THE TOWSON PRIDE

Please review the reminders below so we can all do our best to keep the Towson High community safe and healthy!

**DO NOT** allow your child to attend school if they are not feeling well. Symptoms of COVID-19 include:

- Fever of 100°F or higher
- Sore throat
- Cough
- Difficulty breathing
- Diarrhea or vomiting
- New onset of severe headache
- New loss of taste or smell
- Any of these symptoms that are a change from child’s usually symptoms related to a chronic condition (such as seasonal allergies or asthma)

➤ **Students will be excluded from school for at least 10 days if they have any of the above symptoms, UNLESS:**

- They receive a negative COVID test and feel better, or
- They are diagnosed by a healthcare provider with another specific diagnosis (such as strep throat), or
- Healthcare provider documents that symptoms are related to a pre-existing condition.

All students should be feeling better and fever-free for 24 hours without use of fever-reducing medication prior to returning to school.
**DO NOT** send your child to school to be tested for COVID.

- We are not able to provide screening tests for students, and those with Covid-like symptoms should never report to school, as this potentially exposes other students and staff to illness.
- Testing resources:

**DO** always ensure your child has a mask before leaving for school, and an extra mask in case it is needed.

- Masks should always be worn on buses.
- We have extra masks in case a mask is broken or soiled while at school, or for the occasional forgotten mask.
- We do not have a supply of masks to provide to students or staff on a daily basis.

**DO** notify us of your child tests positive for COVID, has been exposed to a person with COVID, or with any questions regarding quarantine or isolation.

**DO** always feel free to contact the school nurse, Ms. Russo, at 443-809-4261, or lrusso@bcps.org for any questions or concerns. Questions may also be directed to the Office of Health Services at 443-809-6368.
Attendance Matters! #EveryDayCounts #BCPSRollCall

Research has shown that attendance is a leading predictor of academic achievement and adult success. Students who find attending school important are more likely to attain goals like attending trade school, college, or getting a job. By showing up to school every day, students develop a positive work ethic and prepare for future success by developing healthy and productive habits.

Our goal is for students to attend school at least 94% of the time. By missing just 2 days a month, students will end up missing 10% of the school year. Below are some tips and reminders to help your student attend school regularly. Thank you for your continued support and involvement in ensuring that all of our Towson Generals become life-long learners and productive global citizens.

Student attendance records are available to review in real-time on FOCUS. Follow these directions* to access your student’s attendance record. Follow these directions* to create a parent/guardian FOCUS account. If you notice a discrepancy in your student’s attendance record, please contact the Main Office.

The school day begins at 7:35 AM. If a student arrives late to school during 1st period, they are to report directly to first period, and their 1st period teacher will record their attendance as tardy but present for the day. If a student arrives to school after 1st period (after 9:00 AM), they are to report directly to the Main Office. If the lateness is excused, the student should bring an excuse note from their parent/guardian.

After an excused absence, students should bring an excuse note from their parent/guardian so the absence can be marked as excused. Excuse notes should be dropped off in the bin outside of the Main Office. If your student is absent for multiple days, please contact your student’s School Counselor and inform them of the absence.

School Counselors will notify teachers and can collect missing work for your student. Attendance is reported on students’ high school transcripts. Colleges and future employers that receive students’ transcript will be able to see the number of absences that were accrued each school year.

Students who are under 16 and are applying for their Learner’s Permit must complete the Maryland Motor Vehicle Administration Verification of School Attendance form. The form asks school officials to sign and seal that the student has not had more than 10 unexcused absences during the prior school semester.
