We believe parents and staff working together to make decisions in the education and success of their children.

Parents help to:

- Decide how to spend family involvement funds
- Develop this family engagement plan, the home school compact and the school progress plan.
- Educate staff on how to work with parents as partners to effectively communicate with families as equal partners.
- Participate in volunteer opportunities and events in order to model active citizenship.
- Offer comments and/or express concerns about the school progress plan.

We need your feedback! Please use https://tinyurl.com/23yxxkde below or email kalkire@bcps.org with any questions, ideas, comments, or concerns about the family engagement plan, school progress plan, home school compact, communication or anything else regarding school practices.
