## School: Windsor Mill Middle School
### Community School Progress Summary 2022-2023
### Principal: Dr. Rodrick Hobbs

### BCPS Vision:
Baltimore County Public Schools will be among the highest performing school systems in the nation as a result of creating, sustaining, and investing in excellence for every student, every school, and every community.

### School Mission:
The vision of Windsor Mill is to foster a community of critical thinkers who exhibit adaptability, agency, and advocacy.

### ACTION STEPS

#### Culture

**Action Step(s):**
Classroom routines and expectations promote cooperative learning, teacher to student interactions and student to student interactions characterized by mutual respect and caring.

#### Mathematics

**Goal:** All students will achieve mathematics proficiency as indicated by the MCAP assessment.

**Action Step(s):**
Math teachers will implement system programs and resources with fidelity while being responsive to learner variability within the parameters of the programs and resources.

Math teachers will explicitly teach content aligned to the rigor of the standards including modeling through sharing their thought process aloud as they approach and complete tasks (i.e., “think aloud” strategy, small groups).

**Successful Middle School Belief Statement(s):**
We believe in preparing responsive educators to provide all students with access to challenging curriculum and instruction that is inclusive and diverse so that we meet the social, emotional and diverse needs of each learner and ignite their interest in college and career opportunities.

**Teaching and Learning Framework Aligned Action Step(s):**
1. Teachers will explicitly teach content aligned to the rigor of the standards including modeling through sharing their thought process aloud as they approach and complete tasks (i.e., “think aloud” strategy).
2. Teachers will implement system programs and resources with fidelity while being responsive to learner variability within the parameters of the programs and resources.
## Literacy
