will always be informed of the disciplinary consequence their child will receive.

1. Detention

Students may be assigned a detention either during lunch or after school. The sole activity permitted during detention is silent study, student reflection, or activities to teach the corrective behavior. Failure to complete a detention may result in an additional teacher/administrative detention and possible Loss of Privileges/or Saturday School.

2. Saturday School

You may be assigned a Saturday School. This program is an alternative consequence to an In-School Suspension and allows students the opportunity to fulfill disciplinary consequences without missing valuable class time. Saturday School is held from 8:30 a.m. – 11:30 a.m. every Saturday. The sole activity allowed in Saturday School is silent study. Failure to report to Saturday School or failure to follow the Saturday School Coordinator's directives will result in Loss of Privileges, and/or In-School Suspension. If a student misses an assigned Saturday School, they will be assigned one day of In-School Suspension. Saturday School may be rescheduled, at the discretion of the grade level administrator.

3. Loss of Privileges (LOP)

As students advance through Sudbrook Magnet Middle School students may receive certain privileges, such as choice seating in the cafeteria, team/school celebrations, and participation in fun events and activities.
