## ACTION STEPS

### Mathematics

**Action Step(s):** We will implement first, effective instruction based on the Teaching and Learning Framework.  
We will implement tasks that promote reasoning and problem solving.  
We will implement the curriculum and resources aligned to long range as well as pacing guidelines.

**Goal:** All students will achieve mathematics proficiency as indicated by the MCAP assessment.

### Literacy

**Action Step(s):** We will implement the curriculum and resources aligned to long range as well as pacing guidelines.  
We will implement first, effective instruction based on the Teaching and Learning Framework.  
Teachers will systematically design instruction toward specific learning goals.

**Goal:** All students will achieve literacy proficiency as indicated by the MCAP assessment.

### Safe and Secure Environment

**Action Step(s):** We will create and sustain a safe, welcoming, and supportive classroom environment which values inclusivity and diversity.  
We will explicitly teach and model social emotional learning skills and strategies and integrate them into academic content.  
Teachers will examine personal beliefs, biases, and perceptions that influence conditions and learning opportunities created for students.

**Action Step(s):** We will implement morning meeting and Conscious Discipline routines. We will regularly communicate with families.  
We will clearly describe how students and adults can display observable expectations in each classroom routine and school setting that contribute to a common language and a predictable, respectful, and safe experience for all.

**Action Step(s):** We will administer stakeholder surveys.
