2022-2023 JES SCHOOL SUPPLIES AND KIT INFO

SchoolKidz Kit Update

- If you ordered a JES school supply kit from SchoolKidz/Teacher Tailored in June, they should be in your student’s homeroom before the first day of school.
- Headphones were not included in kits - they were available to purchase separately (and were requested for all grades), or you can bring in your own.
- Please check the JES School Supply List here for additional requested items not included in SchoolKidz kits such as art smocks and more.
- Contact Whitney Leber at wepleber@comcast.net if you have any questions about your SchoolKidz kit order (or aren’t sure if you ordered).

JES 2022-2023 School Supply List

(JES tote bags will not be used.)

If purchasing school supplies presents a financial hardship for your family, please contact JES school counselor Mrs. Sullivan at jsullivan@bcps.org for assistance. Any information shared will remain confidential.
