A MESSAGE FROM MRS. DELLONE

Dear Hereford Middle School Families/Community,

Welcome to the 2022-23 school year! The faculty and staff at Hereford Middle is committed to providing a safe and supportive community in which students celebrate diversity, demonstrate integrity, and develop mutual respect and responsibility in order to pursue academic excellence.

Our students demonstrate commitment to excellence in all they do. The Hereford Community is extremely supportive of students, educators, and each other. How do we continue to improve and grow? How do we further the intellectual and social development of our students? The world, job market, college, and what students need to know and do is rapidly changing. We must prepare our students, all of our students, for their bright future.

As a faculty, we will meet our students where they are and assist each student in making academic and social-emotional progress. This is accomplished through reflection from parents, students, and educators. Analyzing our students' academic data tells us where we need to meet them academically to ensure that students at all levels continue to progress. There are many ways we measure student success. Grades, for instance, a student may receive an A on an assignment or all of their assignments. A's are great, but what can we do to contribute to this student's academic progress? How do we assist our students in seeing the connection between their continued progress and future college and career success? HMS faculty will make authentic connections with students through culturally relevant instructional practices and content to help students identify their future college and career goals.

For our students to meet their maximum potential, we must create an environment where they can thrive. Students must feel safe, be
engaged in their learning, complete tasks to learn, take risks, ask questions, fail, use failure to succeed, reflect and repeat the process. This takes vulnerability, trust, support, and persistence. We celebrate every learner, every day. The Hereford Middle School faculty and staff are committed to cultivating an environment where students are valued for their talents, gifts, knowledge, perspectives, and differences. Students at HMS express improvement is needed in the area of peer-to-peer respect. As our students explore their increasing desire to be independent and develop their own identity, they need to develop cooperation, communication, conflict resolution, and resist negative pressures. Parents, guardians, and family members can assist in promoting a successful journey by listening, asking questions, and providing much-needed guidance as students maneuver the middle years.

The PTA supports our community in countless ways. Follow our PTA on Facebook at Hereford Middle School PTA. Throughout the year, the PTA hosts many events, monthly meetings, organizes volunteers, and requests donations of items. Join me in welcoming our PTA Executive Board:

Jennifer Dickerson-President, Alex Castillo-Vice President, Kerri Brozene-Treasurer, Apryl Clark-Recording Secretary, Raechel Combs-Financial Secretary, Andrea Otis-Corresponding Secretary.

Our school website, https://herefordms.bcps.org/, provides a quick snapshot of our school. On the website, you will find WHMS TV, where you can watch our daily broadcast. We hope you will find the website helpful and informative.

The HMS bell times are enclosed in this newsletter. Students are late to school after 7:25 am. Dismissal begins at 2:10 pm. Aftercare is available immediately after school, after clubs, or before recreational sports. Please see the enclosed flyer from R.O.C.K.

Sixth-grade students will attend school on August 25th from 7:25-11:10 am for early entry day. Sixth-grade students are encouraged to ride the bus to school on this day. Directions for car riders are outlined later in this newsletter. Students will attend this early entry day without their parents/guardians. We hope our sixth-grade students will take advantage of this opportunity to become acclimated with our school before 7th and 8th-grade students' arrival.

The first day of school for all students is August 29, 2022.

We look forward to your attendance at Back to School Night on August 31st from 6:00-8:30 pm. This event will be for adults only. Due to limited parking at Hereford Middle, we ask that all parent/guardian(s) complete the following form to indicate which location you will use to pick up the shuttle bus. The HMS parking lot will only be for faculty and vehicles with handicap tags. Parking will not be permitted at Hereford Middle School, Corbett Road, or neighboring streets. Thank you for completing the form by Tuesday, August 16th, to promote a smooth transition to and from our building. We are confident that we can create a successful and rewarding year together.

Sincerely,
Julie A. Dellone

BACK TO SCHOOL NIGHT

Hereford Middle School’s Back to School Night will be held on Wednesday, August 31st from 6:00-8:30 pm. This event will be for adults only. Due to limited parking at Hereford Middle, we ask that all parent/guardian(s) complete the following form to indicate which location you will use to pick up the shuttle bus. The HMS parking lot will be for faculty and vehicles with handicap tags only. Parking will not be permitted at Hereford Middle School, Corbett Road, or neighboring streets. Thank you for completing the form by Tuesday, August 16th, to promote a smooth transition to and from our building.

ARRIVAL

All students at Hereford Middle School are assigned a bus. Students are encouraged to ride the bus daily to and from school.

Students are dropped off at Hereford Middle between 7:10 and 7:25 am. Students should not be dropped off at HMS before 7:10 am. Students are late to school if not seated in homeroom at 7:25 am.

Cars are not permitted in the drive or parking lot prior to 7:10. Please pull into the drive, turn left into the parking lot. Proceed down the middle of the parking lot to the designated drop off area. Follow the signs and staff directions.

DISMISSAL

Buses begin arriving at approximately 1:15 pm. It is recommended that if you need to come to school between 1:15-2:15, please park on the street and walk up to the school. Parking is not permitted in the parking lot during this time frame as buses park double-wide throughout the bus loop and parking lot.

CAR RIDERS

Due to traffic and the number of buses that service the Hereford Zone, it is recommended that all students ride their assigned bus to and from school. Students have a staggered dismissal in the afternoon beginning at 2:10 pm. If you are picking your student up after school, please arrive after 2:20 pm. At 2:20 the bus loop is free of buses and ready for pick up. Our neighbors on Chesterfield ask that you not block or park in the driveways. Arriving in the school area at 2:20 will eliminate unnecessary traffic on Chesterfield. Please pull all the way down in the loop, watch for signals of the staff members. After your student enters your vehicle please stay in the car line. The line will be directed to exit the loop once all students are safely in their vehicles. For safety reasons, students are not permitted to meet parents on Corbett Road or in the parking lot. Please remember that a note is required to be turned in whenever your student is changing their afternoon pick-up arrangement.

BUS RIDERS

Bus Riders are asked to do the following:
- Arrive at your bus stop 8 minutes prior to your scheduled pick-up time.
- Make sure your address is visible to the bus driver.

Students are only allowed to ride their designated buses to and from school.

LATE ARRIVAL/EARLY DISMISSALS

Any student coming late to school must report to the front lobby reception area with a note stating the reason for lateness. The office will write a pass for the student to go to class. We ask parents/guardians to limit late arrivals when at all possible.

We ask that early dismissals be avoided if at all possible. Buses begin to arrive at 1:15; for this reason, we cannot facilitate early dismissals after 1:15. If your student needs to leave school early for any reason, please send a note in with your student in the morning. Students submit the note upon arrival to the front lobby reception area. Students will
receive a pass. Students will show their classroom teacher the pass at the time of dismissal and then go to the front lobby to await your arrival. Upon your arrival, please bring photo identification and ring the front door buzzer. Front office staff will check your identification with the information in our student information system. Your student will then be released.

**OFFICIAL MSDE ATTENDANCE RULE** A full-time student must be present for at least 4 hours to be marked present for a full day. A full-time student must be present at least 2 hours to be marked half-day present. Full-time students present for less than 2 hours will be marked as absent.

VISITORS

All parents/guardians and other visitors entering the school must report to the office through the front doors and sign in. Please make sure that you have a photo ID when you report to the office. Each visitor will have their ID scanned by a staff member and a photo badge will be issued. Anyone in the school building without a badge should expect to be approached and questioned. We have also reminded staff and students that they are never allowed to open any door to visitors. All visitors must be buzzed into the building. These guidelines are designed to assist us in providing a safe and orderly school environment. Hereford Middle strongly encourages parent involvement and participation in the school and our program. Our guidelines are intended to ensure the safety and security of the school community, not to limit parent involvement in our school. If you or someone on your student's emergency card are picking up your student early from school, a photo ID is always required. We thank you in advance for your cooperation with this safety measure.

MESSAGES TO/FROM MY STUDENT

Phone messages will be given to students if an emergency situation arises. We try to keep interruptions to instruction to a minimum. Thank you for your help with this.

DROPPING OFF AN ITEM FOR MY STUDENT

If a student forgets their lunch. The cafeteria will provide food. It may be a good idea to put money on the student lunch account for these instances. The student will need to inform the administrator on duty in the cafeteria.

If a student forgets their device or lunch, please ring the door buzzer and a staff member will come to the door to retrieve the device.

INCLEMENT WEATHER

In the event of inclement weather, please pay close attention to the news. Refer to the BCPS website. This will help prevent the office phone lines from being overwhelmed. Please complete and submit the inclement weather form that will be sent home the first week of school which outlines your wishes in the event of an inclement weather dismissal. Please also discuss this plan with your student.

On behalf of students, teachers and faculty, we thank you for your support!
Dear Team BCPS families,

Welcome to the 2022-2023 school year!

First and foremost, I hope that you and your loved ones are safe and healthy and are enjoying your summer. We will continue to prioritize the health and safety of staff and students as we resume in-person learning for students.

This school year, I look forward to continuing our focus on the equitable, high-quality teaching and learning called for in our strategic plan, The Compass: Our Pathway to Excellence. Your school has been preparing throughout the summer to support the academic and social-emotional needs of every student. We recognize that families and staff may still be encountering a variety of challenges. Schools will provide ways to reconnect that work for your community.

Wellness is so important; therefore, we are continuing to raise awareness about mental health resources for students and staff through our Mind Over Matters campaign. You should also know that every school has a counselor, psychologist, social worker, and nurse to provide direct service and support to our students.

To safeguard in-person learning, our schools and offices are continuing to use strategies recommended by federal, state, and local experts. We work closely with the Baltimore County Department of Health to monitor COVID transmission and to make any changes. Last year, we learned the importance of remaining flexible as conditions evolve. You will always find the latest information at www.bcps.org.

Your most important connection is with your child's school, and I enjoy experiencing those relationships during my visits throughout the county. Whether you are new to our family or returning, I am so glad that you have chosen Team BCPS. Let's have a wonderful school year!

Sincerely,

Darryl L. Williams, Ed.D.
