Baltimore County Schools Hosting High School Magnet Programs

Geographic location and transportation availability should be considered when applying to magnet programs.

Please remember that regular and timely attendance is expected of all students enrolled in magnet programs.

TRANSPORTATION:

Baltimore County Public Schools provides transportation to and from high school magnet programs for students who reside within the established transportation zone of the magnet program. Transportation is provided from a limited number of pick-up points located at designated school sites. Parents are responsible for providing transportation for their students to and from their designated pick-up point.

NOTE: Pick-up points do not fall under the same guidelines as regular bus stops with regard to distance and walking conditions. In addition, supervision is not provided by the school system at the pick-up points.

Transportation is not provided by Baltimore County Public Schools outside of the established transportation zone of a magnet program.
