

How to Register for Virtual Virginia School Year 2022-2023

In order to access the registration form, you will need a **PowerSchool Parent Account**. If you need assistance with creating a PowerSchool Account, please [contact your student's school](#). Information and FAQs for the PowerSchool Parent Portal Account can be found under the Families tab on the PPS website: https://ppsk12.us/families/parent_portal. ****You will not be able to register for Virtual Virginia until you have created the Parent Portal account.***

Getting Started

Login to your PowerSchool Parent Portal. If you have forgotten your username or password, use the “Forgot Username or Password” link to retrieve it. If you no longer have access to the email address you used to create your parent account, please reach out to your student’s schools to update it.

Once logged in, select a student from the tab along the top and then click on the Forms tab on the left side of the page. You may see a message that your preferences are not configured; this can be ignored and will not prevent you from completing the form.

Your preferences haven't been configured.

You will see the **Virtual Learning Application for 2022-2023 School Year**. The icon displayed to the right (“Empty”) indicates you have not yet submitted the form. The icon will change when the form is completed. You are only able to review and complete the form one student at a time; if you have more than one student, you will need to go to each student’s tab to view and submit forms. Submitting the form for one student does NOT submit the form for all of your students.

Complete the Registration Form

Confirm and Sign

Review and acknowledge commitment/agreement statements (you must check each of the boxes). Identify if your student has access to high speed internet (yes/no) and then enter a reason for your virtual learning request. Electronically sign the Application.

Please read and check each box to confirm agreement to each of the following statements:

- *
 I understand that I am committing to virtual learning for a full semester (18 weeks)
- *
 I understand Virtual Virginia courses will begin on August 24, 2022.
- *
 I understand that the last date to switch to in person learning is July 15, 2022.
- *
 I understand that my student will receive all instruction from the assigned Virtual Virginia teacher and that no PPS teacher will be assigned.
- *
 I understand that I, the parent, will serve as the mentor for the Virtual Virginia course and will be responsible for checking email, providing passwords, and assisting the virtual student with access and unlocking assignments. Communication about the course, assignments, grades, and classroom experience should be directed to the Virtual VA Teacher. While students will remain in the school's student information system, all learning will take place through Virtual VA and only grades will be reported back to the student's school or record.

Does your student have access to reliable, high-speed internet? *
