The above-named student has been referred to the Home and Hospital program for instruction during his/her absence. Home and Hospital tutors follow the BCPS curriculum and students receive instruction in the four major subject areas.

In order to make the student’s transition smooth and to maintain adequate yearly progress (AYP), we are requesting your assistance with instructional goals/indicators/guidelines. The information should cover BCPS content curriculum during a 60-90-day absence for the student. (If the student should need an extension of Home and Hospital services, more instructional information will need to be provided by the home school.)

**All information below must be provided for the Home and Hospital referral to be approved, and for this student’s educational program to be compliant with the legal guidelines of COMAR and IDEA.**
