

FBI/Highway Patrol Background Check Procedures

Scheduling an Appointment (Missouri residents)

To be fingerprinted for the Department of Elementary and Secondary Education through 3M/Cogent, you must first register with MACHS, which is located at www.machs.mo.gov. Individuals without access to the Internet may contact the fingerprint processing company, 3M/Cogent, directly at 1-877-862-2425 to have a Fingerprint Services Representative conduct this registration on their behalf.

You must have a 4-digit registration code to register for BOTH an FBI and Highway Patrol check for a total of \$44.80. Completing only a Highway Patrol check is NOT sufficient. This 4-digit registration code ties all agency-identifying information together to ensure that your background check response is returned to the correct agency.

School District or Institution Four-Digit Registration Code

The registration codes for Missouri public school districts and institutions may be accessed at the following website: <http://dese.mo.gov/eq/cert/eq-cert-fingerprint-background.htm>. If you have more than one school district, choose only one district's registration code.

Educators who are not employed, or not with a public district/institution, use registration code **2300**.

Substitute Teachers who are not employed, or not with a public district/institution, use registration code **2301**.

District Name/Registration Code (School District Use Only):

Fingerprinting Fee

The fee for the fingerprinting process is \$44.80. You will have the option to make this payment online at the time of registration or at your appointment. If you pay a fee that is lower than the amount listed, you are not doing the correct fingerprint check.

Scheduling an Appointment (Non-Missouri residents)

If you live outside the state of Missouri and cannot make an appointment for fingerprinting in Missouri, you may mail fingerprint cards directly to 3M/COGENT. You will need to contact the fingerprint processing company, 3M/Cogent, at 1-877-862-2425 to make sure all information is recorded on the FBI fingerprint cards correctly before mailing them. The fee for this process is \$44.80. A check or money order must be made payable to 3M/Cogent.

Fingerprint Results

If you are an educator, substitute teacher, or student teacher, your fingerprint information will be recorded automatically on your profile page in the online Educator Certification System. If you are an uncertified staff member or a bus driver, your results will be forwarded to the school district based upon the registration code you provided. Results of fingerprints are generally reported to the Educator Certification within 2-3 weeks from the date of appointment.

Missouri Procedures for Out-of-State Applicant Fingerprint Cards

Out-of-State Applicants may mail their fingerprints to Cogent for faster criminal background check processing. If not being billed, a check or money order for the Cogent fingerprinting fee and all State or FBI fees should accompany the fingerprints. For more information about fees please visit www.machs.mo.gov for a complete fee schedule.

All fingerprint cards should contain the mandatory demographic information listed below. If any of the below fields are left blank the fingerprint card will not be able to be processed and a rejection notice will be mailed back to the applicant.

Mandatory information that must be included on the fingerprint card:

First Name	Height
Last Name	Weight
Street Address	Hair Color
City	Eye Color
State	Race
Zip Code	Place of Birth
Date of Birth	Citizenship
Gender	Social Security Number (if a US citizen)

If the applicant is conducting the background check for an agency that has been assigned a 4 digit registration number/agency code or for a volunteer purpose then this must be notated in the upper right hand corner of the fingerprint card. Failure to include this information on the fingerprint card will result in an incorrect type of background check being done. Additional fees may be accessed if a correction is later needed.
