

## **The Student Success Act**

### Staff/Parent Edition

Signed into law in May of 2019, the Student Success Act is a historic opportunity for Oregon schools. When fully implemented this act will invest approximately \$2 billion for early learning and K-12 education, and close to \$500 million will go directly to Oregon school districts and eligible charter schools through the Student Investment Account. This account is a non-competitive grant. The focus of the Student Investment Account is on key areas for improvement – from reducing class size, increasing instructional time, addressing health and safety needs and ensuring a well-rounded education. The law requires school districts to meaningfully engage stakeholders to determine the best investments for students in their local community while explicitly focusing on student mental and behavior health, addressing disparities based on race or disability, and improving teaching and learning conditions.

Yamhill Carlton’s portion of the SSA will equal approximately 7 staff positions or less positions and more programs. Please help us to determine how to best spend this increased funding in order to help our students grow and achieve.
