August 8, 2022

Dear Towson High School families,

Welcome to the start of the 2022-23 school year! As we prepare to reconnect and resume in person daily routines, we remind ourselves of the importance of applying flexibility and patience. This year, we will continue to devote our efforts and time to supporting our students.

In addition to the *Advisory Period* that we implemented this past school year, we will also provide additional support to incoming freshmen that have been identified for peer collaboration.

While we want to ground ourselves in routines and familiar activities, we will continue to reflect on the value of creating new opportunities and traditions. We are committed to welcoming ideas and embracing collaborative efforts that are centered on our school's focus areas: *Academics, Customization, Engagement, Inclusiveness, and Social Emotional Support*.

Please consider stopping by on Thursday, August 25th for our *Back-to-School Meet and Greet Night* from 6:00 p.m. – 8:00 p.m. On this evening, you will have the opportunity to informally meet your child's teachers. We hope that you will be able to provide us with information regarding your learner. Please know that this opportunity will represent our informal *Back to School Night* opportunity for the 22-23 school year.

This year, the PTSA is hosting food trucks on the property from 5:30 p.m. – 8:30 p.m. for our *Back-to-School Meet and Greet Night*. Spirit Wear will be sold by our Athletic Boosters.

We look forward to reconnecting with our students, staff, and families. Please look for an overview of our procedures and routines that will be disseminated soon. We encourage you to visit our website for information that will be accessible soon in the *BACK TO SCHOOL RESOURCE* folder. Educators will post information videos regarding classroom procedures/expectations that will be accessible at your convenience in the future.

Keeping in mind our school's goal of *excelling beyond tradition*, we will operate with open minds, and a commitment to listening and learning. Best wishes for an enjoyable remainder of your summer.

Principal DiMino
