**OCTOBER Reconfirmation**

**Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year:**  
(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

The Return to Learn Plan is principally unmodified. Current alterations in the plan are minimal, school specific and are generally addressing *Accelerated Education* and *Edgenuity* course customization, deadlines, and electives. In-person instruction is also principally unmodified. Student assessment is underway at the high school and completed at Orchard Primary School and Almont Middle School.

**Document Public Comments:**

**1. Parent concern about online schedule vs. face2face schedule. Parent was concerned that the online calendar did not seem to be set up like the school calendar with the same days off. Example – last Friday the 23<sup>rd</sup> when the face2face students were off because of teacher PD their student has online class. Also, one day their student had NWEA testing as well as online classes. Concerned that holidays have not been taken into consideration as well. Also wondered if PSAT and conferences would have an online option.**

**Answer – Conferences will be online this year. Information will be forthcoming. PSAT will be in person and we will reach out to online students to give them a specific time and place to come in to take the test.**

**The Edgenuity and Accelerate calendars have been modified to follow the school calendar for the face2face students.**

**Board Discussion:**

**With the online can they work ahead to avoid the holiday and day off concern.**

**Answer – some assignments and assessments have to be unlocked so they that can move ahead. There are also pacing guides.**
