STARS to Xavier Acuna for his participation in discussions in Mr. Buick’s Advisory Class. You are appreciated!

STARS to Ms. Marks and Mr. Rhen for their leadership with the spring production.

STARS to Ms. Jacobs for her leadership accomplishment.

STARS to Ms. Prevette for her additional efforts with assigning teacher coverage.

STARS to Ms. Bridges, Ms. Culbertson, and Mr. Stevens for their collaboration and leadership - National Assistant Principal Week.

STARS to Mr. Buick for his consistent dedication to students.

STARS To Ms. Schrader for her consistent dedication with showcasing quality instruction of her department.

STARS to Officer Cardano and Officer Schissler for their consistent efforts to work collaboratively with staff.

STARS to Ms. Keller, Ms. Pachillis, and Ms. Smith for their collaboration and additional efforts to ensure efficiency.

STARS to Khaliyah Fame and Na’Jai Hamilton for helping other students in Ms. Schrader’s 2B Living Systems class.

STARS to Mr. Jochmans, Mr. Biddison, Mr. Geckle, Mr. Ridge, Ms. Kemper, Ms. Lee for their team effort in the Science wing.

STARS to Mrs. Raley for her assistance in Science classroom.

STARS to Mr. Davis, Ms. DiMino, Ms. Hancock, Ms. Prevette, Nurse Russo, Officer Cardano, Officer Schissler, Ms. Szopo, and Mr. Stevens for their efficient response to a student issue.

STARS to Mr. Brotman for his efforts with planning and implementing Interview Day for students.

STARS to Mr. Hobbs and Ms. Wright for supporting students.

STARS to Ms. Kromsky and Mr. Olson for their efforts with planning field trips for students.

STARS to Mr. Lane for his additional efforts to enhance daily routines and procedures.

STARS To the members of the custodial team for their attention to detail for the spring production.

STARS to the students in Mr. Greenebaum’s class for applying leadership skills with Interview Day.

STARS to the students of the Teacher Academy, under the direction of Mrs. Nash, for their accomplishments and accolades earned at Educator’s Rising.

STARS to Shante Binger for her demonstration of leadership.
The Towson High School Theatre Program is proud to announce the opening of our first virtual production!

Link to the THS Production of *The Bullying Collection*

Friday, January 29 - Sunday, January 31

FREE Streaming for 72 Hours!

More than forty THS students have been involved in the creation of a trio of student-directed, student-produced, and student-led short plays from *The Bullying Collection*. These plays range from the tragic to the co-medic, but they all reveal a new perspective on a common problem.

The show will stream exclusively on Broadway On Demand Friday, January 29 through Sunday, January 31. You can stream the show for free at any point during that 72-hour period. Share the link with your friends and family! After this weekend, the show will no longer be available for viewing, so catch it while you can!

Thank you so much for your continued support & enjoy the show!

National Assistant Principal Week

National Assistant Principals Week was **April 4-8, 2022**! Join us in honoring the enormous contributions of assistant principals to student success.

**Thank you to our Towson High School Assistant Principals**

Nicole Bridges  
Kim Culbertson  
John Stevens
THS 2022 SPRING STATE TESTING

April 28th-29th - ELA Testing - All Grade 10 students
May 2nd-6th - Algebra I Testing - All Algebra I Students
May 2nd-6th - MISA Testing - All Living Systems Students
May 16th-27th - Government Testing - All Government Students
May 30th - June 1st - Make Up Sessions

All assessments are graduation requirements.

PLEASE BE SURE TO COME WITH YOUR CHARGED DEVICE ON TEST DAY!
Spanish
AP Spanish students recently explored the AP topic of Education and Careers, culminating in a class job fair where students prepared presentations about specific careers in both the United States and in Spanish speaking countries.

In Spanish 4 Special Topics, students are diving into some deep subjects in their current unit about technology and its impact on the
the world. Students have looked at and focused on the positives and negatives of technological advancements and use of technology in the school. We also discussed the use of technology to help both physical and mental health. As students are looking ahead to AP next year, we have been practicing responding to simulated conversations.

As we just celebrated Earth Day, Spanish Language and Culture (Level 3) students have been focusing on the global consequences of climate change, its effects in the different zones of Baltimore County, and ways to combat it in our communities. They are finishing up the unit by creating a video or infographic that the Maryland Commission on Climate Change could use to educate others on simple ways to fight climate change.

**Spanish National Honor Society celebrates the yearbook theme of music!**
Latin
In Latin 1, students explored the way Latin influenced and was influenced by the dynamic blend of cultures that made up the ancient world of the Mediterranean region—and continue to do so today.

Students in Latin 2 have looked at the life of Romans in the Mediterranean region, especially the way that people traveled within the Republic/Empire. Students came to appreciate the complexity and legacy of the Roman Roads and the impact that it had in developing the Republic/Empire.

Students in Latin Language and Culture are exploring the use of Latin post the fall of Rome in the 5th Century AD. Students have focused on the spread of the language and how it evolved from being the language of Europe during 1000 years, to the use of Latin today in 2022.

Students in Latin Special Topics explored the philosophies of the ancient world of the Mediterranean through the words of writers living in the time of Julius Caesar and the Emperor Augustus. They focused on the impact of Stoicism and Epicureanism and the impact these two philosophies continue to have, particularly in techniques for dealing with stress and fostering mindfulness.
Students of AP Latin studied the works of Caesar, Vergil and other authors of that time as they prepared for the AP Latin Exam. Most recently, they examined how certain developments in Roman history have been explored by Hollywood screen writers. Image: Centurion, 2010. Courtesy Warner Bros.

**Towson High School Chapter of the Latin Honor Society.**
The Latin Honor Society held our first induction ceremony since 2019 during March. We inducted 18 new members and were able to hold an induction ceremony for all members that may have missed their induction of the last few years.

French

AP French students are learning about how aspects of everyday life influence and relate to the quality of life.

French 4 students are exploring the theme of myths and legends from various francophone cultures in order to identify and compare cultural perspectives as reflected in myths and legends.

French 1 students continue to learn about extra-curricular activities around the francophone world in order to identify clothing/accessories to wear in various situations and describe personal style.

French 2 students are learning about professions of today and in the future to determine what jobs match their personality and describe skills needed for jobs of the future.

French 3 students are learning to describe their identity: different aspects of their personality, their personal talents and the different goals they have for their future.
The Maryland Seal of Biliteracy for High School Students

What is a Seal of Biliteracy?

A Seal of Biliteracy is a state award that recognizes a student’s high level of proficiency in listening, speaking, reading and writing in one or more languages other than English. It is awarded to eligible high school students by participating public school systems in Maryland. Begun in California in 2011, the Seal of Biliteracy is now offered in 28 states and the District of Columbia. Maryland’s Seal of Biliteracy Bill was signed into law in 2016.

Eligibility: To be eligible for a Seal of Biliteracy, a student must fulfill the following requirements: “Pass the Maryland High School Assessment in English 10. “Score Intermediate High Proficiency or equivalent on an approved world language assessment. Below is a partial list of assessments and their qualifying scores.

- Assessment Minimum Qualifying Score: Advanced Placement: 4
- International Baccaulaurate: 6 (Standard)
- ACTFL Assessments: Intermediate High

For a complete list: http://marylandpublicschools.org/about/Pages/DCAA/World-Languages/Biliteracy/index.aspx

Why is Maryland Awarding a Seal of Biliteracy? High school graduates who can function in two or more languages are equipped with the knowledge and skills to participate successfully in college, careers, and a diverse 21st century society. The purpose of the Seal of Biliteracy is to: “Recognize the value of language learning in public schools. “Encourage students to attain high proficiency levels in one or more languages in addition to English. “Affirm native or heritage languages. “Provide employers with a method of identifying individuals with language and biliteracy skills. “Prepare students with the critical skills necessary to function in a global society. “Strengthen cross-cultural communication, affirm the value of diversity and honor the multiple cultures and languages in our communities.

Heritage Languages in Maryland

Nearly 17% of Maryland’s students speak a language other than English at home. Some of these students take weekend classes in their heritage language for many years. These students will also be eligible to be recognized for their language proficiency with a Seal of Biliteracy in their heritage language. They must meet the same eligibility requirements listed in this brochure.

Cost: There is no cost to the student to apply for the voluntary Seal of Biliteracy. However, students are responsible for any assessment fees not covered by their school or school system.

For a complete list: http://marylandpublicschools.org/about/Pages/DCAA/World-Languages/Biliteracy/index.aspx

2022 Educators Rising Maryland Conference
April 5, 2022
Towson University

The 2022 Maryland State Educators Rising Conference was on April 5th from 9am-3pm on campus and online! It is a one-day conference designed for students who are aspiring to be teachers or are thinking about a career in teaching. The day was packed with informative, interactive sessions that will help students get excited about a career in teaching and help them prepare for their future classroom.

2022 Keynote Speaker:

Brianna Ross, Middle School History Teacher in Baltimore County and the 2021–2022 Maryland Teacher of the Year.
Attendance Matters! #EveryDayCounts #BCPSRollCall

Research has shown that attendance is a leading predictor of academic achievement and adult success. Students who find attending school important are more likely to attain goals like attending trade school, college, or getting a job. By showing up to school every day, students develop a positive work ethic and prepare for future success by developing healthy and productive habits.

Our goal is for students to attend school at least 94% of the time. By missing just 2 days a month, students will end up missing 10% of the school year. Below are some tips and reminders to help your student attend school regularly. Thank you for your continued support and involvement in ensuring that all of our Towson Generals become life-long learners and productive global citizens.

Student attendance records are available to review in real-time on FOCUS. Follow the directions on our website to access your student’s information in the FOCUS Parent Portal. Go to https://towsonhs.bcps.org, hover over “Parent Resources,” and select “Parent/Guardian FOCUS Account Access.” If you notice a discrepancy in your student’s attendance record, please contact the Main Office.

The school day begins at 7:35 AM. If a student arrives late to school during 1st period, they are to report directly to first period, and their 1st period teacher will record their attendance as tardy but present for the day. If a student arrives to school after 1st period (after 9:00 AM), they are to report directly to the Main Office. If the lateness is excused, the student should bring an excuse note from their parent/guardian.

After an excused absence, students should bring an excuse note from their parent/guardian so the absence can be marked as excused. Excuse notes should be dropped off in the bin outside of the Main Office. If your student is absent for multiple days, please contact your student’s School Counselor and inform them of the absence.

School Counselors will notify teachers and can collect missing work for your student. Attendance is reported on students’ high school transcripts. Colleges and future employers that receive students’ transcript will be able to see the number of absences that were accrued each school year.

Students who are under 16 and are applying for their Learner’s Permit must complete the Maryland Motor Vehicle Administration Verification of School Attendance form. The form asks school officials to sign and seal that the student has not had more than 10 unexcused absences during the prior school semester.

*Press CTRL & click to access*
The THS Robotics team would like to thank Ellen Eisenberg from the Edmund Eisenberg Memorial Fund for their recent donation to the Towson VEXT Robotics Team.

The THS VEX Robotics Team, a student-run club, received $1000 in an Advancement of STEM Education Grant to buy new parts and equipment to make us more competitive in robotics competitions.

We appreciate the support toward our STEM clubs and education, and especially for Ms. Eisenberg's support and guidance.

Students in AP Environmental Science designed their own experiment to test the effects of acidity on oyster shells. Students massed oyster shells (Eli D, upper left) and placed them in varying solutions of acid (Nalani M and Nasir W, lower left) to see how much mass of each shell is lost over time. The acidity of the ocean is greater than it has been at any point in the last 2 million years which is wreaking havoc on our shelled animals of the sea.
Students in Mr. Jochmans’ Earth Systems classes applied their knowledge of shoreline stabilization by creating a model using various supplies in class. Students were able to test their models to see if they would withstand a natural disaster event.

Check out their work here!
