Multimedia Communications

This program offers specialized pathways in:

**Visual Communications** – provides opportunities for students to communicate ideas in a variety of mediums through digital and graphic design, photography, and desktop publishing.

**Mass Communications** – allows students to work together to communicate information through television and radio broadcasting, video production, and journalism.

Both pathways include internship opportunities for seniors as well as parallel college enrollment.

- available at Randallstown High School (RHS)

Randallstown High School
4000 Offutt Road
Randallstown, Maryland 21133
443-809-0748
