- Only the following types of bags are allowed: small clutch bags, no larger than 4.5" x 6.5" or approximately the size of a hand. These bags may be subject to search prior to entry. An exception will be made for medically necessary items and diaper bags. These bags may be subject to search prior to entry.

- Once spectators have entered a game, there will be no readmittance if they choose to leave before the game has ended.

- Loitering at athletic events or on school grounds after the conclusion of the event will not be permitted.

**FROM THE ART DEPARTMENT**

**Artist Mission Statements**

How might we set personal expectations of ourselves that will allow us to grow this year?

To prepare for art making this year, students in *Fundamentals of Art* created Mission Statements. We started by analyzing artworks and reflecting on the strengths we already have. We explored our personal values and goals we have for ourselves. We responded to questions like:

- When you are in a group setting, what role do you normally play?
- What are some qualities you see in other people that you are drawn to?
- As an activist for change, what would you fight for?
- What is something you find challenging that you haven’t had a lot of practice in yet?
- What is something you hope to accomplish this year?

![Artworks](image1.png)

After this reflection process, students summarized and expressed their ideas through a text-based artwork. Using color, shape, font style and patterns, these artworks set the tone for artistic growth and progress over perfection.

**THE TOWSON PRIDE**
First Impressions & Our Self Impressions

How do we see each other? How do we see ourselves?

Students in Intermediate Art created continuous contour line portrait drawings that focused on observation. Students started by observing their peers then themselves by breaking down facial features into shapes and lines.

Artists followed a few creative constraints:
1. Use a drawing tool that can’t be erased
   ○ a pen, colored pencil, or marker
2. Draw only what you see
   ○ “inside and outside lines” of our facial features
3. Continue your lines by any connections necessary...
   … do not break your line, continue it!

After students drew their peer’s faces, they turned to our own portraits! Following the same guidelines of continuous contour, we completed a full self-portrait. Once completed, artists added color for emphasis and design.
FROM THE ART DEPARTMENT

In search of...

We are looking for some items that will help our students make art!

For Photo:
If you have a 35mm film camera that you no longer use, maybe you'd like to donate it to the Art Department! Our photography students learn to process and print 35mm film. Cameras with manual settings are most helpful for them (especially Pentax K100s because they are the most basic and easy to learn). Camera donations we'd appreciate:
- will have manual control of the shutter speed and aperture
- will have a working light meter
- will be functioning and have no broken or missing parts

For Fundamentals of Art and Drawing and Painting courses:
Unique everyday objects that would be interesting to draw (lots of details, parts, asymmetrical) and can be held in one hand. Example- game controllers that don't work, old over the ear headphones, small tools, kitchen gadgets or electronics, small toys

Questions? Email l.miller19@bcps.org
You can drop off these items or send these items to school with your student to room 310
Looking for ways to get involved with the THS art community? Want to support our student artists? Look no further!

TAPA is a volunteer group of parents who support the visual arts programs at Towson High School. There are many ways to get involved in supporting our creative community, and we need your help!

TAPA Members:
- Help with managing art events, like the Art Auction, Showcase, Edible Art, Field Trips
- Gather donated prizes from local businesses for our annual community Edible Art contest
- Donate items for student led art projects
- Select the winner of the Senior Purchase Award- a scholarship given to a Senior artist whose work is then permanently installed in the THS Gallery

Meetings are virtually held throughout the school year the second Tuesday of the month from 5:00pm-5:30pm.

11th Grader, Dorian Chase with Mrs. DiMino, Principal of Towson High School

Thank You Mrs. DiMino

The staff and students of Towson High School are so appreciative of our Principal, Mrs. Charlene DiMino. Thanks Mrs. DiMino for all you do for our students and our staff each and every day!
Did you know that Towson High School has 4 Safety Assistants beyond the School Resource Officers? All Baltimore County Public Schools have been provided with these additional resources based on school enrollment. The safety assistants have attended and continue to attend in person and virtual learning trainings. The trainings include de-escalation techniques and multiple ways to support students. Our administration meets on a weekly basis with our safety assistants to review operating procedures. Our safety assistants are assigned areas throughout the building to interact and support our students. We are appreciative of their efforts and daily contributions.

SEE SOMETHING SAY SOMETHING

We encourage our students to report concerns to our school-based personnel. If you receive information that you believe is necessary to report, please know that the reporter’s information is kept confidential when addressing a concern. We remind our students to reach out to a school counselor, social worker, behavior interventionist, administrator, teacher, safety assistant or school resource officer with information.

The Tributary Club organized a fundraiser for the Chesapeake Bay Foundation. This was the second annual festival to raise funds and the group raised over $10,000.00 for a worthy cause. Our student talent was showcased at this event. Special thanks to Reed Spaulding for initiating this worthy cause. Special thanks to all the event planners (student leaders and Ms. McCusker) for her leadership with the planning and execution of this event.
