The regulations governing student attire are as follows:

1. Students attire shall be school appropriate – neat, clean and reflecting an appearance of modesty.
2. Clothing with inappropriate pictures, liquor advertisements, sexually suggestive messages, profanity, tobacco or gang affiliation slogans, offensive or obscene symbols, signs or slogans degrading any race, societal group, color, creed, religion, gender, ancestry, national origin, social or economic status, sexual orientation or people with disabilities is not permitted. Drug related pictures and messages which support and/or condone drug use are also unacceptable.
3. Buttons, pins and other accessories are permitted as long as they comply with the above mentioned regulations and do not cause disruption, disorder or a danger.
4. Footwear must be worn and securely fitted at all times.
5. Bare midriff, crop tops which expose the abdominal area, halter tops, tube tops and tank tops with straps that are less than one inch wide are not permitted. Tops which expose undergarments are also not permitted. Baggy trousers that expose boxer shorts or underwear are not permitted.
6. Clothing which is extremely ragged, extreme in tightness or transparency is not permitted. Bathing suits are not permitted.
7. **Very short shorts, very short skirts and/or very short culottes are not permitted.** Shorts & skirts should have a hem that reaches no higher than the mid thigh.

Students who are in violation of this policy will be sent to the office and given an opportunity to change into more appropriate dress. If a student does not have a change of clothing, he or she will be required to return home to change into clothing which is in compliance with the above policy. The Administration will make the final determination as to whether clothing in question is in violation of the dress code. **Parents are strongly encouraged to assist students in being in compliance with the dress code before students leave the home for school.**

Dress Code applies during school hours and on school sponsored activities and trips. In addition, some department restrictions on attire may be prescribed for participation or implemented for reasons of safety.

Students are not permitted to use cell phones until all buses have been dismissed at the end of the school day. Cell phones are to be kept in student lockers or bookbags. School phones are available for emergency use during the day. Violation of cell phone usage will be handled as per the Discipline Policy. Additionally, the use of any camera during school hours without Administrative permission is a violation of privacy and is not permitted as per Policy 5516.
