## PARENTAL INPUT FORM

For Classroom Placement

School Year 2013 – 2014

As the end of this school year approaches, the teaching staff will begin the task of assigning students to their classrooms for the next year. The teaching staff will: consider parental input and concerns; draw upon their expertise as educators to review and evaluate the progress of students; take into account the students' social, physical, emotional, and behavioral needs; and review the dynamics of each classroom in order to create an educational balance.

### **DUE BY FRIDAY, APRIL 26, 2013**

*We will do our best to honor your request; however, final decisions must be based on what is educationally sound for each child and we do not guarantee fulfilling each request. Please keep in mind that staff changes due to retirements, grade level changes, etc. could also impact teacher requests.*

I prefer that my child be placed in the following classroom for the 2013/2014 school year:

Teacher's Name – 1 <sup>st</sup> Choice	Teacher's Name – 2 <sup>nd</sup> Choice
