Venue Files:

Venue Directions:

The sports fields are located behind the school. You can access the fields from either Lyons Mills Rd. or Winands Rd.

Automated External Defibrillator (AED)

Directions:

The closets AED would be in the gymnasium. The entrance to the gymnasium is the back two doors on the right side of the school. The second AED is in the school next to the Health office. You access this one from the back of the school and go thru the hallway to the front of the school and its next to the cafe.

Evacuation of the sports fields outside. Evacuate to the school building. Once calls have been made we will follow the following procedure. First, we will determine what type of emergency is present. Then we will direct the crowd and teams to the gymnasium entrance will assistance of the staff present on duty. Then in an orderly manner we will enter the school and head to the safe areas in the school building. We will then clear the fields and make sure all doors and windows are secure. We will also make sure all people are away from the windows and doors. The crowd will wait until future directions have been given to exit the school. The teams will wait until future directions have been giving to exit the school as well. If we cannot return to the fields we will have the crowd leave from the school building. We will then have the visiting team board their bus. In the event of injuries appropriate medical and police assistant will be requested.

Communication will be kept with the people in charge and the principal as well as the SRO.

Gym Buck's Arena

Venue Type:

Gym 

Venue Name:

Buck's Arena 

The gym is in the school. It's on the first floor in the back left of the school. The gym can be entered on the side of the school in the back of the building from Winands Rd.

Directions:

The AED is located in the gym on the left side by the exit door. The second AED in located straight down the hallway next to the nurse's office.

Evacuate of the gym and locker rooms. Evacuate to the parking lot on the side of the school and head to Winands Rd. Once calls have been made and the decision to evacuate has been made, we will follow this procedure. First, we will determine the type of emergency is present. Then we will have staff members direct the crowd to the exit points of the gym. In an orderly manner we will evacuate the gym. The coaches will go with the teams. Staff present will assist with anyone with special needs. We will clear the gym, locker room, lobby and the hallways. We will direct all people to the side parking lot. We will then have the crowd head to Winands Rd near the grass lot in front of the school. The crowd and staff will wait until given the all clear to return to the building. If we cannot return to the building, we will then dismiss the crowd from the front of the school. Visiting teams will board their bus from the front of the school as well. In the event of injuries appropriate medical staff and police assistance will be requested. Constant communication will be kept with the person in charge as well as the principal and/or Rn
Tennis Court Tennis Courts

**Venue Type:** Tennis Court

**Venue Name:** Tennis Courts

The tennis courts are located on the right side of Deer Park Middle Magnet School. You can get to the courts from the front right parking lot off Winands Rd.

**Automated External Defibrillator (AED) Directions:**

The closest AED is located next to the nurse’s office in the school. You go down the sidewalk in front of the school to the main entrance and make a left. Then make your first right towards the gym. Then you will make your first right again and the AED is located on the left side of the hallway.

Evacuation of the tennis courts outside. Evacuate to the school building and enter the CAC. Once calls had been made we will follow the following procedure. First, we will determine what type of emergency is present. Then we will direct the crowd and teams to the CAC entrance will assistance of the staff present on duty. Then in an orderly manner we will enter the school and head to the safe areas in the school building. We will then clear the tennis courts and make sure all doors and windows are secure. We will also make sure all people are away from the windows and doors. The crowd will wait until future directions have been giving to exit the school. The teams will wait until future directions have been giving to exit the school as well. If we cannot return to the tennis courts, we will have the crowd leave from the school building. We will then have the visiting team board their bus. In the event of injuries appropriate medical and police assistant will be requested. Communication will be kept with the people in charge and the principal as well as the SRO.
