Dear First Grader,

Welcome to first grade! I am so excited that you are joining our classroom this year! My name is Miss Arnone and I am lucky enough to be your teacher for first grade. I cannot wait to spend an entire year learning together!

I hope you are enjoying the start to your summer! I can’t wait to hear all about it when I see you on the first day of school on August 30th. This summer I will be doing two of my favorite things: going to the beach and hiking. I also will be teaching some students who come to school for some extra practice in the summer! I hope this summer you will also spend some time reviewing sight words and diving into a book or two. In first grade we read stories all about animals, friends, and adventure. We have so many fun activities planned and we will be using a lot of team work!

We are going to have a wonderful year together in first grade, filled with lots of laughing, learning, and fun. I can’t wait to see what this year has in store for us as a class! I hope you enjoy your summer and I can’t wait to be able to see you everyday so soon!

From,

Miss Arnone
