The Board recognizes OPE as the exclusive collective bargaining representative for all bargaining unit members with regard to all matters relating to salary, wages, hours and other working conditions.

This agreement has as its purpose the promotion of harmonious relations between the Board and the organization, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay and conditions of employment.

The Board agrees to collect OPE dues from employees who complete a membership application and designate the payroll deduction option. OPE will provide the Office of Payroll with the names and employee identification numbers of employees who request dues deduction. Dues deduction will begin when OPE notifies the Office of Payroll in writing of new OPE members. OPE will determine the dues amount on an annual basis and inform the Office of Payroll of the rate(s) and the effective date. Dues deduction remains in effect until revoked by the employee.

The employee may withdraw from OPE membership by notifying OPE in writing between July 1 and July 20. The letter must be post marked no later than July 20 to be considered valid. The letter is to be sent to:

- 2.4** OPE will have the right to use school buildings, equipment, and other facilities in accordance with Board policy for its meetings and for the conduct of its business. However, work that is normally performed by members of the bargaining unit who are covered by this Agreement shall not be subcontracted to organizations and/or workers not covered by this Agreement unless there is a substantial business or professional reason for so doing.
- 3.3.1** In addition, if the Board is contemplating subcontracting any bargaining unit work, OPE shall be given sufficient advance notice of such plans so that they shall have ample opportunity to meet with the Board before such a decision is put into effect.

## **Article IV**

### **Professional Rights and Privileges**

#### **4.1 Member's Protection**

The Board agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Board or any Board representative against any employee because of the Union membership or because of any lawful employee activity in an official capacity on behalf of the Union, or because of participation in the grievance procedure provided in the Agreement.

- 4.2** In matters related to this Master Agreement, OPE represents all eligible employees.
- 4.3** In matters related to this Master Agreement, there will be no discrimination by the Board against employees because of their membership or non-membership in OPE.

- 4.9** OPE members have the right to engage in other gainful employment as long as it does not interfere with the performance of the duties of their position.

## **Article V Negotiation Procedures**

### **Designation of Negotiators**

- 5.1** Prior to September 1 of each year, the Board and OPE shall each designate in writing, to the other, the name of the chairman of its negotiating team and not more than three other official representatives to serve on its negotiating team. Notwithstanding the above requirement, the Board and the OPE shall retain the right to replace the chairman or members of their teams at their individual discretion.
- 5.1.1** The negotiating teams of the Board and OPE may have four (4) consultants in attendance at any time during the negotiating sessions. By mutual consent, the number of consultants on any given subject may be expanded.
- 5.1.2** BCPSOPE reserves the right to select any team members and consultants to its negotiating team.

### **Proposals**

- 5.2** Requests by OPE or the Board to amend the existing Agreement must be submitted in writing no later than September 15 of each school year in which the contract expires.

### **Time Limit – Impasse**

- 5.3** Negotiation on all items submitted must be completed by November 15 unless the impasse procedure provided in the negotiations law is used.
- 5.3.1** Should either party suggest an impasse, the procedures as provided in the negotiations law, relating to impasse shall be followed.
- 5.3.2** If the parties are unable to agree upon a third panel member or obtain a commitment from a third panel member to serve within the specified period, a request for a list of Educational Panel members shall be made to the American Arbitration Union. All costs involving the neutral party shall be shared by the Board and OPE.

- 5.3.3** If the panel is activated, said panel shall within thirty (30) calendar days render a report setting forth its recommendations for the resolution of the impasse unless the impasse is dissolved in the interim. The parties agree to cooperate with the panel and provide such information and assistance as it may request.

### **Ratification**

- 5.4** Following the completion of the regular negotiating session, an agreement shall be signed by the respective negotiating teams and shall be submitted to the parties for ratification. Within fifteen (15) calendar days of November 15 (or the report of an impasse panel), the parties shall notify each other of the results of the voting.
- 5.4.1** If the Agreement is not ratified by the respective bodies, either party may make recommendations for renegotiation. Either party may initiate a meeting for this purpose upon seven (7) calendar days' notice. This time may be reduced by mutual consent.

### **Meetings**

- 5.5** Meetings during the regular negotiating period shall be scheduled by mutual consent. Either negotiating team may initiate such a meeting with five (5) calendar days' notice, in the absence of mutual consent. This provision shall prevail during a period of impasse as defined in the negotiations law.

### **Emergency Items**

- 5.6** Emergency items may be negotiated other than during the regular negotiating period, upon the mutual consent of both OPE and the Board.

### **Meeting Places**

- 5.7** Meeting places for negotiating shall be alternated and shall be selected by members of the respective negotiating teams without restriction, except that reasonable steps shall be taken to assure privacy of discussion.

### **Fiscal Renegotiation**

- 5.8** If the Baltimore County fiscal authorities, in exercising their authority under the law, reduce the budget recommendations of the Board, and such action makes it necessary for the Board to reduce one (1) or more items that have been negotiated, such items and all other negotiated items that are dependent upon budget funding shall be subject to renegotiation. In such event that negotiations are mandated, the parties agree to meet as soon as possible after the action of the fiscal authorities, but no later than ten (10) calendar days after the county council adopts the operating budget and they agree to complete such renegotiation within five (5) calendar days.
- 5.8.1** If the parties are unable to reach agreement within five (5) calendar days, the impasse procedure provided by law shall be employed with the mutually agreed upon restriction that this impasse procedure shall not exceed ten (10) calendar days. This subsequent Agreement, including items agreed upon in the period of renegotiation, shall be direct and binding on all matters stated and referred to herein. Under no circumstances shall this process extend beyond the last day of school for pupils.

### **Distribution of Agreement**

- 5.9** Upon ratification of this Agreement by the parties, such Agreement shall be made available in its entirety via electronic mail by the bargaining unit to all members and shall be posted to the BCPSOPE website. The parties shall prepare the final text of the ratified Agreement.

### **Non-arbitrable**

- 5.10** A dispute related to this article is not subject to arbitration.

## **Article VI Promotion and Assignment**

**6.1** It is the goal of the Baltimore County Public Schools to employ fair practices with regard to filling administrative vacancies in a consistent and equitable process.

### **6.1.1 Promotional Consideration Practices for Unit Eligible Positions**

For unit eligible appointments, it has been and will continue to be the prerogative of the Superintendent and the Board of Education to either advertise or appoint without advertising for positions at the level of Director and Superintendent's Staff. Past history, however, has been predominately that of advertising for these positions and interviewing well-qualified candidates expressing interest in promotion.

As a matter of past and intended future practice, vacancies for other unit eligible positions are generally posted through the use of vacancy announcements. Every effort is made to advertise widely for a reasonable period of time and to consider all interested applicants who meet minimum criteria. Initial applicant consideration is based on credentials; those candidates who appear to be best qualified are interviewed by a screening panel, and two (2) or three (3) candidates are then recommended to the hiring official for final consideration and interviewing. As appropriate, the Superintendent makes a recommendation to the Board of Education for appointment. Other hiring recommendations are forwarded to Human Resources for possible job offers.

**6.2** Whenever possible and practical, the Superintendent, or his/her designee, will confer with affected department and office heads during the promotion, transfer, and/or appointment process.

As with all administrative positions, the Superintendent and the Board of Education may make appointments directly without utilizing the process described above in cases where unique system-wide needs and/or personnel circumstances so require.

### **6.3 Reassignment**

Reassignment may be made by the Superintendent as the needs of the school's system require. Reassignment will be made only after the Superintendent, or his/her designee, has conferred with the unit eligible employee.

**6.3.1** When a unit eligible employee is reassigned after the beginning of a fiscal year to a position that results in a reduction of salary, the unit member's base salary (in accordance with the salary scale for ten (10) and twelve (12) month administrative, executive and professional employees) shall not be reduced for the remainder of that fiscal year.

## **Article VII Evaluation**

**7.1** It is the Board's desire that each OPE member receive yearly feedback on work performance. The appraiser may use the appropriate BCPS standard appraisal form or an appropriate alternative format such as a narrative. A formal evaluation must include a specific rating. Informal feedback will not contain a summary rating.

**7.2** When conducting a formal evaluation, the standard evaluation form or a mutually agreed alternative will provide an overall rating of "Satisfactory" or "Unsatisfactory."

**7.3** If an area of an evaluation has been rated as "Needs Improvement," comments related to the area(s) needing improvement shall be included in, or attached to, the evaluation by the evaluator.

**7.4** No member shall receive an overall rating of "Unsatisfactory" without having been given written suggestions for improvement, advance warning of an unsatisfactory rating, and having both the opportunity and sufficient time to address the areas of weakness. In any year in which an employee is not evaluated, it shall be assumed that the employee's performance is satisfactory.

- 7.5 Members shall be given the name and specific complaint of any person who complains about a member, within a reasonable period of time, if the complaint is to be given consideration in the member's evaluation or filed in the member's personnel file. The member shall be given the opportunity, in writing, to respond to a complaint. The response will be attached to the filed document and reviewed by the appropriate administrator. All such complaints shall be held confidential.
- 7.6 The member shall be given a copy of the completed written evaluation and will be given three (3) duty days to sign and return the evaluation. The member's signature indicates receipt of the evaluation but not necessarily agreement with the evaluation.
- 7.7 A member may attach a written response to the evaluation.
- 7.8 Matters related to evaluation may be subject to the grievance process only for reasons of arbitrariness or failure to follow procedures.

### **Article VIII Member Protection**

- 8.1 When a meeting with an OPE member is being called for the purpose of discipline, demotion, or discharge, the member shall be advised of his/her right to representation prior to the beginning of any such conference or meeting and be given no more than 10 business days to arrange for representation.
- 8.2 No member shall be disciplined without due process.
- 8.3 The Board shall maintain safe, sanitary, and healthful working conditions.
- 8.4 Members shall have authority and within the scope of their employment, shall exercise responsibility for the control of students during the school day and also during the supervision of school sponsored activities. Members shall be expected to take reasonable action in accordance with current school practice to deter acts of vandalism, willful waste of materials and utilities, verbal and physical abuse of persons and any and all forms of violence. A member may use reasonable force in self-defense or in the restraint of a student to prevent harm to that student, to other students, faculty and staff.
- 8.5 When a member is charged with personal civil liability arising from an event or action taken by the member within the scope of employment of the member in the ordinary and/or appropriate performance of his duties and/or responsibilities, he or she will be covered by liability insurance provided by the Baltimore County Public Schools in accordance with the provisions of Sections 4-105 and 4-106 of the Education Article, Annotated Code of Maryland. In any suit or claim brought against a member as a result of an intervention as described in section 8.4 above, the Board shall provide legal counsel and indemnity in accordance with Section 7-307 (c) of the Education Article, Annotated Code of Maryland.
- 8.6 **Procedure in Case of Threat (Assault) and/or Physical Attack (Battery)**

Any case of threat (assault) and/or physical attack (battery) upon a staff member while acting within the scope of his/her duties shall be promptly reported to the appropriate supervisor, office head or director. The scope of the employee's duties, in such cases, shall be defined to include the regular workday, and any extra-curricular activity or duty, whether a school-sponsored, system-sponsored, or PTA-sponsored event or activity.

Administrators and supervisory personnel shall proceed in accordance with the *Critical Response and School Emergency Safety Management Guide, Workplace Violence: Guidelines for Administrators Dealing with Threat and Physical Attack on a Staff Member*.

The appropriate supervisor, office head or director shall share with the employee all information relative to the immediate threat and/or physical attack relating to the persons involved, that is not legally prohibited, and will act in

appropriate ways as liaison between the employee(s), the police, and the courts. The appropriate supervisor, office head or director, or a member of the Superintendent's staff will appear with the employee at any consequent hearing. Staff members shall report to the appropriate administrator any threats of civil or criminal action against them arising out of and in the course of their employment. OPE members are also encouraged to contact OPE.

## **Article IX Absences and Leaves**

### **Academic Activities**

- 9.1** One (1) day is allowed for an OPE member to attend his/her own college commencement, his/her spouse's, and his/her children's. The absence will be charged to urgent personal business leave. One (1) day is allowed for members to appear for examinations for advanced degrees or professional licenses related to their employment. The absence will be charged to urgent personal business leave.

### **Adoption Leave**

- 9.2** A full-time employee shall have six (6) weeks for adoption beginning with the day the child is received. The absence shall be charged to accumulated sick leave.

### **Bereavement Leave**

- 9.3** Up to four (4) consecutive duty days with pay, beginning with the day of death or the first day after death are allowed if the death is in the immediate family. One (1) additional day will be allowed in those instances of delay of the funeral, the need to travel excessive distances, or when required by the tenets of the religious denomination. If further days are needed, those days will be charged to urgent personal business.

One (1) work day is allowed to attend the funeral of a close relative. An additional day, if needed, shall be granted in those instances of delay of the funeral, the need to travel excessive distances, or when required by the tenets of a religious denomination.

One or more of the allowed bereavement leave days may be used at a time that is not immediately proximate to the date of death for a burial or a memorial service that occurs at a later date. In such unusual circumstances and with appropriate documentation, flexibility in the use of the days shall be approved by the manager of the Department of Staff Relations and Employee Performance Management.

The employee is required to submit to the appropriate administrator a letter or the Notification of Absence Card stating the relationship, the date of death, the date of the funeral, and the dates of absence. An acceptable form of verification for bereavement leave will be any of the following: obituaries, church programs, funeral home materials/documents, or state-issued death certificates.

### **Family Illness**

- 9.4** Employees may use a portion of their personal sick leave for illness in the immediate family. At the start of their leave accounting year, employees will be advanced a maximum of four (4) days from their personal sick leave to be used for illness in the family and they may accumulate up to a maximum of eight (8) days of such leave. Family Illness days are part of an employee's personal sick leave. The employee is required to provide the appropriate administrator with documentation stating the exact relationship of the family member, the nature of the illness, and the necessity for assisting the ill member of the family. The Department of Human Resources may approve up to a maximum of forty (40) additional days of Family Illness leave per fiscal year if the employee has sufficient personal sick leave and can provide medical documentation of the family member's illness.

## Absence for Maternity

- 9.5 The parties hereto intend to comply fully with the provisions of the Pregnancy Discrimination Amendments of the Civil Rights Act of 1964, as amended. A member who is pregnant may use accrued sick leave prior to and following the birth of the child, subject to medical documentation indicating the physician's determination that the member refrain from employment due to a disability resulting from her pregnancy, childbirth, and/or complications thereof. A member absent due to these reasons must return to work as soon as she is physically able. The Board reserves the right to request medical documentation of her disability and of her physical ability to return to work.

## Child Rearing Leave

- 9.6 Request for child rearing leave of absence shall be normally made by completing and forwarding the form, [Application for Leaves of Absence and Conversions](#) to the appropriate administrator as soon as possible but prior to the last day of work before the birth of the child. In the event of a premature delivery (prior to the completion of the thirty-seventh (37<sup>th</sup>) week), where the employee has not yet filed for leave, the [Application for Leaves of Absence and Conversions](#) must be received in the Department of Human Resources no later than thirty (30) days from the date of the birth of the child(ren).

A child rearing leave of absence for birth or adoption of a child may be granted for a period of up to two (2) years following the birth or adoption of the child. Such leave becomes effective following the last day of employment.

When a child rearing leave is scheduled to terminate after a semester begins (September 1 or February 1) the Board or member will have the option of extending the leave to the beginning of the following semester.

The unused sick leave of a member who has been granted a child rearing leave of absence will be held in abeyance until such time as he/she returns to active service.

## Military Leave

- 9.7 All members shall be provided paid leave to serve in the uniformed services, covering all categories of military training and service, including duty performed on a voluntary or involuntary basis and in time of peace or war in accordance with the Uniformed Service Employment and Reemployment Rights Act of 1994 (USERRA).

Short term--Members who lose time due to obligatory short-term emergency or annual unit training duty with the National Guard or military reserves may be granted leave with regular pay consistent with their official military orders up to a period of fifteen (15) working days per annum. During the fifteen-day (15) period, accrual of benefits will continue.

If a member is part of the organized militia or a reserve unit and is ordered to active duty under the authority of the governor or official Department of Defense notification and/or orders, he/she shall be entitled to leave of absence without loss of pay while actually serving under such active duty orders. "Without loss of pay" shall mean the member's regular pay for the period of service plus any compensation for such military duty.

In order to implement this policy, the member must present the Board with a copy of his/her military orders. In the absence of supporting documents, lost time due to military training or emergency duty shall be uncompensated. If a ten-month member has an option as to when he/she participates in short term duty, he/she shall do so at the time, which has least conflict with his/her professional duties.

The Board will continue to pay its share of the health and dental benefits for the family of the employee called to active duty for up to one (1) year provided the employee was enrolled in the appropriate coverage at the time of the order.

Extended active duty military leave shall be granted upon request to any member entering one of the military services of the United States. Upon completion of his/her military obligation he/she shall, within a reasonable length of time, be reinstated to his/her previous position, or one of similar scope and complexity.

Members who are ordered to extend active duty shall be compensated for lost time up to fifteen (15) working days. Members returning to the system from military leave shall be granted up to a maximum of five (5) years of salary credit.

## **Sick Leave**

**9.8** OPE members, in their first two (2) years, shall be advanced ten (10) days of sick leave for ten (10) month employees and twelve (12) days for twelve (12) month employment. Members shall be eligible to accumulate earned sick leave days on an unlimited basis. After two (2) years, ten (10) month employees will be advanced fifteen (15) days, while twelve (12) month employees shall be advanced eighteen (18) days each fiscal year. The advance of sick leave will be prorated based upon date of hire and FTE.

A member who, on termination of service with the Board, is indebted to said Board for any amount of advanced sick leave, shall have the amount of such indebtedness deducted from his/her earned salary. A member must reimburse said Board for any amount of indebtedness for advanced sick leave not covered by any monies due him/her.

A member on a leave of absence requiring Board action shall not be advanced sick leave time.

When a member is granted a leave of absence requiring Board action, his/her accumulated sick leave days are held in abeyance until he/she returns to duty. Upon return to duty, the member will be granted sick leave days according to the policies in effect, but he/she will not lose his/her earned length of service for accumulation purposes.

As part of our Office of Employee Absence and Risk Management, the Board has initiated an Integrated Disability Management program. The purpose of the plan is to manage the use of sick leave time by employees who have been or will be out ten (10) or more days and to help them reach maximum medical improvement so that they can return to work.

## **Study Leave—Sabbatical**

### **Eligibility and Limitation**

**9.9** A regularly-certificated member with seven (7) or more years of satisfactory, continuous, active service with the Board may be granted a sabbatical leave of absence for the purpose of furthering professional growth by means of graduate study or other means approved by the Superintendent of Schools.

A second sabbatical leave will not be granted as long as there is any other applicant meeting the qualifications for a sabbatical leave. This restriction may be waived if the sabbatical leave is necessary in order for the applicant to fulfill a residency requirement for a doctorate.

Satisfactory, continuous, active service is construed as meeting uninterrupted professional service in the system.

No leave time will be regarded as active service insofar as determining the seven (7) year sabbatical leave eligibility requirement.

### **Procedures**

Application for sabbatical leave shall be made, in writing, after September 1 and prior to April 1, preceding the school year for which such leave is requested. Those applications which have been received by December 1 will be acted upon by the Board during that month. If the number of budgeted sabbatical leaves has not been allocated as a result of this procedure, those which are submitted up to April 1 will be acted upon in the order received.

A member must present, with his/her application, an outline of proposed study to be undertaken while on leave. A program of full-time graduate study of twenty-four (24) semester hours is accepted as meeting the sabbatical leave requirement. Any exception to this requirement must be approved by the Deputy Superintendent prior to the expiration of this leave.

Three (3) sabbatical leaves shall be available during each school year.

Sabbatical leaves for twelve (12) month members will begin on July 1 and extend through June 30 of the following year. Any exception to this provision must be approved by the Superintendent.

## **Compensation**

The salary for a member on sabbatical leave shall be determined on the basis of years of commitment for employment by the Board upon returning from the sabbatical leave. A member who commits himself/herself to at least two (2) years of service to the Board following such leave shall be paid at the rate of sixty (60) percent of his/her regular salary during the specified period of leave. Members who are granted sabbatical leave shall retain the option of one (1) year commitment of service, with payment to be made at the current rate of fifty (50) percent of his/her salary.

In the event a member on sabbatical leave receives extra monies through any type of grant, the combined amount of those monies and the sabbatical leave allowance shall not exceed the amount of money this person would have received as a member for the school year in which the sabbatical leave has been granted. In cases where the combined monies exceed the regular salary, as outlined above, the sabbatical leave salary shall be reduced accordingly.

Should the member not return to the service of the Board, he/she will be required to refund the salary granted for sabbatical leave.

The provisions of the sabbatical leave section will be administered in accordance with the conditions of the individual sabbatical leave contract (1972 revision).

## **Unusual or Imperative Leave**

**9.10** A member may be granted a leave up to one (1) year without pay for extenuating circumstances that are unusual or imperative and when no other leave is applicable.

An application with supporting documentation must be submitted and Board of Education approval must be secured before the absence begins.

The member may continue participation in the Board of Education Employee Insurance Plan by assuming full costs of the premium.

The member must immediately notify the Department of Human Resources if plans to take the leave change.

## **Personal Business Leave**

**9.11** Each employee shall be entitled to up to five (5) days per year for personal business leave. Personal business leave must be used only to conduct personal business of a nature that cannot be scheduled on a non-duty day.

Whenever possible, a written statement of intent to be absent shall be submitted to the appropriate supervisor at least twenty-four (24) hours prior to the expected absence. The appropriate supervisor may make an exception to the twenty-four (24) hour requirement in case of an emergency.

Personal business leave may not be used on consecutive duty days except with the approval of the appropriate supervisor. The use of a personal business leave day immediately preceding or following a holiday requires the supervisor's authorization.

Absence for personal business leave shall not be charged to sick leave; unused personal business leave shall be accumulated as rolled sick leave. If sufficient time is available in this category of leave, rolled sick leave shall be available during the year for use by the employee for making annual sick leave bank assessment contributions.

### **Special Religious Observance Leave**

- 9.12** Employees will be permitted a total of seven (7) days for religious holidays. These seven days include the five (5) urgent personal business leave days allowed. The employee is required to submit one (1) week in advance, to the appropriate administrator, a letter stating the intent to be absent on a duty day to observe a religious holiday.

In determining religious holidays beyond the seven (7) days allowed, the Superintendent will request, from appropriate religious authorities, verification of the requirement for employees to be absent from work to fulfill religious obligations. Should religious authorities verify that more than seven (7) days are needed by the employee; the employee shall be granted the additional day(s). This/These day(s) shall not be subtracted from the employee's accumulated sick leave.

### **Court-related Leave**

- 9.13** Employees may be absent without loss of pay to serve on a jury or to obey a summons issued by a legally-established court unless he/she is a defendant in court proceedings. Such absence is not charged to sick leave. An employee receiving compensation for this duty shall receive his/her regular salary, less any compensation for such day.

- A. Unless he/she is a defendant in a criminal court proceeding unrelated to any school activities or if charged with an offense outside the course of employment; or
- B. Unless he/she is a plaintiff or defendant in a civil case where the allegations are unrelated to any activities related to the course of their employment.

An employee in subsection A and/or B may be paid for lost time because of the summons provided the verification of the verdict in his/her favor is provided within thirty (30) days of the absence. An employee under subsection A or B who pleads *nolo contendere* or who agrees to accept a finding of probation before judgment shall not be paid.

### **Unified Sick Leave Bank**

- 9.14** **PURPOSE.** The Board of Education (BOE) will provide a Unified Sick Leave Bank (USLB) benefit to employees represented by the BOE's bargaining units, and to non-represented administrative assistants and management employees. The purpose of the USLB is to provide a vehicle through which employees may donate their accrued sick leave for other eligible employees to use. This additional paid sick leave may be granted to employees who have exhausted their accumulated sick leave and urgent personal business days.

**DEFINITION.** The USLB may grant additional paid sick leave to an employee who through catastrophic illness, injury, or quarantine is unable to perform the duties of his/her position. Under a qualifying illness or injury, sick leave from the bank may also be granted for medical, dental, or optical examinations, or treatments that are impossible to schedule on non-duty days. Only the individual employee may use the USLB for his/her personal illness or injury. The USLB may not be used to be absent from work to care for members of the employee's family. Sick leave from the bank may not be granted when the employee has an active Workers' Compensation claim or when the employee is receiving compensation from Workers' Compensation. The USLB may not be used by an employee who is eligible for disability retirement to postpone that retirement. In no case will the granting of leave from the bank cause an employee to receive more than his/her regular annual salary.

**ELIGIBILITY.** All bargaining unit-represented employees will be automatically enrolled in the USLB once the following eligibility criteria are met:

- **TEN (10) MONTH EMPLOYEES.** TEN (10) MONTH EMPLOYEES WHO HAVE COMPLETED ONE (1) YEAR OF CONTINUOUS SERVICE AND WHO HAVE ACCUMULATED TWENTY (20) DAYS OF SICK LEAVE WILL BE AUTOMATICALLY ENROLLED IN THE USLB.

**•TWELVE (12) MONTH EMPLOYEES.** TWELVE (12) MONTH EMPLOYEES WHO HAVE COMPLETED ONE (1) YEAR OF CONTINUOUS SERVICE AND WHO HAVE ACCUMULATED TWENTY-FOUR (24) DAYS OF SICK LEAVE WILL BE AUTOMATICALLY ENROLLED IN THE USLB.

Employees meeting the eligibility requirements will be assessed a contribution when enrolled. The initial assessment and subsequent employee contributions will be based upon the needs of the USLB as determined by its governing committee.

**OPT OUT** - An employee who is eligible for membership in the USLB may ‘opt out’ for any reason by notifying the USLB in writing of his/her desire to withdraw from the USLB. Employees who opt out of the USLB will remain eligible for membership and may request to be re-enrolled by making a written request to the USLB. Employees who have opted out and request to be re-enrolled must meet the eligibility requirements. Employees who opt out in the fiscal year that the initial assessment is made will have that sick leave time returned to them.

**USE OF THE USLB.** Employees must use all accumulated sick and urgent personal business leave prior to drawing from the USLB. The lifetime total that an employee may draw from the USLB is one (1) year. One year is equal to the number of duty days for ten (10) month employees and is equal to two hundred forty-five (245) duty days for twelve (12) month employees. The USLB will not be charged for holidays, compensable non-duty weekdays, or vacation days.

**USLB OVERSIGHT COMMITTEE.** A USLB Oversight Committee, composed of a representative from each of the participating bargaining units and staff from the Office of Employee Absence and Risk Management, the Office of Payroll, and the Department of Staff Relations and Employee Performance Management will meet at least annually to determine the initial and subsequent employee annual sick leave assessment or contribution rates, to review the USLB’s rules and procedures, and to make revisions to these rules and procedures as necessary. The Oversight Committee, in accordance with established USLB rules and procedures, and the Superintendent must approve any changes to the rules and procedures before they are disseminated to employees.

Organization members will obtain the USLB Application from and submit the completed request directly to the Office of Employee Absence and Risk Management. The Office of Employee Absence and Risk Management shall review the application and shall advise the employee and the bargaining unit’s designated point of contact of all approval and denial decisions.

### **APPEALS**

Appeals of decisions of the Office of Employee Absence and Risk Management may be made in writing within ten (10) duty days to the Chief Human Resources Officer, Division of Human Resources. Pending the outcome of the appeal to the Chief Human Resources Officer, the employee will continue to be covered by the sick leave bank.

### **Personal Injury Leave**

**9.15** When an employee is absent from school as a result of personal injury caused by an accident or an assault occurring in the course of his/her employment as used and defined in the Workers’ Compensation Laws of Maryland, and such lost time is approved by a Board physician, the employee will be paid as close to his/her normal net salary as possible for the period of such absence up to twelve (12) calendar months. No part of such absence will be charged to the employee’s sick leave. If disability persists after the twelve (12) month period, the employee shall be placed on Leave of Absence and disability payment will commence consistent with the amount covered by Workers’ Compensation Law. Any employee who terminates his/her service with the Board must reimburse the Board for any advanced personal injury leave pay for which he/she is indebted to the Board.

The Board will continue to pay its share of the cost of health insurance for an employee receiving Workers’ Compensation benefits, including up to twelve (12) months following the expiration of personal injury and sick leave benefits.

An employee on Workers' Compensation may accrue up to one (1) year of service credit in determining his/her salary, including longevity, or vacation eligibility. These advance credits will become effective upon the employee's return to work. Vacation time will not be accrued during the extended time.

In the event an employee is declared to have a permanent total disability verified by a Board-designated physician, he/she shall receive a contribution toward the premium for health insurance and life insurance, commensurate to an employee retiring with thirty (30) years of service.

## **Vacation**

**9.16** An employee accrues annually twenty (20) days of vacation. Vacation will be capped at forty-five (45) days. At the end of the fiscal year, accrued vacation in excess of forty-five (45) days shall convert to personal illness leave. Upon separation from service, employees will be paid for all unused vacation based on salary in effect at the time of separation. This vacation payout will be capped at forty-five (45) days.

In determining vacation schedules, effort shall be made to comply with the employee's request. However, when there is a conflict between employee work schedule and an individual employee's request, work schedules will take precedence. Vacations shall be requested at least twenty-four (24) hours in advance. Requests for vacation will be approved or denied by the appropriate supervisor in a timely manner.

## **Leave for OPE Business**

He/she shall have no authority to add to, alter, detract from, amend or modify any provision of this Agreement, or to make any award which will in any way deprive the Board of any of the powers delegated to it by law. The award of the arbitrator, in writing, shall be final and binding on the aggrieved member or members, OPE, and the Board.

The school calendar has been established by the Board of Education in accordance with Section 7-103 of the Annotated Code of the General Public Laws of Maryland and except in case of emergency, members will not be required to work on the holidays designated by the Board and listed on the School Calendar.

The Board may designate additional days as holidays when the school calendar is adopted.

### Work Hours

**13.2** The work hours of OPE members are those hours required to complete duties as established by the Board. It is recognized that the job requirements of professionals are of such a nature that they cannot be adequately met within a specified time frame. The normal workload for professional personnel in OPE would include, but not be limited to, activities such as:

- Job-related late afternoon and evening meetings with other staff members, students, parents, community representatives and Board members.
- Supervision of student-oriented activities.

- Independent planning and work sessions beyond regular work hours as required to promote efficient execution of one's duties.
- Emergency situations.

The compensatory time shall be awarded in 15-minute increments.

Employees must use compensatory time prior to using vacation time and/or personal business leave. Compensatory time must be approved by the supervisor prior to its use.

Employees who accrue compensatory time shall be permitted to use it at a time of their choosing as long as the employee's absence does not unduly disrupt or negatively impact business operations.

All unused compensatory time shall be paid to employees at the end of the fiscal year.

## **Probation**

**13.3** All new hires or employees promoted into the unit will serve a probationary period of six (6) months. The probationary period may be extended for an additional ninety (90) days upon the recommendation of the employee's immediate supervisor.

Supervisors shall provide employees with performance coaching and feedback throughout the probationary period and probation extension, if recommended.

**13.3.2** A ninety (90) day written performance assessment shall be provided to all probationary employees during the regular probationary period. If a ninety (90) day extension is recommended, a forty-five (45) day written performance assessment shall be given. The written mid-term performance assessment shall, at a minimum, include commendations as well as any suggestions for performance improvement.

**13.3.3** The probationary period may be frozen if the employee is absent from the worksite for more than two (2) consecutive weeks. The probationary period will resume upon the employee's return to the worksite and once performance can be evaluated. The time frozen will not be counted as part of the six (6) month initial probationary period or the ninety (90) day extension.

**13.3.4** Prior to the completion of the initial probationary period, the probationary employee's supervisor will complete a written evaluation of the employee's performance and will notify the Division of Human Resources in writing as to whether the employee is being recommended for hire, extension of probation, or termination.

**13.3.5** If extension is recommended, the supervisor will complete an evaluation of performance prior to the completion date of the extension and will notify the Division of Human Resources in writing as to whether the employee is to be hired or is to be terminated.

**13.3.6** Whenever a regular employee is promoted or transferred to a different job classification, the employee shall again be placed in probationary status for a period of six (6) months. Should the employee's performance be unsatisfactory during this period, the employee shall be recommended for reassignment.

**13.3.7** If the employee is absent from the worksite for more than two (2) consecutive weeks during the initial probationary period or extension, the probationary period or extension will be frozen. **13.3.8** If recommended, an employee may be terminated during the probationary period and extension. An employee may appeal a termination to the board of education in accordance with Md. Code Ann., Ed. Art. § 4-205(c).

#### **Article XIV Compensation**

**14.1** The salaries for members are set forth in Appendix A-1 and A-2.

**14.2** In the event of a salary error, neither the Board nor OPE may claim salary adjustments for any more than the fiscal year in which the error is detected. However, at the employee's request, repayment deductions may begin immediately.

#### **14.3 Doctorate Stipend**

The Board will pay a one-thousand-dollar (\$1,000.00) stipend to OPE represented employees for the attainment of a Doctorate degree.

#### **ARTICLE XV Effect of Agreement**

##### **Individual Contracts**

**15.2** Any contract between the Board and an individual employee shall be expressly subject to the terms and conditions of this Agreement.

**15.3** Should any article, provision, or application of this Agreement to any member or group of members be declared illegal by a court of competent jurisdiction, said article, provision, or application, as the case may be, shall be automatically deleted from this Agreement to the extent that it violates the law, but the remaining articles, provisions, and applications shall remain in full force and effect for the duration of the Agreement. The Board and OPE agree that they will enter into immediate negotiations specifically and exclusively with respect to any provision of the Agreement which has thus been declared illegal. OPE agrees that it will abide by the provisions of the negotiations law.

#### **ARTICLE XVI Duration of the Agreement**

**16.1** The provision of this agreement shall be effective through June 30, 2023, as indicated in the following. Unless the parties mutually agree to the contrary during negotiations, negotiable items will be as follows:
