On a bi-weekly basis, we acknowledge the outstanding efforts of our staff and students. We encourage our staff to submit accolades for recognizing the dedication of others. The accolades appear on the first pages of our newsletter. We appreciate our staff and students for demonstrating leadership, citizenship, scholarship, and integrity. If you would like to submit an accolade for one of our students/staff members for the great work that they do within our community, please submit the information to cdmino@bcps.org and cc dlauten@bcps.org. Help us recognize the outstanding efforts of our students and staff.

During the past two weeks, we have appreciated the opportunities to connect with our students. During one of the advisory periods this past week, our students were asked to reflect on what an ideal community looks, sounds, and feels like. In our Advisory Period, we discussed how an ideal community is characterized by individuals that support one another. We discussed how every person cares enough to make the atmosphere inviting. I have the pleasure of observing classrooms where student work is showcased and motivational expressions welcome students each day. Our teachers greet students at the classroom doors. Many of our teachers take time to share well wishes with our students as they transition throughout the hallways.

As we continue to engage with our students, I appreciate our students’ demonstration of leadership and integrity. During a recent interaction with some of our seniors, they shared that if they could change some things in today’s world they would increase opportunities for kindness, refrain from judgment, and limit interactions of social media. – Rather impressive perspectives from our young adolescents!

Working with students reminds us of the critical need to be thankful for our daily opportunities. Every day that we interact with each other is a gift. While life’s circumstances have restricted some privileges that we have been accustomed to in the past, we appreciate any opportunity to interact with each other every day. We recognize that every student has gifts and talents. We admire our students when they apply flexibility to a variety of situations.

When discussing a topic or situation, experience and perspective contributes to an outcome. When we experience issues, we believe in the importance of addressing problems at the source. Why? It’s preparation for problem solving and independent thinking in life. When problems require additional support, we have resources in our schoolhouse. We recently asked students to reflect upon their circle of trust. Students reflected on the various support personnel, and adults that they can turn to for assistance. We encourage you to ask your student who they identified in their circle of trust.

We are most appreciative of the families, professionals, and students that have continued to support education for all students. During the past 12 years as serving as principal, I have been fortunate to establish life-long relationships with adults. We appreciate the contributions of leaders that believe in working collaboratively while refraining from judgment to better the lives of all students. I value the trust that has been established in consideration of the many facets associated with meeting the needs of the whole child.
The information below, as disseminated to all families on Monday, August 9, 2021, provides a reminder of our daily operating procedures.

**Health and Safety**

The latest information and updates can be found on the BCPS website. We continue to ask that you screen your child(ren) prior to sending to school. **Students should stay home when sick and contact your healthcare provider for any COVID-like illness. Students may not attend school if they are awaiting the results of a COVID test.**

Please notify the school nurse if your child has tested positive for COVID-19 or has been in close contact with someone with COVID.

**Masking**

In accordance with the CDC guidelines, all students, staff, and visitors are required to wear masks when indoors except for when consuming breakfast/lunch in the cafeteria.

**REMinD**er: Please remind your child that a mask should cover the mouth AND nose.

**Bathrooms**

Bathrooms are accessible during classes.

Students sign out using Schoology.

**Additional information:**

We are committed to maintaining a record of bathroom use for the overall safety of our students. During class transitions, we are committed to monitoring the hallways as our students move throughout our building.

Our staff are assigned as bathroom monitors for check-in purposes.

We have 2 individual bathrooms that are accessible to students as well, in addition to the set of bathrooms that are open on each floor. Bathrooms adjacent to the cafeteria are accessible during breakfast and lunchtimes.

We appreciate the efforts of our custodial staff that are required to maintain the cleanliness of the bathrooms consistently, especially during this time.

More than forty THS students have been involved in the creation of a trio of student-directed, student-produced, and student-led short plays from The Bullying Collection. These plays range from the tragic to the comedic, but they all reveal a new perspective on a common problem.

The show will stream exclusively on Broadway On Demand Friday, January 29th through Sunday, January 31st. You can stream the show for free at any point during that 72-hour period. Share the link with your friends and family! After this weekend, the show will no longer be available for viewing, so catch it while you can!

Thank you so much for your continued support & enjoy the show!

ADDITIONAL UPDATES:

What can I do if my child is missing school because of COVID?

Work will be accessible via Schoology from individual teachers.

Students that quarantine may receive additional assistance during virtual tutoring sessions. If your child needs additional assistance during the period of absence, please email the department chair listed in the chart below.

Baltimore County Public Schools 7-27-2021
Hello Parents, Students, and Faculty!

Just as school started, this year’s Student Government Association (SGA) Officers knew the student body was looking for fun and community that always surrounds Homecoming. Working alongside the general body of elected students, the SGA has planned a fun and exciting homecoming week full of events that everyone will enjoy!

Spirit Week will begin on October 25th with Maryland Monday, Towson Tuesday, Pink Wednesday for Breast Cancer Awareness, Decade/Y2K Thursday, and Class Color Friday. At Towson, we promote the “earn your colors” tradition with Freshmen wearing white, Sophomores wearing grey, Juniors wearing maroon, and Seniors wearing black. On Friday, October 29th during fourth period, we will be holding our annual pep rally where fall sports teams will be recognized, and the Marching Band showcases their talent. This year during the pep rally, we will be holding a Powder Puff flag football game for all of those who are interested, as well as our annual teacher-student relay races that will include a variety of different events. Sign-ups for both activities will be sent out through Advisory periods in the upcoming weeks.

Finally, on Saturday October 30th at 11:00am, the SGA will be sponsoring a Fall Fest! This will consist of a variety of different yard games like cornhole, spike ball, ladder ball, kick ball, and so much more. Booths will be run by clubs and organizations from the school and neighborhood. As students travel from game to game, they will win tickets. Ticket winners will write their names on their tickets and can turn them in to a raffle for a chance to win a variety of different prizes. Students will all be encouraged to move from the Fall Fest to our annual varsity Homecoming football game!

Please reach out to your Advisory Representative, SGA Officers, or SGA Advisors with any questions, concerns, or ideas. We look forward to a safe and successful event celebrating Towson High School.

Go Generals!

Towson High School

September 2021

Dear Towson High School Families and Students,

All Towson High School students in grades 9-11 will have the opportunity to take the PSAT on October 26, 2021 during the school day. The purpose of the test is to give all students an opportunity to experience taking a college readiness test and to identify students who might benefit from advanced coursework.

By taking the PSAT/NMSQT® students will have access to resources that will help prepare him/her for the future. Two resources that will be a benefit to all students are:

1. A list of personalized careers and potential college majors based on the preferences indicated on the PSAT/NMSQT®; and
2. Access to the Khan Academy™, the College Board’s interactive college and career planning website.

If you are new to Towson High School and your student has testing accommodations with the College Board, please turn in your SSD testing accommodations letter to the school counseling office as soon as possible. Students in grade 9 receive school-based testing accommodations for the PSAT. Students in grades 10 and 11 will only receive College Board approved accommodations for the PSAT. For more information about College Board testing accommodations, please contact Mr. Malloy at rmalloy@bcps.org.

Please note that 9th and 10th graders are not eligible for the National Merit Qualifying Scholarships. Only 11th grade students may be identified as National Merit Scholars based on the PSAT/NMSQT®.

Important Information from BCPS

Closing of the VLP Request for Co-Enrollment Window

BCPS began accepting applications for the Virtual Learning Program (VLP) in May 2021 for school year 2021-2022. The original application deadline was May 31, 2021. This original deadline was extended to July 2, 2021. In response to ongoing community interest in the VLP, BCPS opened an option for families to submit a request for permission to co-enroll in the VLP starting on August 23, 2021. Requests which included medical documentation necessitating virtual learning were prioritized. The window to request permission to co-enroll in the VLP will close on Thursday, September 30, 2021. Going forward, families with medical concerns that might necessitate virtual learning and warrant consideration outside of the co-enrollment request window can work with the Pupil Personnel Worker at their enrolled school to explore learning options.

Creating Parent Accounts for FOCUS and Schoology

The Department of Information Technology has monitored active log ins and, while over 5,000 parents have logged in, BCPS has roughly 200,000 established connections to students. The directions for parents can be found on the BCPS Web site: https://www.bcps.org/tech_support. In addition, a document has been prepared to aid school staff in their support for parents as they navigate these new tools. That document can be found on pages 10 and 11 of this newsletter. Parents and teachers should also be aware that there is now a link within Focus to take them directly to Schoology, thus eliminating the need for separate login pathways.
Creating a Parent Account
Note: Parents need to use the email that was provided to the school to create this account. Parents may access Schoology using the link in the Parent Portal 24-48 hours after the creation of their myBCPS parent account.

1. Using a CHROME browser, navigate to: https://baltimore:focusschoolsoftware.com/focus
2. Click Sign up now in lower right corner.
3. Enter the email address that was provided to the school and click Send Verification Code.
4. Open the email and locate the email correspondence from myBCPS B2C.
5. Copy the code from the email and enter it on the portal screen under Verification Code and select Verify Code.
6. After entering the code, users should continue by making a New Password, Confirm New Password and enter their First Name and Last Name, click Create Account.
7. Returning users should enter their username and password and click Sign in.

How Towson High School Students Make A Difference

FACE OF THE WEEK: ELISE CHANG, GRADE 12 STUDENT, TOWSON HIGH SCHOOL

Bringing comfort to her community through The Tough Cookie Service Project

Elise Chang

She was featured on “Face of the Week” on the BCPS website as well as ABC National News!!
In August, rising sophomores, juniors, and seniors gathered on First Fruits Farm, Inc., a 200-acre farm located in Freeland, Maryland. The primary purpose of the farm is to provide a wide range of fresh produce to food banks in Maryland, Washington, D.C., and Pennsylvania. During the Towson General's Saturday morning shift, approximately 25 Towson students picked and boxed tens of thousands of zucchinis for the Maryland Food Bank. Sophomore, Peter Andrews said the event was "fun and really worthwhile." He plans to participate again in the fall volunteer effort.
Towson, MD – The Tributary Festival, a music festival initiated and coordinated by Towson High School junior Reed Spaulding to benefit the Chesapeake Bay Foundation, will be held on Sunday, Sept. 26, from 2 - 6:30 p.m. at the Baltimore Museum of Industry, 1415 Key Highway in Baltimore.

The lineup includes Modern Nomad, Never Ending Fail, Impressions, The Adirondacks, Stages All-Access, and acts from the Lutherville Rock School. The event will also feature food trucks and interactive educational displays from environmental organizations.

Admission to the event is free. All funds raised at the event – through donations, merchandise sales, and raffles – will benefit the Chesapeake Bay Foundation.

In his bio on the festival website, Spaulding writes: “I love music and the Bay and found that this festival would be the perfect way to connect the two. Many of my fondest memories have been formed on the Chesapeake Bay and its rivers; be it fishing, crabbing, or boating with my grandparents on the Piankatank River in southern Virginia; tubing with my cousins on the Gunpowder in Baltimore County; attending Sandy Hill Camp on the Susquehanna; or sailing with the Downtown Sailing Club on the Inner Harbor. I’m also a musician, playing in multiple bands and working on my music every day.”

The festival can be found on social media as @tributaryfestival. Or visit https://tributaryfestival.org/ for the website of the festival!

FREE Streaming for 72 Hours!

More than forty THS students have been involved in the creation of a trio of student-directed, student-produced, and student-led short plays from The Bullying Collection. These plays range from the tragic to the co-medical, but they all reveal a new perspective on a common problem.

The show will stream exclusively on Broadway On Demand Friday, January 29 through Sunday, January 31. You can stream the show for free at any point during that 72-hour period. Share the link with your friends and family! After this weekend, the show will no longer be available for viewing, so catch it while you can!

Thank you so much for your continued support & enjoy the show!

THANK YOU!
Ms. Wright has created a “senior/junior college newsletter” on Smore with lots of links and info for seniors and juniors.

Welcome to the 2021-22 School Year!

Seniors and Juniors,

Welcome to the 2021-22 school year! I hope it is off to a good start. For those of you who do not know me yet, I am Mrs. Wright, and I am the College and Career Counselor at Towson High School. I am here as an extra support for you during the college application process in addition to your alpha counselor. I will be sending out these newsletters every month with reminders for you and scholarship information.

This is a great resource for the college application process and support. Check it out!
