Homework

Students have reading logs that will be due each Thursday. We hope they will be reading at least 100 minutes at home each week. New reading logs are sent home in Take Home Folders.

Absences

Please let us know if you have plans or appointments and your student will be absent. Please email Mr. Tollefson if you would like to see if the absence can be excused or bring in a note from all medical or dental appointments and give it to the office.

Classroom Wish List

I will place items we are in need of in our classroom here so that anyone that would like to make a contribution to our classroom may do so.

- Packages of small individually wrapped candy

Math

We have been practicing learning arrays, math facts, and multiplication. It has been just right for learning.
