The committee reviewed survey data, public comments, and option data for:
- Option A
- Option B
- Option C
- Option D

Principals contributed to the discussion but did not vote or use voting devices.

9 voting committee members were present.

The committee was polled to determine readiness to vote on a recommendation, or if further time was needed. The committee voted unanimously that they were comfortable making a decision to the Board of Education tonight (11/30/2022).

Next, the committee voted to recommend each option:

- **Option D** was the final recommendation of the committee.
