RE: Utility Easement – Hampton Elementary

Verizon Communications has requested an easement area of 1032 square feet on the northern edge of the Hampton Elementary School property along Valley Court Road. The Division of Physical Facilities has reviewed the proposed easement alignment and found that existing site improvements will not be permanently disturbed. Verizon has completed a record plat of this easement, which is attached to this exhibit.

At this time we request Board Approval to enter an easement agreement with Verizon for the 0.024 acre easement described by the Record Plat at the Hampton Elementary School.
