

iPad Insurance Family Night

Piscataway Township Schools is offering information nights for our 1:1 iPad insurance program. These meetings will provide the opportunity to address questions and concerns regarding our district iPad insurance program, device coverage, and insurance enrollment windows. All 2-12 students will be issued a district iPad for the 2022-23 school year. It is highly recommended that each student registers for device insurance. Please see the date/time for each grade level's meeting. Please attend the meeting for the grade level your child will be in for next year.
