Senior Interview Day

Senior Interview Day is back!!

Perry Hall High School
Senior Interview Day
Information for Volunteers Interested in Participating

PHHS is excited to hold our annual Senior Interview Day once again! Our seniors are excited to have this opportunity back as part of their senior rituals. We hope to see many interviewers from previous years and also welcome new participants.

Senior Interview Day is one of the ways we bring real-world relevance to education and is always one of our most popular in-school events. Approximately 500 students spend weeks preparing and interviewing with the helpful volunteers representing various fields of industry, gaining insight into the interview process and the working world. This valuable experience provides them with an opportunity to practice important college and career readiness skills.

By participating this year, you will be matched up with students interested in a career pathway within your industry or in pursuing a profession similar to yours. You might also interview students who are still exploring their career interests and refining their interview skills. You may ask the senior interviewees original questions or sample questions we will provide. We will also provide you with feedback forms to record your evaluation of student responses, resumes, and poise. We will use your comments and suggestions to assess student performance and to reflect on with students.

If you or someone from your workplace is interested in participating and has some time available on Friday, November 18th, please follow this link to fill out the online participation form:

We are looking for volunteers to interview students from 7:30 AM-12:00 PM. Feel free to forward this information to anyone you think might be interested.

Thank you for your consideration and please don’t hesitate to contact us via email or at 443-809-5108 with any questions or concerns.

Yearbook

The 2022-2023 Yearbook is currently in production, and we want your photos! The Hallways Yearbook staff is collecting photos to tell the story of what Gators did over the summer and this fall, college visits, internships and work experience, and general interesting life outside of school.

Additionally, we’ll accept photos from spirit week, school events, or in general anything that helps feature the best of what our Gators are up to. Using BCPS credentials students can upload photos directly to the 22-23 PHHS photo sharing folder HERE.

Students and parents can also email photos to hallwaysyearbook@gmail.com along with a brief description to help us caption the images. Help create your yearbook and us your pics!
