Happy Friday, Hawks! Thank you to all our families and special friends who visited during American Education Week! We had an incredible turnout and the building felt so alive! We look forward to hosting future events in the coming months. Schools are closed for elementary students on Monday for Conference Day. If you haven’t already, please schedule a time to meet with your child’s teachers in-person or virtually. Even if you have no concerns, it’s nice to hear them brag on your child!

😊😊

Please review the reminders and updates below. Have a great weekend!

Thank you to Mrs. Goodwin and Mr. Pulvino for running this campaign! During the month of October, all VFES Hawks completed at least one act of kindness. Photos of our students can be found below.
