The SPHS High School faculty, staff, and administration believe that a safe and orderly school environment is a key element in the academic success of our students. In support of this belief, we have composed a Sparrows Point High School Student and Parent Guide. All the rules and expectations of the Baltimore County Public Schools Student Handbook are expected to be followed by SPHS students. This handbook is designed to highlight and make specific certain procedures and the ways in which they will be interpreted and enforced at SPHS. All information in this guide is subject to change throughout the school year. Please visit our school website for changes and updates.

School Operating Hours & Procedures for Students

Students may enter the building as early as 7:30 a.m. each day, and they will report directly to first period. They should enter the building through the lobby closest to their first period class. If first period is in a trailer or in the annex building, they will not enter the building at all in the morning. Dismissal is at 2:30 p.m. daily. Students must exit the building by 2:40 p.m. each day. Students who are in the building after 2:40 p.m. must be under the direct supervision of an adult in a classroom or other designated area, not in the halls. Students who are found to be in the building unsupervised outside of these hours are subject to disciplinary action including exclusion from extra-curricular activities and athletics.

***Students whose buses arrive before 7:30 A.M. are required to wait outside.***

Drop Off – Pick Up by Vehicle Procedures:

Parents and guardians electing to drive their child to school are required to follow these procedures:

1. Drivers will follow the path illustrated in the picture below. The only entrance/exit for drop off drivers in the morning is through Main Ave.
2. Drivers will not park for any period of time on school property between 7:15 am and 8:00 am. Any parking on property during this time creates unsafe situations as SPHS/SPMS staff and student parkers arrive to school.
3. Drivers will not enter the area behind the school building to drop students closer to trailers, the annex building, or other entrances. This is a one-way in and one-way out area and cannot accommodate drop offs.
4. Drivers will yield to school buses in all cases.
5. Drivers will drop off students just before the crosswalk at the end of the parked cars. Students should be ready to promptly exit the vehicle so that the driver can proceed to the exit.
6. No driver will exit the vehicle.

Student Attendance Information

Regular school attendance has a positive effect on learning and helps to establish habits necessary for responsible adulthood. Students who frequently attend school feel more connected to their community and develop strong social skills and friendships, which are important life skills.

Student Attendance - Absences and Lateness

- The school day begins at 7:45 am, after the 7:45 am bell, students will not be admitted to their classroom without a pink late pass from the main office.
- Teachers will direct all students arriving after 7:45 am to return to the main office for a pink pass. Repeated lateness to school will result in disciplinary consequences.
- When a student is absent, they must bring a note upon returning to school. Notes are not accepted after 5 school days, unless from a physician. If a student is absent for an extended period of time or for an excessive number of days, a written statement of explanation may be required from the physician, at the discretion of the principal. Contact your child's School Counselor to make a plan for extended absences.
- Notes shall include the name of the student, the date of, and the reason for the absence. A parent/guardian signature is required.
- All absent notes should be brought by the student and given to his/her A1 or B1 teacher or brought to the main office during non-class time.
- Early dismissal and tardiness count towards time missed during each grading period.
- Students who have excused absences during final exams will be required to make up exams during summer vacation. No early exams will be given.
- Requests for excusing absences for college visits or travel should be directed to the principal by email at least one week in advance.

In accordance with BCPS Guidelines, a lawful/excused absence shall only be considered but is not limited to the following conditions:

Excused Absence

1. Death in the immediate family
2. Illness of the student
3. Court summons
4. Hazardous weather conditions
5. Observance of a religious holiday
6. Work approved or sponsored by the school, BCPS, or the Maryland State Department of Education, accepted by the Superintendent or the school principal, or their designees, as reason for excusing the student.
7. State Emergency
8. Health Exclusion
9. Suspension
10. Lack of authorized transportation (Lack of transportation does not include students denied authorized transportation for disciplinary reasons).

An absence, including absence for any portion of the day, for any reason other than those cited as lawful are presumed to be unlawful and may constitute truancy.

Class Cuts/Truancy

**Impact on Grades:**
- In accordance with Rule 5120, teachers are not required to provide make-up work to students absent for unlawful reasons, but may do so at their discretion and in accordance with their school’s established procedures.
- Our school established procedure is as follows:
  - Students who are absent for lawful reasons are entitled to make-up work and must ask their teachers for the missing work upon the day they return to that teacher’s classroom. The missing work must be returned by the next time the class meets unless other arrangements are made at teacher discretion.
  - Students who are absent from school, for confirmed unlawful reasons (class cut or absence not validated by a parent note), are not entitled to make-up work and grades for those assignments will be entered as “M” for missing, which is a zero.
  - A student suspended from school will be allowed to make-up any work missed during the suspension, and will be offered comparable graded assignments that meet the instructional goals of the class time missed.
  - A student absent from class due to in-school suspension will be offered comparable graded assignments that meet the instructional goals of the class time missed.

**Early Dismissal from School:**
- Students should bring their early dismissal note to the main office between 7:30 a.m.-7:40 a.m. The front office staff will confirm the note and provide the student with a blue pass indicating the time for dismissal. The pass should be presented to the teacher and the student should be
sent to the main office for dismissal and sign-out at the indicated time. If the student does not have a pass, they should remain in class.

- Students will not be released from class unless they have a signed release slip from the office or the office has called in to state the student has been released. Teachers will not release a student for early dismissal otherwise.

- The early dismissal note must include: the student’s first and last name, the time to be dismissed, the student’s parent/guardian printed name and signature, and a valid phone number where we may reach you during the school day.

- When picking up a student for any reason, parents/guardians will need a valid photo ID have the student released to them. The person picking up the student must be listed on the Student Emergency Contact form in order to see the student or sign them out of school. Students will not be called from class in advance of their dismissal time.

- Students will not be dismissed via a parent phone call or email to the front office.

In School Suspension is a planned suspension time assigned by a school administrator.

Out of School Suspension – Students will be directed to access their work on Schoology during the suspension. If a hard copy of something is needed, a folder will be available in the front office for parent pickup. Parent should call the office in advance to schedule a time to pick up.

- A student who believes their cell phone, air pods, smart watch or other electronic device has been stolen should come to the office to complete an incident report. The incident will be investigated by school administrators and as appropriate, school resource officers.
- Cyberbullying will not be tolerated in any form. Engaging in cyberbullying during school hours or during any school sponsored events after hours will result in disciplinary action. In some cases, law enforcement will be involved.

Hate Speech

Hateful acts at school are dangerous, disturbing and disruptive. SPHS takes a strong stance against the use of hate speech, hateful acts and bias in any form. Students who engage in any form of hate speech or use racial slurs verbally, through gestures, writing/drawing, social media or in any other form will be subject to disciplinary action. No insults or slurs related to ability, appearance, culture, gender, language, race, ethnicity, religion, sexual orientation or social class will be tolerated. Our school climate will encourage inclusion and promote tolerance- while this does not guarantee that hateful behavior will not happen, it does create a climate in which these incidents are more likely to be quickly and widely denounced.

Student Dress Code

Students will not wear attire that is disruptive to the school environment, that promotes illegal or harmful activities, or that could endanger the health and safety of the student or other students which includes, but is not limited to, that which:

1. Depicts messages that are lewd, vulgar, obscene, plainly offensive, violent, sexually explicit, or that reference items that are illegal in general or illegal specifically for underage students.

**Fighting/Threats/Disruptive Behavior**

SPHS takes a strong stance on verbal and physical altercations and behavior disruptive to the learning environment. Students are expected to take visible and purposeful steps to avoid a verbal or physical altercation. These steps include: removing themselves from a potential conflict, notifying a staff member, reporting to the school counselor or main office to avoid a conflict.

Students who engage in any form of verbal or physical confrontation or disruptive behavior can expect to be placed in In School Suspension, Out of School Suspension and/or referred to the Superintendent’s Designee for consideration of an alternative educational placement. Law enforcement may also be involved.
Field Trip Eligibility
In order to attend any field trip a student must not have been suspended in the quarter in which the field trip occurs and you must be in good standing with academics and attendance in order to miss school to attend a field trip. All students must complete the Teacher Sign Off form for each trip.
Schedule Changes

Students were allowed to make changes to their course requests prior to the creation of the master schedule. Once the schedule has been made students may complete the Google form published by Amy Jubb during the dates that it is open to request adjustments for the following reasons only:

- inappropriate level of instruction (i.e. honors v. std v. GT/AP)
- course out of sequence (i.e. trigonometry before algebra)
- failure to satisfactorily complete prerequisite
- different course needed for graduation in 2023
- already earned credit in the course
- physical/medical necessity; please provide medical documentation

Any other reason for changing or adjusting a schedule will not be permitted. Schedule changes will not occur through email or phone communication. The Google form is the only method.

Dropping Classes

The master schedule is determined and staffing is decided based on students’ registration requests and in consultation with their school counselor. Based on this information, student or parent requests to drop or change a course once the school year has begun cannot be accommodated. Seniors will not be dropped from classes they enrolled in for release time. Students who are part of the SPECIES magnet program are expected to fulfill all requirements of the magnet program and will not be dropped from magnet classes for any reason.

Dropping a Level

Students who are enrolled in an AP course and wish to drop to Honors or Standard need to proceed as follows:

1. Meet with the teacher to express concerns
2. Attend office hours and small group instruction weekly for extra help
3. Schedule a conference with the teacher and parent so that suggestions for improvement can be offered by the teacher.
4. Schedule a student-parent conference with the teacher and the department chairperson.
5. If the above items have occurred and a student would like to drop a level they are to schedule a meeting with their counselor, their parent, the teacher and their administrator.

Extended Day Learning Program (EDLP-Night School):

For students planning on attending evening school for the 2022-2023 school year, registration paperwork will be available the first week of September. Please see your counselor in order to register for EDLP.

Score Codes in Schoology:

- **LS Code = Lowest Score**
  - With the 50-Point Grading Scale, an assignment scoring from 0-49.4 percent will be entered as a LS (lowest score). The LS code indicates the student attempted the assignment or assessment but at this point demonstrated insufficient or no evidence of the knowledge, skills, and practices embodied by the standard. An attempted assignment should show a reasonable effort on the part of the student. The LS code factors into the grade as 50% of the total points possible - failing. Assignments that do not show a reasonable effort can be marked as Incomplete (I). If no attempt is made on an assignment or an assignment is not submitted, the Missing (M) code can be used.

- **I Code = Incomplete**
  - The (I) code serves as a place holder and does not impact the overall grade. The I code should be converted to a score once the student completes the assignment.

- **M Code = Missing**
  - The (M) code is averaged into the marking period grade as a zero. It should only be entered after the due date of the assignment has passed.

- **E Code = Excused**
  - The (E) code serves as a place holder and does not impact the overall grade. This code may be used when a student is not required to complete an assignment.

School Safety & Emergency Information:

Visitors to the Building: Please call ahead if you need to set up a meeting with a teacher, school counselor or administrator. Our staff will assist you in scheduling an appointment, in person or virtual, or will provide you with the email address of the staff member you would like to meet with. Parents picking up students for early dismissal are welcome to park in the bus loop for a very brief period of time, as long as signs posted with restricted hours are honored so that bus schedules are not disrupted. For longer stays, visitors should park in the main parking lot adjacent to Main Avenue. We encourage all visitors to be mindful of the direction of traffic flow and the one way only signs in the parking lot.

Main Entrance: Parents and visitors may only enter the school building via the main entrance on North Point Road. Please use the buzzer system and state your name and the reason for your visit. All visitors must have photo identification to enter the building. Please do not ask students or staff to open the door for you, and please do not hold open the door for visitors behind you.

Food Delivery: Delivery of outside food/restaurant meals by services such as Door Dash/Uber Eats or by parents/families members is not allowed during the school day. Outside food/restaurant meals delivered to school for a student by a delivery service will be refused and sent back with the driver. We ask parents/families members to please not text/contact their child to come outside of the school building to meet them to pick up outside food/restaurant meals. Outside food will be held in the main office until the end of the day. Balloons and other celebratory items will be housed in the main office until 2:30 p.m. Such items are not allowed in the hallways, main areas, or classrooms. Please do not call or text your student and ask them to come outside to pick up an item.

Closed Campus: SPHS is a closed campus and once a student arrives on campus they may not leave until the end of the school day. Students may not go to Food Lion or any other off campus establishments during their scheduled school day. Students who leave campus without permission or are truant from an assigned class can expect disciplinary action as outlined in the SPHS Student & Parent Guide.

Student Parking: Students are only permitted to park on campus during the school day if they have been issued a parking permit. Permits are issued through a lottery during the summer prior to the start of the school year. Permits will not be issued throughout the school year. In working closely with our neighbors, we know that students may park at the Volunteer Fire Dept in the gravel lot only. Spaces are first come, first served. The expectation is that students will demonstrate responsible driving and behavior in this lot. Food Lion and the Convenience Store may tow student cars that are parked there during the school day.

Loss of Personal Items/Theft: To prevent theft or loss of items, we recommend students leave valuables at home or secure their items in a locked locker. Students who bring valuable items to school do so at their own risk. The school provides lockers where students may keep personal items. Theft of items may be reported by filling out a theft report in the main office before school, during lunch, after school or with teacher permission.
Emergency Procedures: SPHS has an emergency safety plan and practices school wide drills for a variety of events per county and state guidelines. Students and parents are encouraged to “See it, Say it” if they do not feel safe. Anyone can make a report using the Safe Schools Tip Hotline 1-877-636-6332, the Maryland Suicide and Crisis Hotline at 211, press 1, or the National Suicide Prevention Lifeline at 1-800-273-TALK.

ALERT, LOCKDOWN, INFORM, COUNTER, EVACUATE “ALICE”

“ALICE” is an acronym for the five steps that can be utilized to increase an individual’s chances of surviving a surprise attack by an active shooter. It is important to remember that the “ALICE” response does not follow a set of actions you “shall/must/will” do when confronted with an active shooter. Therefore, a proactive, options-based protocol and training is necessary. Individuals may use any or all of the response protocol. While the ALICE acronym makes it easier to remember, it is not sequential or linear.

A- ALERT STATUS

Upon hearing the announcement “Students and staff, we are now on an ALERT STATUS,” teachers and staff should follow the following procedures:

- Safety Team and staff not directly supervising students will report to Command Post location (Principals Office is Primary Command Post Location) per announcement.

- The Operations staff will lock all exterior doors and staff members will be posted at each door.
  - Main entrance
  - Cafeteria Lobby
  - Auditorium Lobby
  - Annex Doors
  - Exit to Annex/Trailer Doors
  - Doors by room 110
  - Doors by BOS Office/Boiler Room
  - Gym Doors
  - Cafeteria Courtyard Doors (students brought inside)

- Staff posted at the main entrance must check ID of all entrants, radio the main office to confirm the ID before admitting visitor/student.

- Teachers will conduct classes and activities within the building in a normal manner, but should be in a heightened state of awareness and be prepared to receive
communication via email and/or voice announcement. *Limit student movement into the halls during class time to emergencies only.*

- Classrooms located in trailers will lockdown and wait for an administrator or SRO to be escorted to the main building.

- PM Sollers Point students will report to lunch as usual and then to the library to receive further directions. AM Sollers Point students will remain at Sollers Point.

- All Physical Education classes or activities that are outdoors will report to the main gymnasium.

- If it becomes necessary to lockdown or evacuate the building, wait for a signal and follow [LOCKDOWN OR EVACUATION PROCEDURES](#).

### L-LOCKDOWN

Upon hearing the announcement “*Students and staff, this is a lockdown*” lockdown procedures must be implemented immediately. *Bells will be turned off- D. Stover, L. Auffarth or Administrator.*

- Students are to be cleared from the halls immediately and report to the nearest available occupied classroom
- Assist those needing special assistance
- Close and lock all windows and doors and do not leave for any reason
- Cover all room and door windows
- Stay away from all doors and windows and move students to interior walls and sit on floor
- **Students must NOT be visible from the hallway!**
- Shut off lights and silence cell phones
- Do not open doors or windows for any reason until the ALL CLEAR signal is given
- Stay calm and **BE QUIET!!! Teaching and other activities must immediately cease.**
- Complete *Emergency Attendance Sheet*
- Remain in room and await further directions or the ALL CLEAR signal
- Students in the gym should be moved to the activity room or weight room

**Classes outside the building, such as PE classes:**

- Retake role and complete *Emergency Attendance Sheet*
• Have students lie on the ground if gun shots or loud noises are heard- move away from school.
• Wait for further directions via radio
• Be prepared to evacuate students in the direction of an administrator or Emergency personnel

Cafeteria:
• Be prepared to evacuate students in the direction of an administrator or emergency personnel
• Await further instructions

I-INFORM

Use of any means necessary to pass on real-time information which includes who, what, where, when and how.
• Give in plain language
• Can be derived from 911 calls, video surveillance, etc.
• Can be used by people in the area or who may come into it to make common sense decisions
• Can be given by electronic messaging, PA system, school radio, or police radio speaker

C-COUNTER

Used as a last resort when other options are not available or feasible. This is the use of simple, proactive techniques that will make the active shooter’s ability to shoot accurately more difficult. This is not fighting; this is countering the attack.
• To counter an attack use noise, movement, noise and distraction, and when age-appropriate, the swarm technique to gain back control. The swarm technique involves grabbing the shooter’s limbs and head and taking them to the ground and holding them there.
• Throw things at the shooter’s head to disrupt their aim.
• Create as much noise as possible.
• Run around the room to create chaos and evacuate, if possible.
• If you have control of the shooter, call 911 and tell the police where you are and listen to their commands when officers arrive on the scene.

E-EVACUATE

Remove yourself from the danger zone as quickly as possible.
• Decide if you can safely evacuate.
• Run in a zig-zag pattern as fast as you can.
• Do not have anything in your hands.
• Do not stop running until you are far away from the danger.
• Break out windows and attempt to quickly clear glass from the frame.
• Go directly to off-site evacuation site.
• Do not attempt to drive from the area.

These measures are meant to provide the knowledge and skills needed to make decisions for your safety and the safety of students. There are no mandates on how to survive. You are empowered to make decisions and won’t be second-guessed.
