**Support for Families**
The following supports may be available to families during family engagement events:

- Events offered during flexible times
- Interpreters (upon request) *Interpreters disponibles si se necesitan*

**SHARED DECISION MAKING AND INFORMATION SHARING**

All Title I schools engage families in the shared decision-making process. Schools also provide families with information to understand and support student academic achievement standards. All families will be invited to:

- Work with school staff to develop the Family Engagement Compact and provide ongoing feedback for compact revisions.
- Provide input and feedback on the school’s Title I family engagement budget.
- Share information for school staff professional learning topics on how to effectively communicate and work with families as equal partners.
- Participate on the School Progress Team to plan, review and improve the School Progress Plan (SPP).
- Offer comments and/or express concerns about the School Progress Plan.
- Attend the Annual Title I Parent/Family Meeting.

School staff will be accessible to parents via virtual conferences, email, or google meetings during before and after school as well as scheduled office time.

BCPS Board Policy and Rule 1270
The Board of Education of Baltimore County (Board) recognizes that schools, parents, families and communities must collaborate to support academic achievement, ensuring that every student is prepared for college and career opportunities. Baltimore County Public Schools (BCPS) promotes meaningful partnerships among schools, parents, family caregivers, and the community at large.
**SCHOOLWIDE FOCUS**

*School Progress Plan Strategic Initiatives*

*School Progress Plan*

At Riverview Elementary School, we will build a school family by intentionally cultivating positive relationships with all stakeholders through collaboration and family support services. We will ensure all students receive customized and responsive instruction that is data driven to promote life-long learning.

**GOALS AND KEY ACTIONS**

### Action Steps for Literacy and Mathematics
- Teachers will design activities so that learning outcomes are authentic, communicate to real audiences, and reflect a purpose that is clear to the participants.
- Teachers will work collaboratively as grade levels to create long-range plans focused on standards and to create formative assessments aligned with standards. Educators will work collaboratively in order to create scaffolds and provide multiple methods of presentation that support students in reaching grade level standards.

### Action Steps for Safe and Supportive Environment
- Teachers will create a sense of belonging by consistently implementing Conscious Discipline throughout the learning environment.
- We will use a multi-tiered support system to ensure proactive plans are put into place to support positive relationships and increase engagement.
- Students will be provided direct instruction to develop social emotional learning skills (self-awareness, self-management, responsible decision making, relationship skills, and social awareness) on a weekly basis.

**AT HOME**

Families will use the resources below to help their children at home during the first semester.
