WHAT'S IT ALL FOR?
The mission of the 100 Strong Male Role Model is multi-dimensional: to promotion of knowledge of self-culture, scholarship through academic achievement and perseverance to foster continuous growth while serving the community. This limitless goal is not to be carried out in words, but by deeds. The men of the 100 Strong Male Role models are to lead by example. It is the kind of example that will gain the respect of their peers, the faculty, and the community we serve. Community service is the drive behind the organization, through which we hope to have a positive impact gratifying experience.
The 100 Strong Female Role Model Organization is a sisterhood whose mission is to promote solid leadership, positive character, and high academic performance. As a role model, we provide a special service to our Woodlawn High females in addition to ongoing community involvement projects. We are an organization displaying stature of the highest degree and exhibiting good moral conduct, while building an everlasting unity and bond as we rely on our combined strengths to overcome obstacles and face challenges.
