2020-2021 Virtual Instruction

PHHS PARENT HANDBOOK

“How do you define a ‘good day?’ I believe if you put your best foot forward and give the tasks before you some serious effort; in other words, if you WORK HARD, that’s a good start. But it’s not enough... You also need to treat those around you with kindness and dignity, or BE NICE. Work Hard, Be Nice, and that’s a pretty good day!”

- Mr. Craig Reed

**Attendance**

Good attendance is a vital part of student success. It is expected that students will attend their virtual Google Meet classes as outlined on Schoology each day. **Daily and period attendance will be taken.** If a student must be absent from his or her virtual classes, the student should email a note to Ms. Stacey Patton at spatton2@bcps.org and cc his/her caregiver and teachers. The note should be provided within 3 days of the absence and include the student’s name, grade level, date of absence, the reason for the absence, and must include contact information for the parent or guardian. If a student is absent for more than three consecutive days, a doctor/physician’s note should be presented.

**NOTE:** In accordance with BCPS Rule 5120, teachers are not required to provide students absent for unlawful reasons with make-up work but may do so at their discretion and in accordance with their school’s established procedures. **Class cuts are considered unexcused absences.**

**Extended Absence:** The assistant principal may permit absences during a school year for unusual and/or imperative circumstances. This request must be made in writing to the appropriate grade-level administrator at least two weeks in advance of the expected absence and should be in accordance with BCPS reasons for excused absences.

Lateness

To maximize instructional time, it is important that students arrive on time to their virtual Google Meet classes each day. It is suggested that students establish a morning routine that includes eating breakfast and logging in a few minutes prior to the actual start of class to ensure device connectivity.

If a student will be late to class due to one of the BCPS Reasons for Excused Absences and Lateness, parents should send an email to Ms. Stacey Patton at spatton3@bcps.org and cc (copy) the teacher at the time of late arrival. The email must explain the reason for the lateness and provide contact information for further follow-up.

Latenesses that result in a student missing significant time from any given class can be reflected as an absence from that class. Unexcused latenesses to class will begin progressive discipline at the classroom and/or administrative level.

**NOTE:** When in person instruction and activities resume at the building, students who are tardy/late without a valid excuse note may not be able to participate in extracurricular activities that school day. This includes athletic events, clubs, etc.
EARLY DISMISSAL
Unavoidable requests for early dismissal from virtual classes should be emailed to Ms. Stacey Patton at spatton3@bcps.org no later than 8 AM on the day of early dismissal and copy the teacher whose class will be missed. The note must be signed by a parent/guardian with the time and date to be excused and the reason for the early dismissal. Parent contact information must be provided for further follow-up.
Student Dress Code

It is expected that students attending virtual classes on Google Meets will dress appropriately for an educational setting as they would if they were physically in the building.

Perry Hall High School considers the following to be inappropriate dress for an educational setting:

- Dress apparel must not cause disruption, be a safety or health hazard, or hinder the educational process.
- Clothing or accessories with inappropriate slogans or pictures (which includes, but not limited to, alcohol, tobacco, sexually explicit, drug-related, gang affiliation or other illicit activity).
- Parents should know that students found in violation may risk being excluded from virtual classes and/or their camera turned off by the classroom teacher. Class exclusion due to inappropriate clothing will be considered an unexcused absence from class.

**NOTE:** Standards for student dress during the school day and during other school-sponsored activities are detailed in BCPS Policy and Rule 5520.
PERSONAL DEVICES
It is important to teach our students how to use technology responsibly. In allowing access to electronic devices, we want to help students to do so appropriately. An electronic device is a cell phone, mp3 player, tablet, e-reader, smart watch, or any other device that has access to music or the internet.

Cell phones may not be used for phone calls at any time or for any reason during virtual Google Meet classes. All personal electronic devices and accessories should be off and away during virtual instruction as all students are issued a BCPS device for instructional purposes. Staff members may assign consequences to students that are inappropriately using electronics in the virtual classroom.

- Students will be held responsible for the use and content on their personal electronic device, if such activity impedes the educational program.

BCPS DEVICES
Students should charge their BCPS device each night in preparation for its use the following school day. If the device has a problem and requires service, the student should complete a service/repair ticket. This can be done on a phone or home computer by visiting https://bcpsone.bcps.org/support, selecting “ Parents and Students – Click Here to Request Support,” and then completing the form with the required information. The Technology Help Desk can also be reached from 7:00 AM – 4:15 PM during normal school hours at 443-809-4672.
Due to virtual instruction, the school building and grounds are closed. There is no bus transportation at this time.

**USE OF TOBACCO**
Smoking and use of tobacco in the school building or on school grounds are prohibited by state law and the Board of Education of Baltimore County. The use of e-cigarettes and vaping devices are also prohibited, regardless of their contents. Violation of these rules will result in disciplinary action as stated in the BCPS Student Handbook.

**BUS STOP INFORMATION**
When in person instruction resumes, you can find your child’s bus stop information by logging into BCPS One in the Student Information section or on the school website. Families will receive a phone call when the bus stop information is available for this school year. If you have a bus question or concern, please contact Dr. Roderick Harden at rharden4@bcps.org.
