RECOMMENDATION

That the Board of Education approves a negotiated fee.

Fee Acceptance - Design Services for Science Room Renovations at Franklin High School.

Appendix I – Request for Fee Acceptance

Appendix I

Request for Fee Acceptance - Design Services for Science Room Renovations at Franklin High School April 23, 2002

On March 12, 2002, the Board of Education granted the Department of Physical Facilities approval to enter into negotiations with Colimore Gallow Associates, Inc. (formerly Colimore Clarke Associates, Inc.) to provide design services for the science room renovations planned for Franklin High School. These design services are for the complete renovations to nine (9) science classrooms and six (6) preparation rooms.

The Department of Physical Facilities requests approval of a not-to-exceed fee of \$200,000.00 with Colimore Gallow Associates, Inc., to investigate the existing conditions; prepare schematic designs, design development documents, and construction documents; provide bidding phase services, construction administration services, and submission of all necessary documentation for State review and approval.

Funding for these services is available in the Capital Budget Project #666 – Alterations/Code Updates/Restorations.

APPROVED:

Donald F. Krempel, Ph.D.
Executive Director
