RECOMMENDATION

That the Board of Education approve the Resolution for Financing at the February 26, 2002 board meeting.

See the attached presented for consideration by the Board of Education of Baltimore County.

Nature of Issue:

U.S. Treas. Reg. Section 1.150-2 (commonly referred to as the "reimbursement regulations") requires a local governmental entity's governing body or its designee to make a "declaration of official intent" if the local governmental entity reasonably anticipates making project expenditures prior to closing on a tax-exempt financing and using the proceeds of such financing to reimburse such original expenditures. It has been the Board of Education of Baltimore County's annual practice to delegate by resolution to a named official the authority to make a declaration of official intent on its behalf with regard to a planned lease-purchase financing for its vehicle fleet. While the Office of Purchasing does not anticipate that such a declaration will be required in connection with this year's or any follow on year's lease-purchase financing, the Board of Education has been advised to designate an official (by office, not name) to act on its behalf and issue declarations of official intent that satisfy the requirements of [U.S. Treas. Reg. Section 1.150-2](#) for any future tax-exempt financing, if applicable. This delegation of authority will [remain in](#) effect unless revoked in writing by the Board and will preclude the need to annually make such a delegation.

Background:

A bid for the purchase of 145 school buses issued on October 11, 2001 and approved by the Board of Education on December 18, 2001 in the amount of \$7,298,915.00 to District International, Hyattsville, MD for Seventy-seven (77) 5000 series buses that accommodate 64 walk-on passengers and Sixty-eight (68) 4000 series buses configured to accommodate 20 walk-on passengers and 3 wheelchair Passengers. The purchase will be funded by a multi-year lease purchase agreement. The amount of the award was dependent on the amount of money and number of buses approved by the Baltimore County Government for the lease purchase. The school buses will replace existing units and expand the bus fleet to meet growing enrollments. This purchase also includes twenty-eight (28) replacement buses whose life cycle was extended last year due to the default of one of our bussing contractors. The buses will provide transportation for designated students. The Office of Purchasing in coordination with our special tax counsel Funk & Bolton Attorney at Law is currently preparing a bid for obtaining the necessary financing to lease-purchase these buses along with ten 4-door sedans in the amount of \$147,930 the Board of Education approved on August 14, 2001. These automobiles will serve as replacement vehicles in the existing fleet. A bid for 20 trucks of various sizes not to exceed \$801,420 will be opened on February 15, 2002 and brought to the Board of Education for approval on March 12, 2002. The trucks of various sizes will be used by multiple offices to provide daily services to the school district, i.e., distribution, maintenance, and operations.

Recommendation:

That the Board of Education approve the attached delegation resolution.

Board of Education of Baltimore County

Delegation Resolution

WHEREAS, U.S. Treasury Reg. 1.150-2 imposes certain requirements that must be satisfied in order for the proceeds of a tax-exempt financing to be used to reimburse expenditures paid prior to the date of financing; and

WHEREAS, U.S. Treasury Reg. 1.50-2 requires that the issuer (or a person designated by the issuer to make declarations of official intent on behalf of the issuer) evidence the issuer’s reasonable expectations to reimburse original expenditure(s) that will be/were paid; and

WHEREAS, the Board of Education of Baltimore County desires to designate an official of Baltimore County Public Schools who shall be responsible for making declarations of official intent for the purpose of satisfying the official intent requirements of U.S. Treasury Reg. 1.150-2, when applicable, with respect to any future contemplated tax-exempt financing, subject to the provisions of this resolution.
