2021-2022 School Year

Dear Parent/Guardian:

Thank you for your interest in the Prekindergarten program. The Baltimore County Public Schools’ Prekindergarten program provides learning experiences that address cognitive, linguistic, social, emotional, and physical needs of young children. Sessions are half-day, five days a week and follow the same school year calendar as other grades. Daily school attendance, which assists greatly in establishing good educational habits, is necessary if your child is to fully benefit from the program.

If your child is accepted into the Prekindergarten program, it is expected that he/she will attend school on a regular basis. Please consider your ability to meet this responsibility before signing below. Thank you for your anticipated cooperation.

Sincerely,

Scott Audlin
Principal

I understand that regular attendance is expected if my child is enrolled in the Prekindergarten program, and I agree that he/she will miss school only in the event of illness or a family emergency.
