Academy of Health & Human Services

This academy offers specialized pathways in:

**Army JROTC** – motivates young people to be better citizens. The program is not an army recruitment program. Students share in the vision of quality citizenship, character, and leadership as they progress through the curriculum and develop partnerships with the community and educational institutions.

**Carpentry Careers or Electrical Careers** – provides instruction and experiences related to residential and commercial applications. Students may participate in job shadowing, internships, and school-to-work programs. Students successfully completing the program are eligible for placement in the Associated Builders and Contractors’ (ABC) Apprentice Program.

**Nutrition and Food Science (ProStart)** – prepares students for careers and postsecondary study in the areas of dietetics, food science and nutrition, and food service in commercial and/or institutional settings. Students explore careers related to the planning of healthy diets, the preparation and service of food, and restaurant management. Scientific principles are applied to the study of food selection, production, preparation, and processing. Students who complete the program earn ServSafe certification and a national ProStart certificate of achievement.

**Teacher Academy of Maryland**– prepares students for a variety of careers in the education profession. The program consists of four high school credits that focus on teaching as a profession, human growth and development, learning theory, and curriculum and instruction. In their senior year, students demonstrating proficiency have the opportunity to participate in internships in elementary, middle, or high school settings. Students who agree to teach in the state of Maryland may qualify for the Hope Scholarship, offered to college students.

* Articulated college credit may be earned from the Community College of Baltimore County.

‡ Students may earn a minimum of three or four MSDE Career & Technical Education (CTE) credits for graduation.
