We believe parents and staff working together to make decisions in the education and success of their children.

Parents help to:

- Decide how to spend family involvement funds
- Develop the family engagement plan, the home school compact, and the school progress plan
- Educate staff on how to work with parents as partners to effectively communicate with families as equal partners
- Act as equal partners to support the child’s education (Example: family engagement book study, professional development)
- Offer comments and/or express concerns about the school progress plan

We need your feedback! Please use the evaluation provided or email mbanks@bcps.org with any questions, ideas, comments, or concerns about the family engagement plan, school progress plan, home school compact, communication or anything else regarding school practices.
