**From the Office**

- Please be aware that if your child is absent due to a confirmed COVID case, you will need to submit a note for the duration of your child’s absence just as you would for any other illness.
- As always, if your child has an excused absence, please be sure they contact their teachers through Schoology for any missed work.
- Please be sure to log into FOCUS and update your child’s emergency contact information for the 2022-2023 school year. It’s very important that we have the most up to date information to contact families through phone, e-mail and U.S. Mail.
  *Please see below on how to access FOCUS.

**FOCUS—Parent Access**

- Having access to FOCUS is **CRITICAL** to keep up with all your student’s important information. Please make sure you have an active parent account, see below to access FOCUS.
- Set-up parent account link: [SET-UP Parent Link](#)
- Navigate your account in FOCUS: [Navigate FOCUS Account](#)
  * If your contact information has changed, please contact the school office with the updated information. This will ensure you receive all school communications.

**Transportation**

Senior Parking permits: Grade 12 teachers have been sharing the QR code for seniors to register their cars. Mr. Baikauskas is available during all lunch shifts to distribute parking passes. Passes are also available from the main office for students that leave after period 1.

Buses:

Please review the most recent bus stop information posted on our website for stop location and pick up time. Review this information with your student. Students need to be sure of their bus number prior to exiting the school. This information can be found in FOCUS and is updated regularly.

Parents needed to opt in to bus transportation for the year. **Students are NOT allowed to ride a bus if they are not on the bus list.**

For Parent Drop Off, Pick Up & Student Parking Permits, please see the link below: [Transportation/Student Parking Permits](#)
ATTENDANCE:

Did you know that the biggest predictor of student success is attendance? If a student must be absent from school, the student must present an absence note to the Main Office within 3 days after returning to school. The note must include the student's name, grade level, date of absence, the reason for the absence and must be signed by a parent or guardian. If a student is absent for more than three consecutive days, a doctor/physician's note must also be presented. Emails about attendance should be directed to Ms. Patton (spatton3@bcps.org) or to the student’s administrator. NOTE: In accordance with BCPS Rule 5120, teachers are not required to provide students absent for unlawful reasons with make-up work but may do so at their discretion and in accordance with their school's established procedures. Class cuts are considered unexcused absences.

Extended Absence: The assistant principal may permit absences during a school year for unusual and/or imperative circumstances. This request must be made in writing to the appropriate administrator at least two weeks in advance of the expected absence.

EARLY DISMISSAL:

Unavoidable requests for early dismissal should be brought to the Main Office before 7:45 AM. The notes must be signed by a parent/guardian with the time and date to be excused, a parent contact number, and the reason for the early dismissal.

- Unplanned early dismissals must be arranged by the nurse or the Main Office. Students must sign out in the Main Office before leaving school property.

- Anyone who signs the student out must have a valid ID and be on our list of those who have approval to pick up the student. Therefore, we must have correct contact information on file yearly.

LATENESS:

To maximize instructional time, it is important that students arrive on time to school each day.

For a student to be counted as present for a full day, the student must be in attendance four hours or more of the school day. All students who arrive after 7:45 AM must sign in at the late check-in desk in the fine arts lobby to pick up a late pass before being admitted to class. A signed note from a parent or guardian explaining the reason for the lateness is required at the time of arrival in order for the lateness to be excused. When the late bus arrives at school, students will be given an excuse note to enter their first period class.

NOTE: Students who are tardy/late without a valid excuse note may not be able to participate in extracurricular activities that school day. This includes athletic events, clubs, etc.

Entrance to the Building: Students may enter the building at 7:15 AM at the main lobby or fine arts lobby. The building is not open prior to 7:15 AM in order to ensure adequate supervision. During inclement weather, students may enter the main lobby at 7:00 AM. Students will need to remain in the main lobby area until 7:15 AM.
