5513.1 LOCKERS

Lockers are the property of the school and will be checked at any time during the year when it is deemed to be either necessary or appropriate.

Each student will be assigned a locker during the first week of school. The locker assigned may be the student's for the entire four years. It is the student's responsibility to see that the locker is kept neat and clean at all times. Students are not to attached any stickers or decals on their lockers. Students are not to write on their lockers. Malfunctions, damaged lockers and any items missing from a locker must be reported to the Main Office

The Physical Education Department will issue to students a gym lock. It is a combination lock that is attached to a locker in the Physical Education Locker Rooms. Students are responsible for this lock and will be required to pay for its replacement in the event that it is lost or not turned in at the end of the school year.

Students should lock up all items in their gym locker before leaving to report to their physical education activity. Items left unlocked in the locker room invite dishonest people to take them.
