**STARS to Bill Buick for being a great human and admired colleague who really cares for his students!**

**STARS to Emma Sigmon and Demont Williams for their thoughtfulness.**
From Principal DiMino...

As we reflect on this past year, we have been challenged to adapt in so many ways to unforeseen circumstances. We modified our daily operating procedures and learned to communicate and collaborate in different ways. Our teachers increased their technology competencies while our students assisted to offer their experiences and expertise. While we have been tested and tried to adapt to many modifications to our daily routines, we have been able to turn the experiences into moments of growth and reflection. Our staff and families have earned a much-needed break. During the summer, we encourage you to take time for self-care. Our challenge, before we return in the fall, remains to participate in at least two of the following examples of self-care that are listed on the chart.

Thank you students, staff and families!!
Planning for an Advisory Period for the 2021-22 School Year

As Towson High School transitions back to our in person A/B schedule (with an additional 15 minutes at the end of the school day (The Board of Education approved a 15 minute expansion of the school day for the 21-22 school year on February 16, 2021), we have considered the importance of providing additional support to our students. Beyond the infusion of social-emotional connections at the start and conclusion of our daily lessons, we have discussed the value of an Advisory Period. Throughout this school year, we have engaged in dialogue and reviewed educational articles specific to social-emotional learning and academic achievement. During the summer, school-based personnel will be working collaboratively to plan an Advisory Period for next school year. We have discussed the frequency of this support opportunity. We have determined that this support opportunity would be infused into the schedule several times per week. Students will engage in social-emotional support opportunities and receive additional academic assistance as needed. If you would like to provide input to the Advisory Period Planning Committee for review, please email your comments/suggestions to Ms. Valsing at rvalsing@bcps.org.
Summer School
Students have been identified for participation in summer school courses. Our students and families indicated their preference to engage in the summer school program virtually. Towson High School’s Summer School will be virtual this summer. Summer school begins on July 12, 2021 and concludes on August 6, 2021.

Re- Engagement Program
Upon receiving centralized approval, we plan on hosting a re-engagement opportunity for students in need of additional assistance prior to the start of the school year. During the week of August 16th, we will provide the opportunity for incoming freshmen and sophomores that have not been present for in-person learning. The dates of the Re-Engagement Opportunity will be from Monday, August 16, 2021—Wednesday, August 18, 2021 from 9:00 am—12:00 pm. Select students will receive an invitation to attend this session. The sessions will focus on Study Skills, Literacy, and Math Skills. This opportunity will be hosted at Towson High School.

As we conclude this school year, we congratulate the following STAFF members for their Leadership Accomplishments!

- Ms. Carr - Language Arts Department Chair at Perry Hall Middle School
- Ms. Damon - Science Department Chair at Sollers Point Technical
- Ms. Greenberg, Math Department Chair, earned acceptance into the BCPS Assistant Principal Pool
- Ms. Jacobs - Finalist for School Counseling Rookie of the Year Recognition
- Mr. Nash - District 6 Athletic Director of the Year
- Ms. Schrader, Science Department Chair, earned acceptance into the BCPS Assistant Principal Pool
- School Counseling Department (Simon Briggs, Courtney Jacobs, Lauren Hanley, Carly Raley, Joann Pachilis, Michelle Petras, Svetlana Wright, Mary Williams) for earning the RAMP award of excellence
As we continue to prepare for this upcoming school year, we look forward to ongoing professional development opportunities for our staff. During this school year, we participated in professional development sessions specific to Culturally Responsive Instruction. We have referenced the book, *Culturally Responsive Teaching and the Brain* by Zaretta Hammond. Many of us appreciated the opportunity to hear from the author as part of Baltimore County Public Schools Speaker Series. Our staff has been able to infuse instructional strategies within the classroom setting to engage student learners. Our teachers have worked diligently to customize and personalize opportunities for students. Students were afforded collaborative and independent opportunities. Our staff has participated in 3 professional learning communities. With our growth and reflection, we have discussed the importance of forming Communities of Practice for this upcoming school year. We embrace the definition of a Community of Practice as group of staff members who interact to share practices and concerns associated with a common focus area. Our Communities of Practice will be as follows: Academics, Customization, Engagement, Personalization, and Social Emotional Support. Our Communities of Practice will be led by Co-Leaders. The Communities of Practice Leaders (listed on page 6) on the points of the STAR. Please note that the leaders that appear on the first point of the STAR represent our department chairs as a part of the Academic Team and will also include the members of the administration.

As we approach the end of the academic year, I am overwhelmed with gratitude for our student-athletes, administration, coaches, teachers, and parents for the time, energy, and perseverance they exhibited this entire year. To simply get through this year was a huge accomplishment in and of itself. However, to do it and to have the success we enjoyed says all you need to know about the quality of people we have associated with Towson High School Athletics.

Although it is bittersweet saying goodbye and good luck to our seniors, we are sure the same talent and energy they brought to our athletic department over the last four years will carry them far in their future pursuits.

This year was as tough as any, but I am proud of our school and our department for the effort that was displayed to give our student-athletes an opportunity to train and compete. We are looking forward to a more "normal" off-season as we prepare for an exciting 2021-22 school year.

As we look ahead to the future, fall sports will be here before you know it. The tryout schedule and fall sports registration can be found by using the links below. Please keep in mind, registration is due by **August 5th, 2021**. If you have any questions throughout the summer, please do not hesitate to contact me (jnash3@bcps.org).

Go Generals!

Justin Nash, Athletic Director
Fall Sports Highlights

Cross Country
Girls Varsity, Junior Varsity and Boys Varsity and Junio Varsity teams completed the regular season undefeated. The Girls finished third at the culminating event hosted by Hereford and the Boys finished second. Great seasons by freshman girls Gabi Galvez and Logan Meushaw and freshman boys Kieran Mischke, Dylan Carson, and Jack Blanchfield point towards a bright future for the Generals. Special thanks, congratulations, and best wishes to our graduating seniors: Anna Vaikness, Blythe Petit, Madeline Kuehn, Julia Kallaur, Madeline Till, Peter Sorensen, Sam Fields, Miles Kline, Colin Hughes, Aris Williams, Griffin Mekler-Culbertson, Quinn Logan-Bennett, Roc Wasiak, and Mohamed Badwi.

Badminton
The team finished with a 4-0 record and were crowned BCPS Co-Champions. In a difficult year, where it was doubtful that we would even have a badminton season, they managed to make the most of it and have a great season. After almost a year of having indoor badminton programs shut down, seeing the students back on court, appreciating the opportunity just to play, made it all worthwhile. While they faced a much lower turnout than usual, everyone played their part to make it a winning season ending with a tie at home in the championship against Dulaney. In the Championship against Dulaney, the girls’ singles players won the day. At #1 singles, Isabella Sabatino, playing the final match, had the crowd on their feet winning in a very close 3 sets. At #2 singles, Joy Chen played a steady and convincing match, winning in straight sets.
Athletics

**Boys Varsity Soccer**
The boys’ varsity soccer team entered the 2021 season as the defending Baltimore County Champions. With eleven seniors, the boys were determined to make the most of the opportunity. The Generals finished 6 and 0 by defeating undefeated Perry Hall 1-0 and won two other contests in overtime by beating Dulaney and Catonsville. Playing Perry Hall twice in four days, the Generals defeated Perry Hall 3-1 for the Baltimore County Championship! The Generals were led by their All-American goalkeeper, senior tri-captain Caeden Fong. The defensive backs were led by seniors Riley Wagner, Tri Captain Sean Christenson, Tre Byrd, Ben Vorsteg, and Michael Giordani. The midfield was anchored by senior tri captain Nick Lewis, Pearson Benassi, Nate Hochrein, Evan Jones, and Sunil Trivedi. Many underclassmen played significant roles in helping the team in completing a highly successful season.

**Boys JV Soccer**
The JV Boys’ Soccer team finished the season with a record of 5 wins, 2 losses and 1 draw to finish tied for third place. The division was very competitive and nearly every game came down to the wire. Players notable for their outstanding play were sophomore goalkeeper Owen Allen-Worrell, sophomore midfielder Jensen Specht, freshman midfielder Jake Del Viscio, freshman defender Henry Kline, freshman winger Graham Gleason, and freshman striker Collin Taylor.

**Girls Varsity Soccer**
The girls’ varsity soccer team had another successful season with an overall record of 4-1-2, finishing 3rd in the county’s top division. The team was led by 6 amazing senior captains who demonstrated true grit and leadership helping to keep the team morale high during a season of uncertainty. A season highlight was beating and shutting out 2019 4A State
Champions Perry Hall, a team we have not won against in over 7 years. Sophomore striker, Estelle Gerber, was our season’s leading goal scorer with 10 goals and senior captain, Chiara Menegatti, led the team with assists.

**Girls JV Soccer**

JV Girls Soccer team had a wonderful season, finishing with a 7-1 record. The defense, anchored by goalies Audri Adams, Sophia Brown, and Jenna Paraska, and defenders Claire Boudreau, Marin Harris, Hope Roberts, Hailey Sysantos, Nora Sevidal, Tessa Snyder and Co. did not allow a single goal in the run of play until the final game. Very impressive! The offense was led by Brigid Vaikness who scored in more than half of the games including the game winners versus Dulaney and Perry Hall! The team played well all year round and the future is bright for these Generals.

**Varsity Volleyball**

The Varsity Volleyball team finished with a record of 4 and 3. Season highlights include a 5-set match against Dulaney that ended in a 15-13 loss. That was the most exciting match of the season. They also had 3-0 matches against Catonsville and Sparrows Point. The varsity team has 4 seniors this year, Bria Kahnert, Tori Vidmar, Hannah Luis, and Ellie Rine. Good luck to these girls on the next chapter in their lives.

**JV Volleyball**

The Junior Varsity Volleyball team finished the season with a 3 and 4 record. They had 4 matches go to 3 sets. Won 2 of the 4, 3 set matches, which showed the competitiveness and heart of the players. Returning sophomores stepped up to be leaders on the team and players worked hard to improve their game throughout the season.

**Varsity Field Hockey**

Towson Generals Varsity Field Hockey ended with a winning season and had a lot of fun doing it. Every player on the team gave it 100% whether it was during a game, practicing on turf, or conditioning on the tennis courts. One of the reasons for such a successful season was no doubt the positive attitudes of all the players. They were so excited to be back on campus playing a sport they love, and it showed in everything they did. The highlight of the season came from a win against Catonsville. The girls went into halftime with a 0-0 tie, adjusted their play and scored 3 goals to their 0 to bring home the win. The 9 seniors were an important part of the team and inspired everyone as they displayed positive leadership on and off the field.

**JV Field Hockey**

Towson High School’s JV Field Hockey program had a great season. All the girls showed up ready to play each day whether it was blazing hot or pouring down rain. Their hard work and dedication was brought to light with 1 win, 1 loss, and 2 tie games. The major highlight of the season was being the 3rd seed for the JV Pod and getting to play Catonsville, the 4th seed, to see who would obtain the 3rd seed final. Towson won 2-1 in the last 23 seconds of the game.

**Golf**

The boys and girls teams both enjoyed success during the virtual fall and spring seasons. The teams met virtually at first and then as courses opened up, the captains (Brendan Berger, Jack Lord, and Olivia Ingrao) took the initiative to organize small groups to meet at the putting green and driving range. This enabled the new players to begin bonding with returning members and proved to be advantageous as both teams were dominant in the Spring. The Boys finished with a record of 3-1, losing only to Dulaney. This included a 100-stroke victory margin in our final match. Standouts for the team were captains Brendan Berger and Jack Lord, as well as Campbell Brune and next year’s captains Ryan Quinn and Jack Lovas. Attendance at all practices was great and Coach Blair is optimistic for their chances in the Fall. The girls completed their 3rd consecutive undefeated season. Led by captain Olivia Ingrao! The highlight of the season was their victory over Dulaney. Catherine Connolly, Mag...
gie Corbett, and Faith Rowland all showed marked improvement over the season and will provide a solid foundation for Coach Roth’s squad next year.

**JV Football**
The JV Football team went 0-2. The team worked hard and learned the entire season. Sophomore QB Nick Dance and sophomore WR Jack Bevan had a highlight throw and catch at Sparrow’s Point. The special team’s unit had 3 blocked kicks on the season. The defense had a recovered fumble and an interception on the season.

**Varsity Football**
The Varsity Football team finished 0-4 but that does not tell the whole story. This was a great team who overcame a lot of adversity, managed to stay together, and finished the season. Specials teams and defense played solidly and that is something that the team can build upon for the upcoming season. During the off-season, the team looks to get faster and stronger headed into the 2022 campaign. The coaches were most proud of how the players played snap as hard as they could and gave it their all.

Way to go!
The Social Studies department was tasked with the following topics:

- Explore strategies for strengthening staff & student agency
- Develop our approach for learning acceleration for the 21-22 school year

Topics included Equitable Access, Managing High Expectations, delivering culturally relevant curriculum, utilizing responsive instruction, and creating a professional learning community.

Teachers were successful in creating an atmosphere of trust and collaboration delivering opportunities of growth within the group. Congrats to the SS department on leading meaningful discussions as we prepare for next year.
