Baltimore County Public Schools Parents:

Are you interested in...
- Quick access to student courses, grades, and assignments for all your children?
- Anytime, anywhere access to resources that can support your student’s learning needs?
- Improved communication with teachers?

**BCPSone** provides BCPS families with quick and easy access to a variety of resources!

After creating a **myBCPS account** and adding your students, you have will access to:

![Icons](images)

*And much, much more!*

**Note:** A parent or guardian e-mail address, first name, last name, and verification of educational rights must be on file with the school for each student prior to creating a myBCPS account.

**To create a NEW myBCPS Account:**

2. Click **Create an Account** and complete Your Account Profile. You will be sent an activation code via e-mail, which is good for 24 hours after generation.
3. Click **Add a Student.** You will be prompted to select your child’s school and enter their date of birth.
4. Click **Submit.**

For parents that already have established a myBCPS account, but are not connected to their student, please login to [https://mybcps.bcps.org/](https://mybcps.bcps.org/) and follow Steps 3 and 4 noted above.
