1.5 A Bid is a complete and properly signed proposal to do the Work and/or provide the Goods for the sums stipulated therein submitted in accordance with the Solicitation.

1.6 The Base Bid is the sum stated in the Solicitation for which the Bidder offers to perform the Work described in the Solicitation as the base to which Work may be added or from which Work may be deleted for sums stated in Alternate Bids.

1.7 An Alternate is an amount stated in the Proposal/Bid that may be added to or deducted from the amount of the Base Bid if the corresponding change in the Work as described in the Solicitation is accepted.

1.8 A Unit Price is an amount stated in the Solicitation as a price per unit of measurement for materials equipment or services or a portion of the Work as described in the Solicitation.

1.9 A Bidder is any reliable and interested person, broker, vendor, contractor and/or manufacturer who responded to the solicitation /submits a Bid/Proposal.

1.10 An Award Bidder is a person or entity who submits a Proposal/Bid and has been approved by the Board of Education for award.

1.11 A Sub-contractor is a person or entity who submits a proposal or bid to an Award Bidder for materials, equipment, or labor for a portion of the Work.
2.0 AN INVITATION TO BID

2.1 BCPS invites all interested and qualified Contractors to submit a proposal/bid. These specifications are intended to cover the purchase of services and/or commodities requested and include, but are not limited to, providing labor, materials, equipment and supervision of labor and subcontractors to complete requirements as identified [by BCPS].

2.2 In accordance with State law and BCPS policies, notices and announcements shall be published a minimum of 14 calendar days in advance of due date for any proposal/bid having a potential award value of $25,000 or more.

2.3 Unless otherwise indicated, BCPS shall receive sealed proposals/bids until date and time indicated on bid or as modified by addenda. Proposals/Bids must be delivered to the BCPS Office of Purchasing located at 6901 Charles Street, Building "E", 1st Floor, Towson, Maryland 21204. Proposals/Bids must be delivered in sealed opaque envelopes and clearly marked on the outside: Name of Bidder, Due Date and Time, Solicitation/Bid Number and Solicitation Title.

2.4 Brand name and model numbers are offered as a reference for bidders as to the style, size, weight, and other characteristics of the item(s) in the specifications. The use of such brand names should not be interpreted as the exclusive brand desired unless so stated. The determination of the acceptability and/or the criteria for acceptability of an alternate is solely the responsibility of BCPS. (Refer to Part II: Specifications--General Requirements and/or Part III: Technical Specifications).

2.5 The Bidder or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, circumstances, prerequisites, qualifications and/or specifications before submitting their proposal/bid. A Bidder's failure to become fully informed is at the Bidder's sole and complete risk of loss. The Bidder shall have no right to any damages, cost and/or any other remedy at law or equity against BCPS for any miscalculation, misunderstanding, error (either omissions or commissions), mistake, misinterpretation, and/or the failure by the Bidder to obtain an award of bid, award of contract and/or profits, fees or money from BCPS when the Bidder failed to fully inform themselves. In the case of error in extension of prices in the bid, the unit price shall govern or the entire proposal/bid may be declared non-responsive.

2.6 Upon evaluation of all responses, a recommendation for the award of contract will be presented to the Board of Education of Baltimore County for approval. Upon approval of the award of contract, the bidder(s) shall be notified either by mail, telephone or purchase order of their award(s). When applicable, a BCPS contract document shall also be issued.

2.7 The Bidder will not be allowed to offer more than one price on each item even though he may feel that he has two or more types or styles that will meet specifications. Bidder must determine which to offer. IF SAID BIDDER SHOULD SUBMIT MORE THAN ONE PRICE ON ANY ITEM, ALL PRICES FOR THAT ITEM WILL BE REJECTED AND THE PROPOSAL/BID WILL BE DECLARED NON-RESPONSIVE.
2.8 Where provision is made on the proposal form for bidding items on an individual, group or aggregate basis, the award will be made on whichever basis is in the best interest of the BCPS. When an aggregate bid is requested, the unit prices for each item shall be identified on the proposal sheet for accounting purposes. The unit prices in an aggregate bid should be consistent with the total quoted price for an aggregate bid. A “NO BID” on a combination of items will be permitted except as otherwise provided for on the proposal sheet and/or in PART II: SPECIFICATIONS-GENERAL REQUIREMENTS AND PART III: TECHNICAL SPECIFICATIONS.

2.9 The product offered by the bidder shall be new, not used, and the latest version. Should a product be discontinued and/or upgraded during the course of the contract, the Award Bidder shall offer to BCPS a new alternate product meeting and/or exceeding the established specifications, under the same terms, conditions and prices as the originally offered item.

2.10 The Award Bidder, after award and before manufacture and/or shipment, may be required to submit working drawings or detailed descriptive data identified as acceptable to BCPS, which provide sufficient data to enable BCPS to judge the bidder's compliance with specifications.

Bidder(s) may contact the Office of Purchasing to arrange a date and time to review bid documents.

3.6 At the time of the bid opening each bidder will be presumed to have read and to be thoroughly familiar with the specifications and related documents (including all Addenda). The failure or omission of any bidder to receive or examine any form, instrument, or document, shall in no way relieve them from any obligation in respect of his bid.

3.7 Any omissions, errors, conflicts, or discrepancies in this document shall be called to the attention of BCPS IN WRITING at least seven (7) business days prior to the date fixed for the opening of bids.

4.0 MULTI-AGENCY PROCUREMENT

Disputes must be resolved solely between the participating agency and the Award Bidder. BCPS does not assume any responsibility other than to obtain pricing for the specifications provided.

5.0 BID SECURITY

5.1 If so stipulated in the Advertisement, Invitation to Bid, or supplementary instructions to bidders, each Proposal/Bid shall be accompanied by a Bid Bond in the dollar amount of five percent (5%) of the Base Bid. This Bid Bond pledges that the Bidder will enter into a Contract with BCPS on the terms stated in the Solicitation and will, if required, furnish bonds covering the faithful performance of the Contract and payment of all obligations arising hereunder. Should the Bidder refuse to enter into such Contract or fail to furnish such bonds, where required, the amount of the Bid Security/Bid Bond/Surety Bond shall be forfeited to BCPS as liquidated damages not as a penalty. 5.4 All bonds must be underwritten by surety companies which are authorized to transact surety business in the State of Maryland. If a bonding company is used that is not authorized, the contract will be Terminated for Default or if the required bond is a bid bond, this is just cause for rejection of the bid as being non responsive.

5.5 Performance Bonds and/or payment bonds are required for proposals/bids meeting the following conditions. The Award Bidder(s) of this contract may be required to submit either one or both of these bonds within ten (10) days of receipt of the Notice of Intent to Award and in accordance with the terms stated below. The cost of the performance bond and/or payment bond will be borne by the bidder(s) in all instances.

5.5.1 Performance Bond shall be required for contracts and/or awards of construction contracts in excess of $30,000.00 for the amount of 100% of the contract price to cover faithful performance of the contract. Simultaneously with his delivery of the executed contract, the Award...

Payment Bonds shall be made out in the name of the "Board of Education of Baltimore County". They shall be provided to the Office of Purchasing, Contracting Assistant, 6901 Charles Street, Building "E", 1st Floor, Towson, Maryland 21204.

5.6 Certified checks in the amount(s) stated above will be accepted in lieu of the performance bond and payment bond only upon prior approval of the Purchasing Agent. If checks are approved for acceptance in lieu of either bond, they should be in the same amount as these bonds; be separate checks; and should clearly designate the purpose, i.e., performance of payment.

5.6.1 Certified checks, if submitted, will be deposited in the BCPS bank account(s). Upon successful completion of the contract, check(s) will be drawn upon the Board's bank account(s) for the full amounts of both certified checks.

5.6.2 Certified checks shall be made out in the name of the "Board of Education of Baltimore County". They shall be provided to the Office of Purchasing, Contracting Assistant, 6901 Charles Street, Building "E", 1st Floor, Towson, Maryland 21204.

12.3 PROPERTY INSURANCE

12.3.1 Unless otherwise provided, the BCPS shall purchase and maintain property insurance, subject to a deductible of $10,000 to be assumed by the BCPS, upon the entire Work at the site to the full insurable value
thereof. This insurance shall include the interests of the BCPS, the Award Bidder, Subcontractors and Sub-subcontractors in the Work and shall insure against the perils of fire and extended coverage and shall include "all risk" insurance for physical loss or damage including, vandalism and malicious mischief. If the BCPS does not intend to purchase such insurance for the full insurable value of the entire Work, he shall inform the Award Bidder in writing prior to commencement of the Work. The Award Bidder may then affect insurance, which will protect the interests of him, his Subcontractors and the Sub-subcontractors in the Work, and by appropriate Change Order the cost thereof shall be charged to the BCPS. If the Award Bidder is damaged by failure of the BCPS to purchase or maintain such insurance and to so notify the Award Bidder, then the BCPS shall bear all reasonable costs properly attributable thereto. The BCPS does not maintain insurance of any kind on tools, equipment, temporary offices, sheds, shacks and other property of the Award Bidder or of his employees, nor materials or supplies stored away from the job site. It shall be the complete responsibility of the Award Bidder to provide for his own protection and that of his employees against any losses of such tools, equipment and other property, and materials and supplies stored away from the job site.

12.3.2 The Award Bidder shall purchase and maintain boiler and machinery insurance if this contract includes installation, modification or repair of such equipment. This insurance shall be at limits of not less than $500,000, covering all boilers and other equipment not covered for explosion by standard property insurance policies. This insurance shall include the interests of the BCPS, the Award Bidder, Subcontractors and Sub-subcontractors in the Work.

12.3.3 Any loss insured under Subparagraph 12.3.1 is to be adjusted with the BCPS and made payable to the BCPS as trustee for the insured, as their interests may appear, subject to the requirements of any applicable mortgage clause and of Subparagraph 12.3.8. The Award Bidder shall pay each Subcontractor a just share of any insurance moneys received by the Award Bidder, and by appropriate agreement, written where legally required for validity, shall require each Subcontractor to make payments to his Sub-subcontractors in similar manner.

12.3.4 BCPS maintains a copy of all policies, which are available to the Award Bidder for inspection before an exposure to loss may occur.

12.3.5 If the Award Bidder requests in writing that insurance for risks other than those described in Subparagraph 12.3.1 or other special hazards are included in the property insurance policy, the BCPS shall, if possible, include such insurance, and the cost thereof shall be charged to the Award Bidder by appropriate Change Order.

12.3.6 If required in writing by any party in interest, the BCPS as trustee shall, upon the occurrence of an insured loss, give bond for the proper performance of his duties. He shall deposit in a separate account any money so received, and he shall distribute it in accordance with such
agreement as the parties in interest may reach, or in accordance with an
award by arbitration in which case the procedure shall be as provided. If
after such loss no other special agreement is made, replacement of
damaged work shall be covered by an appropriate Change Order.

12.3.7 BCPS as trustee shall have power to adjust and settle any loss with the
insurers unless one of the parties in interest shall object in writing within
five days after the occurrence of loss to the BCPS's exercise of this power,
and if such objection be made, arbitrators shall be chosen. The BCPS or
trustee shall, in that case, make settlement with the insurers in accordance
with the directions of such arbitrators. If distribution of the insurance
proceeds by arbitration is required, the arbitrators will direct such
distribution.

12.3.8 BCPS and Award Bidder waive all rights against (1) each other and the
Subcontractors, Sub-subcontractors, agents and employees each of the
other, and (2) the Architect and separate contractors, if any, and their
Subcontractors, Sub-subcontractors, agents and employees, for damages
caused by fire or other perils to the extent covered by insurance obtained
pursuant to this Paragraph 12.3 or any other property insurance applicable
to the Work, except such rights as they may have to the proceeds of such
insurance held by the BCPS as trustee. The foregoing waiver afforded the
Architect, his agents and employees shall not extend to the liability of the
Architect, his agents or employees, arising out of (1) the preparation or
approval of maps, drawings, opinions, reports, surveys, change orders,
designs or specifications, or (2) the giving of or the failure to give directions
or instructions by the Architect, his agents or employees providing such
giving or failure to give is the primary cause of the injury or damage. The
BCPS or the Award Bidder, as appropriate, shall require of the Architect,
separate Contractors, Subcontractors and Sub-subcontractors by
appropriate agreements, written where legally required for validity, similar
waivers of each in favor of all other parties enumerated in this
Subparagraph 12.3.6.

12.3.9 If BCPS finds it necessary to occupy or use a portion or portions of the
facility where work is being done prior to Substantial Completion thereof,
such occupancy shall not commence prior to a time mutually agreed to by
the BCPS and Award Bidder and to which the insurance company or
companies providing the property insurance have consented by
endorsement of the policy or policies. This insurance shall not be
cancelled or lapsed on account of such partial occupancy. Consent of the
Award Bidder and of the insurance company or companies to such
occupancy or use shall not be unreasonably withheld.

12.4 Loss of Use Insurance

The BCPS, at its option, may purchase and maintain such insurance as will
insure him against loss of use of his property due to fire or other hazards,
however caused.
12.5 Evidence of Insurance

12.5.1 Prior to the award of contract, the Award Bidder is required to submit a certificate of insurance evidencing Worker's Compensation and Employer Liability Insurance in the amounts required above, and in addition, this certificate will indicate the amounts of insurance carried by the Bidder of the following types: Comprehensive General Liability Insurance, Comprehensive Automobile Insurance, Excess Liability Insurance, and any other insurance coverage maintained by the Award Bidder. The Certificates of Insurance will state that such insurance is in force and cannot be cancelled or released except upon thirty (30) days prior written notice to the Board of Education of Baltimore County. **The Certificate of insurance must name the Board of Education of Baltimore County as an additional insured.**

12.5.2 All **Required Insurance Coverage** must be underwritten by insurers allowed to do business in the State of Maryland and acceptable to the Board. The insurers must also have a policyholder’s rating of “B” or better, and a financial size of “Class VII” or better in the latest evaluation by A. M. Best Company. The board hereby grants specific approval for the acquisition of worker’s compensation and employer’s liability insurance from the Injured Worker’s Insurance Fund of Maryland.

13.0 DIRECT DAMAGES

In the event the Award Bidder fails to deliver the goods or services of the contract in accordance with the specifications, BCPS reserves the right to purchase the goods/services on the open market. All expenses incurred by BCPS as a result of such purchases will be deducted from the monies owed or monies which may become due.

14.0 TERMINATIONS/SUSPENSIONS FROM CONTRACT

14.1 Termination by BCPS for Cause

14.1.1 BCPS may terminate the Contract if the Award Bidder:

1. persistently or repeatedly refuses or fails to supply enough properly skilled workers or proper materials;

2. fails to make payment to Subcontractors for materials or labor in accordance with the respective agreements between the Award Bidder and the Subcontractors;

3. persistently disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction; or

4. otherwise is guilty of substantial breach of a provision of the Contract Documents such, but not limited to: (1) Maintain progress in accordance with Project schedule; (2) Prevents other contractors from meeting their scheduled progress; (3) has unsatisfactorily performed the contract.
14.1.2 When any of the above reasons exist, BCPS, after consultation with the Construction Manager, and after determining that sufficient cause exists to justify such action, may without prejudice to any other rights or remedies of BCPS and after giving the Award Bidder and the Award Bidder's surety, if any, seven days written notice, terminate employment of the Award Bidder and may, subject to any prior rights of the surety take the following actions:

.1 take possession of the site and of all materials, equipment, tools, and construction equipment and machinery thereon owned by the Award Bidder

.2 accept assignment of subcontracts and

.3 finish the Work by whatever reasonable method BCPS may deem expedient.

14.1.3 When BCPS terminates the Award Bidder for one of the reasons stated above, the surety shall not, without the written consent of BCPS, retain the Award Bidder for the Work and the Award Bidder shall not, without written consent of BCPS, perform any of the Work.

14.1.4 When BCPS terminates the Contract for one of the reasons stated above, the Award Bidder shall not be entitled to receive further payment until the Work is finished.

14.1.5 If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, including compensation for the Construction Manager's and Architect's services and expenses made necessary thereby, such excess shall be paid to the Award Bidder. If such costs exceed the unpaid balance, the Award Bidder shall pay the difference to BCPS. The amount to be paid to the Award Bidder or BCPS, as the case may be, shall, upon application, be certified by the Architect after consultation with the Construction Manager and this obligation for payment shall survive termination of the Contract.

14.2 Termination for Convenience: In the event that BCPS determines to terminate this contract for convenience, then BCPS will provide the Contractor with written notice of that termination for convenience. The parties agree that the provisions of this contract, which would be their nature survive final acceptance of the work or service described and required by the contract and bid documents, shall remain in full force and effect after any termination for convenience in order to implement the following provisions.

14.2.1 In the event of such a termination for convenience, the Contractor agrees to waive any claims for damages including, but not limited to anticipated profits, mark-ups or payroll reimbursements. The Contractor agrees that upon such termination for convenience the sole right and/or remedy available to the Contractor will be the right of the Contractor to be paid the actual cost of all work properly performed by the Contractor
prior to the date of the termination. The Contractor further agrees that it
will only be entitled to payment for work not previously paid for in other
sums of money already received by the Contractor under any of the
terms and conditions of this agreement. If at the date of such
termination that Contractor has properly purchased, prepared or
fabricated, off the site, any goods for subsequent incorporation in the
work, and if the Contractor delivers such goods to the site or to such
other place as BCPS shall reasonably direct, then the Contractor shall
be paid for such goods or materials.

14.2.2 Upon receipt of such notice the Contractor shall, unless notice directs
otherwise, immediately discontinue the work on that date and, to the
extent specified in the notice, place no further order or subcontracts for
materials, equipment, services or facilities except as may be necessary
for completion of such portion of the work, as is not discontinued:
promptly make every reasonable effort to procure cancellation upon
terms satisfactory to BCPS of all orders and subcontracts to the extent
that related to the performance of the discontinued portion of the work,
and shall thereafter do only such work as may be necessary to preserve
and protect work already in progress and to protect materials, plants and
equipment on the site or in transit thereto.

14.2.3 Upon such termination, the obligations of the contract shall continue as
to portions of the work already performed and as to bona fide obligations
assumed by the Contractor prior to the date of termination.

14.2.4 The Contractor agrees that the Contractor does not have a right to
termination for convenience.

14.3 BCPS reserves the right to terminate this contract, in whole or in part, because
of non-appropriation of funds by the fiscal authorities. In the event of a
termination for non-appropriation of funds, the provisions of Paragraphs 14.2.1,
14.2.2 and 14.2.3 above shall be controlling.

15.0 DRUG, TOBACCO, AND ALCOHOL

15.1 All Baltimore County Board of Education and BCPS properties are "drug,
tobacco, and alcohol free zones" as designated by federal, state and local laws
and by Board of Education policy. Neither the Contractor nor any of the
Contractor’s employees, subcontractors or agents will be permitted to have any
illegal drugs; tobacco products; or alcohol products while performing their duties
under this Contract and while working on Board of Education and BCPS
property. Use or possession of illegal drugs, tobacco products, or alcohol
products on school property will result in immediate removal of the offending
individual(s). BCPS reserves the right to issue, at a minimum, a verbal directive
to the offending individual(s) to comply with this prohibition and to cease use.
The Contractor will be notified in writing of any violation(s).

15.2 Any subsequent offense by any individual or individuals may result in a
permanent ban from the project for the offender(s), with appropriate formal notice
to the Contractor. BCPS reserves the right to document any offenses in the
Contractor’s file maintained by the Office of Purchasing. BCPS further reserves the right to address any substance use infraction by any means it deems necessary, up to and including termination of the Contract. In the event that a Contract is terminated as a result of a substance abuse infraction, BCPS will provide an “unsatisfactory” reference when references are requested.

The Manager, Office of Purchasing may approve, modify or disapprove the decision of the Purchasing Agent. In disapproving the decision, the appeal will be remanded to the Purchasing Agent for resolution. In all other cases, the decision of the Manager, Office of Purchasing is the final action by BCPS. The decision shall include a statement of the decision, with supporting material. Bidders receiving a decision on an appeal of recommendation of award shall forfeit the right to continue the appeal process of the award of contract.

16.1.2 In the event a bidder determines cause to appeal an award of contract, which has been approved by the Board of Education of Baltimore County, said action must be filed in writing to the Executive Director, Division of Physical Facilities. This action shall occur not later than seven days from the date of award of contract. The Executive Director, Division of Physical Facilities reserves the right to meet with the protesting Bidder as a part of the appeal investigation. A formal written decision will be issued by the Executive Director, Division of Physical Facilities in a timely manner.

16.1.3 Should the Bidder wish to pursue the appeal of award of contract further, administrative procedures have been established for such action, which will be outlined at the time the appeal is made.

16.2 Appeal of Suspension or Termination.

16.2.1 Any Award Bidder objecting to their Suspension or Termination may protest the action to the Department of Physical Facilities by formally notifying the Executive Director, Department of Physical Facilities in writing within fourteen (14) calendar days from the date of the notification. The Award Bidder shall have an opportunity to meet with the Executive Director, Department of Physical Facilities, or his designee, to present his issues.
16.2.2 If the Award Bidder is unsatisfied with the outcome of this meeting, then the Award Bidder may utilize the administrative process to further the appeal.

16.3 BCPS reserves the right to proceed with the work under the contract during the appeal process if BCPS determines that this is in the best interest of BCPS, in the opinion of BCPS.

16.4 Appeal of Termination for Non-Appropriation of Funds or for loss of Appropriated funds: NONE

16.5 Any costs incurred in the appeal process will be borne by the bidder(s) in all instances.

32.5 At no cost to the Award Bidder, BCPS shall provide and pay for water, heat, telephone and utilities used or consumed by the Award Bidder during the performance of the work or services hereunder if they are currently available at the work site. However, the Award Bidder shall install and pay for the costs of any temporary facilities not already in existence that will be required during construction for accessing such water, heat and utilities.

32.6 Award Bidders are responsible for coordinating planned interruptions of utility service with BCPS.

32.7 Award Bidders are responsible to notify BCPS of any occurrence of pre-existing condition that would prevent the completion of work as Specified. Any changes
in the scope of work and any resulting changes in cost shall be agreed to in writing by BCPS. BCPS assumes no responsibility for verbal changes in the scope of work or cost.

32.8 Award Bidders may be responsible at the discretion of BCPS to complete the American Institute of Architects (AIA) Abbreviated form of Agreement Between BCPS and Award Bidder.

32.9 Award Bidders are responsible to provide their own materials, tools and equipment. BCPS assumes no responsibility for vandalism or theft of Award Bidder’s property.

32.10 At the time of the opening of bids each bidder will be presumed to have inspected the site and to have read and to be thoroughly familiar with the Solicitation, Specification, Plans and Contract Documents (including all Addenda). The failure or omission of any bidder to receive or examine any form, instrument, or document, shall in no way relieve any bidder from any obligation in respect of his bid.

32.11 Award Bidder shall be responsible for ensuring that employees assigned to BCPS sites, either employed by Award Bidder or their Sub-contractor(s), have successfully passed a criminal background check. The Award Bidder shall advise the BCPS of the intention to use any employees, including sub-contractor employees that are hired or obtained from any penal pre-release or work-release programs. In the event such employees are used, notification to BCPS shall include name and violation for each individual. The contractor shall take reasonable precautions when selecting such individuals and provide whatever safeguards are necessary for effective supervision. Such employees are not permitted inside school buildings when the nature of the contract is for outside work.

32.12 In accordance with Board of Education Policy 3231 and Superintendent’s Rule 3231, the effective management of vendors conducting business with the Baltimore County Public Schools includes a process to evaluate vendor performance under a contract for the purchase of goods, performance of service, consulting, construction, construction management, building renovation, or improvement of facilities. The results of vendor performance appraisals may be used in subsequent evaluations of a vendor’s ability to perform on future contracts. Vendors should receive feedback on their performance, whether it is positive or negative. In the case of negative feedback, the vendor shall be informed of why their performance is unsatisfactory and what corrective action is required.

Vendor performance evaluations are required for all BCPS contracts for construction, construction management, building renovation, or facility improvement that exceed $500,000. Vendor performance evaluations shall be completed by the Office of Physical Facilities during the contract, and a final evaluation shall be prepared within 30 days of substantial completion of the contract. More frequent evaluations may be submitted if necessary to facilitate proper management of the vendor. The Office of Purchasing may request a vendor performance evaluation for any contract with a value less than $500,000.
For large, long-term projects, BCPS may use an internet and email based system to collect evaluations from key participants (vendors, contractors, subcontractors, designers, etc.) on its projects. This system is designed to facilitate open, detailed communication about any technical, communications, administrative or management issues that arise during the course of the contract, as well as to insure that potential problems are specifically identified and addressed as early in the contract period as possible (See PART II: SPECIFICATIONS--GENERAL REQUIREMENTS for further guidance).

32.13 Award Bidders must submit semi-annual statistical reports via email in an Excel format prescribed by BCPS for the periods of January to June and July to December each year. Reports are due, without notice, to BCPS on August 1 and February 1, respectively, following the end of each six-month period. Failure of the BCPS to remind Award Bidders that the reports are due does not relieve the BCPS of the responsibility of submitting the reports on time. The semi-annual reports must show the dollars spent in connection with this contract by the participating entities and may show other reporting categories mutually agreed upon by BCPS and Award Bidders. Failure to submit the reports on time may constitute unsatisfactory performance under the terms of the contract.
