Did you know Baltimore County Public Schools require:

- Two Varicella vaccines (Chicken Pox) for students entering grades K-8.
- A Tdap vaccine (Whooping Cough) and a Meningococcal vaccine (meningitis) for students entering grades 7-12.
- Students TO have their required immunizations by September 18, or they will not be allowed to return to school.

Start Administering Vaccines Early (S.A.V.E.)

Bring your child to a Baltimore County health center in your area or to get needed shots or make an appointment with your pediatrician right away.

Free vaccine is available for those who:

- Have Medical Assistance or MCHP
- Have no health insurance
- Have health insurance that does not pay for vaccine
- Are 18 years old or younger
- Attend a BCDH Mass Vaccine Clinic

See reverse side for our Health Center locations.
Make sure your children are ready to go back to school.
