RE: Change Order – Major Maintenance Renovation Program
Fifth District Elementary School

On March 29, 2001, the Board of Education approved an award of contract with James W. Ancel, Incorporated to perform work under the Major Maintenance Renovation Program at Fifth District Elementary School. In order to complete this project, it has become necessary to furnish and install air conditioning in the computer room.

The Department of Physical Facilities has received a proposal from the Contractor in the amount of \$19,137.00 to complete the additional scope of work. This cost has been reviewed by our consultant for this project and was found reasonable. Based upon this review, we recommend approval of a change order in the amount of \$19,137.00 with James W. Ancel, Incorporated to provide air conditioning in the computer room.

Funding for this Change Order is available from Capital Budget Project # 665 – Major Maintenance.
